dating patterns, emotional/sexual need gratification, elderly; interviews; Minnesota; 87T0732
postmarital family reorganization; remarriage courtship; literature review; theoretical approach developed; 87R6407
violence victimization, courting couples' perceptions; gender; questionnaires; college students, US; 87T0964

Cousin Marriage
cousin marriage, European societies; ethnographic data; Andalusia (Spain); 1871-1975; 87R6430
cousin marriages, Victorian England; 87R8339
kin group maintenance/marriage patterns, Highland Scot migrants, Canada/New Zealand; birth registry data; 1800-1830; 87R7254
sexual selection-childhood familiarity relationship, E. A. Westermarck's hypothesis; case study; first-cousin marriages, Zikri Baluch, Pakistan; 87R9321
symmetric vs asymmetric marriage regulation systems, prescriptive marriage fallacy; 87R8380

Crafts
artistic craftsmanship, position/traditions/skill transmission; 87R7918
decorative art, acculturation functions, Great Lake Indians; ethnohistorical documents/photographs, interviews; Oklahoma; 18th century-present; 87R3656
handicrafts, Italy, sociological research issues; 87R1744
home employment, handicraft industries, Nueva Ecija, Philippines; interviews; 87R9432
stained glass profession, arts/crafts fairs' role; case study; 87R4079

Creationism
academicians as expert witnesses, moral concerns/responsibilities; personal experience; Arkansas Creationism law; 87R2172
creation science dispute, Michigan public schools; 87R8052
creation-science discourse, Queensland, Australia; questionnaire survey; 87R3986
creationism myth/movement, US; 87R4415
human origins/past, college students' beliefs; questionnaire; Texas; 87R5514
pseudoscientific beliefs, Christian fundamentalism vs cult science; Likert scales; undergraduates; 87R6195

Creativity
artistic craftsmanship, position/traditions/skill transmission; 87R7918
creativity freedom, sociological theory, utopian communities; case study; Christ's House of Faith, St. Paul, Minnesota; 87R6205
daily working life, sociologists/writers, Italy; qualitative biographical interviews; 87R5374
everyday lives, nonprofessional painters/poets, Italy; interviews; 87R7201
fashion industry, creative/managerial functions, Italian postindustrial society; 87R7383
Goffman, Erving, dramaturgy, forms/implications of human social experience, theoretical issues; 87R9275
intellectual creativity, Sigmund Freud's life work; case study; 87R5081
intellectual work/orientation, empirical/secondary data; Italian sociologists/writers; 87R5985
personal knowing, education approach, direct sensory experience; 87R4292

Credibility
children's political socialization; adult authorities' credibility/receptivity; experiment; fifth/sixth graders; 87R2602
normative role/position, Swedish universities; 87R8008
poll credibility/political effects, press/general public perceptions; questionnaire surveys; 87R1877
polls, public attitudes; surveys; 87R1880
social science knowledge credibility, citations to refuted findings; case study survey data; 87R5438
television viewing/credibility attitudes, black Americans; national surveys; 87R3870

Credit
agricultural lending policies, commercial banks, Texas; dominance/dependency/differentiation/size factors; questionnaire survey; 87R9973
consumer debt, US, social/economic impact; 87S1965
credit card fraud/white collar crime, criminal code/officials' response; 87S1965
credit crisis, tenancy-indebtedness cycle, family farms; 87R6041
rural banking, structural analysis, credit flows; Missouri; 87R2188

Crime
aggressive criminal behavior; natural selection processes; 87R2912
alcohol/crime relationship; age; longitudinal questionnaire surveys; male cohort, Oregon; 87R2869
computer abuse, lawmaking vs enforcement efforts; questionnaire; attorneys; 87R8666
corporate antitrust criminality; firm profit-squeeze; official/economic data; 87R5720
corporate antitrust violations; business conditions, Republican vs Democratic administrations; longitudinal data; firms; 1927-1981; 87R8937
credit card fraud; participant observation, police squad; Montreal, Quebec/Toronto, Ontario; 87R2934
Crime and Human Nature by James Q. Wilson & Richard J. Herrnstein; review essay; 87R6642
crime control, socialist vs capitalist societies; library/field research; 87R8122
crime coverage, Canadian press; content analysis; articles/editorials, Ottawa (Ontario) *citizen*; 87R9644
crime genesis, Edwin H. Sutherland's differential association theory; interview survey; adults, New Jersey/Iowa/Oregon; 87R5057
crime situations, criminals' definitions; criminalization stage; interview survey; prison inmates, Japan; 87R6643
crime victims' status/rights, South Africa; 87R5045
crime victims, social/judicial marginalization, mass media perspectives; content analysis; newspaper articles; 87R8648
crime, young vs old offenders; socioeconomic/employment conditions; survey; male arrestees, Brooklyn, New York; 87R2908
crime/delinquency; sociospatial factors; empirical data; West Germany; 87R5052
crime/deviance, Edwin H. Sutherland's differential association theory; interview survey; adults; 87R1369
crime/deviance, sociological research bias/independence; 87S1961
crime/political violence/suicide, Western societies; relative deprivation/deprivation, differential resistance/risk ("RO-DR" model); 87R2911
criminal activity stages, juvenile-adult offenders, criminal career concept; Montreal, Quebec; 87R9898

criminal behavior, Edwin H. Sutherland's differential association theory; interviews; 87S1957
criminal behavior, women/youth, Mondovi, Piedmont, Italy; court records; 1898; 87T0204
criminal behavior; r-selected reproduction approach; 87R8650
criminal career patterns, young adult males, offender/offense characteristics; arrest data; 1958 birth cohort, Philadelphia, Pennsylvania; 87R8695
criminal punishment, public attitude assessment, factorial survey design; comment/reply; 87R1873
criminal skills, incarcerated heroin addicts; prison learning; self-reports; addiction treatment center, Baltimore, Maryland; 87R5538
criminal victimization risks; routine activities/lifestyles variables; 1975 National Crime Survey; US; 87R8664
criminality behavior causality/determination, socialist vs bourgeois criminology; 87R8676
criminality, genetic/familial variables; book review essay; 87R1367
criminality-narcotics use, causal relationships; interviews; methadone maintenance patients, California; 87R2932
criminology, sociological approach; 87R5055
dowry-related crimes, women victims, Delhi, India; 87S2001
educational attainment level, adult misdemeanants; type of crime; 87R5053
empathy, criminals vs noncriminals; self-report survey; high school students; 87R6651
female crime accomplices, male thieves' views; interviews; 87R2176
hazardous waste crime, offense/offender characteristics; case data, interviews; Maine, Maryland, New Jersey, Pennsylvania; 1977-1984; 87R6650
heroin addiction/criminality; interviews; heroin addicts, Delaware; 87T0685
illegal line-selling business, bingo games; field/participant observation; New York City; 87S1967
neighborhood crime; public high school proximity; San Diego, California/Cleveland, Ohio; 87R2352
police/social scientist cooperation, Bundeskriminalamt's crime forecasting committee, Federal Republic of Germany; 87R3001
price-fixing, corporate crime research, methodological problems; 87S1942
property crimes, mass media coverage; content analysis, newspapers, Nice, France/Geneva, Switzerland; 87R9652
property offenders, offense justification, individual vs societal origins; interviews; interior Alaska; 87R2751
punishment rates, criminal justice system, stability hypothesis; Montreal, Quebec; 1849-1913; 87R2483
race-criminal punishment relationship, research inconsistencies, theoretical/conceptual problems; literature review; 87R6291
small handgun violence, US, gun control legislation/consequences; secondary survey data; 87R2472
social problems, conditions/processes, welfare state; 87S1938
transnational corporate crime, UN conduct codes, US business influences; 87T1062
violent crimes, US, inter- vs intraracial patterns; national survey data; 87R6649
youth crime, structural/systems/individual factors, theoretical model; 87S1972

Crime Prevention
alcohol-crime link, correlation vs causation, public policy implications; cross-disciplinary research needs; 87R6638
burglary/theft, offender characteristics, prevention implications; case studies; South Africa; 87R8643
classical criminology vs sociology of justice; literature review; 87R2444
community crime control models; weaknesses/costs; 87R8170
community crime prevention programs' effectiveness; secondary data; Seattle, Washington/Chicago, Illinois; 87T0223
crime control causes/consequences, macro studies, structural functionalist vs conflict perspectives; 87T0203
crime control perspectives, media-intellectuals relationship; 87S1946
crime control, insurance/risk management techniques; 87R6274
crime fear/victimization experiences, gender differences, Alabama; questionnaires; 87S1992
crime prevention efforts, Czechoslovakia/USSR; 87R6654
crime rates/fear, urban neighborhoods; informal social control; research review; 87R2449
crime victimization liklihood/impact; official statistics, surveys; US, Europe, Canada, Australia; 87T0745
criminal recidivism, clinical vs statistical predictors; official records; prisoners, Israel; 87R2468
delinquency behavior modification/prevention, social learning/community approaches; 87R5075
drug abuse problem, democratic Spain, typology/treatment policies; secondary data, statistics; 87R8604
drunk driving, legal/personal deterrents; sociodemographic variables; literature review; 87R8656
feminist self-defense strategies/movement vs victim prevention strategy/services; case study; 87T1010
gang delinquency, community response/perceptions; interviews; 87S1943
guardian angel patrols, crime-fighting effectiveness, US/Canadian cities; participant observation, interviews; 87S1934
homicide rates; publicized executions; 1950-1980; 87T0807
perceived crime increases, innovative prevention strategies, police's role/professionalism; 87R8673
police/social scientist cooperation, Bundeskriminalamt's crime forecasting committee, Federal Republic of Germany; 87R3001
private policing/security, crime prevention measures; national/other data; 87S1939
punishment, crime-deterrent value, philosophical/legal/societal justifications, US; 87R6293
rape prevention; defensible space concept; statistics, police records; completed/attempted rapes, Norman, Oklahoma; 1983-1984; 87R5197
residential burglary opportunity; family vs neighborhood family composition; survey; England, Wales; 1982; 87T0804
serial murderers, early identification/apprehension strategies, US; literature review, case studies; 87R5038
sexual aggression, adolescent offenders; structured clinical interviews; 87R8829
sexually abused girls, sexual abuse/sexuality knowledge; interviews; 87R8654
small handgun violence, US, gun control legislation/consequences; secondary survey data; 87R2472

Crime Rates
alcohol use, US; culturally determined drinking/intoxication attitudes; 87R8594
antisocial behavior, incarcerated juvenile offenders; nutritional changes; records, experiment; 87R8692
behavior improvements, incarcerated juvenile delinquents; dietary interventions; empirical data; Alabama, Florida, Virginia; 87R8689
crime control, US, political/class factors; 2-book review essay; 87R2431
crime determinants/clearance rates; law enforcement efforts; 1980 Census/FBI Crime Reports; 87R2933
crime level, composite index construction/validation; *Uniform Crime Reports*; metropolitan areas; 1976-1980; 87R5048
crime patterns/rates; socioeconomic variables; cyclical time-space analysis; 87R5041
crime rate patterns/stability, US suburbs; official data; 1972, 1980; 87R2931
crime rate, black youth, US; unemployment relationship; 87T0398
crime rates, US; economic structure, poverty, unemployment; cross-sectional analysis; 1980; 87T0788
crime rates, US; population age composition; arrest data; 87R8647
crime rates, US; poverty-related social variables; census; 87R8818
crime rates/modernization/area structural characteristics relationship, in-/intergroup associations, Peter M. Blau's macrosociological theory; 87R1377
crime rates; sanction levels, successive vs recursive determination; state-level data; 1968-1977; 87T0222
crime victimization, rural Mississippi; social change, crime prevention practices; survey; 1983; 87R5035
crime, principal component vs smallest-space analysis; B. Ahamad's data reanalyzed; 87R5050
crime/clearance rates; poverty, inequality; official data; US; 87S1982
crime/traffic accidents; group meditation/prayer; questionnaire, statistics; 87R4435
crime; urban growth; district-level census data; India; 1971, 1981; 87R2930
criminal justice policy, organizational consequences, Netherlands vs GB; 87R8099
criminal organizations, US Chinatowns; interviews, statistics; New York City, New York; 1968-1983; 87R5032
criminal violence, metropolitan areas, demographic structure, local culture; 87R3068
deleterious behaviors/conditions; alcohol availability, sociodemographic variables; city-level data; Tennessee; 87R8574
delinquency rate, male vs female adolescents; official contacts; self-reports, police/court records; Seattle, Washington; 1979; 87R2947
drug control, GB, economics/criminology; 87R8573
economic crime, West Germany; national registration results; 87R2919

farm victimization, crime type; socioecological factors; survey data; Arkansas; 87S1996
female/male crime rates, developed/developing countries; gender role convergence; Interpol crime statistics; 1973-1976; 87R7420
gender/race/crime relationships, urban arrest trends, US; 1960-1980; 87T0213
homicide rates; poverty; time-series data; Detroit, Michigan; 87R2921
immigration problems/policy, police response, Genk, Belgium; case study; 87R2421
leisure activity/crime rate relationship; 87R7535
local delinquency rates; external ecological factors; longitudinal data, Chicago, Illinois; 1960-1970; 87R6666
minority youth overrepresentation, criminal justice system, US; economic disparities; census; 87T0407
neighborhood crime, resident vs nonresident offenders; community racial/socioeconomic characteristics; arrest data; 87R5027
offender/conviction rates, constancy of crime hypothesis; court data; Plymouth Colony, Massachusetts; 1633-1679; 87R5042
population change, net migration; crime rate; official data; central cities, US; 1970-1980; 87R2927
prison crowding/crime rate, Illinois; early release program; National Council on Crime & Delinquency data; 1980-1983; 87R4502
social problems, metropolitan areas, US; migration patterns; census, national statistics; 1975-1980; 87T0019
survey response errors, reason assessment; interviews/questionnaires/arrest records; ex-heroin addicts, New York City, New York; 87R3214
unemployment/crime rate relationship; literature review; 1970s; 87T0791
urban robbery, lethal/nonlethal cases; police reports; Chicago, Illinois; 1982/83; 87R5058
victimization probability; neighborhood physical/social/opportunity structure; surveys; US, Netherlands, GB; 87S1948
violent crime rates, New Zealand; social/economic/demographic variables; official statistics; 87R6776
violent crime victimization risk; smoking/bar-going variables; General Social Surveys; 87R5056
violent crime/hunting licenses, inverse correlation, US counties; official data; 87R5039
violent offense rates, adolescents, US; self-report data, interviews; 87R8305
violent/property crime rate; age/cohort/period; Uniform Crime Report data; 1964-1977; 87R2917
young male adult crime; traditional/divorced/nontraditional family structure; police registry data; Denmark; 87R8663
youth crime rates, US; official data; 1965-1983; 87R5034

Criminal Justice

criminal justice processing, extraevidentiary factors, public/scientific concern; 87R2455
criminal justice system, blaming/excusing processes, medical model; utilitarian perspective; 87R8119
criminal justice, private prosecution system, Philadelphia, Pennsylvania; historical records; 19th century; 87R6280
family dispute processing, informal justice systems, Bakwena, Botswana; case study; 87R6447
gender-role expectations, women's defiance, criminal justice system's response; 87R8645
judicial/penal system, metaphorical analysis; 87R6254
justice system's development, Theo Rasehorn's model; response; 87R8112
probation cases, criminal justice model, statistical findings; 87S1953
problem regulation vs problem solving, criminal justice system/processing; 87R2432
punishment rates, criminal justice system, stability hypothesis; Montreal, Quebec; 1849-1913; 87R2483
sentencing discrimination, white vs black offenders, Georgia; community inequality vs offender attributes/behavior; Department of Corrections data; 1976-1982; 87R6294
social control studies, Canada, US, conjunctural methodology; 87R8667

Criminal Justice Policy

attempted vs completed crimes, punishment issues; 87R4459
career criminality, research/policy; 87R7743
civil justice system crisis, Italy/West Germany/US; 87R8105
corporate/white-collar crime offenders, preferential treatment, US criminal justice system; court data; 87R8125
correctional facilities provision, private industry's role; 87R8162
correctional philosophy, US, Quaker social reform movement; 1670-present; 87R4504
court dispositions, mentally disordered offenders; criminal/mental health history; case analysis; Wisconsin; 87R2435
court testimony, child victims, statutory/technological reforms; survey; 87R8155
crime problem, Dutch response; statistics, secondary data; 87R2924
criminal behavior deterrence; legal sanctions; experiment; seatbelt use, British Columbia; 87R2485
criminal behavior/policy, theory formulation, Marxian suggestions; 87R4465
criminal homicide, demographic/environmental/social correlates, crime control/policy implications; police records; Nashville, Tennessee; 1983-1985; 87R8662
criminal justice careers course, internship preparation, Mankato State University, Minnesota; 87R5396
criminal justice policy, organizational consequences, Netherlands vs GB; 87R8099
criminal justice policy, socialist vision, Belgium; 87R8649
criminal justice system, female offenders' experience/treatment; 87R6262
criminal law modification, Italy; post-1970s; 87R2025
criminal law, US, critical approach; 87T0205
criminal policies crisis, Western countries; 87T0194
criminal sentencing principles/practices, Court of Appeal, GB; questionnaire interviews; East Midlands magistrates; 87R8169
decarceration process, US/England/Wales, social control issues; 87R8131
deinstitutionalization policy, Italy, psychiatrists' role; 87R8542
determinate sentencing reform, felonies; Minnesota Sentencing Guideline Commission cases; 87R2477
disorderly conduct offense, English criminal law; 87R5205
drug consumption, legal prohibition/punishment, social function; 87R8568
drug trafficking, prosecution strategies, US government; case studies; 87T0679
drug-dependent offenders, diversionary sentencing policy/legislation, assessment/treatment standards critiqued, US; 87T0675
elderly crime, social problem status, media/academicians/criminal justice perspectives; US; 87R2881
felony criminal case scheduling, simulation model; 87T0202
female criminality, premenstrual syndrome legal defense, GB/US; literature review, court cases; feminist perspective; 87R8461
female offenders, criminal justice decisions; feminist movement; court/parole data; 87R8168
female offenders/defendants, criminal justice system, GB; book review essay; 87R8178
feminist research, standpoint specific knowledge; 87R6253
firearm carrying/use, mandatory sentencing law; criminal justice system's/public's response; Boston, Massachusetts; 1975-1977; 87R6250
general deterrence; perceptual factors; literature review; 87R3339
gun control legislation development/implementation, New York; local legal culture; historical analysis, surveys, archival data; 87R4458
judicial transfer decision, juvenile vs adult justice system jurisdiction; race; court data; 87T0191
juvenile court, abolition arguments, UK; 87R8114
juvenile criminal legislation, post-1871 Germany; government type; 87R8157
legal aid perceptions, incarcerated offenders; National Offender Survey; Australia; 87R2469
legalized prison discipline, Canada; 87R8173
mandatory drunk driver imprisonment, judicial noncompliance; court/jail records; New Mexico/Indiana; 87R8179
marijuana decriminalization, US; newspaper/legislative records, interviews; 1973-1978; 87R8135
Massachusetts Juvenile Justice Advisory Committee, chairman's experience; 87R9757
Pictures and Punishment: Art and Criminal Prosecution during the Florentine Renaissance; review essay; 87R8127
preventive detention, sexually violent offenders, Canada; regional/socioeconomic/offense disparities; parole files, questionnaires; 87R8183
prison crowding/crime rate, Illinois; early release program; National Council on Crime & Delinquency data; 1980-1983; 87R4502
prisoners' treatment, GB's vs other West European states' criminal justice systems; case studies; 87R6276
punishment, crime-deterrent value, philosophical/legal/societal justifications, US; 87R6293
sexually abused children, treatment needs, justice system's role; 87R6255
social control system, Canada/US, economic vs transcarceral models; 87R8171
social control, community's role, Western vs other societies; 87R8165

women's prisons, GB, age-mixing policy; records, interviews; 87R8166
Young Offenders Act of 1982, Canada, mass media reactions; content analysis; articles; 87R9649
youth runaway behavior, criminalization; policy; ethnographic approach; early 1900s vs 1960s-1970s; 87R5068

Criminal Proceedings
attorney communication competence, criminal trials; observer ratings, questionnaires, interviews; 87R4113
crime deterrence/recidivism rates, Regina, Saskatchewan, Canada; court diversion-mediation program; case studies; 1974-1980; 87R8150
criminal justice processing, extraevidentiary factors, public/scientific concern; 87R2455
criminal proceedings outcome, Australia; legal representation; case records; magistrates' courts, Melbourne; 87T0214
criminal suspect lineup development, black vs white constructors; own-race bias; experiment; 87R4456
drug trafficking, prosecution strategies, US government; case studies; 87T0679
extreme case formulations, conversational uses; telephone conversations, court hearings; GB; 87R1515
felony criminal case scheduling, simulation model; 87T0202
guilty plea rates, intercourt variations, US; environmental factors; case studies; circuit courts, Illinois; 87T0227
homicide cases, justice system officials' behavior; newspaper coverage; police/court records; Milwaukee County, Wisconsin; 87R2445
problem regulation vs problem solving, criminal justice system/processing; 87R2432
racial differences, criminal processing, differential treatment conclusions; model selection; Minnesota; 87R2476
victim reporting/service satisfaction, wife abuse incidents; police-laid criminal charges; 87T0797

Criminology
action theory, criminal sociology, explicatory deficits; 87R7069
Chinese secret societies, Singapore/Malaysia, criminological vs social organization research; 87R6646
crime as social vs legal phenomena, victim-offender interactions; 87S1986
crime concept, critical criminology's analysis; 87R2915
crime, psychiatric explanations, criminologists' critique; 87R8655
crime, punishment as domination/discipline, Europe; 87R2456
criminal law, positivism vs idealism; 1983 conference proceedings, Turin, Italy; 87T0192
criminal law, US, critical approach; 87T0205
criminality behavior causality/determination, socialist vs bourgeois criminology; 87R8676
criminology research, USSR; 87R5029
criminology theorizing, Michel Foucault's investigation, deconstructive sociological reading; 87T0848
criminology, conservative vs critical perspectives; 87R5054
criminology, Jürgen Habermas's critical theory; 87T0900
criminology, sociological approach; 87R5055
criminology, sociological research, France/Belgium; 4-book review essay; 87T0798
criminology, US, Edward Sagarin's contributions; 87R5425
feminist criminology; 2-book review essay; 87R5031
introductory criminology classes, women/crime topics; 87R6964
positivist criminology, Adolphe Quetelet's contributions, 19th-century France; 87R6636
socialist/radical criminology, realism trend, GB/Canada; 87T0800
structural criminology, power relations; literature review; 87R2914
underclass criminality myth, post-Marxist criminology, GB; M. Brogden's & A. Brogden's *The Police: Autonomy and Consent*.; review essay; 87R4490
undergraduate criminology courses, teaching decisions, information sources/issues/teaching strategies; 87R5393
urban crime, Soviet-US cooperation; joint seminar remarks; 87R5043

Crises
black family crisis, social ethics, holistic approach; 87R4739
civil/economic crisis, South Africa; 87R5550
crisis, decision-making patterns; case studies; Netherlands; 87R5151
education/literacy crisis, US, Paulo Freire's views; 87R4278
political conflicts, cultural milieus, Sweden/West Germany; 87R4002
political institutions, medieval Indian polities; 87R5936
social crisis, India, world historical perspective; 87R3205
social crisis, Yugoslavia, political origins; 87R5917
social/political crisis, Yugoslavia; content analysis; newspaper/journal articles; 87R5817
socialist crisis, Yugoslavia; 87R5943
surgery recovery, myocardial infarction patients; psychosocial factors; telephone interviews; white males, Baltimore, Maryland; 87R4818
teacher education crisis, US, social problem aspects; 87S1942
welfare state capitalism/crisis, Finland; 87R2019
welfare state crisis, Pierpaolo Donati's thought; comments; 87R2068
welfare state/labor society crisis, mobilization strategy; 87R5153

Criteria
policy dilemmas, narrative structure, external criteria/principles; 87R3018
predictor vs criterion variables, nexus analytic approach; 87R5350
socialization process, fine arts students, exemplary biographies use; feminist perspective; 87R6110
student selection criteria, University of Queensland medical school; questionnaires; English/sociology/computer science students comparison; 87R6158

Critical Theory
consumer products, cultural reification concept; case study; US automobile; 87R5776
crime concept, critical criminology's analysis; 87R2915
criminology, Jürgen Habermas's critical theory; 87T0900
critical sociology of language; 87R2257
critical theory of society; book review essay; 87R9163
critical theory, communication studies; 2-book review essay; 87R3876
critical theory, history/problems; book review essay; 87R9170
critical theory, theoretical/methodological innovations; 87R5156
critical theory/empiricism, social science; 2-book review essay; 87R1190
critical theory/Jürgen Habermas's writings, feminist/gender perspective; 87R3122
critical theory's limitations, Axel Honneth's suggested modifications; book review essay; 87R9161
desire vs reason, critical theory versions; 87T0899
disorganized capitalism, theoretical formulations; 2-book review essay; 87R7621
education research, teaching practices; book review essay; 87R7994
educational research, politically aware critical model; 87R2316
ethnographic genre, realism/representation; 87R3028
Fromm, Erich, thought/work, Herbert Marcuse's interpretation; 87R5485
Habermas, Jürgen, functional systems theory, critical/practical validity; 87R1317
hermeneutics/critical theory, Hans-Georg Gadamer's/Jürgen Habermas's debate; 87R3027
ideology/critical theory, Leo Lowenthal's critique; 87R1309
intercultural communication, language inequality/distortion, Western language imposition; 87R4248
"Jewish problem" discussion, Frankfurt school approach; 87R9287

city planning; Chandigarh, India; 87R7863
contraception, negative beliefs, causes, developing countries; literature review; 87T0537
cultural destruction processes, national/group/individual levels; 87R3621
cultural patterns, advanced industrial societies; questionnaire surveys; 87R9573
cultural production, book-publishing industry, US; economy/organizational goals/strategies; 1960s-present; 87R3877
cultural values, 2nd-grade reading textbooks, Near Eastern nations; content analysis; 87T0144
culture-bound syndrome definition, international disease classification; article/comments; 87T0663
disease epidemiology; culturally linked beliefs/behavior; literature review; 87R8474
educational attainment, ethnic identity groups; cultural participation; multiethnic societies; cross-cultural analysis; 87R4310
ethnocentric beauty/ugliness definitions; 87R7259
family care myth, Asian-American elderly; census data; 87S1950
female status/beauty, cultural trends; content analysis; *Cosmopolitan* magazine; 1965-1985; 87R5251
film dubbing, work organization, Italy; empirical data; 87R7514
French social theory, recent developments; journal issue introduction; 87R9143
Goffman, Erving, discursive practices/preferences, Canadian psychotype; 87R5435
interpersonal communication, culture-specific aspects; 87R9200
linguistic pluralism, South Asia/India; 87R6094
literacy instruction, gypsy communities, Spain; 87R7966
low socioeconomic status pregnant adolescents, Santiago, Chile, sociocultural characteristics; interviews; 87T0388
marital fertility/nuptiality, Netherlands; economy/attitudes/infant mortality factors; census data; 87R8436
Marxism as cultural movement, historical development; 87R3603
national identity/attitudes; transnationalization; secondary studies; 87R7470
Native American idealogy, European industrial tradition, Marxist analysis; 87T1049
participant observation difficulties, sociological research; sociocultural boundaries; personal experience; Tokyo, Japan; 87R3191
philanthropy, historical framework; 87R9820
physical disabilities, cultural assumptions, embodiment concept; case study; limb-deficient woman, US; 87R9265
popular literature, cultural/ideological change, textual representation; 2-book review essay; 87R4263
Protestant ethic orientation, Taiwanese vs Hong Kong college students; sociodemographic/other factors; scales; 87R6389
psychology of youth, mental maturation process; 87T0421
Rastafari movement-Jamaican peasantry relationship, millennial perspective; 87R9615
rock music performers as cultural symbols, heroic status; 87R6380
school refusal syndrome, Japanese youth, medicalization/treatment process; 87R7995
science-religion conflict; 87R4396
scientific thought/development, Charles Darwin's/D'Arcy Thompson's/Benoit Mendelbrot's work; 87R3608
skin color preference, class differences, gene/culture co-evolution; secondary data, Human Relations Area Files; 87R2588
social reform movement participation/mobilization, status- vs culture-oriented explanations; campaign literature, other data; antiabortion activists; 87R9609
student behavior governance, cultural vs regulatory compliance strategies; 87R4328
success attainment/obstacles, occupational/community roles, urban American Indians, Chicago, Illinois; interviews; 87R5546
theater audience, social composition/cultural attitudes; questionnaires; 87R7904
Turkish migrant women, Sweden, cultural differences, pregnancy/childbirth experiences; participatory research; 87T0555
value systems/changes, US, Max Weber's typology of rationality, conceptual framework; General Social Survey; 1973-1983; 87R8991
valued child characteristics; county of orgin; survey; US; 1973-1983; 87T0467
vegetarianism movement as secular religion, 19th-/20th-century Germany; 87R3619
war justification, cultural cognitive elements; 87S2004
West German medical establishment, Turkish women's expectations/satisfaction; 87R8471

Culture
Bakhtin, Mikhail, literary/cultural contributions; book review essay; 87R3332
behavioral characteristics, Australian rural white vs aboriginal children, culture-of-poverty notion; questionnaires, school records, interviews; 87R5193
book industry, publication decisions; market/social forces, resource control; participant observation, case studies; 87R1752
bourgeois culture, historical development, universalization/individualization tendencies; 87R3620
cultural anthropology vs sociology of culture, Germany; 87R3329
cultural causation, Max Weber's/Talcott Parsons's vs Ann Swidler's model; 87S1972
cultural destruction processes, national/group/individual levels; 87R3621
cultural interaction, acculturation process, holism vs individualism; 18th-century Germany, 19th-century Russia; 87R3428
cultural structure/change, systems theory/cybernetics approach; 87R3597
cultural/humanistic geography, recent research; 87R3377
cultural/linguistic competence, social settings, Noam Chomsky's concept; 87R1444
culture concept, social sciences; 87R1472
culture-economy relationship, neoclassical vs classical concepts, anthropology's uses; 87R3592
culture/instrumental valuation, institutionalist ideas, insistence on rationality; 87R9159
language/folktale cultural expressions, Japan, semiotic analysis; 87R3660

Marx, Karl, culture theory; 87R3627
memory's social functioning, post-Revolutionary France; 87R2967
modernity, acculturation, family/national values, Italian/Turkish immigrants, France; 1950-1970; 87R3813
money economy, Georg Simmel's culture theory; 87R3378
musical meaning, formalist-expressionist model; 87R1499
new romanticism, Western societies; 87R3626
physical cultural concepts/value, Poland/Hungary; questionnaires, interviews; secondary school students/their parents; 87R5522
Picnic at Hanging Rock by Joan Lindsay, anthropological interpretation, nature/culture disjunction; 87R3601
political conflicts, cultural milieus, Sweden/West Germany; 87R4002
poverty-culture relationship, Chile, interdisciplinary analysis; 87R8812
psychoanthropology, cultural research applications; book review essay; 87R5492
reading/writing activity, social class influences, consumer-producer gap, cultural democratic implications; 87R4212
scientific development, cultural variations, peripheral countries; 87R8205
scientific-technological/intellectual-cultural progress, German Democratic Republic; 87R4553
Sinology, Chinese cultural analysis, Western civilization utility; 87R3371
social classes, historical/anthropological perspectives; book review essay; 87R9337
social language, group's shared knowledge, communication power; case study; undergraduates, Massachusetts Institute of Technology; 87S1949
society/culture concepts, etymology/history/development; 87R3346
society/culture dichotomy, German sociology; 87R3321
sociology of culture, Max Weber's work; 87R3376
sociology of culture, Pierre Bourdieu's theory; 87R3384
sociology of culture, "relative attention" research paradigm; literature review; 87S1985
sociology of culture; journal supplement introduction; 87R3385
traditional culture construction, elite's role Vanuatu; 87R4007

Culture Contact
acculturation assistance, adaptational strategies, Mexican vs US (Oklahoma) Kickapoo Indians; 87R3655
acculturation process, rural Mayan communities, Guatemalan Central Highlands; 87S1994
Arab internal refugee adjustment, Israel, 1948 war; official documents, participant observation, interviews; 87T0288
Arab-Jewish relations/attitudes, Israel; interethnic contact; questionnaires, interviews; industrial plant workers; 87R3496
bicultural oscillation, Paliyan food collectors vs Mongol pastoralists, cultural frontier regions; ethnographic/historical research; India, China; 87R3031

intercultural contact, modernizing culture, diversification vs convergence processes; Sicily; 87R3616
intercultural discrimination, defense mechanism function, Japanese vs Chinese/Koreans; historical reveiw; eighth century-present; 87R9293
intercultural relations, cultural group values/discrimination, policy development, Goethe's "universal literature" principles; personal experiences; Bulgaria; 87R3622
land/land-tenure ideas, intercultural correlations, Dene/Inuit tradition vs Canadian Law; 87R3559
linguistic borrowing, sociolinguistic studies/approaches; 87R2262
marriage strategies, Bangwaketse tribe, Botswana, Western cultural influence; historical/ethnographic data; 87R3642
mental health care, native Hawaiians; colonialism, socioeconomic stratification, cultural options; 87R6587
Metis Cree, Canada, economic adaptations; fur trade documents; 87R2190
mutual stereotypes/interaction behavior, local Hong Kong Chinese/US exchange students; ratings; 87R7208
racial attitudes; interracial contacts; interviews, national survey; whites; 87R5561
Sicilian society; 2-book review essay; 87R5493
sociocultural integration levels, operational concept; 87R7081
teacher-student interaction problems, economic development programs; cultural differences; questionnaire; 87R7985
tribal life/culture, Coaiquer Indians; acculturation, development plans; Ecuador; 87R1616

Curriculum
applied sociology curricula, William Foote Whyte's "social invention" concept; 87R6659
education curriculum research, political orientation, US/Australia; 87T0143
education/curriculum, US; social change; national reports; post-World War II; 87R6128
empirical research practice, university course guidelines; 87R3258
inegalitarian class/race/gender reproduction; schools' "hidden curriculum"; observation; lower class black students, northeastern US community college; 87R4356
Japanese history textbooks, state-authorized changes, international controversy; case study; 87T0129
multiculturalism/racial equality issues, education curriculum politics, UK; 87T0095
police training competencies, criminal justice educators'/police administrators' perceptions/priorities; questionnaire/other data; 87T0220
Women's law, Scandinavian law school curriculum; 87R6251
work organization, Open University's "Work and Society" course evaluated; article/comment; 87R5388

Customs
customary/national land law interface, Dayak Village, East Kalimantan, Indonesia; legal case analysis; 87R3661
native populations/customs, South Africa, missionary/administrator training; A. R. Radcliffe Brown lecture; 87R5606
pow-wows, ethnic/economic functions, rural tribal Indian communities, Oklahoma; 87R3628

Cybernetics
chess, intuitive processing/heuristics; 87R9210
cultural structure/change, systems theory/cybernetics approach; 87R3597
cybernetic appropriateness review, hospital care; project evaluation; 87R4880
family therapy, new epistemology application, sociopolitical constraints; 87T1055
group problem-solving, human relations task, scientific ranking test; face-to-face vs computerized conferencing; experiment; college students; 87R9192
intelligent computers, societal role; 87R6330
psychological father absence, intact families, cybernetics systems theory approach; 87R2648
systems theory, metaphysical aspects; 87R3396

Cyclical Processes
cyclical political-economic model, political sector effect variations; 87R9020
electoral cycle theory, interelection interval, methodological issues; opinion polls; Netherlands; 1977-1981, 1982-1986; 87R9019
political control cycles, Zurich, Switzerland; 1880-1933; 87R9727
political systems value change, cyclical process, GB/Germany; literature review; 87R9334
social change cycle theory, cycle strength definitions; 87R9121

Cyprus
communal armed organizations, divided polities; Palestine, Cyprus, Lebanon, Northern Ireland; 87R3073
guerrilla movements, opponents' strategies, Indochina/Algeria/Cyprus/Cuba; 87R3959

trade union movement, development/structure, Cyprus; case studies; 87R7314

Czechoslovakia
crime prevention efforts, Czechoslovakia/USSR; 87R6654
educational mobility, Czechoslovakia vs Slovak Soviet Socialist Republics; social origin, sex, birthplace; 87R2336

educational structure, Czechoslovakia, development model; statistics; 87R7942
educationally difficult youths, egocentric value orientation, Czechoslovakia; 87T0137
enterprises, social development; Czechoslovakia; 87R2936
Esperanto language, Czech attitudes; questionnaire; 87R4240
future occupations, apprentices' attitudes; Czechoslovakia; 87R1451
gender role changes, societal maturity, Czechoslovakia; questionnaire; families, Brno; 87R3129
health care, biopsychosocial approaches, climatotherapy, Czechoslovakia; 87R4890
historians, Czechoslovakia, post-1968 official restrictions; 87R7643
labor force transformation, serf uprisings, government policy, Bohemia, 1600s/1700s; symposium contribution; 87R9552
life plans/goals, Czechoslovak youth; questionnaire; 87R8316
living standard/earnings differentiation, Czechoslovakia; education; 87R6726
material living conditions, Czechoslovakia, tendencies/problems; 87R8425
political consciousness, cooperative farmers, Czechoslovakia; 87R6051
public opinion research, databank development, Czechoslovakia; 87R5815
religion's influence, Czechoslovakia; questionnaire; adult residents, Jihočeský; 1980-1985; 87T0151
social class structure/differentiation, Czechoslovakia; 87R5515
social consciousness, Czechoslovakia; 87R5952
social development control, large-scale production departments, Czechoslovakia; 87R5703
social forecasting project, "Czechoslovakia 2010"; 87R5749
socialist consciousness development, cooperative farmers, Czechoslovakia; 87R7833
socialist consciousness/awareness, Czechoslovakia, Marxist-Leninist perspective; 87R7128
socialist social consciousness, formation/research, Czechoslovakia; 87R5901
socioeconomic development, youth attitudes, Czechoslovakia; 87R6391
sociopsychological climate, worker collectives, Czechoslovakia/USSR; literature review; 87R5617
status hierarchy, medical profession, Czechoslovakia; published data; 87S1961
value development/economic consciousness, Czechoslovakian population; national development; 87R5818
war/peace issues, Czechoslovack public opinion; 87R7567
work attitudes, outside assembly workers, Czechoslovakia; survey; 87R5668
work organization improvements/microprocesses, Eastern Slovakian Ironworks, Kosice, Czechoslovakia; 87R9408
worker consciousness, Czechoslovakia; 87R5903
working class, Czechoslovakia; content analysis; sociology journals; 87R6988

Dahrendorf, Ralf
liberty/legitimacy, liberal democracies, Ralf Dahrendorf's thought; book review essay; 87R1308

Dallas, Texas
medical service utilization, Khmer refugee parents, Dallas, Texas; medical beliefs/practices/expectations; 87R3547

Dance
break dancing, Ute/Navajo/Anglo high school students, social interaction implications; fieldwork; 87R7958

Darwinism
Darwinian theory vs biotechnology; 2-book review symposium; 87T0272
ethics/morality conceptions, Darwinian evolutionary/naturalist philosophy critiqued; 87T0368
moral thought/behavior, sociobiological/evolutionary theory; 87T0367
political systems' evolution, defense priority; secondary cross-cultural data; 87R1971
scientific thought/development, Charles Darwin's/D'Arcy Thompson's/Benoit Mendelbrot's work; 87R3608

Data
data homogeneity problem, quantitative analysis; 87R6886

Data Banks
databanks, international diffusion, judicial problems; 87R2439
databased technology, cost/demand/affordability; article/comment; 87R2528
historical demographic research, database development; Scandinavia, GB, Belgium, Italy, Japan, US; 1984 conference proceedings; 87R4602
information gathering activities, social research, microcomputer database applications; 87R8998
organizational research, database need; 87R3757
public opinion research, databank development, Czechoslovakia; 87R5815
scientific productivity, Spanish scientists; citation analysis; international databases; 87T0252
social scientific research, Australia, new data availability; 87R8980
strategic maps, scientific research, documentary analysis methodology; 87R3185

Data Collection
computer assisted data collection, methodological problems; 87R8992
official demographic data, Federal Republic of Germany, procurement/other problems; 87R1218
secondary school-university cooperation, data collection/feedback methodology; survey; students, secondary schools, San Francisco, Stanford University; 87R5762

Data Processing
data analysis/computation, social sciences, computer innovations; late 19th century-present; 87R6894
professional identity/institutional attachments, computer industry; questionnaire; 87S1937

Dating (Social)
date rape, women's perceptions/experiences; survey; female university students; 87S1955
dating behavior trends, US adolescents; questionnaires; Connecticut high schools; 87R2615
dating/partner selection, early/middle/late adolescents; personality variables; questionnaire; 87T0423
intergenerational relations, Indian immigrant families, Canada; literature review; 87R8376
mate advertising, single males/females, USSR; content analysis; *Sheyma* magazine announcements; 87R2661
premarital sexual conduct/attitudes; sex differences, dating stage; questionnaires; students/nonstudents; 87R2624
single mothers, dating participation; 87S1934
young adult dating relationships, parental reactions/influence; longitudinal questionnaire study; college students; 87R4743

Daughters
father-daughter incest, family adaptation, North America; interviews, observations; 87R8333
filial responsibilities, elderly mothers, middle-aged daughters' perceptions; demographic/subjective variables; questionnaires; nurses, educators, secretaries, homemakers; 87R2898
intrafamily personal relationships, adolescent daughters' perceptions; maternal employment; questionnaire; 87T0406
mother-daughter relations, feminism; questionnaires; women university students; 87R2618
mother-daughter relations; married daughter's return to school; 87T0504
parent-child relationships, Algerian immigrant families, France; Rorschach/Thematic Apperception tests; females aged 18-22; 87R4731
premarital sexual activity, marriage/divorce attitudes; parental marital status; interviews, questionnaires; young unmarried female university students; 87R6404
self-esteem, gender differences; perceived family-peer approval/achievement pressure; questionnaire; junior high/high school students; 87R7110

Day Care
aggression levels, Chinese primary schoolchildren; social determinants; inventory, questionnaires; fourth graders/parents/teachers, Beijing; 87R4638
child care centers, working mothers' responsibilities/burdens, Quebec; 87R3088
child sexual abuse, day care settings; victim/organizational characteristics; national data; 87S1944
day care policy, US; economic/ideological/political forces; 87T0979
family day care, home-based work; questionnaire, interviews; Vermont; 87S1974
sick child care alternatives, working mothers' preferences; survey; 87T0472
war planning, Sweden, child care availability; questionnaire; households, Uppsala; 87R6520
work-related stress/staff-client interaction, day health care vs social day care programs, Alzheimer patients; participant observation interviews; 87S1940

Deaf
deaf as cultural/linguistic minority, educational approaches; 87R1580
deaf community, peer identification/interaction; interviews; deaf adults; 87S1956

humor production/appreciation, deaf children; 87T0053
language choice/attitudes, deaf college students; demographic background; questionnaires, interviews; 87R2260
self-concept/morale, elderly nursing home vs community residents; auditory impairment; interviews; 87R7100
social knowledge, young deaf children; isolation, early language deprivation; participant observation, interviews, secondary data; southern residential school; 87S1955

Deans
political activity, dean selection decision-making process; faculty interdependence/interaction; survey; 87R8047

Death
bereavement characteristics/factors, ex-spouse's death; interviews; 87T0459
death causes, regional disparities, Ireland; official statistics; 87T0336
death concepts, biological vs personhood views; case study; brain-dead pregnant woman; 87R2744
death determination/definition, epistemological issues; 87R4803
death education, nursing/medical/pharmacy professional colleges, US; questionnaires; 87T0084
death rates; neurosis; follow-up data; neurotic patients, Birmingham, England; 87R2798
death/solitude/individualism, Norbert Elias's views; 2-book review essay; 87R5412
family functioning/coping levels, post-child's death; Canada; 87R8931
mortality risk, elderly; spouse bereavement; interviews; 87R5000
parent's death, family reactions/recovery patterns, developmental role perspective; 87R2708
prisoners' treatment, GB's vs other West European states' criminal justice systems; case studies; 87R6276

Death Attitudes
appropriate death concept, thanatological theory; personal account; 87R9227
"brain death" concept, cultural definers'/elite's biographical/demographic/organizational characteristics; survey/interview/other data; 87R7702
death acceptance/awareness, thanatometer construction/reliability; scale; US; 87R2739
death anxiety, physicians; age, experience, specialty, frequency of exposure; questionnaires; New York, New York; 87R2143
death attitudes/practices, folk beliefs, Brittany; post-World War II social changes; fieldwork; 87R4801
death concepts, children; age, religious/cultural background; interviews, parental questionnaires; 87R1418
death concpets/depictions, US vs Swedish children; age, gender, nationality; artwork analysis; 4-19 year olds; 87T0535
death fears, slaves' vs masters' perspectives, southern US society; 87R6534
death interest; economic fluctuations; literature review; England, France, Germany, US; 87R8725
death-related attitudes/fears; recent bereavement; literature review; 87R2746
death/solitude/individualism, Norbert Elias's views; 2-book review essay; 87R5412
doctor-terminal patient communication; doctor's death attitudes; questionnaires; family doctors, medical students, midwestern US university; 87R2741
dying/death/bereavement themes, children's books; content analysis; 87R8289
fear of death, Saudi Arabian college students, midwestern US; religiosity variables; questionnaires; 87T0163
fear of death, Saudi Arabian students, US; scale; 87R1449
overcoming death fear, ancient philosophical/religious text; 87T0562
parent's death, family reactions/recovery patterns, developmental role perspective; 87R2708
social discrimination measurement, obituary method; content analysis; magazine obituaries; 87T0564
Socrates's last words, Michel Foucault's vs Georges Dumézil's interpretations; 87R2973
terminal patients, nurses' attitudes/care behavior; work setting; questionnaire; northeastern US hospital; 87R2745

Death Rituals
death customs/sacred symbols, nonreligious kibbutz; 87R5119
death rituals, Maisin, Papua New Guinea; Christian influences; ethnographic field data; 1981-1983; 87R3629
heroin addicts, death orientations/experiences; interviews, tests; 87R4954
public executions, ritual's role, New South Wales/Tasmania penal colonies, Australia; 87T0568

Debate
debating, sociology teaching technique, student benefits; 87R5383
faculty unionization, private university, argumentation styles; 87R8957

Debts
agricultural lending policies, commercial banks, Texas; dominance/dependency/differentiation/size factors; questionnaire survey; 87R9973
consumer debt, US, social/economic impact; 87S1965
economic crisis, Mexico; 87R1802
foreign debt crisis, Latin America, political aspects; 87R9720
Third World debt crisis, status/dynamics, post-1982 Mexican default; 87S1998
Third World debt/US farm crises, financial systems' role; 87S1937

Decentralization
governmental decentralization, mineworkers' resistance, Zambia, copper industry; 87R2102
health/social services; governmental decentralization; case study, questionnaires, published findings; Medicaid personnel, Kansas; 87R5063
mental health system utilization, Michigan; mental health board decentralization; 1974-1983; 87R4907
occupational safety/health, Italy; political decentralization; records, & interviews; 87R7286
power elite, rural villages, Delhi, India; case studies; 87R7679
power redistribution/decentralization, politicians' views, South Africa; interviews; 87R7576
privatization definitions/manifestations, Margaret Thatcher's government, GB; 87R7665
regional policy, post-WWII Hungary, aims/concepts/methods; 87T0891
social issues/agenda, shifting voting patterns, US; 87R6732

Deception
dishonest behavior (exam cheating), college students, gender differences; self-esteem, sex-role socialization; Tennessee Self-Concept Scale, experiment; 87R7175

Decision Making
abortion debate, fetus status concerns, post *Roe* v. *Wade* decision; medical/scientific developments; US; 87R3085
abortion/contraception/childbearing decision making, black teenage females; sociodemographic characteristics/educational attitudes/sex education & experience/friends' influences; interviews; 87R4795
abortion/procreation decisions, fathers' rights; 87R4793
adolescents' decision making; parent/peer opinions; questionnaire, psychology students, University of Queensland, Australia; 87R4675
aesthetic decisions; direct vs indirect influence; experiment; high school students, Switzerland; 87R7093
agricultural development, farmer/nomads cooperative settlements, Fanj region, Sudan; macro/micro processes; case study; Blue Nile Integrated Agricultural Development Project; 87R4155
agricultural loan decisions, bank officers, Texas; socialization/organizational mechanisms, personal characteristics/perceptions; telephone interviews; 87R6039
allocation decisions, supervisors; individual vs group characteristics/contributions; 87S1954
arbitrators' decisions; information vividness, time; experiment; students; 87R1766
artificial intelligence, medical decision-making uses; case example; 87R4892
beginning of life, biological/ethical issues; 87R6733
"Beyond War" antinuclear protest movement revitalization, rhetorical dilemmas; 87R5828
"big" vs "little' decisions, "culture of decision making" model; 87R3019
binary choice games, T. C. Shelling's diagram; 87R3421
bioethical policy decisions, justification logic; 87R5136
birth control pill vs diaphragm users, social/attitudinal characteristics; questionnaire; family planning clinic, California; 87R8571
blood donation intention vs behavior, reasoned action theory; 87S1950
borrowing behavior, US industrial corporations; social/economic factors; 87S1998
cadaver organ donation decisions, families/doctors/outside health professionals, role interactions/locus of control; observations, interviews, questionnaires; US; 87T0624
caesarean birthrates, GB, decision-making concerns; 87R6439
career/educational decisions, secondary school graduates, Saudia Arabia; counseling; survey, questionnaire; students/counselors, Riyadh/Jeddah/Mekkah; 87R4091
chess, intuitive processing/heuristics; 87R9210
childbearing completion timing, successive US female cohorts; Current Population Survey; 87T0313
childbearing decisions, single adult women; social factors, family/

intimate relationships, life experience; interviews; 87R6526
childbearing/employment decisions, one- vs two-child married, white females; interviews; 87R4628
childlessness decision making, US couples; psychosocial factors; interviews; 87R4710
cognitive development/power, multiple track theory; 87R7064
couples' childbearing decision, Western industrialized countries; cultural/socioeconomic/other factors; 87R8286
criminals' dangerousness, forensic psychiatrists' predictions/discretion; police/psychiatric/court records; criminal defendants, Northtown One-Day Assessment Clinic, Canada; 87R5200
crisis, decision-making patterns; case studies; Netherlands; 87R5151
current dispositions, juvenile justice decision making; prior dispositions; case records; Florida; 87R5071
death concepts, biological vs personhood views; case study; brain-dead pregnant woman; 87R2744
death determination/definition, epistemological issues; 87R4803
decision rules, performance evaluation; 87R6892
decision-making authority, multihospital systems; questionnaire; administrators; 87R2750
decision-making process, public administration, computer use; questionnaire; 87R3181
decision-making processes, organizational executives/administrators, methodology/theory; 87R9497
decision-making skills, large systems, evolutionary unpredictability; 87R2999
decision-making skills, prison inmates; training program participation; experiment; correctional facilities, Massachusetts; 87R4506
discrete spatial data/choice analysis, methodological developments; 87R8790
economic decision making, "satisficing" concept, social psychological perspective; 87R9188
energy supply systems, citizens' intuitive vs calculated preferences, additive utility model; empirical studies; 87R6755
experimental surgery ethics, Baby Fae case; interview with Jack Provonsha, Loma Linda University (California); 87R4898
faculty teaching assignments, course utility vs schedule utility, mathematical programming models; faculty ratings; Miami University, Ohio; 87R9039
fertility decision/outcome conflict, married couples; husbands' vs wives' demographic/attitudinal/interactional variables; interviews; Los Angeles, California; 87R4580
fertility, Egypt; children's cost/demand, labor market factors; census/time-allocation data, interviews; 1960, 1976; 87R6348
financial institutions' hegemony/power, market implications; 87R3840
global population change, fertility behavior, parental altruism, economic model; article/comment; 87T0539
group cooperation, dilemma games, Nuts vs n-PD; 87R3470
gun control legislation development/implementation, New York; local legal culture; historical analysis, surveys, archival data; 87R4458
health care decision making, quantitative modeling approaches; 87R2837
health care system, Netherlands, cooperation/effectiveness, diagnostic method; 87R5297
health policy, governmental vs professional control debate, decentralization/deprofessionalization alternative; 87R6552
hiring decisions, short-term vs chronically ill job candidates; experiment; business students; 87R6566
Indochinese refugees, Canada, dissociation dynamics; interviews; 87R4578
information use; evaluative users' locus of control; experimental studies; education students/teachers/parents/school board members; 87T0119
interpersonal violence, police decision-making/control styles; incident location/context, participant characteristics/behaviors; literature review; 87R6298
life prolongation, elderly outpatients'/health care professionals' perceptions; interviews; 87S1931
living wills, older people's interests/preferences; interviews; 87S1934
manufacturing decline, Western countries, rationality calculation; 87S1951
marital satisfaction, dual-career couples; egalitarian decision making; questionnaires, tape-recorded role playing; 87R6459
marriage desirability, young adults, sex differences, longitudinal surveys; 87R2665
medical paternalism, ethical issues; book review essay; 87R4141
medical service utilization, Khmer refugee parents, Dallas, Texas; medical beliefs/practices/expectations; 87R3547
mental hospital admissions, Washington; Involuntary Treatment Act, 1979 revision; official time series data; mental patients; 87R4936
mental hospitalization, betrayal notion; 87R2839
migration decisions, cognitive information process, social psychological perspective; mobility data; 87R1413
migration decisions, desert communities, economic/noneconomic factors; survey; residents, Victorville/Lancaster, California; 87R4619
migratory aspirations, Polish rural residents; interviews; 1977, 1983; 87R2560
nursing home placement, aged persons, institutionalization decision; interviews; 87T0768
occupational advancement, geographic mobility willingness, gender differences; 1977/78 Quality of Employment survey; 87R2154
parole decision making, US vs Israel; sentencing structure; prisoner case file data, interviews; 87R4513
patient's refusal/treatment rights, emergency situations; 87R4942
plastic surgery, elective vs moral imperative justifications, women's/surgeons' attitudes; interviews; 87S1954
police officer discretion; community/police subcultural pressures; observation, survey; New York City, New York; 1984/85; 87R4518
pregnancy risk taking, female adolescents; interviews; New York City; 87T0551
probation/parole decision making, behavioral prediction recommendations; 87R2480
promotion decisions, large organizations, bureaucratic vs power criteria; 87S1951
psychiatric emergencies, indigent persons, hospitalization evaluation decisions; participant observation; city-county hospital emergency room; 87R8554
public information dissemination, rhetorical techniques; 87R3892
rationalism critique, Jürgen Habermas's theory of communicative action vs Ch. Perelman's theory of argumentation; 87R4471
rationality/morals, decision making; 87R1412
refusal of medical treatment, case/statutory law, institutional implications; 87R4881
residential decision making, South Slav immigrants; ethnic attachment, household life cycle/socioeconomic status; LISREL methodology; Cleveland, Ohio; 87R1576
residential energy conservation, innovation adoption; decision thresholds; mail survey; households, US; 87R6756
retirement decisions, blue-collar vs white-collar workers; work disability; employment records; Canada; 1973-1983; 87T0740
reward allocation, decision-making process; group/individual behavior; experiment; 87R5503
rural immigration/emigration decisions; background characteristics, social/economic attainments; National Longitudinal Survey of the High School Class of 1972; 87R4605
school decision making, teachers' perceived control; questionnaire; junior/senior high school teachers/administrators, Michigan; 87R2151
science & technology targeting indicators, policy-making utility, developing countries; 87R6332
severely handicapped newborns, treatment decision-making issues; 87R6530
severely handicapped newborns, treatment decisions, institutional policy formulation; 87R6531
sexual identity disclosure, work settings; workplace characteristics, coworker socialibity; questionnaires; lesbians; 87R5686
social institutions, moral continuum, Pareto-inferior choices; 87R3164
social/behavioral research, decision-making techniques, organizational problem solving; 87R3016
staff-patient interaction, intensive care units; technologically intensive medical intervention, staff attitudes; conversation analysis, field research; West German hospital; 1980-1983; 87R4873
sterilization method selection, married couples; substantive/processual/contextual factors; longitudinal interview data; women, San Antonio, Texas; 87T0549
system management/evaluation, feedback bias; 87R3753
technological decision making, technocratic fallacy; 87R2537
textbook adoption processes, historical developments, reform recommendations; 87R2362
textbook selection process, US/California, procedures/issues; 87R2329
threats to life, moral principles; General Social Surveys; Cardinal Joseph Bernardin's views; 87R4381
treatment/nontreatment decisions, critical care settings, ethical/implementation issues; 87T0640
university-industry cooperative research, economic issues; 87R6136
urban planning, triage mechanism; literature review, case study; Philadelphia, Pennsylvania; 87R6064
voting behavior, decision making, GB; societal/individual factors; longitudinal study; 87R5933
wife abuse incidents, husband's vs wife's responsibility, police officers' decisions; legal/extralegal factors; case profiles; 87R5204

wives' job decisions/work attachments, husbands' attitudes, Asian-American families; interviews; 87S1997

Decision Models

"big" vs "little' decisions, "culture of decision making" model; 87R3019

childrearing practices/educational attitudes, Turkish immigrant households, West Germany; interview survey; 87R4787

contraceptive use, rural Egyptian women, motivational influences; interviews; 87T0557

discrete spatial data/choice analysis, methodological developments; 87R8790

division of labor justification, production cost estimation; 87R9380

faculty teaching assignments, course utility vs schedule utility, mathematical programming models; faculty ratings; Miami University, Ohio; 87R9039

modern technology adoption decision making, hospitals, game approach, policy implications; 87T0572

rational vs adaptive egoism assumption, economics/public choice/political theory; 87R7068

retrospective samples, discrete choice models, C. E. Manski's & D. McFadden's maximum likelihood estimation technique evaluated; 87R6909

seat distribution/voting power proportionality, mathematical analysis; 87R3219

spatial committee experiments, decision-making process, equilibrium properties; 87R9021

system management/evaluation, feedback bias; 87R3753

voter rationality, Anthony Downs's model; 87R7594

voting behavior, rational choice model, West Germany; 87R7495

Deduction

social interaction, interpretive conception; 87R5313

Definitions

brideprice, anthropological debate, Papua New Guinea; content analysis; letters/article, *Post-Courier* newspaper; 1979/80; 87R3586

semantic information sources, data types, functional-pragmatic approaches; 87R3166

situational definition, social sciences; 87R1447

Deinstitutionalization

care continuity, postdischarge mental patients, hospital-community treatment/linking programs; 87R8548

community transition, deinstitutionalized mental patients, reasoning processes/life-world perceptions; participant observation, interviews, formal documentation; 87R8532

dangerousness, male psychiatric patients, clinical vs actuarial prediction; institutional/follow-up records; 87R8839

decarceration process, US/England/Wales, social control issues; 87R8131

deinstitutionalization movement implementation, retarded citizens, New York City; 1848-1980; 87R8558

deinstitutionalization movement, US; interviews, observation; rest homes/mentally ill community residences, Massachusetts; article/comment; 87R5007

deinstitutionalization policy, Italy, psychiatrists' role; 87R8542

deinstitutionalized mentally ill, alcohol/drug use; ethnographic study; 87T0682

homeless, psychiatric disorders; literature review; 87T0621

mental distress symptoms, cultural meanings, psychiatric patients'/family/community responses/interpretations; case history data; Boston, Massachusetts; 87T0666

mental health care, US, deinstitutionalization issues; 87R8531

mental patients, deinstitutionalization process, North America/Italy; 87R8551

mentally ill, community care policies, US/GB; 87R8552

outpatient mental health care, Flanders general practitioners'-mental health professionals' interpersonal relationship; 87R8557

psychiatric deinstitutionalization, Italy vs Europe/US; 87T0656

suicide, former psychiatric hospital patients; case studies; South Australia; 87R2816

Delhi, India

dowry-related deaths, India; interviews, police/media records; 87R1629

food, ceremonial/ritual/hospitality uses, Muslims, New Delhi, India; ethnographic data; 87R6230

power elite, rural villages, Delhi, India; case studies; 87R7679

Delinquency

adolescent gender/delinquency patterns; household class structure; interviews; Toronto, Ontario; 87R6665

delinquency, social reproduction/repression issues; literature review; 87R7190

delinquency/child abuse; father-naming; official records; male adolescents; 87T0820

delinquent behavior; social network structure; 87R9521

Japanese motorcycle gangs, activities/delinquency as playful behavior; literature review, ethnographic/other data; 87R6671

juvenile delinquency, Iceland; school climate/outcomes, peer association; questionnaire survey; 8th-9th graders, Reykjavik; 87R6672

local delinquency rates; external ecological factors; longitudinal data, Chicago, Illinois; 1960-1970; 87R6666

self-concept/esteem, ordinal birth position, black/white/Mexican-American delinquents vs nondelinquents; scale instruments; 87R2939

Delinquency Prevention

chronic youth offenders, identification/treatment, social dyslexia model; 87R6664

crime/delinquency prevention, children/adolescents; special television broadcasts; observations, letter analysis; Federal Republic of Germany; 87R2942

delinquency prevention programs, psychiatric profession's dominance; 87R6667

juvenile delinquency prevention/treatment, Ocean Tides Residential, Educational & Family Services Program, Rhode Island; historical analysis, archival data, interviews; 87R5074

juvenile delinquency, theater/drama role playing as socialization model; secondary data; 87R2717

juvenile delinquency/deviance; formal intervention; longitudinal questionnaire-interviews; labeling theory perspective; 87R2944

juvenile justice, police cautioning/diversion strategies, history, critique; 87R2946

Delivery Systems

community care, elderly, gerontological nurse practitioners; 87R9874

community-based organizations, utilization patterns; interview survey; residents, South Carolina; 87S1928

disaster management, informational needs assessed; 87T0919

new social service populations, budget cutbacks, service needs; 87T0944

social service delivery systems, Canada, reform models/government proposals; 87R9751

toxicological mass disaster, hospital deployment scheme; 87T0915

Democracy

alienation problem/solution, democratic communications system; 87R4033

anti-Korean discrimination, Japan, roots/solution; 87R7229

antiterrorist regulations, Italy, texts/applications; 87R5208

armed forces, constitutional monarchy's control, Spain; 87R9482

armed forces, legislative control, Spain; 87R9760

bourgeois political ideology, democracy theories/crisis; 87R3996

campaign contributions' similarity, political action committees, US; 87S1972

changing economic/social/political conditions, Puerto Rico; statistics, secondary data; 1968-present; 87R9742

constitution's role, parliamentary/democratic states; book review essay; 87R3953

defense issues, armed forces, public opinion, Spain; interviews; 1984/85; 87R9627

democracy breakdown, European countries, World War I-II period; historical/structural factors; 87S1982

democracy concept, Luigi Sturzo's/Alexis de Tocqueville's political philosophy; 87R7036

democracy implementation, kibbutz setting; 87R4015

Democracy in America by Alexis de Tocqueville, current relevance/validity; 87R6982

democracy revival, South America, economic context; 87R5912

democracy, liberal/elitist/corporatist conceptions, rationalization/redefinition; 87R3983

democracy, modernist/postmodernist interpretations; 87R9724

democracy, social conflict/interests articulation; 87R4010

democracy; Sixteenth Latin American Congress of Sociology inaugural address; 87R9741

democratic consolidation processes/models, Western Europe/Latin America; 87R7632

democratic institutions, popular sovereignty ideal; 87R4009

democratic movements, Latin American Left; 87R5896

democratic opposition movement, Hungary; 87R2008

democratic political transition, social movements' role, Brazil/Argentina; 87R3992

democratic political transition, Spain; cultural/attitudinal authoritarianism, Francoism; survey, historical analysis; 1975-1984; 87R2046

democratic politics, dynamic stability; hierarchy emergence; 87R3354

democratic state/economy, John R. Commons's conception; 87R3284
democratic transition process, Brazil, Spain; 87R9788
democratic transition; Brazil political party development; 87R2022
democratic village self-government, *panchayat* system's role, India; 87R9737
democratization process, Chile, sociopolitical actors; 87R3981
democratization process, Greece/Spain/Portugal, elites' role/electoral system; mid-1970s; 87S1966
democratization process, Latin American capitalist societies, rational/irrational dichotomy; 87R7457
democratization, Greece/Portugal/Spain; economic growth; Seymour Martin Lipset's views critiqued; 87R5905
democratization, Latin American countries; external debt; 87R9699
Duvalier dictatorship's fall, Haiti, democratizaton process, popular movements' role; 87R9777
economic problems, new democratic nations, Latin America; 87R7589
educational expansion, political effects, GB; national election survey; 87R7982
electoral principles/patterns/reforms, Uruguay, democratic transition; 87R2044
elite settlements, political change characteristics; historical case studies; England, Sweden, Colombia, Venezuela; 87R9695
ethics/religiosity relationship, US society, Alexis de Tocqueville's vs Max Weber's thought; 87R5442
ethnic consciousness, democratic societies, Jacobinist/Marxist/organicist/functionalist approaches; 87R7652
ethnic minorities, political disenfranchisement, Peru; 87R9767
individualism vs citizenship, US, Alexis de Tocqueville's/Ralph Waldo Emerson's thought; 87R7083
inequality, democracy, less-developed countries; world system/development status; Kenneth A. Bollen's & Patrick D. Nolan's research critiqued; 87R3844
labor movement, political upheavals, Uruguay; 87R2023
labor process democratization/just social order, Emile Durkheim's vs Michael Buraway's theories; 87R9065
legislation, social control/development functions, democratization process, Yugoslavia; 87T0893
leisure patterns, democratization thesis, Australia; national survey data; 87R7534
liberal democratic institutions, Uruguay; 87R2007
limited democracy, guerrilla organizations, Colombia; 87R4006
major party support, young adults, GB; educational achievement; survey; 1964-1983; 87R7574
mass-democratic Farmers' Alliance/Populist Party movements, class struggle aspects; historical data; 87S1971
military court reform, 1978 constitution, Spain; 87T0211
military dictatorship-bourgeois democracy transition, Argentina, Brazil, 1960s-1980s; 87R9710
military dictatorships, democratization processes, popular movements' role, Brazil/Argentina/Uruguay/Chile; 87R9721
national broadcasting, political elites' manipulation/power; 87S1955
national democratization, Mexico, Catholic Church's role; 87R2394
North American Jewish community, democratic governance; 87R7663
oligarchic structures/tendencies, democratic organizations, structural conditions; 87R1785
oligarchical tendencies, democratic organizations, Robert Michel's thought; 87R4069
ostracism patterns, democratic vs authoritarian states; sociobiological perspective; 87R2585
ostracism/boycott, legal institutions, democratic governments; 87R2447
participatory democracy, Israeli kibbutz, institutional typology; 87R4014
partisanship/party identification, new Spanish democracy; surveys; 1978, 1980; 87R1981
political change process, social class relations, Dominican Republic; industrial bourgeoisie, industrialization; interviews; 87R1805
political development/democratic transition, Uruguay/Chile; 87R2001
political economy/modern democracy, Alexis de Tocqueville's thought; 87R6744
political history/democratic transition, Egypt; 87R7629
political processes, leftist formation, Chile; 1960s-1970s; 87R2048
Powers of Theory: Capitalism, the State, and Democracy by Robert R. Alford & Roger Friedland; review essay; 87R3843
punk-influenced youth culture, Hungary, political issues; 87R7620
redemocratization process, Latin America; 87R9776
social security expansion, developed/developing nations, competing theories assessed; national statistics; 1965-1975; 87R6914
suffrage, plebiscitarian principle's institutionalization; nation-state structural characteristics; worldwide event history analysis; 1848-1986; 87S1976
Tocqueville, Alexis de, political convictions; 87R6979
transition to democracy, armed forces role/reform, Spain; special journal issue introduction; 87R9477
union democracy, centralizing tendencies, Australia; 87R5636
welfare state crisis, problems/alternatives; 87R7635
welfare state crisis, Spain, democratic legitimation solution; 87R7591
workplace democratization, workers' participation/motivation, airline mechanics; 87R7283

Demographic Change

aging process, developed countries, geographical research synthesis; 87R8634
agricultural labor force aging, ecological factors, Taiwan; 87R9946
American Indians, 1980 census count, data anomalies; 87R9306
cohort fertility rates, Canada; age, period, cohort size; statistics; Richard Easterlin's hypothesis tested; 87T0355
community depopulation patterns; census data; Colonsay, Inner Hebrides, Scotland, 1841-1891; 87T0346
declining middle class, demographic/deindustrialization explanations; literature review; 87S1939
declining middle stratum, US economy, income distribution consequences; 87S1940
demographic change, Kosovo region, Yugoslavia; 87R6716
demographic changes, rural Brazil; labor proletarianization; 1980 census; 87S1987
demographic projection/inverse projection, ergodicity, mathematical analysis; 87R8278
demographic revolution theory, historical development; 87R8229
demographic trends, family sociology issues; 87R8401
demographic trends/policy, Yugoslavia; 87R6740
demographic variation, marital fertility/illegitimacy/nuptiality patterns, Western European provinces; Princeton European Fertility Project; 1870-1960; 87S1985
demographic/economic history, East Asia; 2-book review essay; 87R8250
demographic/economic structures, Vorau-Joglland region districts, post-WWII Austria; historical analysis; 87R8241
demographic/family trends, USSR; meeting reports; 87R2663
educational expansion, Jordan; demographic/social/economic factors; 1950-1980; 87R4331
family life, gender/workplace inequalities, future trends, developed nations; industrialization, materialism, women's labor force participation; 87R6445
family situations, aging women, GB; demographic trends; statistical projections; 1971-1996; 87T0507
family size/structural changes, China; demographic factors; statistics; post-1950; 87T0521
female labor force participation; tertiary employment/fertility/family composition; census, other data; US cities; 87T1011
fertility decline, threshold hypothesis, methodological issues; 87S1968
geographic interaction/migration data, regional schemes, aggregation procedures; 87R9010
housing market functioning, Netherlands; population aging; 87R9999
housing/population censuses, India, methodology/history; 87R6352
intercensal age schedules, demographic events, estimation procedure tested; 1880-1930 US census data; foreign-born white population; 87R8273
local union turnover/aging; local union environment/structure; case study; United Furniture Workers, US; 1963-1981; 87R9379
malaria resurgence, Swaziland; demographic changes; official records; 87R7832
migration forms, definition criteria, measurement; 87S2001
mobility tables, cross-national comparison, association/other models; 87S1987
neighboring practices, western communities, US; population/ecological change; 87S1947
net migration; natural environment; county-level data; US; 87R4599
partnership relations, Dutch vs Flemish young women; demographic transition stage; surveys; 87R8872
population aging trends, Canada, labor force/government expenditures implications; 87R8238
population aging, India; census data; 1881-1981; 87R8268
population aging, socioeconomic impact, People's Republic of China; census, secondary data; 87T0764
population aging, US, health/social policy issues; 87R8746
population aging/elderly's status, US, planning models; 87T0881
population decline, mortality rates, early modern European cities; secondary statistics; Frankfurt-am-main, Germany/Austria; 1651-1840/1754; 87T0132

population dynamics/migration patterns, Mexico, social/gender differences; 87R2550
population growth/marriage patterns, 1520-1661, rural Tongcheng county, China; lineage genealogy analysis; 87R8274
population increase-economic development relationship, preindustrial Western Europe; 87T0338
population mobility, British colonies/dominions; 1901 imperial census; 87R4613
population redistribution shifts, metropolitan areas, regional restructuring vs deconcentration perspectives; US; 87R7856
"psychopathology of migration," research requirements; 87R4591
rank system, Maithil Brahmans, North Bihar, India, historical development/demographic pressures; 87R7252
regional labor market, interoccupational interactions, economic development implications; 87R9878
social class conflict, socioeconomic crisis, feudal Europe; response; 87R9549
social situation, elderly, less-developed countries; demographic change; 5-book review essay; 87T0782
social/economic change, causal forces, France; 87R7425
socioeconomic development/demographic trends, Siberia, USSR; 87R7857
spouses' age differences, first marriages; national survey; 87T0329
unemployment rates, Canada, demographic change vs industrial structure explanations; 87R9354
US fertility rate, 1867-1955, parity progression model; census/survey/other data; 87T0554
white population growth, US suburbs; black population percentage/change; 1950-1980; 87S1981

Demographic Characteristics
adolescent incest sexual perpetrators, demographic characteristics/sexual behavior; interviews; New York City; 87T0430
background characteristics/immigration experiences, Haitian refugees, US; interview survey; Florida; 87R1591
bilingualism, non-English-language group members, US, sex differences; official survey; 87R4234
black Americans, demographic/socioeconomic trends; census data; 1954-1984; 87R1524
black composition/change, nonmetropolitan South; 87R4603
child welfare workers/supervisors, demographic characteristics, work attitudes/experience; survey; National Child Welfare Training Center inservice, University of Michigan; 87R4136
criminal careers, violent juvenile offenders; demographic factors; National Youth Survey; 87T0826
Cuban immigrants, US, sociodemographic characteristics; 87T0335
cultural life, Belgrade, Yugoslavia; 87T0032
demographic anthropology, methodological changes/research topics; literature review; 1930-1985; 87R6349
demographic characteristics, farm vs nonfarm population, US; census data; 87S1995
earnings differences, male vs female faculty; organizational/demographic characteristics; national surveys; 87R4134
educable mentally retarded students, demographic/sociobehavioral characteristics; questionnaires; special services public school teachers; 87R2345
elderly cohort survivorship, inter-provincial patterns, Turkey; socioeconomic conditions; census data; 1970-1980; 87T0751
employees' job satisfaction; demographic factors; secondary data; 87R9367
Esperanto language, Czech attitudes; questionnaire; 87R4240
family member statuses, demographic change implications; 87T0514
farming population, sociodemographic changes, France, research trends; 87S1991
fertility revolution, economic/demographic approach integration, methodological/theoretical issues; reply; 87T0300
financial status/stress, demographic characteristics, US farm producers; telephone interviews; Texas, North Dakota; 87R6042
Hispanic immigrants, New York City, demographic/socioeconomic characteristics; census/survey; 87R4596
Hispanic population, sociodemographic differences, northwestern US; county of residence; 1980 census; 87R8236
household consumption, multiple classification data analyses, Karl van Meter's basic types notion; 87R3235
household cycles, demographic/microsimulation models; hypothetical case studies; 87R9016
immigrant women, Canada; official/other data; 87T0333
in-/outmigration, US, immigrants' demographic/labor market characteristics; international data; 87T0348
Iranian immigrants vs political refugees/exiles, Los Angeles, California, demographic/religious/socioeconomic differences; census; 87R6359
lesbians aged 65+, status/background/self-image/other characteristics; questionnaire; 87R3480
mate selection patterns, black population; demographic characteristics; national survey/census; 87R4623
Moral Majority support; religious/economic views, sociodemographic characteristics; Nebraska Annual Social Indicators Survey; 1982; 87R3998
population statistics, female active peasants, Portugal; 1981 General Population Census vs *Inquérito Permanente ao Emprego* (Permanent Inquiry on Employment) data; 87R5229
population/age trends, Walloon; mortality, fertility, migration; Namur/Liège/Mons/Charleroi, France; year 2001; 87R4579
progressive small-scale farmers, Transkei, South Africa; structured interviews; household heads; 87R7811
Puerto Rican migrants, US, demographic/socioeconomic characteristics; census data; 1960-1980; 87R8260
quality of life, developing countries; demographic factors; 87R8269
shoplifting/criminality, adult women; demographic characteristics; questionnaires; 87T0796
social class divisions, US, scaling methods; 87R8404
social demography, Hungarian villages, 18th-19th centuries; fertility/mortality/other data; Sárpilis; 87R4144
social organization, demographic patterns, Portugal; 16th century-present; 87R2203
social problems, Spanish gypsies, literacy/job-training programs; 87R7212
television nonviewers, demographic characteristics; General Social Surveys; 87R5856
US Hispanic population, characteristics/diversity; census data; 87R5558
voluntary organization membership, black heads of households, US; demographic characteristics; national survey; 87R9524
youth employment problem, Canada; 87T0401

Demographic Transition Theory
birth/mortality rates, USSR, post-WWII; 87R8277
community depopulation patterns; census data; Colonsay, Inner Hebrides, Scotland, 1841-1891; 87T0346
demographic structure, qualitative change; Marxist perspective; 87R6354
demographic transition, John C. Caldwell's theory critiqued; 87R6524
fertility decline, demographic transition, Europe/Third World; 2-book review essay; 87R6360
fertility decline, first vs second demographic transition, Western Europe; 87R8254
fertility rates, industrial development, evolutionary perspective; 87T0298
political economy transformation, francophone Quebec, social relations implications; 87R7086
population decline, mortality rates, early modern European cities; secondary statistics; Frankfurt-am-main, Germany/Austria; 1651-1840/1754; 87T0132
second demographic transition, family type/internal migration flows; 87R9987

Demography
demographic research issues, USSR; 87T0339
demographic trends, single teen-age mothers; literature review; Canada; 1980s; 87T0426
demographic/family research, computer's use; 87R4624
demography journals/papers, productivity/citation impact analysis; 1984 *Population Index* abstracts; 87R8204
Diaspora Jews' demography, methodological problems, identity definition; 87T0343
family structural taxonomy, interdisciplinary research, theoretical/methodological issues; literature review; late 19th century-1983; 87T0500
historical demographic research, database development; Scandinavia, GB, Belgium, Italy, Japan, US; 1984 conference proceedings; 87R4602
population studies, research trends; 87R8801

Denmark
alternative advisory services, treatment system, Denmark; 87R5276
anorexia nervosa patients, death/relapse prediction; Copenhagen, Denmark; longitudinal analysis; 87R4968
family structure/functioning, technological societies; family life education; interviews, personal observations; Denmark, Austria, Germany, Sweden, US; 87R2340
German minority schools, Denmark, pedagogical problems/symbolic values; 87R4345
health care, lay/self-care methods, northern Europe; environmental factors; 200-year analysis, Denmark; 87R4826

international/interpersonal influence, mathematics, Denmark/Israel; stratification; 87R8208
Jews' rescue, Denmark, 1943, Hannah Arendt's political thought; 87R7225
labor market segmentation/mobility, public/private sectors, Denmark; statistics, survey; 87R1655
mass media research, Denmark, 1984 annual meeting; 87R5855
morbidity/mental health, gender differences, Scandinavia; women's employment; surveys, statistics; Denmark, Finland, Norway, Sweden; 87R5244
peace movement, Denmark, policy-making impact; 87R2020
physical/psychological/social conditions, Turkish migrant women, Denmark; interviews; 87R2826
psychiatric patients, Denmark, cohort characteristics; admissions data; 87R2820
reproductive technologies, feminist-oriented assessment; 87T0996
scientific growth model, national characteristics, Sweden vs Denmark; 87T0833
stress-caused illness episodes; social support networks; interviews; Denmark; 87T0583
suicide mortality, psychiatric patients, Denmark; register data; 87R4901
suicide rates/hospital utilization, psychiatric patients, Denmark; register data; 87R4900
trade union political involvement, UK/Denmark, public opinion; 87R9632
working women, Scandinavia, labor market position; statistics; 87R5245
young male adult crime; traditional/divorced/nontraditional family structure; police registry data; Denmark; 87R8663

Denominations
family issues, conservative/moderate/liberal attitudes, US; religious denomination/attendance; General Social Surveys; 1972-1984; 87R6206
religious distance/social acceptability, US/Canadian denominations; religious vs personal background factors; scale; university students; 87R4375
women-in-ministry research, academic/political value; 87T1015

Dental Care
work loss time, dental problems/treatment; longitudinal interviews; Hartford, Connecticut; 87R3724

Dentists
advertising, accountants'/dentists'/lawyers' attitudes/behavioral dispositions; mail questionnaires; 87R2122
professional workers, salaried positions status, age/gender differences; US Census Public Use Samples; 1940-1980; 87R4081

Denver, Colorado
career commitment, black police officers; sociodemographic/political variables; field study, interviews, observation; Detroit, Michigan/Denver, Colorado; 87R4523
real estate agents' attitudes/business practices; race/ethnicity; face-to-face interviews; Denver, Colorado; 87R5568
US frontier community government, private vs public forms; census data, local newspapers; Denver/Golden, Colorado; 1859-1860; 87R9996

Dependency (Psychology)
autonomy perceptions, Australian vs Singapore adolescents; family cohesiveness/cultural factors, gender; questionnaire; 87R4664
elderly, dependency/care, rural villages, Bihar State, India; secondary/questionnaire data; 87R8618
family interdependence/personal dependency, intergenerational transmission; interviews; 87R1428
interpersonal power, intimate heterosexual relationships; relative dependence; survey questionnaire; university students; 87S1986
relational commitment, married couples; interdependency level; questionnaires; Dane County, Wisconsin; 87R2691

Dependency Theory
Association of Southeast Asian Nations, dependency issue; 87R7568
autocracy/violence/repression, Third World nations; financial needs, advanced capitalist nations; 87R1835
basketball league organization, Trinidad & Tobago; clientelism; participant observation; 87S1970
business organizations' ideologies, Mexican bourgeoisie; foreign dependence; case studies; 1975; 87R9814
capitalist development, Third World, dependency theory debate; 87R1806
dependency networks, subgroups'/individual's structural power; case study; organizational research journals; 87R3782
dependency problematic, intellectuals' historical formation/decline, Iran; 1950s-present; 87R9701
dependency theory critiqued, Egypt's agrarian development, 18th-19th centuries; 87R9176
dependent development, textile/electronics/petrochemicals sectors, Taiwan; nationalist state's role; interviews, archival data; 87R5744
economic crisis, Dominican Republic/Caribbean nations, modern vs traditional dependency modalities; official data; 87R9559
economic development, social/political factors, Canada; 87R9555
economic growth, less developed countries; urban bias/dependency; cross-national data; 87S1998
economic growth, temporal variations, peripheral countries; economic dependency; panel regression analyses; 87S1982
independence policies, development issues, Iranian revolution; 87R7447
international political conflict; capital/trade dependence; cross-national data; 87S1972
medical geographical research, developmentalist vs underdevelopment theories; literature review; 87T0938
poverty persistence, dependency theory vs rent-seeking approach; literature review; 87R6774
resource distribution, sociopolitical/economic independence, Northern Arapahoe Indians; Euro-American economic system contact; historical analysis, fieldwork data; Wind River Indian Reservation, Wyoming; 87R3662
Third World debt crisis, status/dynamics, post-1982 Mexican default; 87S1998
trade dependence, less developed nations; foreign capital investment; cross-national data; 1960-1977; 87R5746
urban bias, underdevelopment/dependency issues; 87R9975
urbanization, underdeveloped countries; modernization, urban bias, economic dependency; panel data; 87R7416
world system analysis, dependency theory, methodological innovations; 87R1187

Dependents
elderly, age/dependency ratios, research validity; 87T0733

Depersonalization
microelectronic information technologies, instrumental-functional rationality; 87R7067
subjective vs objective, human activity, scientific determinism model critiqued; 87R6861

Depression (Economics)
automotive industry crises, midwestern US, federal/state governments' responses; ethnographic/statistical/historical data; 1972-1982; 87R5755
black tenant farmers, Depression-era Farm Security Administration resettlement project, Gee's Bend, Alabama; 87R4177
deindustrialization, post-1970s recession, US, human/social costs; official statistics; 87R5761
differential vulnerability, minority/female workers, 1974/75 US recession; labor market discrimination; National Election Survey; 87R5627
displaced farmers, North Dakota, demographic characteristics; 87S1994
economic stagnation, 1970s, US, class structure transformation; secondary data; 87R9856
employment trends/government policies, postrecession GB; 87R7325
family/gender roles, blue-collar families, Ohio; economic recession; interviews, questionnaires; 87T0443
farm foreclosures, US, state government responses; 1980s; 87S1995
gender-delinquency relationship, Great Depression era, Toronto, Ontario; court reports; 1924-1938; 87R8688
homicide rates; economic depression; Joint Economic Committee of Congress data; 1976, 1984; 87R2909
migration-education relationship, economically depressed areas, rural US South; 1980 family sample survey; 87S1996
old age accommodations, GB; 87T0766
population fluctuation, metropolitan vs nonmetropolitan areas, interstate vs intercounty differences; economic recession; US federal income tax return data; 1978-1985; 87S1996
sociology societies, Depression's/war's impact; 87T0834
Taylorist management strategy, contradictions/alternatives; 87R5697
unemployment trends, 1930s vs 1980s, Netherlands; 87R9403

Depression (Psychology)
back pain severity perceptions, self-reports vs physician evaluations; patient's age/psychological distress; national survey; US; 1971-1975; 87T0612
culture/future shock, phenomenology/group psychodynamics; 87R4947
depression, housewives; family income, role dissatisfaction, extrafamilial contacts; interivews; southeastern US; 87R4943
depression, older women; intimate relationship qualities; questionnaires; Madison, Wisconsin; 87R8855

depression, women, "vulnerability" vs "strain" models; critique/reply; 87R8543
depression/self-satisfaction, gender differences, married persons; national survey; US; 87R8545
depressive disorders, Swedish women, provoking agents/vulnerability factors; interviews; 87R4917
depressive effect, newly divorced vs 4 years postdivorce; interviews; 87R4927
depressive patients, Nigeria, sociodemographic characteristics; case notes; 87R4922
depressive psychiatric illness; social environment variables; inventories; patients/controls, Sweden; 87R2811
depressive symptomagology, Los Angeles, California residents; air pollution, psychosocial factors; telephone interview survey; 87R4923
depressive symptomatology, Namibian adolescent refugees, Beck Depression Inventory; 87R4944
depressive symptomatology; chronic medical problems, coping resources; longitudinal surveys; rural residents, Tennessee; 87R2783
depressive symptomology assessment, eventful vs chronic strains, methodological innovations; life events checklist; 87S1946
depressive symptoms; confidant support, demographic variables, marital status; face-to-face interviews; Mexican immigrant women, San Diego County, California; 87R6573
diabetes-depression symptomatology; employment status; scale; clinic patients, Orange County, California; 87R7298
electroconvulsive therapy use patterns, 1950-1983; official data; California; 87R6600
emotion lexicons/taxonomies, cross-cultural differences; 87R8528
health; unemployment; interviews; 1979-1984; unemployed, employed, southeastern Michigan; 87R9417
neurotic depression overdiagnosis, women; genetic/environmental/cultural/linguistic factors; 87T0664
pathological gamblers, psychiatric disorders/history; interviews; 87R4973
postpartum moods/control feelings, mothers; childbirth experience; longitudinal survey; prenatal class participants; 87R8534
psychological depression, psycho-/drug therapy effectiveness; National Institute of Mental Health study; 87R8537
psychological distress, new mothers; social support; interviews; 87R4765
residential context/behavior, geocoding vs age-based procedures; survey; Baltimore, Maryland; 87T0748
southern blacks' psychological depression, rural vs urban residence; community satisfaction; interviews; 1979, 1980-1982; 87S2004
stress vulnerability, sex differences; scale; adults, Wisconsin; 87R2829
suicidal/depressive behavior, Austrians/Germans/Danes vs Italians/Irishmen, biochemical/diet explanations; 87R1491
"visible saints," Mediterranean culture area; clinical case study; 87T0648
women's depression, existentialist interpretation; doctoral dissertation excerpts; 87R6599

Deprivation
ghetto underclass debate, liberal vs conservative perspectives; 87R5979
poverty/deprivation, Hungary; interviews; 87R3059

Derrida, Jacques
apartheid debate, racist policy, Jacques Derrida's thought; critique/reply; 87R5563
madness/reason, Jacques Derrida's/Michel Foucault's debate; 87R2975
Marxism/deconstruction, Jacques Derrida's/Louis Althusser's works; 87R3147
Marxism/deconstruction, Louis Althusser's/Jacques Derrida's writings; 87R3145
organizational structure, sociological theoretical developments; 87R5460

Design
elderly housing, technological issues; 87R9981
housing crisis, Italy; social/life cycle changes; 87R9217
human services design, simulation gaming; case studies; design participants, Ohio; 87R9034
interior design business, Victorian era, William Morris's influence; 87R7911
sociotechnical/organizational design, guiding principles reevaluated; 87R9493
women's responsibilities, Victorian-modern times, housing design issues; 87T0988

Desegregation
public education financial outlays; desegregation; census data; school districts, southern states; 87R2363
public facilities desegregation, white attitudes, South Africa; demographic factors; questionnaire; psychology undergraduates; 87R1601
race relations, desegregation research; longitudinal project, Hartford, Connecticut; 87R2356
racial equality, institutional constraints, whites' beliefs; telephone interview survey; adults; 87R1599

Detention
preventive detention, sexually violent offenders, Canada; regional/socioeconomic/offense disparities; parole files, questionnaires; 87R8183

Determinism
freedom/determinism question, sociological aspects; Peter L. Berger's/William W. Kolb's views; 87R6301
holistic/individualistic/relativistic ontologies, determinism perspective critiqued; 87R8950
Lukács, Georg, critical thought; 87R7014

Deterrence
crime control causes/consequences, macro studies, structural functionalist vs conflict perspectives; 87T0203
criminal behavior deterrence; legal sanctions; experiment; seatbelt use, British Columbia; 87R2485
deterrence; punishment certainty/severity/celerity; experiment; male college students; 87R8132
drunk driving, social/economic costs, deterrent countermeasures; Australia; 87R2844
drunk-driving deterrence, politically involved groups, research/policy issues; 87T0877
firearm carrying/use, mandatory sentencing law; criminal justice system's/public's response; Boston, Massachusetts; 1975-1977; 87R6250
general deterrence; perceptual factors; literature review; 87R3339
homicide rates; publicized executions; 1950-1980; 87T0807
homicide sentencing; punishment severity/certainty; experiment; college students; 87R4521
perceived threat levels; punishment; self-administered questionnaires, personal interviews; federal prison inmates; 87R7101
perceptual deterrence research, cross-sectional vs panel designs; 87R8172
punishment, crime-deterrent value, philosophical/legal/societal justifications, US; 87R6293

Detoxification
alcoholism treatment, urban American Indians, recidivism; longitudinal interview study; detoxification unit patients; 87T0696

Detroit, Michigan
black-Jewish relations/race riots, Detroit, Michigan; surveys; WWII era; 87R1538
bureaucratic encounters, welfare state programs, citizens' evaluations; interviews; adults, Detroit, Michigan; 87R6767
career commitment, black police officers; sociodemographic/political variables; field study, interviews, observation; Detroit, Michigan/Denver, Colorado; 87R4523
elderly abuse cases, police involvement; case records, interviews; Detroit, Michigan; 87R8672
homicide rates; poverty; time-series data; Detroit, Michigan; 87R2921
homicide, female vs female, demographic/social characteristics; case records; Detroit, Michigan, 1982/83; 87S1958
local redevelopment policy, Detroit, Michigan, benefit-cost analysis; 87R2221
spousal homicide, female offenders, demographic/social characteristics; case records; Detroit, Michigan, 1982/83; 87S1958
urban police resources, public choice/social conflict/organizational constraints models; annual statistics; Detroit, Michigan; 1928-1976; 87R2475

Developing Countries
age differences, prospective spouses, developing countries; World Fertility Survey data; 87R8347
autocracy/violence/repression, Third World nations; financial needs, advanced capitalist nations; 87R1835
bank privatization, economic effects, Third World countries; 87S2001
capitalist development, Third World, dependency theory debate; 87R1806
capitalist development's necessity/desirability, Third World countries; 87R8923
child employment, developing countries; age, family size, parental income, schooling; interviews; working children, India; 87R4641
class conflict, Western/Third World society; Marxist analysis; 87R6934
contraception, negative beliefs, causes, developing countries; literature review; 87T0537
cooperative development research, Finland; literature review; state capitalism; 87R1823
demographic transition, John C. Caldwell's theory critiqued; 87R6524

depressive illness, India; 87R4867
developing nations' infrastructure industries, system size effects theories; cross-national data; 1960, 1970, 1980; 87R1800
development efforts, Third World countries; disaster planning/relief; Sahelian drought; 87R5178
development studies, Finnish sociologists; literature review; 87R1807
disaster aid, developing countries, mental health service delivery, primary care workers' role; case study; earthquake victims, Arnero, Colombia; 87T0922
disaster planning, coordination, developing countries; 87R5181
drug distribution, developing countries, anthropological approach; surveys; 87R2801
economic development, Third World countries; rent incomes; 87R1804
economic growth, less developed countries; urban bias/dependency; cross-national data; 87S1998
economic growth/development, industrialized vs less developed nations; educational expansion; 87S1947
educational planning/expansion, less developed countries; social structural/planning problems; UNESCO data; 1950-1980; 87R2341
ethnic identity, origins/problems, Third World; journal issue introductory essay; 87R3557
ethnocentrism, Finland, cooperative developmental work/international market position; 87R1808
family size, Third World countries; old age security beliefs/values; interviews; couples, south-central India; 87S2002
fertility decline, demographic transition, Europe/Third World; 2-book review essay; 87R6360
fertility levels, developing countries; labor force transformation; international data; 87S1994
fertility, developing countries, birth-history factors; World Fertility Survey data; 87R8438
health status/services, rural population, Mexico, political/economic issues; fieldwork; Oaxaca; 87R6569
human basic needs satisfaction, Third World; foreign aid, multinational corporation investments; cross-national data; 87R3846
industrialization, manufacturing sector, Fiji; field surveys, interviews; documentary data; 87R3790
industrialization, Third World nations, modernization/world-systems/ecological-evolutionary theories; 87S1949
inequality, democracy, less-developed countries; world system/development status; Kenneth A. Bollen's & Patrick D. Nolan's research critiqued; 87R3844
infant formula marketing, less developed countries, critical publicity/corporate response; 87R3156
informal economic activities, Latin American/Western nations; industrialization; published data; 87R9583
information activities, less developed countries; socioeconomic conditions; 87R3875
intellectual property restrictions, US seed industry, Third World impact; 87R9028
international development, female academics'/professionals' efforts; 87R3106
international mass media, Western dominance; 87R3944
International Perspectives on Aging: Population and Policy Challenges, edited by Robert H. Binstock/Wing-Sun Chew/James H. Schultz; review essay; 87R8257
international pressure groups, Third World sovereignty/citizen's rights threats, conduct code proposed, Latin America; 87R9725
labor force participation, sex-linked occupational differentiation, less-developed countries; economic development, investment dependence; cross-country analysis, 1970/1980; 87S1979
land reallocation programs, developing countries; land inheritance patterns; computer simulation; 87R4148
land reform initiatives, Third World countries, US support; 87R5142
living standards/old age security, Indonesia/Malaysia/Philippines; multinational corporations' employee benefit structure; interviews, questionnaires; 87R9884
lowered fertility goal, developing countries, requirements/strategy; 87R5192
management information system, Egypt, technology transfer issues; 87R6342
modernization concept/characteristics, developing countries; 87R5740
national development, Third World countries; computer industry/use; 87R2523
New International Economic Order, UN policy; 87R7466
nutritional standards, Third World populations, cultural/political/socioeconomic policy influences; India, Mexico; 87R2787
overseas investment, post-World War II, US; economic factors; case study; Ford Motor Company; 87R1965
political economy of health, Third World countries; 4-book review article; 87T0582
popular autonomy, Third World, traditional knowledge renewal; 87R7595
population trends, developing countries; socioeconomic development; UN statistics; 87R8247
poverty persistence, dependency theory vs rent-seeking approach; literature review; 87R6774
press censorship, Third World countries; personal experiences; 87R7517
primary health care, community health, medical school education program, Udayana University, Bali, Indonesia; 87T0580
production modes, Third World countries, historic differences; 87R1811
protracted social conflict, Third World, management strategy; 87R8827
quality of life, developing countries; demographic factors; 87R8269
racial inequity, US; technological developments; 87R5578
religiosity, colonial influences, Third World countries; 3-book review essay; 87R6227
rural health care delivery/policies, developing countries; Alma-Ata Declaration; case study; Zimbabwe; 87T0599
science & technology targeting indicators, policy-making utility, developing countries; 87R6332
service delivery, social work mandates/tasks, rural developing areas, industrial nations/Third World; 87R6038
social change, Third World countries; 87S2000
social change, underdeveloped vs European/frontier societies; export agriculture production; literature review; 87R5742
social control, community's role, Western vs other societies; 87R8165
social movements, Third World countries, resource mobilization perspective's limitations; case study; 87R5800
social security expansion, developed/developing nations, competing theories assessed; national statistics; 1965-1975; 87R6914
social situation, elderly, less-developed countries; demographic change; 5-book review essay; 87T0782
social structure, Third World model; 87R9530
social/economic problem resolution, law's role, developing countries; 87R9554
soils/agriculture research, less developed countries, international/regional trends; bibliometric analysis; 87S1988
state-masses relationship, Third World societies; 87R7688
theologians' position/power, France/Third World, post-Vatican II Council; 87R6213
Third World debt crisis, status/dynamics, post-1982 Mexican default; 87S1998
Third World debt/US farm crises, financial systems' role; 87S1937
Third World development, anthropologists'/economists' approaches; 6-book review essay; 87R5770
Third World underdevelopment, scientific interest crisis; literature review; 87R5737
trade dependence, less developed nations; foreign capital investment; cross-national data; 1960-1977; 87R5746
unpaid family labor; modernization; International Labor Organization statistics; cross-national analysis; 87R2653
urban growth, Third World; ecological vs political-economic factors; secondary data; 87R5753
urbanization factors, Third World countries; literature review, statistics; 87R4199
urbanization, underdeveloped countries; modernization, urban bias, economic dependency; panel data; 87R7416
US imperialism/aggression, Third World peace/economic development obstacle, Cuba's response; 87R9722
welfare state crisis, socialist perspective; 87R7612
Western capitalist technology importation, social/labor market consequences, socialist/Third World countries; management control style, sociotechnological modernization lack; case study; Hungary; 87R6329
widowhood, practical problems/solutions, developed vs developing countries; UN statistics; 1983; 87T1032
wives' power, nonindustrial societies; nuclear vs extended family structure, residence/descent patterns; ethnographic data; 87R4774
workers' participation, developing countries; international case studies; 87R9415
World Population Plan, international conference policy issues; 87R8245
youth socialization, African countries; 87R4786

Development
capitalist development, Third World, dependency theory debate; 87R1806
cooperative development research, Finland; literature review; state capitalism; 87R1823

development studies, Finnish sociologists; literature review; 87R1807
ethnocentrism, Finland, cooperative developmental work/international market position; 87R1808
national development issues, conservative/liberal/Marxist positions; 87R9571
sociological theory growth; David G. Wagner/Joseph Berger critiqued, reply; 87R1347
sociology, developmental character/conceptions; 87R2957

Development Programs
agricultural education, Cooperative Extension Service's integrated approach, interactive factors; questionnaire survey, site visits; 87S1996
agricultural innovation, Guatemalan peasant farm families; literacy skills; panel study; 87R4307
development efforts, Third World countries; disaster planning/relief; Sahelian drought; 87R5178
innovation adoption, villager participation/perspectives, rural communities, Saudi Arabia; structured interviews; Wadi Fatma; 87R5112
life quality, national identity, political/health stability, Costa Rica; modernizing/distributive policies; 1948-present; 87R3398
poverty groups, Sitio Caimituhan, Philippines, development programs/strategies; participant observation; 87T0022
program development, future planning, sociology departments; 87R3259
rural development project, southern Thailand; participatory facilitating techniques; case study; 87S1984
rural development projects, management/outcome evaluation, India; literature review, field research; 87R6027
social change/development programs, male vs female receptivity, Third World; economic/political power access; case study; rural Mexico; 87R6811
social/cultural growth, Siberia, Soviet domestic policy; 87R3795
teacher-student interaction problems, economic development programs; cultural differences; questionnaire; 87R7985
The Politics of Education by Paulo Freire; review essay; 87R8003
underdevelopment, Tanzania, World Bank policy impact; official data; 87R9560
US agricultural technology exportation; case study; Rockefeller Foundation program, Mexico; 1943-1961; 87R4156

Development Strategies
accelerated socioeconomic development, Soviet Communist Party program; 87R7613
agricultural specialists, development role, Turkmenistan, USSR; questionnaire; 87R7801
agricultural underdevelopment, Bangladesh, capital accumulation patterns/economic policies/agrarian structure; 1972-1982; 87R7838
American Indian poverty/culture, metropolis-satellite/world-systems perspectives; 87R7232
asgricultural abandonment, rural peasant families, Portugal; secondary/empirical data; 87R9934
cooperative rural development strategies, pre-/post-independence, East Pakistan/Bangladesh; economic/political/policy constraints; case studies; Comilla experiment, Integrated Rural Development Program; 87R9937
development stagnation, Argentina; government spatial centralization; 87R7430
development strategies, Sandinista revolution, Nicaragua; interview/archival data; 87R9541
ecological/economic constraints, small farmers, Brazil; agrarian social structure, development policy biases; 87R2998
economic development, Argentina/South Korea; labor/business organizational behavior; 87S1966
economic development, democratic socialism strategy, Jamaica; 1974-1980; 87R9540
economic development, social resource utilization, USSR; 87R7380
economic production, quality emphasis, USSR; labor intensification; 87R7285
economic restructuring, unproductive dogmatism, USSR; 87R9568
industrialization, manufacturing sector, Fiji; field surveys, interviews; documentary data; 87R3790
labor productivity improvement, public opinion, USSR; questionnaire surveys; 87R7493
local employment development, England, political mobilization vs economic regeneration strategies; 87R1833
London Industrial Strategy, England, conceptual/practical problems; 87R6058
material living conditions, Czechoslovakia, tendencies/problems; 87R8425
national development issues, conservative/liberal/Marxist positions; 87R9571
National Strategies for Health Care Organization: A World Overview by Milton I. Roemer; review essay; 87R2765
productivity films, audience turnout, USSR; 87R7917
regional policy, post-WWII Hungary, aims/concepts/methods; 87T0891
religiosity, colonial influences, Third World countries; 3-book review essay; 87R6227
science & technology targeting indicators, policy-making utility, developing countries; 87R6332
science/technology intelligentsia, USSR, communications/research; questionnaire; 87R7788
scientific development intensification, USSR; 87R8200
scientific research intensification, USSR, personnel considerations; 87T0243
self-reliance development strategies, Caribbean/Central America, world system perspective; case studies; Jamaica, Nicaragua; 87R1964
socioeconomic development, acceleration strategies, USSR; 87R5748
socioeconomic development, man-environment interactions, Soviet society; 87R5764
socioeconomic development, reform program, USSR; 27th Soviet Party Congress platform; 87R5790
socioeconomic development, suboptimal productivity, USSR; worker motivation; 87R5767
socioeconomic development/demographic trends, Siberia, USSR; 87R7857
Soviet agroindustrial complex, long-term development; 87R7841
Soviet Sociological Association, plenary session topics; 87R6978
technology transfer strategy, community development program, India; 87S1933
tribal life/culture, Coaiquer Indians; acculturation, development plans; Ecuador; 87R1616
urban growth management, cross-national projects; 87R2250
urbanization strategy, South Africa, historical context/content; 87R9289
workers' control, pre-/postrevolution, USSR; literature review; 87R9791

Developmental Stages
advanced developed societies, characteristic aspects, structural-functionalist perspective; cross-national analysis; 87R9706
siblings, developmental tasks, life-cycle perspective; literature review; 87R6443

Deviance
anorexia nervosa/bulimia, women's deviant identities; social processes; interviews, participant observation; 87R8596
Church of Scientology, social control/ethics/deviance, symbolic interactionist perspective; 87R3483
crime/deviance, Edwin H. Sutherland's differential association theory; interview survey; adults; 87R1369
crime/deviance, sociological research bias/independence; 87S1961
deviance concept, definitional issues; 87R5542
deviance construction, human service organizations, juvenile justice system; organizational characteristics; questionnaires, interviews; 87R7192
deviance control/attitudes, US military settings; organizational/social characteristics; time series data; 1941-present; 87R3751
deviance judgments, sympathizing vs labeling responses; 87S1950
deviance perceptions, master status theory; questionnaire; college students, midwestern US; 87R7193
deviance, conflicting interpretations, American revolutionaries vs British government; 87R3989
deviance, medical model, reintegration vs negative consequences; 87S1944
deviance-social class relationship, consensus vs conflict debate, methodological issues; 87S1998
deviance/self-rejection, latent constructs; 87R1489
deviance/social control, Western scientific worldview, Eastern alternatives; 87R3482
deviant peer association, preadolescent/adolescent boys; attitudinal/behavioral variables; longitudinal interview study; families, Oregon; 87R4671
deviant roles, small groups, hostility displacement; questionnaires, videotapes; 87R9189
gambling/prostitution/easy marriage/divorce toleration, Nevada; economic motives; interviews; Las Vegas residents; 1984; 87R3907
gender deviance attitudes; gender typing; scales; high school seniors; 87S1938
inappropriate/deviant emotionality, mental illness labeling; questionnaire; university students; 87R6596
intergenerational relations, post-World War II Italy; census data, published studies; 87R6427
juvenile delinquency/deviance; parental/peer/community influence; interviews; youth aged 14-21, Washington, DC; 87R2949

Labeling Women Deviant: Gender, Stigma and Social Control by Edwin M. Schur; review essay; 87R6819
law, cultural relevance/influence, US; 87R8128
male prostitutes, deviant career mobility; interviews; 87R2153
Music Television (MTV), decoding/consumption process; 87R1895
outlaw motorcycle clubs, sex-role structures; interviews, personal experience; 87R5540
Rules, Exceptions, and Social Order by Robert B. Edgerton, strategic interaction perspective; review essay; 87R4472
social control concept, Talcott Parsons's/Robert K. Merton's structural-functionalist theory, biocybernetic/clinical metaphors; 87R5481
social control/deviance, US/GB; 87R4464
social differentiation process, boundary maintenance; 87S1932
social norm creation/maintenance, emotions' role; 87R1436
sociology of deviation, Marxist approach; 87R5541
sports deviance relationship; biliography, post-1977 SIRLS database entries; 87R5877
sports gambling, social organization, US; historical/empirical analysis, participant observation; 87R6605

Deviant Behavior
adolescent mothers-partners, behavioral characteristics; intracouple age discrepancies; 87T0412
antisocial behavior, institutionalized juvenile delinquents, Los Angeles, California; nutritional modification program; behavioral records; 87R8690
antisocial behaviors, incarcerated male/female juvenile delinquents, California; nutritional modification program; behavioral records; 87R8691
antisocial/deviant behaviors, empirical typology; Piedmont Health Survey; North Carolina; 87R9480
compulsive drinking/gambling behavior; leisure; participant observation; Alcoholics Anonymous, Gamblers Anonymous; 87R3905
crime/delinquency; sociospatial factors; empirical data; West Germany; 87R5052
crime/deviant behavior, rapidly growing communities; secondary case study data; 87S1990
criminal behavior, women/youth, Mondovi, Piedmont, Italy; court records; 1898; 87T0204
deviance, medical model, reintegration vs negative consequences; 87S1944
deviant behavior control, urban hospitals, institutional police forces vs hospital psychiatrists; case study; Veterans Administration Medical Center; 87R8549
deviant children, parents' positive reinforcement procedure; literature review; 87R9264
disaster events, individuals' convergence; recreational vehicle availability; 87R3041
exclusion/shunning/ostracism practices, historical development; 87R2590
hazardous waste crime, offense/offender characteristics; case data, interviews; Maine, Maryland, New Jersey, Pennsylvania; 1977-1984; 87R6650
hermaphrodites, India, social organization/roles; 87R4059
homicide, Bimin-Kuskusmin, Papua New Guinea, personhood/selfhood/deviance notions; case study; 87R7149
juvenile delinquency precursors, predictive efficiency; longitudinal data; 87T0825
mental illness, service delivery, Thomas S. Szasz's model; 87R5539
nonprescriptive psychoactive drug use, US, deviance model critiqued; 87T0724
ostracism as social control, children; case study; 87R2414
price-fixing, corporate crime research, methodological problems; 87S1942
professional deviant/adaptive behavior, determinitive factors; scale; 87R6011
public norm violation, coping behavior modes; subjects' written reports; university students, Netherlands; 87R3485
rule-breaking behavior, prison inmates; preinstitutionalization/institution-related traits; census survey; 87R2467
rules/infractions, non-Western societies, anthropological research; 87R7194

Dewey, John
Dewey, John, experimentalist philosophy, Lester F. Ward's influence; 87R8037
Foucault, Michel, theory/works; other philosophers' comments; 87R3343
marriage ideal, European/English history; 2-book review essay; 87T0458

Diabetes
diabetes-depression symptomatology; employment status; scale; clinic patients, Orange County, California; 87R7298
family needs, diabetic child families, mothers' perceptions; questionnaires, interviews; 87R2707
metabolic control, non-insulin-requiring diabetes; family characteristics; scale; 87R6568

Diagnosis
alcoholism diagnosis/treatment, gender differences; interviews; self-identified recovering alcoholics; 87R6619
alcoholism, middle-aged males, physicians' diagnosis; patient's social class; experiment; 87R4989
anorexia/bulimia nervosa epidemiology, Eating Attitudes Test predictive value; 87R4985
child behavioral assessment/treatment decisions, school psychologists/pediatricians; "hyperactivity" labeling; mail survey questionnaire; 87R3486
clinical medicine, USSR, content/diagnostic functions; 87R4821
diagnostic process, community mental health centers; power relations/value conflicts; case study; 87R8538
doctor-patient discourse, conceptual structures; taped interviews; 87R8469
DSM-III mental disorders diagnostic tool, classification system; 87R4852
eating disorders, anorexia/bulimia nervosa, classification/diagnostic criteria revision proposed; 87R4964
health care system, Netherlands, cooperation/effectiveness, diagnostic method; 87R5297
health interview surveys, perceived morbidity concept; national survey; Australia; 87T0575
medical diagnosis, USSR, clinical research methods; 87R4822
medical diagnostic testing, heuristic vs normative models, cost-effectiveness; 87R4864
medical diagnostics, gnoseological analysis; 87R4847
mental disorders, *DSM-III* diagnostic assessments, gender/race factors; case study evaluations; 87S1969
organizational diagnosis, Dutch central government ministry; 87R5281
organizational diagnosis, methodological procedures; 87R5280
probability values/meanings, qualitative expressions, medical professionals; 87R5348
psychiatric diagnosis process; intra/extra-organizational conflicts; participant observations, interviews; community mental health center, northeastern US; 87T0644

Dialectical Materialism
academic feminism, methodological issues; 87R8852
body/mind as information systems, idealism vs dialectical materialism tenets; 87R5102
disequilibrium forces, social systems, orthodox paradigm vs Karl Marx's dialectic; 87R1185
historical materialism, Anthony Giddens's critique, state formation; book review essay; 87R5266
mass consciousness, dialectical nature, socialist vs capitalist viewpoints; 87R9681
reactionary/progressive psychiatry, dialectical materialist critique; 87R3413
social class conflict, theoretical/historical issues; 87S1934
social processes, materialistic nature, Soviet Marxist views; 87R5585
Wallerstein, Immanuel, world system theory critiqued; 87S1985

Dialectics
class consciousness, dialectical concept, empirical investigation method; 87R6685
dialectical irony, literary method of logic, social science's use; 87R6081
dialectics, Marxist analysis; 87R7078
Hegelian theory, Karl Marx's conversion; 87R6830
Marxist humanism, historical analysis; 1950s-present; 87T1039
modern sociological theory, dialectical process; 87R9063
philosophy development stages, G. W. F. Hegel's thought, absolute negativity concept; 87T1052
social science research, Marxist dialectical approach; 87R1197

Dialects
Chinese dialect group boundaries/relations, British Malaya; census/inscription data; 19th-20th centuries; 87T0047
dialect (Walloon) usage, situational/social/regional/gender differences, Malmedy Walloon area, Belgium; 87R7883
English usage/cultural identity perceptions, US middle-class black southern attorneys; 87R9823
language situation, Arab world; 87R4239
Modern Standard Arabic usage, 19th-20th centuries, development factors; 87R6075
On Dialect: Social and Geographical Perspectives by Peter Trudgill; review essay; 87T0063

phonological aspects, Bahrain Arabic dialects, linguistic choice/social identity correlation; 87R6092
Pidgin English, Fiji, historical use; published/archival materials; 87R2266
urban dialect emergence, Jordanian cities; demographic/social/geographic factors; 87R6074

Dictatorship
civil liberties oppression, Marxist societies; 87R6825
class struggle/popular movements' rise, 1979 Iranian Revolution; dictatorship, capitalist modernization; 87R9772
democracy breakdown, European countries, World War I-II period; historical/structural factors; 87S1982
democratic political transition, Spain; cultural/attitudinal authoritarianism, Francoism; survey, historical analysis; 1975-1984; 87R2046
Duvalier dictatorship's fall, Haiti, democratizaton process, popular movements' role; 87R9777
Foundations of Bioethics by H. Tristam Englehardt; review essay; 87R8283
Joseph Stalin's/Mao Tse-tung's methods; 87R4029
La Libertad newspaper, Porfirio dictatorship, 19th-century Mexico; 87R7651
military dictatorship-bourgeois democracy transition, Argentina, Brazil, 1960s-1980s; 87R9710
military dictatorships, democratization processes, popular movements' role, Brazil/Argentina/Uruguay/Chile; 87R9721
military dictatorships, Latin American Southern Cone; 87R5910
teaching profession/new middle-class development, Spain, political vs economic influences, Franco regime; 1939-1975; 87R9918

Diet
academic performance improvements, public schools, New York City, New York; dietary change; California Achievement Test scores; 1979-1983; 87R8027
academic performance, public schoolchildren, New York; dietary change; California Achievement Test scores; 87R8026
antisocial behavior, incarcerated juvenile offenders; nutritional changes; records, experiment; 87R8692
antisocial behavior, institutionalized juvenile delinquents, Los Angeles, California; nutritional modification program; behavioral records; 87R8690
antisocial behaviors, incarcerated male/female juvenile delinquents, California; nutritional modification program; behavioral records; 87R8691
behavior improvements, incarcerated juvenile delinquents; dietary interventions; empirical data; Alabama, Florida, Virginia; 87R8689
dietary practices, adults, Illinois; health vs appearance motives; survey; 87R9219
self-initiated diet/exercise behavioral changes, whites vs blacks; heart disease worry; national survey; US; 87R8505
suicidal/depressive behavior, Austrians/Germans/Danes vs Italians/Irishmen, biochemical/diet explanations; 87R1491

Differentiation
assimilation/differentiation process, ethnic groups, Europe; 87R3525
binary communication codes, logical/semantic problems; 87R4223
central city dominance/suburban differentiation, ecological expansion theory; 87R4189
differentiation process, university system, West Germany/France/US/Japan; secondary studies, statistics; 87R4358
political conflicts, cultural milieus, Sweden/West Germany; 87R4002
sexual differentiation concept; 87R2111
social class structure/differentiation, Czechoslovakia; 87R5515
social differentiation process, boundary maintenance; 87S1932
social differentiation, collective perspective, Polish studies; 87R2115
society's evolution, Europe, theoretical approaches; 87R3365

Diffusion
19th-century France/England/US, urban social science, diffusion process; 87R2246
social contagion/innovation; cohesion vs structural equivalence explanations; *Medical Innovation* reanalysis; 87R6908

Dilemmas
institutionalization process, Fundamentalist religious organization; Thomas O'Dea's model; 87R6223

Dimensional Analysis
lack of socialism, US, multilevel analysis; 87R7611

Dilthey, Wilhelm Christian Ludwig
cultural anthropology vs sociology of culture, Germany; 87R3329
society/culture dichotomy, German sociology; 87R3321

Diplomacy
diplomatic contacts, multicultural settings, personality/psychological aspects; 87R9702
international political relations, conformity/creativity approaches; Carter-Sadat/-Begin negotiations, Camp David; 1978; 87R1403

Directors
corporate boards of directors, committee structural change; large manufacturing firms, San Francisco, California; 87R1768

Disability Recipients
disability-unemployment relationship, methodological problems/solutions; Michigan Panel Study of Income Dynamics; 1976-1979; 87R9426
disability/retirement/economic activity rates, older men, England; unemployment increase; census; 87R2895
The Disabled State by Deborah A. Stone, disability policies, cross-national perspective; review essay; 87R4884
elderly, GB, poverty/disability/service utilization; national survey; 87R8638
functional incapacitation, myocardial infarction patients; socioeconomic factors; 87R8463
income maintenance benefits, men/women, GB's differing labor market roles; 87R3706
low-income aged/disabled, US, social welfare policy; case study; Supplemental Security Income; 87T0738
mortality rates, work-related disabled pensioners, Spain; statistics; 87R9391
retirement decisions, blue-collar vs white-collar workers; work disability; employment records; Canada; 1973-1983; 87T0740
work/public transportation disability, American Indians/blacks/whites; socioeconomic factors; US Census; 87S1968
working-age disabled, US, federal policy trends; 87S1940

Disadvantaged
Hispanic financial aid recipients, income self-reports; student records; 87T0121
oppression submission, legitimation process; diaries, journals, other data; US oppressed groups; 1800-1945; 87R9855
underprivilged social groups, Hungary; journal issue introduction; 87T0940
urban economic transition, dual economy integration; article, comments, questions; 87T0005

Disarmament
disarmament/strategic defense initiative, US public opinion; survey/poll data; 87R7501
nuclear disarmament/moratorium policies, US, supporters' vs nonsupporters' characteristics/attributes; questionnaires, interviews; 87R1427

Disaster Relief
Bolivian flood, March 1982, health consequences, epidemiological assessment; records/surveys/other data; 87T0930
development efforts, Third World countries; disaster planning/relief; Sahelian drought; 87R5178
disaster management, informational needs assessed; 87T0919
earthquake, health impacts, Chile, March 1985; 87T0925
emergency management practices; interpersonal relationships; interviews, survey; reservists, Federal Emergency Management Agency; 87R5173
Ethiopian 1984/85 famine, international governments'/citizens' response; 87S2001
famine response typology, production mode linkages; 87S2001
famine/food emergencies, Bangladesh, government policy options; 87S2000
flood crisis, Utah, voluntary labor force organization, Church of Jesus Christ of Latter-Day Saints' role; spring 1983; 87R3043
flood victims, psychological distress, family disruption; demographic variables; questionnaires; Santa Fe, Argentina; 1982/83; 87R5172
government-society relations, post-1985 earthquakes, Mexico City; 87R8775
housing amount/quality/type, earthquake-affected districts, Mexico City; census; 87R7858
housing reconstruction policy, post-1985 earthquakes, Mexico City; 87R8786
Mexican earthquake, September 1985, health consequences, planning implications; 87T0932
natural disasters, predictability/scope/onset delay/lethality characteristics, preparation/response implications; 87T0927
neighborhood associations' mobilization/organization, post-1985 earthquakes, Mexico City; documents/interviews/observation; 87R8781
reconstruction policy, post-1985 earthquakes, Mexico City; official decrees; 87R8787
role conflict, crisis situations, emergency responders' perceptions; interviews, surveys, case study; North/South Carolina tornadoes, 1984; 87R8783
shelter/camp residents' characteristics, post-1985 earthquakes, Mexico City; questionnaire; 87R8782

toxicological mass disaster, hospital deployment scheme; 87T0915
transportation disruption, post-1985 earthquakes, Mexico City; 87R7850

Disasters
Bhopal (India) chemical plant disaster, media coverage; content analysis; publication/television reports; 87R5182
Bolivian flood, March 1982, health consequences, epidemiological assessment; records/surveys/other data; 87T0930
chemically-caused environmental catastrophes, legal/liability statutes; 87R6758
chronic technical disaster, religion's response; case study; Centralia mine fire, Pennsylvania; 87R8071
disaster events, individuals' convergence; recreational vehicle availability; 87R3041
disaster propensity, social preconditions, organizational countermeasures; 87R3040
disaster research, future prospects/funding; panel discussion, 1984 American Sociological Association meeting; 87R5183
disaster research, methodological problems; personal research; Love Canal, New York; 87R5176
disaster situations, mass media's reporting, Japan; surveys; 1978-present; 87R3044
disaster studies, Japan, sociobehavioral perspective; literature review; 87R3051
disasters, coping/evacuation behavior, psychological responses; surveys; Ohbu/Nagasaki/Ako/Tsubota, Japan; 87R3049
disasters, social policy, professional social workers' roles; 87R3053
earthquake victims; psychological/behavioral responses; seismic intensity; questionnaire/interview surveys; Japan; 1973-1983; 87R3050
emergency evaluation times, nuclear disasters, computer model developed; case study; Public Service Company, Oklahoma; 87R8785
environmental disaster (man-made), youth vs elderly response; support networks, locus of control; interviews; Love Canal/Niagara Falls, New York, 1978/79; 87R3035
evacuation behavior/planning, Great Sakara Fire, Japan; questionnaire survey; 1976; 87R3039
industrial catastrophes, organizational traits; case studies; Bhopal (India), space shuttle program; 87R6759
long-term health consequences, radioactive pollution; Chernobyl (USSR) nuclear power station accident, Europe; 87T0931

technological catastrophes, stress prevention, policy issues; 87R8778
technological innovations as social/political experiments; case study; Chernobyl nuclear meltdown accident effects, West Germany; 87T0921
technological/natural disasters, social impact assessment, social/psychological stress model developed/tested; 87R5174
toxicological mass disaster, hospital deployment scheme; 87T0915
utopia/catastrophe representations, science fiction literature; sociolinguistic analysis; 87R2265

Discipline
adolescents' sexual permissiveness/intercourse experience; parents' self-reported/perceived discipline; questionnaires; adolescents, parents; 87R6390
disciplinary committees, French firms, internal social control; 87R1672
labor discipline-economic development relationship, USSR, public perceptions; newspaper articles, questionnaires; 87R7313
misbehavior, academic performance, high school students; maternal employment, family structure; High School & Beyond survey, panel data; 87R6157
mothers' behavior/disciplinary techniques, children's feelings; questionnaire; low-income 5th-/6th-grade children; 87S2004
prison violence; crowding vs social control models; death logs, disciplinary/major incident reports, field observations; Texas; 87R2463
scholastic performance, lower class black/white adolescents; maternal disciplinary style; observation; 87T0533
school suspension, racial discrimination, social effects; official records; southeastern US school district; 87R5076
socialization process, secondary school students, Belgium; discipline; documents, questionnaire survey; 87R4280
South Indian plantation workers, 19th-century Peninsular Malaysia, social control system/consequences; 87R7703
worker discipline/productivity, social management issues; Soviet conference reports; 87R1715
workplace discipline, typology developed; literature review; 87R7310

Discontent
grass-roots groups/movements, state responses, US vs Germany; historical/institutional factors; 87R5798

Discourse
chiropractors' corporation, Quebec, discourse strategies; 87R4838
discourse vs praxis, social study of science; 87R4560
Foucault, Michel, ethics conceptions, modern ethical discourse formulation; 87R9096
Foucault, Michel, responsibility problems, political theory, theory/practice dilemma; 87R9104
power notions/practices, peace movement rhetoric; Michel Foucault's juridical/legal model vs strategic/military model; case study; Greenham Commons Women's Peace Camp Campaign; 87S1948
religious discourse, Spain; interviews; 1980s; 87T0173

Discourse Analysis
biblical Letter of James, communication modes organization; 87R6114
citizen calls to emergency services, conversation organization; 87R9253
civil issue discussion, radio/television broadcasts, Fairness Doctrine evaluated; 1927-1983; 87R4483
community concept, riot participants' discourse, Bristol, England; content analysis; newspaper/radio/television/personal accounts; 87R7525
conversation analysis, doctor-patient relations; book review essay; 87R2785
conversational interaction, context levels, bureaucratic environment; 87R9205
conversational uncertainty/forgetfulness, syntactic/paralinguistic technique; videotapes; 87R9214
discourse analysis, reflexivity issue; 87R4535
discourse analysis, reflexivity issues; comment/reply; 87R8967
discourse analysis, sociology of literature, operational procedures; 87R2261
discourse interaction, intended vs literal meanings; 87R9216
electronic mail, discourse meaningfulness/continuity difficulties; 87R7889
employment/gender opportunities, university students' views/discourse; interviews; Scotland; 87R7356
ethnography acknowledgements, textual constructs/social contexts; content analysis; 87R9023
Europe's "others," literary texts; book review essay; 87R2289
interactive frames/knowledge schema, medical examination/interview; videotape, pediatrician-mother exchange; 87R9194
interview exchange, teaching post candidate, England, interactional/sequential structures; 87R9190
Jacob's wrestling match, Book of Genesis, traditional hermeneutical/structuralist interpretations; 87R2399
mentally retarded adults, peer conflict resolution; discourse analysis context; 87R5613
music videos, discourse analysis; 87R1906
sexual discourse, theory/methodology/research, Michel Foucault's/Harold Garfinkel's work; 87R1511
sickness at work, stress/coping discourse vs alternative model; participant observation, interview surveys, documents; pottery manufacturing firm; 87R7279
single interaction episodes, conversation analytic modality; 87T0054
sociology of knowledge, cultural forms' analysis, Mannheimian/Marxist/structuralist approaches; 87R8699
speech alienation causes, speech act theory; 87R9648
spiritual discourse, reader-client relationship; tape recordings, transcripts; California; 87R6204
telephone message-communicational systems, British police force; semiotics analysis; 87R1509
text sociology, Carlo Ginzburg's contribution; 87R4214

textual analysis, social sciences, metaphor's use; 87R1196
textual meaning, mathematical representation; G. Muskens's critique, reply; 87R3256
written discourse interpretation, historical methods; 87R9718
written instruction interpretation; content analysis; cook book recipes, US; 1965-1975; 87T0061

Discretion
police officer discretion; community/police subcultural pressures; observation, survey; New York City, New York; 1984/85; 87R4518

Discriminant Analysis
depressive psychiatric illness; social environment variables; inventories; patients/controls, Sweden; 87R2811

Discrimination
academic achievement, open admissions vs high/low achieving students, City University of New York; summer school utilization; 87R4342
althlete favoritism, workplace managers, USSR; questionnaire; 87R9692
anti-Korean discrimination, Japan, roots/solution; 87R7229
atrocities, victims'/landlords'/public workers' perceptions, Harijans, Indian villages; 87R3561
Canadian anti-discrimination policy developments, expansionary logic, statistical methods; 87T0200
Cuban immigrants, Puerto Rican natives' reactions, trading minority theories; secondary survey data; 87R3511
discrimination against women, divorce law, marital property reform legislation; US; 87R2457
discriminatory executions, Georgia/North Carolina, 1925-1935; minority presence/environmental/other variables; statistics, official records; 87R4517
disproportionate minority unemployment, demographic factors; census data; 1977, 1980; 87R9392
earning inequalities, blacks/whites/Hispanics, US; over-/under-education, discrimination; 1980 census data; 87R7353
educational placement, black migrant youth, Buffalo, New York, social control issues; 87R6172
educational restrictions, Palestinian Arabs, Israel; 87R7945
employment discrimination, blacks/Chinese/Mexicans, US, split labor market analysis; 87S1935
ethnic antagonism, Marxist-class/prejudice-discrimination/middleman minority theories, composite model; 87R1390
ethnic categorization/isolation/treatment, Central America, economic/ideological factors; 1700-1950; 87R7219
ethnic group socioeconomic ranking, Israel; immigrant arrival data; government survey; 87R9853
female offenders, discrimination/sexism, British juvenile bureau; interviews; liaison officers; 87R3098
Guaraní language, Paraguay, official supportive policy vs actual pro-Spanish practices; 87R7884
incarceration/crime rates, minority vs white youth, US; government surveys; 1977-1983; 87T0410
income, male vs female audiologists; mailed questionnaires; US; 87R2164
Indian immigration, Canadian policy, discrimination/prejudice; 87R3808
industrial employment, female discrimination, coping mechanisms; interviews/personnel records/participant observation; steel plants, Ciudad Guyana, Venezuela; 87R7334
intercultural discrimination, defense mechanism function, Japanese vs Chinese/Koreans; historical reveiw; eighth century-present; 87R9293
intragenerational mobility; race; 1973 Survey of Occupational Changes in a Generation; black/white men; 87R2346
joking relationships, corporate cultures, consensual vs contractual legitimation; 87R3490
juvenile delinquency, police reaction; individual/neighborhood socioeconomic status; survey, police/court records; 87R6670
nervousness treatment/causes, female vs male patients; 19th-century US doctors' gender-role/social class attitudes; 87R6546
nondeterminative discrimination claims, doctrine/terminology; 87R7242
occupational inequality, Quebec; sexual/linguistic discrimination; English-/French-speaking newlyweds; 87R5983
occupational outcome, minority/nonminority women, Anglo vs Chicano women's attributions; stimulus materials; 87R6013
occupational sex discrimination, institutional theories/methodology; 87R8858
Polish ethnic minority, West Germany, historical/current situation; statistics; 87R3518
position allocation, college football conferences, US; players' race; content analysis; media guides; 1972,1982; 87R9686
racial differences, criminal processing, differential treatment conclusions; model selection; Minnesota; 87R2476
racial discrimination, legal remedies; book review essay; 87R7957
racial discrimination, Peter Wade's definition critiqued; 87R3578
racial disparities/discrimination, juvenile justice system/processing; case records; 87T0216
racial stacking, US professional football; league/media/other data; 87R1586
racial/income discrimination, citizen-administrator interaction, municipal service delivery; telephone interviews; residents, Cincinnati, Ohio; 87R2245
residential segregation, blacks/whites, metropolitan US; socioeconomic/personal preference/structural/discrimination factors; national censuses, local surveys; 87R7852
school suspension, racial discrimination, social effects; official records; southeastern US school district; 87R5076
sex discrimination, pharmacy schools, US, salary/academic rank differences; statistics; 1981/82; 87R7949
sexual discrimination, fraternal secret vs benefit societies, US; content analysis; official publications; 87S1978
social differentiation processes, minority group migration, Switzerland/Europe; 87R2551
social differentiation, feminist social theory; 87S1987
spatial discrimination, lower castes, Haryana, India, villages; 87R4036
untouchables, myths, discrimination, legel ineffectiveness; economic/religious factors, Brahmins vs Harijans; interviews; household heads, Machra village, India, 1984; 87R4060
urban problems, Paris, France, Soviet viewpoint; official statistics; 1976-1982; 87R9990
urban service assessment, racial differences; suburbanization; Annual Housing Survey; 87R2239
women's wages; divorce; longitudinal surveys; 1967-1977; 87R9913
working women, sexual discrimination, historical analysis; case study; *Equal Employment Opportunities Commission* v. *Sears, Roebuck, & Company*; 1973-1986; 87R5225
workplace discrimination, older women; 87S1934
young adult descendents, Maghreb immigrants, France, social movement; 87R3584

Discussion
discussion partner choice, sociometric correlates; US General Social Survey; 87R7395
news comprehension/awareness; demographic/media-use/interpersonal discussion variables; interviews; 87R1468

Diseases
breast self-examination attitudes/practices, Italian immigrant vs Swiss women; sociocultural factors; interview survey; 87R4857
children's hereditary disease; parental alcohol use; 19th-/20th-century theories; 87R2582
genetic diversity, Liberia; sociocultural/ethnohistorical factors; case study; malarial resistance trait; 87T0361
geriatric sex problems; 87R5011
health/disease, multidisciplinary perspective; 9-textbook review essay; 87R2759
illness behavior, guineaworm disease prevention, Nigeria; health eduction, integrated traditional-Western scientific viewpoints; 87R6565
infectious disease mortality rates, US; socioeconomic/demographic/health variables; SMSA data; 1980; 87R4891
malaria resurgence, Swaziland; demographic changes; official records; 87R7832
malnutrition, urban shanty dwellers, India; environmental pollution, sanitation practices; 87R3058
medical disease models, 20th-century paradigm shift, immune system emphasis; 87S1943
population/economic growth, Sri Lanka vs Sardinia; malaria eradication compaigns; 87R8764
viral hepatitis epidemiology, lay/medical beliefs, southwestern US county; historical reviews, census tract incidence rate data, participant observation; 87R4854
work loss time, dental problems/treatment; longitudinal interviews; Hartford, Connecticut; 87R3724

Disengagement
disengagement, nursing home residents; aging factors, institutions' structural/organizational characteristics; National Survey of Institutionalized Persons, 1976; 87R2889

Disorders
psychological disorders, personal risk factors; questionnaire interviews; adults, Athens, Greece; 87R2825

Disputes
competitive food exchange (*abutu*, dispute settlement, Massim village, Papua New Guinea; 87R3665

dispute resolution, Fiji, apologies' role; ethnographic case study, Human Relations Area Files; 87R5517
family conflicts as popular culture; 87R6486
friendship vs nonfriendship, group members; agreement vs disagreement; 87R7397
psychiatric diagnosis process; intra/extra-organizational conflicts; participant observations, interviews; community mental health center, northeastern US; 87T0644
scientific disputes, written letters, social structure; conversational analysis; 87R1512
staff-patient conflict/coalition formulation, mental institution; participant observations, questionnaires, records; 87T0665
trade/tariff disputes, Japan/US; open "letters"; 87R1972

Dissent
intellectual dissent, suppression, corporate/bureaucratic/elite roles; 87R3994
political dissensus concept/typology; 87R7586
scientists'/engineers' professional/ethical dissent, legal protection; 87R9927

Dissertations
Austrian diplomic works/dissertations, Karl Thurm's compilation; 87R1270
Delphi-based dissertations, nature/quality concerns; *Dissertation Abstracts* database; 1970-1984; 87R6686
doctoral dissertation requirements, scientific fields; 87R9044
thesis defense, Hungary; 87R9035
thesis defense, Hungary; 87R9051

Distribution
distribution similarity, measures; 87R3245
distributive justice as illusion; literature review; 87R7712
population heterogeneity/distributions, mixtures models; 87R4595
welfare strategies, working class voter receptivity, Plymouth, GB; interviews; 87R9752

Distributive Justice
capitalist firms, labor participation, power distribution effect model; 87R9586
civil justice system crisis, Italy/West Germany/US; 87R8105
collective justice evaluations, work settings, blockmodeling methodology; article/reply; 87R8130
conflict resolution, resource scarcity situations; 87R8835
distribution/retribution decisions, competitive vs cooperative relationships; equality/contribution principles; questionnaire; female nursing students, Sweden; 87R5533
distributive health policy, hospital construction program, developmental dynamics; 87R8508
distributive justice as illusion; literature review; 87R7712
distributive justice criteria/rules, Chinese village; field study; 87S1987
distributive justice norms; family interaction types, socioeconomic hierarchy; 87R9832
distributive justice, Israeli kibbutzim, structural equality; questionnaire; 87R2453
economic growth/socioeconomic equity, Asian Pacific-basin countries, Mancur Olson's theories; 87R9538
ethnic conflict, Guyana, historical development; 87R7236
ethnic-state relations, Guyana vs Trinidad & Tobago; international capitalist penetration; 87R7460
income distribution inequality, US; official statistics; 87R8822
just rewards sentiments; self-explanations/-evaluations; 87R9848
justice judgments, pay-for-work settings; scales; 87S1970
labor market policy, Federal Republic of Germany, orthodox vs realist strategies; 87R7469
law/state crisis; journal issue overview; 87R7597
legal system, Italy, private vs public interests; 87R8094
legitimate authority distribution, equity vs equality rules; self/group benefit perceptions; experiments; college students; 87R7136
material well-being satisfaction; distributive justice perceptions; questionnaire; working adults; 87R5956
microcomputers' emergence, private secondary boarding school students' response; field data; 87R8016
minority youth overrepresentation, criminal justice system, US; economic disparities; census; 87T0407
party/welfare state crisis, Italy; 87R8751
perceived underpayment; earnings, spouses' earnings; telephone interviews; married couples; 87R7764
social class structure/income level changes, Taiwan; government statistics; 87R9829
social crisis investigation, Yugoslavia; 87R8158
social justice situation, socialist society, USSR; 87R8143
sociology of law, 20th-century Europe; 87R8154
unemployment-family well-being relationship, interviewing factors, Canada; 87R9460
voter turnout, uncertain outcome elections; opportunity costs; 87R7615
wealth distribution justice, people's attitudes, procedural explanation; literature review; 87R7659
wealth distribution/social welfare attitude, major social class groupings, Canada; economic decline; national surveys; 87R7667
welfare state crisis, Spain, democratic legitimation solution; 87R7591

Divination
diviners, social roles/contexts, South Africa; ethnographic case study; 87R6559
spiritual discourse, reader-client relationship; tape recordings, transcripts; California; 87R6204

Division of Labor
division of labor justification, production cost estimation; 87R9380
division of labor, Guatemalan communites; earthquake; 87R3046
division of labor, industrial societies; book review symposium; 87R1746
division of labor, interdependence-differentiation relationship, US; industrial data; 1919-1972; 87R9141
division of labor; population size; cross-national/historical data; 87R5458
economic exploitation, Adam Ferguson's/contemporary conceptualizations; 87R3282
female occupations/employment, US/New Zealand; census data; 87R7759
gender bias, Syrian school textbooks; content analysis; 87R4268
individual political consciousness; other household members' social characteristics; interviews; households, Isle of Sheppey, England; 87R5665
modern labor; industrialization processes; 87R1677
musical work, division of labor; 87R7912
office/industrial division of labor, work compensation, job security; new technology; 87R1653
unpaid workers, service industries, gender order; 87R9923

Divorce
adolescent psychosocial adjustment; parent's marital status; survey; high school students, Quebec; 87T0425
alcohol consumption, recently separated/divorced women; stress; treatment program participants; 87R2841
bereavement characteristics/factors, ex-spouse's death; interviews; 87T0459
child custody decisions, consensual divorce cases; custody investigation reports; interviews, court records; Hennepin County, Minnesota; 87R2681
child custody/access, divorce proceedings, state intervention; psychoanalytical perspective; 87T0378
child support payment; former-spouse relationships; interviews, questionnaire; divorced parents; 87R6510
child visitation/custody conflicts, Yugoslavia; interviews; parents, Belgrade; 87R4737
children's development/adjustment, family processes; parents' divorce/remarriage; questionnaires; 87T0442
children's life chances; parental divorce; cross-sectional/longitudinal data; GB; 87T0383
consumption/finance-handling patterns, happily married vs divorced couples; interviews; 87R4755
custodial/noncustodial family poverty; proposed child support reform; Michigan Panel Study of Income Dynamics; 87R6472
delinquency patterns, blacks vs nonblacks; broken homes; Richmond Youth Project; 87S1970
depressive effect, newly divorced vs 4 years postdivorce; interviews; 87R4927
discrimination against women, divorce law, marital property reform legislation; US; 87R2457
divorce appeals, women's problems, Malaysia; field research; Islamic religious divorce court, Alor Setar; 87T0991
divorce determinants research, methodological issues; comment/reply; 87R6467
divorce determinants; marriage duration; National Longitudinal Survey; young/mature women; 87R2696
divorce issues/paternal involvement, adolescents' perceptions; age, gender, family structure; questionnaires; junior high school students; 87T0411
divorce law, GB, clean break principle, child welfare implications; 87R4735
divorce legislation, South Africa, political elite-Dutch Reformed Church linkages; synod reports/interviews/other data; 87R4706
divorce mediation, multiple sclerosis-afflicted couples, sociologist's role; interviews; 87R5299

divorce patterns/attitudes, Madrid, Spain; social class differences; statistics; 87T0454
divorce perceptions, children; family status, early- vs late-latency; Children's Attitude Toward Parental Separation Inventory; 87R2679
divorce propensity, Jewish households; group commitment; questionnaire survey; New York City; 87R4704
divorce rate, Canada, regional differences; population mobility; census; 87R4772
divorce rates, Taiwan; longer life expectancies; comments/reply; 87T0592
divorce rates/laws, socialist Eastern European countries; 87R8118
divorce rates; marital bond weakening; 87R4771
divorce reform, GB, child custody practices; 87R4462
divorce reform, India, law/religious conflict; 87R4487
divorce settlements, court proceedings, West Germany; statistics; 87R8156
divorce stigma; interviews; divorced individuals; 87T0462
divorce trends/consequences, US; 87R2658
divorce, Iran, recent trends; court records, published data; 1966-1983; 87R6411
divorce, marital instability; age, marriage duration; telephone interviews; US; 87R8346
divorce, remarriage, recent trends; published data; 1960-1980; 87R6442
divorce-suicide relationship, Ira M. Wasserman's study, methodological problems; article/reply; 87R8454
divorce/remarriage trends; New Zealand; published statistics; 1945-1980; 87R6422
divorce's long-term psychological effects, children; postdivorce family life; questionnaire, interviews; U students, California; 87T0492
equality principles/conceptions, family court practices, West Germany; divorce cases; 87R8848
family behavior patterns/values, 18th-20th centuries, US; industrialization, economic conditions; census data, birth/marriage/divorce rates; 87R6454
family composition, welfare population; marriage formation/dissolution patterns; public assistance records; Wisconsin; 87R8398
family divorce/remarriage problems, theoretical/clinical models; 87S1942
family formation/dissolution trends, US; official statistics; 87R6487
family structure changes, US; societal forces; 87R6496
family/kinship/marriage practices, Indian Muslims, customary US statutory law; book review essay; 87R6423
feminist agenda/reform, harmful developments; 87R6790
fertility decline, Belgium; family life conceptions, marriage/divorce rates; 1964-present; 87R4797
financial settlements, divorcing couples; 1984 US Tax Reform Act; 87R4705
housing movements, divorced men/women, GB; national surveys; 87R3466
life course, children of divorced couples; 87R2593
marital dissolution distributions, first vs second marriages/blacks vs whites; statistics; 87R6494
marital instability, intergenerational transmission, West Germany vs US; 87T0464
marital instability; age at first marriage, mate choice heterogeneity; interviews; married persons; 87R6417
marital stability/instability; young children's presence; survey; divorced couples, California; article/comments; 87R6513
marital stability; early marriage vs early marriage/education; surveys; 1977, 1978, 1980, 1982; 87T0517
marriage/divorce patterns, US women; 1985 Current Population Survey; 87R8391
maternal/paternal/joint child custody decisions, women's movement support; 87R5230
parent-child-stepparent relations/childrearing patterns, postdivorce/separation; interviews; children; 87R2660
political attitudes; adult life experiences; British Election Study; 87R1987
postdivorce family, legal regulation, child's interest concept; case records; Paris, France; 87R6495
postdivorce functioning, single mothers/children; interviews; mothers, Toronto, Ontario; 87T0511
psychological well-being, white adults; parents' divorce; General Social Surveys; 1972-1983; 87R1429
second union formation, frequency/type, Swedish/Norwegian women; survey data; 87T0450
single-parent family, definition/incidence/causes, India; census, literature review; 87R8345
social class divisions, US, scaling methods; 87R8404
social integration, divorced immigrant Jewish women, Israel; interviews; 87R4589
stigmatization perceptions, widows vs divorcees; Cleveland, Ohio; 87S1965
suicide rates, Canada; divorce; longitudinal data; 87R8455
suicide-divorce rate patterns, observed association, Canada/US; aggregate data; 87R4804
suicide/homicide rates; divorce/migration rates; government statistics; 1970s; 87T0475
women's wages; divorce; longitudinal surveys; 1967-1977; 87R9913
young male adult crime; traditional/divorced/nontraditional family structure; police registry data; Denmark; 87R8663

Doctoral Degrees
Austrian diplomic works/dissertations, Karl Thurm's compilation; 87R1270
interfield migration, PhDs; survey; 1981; 87R5995
postdoctoral study, US, advantages/quality; book review essay; 87R2139

Documents
anthropological ethnohistory, missionary documents as sources, methodological problems; 87R3212
González Casanova, Pablo, articles/speeches/books; chronological index; 87R2041
manuscript proofreading, undetected misprints, estimation method; 87R3231
official documents, juvenile courts, reality construction models; Hamburg, West Germany; 87R6263

Domestics
Between Women: Domestics and Their Employers by Judith Rollins, feminist issues; review essay; 87R3716
domestic service, males' domination, colonial Zambia, gender-role issue; archival/field research; 87R5600
domestic workers' image/employment, national council's reform measures; 20th-century US; 87R5632
household formation/organization, marriage patterns, European farm servants; historical data; 19th century; 87R6040
interpersonal interaction, white-nonwhite women, US; race, social class, gender; 87S1942

Domhoff, George William
power structure, US ruling class, G. William Domhoff's works defended; comment/reply; 87R5930

Dominance
ancilliary health care, professions, medical profession dominance; secondary historical accounts; 87S1960
central city dominance/suburban differentiation, ecological expansion theory; 87R4189
command-obedience relationships, legitimacy principles, Max Weber's classification critiqued; 87R9158
E-state structuralism, network/expectation state explanations synthesized; animal dominance relations illustration; 87R1362
integrative feminist movement; 87R5224
male domination/attainment/patriarchy, socialization vs psychophysiological factors; article/comments/reply; 87T0360
police calls, professional dominance thesis, linguistic strategies; case studies, published material; 87R1500
seat-taking behavior, Japanese university faculty members, territoriality aspects; observation, interviews; 87R5505

Dominant Ideologies
Northern hemisphere's dominant organizations, Southern hemisphere's internal state legitimization loss/disorder, interactions/consequences; 87S2001

Dominican Republic
economic crisis, Dominican Republic/Caribbean nations, modern vs traditional dependency modalities; official data; 87R9559
ethnic identity maintenance, Samana peninsula immigrant enclave, Dominican Republic; endogamy; marriage records, interviews; 87R6492
interactional migration, Dominican Republic to US, social/historical background, economic benefits; 87R2544
liberation theology, precursors, 1965 revolution, Dominican Republic; 87R9769
patient understanding/retention, medical advice, Dominican Republic; observation, interviews; patients, rural clinic, El Rio district; 87T0634
political change process, social class relations, Dominican Republic; industrial bourgeoisie, industrialization; interviews; 87R1805

Downs Syndrome
handicapped infant treatment, moral issues; case study; Infant Doe controversy; 87R3021

handicapped persons, Austria, artistic/creative outlets; personal experience; theater group; 87R4865

Dowry

dowry-related crimes, women victims, Delhi, India; 87S2001

dowry-related deaths, India; interviews, police/media records; 87R1629

native populations/customs, South Africa, missionary/administrator training; A. R. Radcliffe Brown lecture; 87R5606

Draft (Military)

military conscription, changing trends; social/economic/cultural values; historical analysis; 18th century-present; 87R2015

Drama

cultural redefinition/production, Chinese revolution, 1940s; 87R3611

drinking portrayals, fiction/drama, Irish Literary Revival Period; literature analysis; 87R4252

elite empowerment/social construction expression, theatrical elements; secondary data; public drama; 87R9646

interorganizational conflict, social drama analogy, comparative analysis model; case studies; 87S1965

juvenile delinquency, theater/drama role playing as socialization model; secondary data; 87R2717

sociological instruction, television soap opera material, uses/problems; 87R6453

Dramaturgical Approach

clinical social psychology, Erving Goffman's impression management theory; 87S1944

embarrassment phenomenon, dramaturgic perspective; 87R9247

family systems/therapies, organizational/dramaturgical aspects; 87R4699

imperialism, J. A. Hobson's/V. I. Lenin's theory, dramatic presentation as teaching technique; 87R5387

judicial/penal system, metaphorical analysis; 87R6254

political life, US, dramaturgical analysis; 87R4031

power interactions, Commodore Matthew C. Perry-subordinates/Japanese, dramaturgical perspective; historical documents; 87R3949

sociology classroom, actor's perspective; 87R6143

work incentive program, unemployed welfare clients, impression management strategy; 87R5664

Dreams

dream theory/practices, 17th-century Hurons (Amerindians) vs 19th-century Freudian psychoanalysis; Jesuit missionaries' accounts; 87R1643

dreams, psychotherapeutic uses; book excerpt; 87R5445

dreams/dreaming, social/personal perspectives; 87R3468

Drinking Behavior

adolescent drinking behaviors; parental socialization factors; interviews; 87R4649

adolescent drinking/driving-riding behavior, social learning model; survey; 87R4957

alcohol consumption, university students, Spain; questionnaire; 87R8020

alcohol consumption/intoxication, Scandinavian adults, negative drinking consequences; mail questionnaires; 87R2847

alcohol references, cultural reflections, Chinese poetry; content analysis; poems; 600 BC-1970; 87R4257

alcohol use initiation, adolescents; personality/peer/family factors; longitudinal questionnaire data; 87R2842

alcohol use, rural youth; questionnaires; 87T0688

alcohol use-love relationships, homosexual men; interviews, observations; California; 87R7176

alcohol-related behavior, cross-cultural business situations; interviews; US executives/anthropologists/sociologists; 87R6839

alcohol/drinking portrayals, Finnish television; content analysis; programs; 87R2856

alcoholism, US authors, biographical/critical issues; 87R4258

blacks' drinking behavior, conceptual models; 87T0689

compulsive drinking/gambling behavior; leisure; participant observation; Alcoholics Anonymous, Gamblers Anonymous; 87R3905

cultural signification; drinking habits, Finland; literature review; adult fiction; 1911/12 vs 1972; 87R4979

drinking behavior, college students; questionnaires, 1974 vs 1983; 87R4959

drinking behavior/companionship: marital relationship; questionnaire interviews; couples, Finland; 87R2846

drinking behavior; attitudes/social support congruency; interviews; adults; 87R6616

drinking habits, post-WWII Spain; structural changes; 87R8603

drinking habits, Spain, age/sex differences; questionnaire surveys; 87R8561

drinking habits, village pubs, Melton, England; gender, age, social class; fieldwork data; 87R3437

drinking patterns, US adolescents, research problems; 87R2860

drinking patterns, US college students; literature survey; 87R2865

drinking portrayals, fiction/drama, Irish Literary Revival Period; literature analysis; 87R4252

drinking practices, social meanings, Finland; survey; 87R8607

drinking problems, racial/gender/academic correlates, US college students; longitudinal questionnaire data; 1982-1985; 87R6608

drinking rules, college dormitories, residential assistants' definition/interpretation/enforcement; interviews; 87S1942

drinking/drunkenness portrayals, US detective stories; 87R4253

drunkeness definitions, behaviors/social judgements, France, 19th century; 87T0701

lifetime drinking patterns, women; 1981 national survey; 87R2871

sexual behavior/dysfunction, women; alcohol consumption; interviews; women, men; 87R8871

student drinking patterns; legal minimum drinking age; questionnaires; Oklahoma State University; 87R8587

women's drinking/drinking problems, US, social constructionist approach; 87R8879

Dropouts

academic performance, Hispanic high school dropouts vs nondropouts, Colorado; peer group influence; interviews; 87T0083

academic skills, failure students; remedial education treatment program; test scores; 87T0120

adolescent well-being; unemployment; questionnaires; employed/unemployed youths, Adelaide, Australia; 87T0086

community college experience, black women, motivations/behaviors/outcomes; ethnographic data; 87R8046

drop-out/repetition rates, primary school students, India; survey; 87R4288

dropout syndrome, student selection vs socialization, path model; mailed questionnaires; college freshmen/sophomores/juniors; 87R2296

dropping out, high school students; drug/alcohol use; survey; Philadelphia, Pennsylvania; 87R4961

educational achievement, school drop-outs; academic performance; interviews; 87R4334

girls' educational disadvantages, reform measures; 87R8038

job outcomes, Australian students; early/late school leaving; literature review; 87R8025

potential academic dropouts, US high schools; standard-raising recommendations; 87R4323

residential institutions, disattached youth, Israel; observations, interviews; staff members; 87T0217

school dropout problems; special journal issue; 87R6159

school dropout, academically marginal students; predictor variables; interviews; 87R6374

school dropout, juvenile delinquents, prediction model; interviews; 87R9013

school dropout/completion rates, divergent definitional/operational systems; 87R6141

school experience, work attitudes/behaviors; cultural influences; Palermo vs Milan/Bologna, Italy; 1982; 87R2306

school refusal syndrome, Japanese youth, medicalization/treatment process; 87R7995

teenage pregnancy/motherhood, high school completion; preschool intervention program participation; interviews, other data; 87T0402

Drug Abuse

adolescent drug prevention program effectiveness, peer vs other programs; 87R8613

alcohol/drug abuse, welfare agencies' roles; 87R2858

alcohol/drug abuse, wellness/employee assistance programs, US industry; 87R7358

amphetamine abuse, Japan; clinical case studies; Tokyo; 87R4990

amphetamine use, high school senior females; societal bonding; surveys; 1976, 1978, 1980, 1982; 87R4986

criminal behavior, delinquent male vs female adolescents; personal/family drug use; interviews; 87T0683

criminal income/drug expenditures, cocaine/heroin abusers; interviews; New York City; 87S1964

drug abuse prevention/rehabilitation trends, USSR; 1920s-1960s; 87R8566

drug abuse problem, democratic Spain, typology/treatment policies; secondary data, statistics; 87R8604

drug abuse treatment program, family therapy approach; 87R4988

drug abuse, prognostic factors; questionnaire survey; adolescents; Gothenburg, Sweden; 87R2596

drug abuse, youth peer cultures; social/psychological characteristics;

87R8598
drug abusers' psychological characteristics/behavior, representative case study methodology; 87T0710
drug addicts/abusers, population characteristics; case histories; L'Abbaye institution, Paris, France; 87R4955
drug consumption, legal prohibition/punishment, social function; 87R8568
drug control, GB, economics/criminology; 87R8573
drug policy, US, punitive vs pragmatic approach; 87T0693
drug preventive education, treatment/rehabilitation programs, Singapore; 87R4966
drug problem, research approaches, Europe/US; 87R8570
drug problems, US, early 20th-century origins; documentary data; 87R8575
drug rehabilitation systems, Malaysia, organization/control issues; observation, interviews; 87R4971
drug treatment policy, sociological model; 87R5283
drug use patterns, adolescents; ethnicity; scale questionnaire; 87R4974
drug use/abuse, youth, epidemiological research issues; national survey; 87T0697
drug-dependent offenders, diversionary sentencing policy/legislation, assessment/treatment standards critiqued, US; 87T0675
employee drug/alcohol abuse, definition/employer awareness/underestimation problems; literative review; 87T0677
illicit drug consumption, UK; estimates/surveys/other data; 87R8615
marijuana, use escalation, predictive factors; longitudinal questionnaires/interviews; 87R1488
substance use patterns, measurement/assessment issues, Canada; 87T0723
women's drinking/alcoholism, liberal feminist position, ideological contradictions; 87R3105

Drug Addiction
addictive behavior, treatment focus, self-help group's utility; 87R8586
alcoholism/drug addiction, prevalence/nature; epidemiological/clinical data; 87T0719
criminal skills, incarcerated heroin addicts; prison learning; self-reports; addiction treatment center, Baltimore, Maryland; 87R5538
drug abuse detoxification/cure, traditional methods, Thailand/Malaysia; 87R2776
drug abusers, psychological disturbances/personality characteristics/life attitudes; 87R8591
drug addicts/abusers, population characteristics; case histories; L'Abbaye institution, Paris, France; 87R4955
drug offenses, Georgian Soviett Socialist Republic, USSR; questionnaires; prisoners; 87T0687
drug problem, UK service delivery policy/issues; 87R2845
drug use/addiction, US, cultural anthropological perspective; 87T0706
feminist attitudes development, black vs white female heroin addicts; criminal lifestyle; 87S1952
heroin addiction/criminality; interviews; heroin addicts, Delaware; 87T0685
heroin addicts, criminality patterns; interviews; 87T0684
heroin addicts, death orientations/experiences; interviews, tests; 87R4954
heroin career duration, gender differences; interviews, event-history analysis; urban blacks aged 18-23; 87R2843
heroin epidemic, Wirral borough, England; case files; 87R6615
male drug addict, France; life story recounted; 87R2978
methadone diversion treatment; interviews, ethnographic data; 87R8609
property crime; narcotics use; literature review; 87T0714
residential burglary rates, London/Merseyside, England; opioid addict population percentage; police/criminal records; 87R8665

Drug Use
acquired immune deficiency syndrome susceptability; alcohol/drug use; 87T0711
adolescent drug use changes; surveys; Ontario; 1968, 1977, 1985; 87T0712
adolescent drug use trends/attitudes, regional/gender differences; questionnaire surveys; 11th graders, Ohio; 87R4663
adolescent drug use, small rural vs mid-sized communities, Rocky Mountain region; questionnaires; 87R8319
adolescent drug use; adverse drug reaction, psychological stress; 87R4967
adolescent drug use; differential association; self-report questionnaires; southwestern US; 87R2854
alcohol/drug use patterns/attitudes, university freshmen; parental drug use perceptions; Drug Usage Prevalence Questionnaire; southern urban university; 87R2861
benzodiazepine tranquilizer use, sex differences, elderly; social support; interviews; Durham, North Carolina; 87R4983
cocaine use/abuse patterns, differential association/control theories; questionnaires; 87T0700
criminal behavior, delinquent male vs female adolescents; personal/family drug use; interviews; 87T0683
criminality-narcotics use, causal relationships; interviews; methadone maintenance patients, California; 87R2932
deinstitutionalized mentally ill, alcohol/drug use; ethnographic study; 87T0682
Dionysian orgiastic rituals, ancient Greece; 87R8058
dropping out, high school students; drug/alcohol use; survey; Philadelphia, Pennsylvania; 87R4961
drug problem, UK service delivery policy/issues; 87R2845
drug usage, Seventh-Day Adventist youth, North America; religious attitudes/behavior/practices; questionnaire; 87T0681
drug use testing, athletes, ethical issues; 87R9684
drug use trends, psychotherapeutic/illegal drugs, alcohol/cigarettes, high school seniors, US; national surveys; 1975-1985; 87R8590
drug use, adolescents; conformity, commitment, religiousness, parental variables; data reanalysis; simplex vs nonsimplex prediction models evaluated; 87R6384
drug use, Chicano vs Anglo female adolescents; psychosocial factors; questionnaires; rural Texas; 87R4160
drug use/addiction, US, cultural anthropological perspective; 87T0706
drug-related doctor impairment, treatment/prevention programs; 87R6613
education/employment aspirations/achievements, drug use, young adults; high school drug use/academic potential; longitudinal questionnaire data; Los Angeles County, California; 87R2617
fetal alcohol/tobacco/narcotics effects, publication trends; content analysis; 87R8185
job separations, young adults; drug/alcohol use; interviews; 87R5653
menopausal women/psychotropic drug use; interviews, Manitoba, Winnipeg; 87T0695
mental patients' behavior, forensic psychologists' drug-related explanations; 87S1935
nonprescriptive psychoactive drug use, US, deviance model critiqued; 87T0724
over-the-counter drug use, elderly; demographic/access/psychosocial variables; interview sample; Tupelo, Mississippi; 87R6612
personal characteristic similarity, marijuana use; dyad characteristics; published data; adolescent friendships; 87R3460
premarital pregnancy occurrence/outcome; ethnic/socioeconomic variables; interviews; females; 87T0725
prescribed drug use/everyday life management; medical records, interviews; black/white working class women, London, England; 87R4962
psychoactive drug use, doctors/medical students; questionnaire survey; 87R6614
psychotropic drugs/alcohol use, women, Montreal, Quebec; interview survey; 87R8601
self-reported cocaine reactions, social-recreational users; interviews; 87R8560
sex/violence/drug/other attitudes, adolescents; music television viewing; survey; 87R6383
sports participation-drug use relationship, adolescents; self-reports; northeastern US; 87T0715
substance use, gender differences, university students; demographic/school-related variables; 87R8595
youth street gangs, member characteristics/delinquent behavior, East Los Angeles, California; interviews, statistics; 87R8696

Drugs
drug advertising, image encoding practices; 87R8535
drug control policy/legislation, US vs GB; 3-book review essay; 87R2429
drug trafficking, prosecution strategies, US government; case studies; 87T0679

Drunk Driving
adolescent drinking/driving-riding behavior, social learning model; survey; 87R4957
drinking driving behavior, females; gender roles; roadside surveys; southern metropolitan US; 87T0703
drinking location selection, convicted drunken drivers; sociodemographic characteristics; questionnaires; Mississippi; 1982/83; 87T0713
drinking-driving behavior decision making, college students, US; situational factors; questionnaires; 87T0718
drunk driving, legal/personal deterrents; sociodemographic variables; literature review; 87R8656

drunk driving, social/economic costs, deterrent countermeasures; Australia; 87R2844
drunk-driving deterrence, politically involved groups, research/policy issues; 87T0877
drunk-driving offenders, problem severity/voluntary treatment program failure, Finland; laboratory tests, questionnaire; 87T0623
fatal automobile crashes; drinking age increases; 1975-1983 official data; article/comment; 87R4975
intoxicated driving defendants, court processing; legal/extralegal factors; court records; Maryland; 87R8589
mandatory drunk driver imprisonment, judicial noncompliance; court/jail records; New Mexico/Indiana; 87R8179
social movement organizations, local chapter functioning; membership vs community organization support; case study; Mothers Against Drunk Driving (MADD); 87S1985

Drunkenness
alcohol consumption/intoxication, Scandinavian adults, negative drinking consequences; mail questionnaires; 87R2847
drinking/drunkenness portrayals, US detective stories; 87R4253
drunkeness definitions, behaviors/social judgements, France, 19th century; 87T0701
intoxication theme, Russian poetry; 87R4259
wife abuse incidents, husband's vs wife's responsibility, police officers' decisions; legal/extralegal factors; case profiles; 87R5204

Du Bois, William Edward Burghardt
socialist analysis, racist/class factors, W. E. B. Dubois's works; 87R1343
Zionist/black nationalist movements, W. E. B. Dubois's contributions; 87R5567

Dual Career Family
career advancement, female social workers, dual-career families; family lifestyle; questionnaires; 87R7737
dual career management/sex-role attitudes, political wives/their spouses; interviews; Massachusetts, Rhode Island; 87R9867
dual-earner families, husbands' vs wives' role-sharing attitudes/behaviors, questionnaire; 87R8410
dual-work lifestyle commitment, engaged couples; family variables, gender; questionnaires; scale developed; 87R1666
family income allocation, cross-class employed couples; tape-recorded interviews; England, Wales; 87R5970
family income distribution, US; female labor force participation; secondary data; 87R9852
family structure, joint Madhava Brahmin families, Bangalore, India; socioeconomic factors; 87R8421
family's social position, France; wife's socioprofessional class; census; 87R3741
household labor time allocation, dual-career couples vs dual-earner/single-earner households; interviews; 87T0447
job satisfaction, dual career couples; self-esteem, sense of competence; secondary data; 87R9920
job search problems, dual-career academic couples; 87R9906
living standards, dual-earner couples; patriarchal gender relations; 1968/1979 Panel Study of Income Dynamics; feminist research concerns; 87S1981
marital adjustment; husbands'/wives' occupational commitment, family environment's perceived supportiveness; questionnaires; dual-earner couples; 87R5659
marital satisfaction, dual-career couples; egalitarian decision making; questionnaires, tape-recorded role playing; 87R6459
marital satisfaction, dual-earner couples; time spent together, time diaries; 87T0469
marital satisfaction, mood, dual-worker vs single-worker couples; family/personal determinants; questionnaires; 87R4712
mental health, dual-earner couples; individual differences, work/nonwork factors, job/life satisfaction; questionnaires; 87R2692
occupational advancement, geographic mobility willingness, gender differences; 1977/78 Quality of Employment survey; 87R2154
provider role, two-job families, definitional/measurement issues; 87R4733
relocation impact, trailing spouse, dual-career families; interviews; 87S1935
role strain, coping styles, dual career couples; interviews; US; 87S1981
sex-role attitudes/family plans/role models, adolescents; dual- vs single-career family backgrounds; questionnaires; high school students, southwestern US; 87R1477
stress/role strain, dual career couples, coping responses; 87R8427
wife's achievement, dual-earner couples; husband's occupational attainment, wife's education; 87S1975
wives'/husbands' happiness, single-/dual-earner families; marital happiness, job satisfaction, life-cycle stage; national survey; 87R1654
work/marital/life satisfaction, single- vs dual-earner families, sex differences; national survey; 87R4763

Dual Economy
dual economy concept, formal/informal sectors dichotomy; 87R7443
earnings determination process, male industrial workers; age/demographic/employment characteristics; census/other data; 87S1983
gender segregation, blue-collar occupations, US; socioeconomic/political/demand-side factors; US Census Subject Reports; manufacturing industry; 87R4140
income attainment, core/periphery workers; dual economy- vs dual-labor market characteristics; 1972 Census of Manufacturers; 87R7433
income distribution inequality, US; official statistics; 87R8822
industrial diffusion/economic dualism, Prato, Tuscany, Italy; case study; 87T0876

Dualism
world civilization, worldview components, God's role/power; 87R6708

Due Process
due process rights, workers, organizational governance; legal/societal norms; personnel practice analysis; San Francisco Bay Area organizations, California; 87R1674

Durkheim, Emile
division of labor; population size; cross-national/historical data; 87R5458
Durkheim, Emile, Max Weber's awareness/reactions; 87R9107
Durkheim, Emile, positive science of ethics; article introduction; 87R9090
Durkheim, Emile, social development concept; 87R7005
Durkheim, Emile, theory of knowledge, cultural variability; 87R3342
gender differences, Emile Durkheim's theory; 87S1980
German influence, Emile Durkheim's thought; published letters; 87R9139
historical materialism, socialist Durkheimians' rejection, turn-of-the-century France; 87R5432
individualism, Emile Durkheim's conception; 87R9157
industrial transition, societal communality/solidarity; Karl Marx's/Ferdinand Tonnies's/Emile Durkheim's/Max Weber's views; 87R3400
labor process democratization/just social order, Emile Durkheim's vs Michael Buraway's theories; 87R9065
law, social aspects, R. von Ihering's views; 87R3289
liberal-rationalist Protestant theologians, Emile Durkheim's/Auguste Sabatier's critique; 87R6231
mutual referencing, Emile Durkheim's/Max Weber's works; 87R1329
positive science of ethics, Germany; 87R9140
public ritual/social density, Emile Durkheim's theory; questionnaire; nonindustrial community residents; 87S2003
reality construction, Emile Durkheim's vs modern/anomie theory; 87R1368
religious beliefs/groups/ritual/sociology, Emile Durkheim's vs Max Weber's views; biobibliographic survey; 87R1344
religious sociology, Emile Durkheim's intellectual development; 87R1350
social institutions, ancient Greece/Rome, Fustel de Coulanges's/Emile Durkheim's work; 87R7062
social mobility, Emile Durkheim's writings; 87R7054
social scientific morphology, comparative/evolutionary/developmental historical perspectives, Emile Durkheim's work; 87R3372
sociological theory, Karl Marx's/Emile Durkheim's/Max Weber's works, Hegelian influences; 87R5427
sociology conceptions, George Simmel vs Emile Durkheim; 87R7030
sociology of morals, Emile Durkheim's writings; 87R5419
sociology of religion, Emile Durkheim's work; 87R1303
suicide; family/socioeconomic variables; cross-national comparisons, published statistics; 87R5508
Theoretical Logic in Sociology by Jeffrey C. Alexander; review essay/reply; 87R9091

Dyads
bilingual code switching, Eng-/French-Canadian children's evaluative reactions; experiment; 87R4211
emotion communication, married couples, face-needs model; tape-recorded conversations, questionnaires; 87R6491
homophilous friendship, voluntary organizations; interviews; 87R9526
males' vs females' speech styles, dyad/group situations; gender salience; tape-recordings, ratings; university psychology students; 87R3408
marital roles/intimacy/power; cancer diagnosis/remission; interviews, written narratives, case study; 87R4754

maternal/infant behavior, US vs Japan; observation; mother-infant dyads; 87R4745
personal characteristic similarity, marijuana use; dyad characteristics; published data; adolescent friendships; 87R3460
self vs partner's perceived inferior ability, males vs females, same-sex dyads; strong vs weak expectations conditions; experiment; 87S1956
two-person cooperative games, economic vs social/political exchange, interaction model; 87R5502
victim precipitation, male vs female homicides; court records; 87S1964

East And West
academic research/publication, US vs Indian institutions; structural/psychological variables; 87R4540
conservatism assessment, multiethnic societies; Wilson Conservatism Scale; Western- vs Eastern-origin Israelis; 87R3194
criminality behavior causality/determination, socialist vs bourgeois criminology; 87R8676
ethnocentrism/colonialism, cross-cultural research, Eastern vs Western psychologists' attitudes; 87R3531
leftist political groups, Western/Eastern nations, interaction/contacts; post-World War II; 87R2000
order principle, freedom preservation, East/West; Dante Germino's *Political Philosophy and the Open Society*; 87R3403
reciprocity norms, Chinese vs Western societies; literature review; 87R5916
science history instruction, non-Western countries, cultural factors; 87T0235
Sinology, Chinese cultural analysis, Western civilization utility; 87R3371
sociology research, Western/socialist nations, Soviet perspective; round-table discussion; 87R7045

Eastern Europe
divorce rates/laws, socialist Eastern European countries; 87R8118
leftist political groups, Western/Eastern nations, interaction/contacts; post-World War II; 87R2000
musical taste, socialist youth, Eastern Europe; 87R8306
older women/politics, US, GB, Eastern Europe, Sweden; bibliography; 87T0744
organizational/revolutionary behavior, Jewish Bund; 1905/06; 87R1597
peace movement, Eastern Europe, church assistance/involvement; 87R2385
social mobility, social system openness, young industrial workers, socialist countries; survey; Bulgaria, Czechoslovakia, Hungary, Poland, USSR; 1978/79; 87R9824
soil fertility/crop yields, Eastern Europe/USSR; agrarian reform measures; 87R6043
students' professional orientation, educational impact effectiveness measurement method; secondary data; Eastern Europe; 87S2003
suicide rate consistency, Eastern European nations, 1875 vs 1975; 87T0319
urban development, housing inequalities/segregation, Eastern Europe; 87T0035

Eating And Drinking Establishments
drinking location selection, convicted drunken drivers; sociodemographic characteristics; questionnaires; Mississippi; 1982/83; 87T0713
job satisfaction/workplace culture, restaurant, Scotland; participant observation; 87R1702
labor process, US restaurant industry; observation, interviews, personal experience; 87S1967
patrons' response/natives/bonding, supper club fire, Cincinnati, Ohio; interview transcripts; 87S1964
pub use/social control, user characteristics, "rough" working-class neighborhood, GB; participant observation; 87R3491
tavern facilities/regulations, community attitudes, Hamilton suburbs, New Zealand; survey; adults; 87R3467
violent crime victimization risk; smoking/bar-going variables; General Social Surveys; 87R5056
work organization/labor process, fast food outlet, Toronto, Ontario; case study; 87R9451

Eating Disorders
alcohol abuse-eating disorders, females under age 40; interviews; 87R8563
anorexia/bulimia nervosa epidemiology, Eating Attitudes Test predictive value; 87R4985
appetite control patterns, European society, Middle Ages-20th century; 87R3613
eating disorders, anorexia/bulimia nervosa, classification/diagnostic criteria revision proposed; 87R4964

Ecology
Braudel, Fernand, ecological perspective; 87R7461
civilization development, ecological vs organic system models, control issues, Western civilization's unique status/challenges; 87R9536
deep ecology, ecological science perspective; 87R8860
ecological awareness, spiritualization of nature; content analysis, interviews, other data; 87T0910
ecological destruction/decline cycles, Latin American settlements, social context/processes; Trans-Amazon Highway, Brazil/Lago Agria, Ecuador/Tambopata Valley, Peru; 87R4149
ecological feminism vs other feminist frameworks, theoretical issues; 87R8889
"environment" concept, origins/definitions; literature review; 87R6757
environmental policy, ecological rationality concept; 87R8762
inmigration decline, post-1980 Texas; sustenance- vs nonsustenance-related economic activities; ecological expansion theory applied; 87S1994
Los Horcones cooperative community, Sonora, Mexico, behavioral technology; 87R6720
reform environmentalism vs deep ecology, eco-feminist critique; 87R8893
social systems, ecological aspects, general systems ecological model, indirect control; 87R5453
socialism, ecological issues; book review essay; 87T0903
society/environment relationship, Rajasthan, India, ecological anthropology's role; 87R5598
voting behavior, ecological concern; mediating variables; mail survey; California, Colorado; 87R5911
women/nature domination, ecofeminist concept; literature review; 87R3110

Econometric Analysis
crime rates; sanction levels, successive vs recursive determination; state-level data; 1968-1977; 87T0222
legal procedures, evaluation principles; 87R4448
mass media research, economic analysis; 87R5852
social security-fertility relationship, developed/less developed nations, econometric models; 87R8439

Economic Change
business/organizational trends, future-oriented bestsellers' predictions; US, Japan; 87R1767
childbirth spacing differentials; postwar GB; current/prospective employment factors; longitudinal survey, census data; women; 87R7330
clothing industry decline, France/GB/West Germany, policy strategies; 1960s; 87R5713
demographic changes, rural Brazil; labor proletarianization; 1980 census; 87S1987
demographic/economic structures, Vorau-Joglland region districts, post-WWII Austria; historical analysis; 87R8241
economic action, modes of rationality, Max Weber's/L. Karpik's theory; 87S1961
economic changes, 19th-century Europe/Japan vs India, macrosociological explanation; 87R2069
economic progress, adjustment rates, traditional- vs labor- vs profit-oriented farmers, Japan; 87R6049
economic stagnation, 1970s, US, class structure transformation; secondary data; 87R9856
employees' self-management, Poland, economic/political reforms; 87R1706
employment/income patterns, women, UK; 87T0994
homelessness, shelter system, New York City; economic restructuring/deindustrialization; interviews; male first-time shelter arrivals; 87R6061
industrial/information society transformation, US; 87R3013
new fiscal populism, proponents' social/political characteristics, US/France; survey; mayors; 87S1951
privatization trend, Soviet society; 87S1979
suburban socioeconomic change, US; life cycle/persistence/stratification variables; census data; 87R6913
welfare state crisis, Western Europe, Marxist/conservative/alternative views; 1950-1981; 87R9709
working class stratification, US; book review essay; 87R5625

educational inequality, Canada vs US; 20th century; 87R2364
educational inequality, post-WWII Yugoslavia; 87T0085
educational mobility, Czechoslovakia vs Slovak Soviet Socialist Republics; social origin, sex, birthplace; 87R2336

educational opportunity equality, policy, social vaLues' role, Western Europe; 87T0116
educational/vocational opportunities/achievements, young females vs males, West Germany; statistics; 87R4652
French educational system, elite formation/equal opportunity principles; historical overview; 87R4319
German educational system, historical development/role; 87R4352
gifted children, US/Quebec educational systems; 87R4648
higher education access, Australia; social class background; national surveys; 1900-1966 birth cohorts; 1984/85; 87T0099
learning opportunities, high school students, US; between-/within-school curriculum stratification; longitudinal survey; 87T0090
proletarianization education policies/political conflicts, USSR, 1920s; 87T0113
recruitment trends/military educational benefits, youth's opinions, labor market competition; 87R1748
secondary school assignment, parents' choice, France; questionnaire survey; 87R4271
social/economic inequality, intergenerational reproduction, US; 1975 Education for All Handicapped Children Act; research survey; 87R2299
two-year vs four-year college enrollment, gender differences, career outcome; government statistics, secondary data; US, Japan; 1960-1980; 87T0114

Educational Plans

children's educational aspirations/attainments; parents' modeling/defining influences; survey; 87T0526
education basics, socialist perspective; 87R8760
educational structure, Czechoslovakia, development model; statistics; 87R7942
educational/occupational ambitions, high school youth; significant others; questionnaire; 87T0424
educational/occupational aspirations, Australian adolescents, ethnic group differences; school/family environments; questionnaire; 87R6152
societal representation/ideology, school curriculum, Australia; 87R7972

Educational Policy

academic achievement, test score decline, high school seniors, US; demographic variables, education expansion; national longitudinal surveys; 87R4291
academic freedom violations, GB; internal/external/political/power factors; case studies; 87R7933
acquired immune deficiency syndrome, recent scientific findings; US Surgeon General's report; 87T0603
Coloured education, 1980 student boycott, Cape Peninsula, South Africa; case study, interviews; 87R8005
diploma mills, US, extent/activity; 87R8036
education financing policy, India, historical/recent development; 87R4339
educational administration/curriculum, revolutionary vs bureaucratic elite's modernization policy, People's Republic of China; 1957-1981; 87T0088
educational opportunity equality, policy, social vaLues' role, Western Europe; 87T0116
educational planning, Hungary; 87R7989
educational planning/expansion, less developed countries; social structural/planning problems; UNESCO data; 1950-1980; 87R2341
educational planning/policy, economists' role/perspective; 87T0105
educational policy, curriculum reform; psychological theory; Australia; 1930; 87R2337
educational reform policy/practice, post-Mao China; economic/ideological factors; documentary evidence; 87R9805
educational structure, Czechoslovakia, development model; statistics; 87R7942
German/Croatian minority schools, South Tyrol/Austrian Burgenland; comparative empirical study; 87R4336
girls' education, Queensland, Australia, New Right vs progressive policy; 87T0110
health/education policy, elite attitudes, US/GB/West Germany; questionnaires; 87S1967
higher education policies, market-oriented strategies, US/West German universities; 87R2343
interinstitutional coordination/policy planning sector, higher education, technobureaucrat's role; 87R4337
Japanese history textbooks, state-authorized changes, international controversy; case study; 87T0129
job outcomes, Australian students; early/late school leaving; literature review; 87R8025
language use/choice, school systems, Catalonia; linguistic policies; verbalization analysis; elementary school, Barcelona; 87R5124
literacy instruction, gypsy communities, Spain; 87R7966
minority education, policy issues; worldwide analysis; 87R2370
multiculturalism/racial equality issues, education curriculum politics, UK; 87T0095
potential academic dropouts, US high schools; standard-raising recommendations; 87R4323
progressive/radical schooling, anarchist/culturalist Marxist traditions; 87R8759
proletarianization education policies/political conflicts, USSR, 1920s; 87T0113
prosocial education, objectives/curriculum; 87R8013
public education financial outlays; desegregation; census data; school districts, southern states; 87R2363
reading textbook selection process, perceived influences; interview/other data; Indiana school districts; 87R2347
school dropout, academically marginal students; predictor variables; interviews; 87R6374
school effectiveness, socioeconomic status differentials; social context; classroom observations, interviews, surveys; California elementary schools; 87R6140
school management policy change, England/Wales, Taylor report; 87R4357
school suspension, racial discrimination, social effects; official records; southeastern US school district; 87R5076
scientific research/public policy; case studies; 87T0890
secondary education, Scotland, state's role/school effectiveness/class conflict; post 1889; 87R6155
secondary school expansion, class structural reproduction; central state policies/politics; 1881-1975; 87S1957
social attitudes/sex relations, Yugoslav youth; government policy; questionnaire; 87R8901
social/economic inequality, intergenerational reproduction, US; 1975 Education for All Handicapped Children Act; research survey; 87R2299
students' occupational/educational aspirations, Third World countries; census/statistical/questionnaire data; secondary students, Barbados; 87R8317
substance abuse prevention program, middle-school children, curriculum evaluation; 87R8602
technical education, GB, National Advisory Council on Education in Industry & Commerce; 87R4322
textbook adoption processes, historical developments, reform recommendations; 87R2362
textbook selection process, National Council for the Social Studies policy; content analysis; official/leaders' statements, journal articles; 87R2312
textbook selection process, US/California, procedures/issues; 87R2329
The Politics of Education by Paulo Freire; review essay; 87R8003
Yugoslavian education, official concept vs alternate functions; 87T0112

Educational Programs

4-H volunteer training, needs assessment methodology; questionnaires; 4-H leaders, Pennsylvania; 87R7813
academic achievement, open admissions vs high/low achieving students, City University of New York; summer school utilization; 87R4342
academic performance, Orange County, California; Student Assistance Project; school records; 1975-1977; 87R6122
academic quality, human sciences students, university preparatory colleges, Quebec; statistics; 87R7990
academic success, scholarship athletes; early admission programs; 87R5879
acquired immune deficiency syndrome, recent scientific findings; US Surgeon General's report; 87T0603
acquired immune deficiency syndrome, risk reduction education; content analysis; safe sex brochures; 87T0628
adjustment/attitudes/values, Youth Aliyah Group graduates; kibbutz education; 87R4270
adolescent pregnancy-prevention programs, evaluation model; surveys; students; 87R4799
agricultural innovation, Guatemalan peasant farm families; literacy skills; panel study; 87R4307
antisexist curriculum development, Girls & Occupational Choice Project, London, England; 87R4281
baccalaureate programs, curriculum quality; 87R7993
behavioral/vocational vs liberal education, political/ideological context; 87T0115
bilingual program/school effectiveness relationship; case study; elementary school, Chula Vista, California; 87T0082
biological/cultural/technological co-evolution, didactic-pedagogic experiment, Italy; 87R8004

Center for Volunteer Development, Virginia Polytechnic Institute & State University, program goals/evaluation; 87R7405
children's cognitive/socioemotional development; Head Start program participation; secondary data; 87S1971
Coloured education, 1980 student boycott, Cape Peninsula, South Africa; case study, interviews; 87R8005
computers' academic applications, students' views; interviews; New York City; 87R4269
correctional institutions, academic/vocational education programs, California; institutional security/crowding/finances; descriptive/official data; 1980-1985; 87R4505
cross-cultural orientation/training programs; 87R7928
deaf as cultural/linguistic minority, educational approaches; 87R1580
decision-making skills, prison inmates; training program participation; experiment; correctional facilities, Massachusetts; 87R4506
Dewey, John, experimentalist philosophy, Lester F. Ward's influence; 87R8037
differentiation vs integration, graduate education; departmental academic characteristics/size; questionnaires; chairpersons; 87R7999
driver behavior, juvenile traffic offenders; Driver Improvement Educational programs, Mann Inventory Survey; Juvenile Traffic Court, Fresno, California; 87R2941
educable mentally retarded students, demographic/sociobehavioral characteristics; questionnaires; special services public school teachers; 87R2345
educational extension programs, local government involvement/needs; 87R7815
educational organization development, state prison inmates; enacted social movement; 87R1849
educational processes, organizational culture; 87R3777
ego identity status, ethnic identity development, Puerto Rican female adolescents; Hispanic educational enrichment program; Objective Measure of Ego Identity Status; 87R1545
family structure/functioning, technological societies; family life education; interviews, personal observations; Denmark, Austria, Germany, Sweden, US; 87R2340
family violence classes, at-risk populations, teaching problems; 87S1932
feminist single-sex education, quality/sexism; case study; Ladies School, Perth, Western Australia; 87R3102
foreign-language instruction, US, improvements planning; 87T0046
French immersion program enrollments, kindergarten/first grade students, Canada; parental perceptions; interviews; parents; 87R4273
German minority schools, Denmark, pedagogical problems/symbolic values; 87R4345
gifted education, social stratification legitimation; 87R7986
graduate sociology departments, program similarities/problems, US; survey; 87R6946
health promotion education, Japan, 1950s-1980s; 87T0595
health/disease, multidisciplinary perspective; 9-textbook review essay; 87R2759
high blood pressure prevention, intervention program, social-psychological models; questionnaire; employee participants; 87S1988
higher education/career adjustment, democratic school graduates; questionnaires, interviews; graduates, Sudbury Valley School, Framingham, Massachusetts; 87R4306
industrial structure/relations, management training, UK; 3-book review essay; 87R9506
information use; evaluative users' locus of control; experimental studies; education students/teachers/parents/school board members; 87T0119
judicial sex bias, education programs; case study; New Jersey task force; 87R8147
law, cultural relevance/influence, US; 87R8128
learning styles, Pueblo adults/children; cultural environment; interviews; schools, Arizona/New Mexico; 87R7126
marital problems, creative conflict handling; experiment; university students, South Africa; 87R8388
medical careers, nonwhite minority underrepresentation; junior/senior high school personal/academic preparatory programs; community case study; Milwaukee, Wisconsin, 1973; 87R2775
medical school application/persistence, female vs male premedical students, academic performance; transcripts; 87R6545
peace studies/nuclear awareness activities controversy; case study; secondary schools, New South Wales, Australia; 87T0124

primary health care, community health, medical school education program, Udayana University, Bali, Indonesia; 87T0580
prison education, inmates' participation/attitudes; interviews; prison inmates aged 19-25, Bordentown, New Jersey; 87R2482
rural elementary education, Inodonesia, Small Schools Project; 87R4284
science-technology-society education, effective programs; 87R1281
science-technology-society education, social responsibility goal; 87R1274
science/engineering/public policy, graduate educational programs, US; 87R8039
science/science education, US public support; questionnaire; citizen's groups; 1975-1985; 87R9637
secondary school-university cooperation, data collection/feedback methodology; survey; students, secondary schools, San Francisco, Stanford University; 87R5762
Semester at Sea program, long-term effects; mailed questionnaires/telephone interviews, 5-year follow-up; 87R4289
sex discrimination, pharmacy schools, US, salary/academic rank differences; statistics; 1981/82; 87R7949
sociologists' employment opportunities, business schools; 87R5060
special education, social-structural control characteristics; US vs GB; comments/reply; 87R6125
student achievement, prison classroom; teacher expectations; participant observation; 87R2465
student achievement; teacher expectations; observation; physical education setting; 87R4335
Technical & Vocational Education Initiative program recruitment, GB, form teachers' role; 87R4340
The Politics of Education by Paulo Freire; review essay; 87R8003
transition stress reduction, junior high school entrance; skills building training curriculum; experiment; US; 87R4344
treatment/counseling problem drinkers, family member involvement; 87R2867
visual anthropology courses, West German institutions; 87R8944
wife abuse film, parochial school males' justifiability ratings; demographic variables; experiment; 87R6783
Woodland School Art, media responses/treatment; 87R4243
working life quality/job satisfaction, petrochemical/blue-collar workers, Ontario; enrichment programs; questionnaire; 87R5669
youth aesthetic education, USSR; questionnaire survey; adults, teenagers; 87R8387
youth problems, Europe, educational implications; 87R4666
youth socialization/attitude system formation/modern societies; 87R4665
youth unemployment, GB; government intervention; participant observation, interviews; post-high school youth, parents, siblings; 87R5663

Educational Reform

black teenage pregnancy, Washington, DC; interviews; 87R8322
curriculum revision projects, women's studies; 87R7931
differentiated schooling, historical/political/economic context; 87R8010
education reform, commission recommendations, teacher supply issue; content analysis; 87S1936
education/illiteracy, Mexico; 87R2319
educational attainment process; educational reforms; secondary school students, Netherlands; 87R6132
educational crisis, excellence movement's emergence, US, functional/Marxist/status conflict approaches; 87R6146
educational policy, curriculum reform; psychological theory; Australia; 1930; 87R2337
educational reform, historical contexts, Argentina; 1895-1947; 87R9819
educational reform, pre- vs post-Brezhnev regime, USSR; quantitative data; June 1983-present; 87T0138
educational reforms, Ralph H. Turner's analysis tested; interviews, documents; educational reformers, England; 87R6165
educational standards/reform, US, microcomputer's role; 87R2321
information science, educational reform, didactic theory/instructional techniques; 87T0123
labor structure change, pre-/postrevolutionary Mexico; educational expansion, state actions; 1900-1940; 87S1957
playground redevelopment, children's activity effects, elementary school, Netherlands; observation, interviews; 87R5166
pupils' study/school commitment, traditional vs innovative schools; longitudinal data; secondary school students, Belgium; 1979-1984; 87R4279
school expansion, national development consequences, institutional vs human capital model; case study; Mexico; 1888-1940; 87R2314
school management policy change, England/Wales, Taylor report; 87R4357
school reform, parents' vs private industry's vs educators' control, Jackson County, Kentucky; case study; 1899-1986; 87R7960

school system reform, Japan, creativity/ethics as goals; 87R8000
school/education attitudes, reform supporters vs opponents, Federal Republic of Germany; surveys; 87R6163
schooling/equality issues, democratic capitalist state; 87R7947
teacher-initiated curriculum innovation, change perspectives/coping strategies; case study; physical education department; 87R8035
youth education problems, USSR; technological innovations; 87T0107
youth problems, Europe, educational implications; 87R4666

Educational Research

education methods/environment, black Africa; personal experience; 87R1205
education research, ethnographic/quantitative methodological integration; 87R3163
education research, race/social class/gender issues, integrative analysis; 87R7976
education research, teaching practices; book review essay; 87R7994
educational research, differential psychology vs educational process emphasis, Sweden; 87R7955
educational research, ground theory approach/methodology; 87R1189
educational research, politically aware critical model; 87R2316
educational research, qualitative approaches; literature review; 87R6876
educational research, scientific praxis concept; 87R5334
educational theory, relative autonomy concept; 87R7968
ethnology of education, US/France; 4-book review essay; 87R7983
ideology concept, Marxist education studies; literature review; 87R3137
information science, educational reform, didactic theory/instructional techniques; 87T0123
school effects model, contextual/structural variables, estimation approaches; 87R3253

Educational Systems

academic achievement, test score decline, high school seniors, US; demographic variables, education expansion; national longitudinal surveys; 87R4291
academic achievement; school system choice; secondary school students, Queensland, Australia; 1980, 1982; 87R2304
achievement test/school marks, sex differences; longitudinal research project; 87R2310
African students, marginalization process, interwar French West Africa; content analysis; school texts; 87R7987
antisexist/antiracist schooling, GB; 87R2298
Belgian schools, quality decline; educational democratization; 87R4287
bureaucratic structure, Secretariat of Public Education, Mexico; deconcentration-decentralization administrative reform; secondary data; 1980-1983; 87R4348
capitalist society/welfare state, education's role, Reagan administration's policies; 87R2358
Eating Attitudes Test responses; social class; questionnaire; state vs private schoolgirls, England; 87R4958
education plans, high school students, Japan vs US; questionnaires; public junior high schools, Tokyo; 87T0101
education, tracking, social class reproduction theory tested; National Longitudinal Surveys of the High School Class of 1972; 87R4042
education/literacy crisis, US, Paulo Freire's views; 87R4278
educational attainment, Netherlands; school structural/situational characteristics; 87R6131
educational development, Liberia; international development funding, interagency conflicts; 1972-1985; 87S1973
educational expansion, Jordan; demographic/social/economic factors; 1950-1980; 87R4331
educational expenditure, school districts, Kentucky; intra- vs intercommunity income inequality; 87S1991
educational institutions, Israeli kibbutzim federation, social control mechanisms; 87R4338
educational justice/equality, Poland; 87R4274
educational system, US, radical scholarship's influence; book review essay; 87R2302
educational system/higher education, Japan; official statistics; 87R2309
educational systems, German Democratic Republic vs USSR, convergence thesis rejected; 87S1998
educational systems, Iran/People's Republic of China; sociopolitical factors; 87T0141
educational trends/controversies, social class analysis, progressive technique criticized; 87R2354
environmental education, Australia, societal power/control issues; 87R7997
female mobility, educational administration careers; organizational socialization processes; ethnographic interview study; 87R5248

post-hospitalization elderly patients, Homeward Bound program, evaluation methodology; case records; Mercy Hospital, Urbana, Illinois; 87T0588
primary group task performance; neighborhood age homogeneity; interviews; elderly, New York, Florida; 87R6633
primary/secondary friendship orientations, older women; interviews, observations; Oak Park, Illinois; 87R2873
psychiatric disorders/cognitive impairment, noninstitutionalized elderly; Diagnostic Interview Schedule, Mini-Mental Status Exam; Yale University Epidemiologic Catchment Area, Connecticut; 87R2840
psychiatric patients, Denmark, cohort characteristics; admissions data; 87R2820

psychological health/stress, elderly single-room hotel residents; social networks; interviews; Manhattan, New York City, New York; 87R1787
psychological symptoms, elderly; life-event stress; interviews; Kentucky; 87T0661
psychological well-being older women; environmental variables; interviews; 87T0734
relationship satisfaction, elderly mothers-adult children; interaction quality/affection; interviews; 87T0473
relocation, institutionalized elderly's perceptions; patient participation; interviews; Kane Hospital; 87R6574
residential distribution/segregation, Canadian cities; age, sex; censuses; 87T0010
retirement attitudes, gender differences, older workers; sex-role identity, work attitudes; 87R4994
self conceptions/perceptions, elderly aged 80+; interviews; 87R8623
self-concept/morale, elderly nursing home vs community residents; auditory impairment; interviews; 87R7100
self-image, institutionalized elderly; illness career descent; 87S1930
self-reported health measures, older male workers; symtom/condition/activity limitations; national longitudinal surveys; 87R6550
senior center participation/service use, urban-rural/gender differences; survey; Minnesota; 87R8621
senior center utilization, elderly; race/sex/socioeconomic factors; interviews; 87R5013
senior citizen club, structure/function, Southern European rural setting; 87R6621
service awareness, "in-home" vs "aging network" programs, elderly; age/education/health status variables; interviews; small urban communities; 87R5005
service delivery/mortality rates, institutionalized elderly; formal vs informal support systems; survey; 87R8630
sexual function/activity, elderly; 87R8334
sexuality decline with age, myths/changing social mores; longitudinal data reanalysis; 87R5022
shuffleboard social system, seniors; participant observation, interviews; Ohio/Florida; 87R2903
sick-role socialization, conformity/improvisation, chronically impaired older people; interviews; 87T0770
social anchorage/self-concept; spousal death; questionnaire; older surviving spouses; longitudinal study; 87R9228
social care policy, elderly's needs/preferences; interviews; 1983; Queensland, Australia; 87T0731
social integration, elderly, Third World societies; 87T0774
social integration/isolation, adjustment processes, elderly; life histories, interviews; Geneva/Valais region, Switzerland; 87R2880
social isolation, frail elderly, Tokyo, Japan; index; 87R6620
social network integration, elderly; rural vs urban residence; questionnaires; Washington; 87R8629
social security expansion, developed/developing nations, competing theories assessed; national statistics; 1965-1975; 87R6914
social security, "Japanese-type welfare society" concept, population aging; 87R3824
social situation, elderly, less-developed countries; demographic change; 5-book review essay; 87T0782
social status/life circumstances, rural elderly; occupational/ecological/sociocultural factors; literature review; 87S1992
social support research problems, cultural factors; literature review; 87R9331
social support, elderly, multidimensional factor structure; interviews; family practice center, Pitt County, North Carolina; 87T0772
social welfare needs, elderly, age-based targeting; 87R2893
sociopolitical participation decline, post-middle age, US; Detroit Area Study; Michigan; 87S1945
stress, male vs female elders; relationships; questionnaire interviews; 87R2879
stress/coping/life perceptions, elderly, gender/cohort differences; longitudinal interview/questionnaire data, 1955-1980; 87R5020
suicide rates/trends, elderly, US; death certificates; 87R4802
suicide/homicide/accident mortality, aged population, Finland; official statistics; 87R4924
support system quality/charactistics, elderly, southern California; interviews; 87T0754
total medication use, elderly, doctor-patient communication strategy; 87S1941
well-being, widows vs widowers; support network/other variables; interviews; Winnipeg, Manitoba; 87R8639
widows'/widowers' life styles, urban US; survey; Chicago, Illinois; 87R2887
work-related stress/staff-client interaction, day health care vs social day care programs, Alzheimer patients; participant observation interviews; 87S1940
work/public transportation disability, American Indians/blacks/whites; socioeconomic factors; US Census; 87S1968
workforce participation, older Australians, political issues; 87R1703

Elections
budgetary behavior, local governments, Italy; local/national electoral cycle; time-series data; 87R1984
candidate electoral success, voter expectation biases; interviews; US presidential election voters; 1980; 87R2061
congressional election outcomes; presidential vs party-related forces; election records; 1938-1978; 87R4005
democratic electioneering, television-based modes, US; 87R7626
electability, female political candidates; physical attractiveness; experiment; 87R5530
elective representation, Latinos/blacks/Jews, Los Angeles County, California; 87R5913
electoral behavior, Australia/New Zealand; electoral system differences; survey/aggregate data; 1960-1984; 87R3958
electoral principles/patterns/reforms, Uruguay, democratic transition; 87R2044
electoral trends, US; 87R7624
France's 1695 poll tax, social classification/exclusion characteristics; 87R7684
interindustry political consensus; economic leverage, interlocking directorates; 1980 Congressional election contributions data; 87R1773
overvoting malpractice, Jamaica; national election statistics; 1976, 1980; 87R7598
political attitude organization, cluster analysis; American National Election Study; whites/blacks; 1980; 87R3862
political behavior; social networks, neighborhoods; National Election studies; September/November 1980; 87R1999
political party identification/realignment, 1984 elections, US; 87R7662
political science theory/political power structures, electoral processes study; historical analysis; 87R9734
political strategies, intercorporate unity/communication; campaign contributions data; 87R5904
pre-election poll accuracy; structural variables; public opinion polls; 1981/1984 election campaigns, Israel; 87R1882
presidential/senatorial elections, 1980, US; evangelical Christian political activity; 87R5909
US Congressional elections, 1980, corporations' role; 87R3954
volatile partisan attachments, "moderate" voters, Germany's Weimar Republic; 87R5900
Who Voted for Hitler? by Richard Hamilton; review essay; 87R7619

Electricity
electrical utility regulation, class-state relationship issues; case studies; 87S1971

Electronic Technology
academic libraries, electronic technology uses/demands; 87S1930
analog-to-digital microcomputers applications, social science research; 87R9009
blue-collar work experience/organization, advanced technology's impact, methodological/theoretical issues; 87R8221
computer research, US vs Japan; 87R8743
computer technology, managerial/professional/technical work, rationalization mechanisms; 87R7776
consumption trends, lifestyle framework; 87R9584
data analysis/computation, social sciences, computer innovations; late 19th century-present; 87R6894
electronic mail communication, *Fortune* 500 company; social context cues; field data; 87R7520
electronic mail, discourse meaningfulness/continuity difficulties; 87R7889
electronics, social/cultural change implications; 87R7262
Fordism characteristics; control problems/new technology; 87R9457
gender/sex/power relations, 21st century; women's economic situation; 87R6803
industrial rationalization, computer technology strategy; 87R1756
information technology, development trends/social impacts; Marxist analysis; 87R6880
information technology, social implications, Italian universities' curricula; 87R7504
information/communication issues; 87T0279
market-research industry, computer expert-nonexpert relationships; participant observation; 87S1931
microelectronic communications technology, home-work utilization costs/advantages; literature review; 87R7282
microelectronic information technologies, instrumental-functional rationality; 87R7067

organizational structures, advanced industrial societies; microelectronic technology; 87R7370
postindustrial-information society transformation, advanced societies; literature review; 87R8216
skill level, blue-collar manufacturing workers; microelectronic-based technology; cross-national data; 87S1944
sociotechnical systems projects, applicability/longevity; case study; computer operations department; 87R7388
technological innovation, sociology of technology perspective, GB/France/Western societies; 3-book review essay; 87R8215
work indeterminary, engineers'/workers' mental models, semiconductor industry; ethnographic study; 87S1961

Elementary Education
beginning school reading books, child as character/reader; textual analysis; 87R7935
belief convergence, US elementary schoolteachers; local environmental factors; interviews; 87R6135
cultural values, 2nd-grade reading textbooks, Near Eastern nations; content analysis; 87T0144
drop-out/repetition rates, primary school students, India; survey; 87R4288
elementary/secondary school growth, cross-national analysis; UNESCO statistics; 87R6170
lexical expansion, Maghrib (Morocco, Algeria, Tunisia) elementary school textbook vocabulary source; 87R6080
playground redevelopment, children's activity effects, elementary school, Netherlands; observation, interviews; 87R5166
sport socialization, gender differences, elementary schoolchildren, São Paulo, Brazil; family/peer/teacher influences; questionnaire; 87R9685
teachers' treatment of pupils, infant classroom; pupil's gender/behavior; video recordings; 87R6134

Elementary School Students
ability-achievement relationship, elementary schoolchildren, Taipei, Taiwan; longitudinal panel study; 87R3422
academic achievement, Dutch elementary school children; environmental factors; book review essay; 87R4317
academic achievement/self-concept, elementary school students; home environment variables; Wisconsin; 87R3452
academic aptitude/achievement, 4th-grade children; marital disruption; tests, ratings; longitudinal analysis; 87R4314
children's sex-role differences; teachers'/parents' behavior; observation, "infant" school children; GB; 87R4315
cognitive predictions, conserver/nonconserver pairs; social interaction; experiment; kindergartners; 87R8299
drop-out/repetition rates, primary school students, India; survey; 87R4288
educational achievement, US schoolchildren, teacher's perceptions; temperament/behavioral style; national surveys; 87R7934
educational attainment, black vs white children; social disadvantage; London, GB; 87R8018
French immersion program enrollments, kindergarten/first grade students, Canada; parental perceptions; interviews; parents; 87R4273
interethnic relations, elementary school-age children; cooperative group peer tutoring; observation, sociometric indices; 87R6166
intergroup relations/educational achievement, black/white/Asian/Hispanic elementary schoolchildren; school desegregation; field observation; 87R6127
learning to read, racial differences; school/classroom organization; first graders; 87R1547
multiparty disputes, negotiated collaboration; experiment; elementary schoolchildren; 87R1510
nuclear holocaust, television portrayal, children's reactions; interviews; second-/sixth-graders, Charlotte, North Carolina; 87R5831
popular culture heroic figures, symbolic operations, third grade boys; visual media; interviews; Pacific Northwest; 87R1944
rural elementary education, Inodonesia, Small Schools Project; 87R4284
school adjustment problems, male vs female elementary schoolchildren; gender-role stereotypes; tests, teacher assessments; Boulder/Denver, Colorado; 87R6820
school performance, elementary school children; family environment, out-of-school time use; 1976 National Survey of Children; 87R2294
self-selected sex segregation, elementary school students; teacher training program; questionnaires, classroom observations; 87R6150
social relations, gender arrangements, elementary schoolchildren; contrastive vs ethnographic methods; 87S1983
social selection, school system, France; survey; 1962, 1972; 87T0142
student achievement; instructional/institutional stratification; observation; 1st-grade classrooms, Chicago, Illinois; 87R4301
transition stress reduction, junior high school entrance; skills building training curriculum; experiment; US; 87R4344

Elementary Schools
emotional socialization processes, disturbed children, therapeutic school staff members' explanations; participant observation; 87S1975

Elias, Norbert
The Civilizing Process by Norbert Elias; review essay; 87R3323
collective movements, informalization/formalization processes; Netherlands; 87R1623
death/solitude/individualism, Norbert Elias's views; 2-book review essay; 87R5412
embarrassment, Erving Goffman's/Norbert Elias's accounts compared; 87R5428
masculine identity, sports, historical development; case study; rugby; Norbert Elias's approach; 87R1949
social processual structures, Norbert Elias's concepts/theories; 87R1354
social reality, Norbert Elias's figuration concept; 87R1372
society/culture dichotomy, German sociology; 87R3321
society's evolution, Europe, theoretical approaches; 87R3365

Elites
"brain death" concept, cultural definers'/elite's biographical/demographic/organizational characteristics; survey/interview/other data; 87R7702
career/family compatability, eminent men/women; *Who's Who in America* data; 87R2137
celebrities/social elites, stratification/differentiation; content analysis; newspaper gossip column, West Germany; 87R1519
collegiate female golfers, sociodemographic profile; questionniares; National Collegiate Athletic Association/1983 Women's Golf Championship participants; 87R5878
democratization process, Greece/Spain/Portugal, elites' role/electoral system; mid-1970s; 87S1966
differentiation process, university system, West Germany/France/US/Japan; secondary studies, statistics; 87R4358
elite composition, India, caste vs class stratification; 87R4057
elite interlocks, corporate/state sectors, Canada; 87R5960
elite social-structural transformation, Norfolk County, England; abstract religious rhetorics/social network equivalence; 1540-1640; 87R2987
elite status, US/Australia/GB; sectoral location of wealth; published biographical profiles; 87S1949
elite-based women's movement, US, 1945-1960; case study; 87S1934
elite-masses relationship, US/West Germany; 87S1959
exploitation, "big-men," Highlands New Guinea social systems; Mount Hagen, Papua New Guinea; 87R3658
French educational system, elite formation/equal opportunity principles; historical overview; 87R4319
health/education policy, elite attitudes, US/GB/West Germany; questionnaires; 87S1967
higher-status occupational groups, government resource allocation, Thailand; 87R4075
industrial capitalists, Korea, social origins; biographical/other data; 87S1982
interlocking directorates, Trinidad & Tobago; annual reports; 87R7639
leadership training/self-government, Papua New Guinea, Kwato Mission's influence; 1890-1986; 87R1642
philantropic foundations, development/growth, 20th-century US; 87R9831
political elites, eighteenth-century Scottish/British society; 2-book review essay; 87R9816
public opinion-foreign policy relationship, J. N. Rosenau's/J. Galtung's classic studies reviewed; 87R5814
railroad workers union, Argentina, elite formation; 87R3698
religious elites, New Class membership; 87S1951
religious orientation/personality traits, functional-dispositional model; case studies; Revolutionary American aristocrats John Hancock/Robert Carter; 87R2388
religious-knowledge workers, modern industrial societies, political influence; 87T0159
role structures, blockmodel vs homomorphism definitions, 2-community demonstration; comment/reply/rejoinder; 87R4190
social differentiation/stratification, leadership system, Simbu, Papua New Guinea; interview survey; 87R7674
urban renewal, Philadelphia, Pennsylvania, business elites' influence; city/civic organization records; 87R6718
women's position, US organizational power structure, ruling class domination; survey, interviews, archival data; female corporate directors; 87R5961

working class unemployment, elite's recognition/opinion; *New York Times Index*; 1890-1940; 87R2096

Elitism

book world's elitism, cultural/educational consequences, US; 87T0072
elite/intellectuals network, Dutch Catholic Church; 1946-1975; 87R4061
equity/excellence problems, higher education, Quebec's response; 87R7937
general/professional education colleges, Quebec program results; 87R7946
gifted education, social stratification legitimation; 87R7986
militarism's role, Latin American political systems; 87R3984

Embarrassment

embarrassment phenomenon, dramaturgic perspective; 87R9247
embarrassment, Erving Goffman's/Norbert Elias's accounts compared; 87R5428

Emergencies

antiterrorist regulations, Italy, texts/applications; 87R5208
emergency evaluation times, nuclear disasters, computer model developed; case study; Public Service Company, Oklahoma; 87R8785
emergency planning/response, interorganizational relations/behavior; interviews; nuclear plant; 87R3054
police calls, professional dominance thesis, linguistic strategies; case studies, published material; 87R1500
power failure, Sweden, December 1983; 87R1926
role conflict, crisis situations, emergency responders' perceptions; interviews, surveys, case study; North/South Carolina tornadoes, 1984; 87R8783
transportation disruption, post-1985 earthquakes, Mexico City; 87R7850

Emergency Medical Services

acute coronary artery disease, medical evaluation incidence/duration; case study; 87S1929
acute poisonings, telephone hotline intervention, task-specific problems; field research, transcriptions; 87R6539
battered women, medical responses; participant observation; urban hospital emergency departments; 87T0605
citizen calls to emergency services, conversation organization; 87R9253
disaster aid, developing countries, mental health service delivery, primary care workers' role; case study; earthquake victims, Arnero, Colombia; 87T0922
myocardial infarction episodes, individual's care-seeking behavior; family; interviews; 87R8456
psychiatric emergencies, indigent persons, hospitalization evaluation decisions; participant observation; city-county hospital emergency room; 87R8554
rational behavior, hospital emergency room staff; environmental uncertainty; observations; 87R4878
staff-patient interaction, intensive care units; technologically intensive medical intervention, staff attitudes; conversation analysis, field research; West German hospital; 1980-1983; 87R4873
toxicological mass disaster, hospital deployment scheme; 87T0915
treatment/nontreatment decisions, critical care settings, ethical/implementation issues; 87T0640

Emigration

Berber (Algerian) identity maintenance, Kabyle immigrants, France; 87R3507
emigration trends, Egypt, state legitimacy/economic crisis; 87R4582
emigration/immigration research, France; 87R4617
national identity maintenance/historical representations, Portuguese/French emigrants; questionnaire, observation; 87R4616
population growth, countries of emigration; US immigration; official statistics; 1983; 87T0353
Puerto Rican communities/emigration, US, Rita Ben Mayor's research/oral history methodology; interview; 87R5559
self-images, Italian emigrants; photographs, films; 87R5305
social scientists' migration, ideology vs pragmatism, Nazi Germany/Austria; 87R9888

Emotionally Disturbed

child behavioral assessment/treatment decisions, school psychologists/pediatricians; "hyperactivity" labeling; mail survey questionnaire; 87R3486
child welfare system, Israel, residential placement emphasis; 87R4669
emotional socialization processes, disturbed children, therapeutic school staff members' explanations; participant observation; 87S1975
psychiatric disfunctioning/behavior problems, Dutch children; interviews; 87R4950
special education students, handicap characteristics; school records; 87R4290
therapeutic communities, operational styles, GB; participant observation; Ashley/Beeches halfway houses; 87R6580
therapeutic communities, practice models, redefinitional processes; case studies; adolescent communities; 87R6581

Emotions

attitudes/attitude change, cognition's role; literature review; 1983-1986; 87R9202
consumer behavior; mood states; literature review; 87R5775
delinquency risks, adolescent runaways; stress, mood intensity; questionnaires; shelter facility residents, four-state area; 87R2945
desire vs reason, critical theory versions; 87T0899
emotion communication, married couples, face-needs model; tape-recorded conversations, questionnaires; 87R6491
emotion lexicons/taxonomies, cross-cultural differences; 87R8528
emotional ambivalence, modern society, conceptual issues; 87S1986
emotional behavior/experiences, social interaction, cross-national differences; questionnaire; 87R1480
emotional experiences, close heterosexual relationships; perceived inequity; questionnaires; college students; 87R3463
emotional experiences/reactions; cultural factors; questionnaire; cross-national comparison; 87R7173
emotional need expression, disabled, societal impediments; 87R4952
emotions, articulation/signification, rule-governed conduct; 87S1974
emotions/anger, childrearing standards, 20th-century US; case study; 87R9250
fear/anxiety/emotions, implicit self-theories; six studies reviewed; 87R3430
human emotions, cultural/ideational contexts; 87S1971
human emotions, culture-independent semantic metalanguage; 87R3175
inappropriate/deviant emotionality, mental illness labeling; questionnaire; university students; 87R6596
love/intimacy, Niklas Luhmann's work; book review essay; 87R3344
marital arguments, conflict escalation, emotional dynamics; case study; 87S1976
mental illness, labeled/labelers interpersonal relationship, social/emotional aspects; 87S1976
normal vs binge eating patterns, bulimic patients; food diaries; Canada; 87R4956
organizational loyalty, social construction, sociology of emotions model; participant observation; college athletics; 87S1945
political conflicts, cultural milieus, Sweden/West Germany; 87R4002
psychotherapy training program, theory/research/practice linkages; 87S1978
sex-role orientations/attitudes/behaviors, college students; perceived parental characteristics; questionnaire; 87T0534
social life feeling, questionnaire responses; direction-of-wording; interview data; adults, US; 87R5337
social norm creation/maintenance, emotions' role; 87R1436
sociology of emotions, Georg Simmel's work; 87R6999
sociology of emotions, social relations/structural vs symbolic interactionist vs social reality perspectives; literature review; 87R5511
Southcottian/Shabbatean messianic movements, R. C. Abelson's structural theroy of emotions; 87R1854
systematic sociological introspection, methodological utility; 87S1954
torture, victim humiliation; 87R9246

Empathy

empathy, criminals vs noncriminals; self-report survey; high school students; 87R6651

Empires

Ottoman Turks, modernization reforms, French positivism's influence; 87R6970
social conflict, Ottoman rule period, Cyprus, religious/ethnic factors; historical/other data; 87R1584

Empirical Methods

class consciousness, dialectical concept, empirical investigation method; 87R6685
empirical research, qualitative methodology, life histories; personal experience; 87R1226
experimental social psychology, operationalism persistence; 87R6858
leading mathematicians' thought, paradigm change, France, 1790s; 87T0237
Malthus, Thomas R., population theory, scientific credibility disputed; 87R8708
Marx, Karl, social theory, empirical basis; 87T1041
scientific change theory, testing methodology; 87T0246
simultaneous equations methods, family research; comment/reply; 87R6462

work organization, Yugoslav economic enterprise; 87R5679

Empiricism

critical theory/empiricism, social science; 2-book review essay; 87R1190

theory of knowledge, empiricist vs Hegelian definitions, Karl Marx's/Jean Piaget's approach; 87R5315

Employers

gender segregation, education/employment opportunities, Japanese women; human capital development system, parents'/employers' attitudes/resources; surveys; 1984; 87R5240

youth employment, employers' attitudes/behaviors/characteristics; interviews, questionnaires; 87R5640

Employers Associations

chambers of commerce, Italy, labor market initiatives; case study; Emilia-Romagna region; 87R9445

Employment

breastfeeding behaviors, urban women, Tunisia; socioeconomic/work status, counseling; survey, interview; 87R4876

employment patterns, urban poor, Coimbatore, India; household surveys, observation; 87R5647

employment status/perception of work, Caribbean women; survey; 87R9435

employment, welfare mothers, Nevada; socioeconomic/cultural factors; interview questionnaire; 87R5622

employment/social welfare issues, US public opinion; published/unpublished data; 1956-1986; 87R9633

family composition, welfare population; marriage formation/dissolution patterns; public assistance records; Wisconsin; 87R8398

full employment/income, constitutional amendment, democratic socialist strategy, US; comment/reply; 87R5639

gender segregation, education/employment opportunities, Japanese women; human capital development system, parents'/employers' attitudes/resources; surveys; 1984; 87R5240

handicapped employment, 1984 Austrian law; 87R3747

labor force participation, Southeast Asian refugees, US; individual/household characteristics, sponsorship; telephone interviews; 87R1529

marital adjustment; husbands'/wives' occupational commitment, family environment's perceived supportiveness; questionnaires; dual-earner couples; 87R5659

migration/employment patterns, fishmeal industry, Peru; economic cycle; case study; 1955-present; 87R9569

morbidity/mental health, gender differences, Scandinavia; women's employment; surveys, statistics; Denmark, Finland, Norway, Sweden; 87R5244

paternal-preschool child relationships, lower middle class families; paternal employment status; questionnaires, observations; 87R9213

psychological well-being/role strain, employed vs nonemployed mothers; child care arrangements; national data; 87S1977

students' academic achievement; maternal employment; critique/comment/reply/rejoinder; 87R2325

suicide rates; immigration, unemployment, age; statistics, census; Canada; 87R2748

women's health; employment; interviews; Tel Aviv, Israel; 87T0610

Employment Changes

division of labor, interdependence-differentiation relationship, US; industrial data; 1919-1972; 87R9141

employment trends/government policies, postrecession GB; 87R7325

high technology industrial development, worker polarization, Newbury District, GB; 87R7424

industries, US; employment changes, nonmetropolitan service state policy; empirical estimations; 87R7421

labor migration, Eqypt, social consequences; 87R4604

sexual division of labor, French workplaces; case studies; 87R9434

Employment Discrimination

comparable worth legislation impact, unskilled women; 87R9002

discrimination against women, labor force; 87R3090

discriminatory behavior, job-seeking/hiring; 87R7336

employment discrimination, women/employer disputes, case outcomes; content analysis; 87S1949

employment/career advancement, women; height; experiment; 87R4633

equal employment opportunity law mobilization; US appellate court case records; 87R1661

gay/lesbian workers, job discrimination, social workers' role; 87R1716

work/nonwork opinions/attitudes, Italian vs French female workers; questionnaire survey; 87R9452

Employment Opportunities

academic social science positions, job interviewing suggestions; West Germany; 87R3271

actors/theaters, stratification system; participant observation, interviews, case studies; Chicago, Illinois; 87S1972

antisexist curriculum development, Girls & Occupational Choice Project, London, England; 87R4281

business career placements, liberal arts graduates; case study; undergraduate sociology internship program, University of Wisconsin, Whitewater; 87R5395

career opportunities/attainment, West German males; cohort/period/life-course effects; life history data; 87R4084

career/family expectations, male vs female undergraduates; survey, interviews; University of California, Berkeley; 87S1969

crime, young vs old offenders; socioeconomic/employment conditions; survey; male arrestees, Brooklyn, New York; 87R2908

criminology, conservative vs critical perspectives; 87R5054

displaced workers' adjustment; advance notification of plant closures/layoffs; Current Population Survey; 87S1967

early retirement trend, West Germany; statistics, interview survey; 87R8231

economic development, India, science/technology manpower employment; published statistics; 1950-1980; 87R5680

educational/vocational opportunities/achievements, young females vs males, West Germany; statistics; 87R4652

employment access, US; regional deindustrialization, public policy strategies; 87R1713

employment development, small businesses' contribution, Abruzzo region, Italy; statistics; 87R3715

employment opportunities, black musicians; jazz crisis; participant observation, case studies, interviews; 87S1935

employment patterns, women, West Germany; 87R7296

employment, black vs white youths; job availability, residential segregation; business data; Chicago, Illinois; 87R5661

employment/gender opportunities, university students' views/discourse; interviews; Scotland; 87R7356

equal employment opportunity laws, origins/impact; book review essay; 87R3689

ethnic/gender employment inequality, municipal workforce; affirmative action policy; 87S1955

handicapped employment, 1984 Austrian law; 87R3747

home employment, handicraft industries, Nueva Ecija, Philippines; interviews; 87R9432

hospital chief executive officers, nuns vs other women, career patterns/opportunities; 87S1937

income equity, males vs females, US; job opportunity increases; statistics; 87S1959

income level; work-related social ties; cross-sectional data; Chicago, Illinois, metropolitan area; 87R1659

job market opportunities, college graduates, Taiwan; job search method; statistics; 87R4112

job mobility predictions, British managers; questionnaire interview survey; 87R2160

job perspectives, Dutch sociology graduates; survey; 87R3286

job promotion ladders, interorganizational differences; job/organization characteristics; job/description data; 87R4078

juvenile delinquency, Utah; population/employment change, energy development; pooled time-series/cross-sectional data; 87S1996

labor force insertion patterns, Mexican/Central American immigrants vs US workers; California; 87S1970

labor force participation, sex-linked occupational differentiation, less-developed countries; economic development, investment dependence; cross-country analysis, 1970/1980; 87S1979

labor force status, sociology/anthropology graduates; Statistics Canada data; 1982; 87R1271

labor market experiences/participation, retrenched male vs female workers, Australia; longitudinal interviews; Sydney; 87R9382

labor market flexibility, municipal authority; case study; Pitéa, Sweden; 87R3690

language maintenance/proficiency, immigrant youth, Australia, occupational consequences; secondary survey data; 87R2264

local employment development, England, political mobilization vs economic regeneration strategies; 87R1833

occupational expectations, young adults; social group advantages; National Longitudinal Study of the High School Class of 1972; 87R4115

older females, labor force participation; national statistics; 87R2884

part-time employment trends, GB; official statistics; 1971-1981; 87R8799

political science/sociology graduates, Spain, employment patterns; questionnaire; 87R1284

reduced military spending, local economic impact, Norway; case study; 87S2000

rural immigration/emigration decisions; background characteristics, social/economic attainments; National Longitudinal Survey of the High School Class of 1972; 87R4605
sex-specific occupational segregation, Federal Republic of Germany; labor-market entry point; life history data; 87R9864
sociologists' employment opportunities, business schools; 87R5060
sociology graduates' employability; published survey data; graduates, employers, sociology departments; 87R5394
sociology's theoretical crisis, GB/Australia, academic market forces; article/comments/reply; 87R1337
teenage girls' subculture, labor market possibilities, Australia; economic recession, unemployment; 87R4350
unemployment-family well-being relationship, interviewing factors, Canada; 87R9460
unemployment/underemployment, sociology graduates, Ontario; mailed questionnaires; 1983; 87R1256
university careers, women's opportunities, Finland; 1980s; 87T0111

Endogamy
ethnic identity maintenance, Samana peninsula immigrant enclave, Dominican Republic; endogamy; marriage records, interviews; 87R6492
kin group maintenance/marriage patterns, Highland Scot migrants, Canada/New Zealand; birth registry data; 1800-1830; 87R7254
language/demographic characteristics, ethnic descent groups; endogamy; national survey; 87R5574
marriage patterns, Beirut, Lebanon, religious endogamy/consanguinity; interview survey; Muslims/Christians hospital maternity ward; 87R2675
marriage patterns, Newar castes, Nepal, isogamy/introversion; 87R1639
marriage timing, Khartoum, Sudan; socioeconomic/institutional factors; survey; 1975; 87T0440

Energy
power failure, Sweden, December 1983; 87R1926

Energy Conservation
biofuel energy shortages, peasant overuse, rural Java; fieldwork; 87R8768
energy attitudes/conservation practices, residential consumers, Knoxville, Tennessee; situational/personal characteristics; questionnaire; 87R8766
radioactive waste reprocessing policies, France vs US; 1957-1987; 87T0888
residential energy conservation, innovation adoption; decision thresholds; mail survey; households, US; 87R6756

Energy Consumption
energy supply systems, citizens' intuitive vs calculated preferences, additive utility model; empirical studies; 87R6755
fuel consumption; low-income energy assistance; official records; voluntary Heating Fuel Budget Plan participants/nonparticipants, Michigan; 87T0948
household energy use; financial incentives; questionnaire/other data; longitudinal analysis; 87R3471

Energy Policy
energy-labor relationship, US agriculture, 1900-1978; official census/survey/documentary data; 87R7827
national energy policy, France, public choice theory; 87R8765
radioactive waste reprocessing policies, France vs US; 1957-1987; 87T0888

Engels, Friedrich
Engels, Friedrich, scientific knowledge/theory; 87R6305
human evolution, symboling vs labor's role, Leslie White's vs Friedrich Engels's thought; 87R5265
The Political Ideas of Marx and Engels by Richard N. Hunt; 2-volume review essay; 87R6827
proletariat's social duty, Karl Marx's/Friedrich Engels's/V. I. Lenin's remarks; 87T1051

Engineering
methodological referencing patterns, physics/sociology/engineering; published articles; 1983; 87R4541
university-industry cooperative research, economic issues; 87R6136

Engineers
assertiveness training program, intervention/response-shift effects; experiment; engineers; 87R6889
attitudes toward women, females in engineering/traditional occupations vs male engineers; scale; GB; 87R7740
engineering jobs, France, dequalification hypothesis; interviews; engineers/technicians, industrial firms; 87R9872
extramural consulting, personal/institutional consequences, academic scientists/engineers; core vs peripheral institutions location; telephone interviews; 87S1973
future scientists/engineers, supply/demand factors, US; 87R8193
job dissatisfaction/resentment, professional engineers; autonomy/constraint levels; mailed questionnaire; Rochester, New York; 87S1941
nonmanagerial/managerial engineers' participation, Polish Solidarity Movement; 87R5804
openness in science, institutional policies; questionnaire survey; engineering/science faculty, Cornell University, Ithaca, New York; 87T0236
professionalization strategies, urban development occupations, historical analysis; 87R6019
scientists'/engineers' moral responsibility, organizational culture aspects; 87R9863
scientists'/engineers' professional/ethical dissent, legal protection; 87R9927
technology genderization, institutional/symbolic/research work mechanisms,; questionnaire; engineering students, Norway; 87T0133
US interstate highway design, engineers'/city planners' influence; 1944-1964; 87R9893

England
ability/effort attribution, schoolchildren, Sri Lanka vs England; socioeconomic factors; interviews; 87R8705
adolescent suicide rates, England/Wales, 1950-1960s; statistics; 87T0565
arranged marriages, motivations, England, 1600s; reply/rejoinder; 87T0487
arrest rates, 1981 urban rioting, England; race/age/other factors; police data; 87R3074
art/antique theft, thieves' motivations; police data, interviews; England; 87R6635
artistic/architectural creation, medieval France/England; feudal social structure; historical sources; 1000-1300; 87R5588
attitude change, Greater Manchester Police; management control style, personal characteristics; questionnaire, interview; 87R2118
Bible, political discourse framework, English Revolution; 87R9075
biography writing, selection/approaches/sources/value; case example; feminist perspective; 87R6794
charity-state relations, England/Canada/US; 87R8747
children's sex-role differences; teachers'/parents' behavior; observation, "infant" school children; GB; 87R4315
community concept, riot participants' discourse, Bristol, England; content analysis; newspaper/radio/television/personal accounts; 87R7525
community service allocation, informal rationing systems; case study; elderly services, Oxford, England; 87T0955
countryside's destruction, England, conservationists'/farmers' debate; 87R2181
cousin marriages, Victorian England; 87R8339
cultural values convergence/stability, GB/US; interviews, questionnaires, publications content analysis; 87R7076
death rates; neurosis; follow-up data; neurotic patients, Birmingham, England; 87R2798
decarceration process, US/England/Wales, social control issues; 87R8131
disability/retirement/economic activity rates, older men, England; unemployment increase; census; 87R2895
disorderly conduct offense, English criminal law; 87R5205
drinking habits, village pubs, Melton, England; gender, age, social class; fieldwork data; 87R3437
educational reforms, Ralph H. Turner's analysis tested; interviews, documents; educational reformers, England; 87R6165
elderly's needs, England, family/community/state support; anthropological fieldwork, case study; 87R5009
elite social-structural transformation, Norfolk County, England; abstract religious rhetorics/social network equivalence; 1540-1640; 87R2987
English intellectual history, religion's/Christianity's role; book review essay; 87R7607
entrepreneurial clothing manufacture, Pakistani immigrants, Manchester, England; 87R1602
ethnic involvement/compartmentalization, Armenian community, London, England; 87R1596
ethnic minority housing/segregation, choice/constraint factors; interviews, official data, census; Bedford, England; 87R3568
family income allocation, cross-class employed couples; tape-recorded interviews; England, Wales; 87R5970
family ties/ideology, textile industry, England; interviews, observation; Yorkshire mill; 87T1059
government intervention, public opinion, England; national survey; 87R9796

heroin epidemic, Wirral borough, England; case files; 87R6615
high technology industry development, Cambridge, England, university's role; 87R4571
hosiery industry, labor force characteristics; domestic-factory transition; case study; East Midlands, England; 1850-1910; 87R9458
household-formation systems, rural Europe, preindustrial era; 87R6765
hysterectomy procedures, decision-making process; nonclinical factors; survey; Oxford, England; 87R8851
ideological themes, English writers, Middle Ages/Renaissance; 87R6118
individual political consciousness; other household members' social characteristics; interviews; households, Isle of Sheppey, England; 87R5665
insanity defense, Edward Oxford's 1840 treason trial, England; 87R8134
kinship/inheritance/household/socialization patterns, Farndale farming community, England; case study; 87R6050
labor process control, cooperative workers, Scotland/England; longitudinal case studies; 87R3694
leaving parental home, daughters' vs sons' tendencies, preindustrial England; census data; 1599-1801; 87T0513
leisure behavior; work hours; interviews; male/female textile mill shift workers, England; 87R9663
lifetime reproductive success, farmers vs craftsmen, Lancashire, England; parish registers; married couples; 1754-1772; 87R2729
literary developments, 18th-century English novels/epistolaries/conduct books, ideological structures; 87R6115
literary texts, social function, medieval England; 87R7672
local employment development, England, political mobilization vs economic regeneration strategies; 87R1833
marriage ideal, European/English history; 2-book review essay; 87T0458
married working women, social class identification; survey; postgraduate students, Open University, Milton Keynes, England; 87R5238
mass poverty, England, benefit system; official statistics; 87R6771
matrimonial disputes, individual marital choices, 16th-/17th-century England; family/friend network power; church court records; Durham; 87R8402
medical profession, intergroup relations; interviews; nurses, England; 87R6007
medical/social welfare services, working classes, Kent, England; missionary efforts; post-French Revolution; 87R6210
mental health, employed vs nonemployed mothers; home/child care/sex/work role attitudes; survey; Sheffield, England; 87R8906
migration-fertility relationship, England/Wales; OCPS Longitudinal Study, censuses, birth registration data; 87R2553
minority education, policy issues; worldwide analysis; 87R2370
occupational stratification pattern, England/Wales; 1972 Oxford Mobility Survey, 1974 reinterview; males; 87R2089
outer-city/greenbelt development, rural England, social costs; 87R2994
police force use, public vs national legitimation standards; case studies; San Diego, California/Liverpool, England; 87T0219
poverty preventive measures; Elizabethan era; 87R8825
pre-World War I family farms, noncapitalist production, England; 87R9963
pub use/social control, user characteristics, "rough" working-class neighborhood, GB; participant observation; 87R3491
race/ethnicity research, social geographers' contributions; 87R3535
racial riot, Brixton, England; personal/descriptive account; 87R3894
"racing lad" occupation, England, tradition/change; interviews; 87R9880
racist attitudes, white residents, West Midlands, England; social class, age, geographic patterns; empirical data; 87R5553
racist/nationalist ideologies, shared features, Marxism; England; 87R5565
residential burglary rates, London/Merseyside, England; opioid addict population percentage; police/criminal records; 87R8665
rural England, early modern times, servants/poverty; 3-book review essay; 87R2208
school behavior, sex differences, girls' quietness, comprehensive school, England; ethnographic data; 87R4346
sickness claims, primary schoolchildren, teachers' interpretations; interviews, observations; England; 87R2349
soccer hooliganism, control measures' failure, England; 87R5880
social-cultural reproduction, English youth; unemployment; survey/interviews/other data; Isle of Sheppey; 87T0861
textile industry employment, gender patterns; technological change; survey, census, case studies: England; 87S1974
tourism, ecological impacts, Heritage Coasts, England/Wales; 87T0904
victim support scheme evaluation; questionnaire; victims, workers, community residents, Merseyside, England; 87R2484
wars/armies/revolutions, English/French/Russian/Chinese experiences; 87R9473
work/employment/society relationship, current research concerns; new *Work, Employment and Society* journal; 87R5373
workplace relations, advanced capitalist societies; published studies; 87R7297
youth recreational center, Manchester, England, sociological research methods; 87R3187

English Language
bilingualism, non-English-language group members, US, sex differences; official survey; 87R4234
English language sexism, recent changes evaluated; dictionary samples; 87R2252
English native/nonnative apologies, gaps/strategies, cross-linguistic classification; questionnaire data; 87R6082
international medical language, English use; interviews, observation; Japan; 87R5085
language policy/attitudes toward English, Tanzania; fieldwork; 87R4230
medical education, Saudi Arabia, English language use; 87R4300
official language issue, US; article/comments/rebuttal; 87R5147
publications/conference communications, English language use, French scientists; bibliometric/interview data; 87R4557

Enlightenment
Foucault, Michel, theory/works; other philosophers' comments; 87R3343
intellectual power, France, Enlightenment-present; 87R9926
women's rights, scientific theories/reason vs passion debate impacts; Enlightenment-present; 87T0261

Enrollment
educational expansion, Jordan; demographic/social/economic factors; 1950-1980; 87R4331
enrollment expansion, higher education, post-World War II; sex/institutional differences; labor market conditions; national statistics; 1952-1980; 87R4353

Enterprises
factory organization, economic democracy; 2-book review essay; 87R3713
work organization, Yugoslav economic enterprise; 87R5679

Entrepreneurship
alternative business characteristics, Quebec, Canada; questionnaire, interviews; 87T1060
business incubators, federal/state funding, public policy issues; 87R7809
community social organization, Stewart Island, New Zealand; entrepreneurial fishermen's actions; interviews, participant observations; 87R3807
economic policy/reform, Hungary, work collectives; 87R1819
elite vs popular cultural suppliers, urban areas; 87S1948
employee firm ownership interest, gender differences; questionnaire; supermarket chain union members, Philadelphia, Pennsylvania; 87R9405
entrepreneurial clothing manufacture, Pakistani immigrants, Manchester, England; 87R1602
entrepreneurial performance factors, Filipino/Chinese communities, Philippines; 87R9566
entrepreneurial political interests, Right's development, Mexico; 87R2060
entrepreneurial success, business managers, India; personal variables; 87R7367
entrepreneurship concept, national/regional development; 87R7427
entrepreneurship patterns, black Americans; statistics; 1790-1977; 87R3815
entrepreneurship phenomenon, university scientists; 87R2504
entrepreneurship style, Surinamese Hindustani/Chinese/Creole immigrants, Amsterdam, Netherlands; 87R1759
family agricultural production, Hungary, rural entrepreneurship; 87R2192
immigrants' self-employment/entrepreneurship, advanced capitalist societies; 87R3823
petite bourgeoisie, historical role; electoral/survey evidence; postwar period; 87R8927
role stresses/coping mechanisms, women entrepreneurs; family type, psychological traits; questionnaires; Ahmedabad, India; 87R2178
self-reliance/entrepreneurship, Hmong refugees, US; 87R1550
transportation business development/operation, Nnewi Igbo people,

Nigeria; kinship system; 87R6836
urban industrial transition, entrepeneurial renewal; article, comments, questions; 87R9986

Environment
behavioral geography vs environmental psychology, interests/techniques/foci; 87R8798
"environment" concept, origins/definitions; literature review; 87R6757
environmental risk assessment/regulation; scientist's social/political values; interviews; industrial hygienists, occupational doctors; 87R3034
neighborhood social networks, summer vs Christmas seasons, transactional approach; questionnaire, interviews; household heads; 87R1790
self-attributions/performance; perceived environmental control; experiment; 87R3473

Environmental Attitudes
behavioral geography/environmental perception studies, research trends; 87R8791
community studies, Japan, environmental history approach; 87R9272
ecological awareness, spiritualization of nature; content analysis, interviews, other data; 87T0910
environmental concern, rural residents, manipulative vs exploitative occupations; Colorado; 87S1990
environmental concern; age/education/other factors; national survey; 87S1993
environmental disaster (man-made), youth vs elderly response; support networks, locus of control; interviews; Love Canal/Niagara Falls, New York, 1978/79; 87R3035
environmental issues, community leaders'/nonleaders' attitudes, Tippecanoe County, Indiana; socioeconomic status, education, age; survey questionnaire, interviews; 87R5111
environmental issues, geography's contributions; 87R6764
environmental protection support, moral norms; social-psychological processes; questionnaire; undergraduate students; 87T0913
groundwater pollution, US; individual cultural perceptions; 87T0905
industrial pollution risks, industrial community perceptions, Oak Ridge/Rockwood, Tennessee; 87R5126
land/botanical resource use, subsistence production systems, Les Alves, France; folk biotape analysis; 87R3652
psychological-environmental systems compatibility, agrarian community, Kerala, India; bibliographic/interview/other data; 87R8769
recreation activities/participation; environmental attitudes; questionnaire; residents, Alberta; 87R3900
socialism, ecological issues; book review essay; 87T0903
value orientations, wilderness sports participants vs football players, US; questionnaire; 87R7562
voting behavior, ecological concern; mediating variables; mail survey; California, Colorado; 87R5911

Environmental Factors
belief convergence, US elementary schoolteachers; local environmental factors; interviews; 87R6135
cancer/environmental disease, causative agents, legal/scientific probability; 87R4455
coastal tourism regions, Washington, planning/development issues; 87R9672
criminal behavior; environmental factors; interviews; proprietors, commercial subcenters, Brisbane, Australia; 1974-1978; 87R4460
delinquency, student vs working post-high school subgroups; person-environment fit, psychological strain; longitudinal panel data; 87R6753
educational career; IQ-variables vs environmental effects; questionnaire; military recruits/their fathers, Netherlands; 87R3443
environment-behavior relationship, elderly people; 2-book review essay; 87R5168
environmental cognitions, residental/work settings; setting physical/social attributes; experiment; college students; 87R5159
health care, lay/self-care methods, northern Europe; environmental factors; 200-year analysis, Denmark; 87R4826
health-stress-social status relationship; interviews; adults, New York City; 87R4910
Muslim Mozabite confederacy founding/development, North Africa, environmental determinism factors; 1011-1053 AD; 87R3960
neighbor relations, high-rise residences, Israel; building structure, personal characteristics; interviews; women; 87R2228
net migration; natural environment; county-level data; US; 87R4599
organizational activity/evolution; managerial/environmental influences; case study; minicomputer firms; 87R7384
psychological well-being older women; environmental variables; interviews; 87T0734
recreational travel/tourism, institutional vs natural seasonality; 87R3899
social service delivery, urban areas, Michigan/Ohio; environmental/organizational characteristics; 87T0819
socioeconomic development, man-environment interactions, Soviet society; 87R5764

Environmental Protection
agricultural protection, 1970-1980 estimates, Sweden; official data; 87R7821
biological/cultural/technological co-evolution, didactic-pedagogic experiment, Italy; 87R8004
chemically-caused environmental catastrophes, legal/liability statutes; 87R6758
conservation/preservation dichotomy, anthropocentric vs nonanthropocentric conceptualizations; 87R8770
countryside's destruction, England, conservationists'/farmers' debate; 87R2181
Darwinian theory vs biotechnology; 2-book review symposium; 87T0272
ecological destruction/decline cycles, Latin American settlements, social context/processes; Trans-Amazon Highway, Brazil/Lago Agria, Ecuador/Tambopata Valley, Peru; 87R4149
ecological problems, Mexico; 87R3036
environmental conflict local residents vs resort developers, Lake County, Colorado; case study; 87R8737
environmental impact assessment, subjective bias; 87R8767
environmental policy, ecological rationality concept; 87R8762
environmental policy, Puerto Rico, geographers' roles; 87R6762
environmental protection support, moral norms; social-psychological processes; questionnaire; undergraduate students; 87T0913
environmental protection, public attitudes; 87R1874
environmental protection, socialist countries, Marxist economic approach; case study; Hungary; 87R6749
environmental vs tourism concern, Venetian residents, Italy; 87R6072
hazardous waste storage policy, general public's/policymakers' attitudes; news media investigative journalism; interviews; residents, Chicago, Illinois; 87R9651
indoor air quality, nonindustrial environments, policy/regulatory issues; 87R2357
leisure/recreation, USSR, ecological education; 87T0906
natural resources conservation/preservation, Siberia, USSR; 87R5167
nature concepts/parks, Belgium; social factors; 87R9955
offshore energy impact assessment, boomtown model; critique/reply; 87R2225
radioactive waste reprocessing policies, France vs US; 1957-1987; 87T0888
scientific research/public policy; case studies; 87T0890
tourism, ecological impacts, Heritage Coasts, England/Wales; 87T0904
tourism, environmentally oriented planning; 87T0907

Environmental Sociology
"environment" concept, origins/definitions; literature review; 87R6757
environmental sociology, Netherlands; 87R8774
environmental sociology, research/scholarship; 87T0901
environmental sociology, status/contributions; 87R6750

Environmentalism
business development/industrial expansion, jobs vs environment argument, black civil rights organizations' stance; 87S1935
conservation/preservation dichotomy, anthropocentric vs nonanthropocentric conceptualizations; 87R8770
ecological awareness, structural model, statistical methods; 87R3037
ecological radicalism, Green Party, England/West Germany/US; 5-book review essay; 87R9606
ecosocialist approaches, West German environmental movements; 87R5162
environmental concern, attitude-behavior measurement, I. Ajzen's/M. Fishbein's reasoned action theory; 87S1992
environmental concern, demographic variables; path analysis; 87R3033
environmental concern, rural residents, manipulative vs exploitative occupations; Colorado; 87S1990
environmental concern; age/education/other factors; national survey; 87S1993
environmental education, Australia, societal power/control issues; 87R7997
environmental issues, community leaders'/nonleaders' attitudes, Tippecanoe County, Indiana; socioeconomic status, education, age; survey questionnaire, interviews; 87R5111
environmental issues, geography's contributions; 87R6764
environmental issues/women's movement, political conflicts, Sweden; 1930s; 87T0911
environmental policy, ecological rationality concept; 87R8762

environmental problems, human aspects, oversimplified models critiqued; 87R5163
environmental/ecological issues, social policies, political party differences, West Germany; 87R3038
environmental/industrialization social movements, Japan, mobilization process/goals; associational vs communal local social fabric; 87R5796
everyday life, environmental problems, life environmentalism theory; 87R9277
general/local environmental issues, males' vs females' concern; socialization vs structural position; survey; Tulsa, Oklahoma; 87S1935
Green movement, West Germany, development/achievements; 87R7487
green movements, advanced industrialized societies; 87R7458
Green/Alternative movements, Federal Republic of Germany, ecological/peace issues; 87R5161
grid-group analysis, environmentalist movement, application problems; 87R9621
highway construction controversy, Cleveland, Ohio, political/citizen forces; case study; 87S1937
natural resources conservation/preservation, Siberia, USSR; 87R5167
outer-city/greenbelt development, rural England, social costs; 87R2994
pandas' fate, rural China, sociology's relevance; 87S1993
pollution concern, environmental group members' gender differences; mail survey; US/GB/West Germany; 87S1936
quality of life, back-to-the-land movement adherents; religion; questionnaire; 87R7481
reform environmentalism vs deep ecology, eco-feminist critique; 87R8893
science-technology-society education, social responsibility goal; 87R1274
Solidarity/Green movements (Poland/West Germany), commitments/goals; 87R1990

Epidemics
epidemic disease, social processes/responses, government's role, sociological analysis; 87R5170
heroin epidemic, Wirral borough, England; case files; 87R6615
malaria epidemic, north-coastal Peru; Niño phenomenon; health statistics; 1983; 87T0926
malaria, community adaptations, rural Muheza District, Tanzania; cross-cultural contacts; 87R4830
smallpox vaccine acceptance, northern India; traditional medical beliefs; interviews; 1974/75 smallpox eradication program participants; 87R4817
social contagion/innovation; cohesion vs structural equivalence explanations; *Medical Innovation* reanalysis; 87R6908

Epidemiology
acquired immune deficiency syndrome research, methodology/models; literature review; 87T0601
acquired immune deficiency syndrome, Africa, epidemiology/public health issues; surveillance studies; 87T0619
alcoholism/drug addiction, prevalence/nature; epidemiological/clinical data; 87T0719
anorexia/bulimia nervosa epidemiology, Eating Attitudes Test predictive value; 87R4985
contingency tables, loglinear analysis methods; psychiatric epidemiology data; 87R3254
coronary disease treatment/epidemiology, blacks' experiences; Coronary Artery Surgery Study; 87R4853
corporate wellness programs, corporate interests vs individual health attitudes; 87R8496
drug use/abuse, youth, epidemiological research issues; national survey; 87T0697
epidemiology, liberal arts characteristics; 87R7967
infectious disease transmission, network approach; interviews, official data; acquired immune deficiency syndrome patients; 87R3781
leprosy, disease history/treatment; 87R2788
long-term health consequences, radioactive pollution; Chernobyl (USSR) nuclear power station accident, Europe; 87T0931
mental health, Lebanese population; war conditions; survey, interviews; 87R4935
psychiatric disorders/cognitive impairment, noninstitutionalized elderly; Diagnostic Interview Schedule, Mini-Mental Status Exam; Yale University Epidemiologic Catchment Area, Connecticut; 87R2840
public health/epidemiology, racial categories; 87R4823
suicide epidemic model; 87T0563
viral hepatitis epidemiology, lay/medical beliefs, southwestern US county; historical reviews, census tract incidence rate data, participant observation; 87R4854

Episcopalians
catechetical documents, traditionalist/integrationist attacks, France; *Pierres Vivantes* publication; 87R6183
church schism/secession, Episcopal Church, women's ordination/prayer book revision issues; case studies; 87R2407
feminization of religion, frontier Church, Minnesota; case study; parish records, newspaper accounts; 1858-1900; 87R3099
Latin American Episcopal Council (CELAM), new initiative adoptions; historical analysis; 1955-present; 87R6211

Epistemological Doctrines
agrarian social class relations/capitalism, preindustrial Europe, Malthusian vs neo-Malthusian theories; comments; 87R9581
basic vs applied community research, epistemological approach; 87S1999
causality, epistemological considerations; 87R8955
educational theory/practice, epistemological issues; 87R7941
interpersonal cooperation, social structural conditions; 87R1464
relativity principle, sociology, 19th-century Italian perspective; 87R9765
representational cognitivism meme, natural selection perspective; 87T0266
sociology/other disciplines, relationships, isolationist/internationalist approaches; journal issue introduction; 87R9092
the self, Erving Goffman's skepticism/positivism; 87R1316
theory of spontaneous order, historical development, Friedrich A. Hayek's concept; 87R1351

Epistemology
belief, historical/philosophical issues; symposium; 87R6690
death determination/definition, epistemological issues; 87R4803
disciplinary/subdisciplinary commitment, psychology students; personal epistemology; psychometric test; Monclair State College, New Jersey; 87R8320
Durkheim, Emile, theory of knowledge, cultural variability; 87R3342
epistemology/politics relationship; 87R1188
ethics/morality conceptions, Darwinian evolutionary/naturalist philosophy critiqued; 87T0368
philosophy of history, Georg Simmel's epistemology; 87R8715
probability theory, homogeneity concept, epistemology of statistics; 87R5354
relativity/consciousness, epistemological theory; 87S1969
self-knowledge, epistemology-social/political reality relationship; 87R2976
semiotics, epistemology/history; 87R8921
social sciences, theory/epistemology/methodology; book-review essay; 87R6855
sociological neo-empiricism, Niklas Luhmann's epistemological alternative; article/reply; 87R1394
sociology of knowledge, epistemological basis; 87R2972
sociology of scientific knowledge, constructivist thesis; 87R2968
subjective vs objective, human activity, scientific determinism model critiqued; 87R6861

Equality
distribution/retribution decisions, competitive vs cooperative relationships; equality/contribution principles; questionnaire; female nursing students, Sweden; 87R5533
educational justice/equality, Poland; 87R4274
equality concept evolution, Israeli kibbutz movement; sociology of knowledge theoretical framework; 87R5121
French educational system, elite formation/equal opportunity principles; historical overview; 87R4319
gifted children, US/Quebec educational systems; 87R4648
social equality, policy issues, Yugoslavia; 87T0875
social services equalization policies, Scandinavian countries; 87R9793

Equity
democratic political transition, social movements' role, Brazil/Argentina; 87R3992
distribution/retribution decisions, competitive vs cooperative relationships; equality/contribution principles; questionnaire; female nursing students, Sweden; 87R5533
reward allocation, decision-making process; group/individual behavior; experiment; 87R5503

Erikson, Erik Homburger
identity formation, career-family conflicts, university women; traditionalism, feminism; interviews, Canada; 87R9209

Error of Measurement
complex sample surveys, standard error estimation, methodological issues; interview survey; New Haven, Connecticut; 87R6893
covariance structure analysis, measurement error/response reliability; questionnaires; school leavers, Scotland; 87R1237

covariance structure models, indirect effects, mathematical analysis; literature review; 87R5369
factor analysis, longitudinal data, common/specific/error variance estimation, low- vs high-technology methods; article/comment/reply; 87R6898
household structure, retrospective survey response inconsistency; national panel survey; young women, US; 87R3183
measurement error, nominal-level data, latent Markov model; panel survey; civil servants, Netherlands; 87R3244
panel data, unobserved variables, linear stochastic differential equation models; 87R5360
population projections, census enumeration errors/adjustments; Ohio; 87S1933
race/ethnicity calculations, US census data, population estimation/description problems, American Indians; 1980; 87R6885
racial income distribution data, intergroup inequality measures; 87R3224
Russian-language questionnaires, non-Russian Soviet citizens' interpretations; college students, Turkmenistan; 87R8981
self-reported voting claims; third-party presence; survey data; 87R2056
survey response errors, reason assessment; interviews/questionnaires/arrest records; ex-heroin addicts, New York City, New York; 87R3214
Type I error, rate measures, behavioral science research; journal articles; 87R6882
underenumeration problem, mortality estimates, correction techniques; 87R8244
urban planning, public opinion surveys, research methods critiqued; interviews; households, France; 87T0908
voter self-reports, external validation measures; 1980 National Election Study; 87R7571

Errors
air pollution-mortality relationships, regression estimates; measurement error; official data; 87R5361
error/information distortion, judicial programmed instruction procedure; 87R2452
interpretive transformation process, English translations, Max Weber's works; content analysis; 87R7004
manuscript proofreading, undetected misprints, estimation method; 87R3231
measurement error, panel analysis, attenuated vs inflated relationships; 87R5356
wrongful conviction rate, felony cases, US; legal procedurial/witness errors; case records, mail questionnaires; state attorneys general, Ohio police chiefs/sheriffs/public prosecutors/defenders/judges; 87R4475

Eskimos
Alaska Native Corporations, organizational structure, culture/values issue; 87R9488
cultural change/continuity, Eskimo village, Chevak, Alaska; 87R2991
Eskimo 'snow' words, language/culture relationship; 87R4224
Eskimos, economic/social integration, Mackenzie valley, Northwest Territories; 87R7270
ethnic identification, Native Canadians; national organizations; surveys; 87R3537
television viewing tastes/habits, Inuit communities, Canada; demographic variables; questionnaire; eleven-communities, Eastern/Central Arctic regions; 87R3891

Esperanto
Esperanto language, Czech attitudes; questionnaire; 87R4240

Estimation
mortality level estimation, two-census methods illustrated; simulated data; 87R8243
poverty, Brazil, estimation methods; 87R8803

Ethics
abortion rates/measures, ethical issues; 87R6532
abortion/ethical attitudes, pediatric residents; residency training program; questionnaire; 87R4813
acquired immune deficiency syndrome patients, gay vs straight physicians' treatment attitudes; interviews; 87S1954
advertising material, sexual content, ethical issues; content analysis; 87R7523
animal rights, Western philosophical ethics; 87T0188
autonomy, biological limits, ethical implications; 87R1378
bioethical policy decisions, justification logic; 87R5136
bioethics conference, Spain, key topics; 87R8440
bodhicitta, Tibetan Buddhist ethical practices, philosophical foundations; 87R8073
Christ's Sermon on the Mount, altriustic/ethical teaching; 87R7179
computers' cultural influences, ethical issues; 87T0836
discourse modes, Jürgen Habermas vs Mohandas Gandhi; 87R7072
Durkheim, Emile, positive science of ethics; article introduction; 87R9090
elderly parents' care, Jewish adult children's moral obligation; 87R5524
ethical behavior, pyschoanalytical/sociological perspective; 87R2833
ethical problems, medical practice, Christian professional viewpoint; 87R4106
ethico-religious orientation changes, sacred/religious structures' roles; 87R2376
ethics-economics relationship, Adam Smith's *Wealth of Nations*; 87R6993
ethics/morality conceptions, Darwinian evolutionary/naturalist philosophy critiqued; 87T0368
ethics/religiosity relationship, US society, Alexis de Tocqueville's vs Max Weber's thought; 87R5442
experimental surgery ethics, Baby Fae case; interview with Jack Provonsha, Loma Linda University (California); 87R4898
fetal neural tissue transplants, ethical issues; 87T0281
Foucault, Michel, ethics conceptions, modern ethical discourse formulation; 87R9096
genetics technology, human applications, moral standards; 87R2538
health care issues, justice problems, John Rawls's analytical approach; 87R4494
international communication, ethical guidelines; 87R5832
law, economic analysis; critique response; 87R8111
Marxist ethical theory, Max Horkheimer's/Jürgen Habermas's views; 87R8711
media ethics, cultural celebration vs information transfer perspective; 87R1890
medical ethics, Habermasian communicative action framework; 87R4895
medical genetics, ethical concerns, international perspective; questionnaire; 87S1986
medical paternalism, ethical issues; book review essay; 87R4141
moral discussion, straight reason's role; 87R7057
moral thought/behavior, sociobiological/evolutionary theory; 87T0367
moral/political causes, universities' support, ethical guidelines; 87R7943
natural law ethics, philosophical teachings; 87R8486
positive science of ethics, Germany; 87R9140
science/technology reconceptualization, ethical/policiy implications; 87R5589
stereotypes, clinical medicine, doctors/medical ethicists/public; 87R2794

Ethiopia
childlessness/infertility, birth/province cohort comparison, Ethiopia; interviews; rural households; 87T0547
Ethiopian 1984/85 famine, international governments'/citizens' response; 87S2001
ethnographic/anthropological writing, literary character; Sir Edward Evan Evans-Pritchard's career/publications, 1937-1956; 87R3639
Ethopian famine jokes, US, sociosemiotic analysis; 87T0044
famine relief operation, Ethiopia, political issues; 87R5189
social structure, southern highland societies, Ethiopia; historical/economic factors; 87R5579

Ethnic Groups
aging, ethnic/minority group differences, cross-cultural analysis; 3-book review essay; 87T0729
alcohol use/abuse/sensitivity, ethnic/racial differences; literature review; 1978-1984; 87R2862
assimilation/differentiation process, ethnic groups, Europe; 87R3525
Cajun lifestyle/tradition, Acadiana region, Louisiana; 87R7060
children's play, cultural/social/communicative aspects; 87R8298
Chinese population, demography/social structure/economic strength; 1920-1975; 87R1592
cohort fertility, US, racial differences; 87T0301
community formation, old/new Palestinian immigrants, northeastern US; wars, economic/social/spatial mobility factors; participant observation, interviews, questionnaire, historical literature analysis; 1948; 87R3534
conservatism assessment, multiethnic societies; Wilson Conservatism Scale; Western- vs Eastern-origin Israelis; 87R3194
drug use patterns, adolescents; ethnicity; scale questionnaire; 87R4974
educational attainment, ethnic identity groups; cultural participation; multiethnic societies; cross-cultural analysis; 87R4310
ethnic autonomy movements, status group solidarity; cultural organization patterns; case study, field research; Welsh/Breton ethnic subsolidarity movements, 1950-1984; 87R1526

Ethnic Groups in Conflict by Donald L. Horowitz; review essay; 87R9285
ethnic heterogamy, Yugoslavia; marriage records; 87T0493
ethnic history, Louis Adamic's work; 87R3529
ethnic identity, origins/problems, Third World; journal issue introductory essay; 87R3557
ethnic involvement/compartmentalization, Armenian community, London, England; 87R1596
ethnicity; group-level interactions/structure/belief transmission; blacks, Indians, US, colonial era-present; 87R3902
French immersion program enrollments, kindergarten/first grade students, Canada; parental perceptions; interviews; parents; 87R4273
group rights, American Indians/Japanese; legal status structures; litigation analysis; 87R5562
interethnic sport participation, Navajo Indians/Euro-Americans, boundary maintenance; observation; 87R3508
intra-urban migration, ethnic group differences, Winnipeg, Manitoba; 6-group comparison; 87R4198
language/demographic characteristics, ethnic descent groups; endogamy; national survey; 87R5574
Maori/non-Maori occupational distributions, New Zealand; census data; 1956-1981; 87R9813
political consciousness/mass socialist movement, Italian-American immigrants; religious traditions, acculturation; 20th century; 87R4410
residential distribution, ethnic groups, Ottawa, Ontario; census data; 87R4187
residential segregation, Chinese/Japanese Americans vs blacks, US suburbs; 1960-1980; 87R9296
Slovenic identity/cultural influence, Austria; 6th century-present; 87R9281
social class beliefs, Canadians; 1984 National Election Study; 87R3865
suicide rates, immigrant groups, Canada; social integration levels; official statistics; 87R4805

Ethnic Identity

academic underachievement, black high school students, "fictive kinship" framework; ethnographic data; Washington, DC; 87R7965
acculturation, individual Mayan Indians, Western Highlands, Guatemala; 87R7233
African students, marginalization process, interwar French West Africa; content analysis; school texts; 87R7987
African-American thought, history/fundamental positions; 87T0837
American Indians, 1980 census count, data anomalies; 87R9306
American Indians, tribal identification/federal policy; US Census, literature review; 87S1973
Anglo vs Puerto Rican woman's discourse, interviewer misunderstandings; ethnic differences vs gender congruence; 87R8994
assimilation/differentiation process, ethnic groups, Europe; 87R3525
assimilation/integration, Turkish migrants, Federal Republic of Germany; ethnic sport participation; mailed questionnaires; 87R3923
cultural/regional/ethnic identity maintenance, Italian migrants, Europe; 87R3560
Diaspora Jews' demography, methodological problems, identity definition; 87T0343
discrimination motivation, racial vs belief determinants, Rokeach theory; 87S1999
disease epidemiology; culturally linked beliefs/behavior; literature review; 87R8474
educational attainment, ethnic identity groups; cultural participation; multiethnic societies; cross-cultural analysis; 87R4310
ego identity status, ethnic identity development, Puerto Rican female adolescents; Hispanic educational enrichment program; Objective Measure of Ego Identity Status; 87R1545
ethnic boundary maintenance, Mormons; in-group language; 87R4203
ethnic group identity, assimilation/acculturation/dissociation/marginality patterns; questionnaire; adolescent girls, GB; 87R1440
ethnic identification, Jewish groups, Israel; socioeconomic status; survey; males, Beersheva; 87R3497
ethnic identification, Native Canadians; national organizations; surveys; 87R3537
ethnic identity formation, black vs white college students; structural symbolic interactionist approach; 87R9318
ethnic identity maintenance, Italian-American community, Texas; interviews; 87R1531
ethnic identity maintenance, Samana peninsula immigrant enclave, Dominican Republic; endogamy; marriage records, interviews; 87R6492
ethnic identity reproduction, youth's role, Northern Ireland; questionnaire/interview/other data; young Protestant males, Londonderry; 1985; 87T0391
ethnic identity, first-/second-generation Russian immigrants, US; ethnic/bilingual Baptist church affiliation; questionnaires, interviews; 87R6124
ethnic identity, Hausa-Fulani, British northern Nigeria; social boundaries, British colonial ideology; 87R3566
ethnic identity, individual/group levels, Pierre Bourdieu's theory of practice; case study; young Muslim woman, Maranao group, Philippines; 87R9280
ethnic identity, origins/problems, Third World; journal issue introductory essay; 87R3557
ethnic identity, South Indian Jews, Israel; caste system; participant observation, interviews, archival data; 1972-1982; 87R3552
ethnic identity, white Appalachian migrants, Cincinnati, Ohio, oral tradition; speech analysis, participant observation, interviews; 87R1605
ethnic literary study, US; documents; 87R7213
ethnic nationalism, theoretical issues; 87R7237
ethnic persistence, French immigrants, US, women's role; Fédération Féminine Franco-Américaine women's organization; 87T1026
ethnic revival, welfare state capitalist societies; 87R7207
ethnic structuration/identity, James McKay/Frank Lewins typology; interviews; Italian Americans, Scottsdale, Arizona; 87R1570
ethnic-origins reporting, distortions/discrepancies, US whites; 87R9298
ethnic/class consciousness, Bangladeshi immigrants, Toronto, Ontario; non-/economic predictors; survey; 87R1522
ethnic/cultural identity, Newar castes, Nepal; caste/religious/territorial systems; 87R1399
ethnic/national loyalty maintenance, multiethnic states; interethnic conflict resolution; 87R3509
ethnic/religious maintenance, US Jews; intermarriage; Denver, Colorado; 87R6517
housing forms (longhouse), ethnic/cultural identity maintenance, Iroquois reserves; interviews; 87R3636
immigrant families, France, assimilation vs ethnic allegiance; 19th century-present; 87R6345
Indian tribal children, formal schooling; cultural vs economic factors; field research; villages; 87S2002
interethnic relations management, plural societies; case study; Singapore; 87R3510
intergenerational language shift, class distinctions, Carib ethnic group, Belize; language histories; 87R4238
Jewish community, Argentina; 87R1549
Jewish ethnic identification, USSR, temporal/generational shifts; national interview project; 87R7228
Jewish experience/situation, Hungary; Arthur Koestler's work; 87R1533
Language, Society and Identity by John Edward; review essay; 87T0039
language/ethnicity relationship, associated language concept; 87R2255
lodging/boarding patterns, Boston, Massachusetts, ethnic/occupational linkages; censuses; 1860-1900; 87R1577
marginal group formation, Moroccan youth, Amsterdam, Netherlands; life histories; 87R3583
minority groups' psychology, India; 87R3576
modernity, acculturation, family/national values, Italian/Turkish immigrants, France; 1950-1970; 87R3813
nation vs state concept, ethnological writings, translinguistic analysis; 87R9295
occupational categories, Sikh immigrants, Vancouver, British Columbia; participant observation, interviews, documents; 87R3506
peasant/ethnic groups, India, historians' elitist bias; 87R5962
political development, Georgian Jewish immigrant community, Israel; hegemonic transformation, Zionist ideology/identification; 87R3556
psychological group formation, social/self-definition, ethnic minority; questionnaire; female Catholic school students, England; 87R7171
race/ethnicity calculations, US census data, population estimation/description problems, American Indians; 1980; 87R6885
resource distribution, sociopolitical/economic independence, Northern Arapahoe Indians; Euro-American economic system contact; historical analysis, fieldwork data; Wind River Indian Reservation, Wyoming; 87R3662
social/occupational mobility, social-psychological correlates; interviews; professionals, Dorchester (Boston), Massachusetts; 87R3440
sociology of Jewry, methodological/conceptual issues; article/comments; 87R7008
tribal definition/identity, India; 87R3347
voluntary association activity, US Jews; religious involvement; national survey; 87R7409

Yugoslav immigrants' identity, Sweden; 87R9300
Ethnic Minorities
assimilation attitudes, Hispanic immigrants, US; questionnaire survey; Chicago, Illinois; 87R3555
Basque nationalist movement, Spain, political radical characteristics; field research, literature review; 87R7234
Coloured education, 1980 student boycott, Cape Peninsula, South Africa; case study, interviews; 87R8005
communities, San Francisco, California; political action/organization, black vs Chinese class structure/relations; archival/oral history data, interviews; 1960s; 87R7408
community mutual aid, lowland Laotian refugees, women's role; case study; apartment residents, St. Louis, Missouri; 87R5572
Cuban immigrant adjustment, voluntary vs expelled refugees; interviews; Hudson County, New Jersey; 87R4594
Cuban *Marielistas* exiles, US, adaptation/assimilation; 87R4622
cultural assimilation, identity management/generation processes, Norway; case study; Saamis; 87R9290
cultural persistence/maintenance, French Creoles/Cajuns, southern Louisiana; 87R1598
economic resources, minority elderly, "Double Jeopardy" vs "Levelling" hypotheses tested; census data; whites, blacks, Hispanics; 1960, 1970, 1980; 87R2897
educational/occupational aspirations, Australian adolescents, ethnic group differences; school/family environments; questionnaire; 87R6152
ego identity status, ethnic identity development, Puerto Rican female adolescents; Hispanic educational enrichment program; Objective Measure of Ego Identity Status; 87R1545
elective representation, Latinos/blacks/Jews, Los Angeles County, California; 87R5913
employment discrimination, blacks/Chinese/Mexicans, US, split labor market analysis; 87S1935
ethnic categorization/isolation/treatment, Central America, economic/ideological factors; 1700-1950; 87R7219
ethnic minorities, political disenfranchisement, Peru; 87R9767
ethnic minority housing program, utilization factors; case study; Turkish families, Rotterdam, Netherlands; 87R4181
ethnic minority women, US; literature review; 87R1542
Ethnic Politics in Australia by James Jupp; review essay; 87R7211
ethnic relations/assimilation, Tatar group, Leningrad, USSR; review essay; 87R7238
ethnic research, Romania, government sanctions/prohibitions; 87R2120
ethnic solidarity/mobilization, Tamils/Sinhalese, Sri Lanka, internal colonialism model; 87R9310
ethnic/gender employment inequality, municipal workforce; affirmative action policy; 87S1955
ethnic/religious diversity, US, Constitutional protection; 87R7604
female/minority clergy placement, laity/pastor receptivity, United Methodist churches, Ohio; questionnaire; 87T1009
fertility differentials, majority/minority ethnic group women, Nigeria; social/demographic characteristics; survey; 87R8259
health status, labor market subgroups; unemployment; literature review; Marxist analysis; 87R6593
Hispanic immigrants, New York City, demographic/socioeconomic characteristics; census/survey; 87R4596
homeownership patterns, US, Hispanics vs Anglos; 1981 Annual Housing Survey; 87R2235

immigrants' social identity, France; 87R8234
institutional cleaning industry, Toronto, Ontario; personal account; 87R9441
interethnic relations, Italian/Irish communities, New York City; 87R7874
intermarriage patterns, white ethnics, US; November 1979 Current Population Survey; married couples; 87R2643
Irish participation, English government, India; secondary data; 1855-1914; 87R9870
Italian emigration, nationalists' attitudes, Argentina; 1900-1930; 87T0305
Italian immigrant associations, France; cross-generational analysis; 87R4586
Italian immigrant community schools, late 1800s, Argentina; 87T0347
Italian immigrants, France, assimilation patterns; 1876-1975; 87R4585
Italian-American funeral, historical evolution; personal experience; 87R1614
kin group maintenance/marriage patterns, Highland Scot migrants, Canada/New Zealand; birth registry data; 1800-1830; 87R7254
language maintenance/proficiency, immigrant youth, Australia, occupational consequences; secondary survey data; 87R2264
Lebanese immigrant communities, identity/culture, Australia/Uruguay; Lebanese war; fieldwork; 87R3532
marriage choices, Western vs Eastern European Catholic parishes, Pennsylvania; ethnicity, religion; yearly reports; Schuylkill County; 87R6199
midwifery practice, immigrant communities early 1900s; medical practice professionalization; oral histories, census data; Inwood, New York; 87S2003
modernity, acculturation, family/national values, Italian/Turkish immigrants, France; 1950-1970; 87R3813
national identity maintenance/historical representations, Portuguese/French emigrants; questionnaire, observation; 87R4616
party development/legitimacy, US/Europe; 87R2016
perceived vs actual language use, Portuguese-/Greek-language households, Canada, data collection implications; 87R6106
Polish ethnic minority, West Germany, historical/current situation; statistics; 87R3518
political consciousness/mass socialist movement, Italian-American immigrants; religious traditions, acculturation; 20th century; 87R4410
political development, Georgian Jewish immigrant community, Israel; hegemonic transformation, Zionist ideology/identification; 87R3556
post-WWII Polish-ancestry population, US, immigrant subgroups; interviews; Minneapolis-St. Paul, Minnesota; 87T0322
psychological stress, return immigrant children, Federal Republic Germany; case study; Spanish children; 87R8253
reintegration/health care problems, Greek migrant workers, West Germany; 87R8240
residential decision making, South Slav immigrants; ethnic attachment, household life cycle/socioeconomic status; LISREL methodology; Cleveland, Ohio; 87R1576
residential distribution, ethnic groups, Ottawa, Ontario; census data; 87R4187
settlement patterns, Italian immigrants; census data; Buenos Aires, Argentina/New York, US; 1880-1914; 87T0291
settlement policy, German immigrants, Melbourne, Australia, assimilation vs exclusivist approaches; historical analysis; 87R2574
Sicilian immigrants, occupational success, 19th-century Louisiana; familism; 1900 US Census; 87R8383
Slovene folk culture, ethnological research; literature review; Ljubljana, Yugoslavia; 87R5545
Slovenic identity/cultural influence, Austria; 6th century-present; 87R9281
social status, European vs Yemenite Jews, Israel; archival/other data; early 20th century; 87S1979
social/occupational mobility, Polish-American immigrants, Grand Rapids, Michigan; census data, city directory listings; 1860-1900; 87R7687

socialization/adaptation patterns, intergenerational continuity, Italian-American community, US; questionnaires, interviews; 87R1540
sociocultural transition, Portuguese Catholic emigrants, central Europe; Fatima religious pilgrimage; 87R6221
Spanish population/language use, Belgium; secondary studies, statistics; 87R3798
Turkish migrant women, Sweden, cultural differences, pregnancy/childbirth experiences; participatory research; 87T0555
Yugoslav immigrants' identity, Sweden; 87R9300
Yugoslav/Turkish female immigrant workers, Austria; secondary studies, statistics; 87R3712

European Economic Community
compliance, intergovernmental organizations; case studies; Organization for Economic Cooperation and Development (OECD), European Economic Community (EEC); 87R1664
European Economic Community, economic/political integration; 87R5886
European urban industrial transition, European Economic Community's policies/problems; 87T0852
farm family exploitation, European Economic Community; 87R5889
international relations, public opinion, Spain/European Economic Community nations; surveys; 87R7617
international standard-of-living mobility, European Economic Community nations; official survey; 87R4064

Euthanasia
handicapped infant treatment, moral issues; case study; Infant Doe controversy; 87R3021
treatment/nontreatment decisions, critical care settings, ethical/implementation issues; 87T0640

Evaluation
data collection instruments, response categories, quantitative evaluation method; 87R8984
decision rules, performance evaluation; 87R6892
drug therapy cost-benefit analysis, life quality dimensions, MIMIC-disability index; questionnaire; psoriasis patients; 87R4851
effectiveness assessment, state mental hospitals, survey instrument developed/tested; delphi survey, literature review; 87R4906
empowerment, measurement instrument developed/tested; literature review; 87R5322
faculty evaluation, liberal arts colleges; 87R5376
Medicaid second-opinion program, evaluation/monitoring; 87R4888
mental health system utilization, Michigan; mental health board decentralization; 1974-1983; 87R4907
military human services programs, methodological issues; 87R8996
project evaluation, feminist perspective; 87R3216
speech evaluation; social/linguistic category; experiment; Australian-origin/immigrant college students; 87R4210
statistical error, social work practice/research, explained variance estimation; 87R3226
student achievement assessment, US vs GB; 87T0127
system management/evaluation, feedback bias; 87R3753

Evaluation Research
adolescent pregnancy-prevention programs, evaluation model; surveys; students; 87R4799
college environment research, US/West Germany, theoretical/methodological issues; 87R7961
college teaching effectiveness, evaluation issues; 87S1937
community development program evaluation, bureaucratic pressures; participant observation; 87R6662
contract vs grant funding, social science research, legal consequences; 87R5386
correctional institutions, security levels, classification system; case example; 87R4511
cybernetic appropriateness review, hospital care; project evaluation; 87R4880
decision-making process, public administration, computer use; questionnaire; 87R3181
higher education institutions, objectives/values assessment, external evaluation's role; 87R4343
hospital use/quality of care evaluation, peer review organizations; contract summaries; 87R2491
human communication research, cognitive approaches, evaluation standards; 87R6848
information use; evaluative users' locus of control; experimental studies; education students/teachers/parents/school board members; 87T0119
legal procedures, evaluation principles; 87R4448
long-term care, evaluation research/policy issues; 87T0781
medical care policy development, Swedish Commission of Inquiry; interviews; commission members; 87R4887
objective prison classification systems, design/implementation evaluation; 87R4501
objective prison classification systems, development/implementation/evaluation activities; survey; US; 87R4503
organizational/management difficulties, diagnostic screening; 87R5288
prison classification risk assessment instruments, validation research designs/methods; 87R4510
program/policy evaluation, conceptual/analytic framework; 87R6738
qualitative evaluation methods, hard vs soft relativism, Thomas S. Kuhn's/Karl R. Popper's work; 87T0809
risk assessment, ideological uses, expert decisionmakers' roles; historical analysis; 87S1951
science assessment, methodological debate; 87R4546
security classification, predictive ability, limitations/objectives; 87R4500
statewide principal evaluation systems, inconsistencies/breakdowns; questionnaires; principals, superintendents; 87R7981
student achievement assessment, US vs GB; 87T0127

Evangelism
domestic social processes/gender roles/"machismo" attitudes, religious converts, Colombia; evangelical Protestantism; 87R3632
evangelical Anthony Campolo, unorthodox theoretical/sociological positions; book review; 87R2397
Evangelical Church-state relations, East Germany; independent peace movement; 87T0177
evangelicalism (revivalism), manufacturing vs agricultural towns, New York; 1820/1840 US census data; 87S1977
fundamentalist/evangelical religious/political differences; questionnaires, interviews; Ohio Moral Majority; 87R4442
missionary career, moral aspects; interviews, questionnaires, life story narratives; US-based evangelical Christian mission, Ecuador; 87R6244
politicized attitudes, New Christian Right; religious television; secondary data; 87R2409
presidential vote choice, fundamentalists vs evangelicals, US; issues attitudes; national survey; 87T0160
presidential/senatorial elections, 1980, US; evangelical Christian political activity; 87R5909
religious broadcasting, resosurce mobilization perspective; 87R8065
religious socialization/identity, high school students, Evangelical Free Church of America; family/church/school factors; survey; 87R4400
religious/psychological evangelical groups, recruitment/indoctrination processes; 87R1422
televangelism growth characteristics, US; 87R9611
televangelism, factorial causal model; questionnaire; viewers; 87R6216

Evans-Pritchard, Edward Evan
Azande/Nuer peoples, Africa, Edward Evan Evans-Pritchard's ethnographic work, Bronislaw Malinowski's influence; 87R5596
ethnographic/anthropological writing, literary character; Sir Edward Evan Evans-Pritchard's career/publications, 1937-1956; 87R3639

Everyday Life
automobile's impact, US life, sociological inattention; 87R9085
daily life experiences, gender differences, pre-WWII Sèvres, France; life histories; elderly; 87R1495
daily life, USSR, writer A. V. chayanov's Marxist analysis; 87R7020
daily working life, sociologists/writers, Italy; qualitative biographical interviews; 87R5374
ethnographic data, rural Appalachia daily life, hermeneutical approach; 87R5544
everday life, sociological theories, theoretical/methodological issues; 87R9273
everyday life sociology, contemporary developments; literature review; 87R9267
everyday life, behavior explanations, puzzles/resolution; 87R1389
everyday life, environmental problems, life environmentalism theory; 87R9277
everyday life, social action meanings, sociological theory development; 87R1496
everyday life, social meaning construction, ideology's role; 87R6688
everyday rural life, agricultural workers, Picardie, France, conflict/morality; secondary accounts; 87R2194
everyday socialist consciousness, East Germany; 87R7198
everyday world, Alfred Schütz's theories; 87R9175
experience-oriented sociology, system theory, various examples critiqued; 87R9276
French phenomenological sociology, daily rituals' social functions, neo-Durkheimian approach; book review essay; 87R1290
Goffman, Erving, dramaturgy, forms/implications of human social experience, theoretical issues; 87R9275

history of everyday life, Austrian conference proceedings; book review essay; 87R7196
ideal vs everyday behavior, Turkish Jewish culture; case study; 87T1027
legal culture concept; critique/responses; 87R2446
life story, meaning contexts; 87R1289
natural/social science relationship, "verstehen" method evaluated; 87R1498
pluralistic meanings, everyday events; 87R5487
poor families, social work agency relationships, inner-city neighborhoods, US; participant observation, case studies; 87R3488
reasoning/analytical thinking; formal statistical training; experiments; 87R3432
small event assessment inventory, characteristics/development; 87R8999
social system-individual relationship, Niklas Luhmann's theoretical-methodological approach critiqued; 87R9268
sociology of daily life, concept/object/focus; 87R7202
sociology-rationalism, Michel Maffesoli's work; book review essay; 87R5415
worker's everyday life, theoretical analysis; 87R1502
working conditions/daily life, immigrant women, Montreal, Quebec; life histories, government statistics; 1971-1981; 87T0316

Evidence (Legal)
criminal justice processing, extraevidentiary factors, public/scientific concern; 87R2455
surveys, evidentiary value, scientific vs legal concerns; 87R8102

Evil
evil, sociology/anthropology of religion; 87R5602
moral exemplars/values, comparativist anthropological perspective; book review essay; 87R3369
"social problem" concept, religious/evil symbolism; 87R3390

Evolution
fertility rates, industrial development, evolutionary perspective; 87T0298
human action-social structure relationship, theoretical/methodological issues; 87R5418
human intelligence evolution, paleoanthropological investigation, hermeneutical aspects; case study; hunting behavior; 87R7265
human sex-role differences, origins/evolution; 87R3121
individual reproductive success, nonhuman primates; social relationships/cognition; experiments/observation; 87R9203
mammalian brain physiology/development, family acculturation implications; 87T0363
skin color preference, class differences, gene/culture co-evolution; secondary data, Human Relations Area Files; 87R2588
sociocultural systems, material/social-structural/ideological subsystems, evolutionary relationship; Human Relations Area Files data; 87R3375
suicide, sociobiological self-preservation determinants, evolutionary perspective; 87T0359
women's role/gender characteristics, perceptual changes, human history; anthropological literature review; 87R6792

Evolutionary Theories
aggressive criminal behavior; natural selection processes; 87R2912
biological/cultural/technological co-evolution, didactic-pedagogic experiment, Italy; 87R8004
complex organization analysis, population perspective models; 87R9515
criminal behavior; r-selected reproduction approach; 87R8650
Darwinian theory vs biotechnology; 2-book review symposium; 87T0272
evolution/natural selection, sociobiological approaches; 2-book review essay; 87R2586
evolutionary theory, Islamic thought; 87R7015
homosexuality as reproductive altruism, universal-marriage societies, sociobiological theory; 87T0438
London, Jack, evolution/socialism themes; 87R6116
organizational/social change, population ecology perspective; 87R9567
patriotism, altruism; kin selection/socialization factors; comments/reply; 87R5518
political systems' evolution, defense priority; secondary cross-cultural data; 87R1971
political systems' evolution, punctuated equilibria theory; 87R8961
representational cognitivism meme, natural selection perspective; 87T0266
scientific revolution, Karl Popper's/Thomas S. Kuhn's/Paul Feyerabend's concepts; 87R8198
social evolution, Vilfredo Pareto's views, evolutionary theory influences; 87R3317
technological change, evolutionary analogy vs historical economics explanations; 87T0275
world civilization, worldview components, God's role/power; 87R6708

Exchange (Economics)
exchange construction, buyers/sellers, yard sale; 87S1967
group solidarity/individual utility conflict; exchange/reciprocity patterns; 87R3381
jajmani system, exchange/alienation aspects, South Asia; case study; pottery distribution, Malwa village; 87R9320
labor exchange, village households, Hungary; questionnaire, case study; Tiszaigar; 87R9967
primitive trade, exchange values, Papua New Guinea, Melanesia; Marshall Sahlins critiqued; 87R3654
sociology of culture, Pierre Bourdieu's theory; 87R3384
two-person cooperative games, economic vs social/political exchange, interaction model; 87R5502
women fishsellers, Congolese marketplace, social interaction patterns; 87T1031

Exchange Theory
actor/network interdependence, simulation studies, theoretical considerations; 87R9156
adjustment, elderly Korean immigrants, US; social exchange resources; survey; 1981; 87R2793
attributions' role, exchange transactions; power, status, inequity; vignettes; 87S1961
competing exchange rules, social welfare workers; 87S1936
exchange relationships, voluntary organization networks; structural change; survey, interviews; South Dakota 4-H program; 87R1792
fertility decisions, exchange theory; interviews; couples; 1980, 1983; 87T0516
friendship, nursing faculty; scholarly activity, social support, demographic variables; questionnaire; New York, Pennsylvania; 87R2779
group solidarity/individual utility conflict; exchange/reciprocity patterns; 87R3381
interpersonal compatibility, college roommates, exchange/nonexchange orientation; scale; 87R1407
interpersonal utility comparisons, triangulation strategy; 87R6739
marital adjustment/exchange orientation, rural vs urban couples; community size; questionnaire; 87S1990
micro-/macrolevels, social exchange process, analytical issues; 87R9153
morale levels, retired elderly; family interaction frequency; interviews; Ontario; 87T0502
network exchanges; institutional conditions; 87S1970
network structure, strike attitudes/behavior, garment factory; workers' role equivalencies; case study, observations; 87R9448
political exchange paradigm, Italian society; 87R7650
power, exchange networks, vulnerability criterion; critique/reply; 87R1791
power, unilateral monopolies; peripheral vs central position, weak vs strong connection type; 87S1974
power-centrality relationship, exchange networks; 87R5726
woman's status, feudal/post-World War II Japanese society; 87S1962

Executives
career advancement patterns, state correctional executives; 87R7792
career success; subjective vs background/family factors; 87S1957
community development corporations, investment activities, executive directors' recommendations; questionnaires; 87R8729
economic decision making, "satisficing" concept, social psychological perspective; 87R9188
hospital chief executive officers, nuns vs other women, career patterns/opportunities; 87S1937
power perceptions, female corporate directors, US; survey, interviews; 87S1957
preferential recruitment, corporate executives, Korea; 87S1979

Existentialism
automatization, modern life, existentialist-Marxist perspective; 87R6363
existential movement history/current predicament, Western philosophy; 87R5088
psychotherapy, existentialist approach; case study; 87R5459
women's depression, existentialist interpretation; doctoral dissertation excerpts; 87R6599

Expectations
academic self-image development, gender differences; maternal influences; interviews; mothers/children, Baltimore, Maryland; 87R6121
candidate electoral success, voter expectation biases; interviews; US presidential election voters; 1980; 87R2061
career/family expectations, male vs female undergraduates; survey, interviews; University of California, Berkeley; 87S1969

childbearing attitudes/behavior, childless women vs young mothers; significant others' expectations, personal values/motivations; 87R4588
language learning performance; normative expectations, self-perceived abilities; experimental test; undergraduate psychology students; 87R3726
Life Role Salience Scales, validity studies; undergraduates, women faculty, married couples; 87R5612
Malaysian children, mothers' educational expectations; family characteristics, mothers' education/marriage age/premarital work experience; Malaysian Family Life Survey; 87R6174
marital partner idealizations, college students; questionnaires; 87S1969
needs perceptions, Tunisian working class; modernization; 87R7468
self vs partner's perceived inferior ability, males vs females, same-sex dyads; strong vs weak expectations conditions; experiment; 87S1956
student achievement, prison classroom; teacher expectations; participant observation; 87R2465
task-role satisfaction; instruction clarity/source/expectations; experiment; midwestern US university; 87R5689
technological developments, people's adaptations/fears, Western civilization; 87T0840
West German medical establishment, Turkish women's expectations/satisfaction; 87R8471

Expenditures
criminal income/drug expenditures, cocaine/heroin abusers; interviews; New York City; 87S1964
election campaigns, Quebec; diary excerpts; 87R5938
extended family ideology, expenditure patterns, traditional African societies; modernization; questionnaires; families, Nigeria; 87R6160
family finances/teenage employment, adolescents' perceptions; interviews; 87R4676
government science/research defense spending, regional inequalities, GB; 87R5769
higher-status occupational groups, government resource allocation, Thailand; 87R4075
home improvements expenditures, propertyowners; interpersonal trust; tests; Albany, New York; 87R6070
income-expenditure patterns/school life, criminal recidivists; semi-structured interviews; imprisoned offenders, Tamil Nadu, India; 87R8164
medical expenditures-health status relationship, Western nations; 87R8526
population aging trends, Canada, labor force/government expenditures implications; 87R8238
science/technology; military spending; 2-book review essay; 87R4544
social control system, Canada/US, economic vs transcarceral models; 87R8171
social welfare spending, personal income distribution, US; time series data; 1949-1977; 87R1803
welfare programs, immigrants' participation, US; census; 87R8275

Experience
response bias; respondent's previous research experience; mail survey; 87R3199

Experiments
destructive obedience, Stanley Milgram's experiments, inducement factors; 87R3024
deterrence; punishment certainty/severity/celerity; experiment; male college students; 87R8132
experimental social psychology, operationalism persistence; 87R6858
experimentation vs technological production, cognitive/social aspects; 87R8707
Hawthorne experiments, Western Electric Company, Illinois, Elton Mayo's contributions; archival data; 1920s-1930s; 87R5690
multiples distributions, Monte Carlo simulations/Gedanken experiments; 87R6322
negative label/status, others' vs actors' reactions; experiment; 87R7148
obedience/authority, Stanley Milgram's/alternative theories; 87R1437
opposite sex identity, males' vs females' projection; experiment; university students; 87R7096
psychological-administrative violence, administrative obedience vs Stanley Milgram's paradigm; experiment; 87R5199
qualitative experiments, empirical social scientific research; text analysis, social psychology examples; 87R5333
replicability issue, sociology of science; interview transcripts; biochemists; article/comment; 87R2497
statistical error, social work practice/research, explained variance estimation; 87R3226

Experts
academicians as expert witnesses, moral concerns/responsibilities; personal experience; Arkansas Creationism law; 87R2172
decision-making process, public administration, computer use; questionnaire; 87R3181
Delphi-based dissertations, nature/quality concerns; *Dissertation Abstracts* database; 1970-1984; 87R6686
economic adjustments, Polish crisis, policy-making issues; 87R2130
experimental psychologist as expert, advocate vs impartial educator role; 87R4482
experimental psychology expert testimony, courtroom admissibility, legal principles; 87R4498
expert psychological testimony, eyewitness identification issue; 87R4449
expert psychological testimony, eyewitness identification issues; 87R4478
expert scientific testimony, ethical issues, historical perspective; 87R4476
expert testimony, experimental psychologists, ethical principles; 87R4499
expert witnessing, sociologists; interracial violence case study; black teenagers, Arizona; 87R4469
eyewitness identification, legal proceedings, expert psychological testimony; 87R4481
market-research industry, computer expert-nonexpert relationships; participant observation; 87S1931
professional expertise, uncertainty reduction, implications; theoretical analysis; 87R5980
psychological testimony, judicial system's distrust; 87R4450
public opinion research, "expert" samples; 87R1872
science/technology policy making, citizen participation; 87R2486
scientific expert witness disagreement, jurisprudence/policy making, historical case studies; 1860, 1885; 87R4473

Explanation
class nonattendance, college students' justifications/excuses, US; written accounts; 87T0100
methodological individualism, reductionist/explanatory versions; 87R5316

Exploitation
agricultural exploitation, Spanish Estremadure/High Alentejo; interviews; workers; 87T0933
atrocities, victims'/landlords'/public workers' perceptions, Harijans, Indian villages; 87R3561
bonded labor capitalism restructuring; fieldwork; Peru, India; 87R9589
economic exploitation, Adam Ferguson's/contemporary conceptualizations; 87R3282
exploitation, "big-men," Highlands New Guinea social systems; Mount Hagen, Papua New Guinea; 87R3658
farm family exploitation, European Economic Community; 87R5889
industrial relations/working class exploitation, Sierra Leone, 1932-1961; 87R9385
inner-city boxing subculture, US, interaction patterns/social processes; participant observation; 87R7796
labor exploitation/civil repression, black/white working class residents, Black Belt, US South; 87R5908
peasant exploitation, capitalist agricultural firms; 87R3789
Soviet Peasants by Lev Timofeev; book review symposium; 87R5954
sports/economy relationship, 1984 Los Angeles Olympics; 87R3935
women's social role/status, Guaraní society, Paraguay, pre- vs post-Spanish conquest; 87R7117

Exports And Imports
agricultural productivity, Mexico, historical perspective; 87R2184
social change, underdeveloped vs European/frontier societies; export agriculture production; literature review; 87R5742

Extended Family
alienation/strain, extended family system, India; role disjunction; 87R3364
authoritarian personality traits, patrilineal families, Japan; psychometric test; wives; 87R9234
expanded families, Israeli kibbutzim, social/political influence/legitimacy; case studies; 87R4695
extended family ideology, expenditure patterns, traditional African societies; modernization; questionnaires; families, Nigeria; 87R6160
extended family networks, Haitian migrant families, southern Florida; 87R4593
family rituals/roles/decisionmaking, changing patterns, Mexican-American nuclear/extended families; interviews, participant observation; business/professional vs working-class couples; 87R6509

Extension Services
4-H extension youth development educational program, participation impacts; questionnaire survey; farmers, Kentucky; 87R7830

4-H volunteer training, needs assessment methodology; questionnaires; 4-H leaders, Pennsylvania; 87R7813
agricultural education, Cooperative Extension Service's integrated approach, interactive factors; questionnaire survey, site visits; 87S1996
agricultural extension (Training & Visit) system, farmers'/exension workers' attitude scale, West Bengal, India; 87R4158
agricultural technology transfer, Egypt; research activities; statistics; 87S1995
black farmers' poverty/other problems, US South, governmental development/improvement strategies; 87S1928
educational extension programs, local government involvement/needs; 87R7815
extension program, local library system's role, Texas County, Missouri; 87S1994
extension science, function/role/emphases; 87R2202
farm organizations/agencies, farmers' utilization; farming dependence; questionnaire; Mississippi; 87S1928
Kenya vs Iowa Cooperative Extension Services, organization/functioning; 87S1988
performance/job satisfaction, county extension agents, Cooperative Extension Service; orientation program/training; questionnaire; agents/supervisors, southern US; 87S1928
personnel turnover, agricultural specialists; USSR; questionnaire; 1985; 87R9961
program/policy evaluation, conceptual/analytic framework; 87R6738
volunteer/involvement levels, adult 4-H leaders; social background/personality/attitudinal factors; questionnaire; 87R7835

Extramarital Sexuality
family structure changes, US; societal forces; 87R6496
matrilineal inheritance patterns, associated factors, female extramarital sex/paternal probabilities; article/comments/response; 87R1612

Extrasensory Perception
crime/traffic accidents; group meditation/prayer; questionnaire, statistics; 87R4435

Extraterrestrial Space
space-based culture, human factors; 87R5130

Factionalism
elitist/countercultural/existential value models, Israeli kibbutz societies; 87R5109
immigration/settlement patterns, Asian Indians, US; historical case study; Sikhs; 87R1557
internal disaffection/conflict, Freemasons, GB; 87R5733
intradenominational ideological conflict, Mennonite society, US, resource mobilization theory; primary/journalistic documents; case study; 87S1965
liberal democratic institutions, Uruguay; 87R2007
pillarization studies, deterministic vs strategic paradigms; 87R3357
power relations, de Lindenburgh monastery, Netherlands; literature survey, participant observation; 87R4365
revolution recruitment/involvement, Aliabad village, Iran; community change/participation, economic/ideological alternatives; 87R2386
voting patterns, Uruguay; social/political/structural factors; election results; 87R1976

Factor Analysis
crime level, composite index construction/validation; *Uniform Crime Reports*; metropolitan areas; 1976-1980; 87R5048
factor analysis, behavioral science uses; socioeconomic data; India; 87R6900
factor analysis, instrumental variables technique; 87R9003
factor analysis, longitudinal data, common/specific/error variance estimation, low- vs high-technology methods; article/comment/reply; 87R6898
ipsative variables, common factor model; General Social Surveys; 87R3227
parental socioeconomic status, children's/parents' reports, statistical measurement model; secondary data; 87R3239
principal components vs common factor analysis; 87R3221
roll-call voting patterns, Guttman scaling vs factor analysis techniques; 87R6906
structural equation models, "improper solutions," outliers' role; 87R6890

Factor Structure
scale correlates/factor structure verification, experiential state measurement; questionnaire, scales; university students; 87R9238

Factories
factory council system, Antonio Gramsci's theory; 87R3351
factory organization, economic democracy; 2-book review essay; 87R3713
productivity/workplace safety; capital/labor power relations; case studies; Chrysler automobile plants, Ryton, GB/Poissy, France; mid-1970s, mid-1980s; 87R9407
worker productivity/safety, cooperative vs conventional plants; observation, interviews, questionnaires; plywood plants; 87R7305
worker resistance, paint/garment factories, San Francisco, California; participant observation; 87R5662

Failure
urban spatial organization/planning, local regressive developments; 87R9977

Faith Healing
sorcery/illness/social control, Philippine municipality; 87R8489

Falkland Islands
Anglo-Argentine conflict, Malvinas (Falkland Islands), residents' attitude changes; questionnaires, interviews; 87R9698
children's/adolescents' alcohol use, cultural norms/socialization, Falkland Islands countryside; participant observation, fieldwork; 87R2855

Falsification
error/information distortion, judicial programmed instruction procedure; 87R2452

Familism
Sicilian immigrants, occupational success, 19th-century Louisiana; familism; 1900 US Census; 87R8383
social interaction patterns, migrant individuals/groups; familism; 87R5564

Family
adult-equivalent income, poor households, Oaxaca, Mexico; domestic cycle stage; cross-sectional/ethnographic data; 87R6469
cadaver organ donation decisions, families/doctors/outside health professionals, role interactions/locus of control; observations, interviews, questionnaires; US; 87T0624
career/family compatability, eminent men/women; *Who's Who in America* data; 87R2137
career/family expectations, male vs female undergraduates; survey, interviews; University of California, Berkeley; 87S1969
demographic transition, John C. Caldwell's theory critiqued; 87R6524
divorce adjustment, gender differences; family stress; questionnaires; Texas; 87T0495
economic development, comparative analytical approaches critiqued; 87S1972
educational/occupational attainment; family background personality/cognitive variables; questionnaire; European/Japanese Americans, Hawaii; 87R1459
employment/occupation patterns, early 20th-century French urban families; government surveys, historical data; 87R6018
family adjustment, Soviet Jew/Vietnamese immigrants, US; participant observation, interviews; 87S1958
family ideology, 19th-century Morman theology; 87R2712
family income distribution/inequality, industrial nations; Luxembourg Income Study; US, Canada, Israel, UK, Germany, Sweden, Norway; 87S1960
family issues, conservative/moderate/liberal attitudes, US; religious denomination/attendance; General Social Surveys; 1972-1984; 87R6206
family participation, Parent-Teacher Association, US; family/environmental factors; Panel Study of Income Dynamics; 1968-1972; 87T0134
family social policy, US, values/religion roles; 87R4747
family sociology, terms/concepts, India; 87R4758
family sociology, West Germany, research topics/methodology; 87T0519
family/marriage attitudes, Portuguese young people; national survey; 87R8338
family/social security law, Australia; 87R4447
family's social representations, France; secondary survey data; 87R4698
historical monument preservation, Polish rural families' attitudes; 87R2191
homeless families, New York, shelter policy; 87R8819
homeless family members, population characteristics, National Health Care for the Homeless Project; 87S1966
males' vs females' income mobility, labor/marriage markets; social background; panel data; 87R2655
mammalian brain physiology/development, family acculturation implications; 87T0363
marriage/family institutions, historical/current trends, Trinidad/Surinam/Guyana; participant observation/interviews/other data; 87R6490
New Christian Right, social science analysis; response/reply; 87R4395

residential mobility; marriage, divorce, widowhood; longitudinal interviews; 87T0020
social selection, school system, France; survey; 1962, 1972; 87T0142
suicide; family/socioeconomic variables; cross-national comparisons, published statistics; 87R5508
US family identity/intergenerational continuity; strong lineage identity, family reunions; questionnaire, interviews, participant observation; 87S1997
work-family relationship, Europe/US; journal issue editorial; 87R6440
work/family life, US working class, early 20th century; historical data; 87R6512

Family Farms
agricultural innovation, Guatemalan peasant farm families; literacy skills; panel study; 87R4307
agricultural survival strategies, family farmers, mid-Atlantic US; urban growth; participant observation, interviews; 87R4151
capitalist agriculture research, GB, political economy approach; literature review; 87R6037
credit crisis, tenancy-indebtedness cycle, family farms; 87R6041
family farm enterprises, patriarchy/property concepts, David Goodman's/Michael Redclift's theory critiqued; 87R6028
family farm persistence, US, competitive advantages; 87S1995
family farm problem, US; 87R2210
family farming, internal/external relations; comment; 87R6505
family farming, US, Marxist-based reconceptualization; 87S1990
family farms'/farm families' characteristics, Yugoslavia; census/other data; 87R9938
family roles/occupational aspirations, gender differences, Iowa farm families; production agricultural changes; 87R7837
farm business, GB, typology proposed; 87R9972
farm products market reorganization, France; agricultural legislation; 87R6031
farming, intergenerational succession, Swedish- vs Yankee-origin farms, Illinois; family values/norms; field study; 87R4173
irrigation agriculture, small-scale family farms; bureacratic control/management; case studies; Israel, Sudan, Kenya; 87R4163
kinship/inheritance/household/socialization patterns, Farndale farming community, England; case study; 87R6050
labor allocation, on-/off-farm work, family farms, North Carolina; farm/family/sociodemographic characteristics; 87S1986
marital quality/stability, farm households; status competition vs status enhancement models; mailed questionnaires; 87R5211
part-time farming, structural changes; secondary/survey data; England, Wales; 87R6029
personal/financial situation, farm operators/families; farm crisis; longitudinal survey data; 87S1988
pre-World War I family farms, noncapitalist production, England; 87R9963
rural family farm crisis, critical theory perspective; 87S1993
self-identification, farm spouses, Wisconsin; agrarian ideology/values; 87S1994
unpaid family labor; modernization; International Labor Organization statistics; cross-national analysis; 87R2653
yeoman-ethnic group territorial expansion/tenacity, US; field studies; German communities, Illinois; 87S1995

Family Life
academic achievement/self-concept, elementary school students; home environment variables; Wisconsin; 87R3452
adaptation strategies/gender roles, Vietnamese refugee families, Philadelphia, Pennsylvania; family system; participant observation, interviews; 87R9224
anthropological research, migrant labor, South Africa; 87R4108
career advancement, female social workers, dual-career families; family lifestyle; questionnaires; 87R7737
children's rights/family life, Polish legislation; 87T0376
Chinese peasant families' lives, Jiangsu Province, British documentary films; interviews; filmmakers; 87R6840
chronically ill children, family life management; impairment severity; 87T0486
coping problems, alcoholics' children; child characteristics, caregiving environment; longitudinal data; Kanai, Hawaii; 1955-1973; 87R8616
current religious thought; 2-book review essay; 87R8080
delinquent vs nondelinquent adolescent boys, family interaction patterns; self-report/observational measures; 87R8684
divorce's long-term psychological effects, children; postdivorce family life; questionnaire, interviews; U students, California; 87T0492
domestic life image, family studies, methodological implications; 87S1937
domestic social processes/gender roles/"machismo" attitudes, religious converts, Colombia; evangelical Protestantism; 87R3632
economic equality, collective vs individual need satisfaction, *moshav shitufi* settlements; utopian communalism; Israel; 87R5108
employment-criminality relationship; criminal records, employment history, home-life/demographic data; youths aged 13-18, Youth Services Center, Philadelphia, Pennsylvania; 87R5070
employment/occupation patterns, early 20th-century French urban families; government surveys, historical data; 87R6018
family changes, Palestine; survey, interview, historical-description; West Bank/Gaza Strip regions, 1967-present; 87R1527
family cohesion/adaptability; ethnicity, acculturation/intracultural variation; Family Adaptability & Cohesion Evaluation Scales-II; Anglo/Mexican-American parents; 87R6499
family conflicts as popular culture; 87R6486
family life research, life-course perspective; 87T0468
family life satisfaction/nonwork activity, adult males; work schedules; Canadian Quality of Life Survey; 87R9427
family life, Western industrialized countries, morphological/functional typologies; 87R8368
family life/decision-making behavior, fiscal policy implications; 87R8377
family lifestyle attitudes/plans, high school students; peer/parent influences; questionnaires; Ohio; 87R5534
family lifestyle, urban migrants; early socialization; 87T0444
family member statuses, demographic change implications; 87T0514
family needs, diabetic child families, mothers' perceptions; questionnaires, interviews; 87R2707
family respect/integrity protection, Article 8, European Convention of Human Rights; 87R6265
family sociology, West Germany, research topics/methodology; 87T0519
family stress/adaptation, Double ABCX model; questionnaires; relocating US Army families; 87R2678
family structure/functioning, technological societies; family life education; interviews, personal observations; Denmark, Austria, Germany, Sweden, US; 87R2340
family-individual development, dynamic processes, historical changes; 87R2594
family-school relationships, working-/middle-class communities, cultural capital concept; participant observation, interviews; 87R7691
family/career priorities, professional men/women; 1980s; 87R2167
family/health functioning, first- vs remarried families; canonical correlation analyses; 87R6503
family's socioeconomic characteristics, USSR; life-cycle stage; 87R4753
female labor, rural migrants, Lisbon, Portugal; 87R4694
health consumerism, children's role, western/southern US; self-report surveys; 87T0622
home care services, elderly, case management program; interorganizational relationships; case study, participant observation; 87T0743
household cycles, demographic/microsimulation models; hypothetical case studies; 87R9016
household division of labor/psychological well-being; male vs female unemployment; mail questionnaire survey; 87R3736
illness etiology, "natural" designation, Tswana-speaking black urbanites, South Africa; township socioeconomic conditions; survey; 87R3595
in-home nursing/aid service use, elderly; primary/secondary family caregiver characteristics; interviews; Cleveland, Ohio; 87T0728
individual life course/household behavior, Netherlands; demographic research techniques; 87R8367
individual/family time patterning; survey, interviews; university students, married couples; 1981; 87R9196
intergenerational family relations, measurement issues; secondary data; California; 87T0479
intergenerational relationships, elderly/adult children; questionnaires, interviews; 87T0726
Japanese family structure, William J. Goode's work; 87S1969
job involvement, salaried/wage employees, Finland; interviews; 1980s; 87R1740
juvenile delinquency precursors, predictive efficiency; longitudinal data; 87T0825
juvenile delinquency; kinship/family networks; 87S1973
kinship network/family life course, peasant households, Brittany, France; longitudinal/field data; 87R7256
leisure patterns, gender differences, GB; family life-cycle stage; General Household Survey; 87R7540
living in parental home, young adults' propensity; family size/birth position/socioeconomic/other factors; national survey; 87S1947
long-distance truck drivers, Brazil, living conditions/social patterns; interviews; 87R3600

marital rape, family context; 87T0790
marital/family life satisfaction, southern black husbands; income, health, education; in-home interviews; 87R6413
marriage/childbearing expectations, single white females; interview survey; rhetorical analysis; 87R8386
media interaction, family structure/myth; case studies; two families; 87R4748
metabolic control, non-insulin-requiring diabetes; family characteristics; scale; 87R6568
military families, institutional/occupational conflicts, US; 87R7361
modern family enterprises, utilitarian vs moral motivation; 87R4780
morale levels, retired elderly; family interaction frequency; interviews; Ontario; 87T0502
New Right movement, family morality issues, US vs GB; 87R3969
"normal families" population proportion, UK; 1981 census data; 87R4700
perceived vs actual issue agreement, husbands/wives; family life cycle, number of children; questionnaires; Canadian community; 87R6506
prisoners'-of-war families, coping strategies; longitudinal data; 87R9479
psychological father absence, intact families, cybernetics systems theory approach; 87R2648
relationship satisfaction, elderly mothers-adult children; interaction quality/affection; interviews; 87T0473
religious beliefs/practices/values, young parents, Swiss Catholic families; questionnaires, interviews; 87R6431
rural-urban transition, Friulian region, northeastern Italy, housing activity; 87T0021
self-esteem, gifted adolescents; family environment; questionnaires; 87R5525
sex-role identity valor, male kibbutz soldiers, Israel; childrearing practices; psychometric tests; 87R3462
sexual matters/issues, family policy, British New Right groups; 87R2657

social/learning activities, adolescents, development of mastery; educational career, social class; longitudinal interview survey; 87R2323
structural evolution, parental households, Tilburg, Netherlands; demographic/industrial development; population register data; 1880-1920; 87R3803
umemployment differentials, young men, GB; housing tenure, early fatherhood; Labour Force Survey; 87R2616
US Army family relocation, West Germany, support program needs; questionnaire; 87T0485
value orientations; nonfamily living; National Longitudinal Surveys; young men/women; 87R2710
verbal conflict/questioning episodes, family dinners, discourse organization; videotapes/audiotapes; 87R3469
work-family conflict; job/family involvement; questionnaire; university employees, northeastern US; 87T0461
working class families' budgets, discretionary control, 19th-century Massachusetts; statistics; 87R2101
working class, Czechoslovakia; content analysis; sociology journals; 87R6988

Family Planning
childbearing experiences, self-/family-role images, working mothers, Nigeria; literature review, questionnaires; 87T0546
family planning measures adoption, married women, Patna (Bihar), India; educational/occupational/family status; survey; 87S2000
family planning policies/programs, India, implementation strategies; discussions, observations; 87S1930
family planning policy, China, leniency trend; 87T0544
family planning program, Indonesia, implementation strategies' success; field research/interview survey/other data; 87T0559
family size, Nepal; value orientations, background variables; Terai Development Survey; 1977/78; 87R3653
family size; family configuration; secondary data; 87R2727
fertility decisions, exchange theory; interviews; couples; 1980, 1983; 87T0516
fertility decline/differentials, Korean provinces; social structure, family planning program; statistics; 1966-1980; 87R2558
fertility, Filipino vs US women; supply constaints vs child mortality/contraceptive practices; national surveys; 87R8230
first- vs repeat aborters' characteristics, adolescent women, Los Angeles, California; medical records; 87T0676
national family planning policy, India; 87R4600
population policy changes, Singapore, pro-fertility goals; 87R8447
population practices, rural indigenous community, Mexico; government demographic policies; 87R3084
quality of life, developing countries; demographic factors; 87R8269
single-child family rates, China vs other nations; census data; 87R2686
vasectomy applicants, screening process, eligibility criteria; mail questionnaire survey; family planning clinics, doctors; 87R2732

Family Policy
aged people, state vs adult children as support sources; Australian legislation; 87R8626
child welfare conditions, Argentina/Latin America, legal system/policy issues; 87T0371
child/family law, Canada, parental vs state rights; 87T0381
children's rights/welfare, Aotearoa, New Zealand; 87T0506
equality principles/conceptions, family court practices, West Germany; divorce cases; 87R8848
family law, Belgium; statistics, literature review; 87T0512
family relationships, legal policy trends, France; 87R8349
family size/structural changes, China; demographic factors; statistics; post-1950; 87T0521
government family policies, Western Europe, impact analysis; 87R8352
household types/cycles, Latin America, urban anthropological approaches; journal issue editorial; 87R6416
husband-wife equality, Belgium; new matrimonial law; interviews; females; 87R8117
law/politics/family power issues, critical analysis; 87T0501
National Fund for the Protection of the People and the Family, Hungary, 1940-1944; 87T0448
one-child family policy, old age security implications, People's Republic of China; observations, interviews; 1976-1983; 87T0307

Family Power
adolescent gender/delinquency patterns; household class structure; interviews; Toronto, Ontario; 87R6665
family headship succession; sex, kinship category, generation; interviews; Hamilton, Ontario; 87R6482
law/politics/family power issues, critical analysis; 87T0501
matrimonial disputes, individual marital choices, 16th-/17th-century England; family/friend network power; church court records; Durham; 87R8402

Family Relations
affinity/maintenance strategies, married couples, women's perceptions; inventory; 87T0445
aged care, Irish-American ethnic group; historical data; 87R6631
aged people, state vs adult children as support sources; Australian legislation; 87R8626
aging parents/middle-aged children, caring/support relationships; secondary data; 87R2891
alcohol use initiation, adolescents; personality/peer/family factors; longitudinal questionnaire data; 87R2842
alcohol/tobacco/marijuana use, Canadian adolescents; family's/friends' influence; Ontario; 87R8588
alcoholism, family coping patterns/problem-solving styles; 87R4977
alienation/isolation myth, elderly, US; 87R2693
Australian family policy, permanency planning approach; 87T0370
autonomy perceptions, Australian vs Singapore adolescents; family cohesiveness/cultural factors, gender; questionnaire; 87R4664
cardiovascular disease prevention, family psychosocial factors; 87R8520
child competence; family structure/process resources; interview schedules; 87R4782
child/family law, Canada, parental vs state rights; 87T0381
childrearing attitudes/behaviors, preschoolers' mothers, rural/mining towns, Australia; extrafamilial/background factors; interviews; 87R4636
conflict resolution, parent-child transmission; race, sex; scale; college students; 87R4784
cultural adjustment, refugee/immigrant Vietnamese families, Victoria, British Columbia; family norms, homeland emotional attachment, host country similarities/differences; interviews; adult family members; 87R4779
displaced South Korean families, televised Family Reunion Program; 87R3879

elderly family member care, full-time working women, work-life management; community/employer/friend support; interviews; 87R7303
elderly household status/composition, rural community, Kentucky, historical change; census; 1900-1980; 87R4992
elderly, family/informal care, Sweden; literature review, national statistics; 87R8636
elderly, social support networks, gerontological research issues; 6-book review essay; 87T0761
emotional bond formation, adoptive families; narrative interviews; 87R2672
employment characteristics, female earthquake victims, Mexico City; survey; 87R8776
extrafamilial relationships/interaction networks, mother's/wife's liaison role; conjugal role segregation; 87R7401
factory-working daughters, family economic contributions, peasant villages, north-central Java; 87R3825
family care myth, Asian-American elderly; census data; 87S1950
family health care research, methodological/measurement problems; case study; 87R8417
family relationships/stress/self-esteem/role expectations; chronically ill/handicapped children's presence; Michigan Early Adolescent Survey; 87R2754
family role assumption, husband/father role, men's perceptions; semi-structured interviews; Boston, Massachusetts; 87R2654
family roles, husbands' housework participation, Korean vs US-immigrant Korean men; national family values, technological resources; mail survey; 87R3118
family systems, self-perception factor diagrammatic assessment technique; case example; 87R8423
family systems/therapies, organizational/dramaturgical aspects; 87R4699
family-work interactions, working class, pre-/post-World War II US; industrialization; case study, interviews; Studebaker Automobile Corporation, South Bend, Indiana; 87R3702
family/fatherhood role, psychological anthropology perspectives; literature review; 87R6473
family/motherhood concepts, China; revolutionary events, government policy; interviews; 87R4732
family/work relations, professional vs nonprofessional working mothers, capitalist societies; literature review; 87R4707
father-child interaction, media role image, US; field observations, *Saturday Evening Post* cartoons; pre-1970 vs 1971-1978; 87R3426
female family heads, succession barriers, urban households, Osaka, Japan; historical records; 1707-1872; 87R8868
food/family/gender constructs, group culture; 87R8913
frail elderly, caregivers' emotional strain; interviews; Norway; 87T0491
grandparenthood experience, first-time grandparents, Aberdeen, Scotland; 87R6428
grandparenthood, life cycle significance; interviews; couples, Aberdeen, Scotland; 87T0739
heterosexual/homosexual/parent-child relationships, gay fathers; questionnaires, scales; Minnesota; 87R3124
homosexuality as reproductive altruism, universal-marriage societies, sociobiological theory; 87T0438
household work/family leisure activities, father's participation, France; wives' employment; secondary survey data; 87R6444
Indian immigrants, Canada, social adjustment; participant observation; 87R3546
infant caretaking role, fathers; economic/ideological factors, parenting attitudes; interviews; married/cohabitating men; 87R2685
intergenerational relations, post-World War II Italy; census data, published studies; 87R6427
intergenerational/intragenerational relationships, elderly-family/friends, Italy; secondary survey data; 87R2877
kinkeeping role, family division of labor; interviews; adults, Hamilton, Ontario; 87R2689
leisure experience, homemakers vs working women; interviews; Wisconsin; 1983; 87R9660

life opportunities, working-class vs white-collar class; family material/cultural level; 87R4067
Life Role Salience Scales, validity studies; undergraduates, women faculty, married couples; 87R5612
marital roles/intimacy/power; cancer diagnosis/remission; interviews, written narratives, case study; 87R4754
marriage rates, native white American males; cohort/family background/socioeconomic factors; 87S1952
menopause attitudes, middle-aged women, Peru; role satisfaction; Kupperman Menopause Index; Puente Piedre; 87R3631
mental hospitalization, betrayal notion; 87R2839
modernity, acculturation, family/national values, Italian/Turkish immigrants, France; 1950-1970; 87R3813
mortality patterns, familial role-related risks, Chinese vs American vs Chinese American societies; 87R8248
mothering behavior, single fathers, individualist vs microstructuralist paradigms; questionnaires; 87R9240
myocardial infarction episodes, individual's care-seeking behavior; family; interviews; 87R8456
nonpsychiatric health service utilization, gender differences; illness rate, socialization, role factors; secondary data; health maintenance organization members, Maryland; 87R4886
normal vs hearing impaired preschool children, family stress/coping/adaptations; survey; 87R8293
nursing home patients' care, relatives' interference, Erving Goffman's "total institutions" paradigm; 87R4868
nursing home placement, aged persons, institutionalization decision; interviews; 87T0768
nursing home policies, family orientation/needs; interviews; staff/family members; 87R6632
obese adolescent females, family dynamics, ethnographic/interview data; interviews; 87R8494
old age, social roles/statuses, cross-national/-historical analysis; UN data; 87R2882
orthodox Judaism's survival, women "returnees"; traditional family/community/sex-roles breakdown; participant observation, interviews, questionnaire; orthodox synagogue/Lubavitch Chassidic communities; 87R6188
parent/grandparent/marital role activities, retired Israeli workers, pre- vs postretirement; questionnaire interviews; 87R5004
parenthood choice, career-oriented women; psychosocial factors; questionnaire; graduate students; 87R4752
patient-doctor communication; home setting, family members' knowledge; checklist; 87R8511
perceptions of others/stereotyping; family structure; questionnaire; 87R3418
physical/mental health; family factors; literature review; bibliography, article/comment; 87R4820
postmarital residence patterns, rural Catalonia, Spain; farming, industrialization/modernization; census data; post-Civil War; 87R6437
prisoners' families, financial/psychological/social burdens, policy implications, GB; interviews, written documents; 87R8412
professional involvement, highly educated females; family life variables; questionnaire; 87R8884
promotion interest, employed women; familial role/workplace factors; interviews; Forsyth County, North Carolina; 87R7733
provider role, two-job families, definitional/measurement issues; 87R4733
psychological masculinity/femininity/androgyny; work/family demand/reward structures; 87S1983
psychopathology, disabled children's siblings; chronic family stress; inventory data; 87S1948
role choice/satisfaction, self-esteem, women; mothers' role choice/satisfaction perceptions; self-report inventories, interviews; Connecticut, New York; 87R8910
sex-typical/atypical blue-collar employment, females; ethnic origin, family background, socioeconomic status; National Longitudinal Study of the high school class of 1972; path model developed; 87R1658
social class self-placement; husband's/wife's status; General Social Surveys; 87R5963
social-psychological well-being, black-white differences, married women, US; employment, dual-role stress; Quality of American Life National Surveys, 1971, 1978; 87R1416
teen parenthood, father-child relationship; adolescent mothers, Wisconsin; 87S1953
wives' power, nonindustrial societies; nuclear vs extended family structure, residence/descent patterns; ethnographic data; 87R4774
wive's wage-earning role, peripheral status, GB; supplementary benefit legislation; interviews; married/cohabiting couples, Hartlepool; 87R6468
women's family-work role integration, Indonesia vs US; literature review, personal observation; 87T1002
womens' life course, research strategies, longitudinal/archival data; 87R3094
women's responsibilities, Victorian-modern times, housing design issues; 87T0988
women's work, occupational characteristics/satisfaction, couples'/employers' strategies; interviews; female social security/hospital employees, France; 87R6479
work/education/family formation patterns, women; sex-role innovation; longitudinal interviews/questionnaires; 87R6808
work/family role interactions, professional vs clerical vs blue-collar Chicanas; interviews; 87R4749
working women, South Africa; 3-book review essay; 87R9378
youth aesthetic education, USSR; questionnaire survey; adults, teenagers; 87R8387
youth crime rates, US; official data; 1965-1983; 87R5034

Family Size

adoption behavior, white women, US; national survey; 87T0496
birthrate decline, young adult couples, European areas, USSR; social/occupational factors; questionnaire; 87R2725
childbearing completion timing, successive US female cohorts; Current Population Survey; 87T0313
childrearing attitudes/perceptions, married/single women preferring no/one/two children; first child's birth; questionnaire; 87R4708
children's poverty; family size changes; 1964-1983; 87R8807
criminal behavior; r-selected reproduction approach; 87R8650
educational attainment, males; sibship size, family variables; national surveys; 87R2297
educational attainment/earnings, sex differences; birth order, family size; survey data; 87R2361
family size, Nepal; value orientations, background variables; Terai Development Survey; 1977/78; 87R3653
family size, social/physical/other effects; literature review; 87R8426
family size, Third World countries; old age security beliefs/values; interviews; couples, south-central India; 87S2002
family size/structural changes, China; demographic factors; statistics; post-1950; 87T0521
family size; family configuration; secondary data; 87R2727
family transaction/contraction, Canada; children's departure; 1971/1981 census data; 87R8262
fertility decisions, exchange theory; interviews; couples; 1980, 1983; 87T0516
fertility determinants, South Asian nations, children-as-insurance model; literature review, Bangladesh Fertility Survey; critique/reply; 87R8266
fertility pattern, Estoria, USSR; statistics; 18th-20th centuries; 87T0312
fertility, family size differentials, ever-married women, Jordan; occupational/age/educational/contraceptive use variables; 1976 national survey; 87R8225
health differences, soviet women; fertility/other variables; 87T0478
individual's social development; birth order; statistics, literature review; West Germany; 87R4740
one-child policy, China, achievements/potential; 87T0561
poverty/deprivation, Hungary; interviews; 87R3059
sibship size/birth order, intellectual effects; critique/reply; 87R7183
socioeconomic life cycle/family, white couples; government surveys; 1962-1973; 87R9836
US fertility rate, 1867-1955, parity progression model; census/survey/other data; 87T0554

Family Structure

adolescent psychosocial adjustment; parent's marital status; survey; high school students, Quebec; 87T0425
agricultural/family/economic structure, rural Algeria; industrialization; interviews; Bouhmama commune members; 1972, 1982; 87R7412
anorexia nervosa incidence; birth order/sibship factors; retrospective case notes; 87R4963
birthrate trends; intergenerational/gender relations; 87R2542
bulimia, self-esteem/-identity problems, social deviance perspective; familial/cultural values/attitudes; interviews, questionnaires; 87R6603
child competence; family structure/process resources; interview schedules; 87R4782

family rituals/roles/decisionmaking, changing patterns, Mexican-American nuclear/extended families; interviews, participant observation; business/professional vs working-class couples; 87R6509
family size; family configuration; secondary data; 87R2727
family stability, USSR; social adaptation/integration; questionnaires; couples, Lithuania; 87T0523
family stress, Reuben Hills' ABCX vs contextual models; 87R2711
family structural taxonomy, interdisciplinary research, theoretical/methodological issues; literature review; late 19th century-1983; 87T0500
family structure changes, Sweden; statistics; 87R8396
family structure changes, US; societal forces; 87R6496
family structure, India; industrialization, urbanization, socioeconomic changes; 87R2695
family structure, joint Madhava Brahmin families, Bangalore, India; socioeconomic factors; 87R8421
family structure/conflicts, South vs other US regions; national survey; 1976; 87S1986
family structure/functioning, technological societies; family life education; interviews, personal observations; Denmark, Austria, Germany, Sweden, US; 87R2340
family system theories, India; 87R4728
family transaction/contraction, Canada; children's departure; 1971/1981 census data; 87R8262
family type preferences, social/economic factors, Taiwan; national survey; 87T0520
family values/attitudes/behavior, Portuguese youth, post-1974 revolution; statistical/interview/other data; 87S1999
family/economic structure, Australia/Europe/GB, societal complexity vs structural-functional explanations; 87R8381
family/gender roles, blue-collar families, Ohio; economic recession; interviews, questionnaires; 87T0443
family/gender/state relations, China; 2-book review essay; 87R5772
family/household composition change, US; Panel Study of Income Dynamics; 1970s; 87R4777
family/household models, 16th-19th century Europe; 87R3585
family/mate selection patterns, India research/practice contradictions; literature review; 87S1938
family's social representations, France; secondary survey data; 87R4698
female family heads, succession barriers, urban households, Osaka, Japan; historical records; 1707-1872; 87R8868
fertility, Seychelles plantations; female wage labor, household size; ethnographic fieldwork; 87R7274
Goode, William, *World Revolution and Family Patterns*; 87S1980
gradual social change, Amish families; questionnaire; US communities; 87S1932
household composition, regional differences, 19th-century Portugal; electoral census, "Rol da Desobriga" residential listing; Minho municipalities; 87R2684
household structure, retrospective survey response inconsistency; national panel survey; young women, US; 87R3183
household structure, US elderly; race, ethnicity; census; 87R6470
household/family structure, 19th-century Cuenca, Spain, diachronic analysis; archival data; 87T0498
household/family structure/migration patterns, Puerto Ricans, metropolitan New York/New Jersey; census data; 87R4612
household/family types, labor migrant community, South Africa; resource access, agricultural policy; 87R3587
in-home child care research project, feminist researcher's difficulties; 87R3720
Indian immigrants, Canada, social adjustment; participant observation; 87R3546
intrafamilial knowledge transmission; 87R8406
Japanese family, traditional/modern characteristics; 87R8375
kinkeeping role, family division of labor; interviews; adults, Hamilton, Ontario; 87R2689
living arrangements, single adults, Canada; age/gender/other factors; 1979 Micro Data file; widowed/separated/divorced males/females, aged 18-34/50+; 87R4658
living arrangements, young adults, Europe; home-leaving timing; cross-national survey; 87R8311
marital verbal/nonverbal interaction styles, identical ordinal position dyads; Hill Interaction Matrix, Cognitive-Affective Rating Scale; 87R4714
marriage/family patterns, Mozambique; traditional vs new legal system; field research; 87R4775
matrifocal family/mating system, Trinidad, kinship/biology relationship; fieldwork; 1970; 87R3589
media interaction, family structure/myth; case studies; two families; 87R4748
mental development; family configuration/interaction; national data; 87S1944
Mexican immigrants' adaptation, US labor market/society; household composition/structure; interviews; 87R5556
modern Japanese family, internal/external structure; 87R4741
nutritional standards, single- vs two-parent state welfare families; interviews, food diaries; women; 87R2651
parent/adolescent relationships; child's gender, sibling spacing, family size; interviews; eighth graders; 87R6393
peasant religiosity, northwestern Catholic parish, Portugal; 87R2371
perceived life experience, religious congregations; family life changes; questions; pastors/members, Lutheran Church; 87R2670
perceptions of others/stereotyping; family structure; questionnaire; 87R3418
personality/cognitive development, adolescents; family structure, parental religion; psychometric tests; 87R6243
population distribution, Madrid/León, Spain; social class; administrative/church records; 87R9809
postmarital family reorganization; remarriage courtship; literature review; theoretical approach developed; 87R6407
postmarital residence patterns, rural Catalonia, Spain; farming, industrialization/modernization; census data; post-Civil War; 87R6437
poverty/income distribution, Uruguay, authoritarian government policy; 87R7866
recreation choices; housing type/household characteristics; household survey; Mississagua, Ontario; 87R1932
religious behavior, male vs female adolescents; parental marital status; questionnaires; Montreal, Quebec; 87R8300
religious/family integration, Emile Durkheim's theory; state-/county-level data; 87R2740
residential burglary opportunity; family vs neighborhood family composition; survey; England, Wales; 1982; 87T0804
second demographic transition, family type/internal migration flows; 87R9987
sex-role attitudes/family plans/role models, adolescents; dual- vs single-career family backgrounds; questionnaires; high school students, southwestern US; 87R1477

social network, Indian immigrant family, Toronto, Ontario; 87R3530
social networks, black/white rural families, structural characteristics/supportiveness; interviews; mothers, Georgia; 87R2662
social organization, demographic patterns, Portugal; 16th century-present; 87R2203
society aging trend, family socialization/adult transition patterns; 87R8361
stepfather family, dynamics/integration, therapy issues; literature review; 87R4766
stepparent perceptions; family structure; ratings; college students; 87R6435
stress adaptation, families; family system type; Family Adjustment and Adaptation Response (FAAR)/Circumplex models evaluated; 87R2677
suicide, US; religious/family integration variables; 1933-1980 official data; Emile Durkheim's theory tested; 87R8452
systemic functioning, social-psychological processes; 87T0482
unemployed steel workers' households, South Wales; economic crisis; interviews; married couples; 87R6449
unemployment-family well-being relationship, interviewing factors, Canada; 87R9460
US family identity/intergenerational continuity; strong lineage identity, family reunions; questionnaire, interviews, participant observation; 87S1997
waged/unwaged work relationship, US/southern Africa/Mexico; household/labor force gender-based structure; 87R5787
well-being/life satisfaction, single-parent, remarried/intact families; phone interviews; Dayton, Ohio; 87R8354
wife assault rates, risk factors; interviews, medical/school records; New Zealand; 87R5195
wives' power, nonindustrial societies; nuclear vs extended family structure, residence/descent patterns; ethnographic data; 87R4774

fertility analysis, Easterlin-Crimmins Synthesis Model critiqued; US, Colombia, Costa Rica, Nepal, Sri Lanka; 87R4607
fertility behavior, Filipino women; pregnancy status evaluation/other factors; survey; married women, Misamis Oriental, Philippines; 87R6414
fertility decision/outcome conflict, married couples; husbands' vs wives' demographic/attitudinal/interactional variables; interviews; Los Angeles, California; 87R4580
fertility decline, Belgium; family life conceptions, marriage/divorce rates; 1964-present; 87R4797
fertility decline, demographic transition, Europe/Third World; 2-book review essay; 87R6360
fertility decline, first vs second demographic transition, Western Europe; 87R8254
fertility decline, post-WWII Japan; abortion, contraception; 87R2578
fertility decline, threshold hypothesis, methodological issues; 87S1968
fertility decline/differentials, Korean provinces; social structure, family planning program; statistics; 1966-1980; 87R2558
fertility determinants, South Asian nations, children-as-insurance model; literature review, Bangladesh Fertility Survey; critique/reply; 87R8266
fertility differentials, majority/minority ethnic group women, Nigeria; social/demographic characteristics; survey; 87R8259
fertility levels, Caribbean/Central/South American immigrant women, US; censuses; 87R2726
fertility levels, developing countries; labor force transformation; international data; 87S1994
fertility levels, Indochinese refugees, US; interviews; 87R1582
fertility levels, Mexican immigrant women, US; assimilation, socioeconomic selectivity, disruption; 87R4625
fertility pattern, Estoria, USSR; statistics; 18th-20th centuries; 87T0312
fertility patterns, native-born vs migrant females, Barcelona, Spain; statistics; 1970-1981; 87T0342
fertility patterns/control, Africa; case study; Kenya; 87R2730
fertility rates, developing countries; old age security motive; questionnaires; households, Karnataka, India; 87R8442
fertility rates, industrial development, evolutionary perspective; 87T0298
fertility revolution, economic/demographic approach integration, methodological/theoretical issues; reply; 87T0300
fertility transition; material well-being; 87R4597
fertility trends, immigrants, US; residence duration; census data; 87S1997
fertility, developing countries, birth-history factors; World Fertility Survey data; 87R8438
fertility, Egypt; children's cost/demand, labor market factors; census/time-allocation data, interviews; 1960, 1976; 87R6348
fertility, family size differentials, ever-married women, Jordan; occupational/age/educational/contraceptive use variables; 1976 national survey; 87R8225
fertility, Filipino vs US women; supply constaints vs child mortality/contraceptive practices; national surveys; 87R8230
fertility, Seychelles plantations; female wage labor, household size; ethnographic fieldwork; 87R7274
fertility, urban-rural differences, Thailand; cultural/educational variables; Accelerated Family Planning & Health Program data; 87R4629
fertility-female employment relationship, US, causal/mediating factors; literature review; 87R1697
fertility-landholding relationship, theoretical framework; literature review; critique/rejoinder; 87R8272
fertility; labor force participation; government survey; Norway; 1980; 87T0993
global population change, fertility behavior, parental altruism, economic model; article/comment; 87T0539
infant/child mortality-fertility relationship, married women, Bangladesh; age/education/religion/contraceptive variables; Bangladesh Fertility Survey; 1975/76; 87R4608
infertility rates, Azande people, Central America; 87R8265
infertilty, social meaning construction, US; 87S1942
labor force participation/fertility, causal relationship, direction determination, methodological issues; 87R9008
lifetime reproductive success, farmers vs craftsmen, Lancashire, England; parish registers; married couples; 1754-1772; 87R2729
lowered fertility goal, developing countries, requirements/strategy; 87R5192
marital fertility/child spacing, Taiwan; family structure changes; 87S1988
marital fertility/nuptiality, Netherlands; economy/attitudes/infant mortality factors; census data; 87R8436
menarche/adolescent subfecundity, Bangladeshi females, hazard model; interview survey; 87T0303
migration-fertility relationship, England/Wales; OCPS Longitudinal Study, censuses, birth registration data; 87R2553
nuptiality/fertility decline, Western industrialized countries vs Japan; socioeconomic factors; UN/US/French statistics; 1960-1985; article/comment; 87T0560
population dynamics/migration patterns, Mexico, social/gender differences; 87R2550
pronatalist policy, National Socialist regime *SS-Führerkorps*, Germany; 87R2735
recent fertility decline, supplementary data, Taiwan; 87R9144
reproductive success, rural village, Trinidad; genealogical/demographic/economic factors; interviews; households; 87R6525
reproductive technologies, secrecy/stigma, users' attitudes; interviews, questionnaire; 87S1940
reproductive trends/laws, Western Europe; 87T0311
sexual satisfaction/intimacy; infertility; interviews; couples, western New York; 87S2005
single-child family rates, China vs other nations; census data; 87R2686
social demography, Hungarian villages, 18th-19th centuries; fertility/mortality/other data; Sárpilis; 87R4144
social security-fertility relationship, developed/less developed nations, econometric models; 87R8439
subsequent fertility, Pakistani/Sri Lankan women; differential child mortality; World Fertility Survey; 87R2731
teaching sociology, birthrate decline topic, student assignment; 87R6965
US fertility rate, 1867-1955, parity progression model; census/survey/other data; 87T0554

Festivals
carnival celebration, historical evolution, Kastavština, Croatia; participant observation, ethnographic records; 87R3638

carnival ritual, Laza, Spain, communication elements; observation; 87R1619
local Shintō shrine festivals, planning/organization; fieldwork; Tokyo neighborhood, Japan; 87R6220
Saint Christopher festival, Montagnac, France, reversion ritual; participant observation; 1980; 87R1231
social class relations, annual carnival's role, Barranquilla, Colombia; 87R9326
stained glass profession, arts/crafts fairs' role; case study; 87R4079

Fetishism
economy, fetishism concept; 87R1894

Fetus
abortion, moral issues, parental responsibility vs right-to-life approach; 87R2734
beginning of life, biological/ethical issues; 87R6733
environmental toxins exposure, neonatal behavioral effects, methodological issues; medical examinations, maternal interviews; 87R8478
fetal alcohol/tobacco/narcotics effects, publication trends; content analysis; 87R8185
fetal care, maternal/doctors' responsibility, legal issues; case study; diabetic woman; 87R3117
fetal neural tissue transplants, ethical issues; 87T0281

Feudalism
feudal production mode, Middle Ages Europe, historical materialist analysis; 87R8914
feudalism, liberal/Marxist model critiqued; 87R6911
feudalistic-capitalism development, Iran; class struggles; historical/political/economic data; 87R5758
patriarchal family structure/reproductive strategies; 15th-16th century Portuguese nobility; genealogical data; 87T0293
peasant movements/feudal system, Rajasthan, India; 1913-1947; 87R5809
political/authority relations, precolonial Sri Lankan kingdoms; 87R5974
social class conflict, socioeconomic crisis, feudal Europe; response; 87R9549
woman's status, feudal/post-World War II Japanese society; 87S1962

Feuds
justice system, blood feuding, gypsies, Finland; participant observation; 87R9288
outport octogenarians, Newfoundland fishing village, bickering/feuding; case study; land feud; 87R4996

Fiction
contemporary fiction, social situation, traditional narrative's demise; 87R7919
drinking portrayals, fiction/drama, Irish Literary Revival Period; literature analysis; 87R4252
female writers/female characters, modern literature, Malaysia; 87T0079
fringe science books, publishing trends; citation analysis; post-1945; 87R5825
science fiction literature, religious themes; 87T0077

Fictional Characters
drinking/drunkenness portrayals, US detective stories; 87R4253
female writers/female characters, modern literature, Malaysia; 87T0079

Fieldwork
anthropological research, southwestern Europe, fieldwork emphasis vs theory construction; 87R1224
anthropological theory/writing/fieldwork, hermeneutical issues; 87R1225
anthropological work, modern institutional setting, psychoanalytic metaphor model; 87R5062
elderly's needs, England, family/community/state support; anthropological fieldwork, case study; 87R5009
ethnographic fieldwork, methodology/philosophical issues; 3-book review essay; 87R3186
ethnographic knowledge/fieldwork, interpretive vs subjectivist orientations, empathy concept; 87R6877
ethnographic photography, film theory; 87R8940
field research, library science; personal experience; 87R3182
interpersonal relationships, anthropologist/research community, fieldwork situations; 87R7762
mobile laboratory, sociological fieldwork, USSR; 87R1266
Pueblo Indians (New Mexico)/US rural Irish, cultural commonalities; fieldwork; 87R9311
"shock of unrecognition," sociological fieldworkers, personal experiences; 87R6887
social anthropology fieldwork; bibliography; 87R7267
sociological fieldwork, methodological expansion; illustrative case; 87R1235

Fiji Islands
dispute resolution, Fiji, apologies' role; ethnographic case study, Human Relations Area Files; 87R5517
industrialization, manufacturing sector, Fiji; field surveys, interviews; documentary data; 87R3790
Pidgin English, Fiji, historical use; published/archival materials; 87R2266
pluralism/discontent, Fiji, national unity government proposals; 87R3562

Filial Responsibility
children's responsibilities, aging black parents' beliefs; interviews; black Church/fraternal organization members, St. Louis Missouri; 87R2902
population aging, industrial societies, increased elderly support needs, non-old population assent; 87T0786

Films
alcoholics/alcoholism, French cinema's depictions; content analysis; 87R9653
child sexual abuse, self-protection skills; educational film; questionnaire, interviews; 87R4646
Chinese peasant families' lives, Jiangsu Province, British documentary films; interviews; filmmakers; 87R6840
film dubbing, work organization, Italy; empirical data; 87R7514
film industry, filmmaker's role, South Africa; 87R7907
Le Déclin de l'empire américain (The Decline of the American Empire) by Denis Arcand; film review; 87R8887
metarepresentation, movie/short story analysis; 87T1070
participant ties, Hollywood film industry; project-based organization; credit lists; 87R5990
productivity films, audience turnout, USSR; 87R7917
show business magazines, film coverage, turn-of-the-century Germany; 87R5823
social science research, still/moving pictures as heuristic instruments; 87R8949
sociology film/discussion series, adult community residents; 87R6841
sociology teaching, undergraduate courses, film analysis technique; 87S1955
sport sociology, teaching methods, film's utility; 87T1068
wife abuse film, parochial school males' justifiability ratings; demographic variables; experiment; 87R6783
women's position, 1920s US society; movies' influence; 87R5227

Finance
borrowing behavior, US industrial corporations; social/economic factors; 87S1998
consumption/finance-handling patterns, happily married vs divorced couples; interviews; 87R4755
corporate interlocks, crisis situations, financial vs nonfinancial firms; case studies; 87R5706
deregulation, stock market; market interactions; case study; 1960s; 87S1949
financial institutions' hegemony/power, market implications; 87R3840
labor market/process position, lower white-collar workers, GB/West Germany; organizational/technological change; empirical data; 87R6335
social class/corporate relations, capitalist systems; capital flow relations; case studies; corporations, US; 87R9825

Financial Support
alternative health organizations, research distribution, industrialized countries; interviews, published data; US; 87R9525
arts funding, Australia, political/social class aspects; book review essay; 87R4247
black tenant farmers, Depression-era Farm Security Administration resettlement project, Gee's Bend, Alabama; 87R4177

clothing industry decline, France/GB/West Germany, policy strategies; 1960s; 87R5713
entrepreneurial clothing manufacture, Pakistani immigrants, Manchester, England; 87R1602
fashion industry, creative/managerial functions, Italian postindustrial society; 87R7383
hosiery industry, labor force characteristics; domestic-factory transition; case study; East Midlands, England; 1850-1910; 87R9458
immigrant labor, garment industry, Paris/New York City; 87R1680
international employment distribution, labor fragmentation, Babbage principle challenged; case study; clothing/textile industry, UK; 87R4090
network structure, strike attitudes/behavior, garment factory; workers' role equivalencies; case study, observations; 87R9448
underground economy growth, garment industry, Los Angeles, California/Miami, Florida; interviews; Hispanic women; 87R5637
work organization, female workers, psychosocial effects; literature review, survey; Montreal, Quebec; 1985/86; 87R9468
work organization, garment manufacturing industry, Hawaii, state's role; interviews, managers, workers; 87S1936
worker resistance, paint/garment factories, San Francisco, California; participant observation; 87R5662

Genealogy
genealogical research, sociological perspectives/methodology; case study; Marston family; 87S1989

General Public
childrearing developmental model changes, US; content analysis; popular women's magazines; 1830-1940; 87R6373

Generational Differences
childbearing completion timing, successive US female cohorts; Current Population Survey; 87T0313
Cuban immigrants, US, sociodemographic characteristics; 87T0335
degrouping process, liaisons' importance; questionnaire; schoolchildren; 87R8031
democracy/Nazism opinions, post-WWII West Germany; cohort/period/life-cycle effects; surveys; 87R9801
educational attainment process; educational reforms; secondary school students, Netherlands; 87R6132
life-course/generational politics, research designs; literature review; 87R1983
marriage timing, Khartoum, Sudan; socioeconomic/institutional factors; survey; 1975; 87T0440
punk-influenced youth culture, Hungary, political issues; 87R7620
religious commitment differences, US/Holland/Japan; national surveys; 87R6235
return migration, social/economic aspects; international symposium; 87T0358
social mobility, social system openness, young industrial workers, socialist countries; survey; Bulgaria, Czechoslovakia, Hungary, Poland, USSR; 1978/79; 87R9824
work orientation, value change, West Germany; reply/response; 87R5674

Genetics
alcohol use/dependency, antisocial personality vs genetic types, treatment issues; 87R2868
children's hereditary disease; parental alcohol use; 19th-/20th-century theories; 87R2582
criminality, genetic/familial variables; book review essay; 87R1367
genetic counseling, goal conflicts, Australia/US; 87R6831
in vitro fertilization, legal regulation, Australia, ethical implications; case study; 87R6522
occupational hazard risk, social constructions; industrial practices, power relations; interviews, statistical/historical materials; US; 87R3683
reproductive technologies, feminist-oriented assessment; 87T0996

Geneva, Switzerland
family negotiations, equity/reciprocity values, communal/contractual logic, young urban married couples, Geneva, Switzerland; interviews; 1975-1980 longitudinal study; 87R6457
intra-/intergenerational income mobility, Geneva, Switzerland; survey; 87R2085
neighborhood renters' associations, Geneva, Switzerland, sociologist's role; 87R7862
real estate developers vs neighborhood associations, Geneva, Switzerland; 87R7860
squatters' rights, neighborhood renters' associations' stance, Geneva, Switzerland; 87R7851
urban conflicts, Geneva, Switzerland, sociological analysis; 87R7855
urban conflicts, neighborhood associations' role, Geneva, Switzerland; journal issue introduction; 87R7878
urban conflicts/neigbhorhood associations, Geneva, Switzerland; 87R7853
urban struggles, actor groups, Geneva, Switzerland; 87R7861

Genital Mutilation
clitoridectomy practice, 1850s, London, England; 87R2981

Genitals
self-/sexual identity, genital identity dimension; 87R7174

Genius
socialization process, fine arts students, exemplary biographies use; feminist perspective; 87R6110

Genocide
genocide, bystanders' noninvolvement, Bibb Latane's/John Darley's formulations; 87R9704
genocide, definitional issues; 87R8646
government-sanctioned mass killing, Nazi Holocaust vs Allied strategic bombing, World War II; 87R3081
mass murder, genocide, psychopathology dimension; 87R8530

Gentiles
Gentile rescue of Jews, Nazi-occupied Europe, historical vs psychosocial analyses; literature review; 87R7206
Jewish Holocaust victims, non-Jewish helpers' identifications, game-theoretic analysis; historical case studies; Denmark, Lithuania, Germany; 87R7230
Jews, Nazi Germany, Gentile help; historical case study; small town; 87R7222

Geographic Distribution
cultural life, Belgrade, Yugoslavia; 87T0032
health care utilization; socioeconomic factors; survey; households, health care providers, Washington, DC; 87T0585

Geographic Mobility
coresidence patterns, Sweden vs US; archival/census/other data; 19th-20th centuries; 87T0505
human geography trends, Israel; sociocultural stressors; 87R5093

Geographic Regions
capitalist world economy, southern Africa's status; 1870-1967; 87R5786
Catholic religious symbols/rituals, social structure/culture relationship, Andalusia, Spain; 87T0167
economic development, Western Siberia; social/cultural services; survey; experts, USSR; 1985; 87R9490
geographic cost-of-living indices, theoretical/methodological issues; US Census of Population & Housing; 87S1990
social structure, northern Ossetia, USSR; questionnaire; 87R9936

Geography
aging process, developed countries, geographical research synthesis; 87R8634
agricultural geography, research trends; literature review; 87R8788
behavioral geography vs environmental psychology, interests/techniques/foci; 87R8798
behavioral geography/environmental perception studies, research trends; 87R8791
cultural landscape, cultural geographical research; literature review; 87R8797
cultural/humanistic geography, recent research; 87R3377
environmental issues, geography's contributions; 87R6764
environmental policy, Puerto Rico, geographers' roles; 87R6762
feminist geography research, theoretical/methodological issues; 87T1029
feminist geography, J. Foord's/N. Gregson's work, theoretical/methodological problems; 87T0989
The First Year of College Teaching by L. Dee Fink; review essay; 87R5382
geographic research, communication patterns, rural Latin America; 87R4122

geography discipline, Kuhnian model; 87R8794
geography/law, shared concepts/theory; 87R8098
human geography, structurationist concepts; 87R8792
human/social geography, German/British traditions; 87R8789
legal studies, geographical techniques/approaches; 87R6258
leisure provision, state's role, UK; 87R3901
patriarchy concept, Marxist analytical framework, feminist geography implications; 87R6793
race/ethnicity research, social geographers' contributions; 87R3535
small firm sector, UK, spatial patterns/variations/impact; 87R5302
subjective analysis, social science theory, neopositivist human geographers; autobiographical writings; 87R3363
transport geography, Alan Hay's contributions, comparative historical analysis; 87R5089

Geology
continental drift theory, geoscientists' published opinions; knowledge vs reputation protection motives; quantitative content analysis; 1907-1950; 87R4555

Geopolitics
criticism of US/Non-Aligned Movement, Libyan military action defended; 87R9780
international conflict, socialism-capitalism ideological struggles; Soviet perspective; 87R7634
international relations, collective violence/regional security problems; global economic vs local/regional factors; 87R6781
nomadism, ideological aspects; geopolitical changes; ethnographic data; Gomal tribes, Afghanistan/Pakistan; 87R5595
Non-Aligned Movement, current goals/policies, history; 87R9736
Non-Aligned Movement's world peace goal, opposition to US power, international economic factors; 87R9773
political geography, Marxist approach critiqued; 87R8795
political power, Afro-Americans, Non-Aligned Movement's importance; 87R9759
strategic nuclear weapons, France/GB, international policy issues; 87R7569
US foreign policy, altruistic myths/geopolitical realities; 87R7564
US imperialism/aggression, Third World peace/economic development obstacle, Cuba's response; 87R9722
Western world hegemony, Non-Aligned Movement's opposition, internal pressures; 87R9790

Georgia
community services, county-level/financing/delivery; survey; county commissioners, Georgia; 87S1929
county governmental activities/services; population increase vs decline; state annual statistical data; Georgia; 87S1927
discriminatory executions, Georgia/North Carolina, 1925-1935; minority presence/environmental/other variables; statistics, official records; 87R4517
judicial sentencing decisions, utilitarian principles model; cross-sectional data; incarcerated offenders, Georgia; 87R2923
part-time farmers, typology; income vs lifestyle motives; questionnaires, interviews, participant observation; 87R4147
professional licensure attempt, social workers, Georgia; open-ended interviews; Atlanta; 1970-1980; 87R4076
sentencing discrimination, white vs black offenders, Georgia; community inequality vs offender attributes/behavior; Department of Corrections data; 1976-1982; 87R6294
social networks, black/white rural families, structural characteristics/supportiveness; interviews; mothers, Georgia; 87R2662

German Democratic Republic
athletic activities, German Democratic Republic; societal/individual factors; 87R3914
Catholic/Protestant churches, German Democratic Republic; 87R2406
education systems, career-oriented specialization, German Democratic Republic/Federal Republic of Germany/France; 2-book review essay; 87R7940
educational systems, German Democratic Republic vs USSR, convergence thesis rejected; 87S1998
empirical research methods; national conditions; content analysis; psychology/psychiatry/sociology journals; US/USSR/Federal Republic of Germany/German Democratic Republic; 87T0245
Evangelical Church-state relations, East Germany; independent peace movement; 87T0177
everyday socialist consciousness, East Germany; 87R7198
health care systems development, East vs West Germany, Nazi period influences; 87S1968
individual development, sociobiological factors; East German colloquium contributions; 87R8281
intelligentsia's distribution, East German cities; information technology; 87R8793
Marx, Karl/Friedrich Engels, sociological heritage, East German conference; 87R8919
Marxist sociological development, Germany; symposium contributions; 87R7041
scientific-technological/intellectual-cultural progress, German Democratic Republic; 87R4553
scientist's personality, German Democratic Republic; conference introduction; 87R4559
social progress, German Democratic Republic, working classes' role; 87R4068
sociological research, trends/tasks/themes, German Democratic Republic; 87R5451
sociological research, work/family/regional topics, German Democratic Republic; literature review; 87R5433

Germany
academic disciplinary histories, functions/uses; book review essay; 87R3213
academic science, 19th-century Germany; 87R5403
agrarian sociology, Max Weber's early studies, theoretical influences; 87R3322
agricultural workers, eastern Elbe, Max Weber's work; 87R4153
anality expression, German culture; 87R5591
city planning, employment/housing issues, post-1939 Germany; case study; 87R7868
cultural anthropology vs sociology of culture, Germany; 87R3329
Durkheim, Emile, positive science of ethics; article introduction; 87R9090
ecological regression analysis, methodological issues; historical election data; Germany; 87R1240
egalitarian cultural populism, Johann Gottfried Herder's/Jules Michelet's defense, 19th-century France/Germany; contextual historical analysis; 87R5924
France-Germany intellectual connection, Raymond Aron's career; 87R9094
German educational system, historical development/role; 87R4352
German mathematics/Nazi ideology, professional societies' adaptation/resistance; historical survey; 87T0835
German pedagogy, National Socialist vs Weimar Republic periods; register/other data; 87T0140
German-Jewish labor lawyers' philosophy, influence on Weimar Republic, postemigration evolution; 87R9798
Germany's modernization, pathological traits; book review essay; 87R9134
grass-roots groups/movements, state responses, US vs Germany; historical/institutional factors; 87R5798
health care systems development, East vs West Germany, Nazi period influences; 87S1968
individual identity formation, communication/interaction systems; Franco-German case studies; 87R1568
intellectual networks, multiple levels of social determination; case study; philosophers, Germany; early 1800s; 87T0844
intellegentsia, political/religious attitudes, 19th-century France/Germany/Russia/UK/US; 87R9917
Jews, Nazi Germany, Gentile help; historical case study; small town; 87R7222

social insurance, Bismarck's Germany vs Edwardian Britain; 87R1994
social scientists' migration, ideology vs pragmatism, Nazi Germany/Austria; 87R9888
social work/law enforcement integration, women's contributions, Germany; case study; 1920-1931; 87R9879
society/culture dichotomy, German sociology; 87R3321
sociology, twentieth-century Germany; 4-book review essay; 87R1333
statute law/individual rights, Ronald Dworkin's work; 87R1758
student political involvement, Germany, 1918-1945; card-index records; 87R2305
University of Berlin, Germany, historical development; 87R4355
university's function, West German reform efforts; 87T0093
vegetarianism movement as secular religion, 19th-/20th-century Germany; 87R3619
vocational education, 19th-century Germany/France; 87T0128
volatile partisan attachments, "moderate" voters, Germany's Weimar Republic; 87R5900
Waldensian religious counterculture, 14th-century Germany; manuscript; 87R2391
witchcraft as social control/justice system, Franconian peasants, central Germany; 87R2205
youth problems, Europe, educational implications; 87R4666

Gerontology
aging education, youth, Jewish schools, US; 87R6369
competitive sport, retirement process; 87R3416
deinstitutionalization movement, US; interviews, observation; rest homes/mentally ill community residences, Massachusetts; article/comment; 87R5007
gerontology research, scientific aging assumptions/meanings, epistemological conditions; 87R5003
gerontology theory, feminist perspectives; 87T1003
gerontology, current paradigms; 4-book review essay; 87R6628
gerontology, research/methodological issues; 87R5010
intergenerational family relations, measurement issues; secondary data; California; 87T0479
knowledge utilization, gerontological applications; 87R2892
medical facilities/practices/USSR; US delegation observations; 87R8527

Ghana
leadership/authority relations, Yoruba society, Nigeria; Islam/Christian institutions; case study; 87R4390
mortality/morbidity rates, Ghana, health care delivery implications; statistics; 87R2547
racial/ethnic dynamics, local Africans & West Indian/Swiss-German missionaries, Basel Mission, Gold Coast; 87R4436
rural development, Third World; local participation; open-ended interviews, document analysis; Operation Feed Yourself, Ashanti Ghana, 1972-1978; 87R1795

Ghettos
criminal activity, black ghettos, offense-residence linkage; arrest data, census; Milwaukee, Wisconsin; 87R5049
ghetto underclass debate, liberal vs conservative perspectives; 87R5979
sociocultural integration, West African Zongo/US black ghetto communities, Islam vs black church's role; 87R7872

Gift Giving
gift giving, family intimacy/autonomy implications; 87R5507
potlatching practice, Southern Kwakiutl, North America; historical data; 87R3648

Gifted
gifted children, US/Quebec educational systems; 87R4648
gifted education, social stratification legitimation; 87R7986
self-esteem, gifted adolescents; family environment; questionnaires; 87R5525

Glasgow, Scotland
anorexia nervosa patients, social class distribution; case notes; psychiatric referrals, Glasgow, Scotland, 1979-1983; 87R4972

Goals
feminism, sexual equality goals, implications/value/viability; 87R3087

God (Judeo-Christian)
Catholic symbolism, Andrew Greeley's novels/sociological writings; 87R6117
self-alienation; belief in God; questionnaires; students; Ludwig Feuerbach's claims; 87R8083
world civilization, worldview components, God's role/power; 87R6708

Goethe, Johann Wolfgang von
intercultural relations, cultural group values/discrimination, policy development, Goethe's "universal literature" principles; personal experiences; Bulgaria; 87R3622

Goffman, Erving
adherent/constituent mobilization, Erving Goffman's frame analysis methodology; field studies; religious/peace/neighborhood movements; 87R1867
clinical social psychology, Erving Goffman's impression management theory; 87S1944

unstable business environment, employment conditions, state's role, Greece; 87S2003
voting preferences, 1981 general election, Greece; social/political change; survey; 87R7623

Grenada
death interest; economic fluctuations; literature review; England, France, Germany, US; 87R8725

Grief
bereavement characteristics/factors, ex-spouse's death; interviews; 87T0459
bereavement patterns, "survivor friends" vs family members; interviews, written essays; college students, support group participants; 87S1980
coping ability, bereaved elderly; self-esteem; interviews, mailed questionnaires; longitudinal analysis; 87R5002
culture/future shock, phenomenology/group psychodynamics; 87R4947
death-related attitudes/fears; recent bereavement; literature review; 87R2746
family functioning/coping levels, post-child's death; Canada; 87R8931
grief process, widowhood, timetable/guide function; observation, interviews, journal; 87R2749
heroin addicts, death orientations/experiences; interviews, tests; 87R4954
mortality risk, elderly; spouse bereavement; interviews; 87R5000
parent's death, family reactions/recovery patterns, developmental role perspective; 87R2708
social anchorage/self-concept; spousal death; questionnaire; older surviving spouses; longitudinal study; 87R9228
unresolved grief, anniversary reactions; 87S1948

Grievances
consumer complaining behavior; social stratification variables; telephone survey, personal interviews; 87R3830
due process rights, workers, organizational governance; legal/societal norms; personnel practice analysis; San Francisco Bay Area organizations, California; 87R1674
patient health care complaints, Netherlands; book review essay; 87R4845

Gross National Product
social security expansion, developed/developing nations, competing theories assessed; national statistics; 1965-1975; 87R6914

Group Composition
household composition/formation, Minho province, Portugal; literature review; 87R6434

Group Decision Making
collective justice evaluations, work settings, blockmodeling methodology; article/reply; 87R8130
deliberation process, large vs small juries; experiment; 87R6282
economic behavior analysis, socioeconomics paradigm; 87R9211
family life/decision-making behavior, fiscal policy implications; 87R8377
group decision making, individual inequity/conflict/satisfaction perceptions; questionnaire; university students, midwestern US; 87R5696
group decision-making process, structuration theory; 87R7095
group decision-making processes, criminal juries, Spain; experiments; 87T0208
group problem-solving, human relations task, scientific ranking test; face-to-face vs computerized conferencing; experiment; college students; 87R9192
multiactor implementation research, policy recommendation objectives; 87R8752
spatial committee experiments, decision-making process, equilibrium properties; 87R9021
subgroup's power, voting body; subgroup size/cohesiveness; 87R5907
voter preferences/decision making; group size; R. G. Niemi's partial single-peakedness; phenomenon extended; 87R7596
voting power, electoral subgroups, quantifying model proposed; 87R7577

Group Dynamics
culture/future shock, phenomenology/group psychodynamics; 87R4947
deliberation process, large vs small juries; experiment; 87R6282
deviant roles, small groups, hostility displacement; questionnaires, videotapes; 87R9189
former members' cult-stereotypical attitudes, controversial religious movements; mail questionnaire survey; 87R2393
friendship vs nonfriendship, group members; agreement vs disagreement; 87R7397
group action theory, individual-/group-level processes; 87R3410
group dynamics, pluralist ideology/politics, class domination issue; article/comment/reply; 87T1047
group dynamics, sociological subdiscipline, methodology/application; 87R6661
group shadow, characteristics/ dynamics; 87R9191
intra-/intergroup identification, male vs female French high school students; sports training; experiments; 87R8295
legitimate authority distribution, equity vs equality rules; self/group benefit perceptions; experiments; college students; 87R7136
prison riot variables, identification theory; case studies; state prisons, New Mexico, Michigan, California, Illinois, New York; 1967-1981; 87T0225
self-analytic groups, therapy process, developmental arrestations; members' role differentiations; 87R2824
small group structure, group members' similarity ratings; 87R5344
small-group process/development principles, college classroom application; 87R1249
structure/consideration initiation, followers' preferences, US vs Indonesia; questionnaires; 87R9259
student behavior governance, cultural vs regulatory compliance strategies; 87R4328
subgroup's power, voting body; subgroup size/cohesiveness; 87R5907
work incentive program, staff complaints/deviance attributions; 87S1971

Group Formation
degrouping process, liaisons' importance; questionnaire; schoolchildren; 87R8031
marginal group formation, Moroccan youth, Amsterdam, Netherlands; life histories; 87R3583
psychological group formation, social/self-definition, ethnic minority; questionnaire; female Catholic school students, England; 87R7171
social behavior/patterns, ethos groups; 87R1595

Group Identity
Chinese dialect group boundaries/relations, British Malaya; census/inscription data; 19th-20th centuries; 87T0047
Church of Scientology, social control/ethics/deviance, symbolic interactionist perspective; 87R3483
crowd affiliation valuation, teenagers; questionnaire; midwestern US; 87T0395
ethnic boundary maintenance, Mormons; in-group language; 87R4203
ethnic identity reproduction, youth's role, Northern Ireland; questionnaire/interview/other data; young Protestant males, Londonderry; 1985; 87T0391
expanded families, Israeli kibbutzim, social/political influence/legitimacy; case studies; 87R4695
group rituals/charismatic leaders, urban communes, US, collective effervescence; 1970s; 87R8055
immigration/ethnicity/cultural pluralism relationships, India vs US; 87S1998

narrative traditions, folklore, occupational group members; personal experience narratives analysis, interviews; professional sailors; 87R2173
ritual solidarity, sports groups; 87R3925
self-awareness, primary/secondary culture development, self-analytic groups; interpersonal intimacy; content analysis; 87R9257
similarity judgments, Francophone vs Anglophone adults, Quebecs; social identity; experiment; 87R7166
social comparisons; group membership; experiments; students, professional school; 87R9812

social movements' collective identity formation, Antonio Gramsci's/ Frankfurt school's theories; 87R9252
student behavior governance, cultural vs regulatory compliance strategies; 87R4328

Group Norms
blood donation; personal/perceived social norms; mailed questionnaires; community residents, Wisconsin; 87R7147
distributive justice norms; family interaction types, socioeconomic hierarchy; 87R9832
North American Jewish community, democratic governance; 87R7663
organizational environmental adaptation, coordinated management of meaning perspective; 87R5719
scholastic achievement, college freshmen; living group social environment; survey, scales; fraternity/residence hall groups; 87T0126
social evaluation process, network approach; 87R8982
student behavior governance, cultural vs regulatory compliance strategies; 87R4328

Group Research
Marxian theory of ruling class, group theory formulation; 87R9817

Group Size
deliberation process, large vs small juries; experiment; 87R6282
subgroup's power, voting body; subgroup size/cohesiveness; 87R5907

Group Therapy
addictive behavior, treatment focus, self-help group's utility; 87R8586
adolescent therapeutic communities, instrumental intervention vs reality confrontation; participant observation; 87T0643
grounded-encounter therapy, clinical sociology; 87R5298
group conversational interaction, mildly/moderately retarded adults, content/dynamics quantification; transcripts analyzed; 87R5512
rehabilitation success, self-help groups; social interactions/support; questionnaire; Overeaters Anonymous active/former members; differential association theory; 87T0686
self-awareness, primary/secondary culture development, self-analytic groups; interpersonal intimacy; content analysis; 87R9257
socialization/self-learning experiences, sociology class; experiment; 87R3260
therapeutic community, interpersonal/intergroup tensions; case study; coercive borderline patient; 87R8934

Group Work
group dynamics, sociological subdiscipline, methodology/application; 87R6661

Groups
ability grouping, secondary school students, attribution theory approach; questionnaire; 87S1930
educational ability group assignment; students' ascribed/achieved characteristics; educational/sociological models tested, classroom situations; 87R2320
genital herpes, information disclosure/management strategies; observation, interviews; self-help group; 87R6554
industrial development, Ireland, local self-help groups' role; 87R5739
social service cutbacks, alternative self-help groups, social/health policy, West Germany; economic conditions/values; case study; Berlin; 1980s; 87R4827

Guadeloupe
political/economic/social situation, Guadeloupe; historical/field data; 87R7448

Guatemala
acculturation process, rural Mayan communities, Guatemalan Central Highlands; 87S1994
acculturation, individual Mayan Indians, Western Highlands, Guatemala; 87R7233
agricultural innovation, Guatemalan peasant farm families; literacy skills; panel study; 87R4307
division of labor, Guatemalan communites; earthquake; 87R3046
dress/clothing, social identity construction, Tecpan Guatemala vs Moravian Slovakia; 87R1628
Guatemalan agribusiness, US investments, religious/economic externalities; fieldwork; interviews; 87R6048
informant interview responses, contagion/disease survey; cultural competence/knowledge; Guatemala; 87R3203
Protestant churches, political behavior, Guatemala vs Nicaragua; 87R9711
unequal development/exchange, Western Guatemala, peripheral differentiation; 87R9601

Guerrillas
guerrilla movements, opponents' strategies, Indochina/Algeria/ Cyprus/Cuba; 87R3959
limited democracy, guerrilla organizations, Colombia; 87R4006
political system/guerrilla movement, Colombia, 1982-1984 pacification failure, Betancur administration; 87R9797
women's participation, guerrilla movements, Latin America; case studies; 87S1976

Guilt
bingo players' moral ambivalence (charity vs self-interest), coping techniques; case study; southern US bingo parlors; 87R2850
psychological/physiological sexual satisfaction; guilt; survey; university students; 87T0432

Guinea
women's status/rights, Guinea, ideology vs reality; observation, interviews, statistics; 87R7646

Gun Control
crime control, US, political/class factors; 2-book review essay; 87R2431
firearm carrying/use, mandatory sentencing law; criminal justice system's/public's response; Boston, Massachusetts; 1975-1977; 87R6250
gun control legislation development/implementation, New York; local legal culture; historical analysis, surveys, archival data; 87R4458
small handgun violence, US, gun control legislation/consequences; secondary survey data; 87R2472

Guttman Scales
misclassification probabilities, Guttman Scale/current-status data, latent class model; 87R5368
roll-call voting patterns, Guttman scaling vs factor analysis techniques; 87R6906

Guyana
creole vs English language use, field- vs other workers, sugar plantation, Cane Walk Guyana; social class; ethnographic data; 87R7896
ethnic conflict, Guyana, historical development; 87R7236
ethnic-state relations, Guyana vs Trinidad & Tobago; international capitalist penetration; 87R7460
Hindi language groups, Guyana, social-cultural identification/ maintenance; 87R6102
marriage/family institutions, historical/current trends, Trinidad/ Surinam/Guyana; participant observation/interviews/other data; 87R6490
race/class relations, overseas Indian communities, post-/colonial societies; class analysis; Guyana, Kenya, Malaysia; 87R1562
women's agricultural role, Guyana; interviews; men/women farm workers; 87R9960

Gynecology
cesarean births, non-natural childbirth followers' coping/attitudes; interviews; medically indigent women; 87T0556
childbirth patients, obstetricians' attitudes; gender, level-of-training; questionnaire interviews; 87R9929
obstetrical practices/doctor-patient relationship, midwife dispensary, New York City, 1890-1913; case records; 87T0586

Gypsies
artisan/entertainer/trader groups, business success; marginal cultural status; literature review; Europe, North America, South Asia; 87R6714
fortune telling practice, US gypsies; 87R7276
immigrant acculturation program, Sweden, leader training, anthropology's role; 87R9286
justice system, blood feuding, gypsies, Finland; participant observation; 87R9288
literacy instruction, gypsy communities, Spain; 87R7966
social problems, Spanish gypsies, literacy/job-training programs; 87R7212

Habermas, Jurgen
comprehension problems, Jürgen Habermas's language communication model; 87R3391
criminology, Jürgen Habermas's critical theory; 87T0900
critical theory/Jürgen Habermas's writings, feminist/gender perspective; 87R3122
discourse modes, Jürgen Habermas vs Mohandas Gandhi; 87R7072
Erkenntnis und Interesse (Knowledge and Interest) by Jrgen Habermas, Castilian edition; 87R5100
Foucault, Michel, theory/works; other philosophers' comments; 87R3343
Frankfurt school/Jürgen Habermas, Marxist vs humanist tendencies; 87R5440
Habermas, Jürgen, communication/normative concerns; 87R1294
Habermas, Jürgen, communicative action theory vs Max Weber's functional rationality theory; 87R3349
Habermas, Jürgen, contradictory law theories; literature review; 87R6273

Habermas, Jürgen, discussion model; 87R5466
Habermas, Jürgen, Frankfurt school critique; 87R1300
Habermas, Jürgen, functional systems theory, critical/practical validity; 87R1317
Habermas, Jürgen, rationalism defense; 87R1342
hermeneutics, K. O. Apel's/Jürgen Habermas's thought; 87R3355
hermeneutics/critical theory, Hans-Georg Gadamer's/Jürgen Habermas's debate; 87R3027
intersubjective understanding, Jürgen Habermas's *Theory of Communicative Action*; 87S1977
Marxist ethical theory, Max Horkheimer's/Jürgen Habermas's views; 87R8711
meaning/understanding, Donald Davidson's/Jürgen Habermas's rationalizations; 87R8968
medical ethics, Habermasian communicative action framework; 87R4895
modern societies' development, Jürgen Habermas's & Hannah Arendt's theories; 87R7581
moral judgment theory/methodology, validity/reliability problems; 87R7053
natural/social science relationship, "verstehen" method evaluated; 87R1498
nature, objectification critiques, alternative attitudes; medicine as example, human body's psychosomatic attributes; 87R5310
phenomenology of religion, Jürgen Habermas's critical theory; 87R2403
postmodernism/poststructuralism, Jürgen Habermas's critique, communicative rationality as modernist theory; 87R7609
pragmatics/communicative interaction theory, Jürgen Habermas's/Justin Buchler's thought; 87R3393
rational communication/consensus, Jürgen Habermas's thought; 87R3165
rationalism critique, Jürgen Habermas's theory of communicative action vs Ch. Perelman's theory of argumentation; 87R4471
rationalization vs reification, Jürgen Habermas's Marxian position; 87R1314
rationalization, critical theory standards, Georg Lukács's/Theodor W. Adorno's/Jürgen Habermas's works; 87R2375
Searle, J. R., speech act concept, Jürgen Habermas's appropriation; 87R1376
social evolutionary theory, theoretical logic-moral vision relationship, Talcott Parsons's vs Jürgen Habermas's views; 87R5441
social impact assessment, Habermasian approach; 87R5329
social pathologies, Jürgen Habermas's system/life-world model; 87R9131
social structure, Anthony Giddens'/Jürgen Habermas's theories, action/system concepts; 87R3324
sociology, approach-based research, crisis of rationality; 87R3316

Habits
smoking/smokeless tobacco use, adolescents; questionnaires; 87R6602
Veblen, Thorstein, economic theory, semiotics perspective; 87R3792

Haiti
Duvalier dictatorship's fall, Haiti, democratizaton process, popular movements' role; 87R9777
Haitian immigrants/refugees, US, invisibility/adaptation; secondary fieldwork studies; 87R3542
justice concept, Haitian *vodoun* religion; article/comment; 87R4373
pilgrimage center, Haiti, social/political function; field research; 87R4405
political development, community participation, rural Haiti; Catholic Church; case study; 87R4166

Handicapped
collaboration, human service delivery systems, power distribution/use issues; fieldwork, case study; 87R6660
disabled services, voluntary agencies, Israel, organizational characteristics/trends; self-reports; 1972-1982; 87R1794
family relationships/stress/self-esteem/role expectations; chronically ill/handicapped children's presence; Michigan Early Adolescent Survey; 87R2754
handicapped employment, 1984 Austrian law; 87R3747
handicapped infant treatment, moral issues; case study; Infant Doe controversy; 87R3021
handicapped persons, Austria, artistic/creative outlets; personal experience; theater group; 87R4865
health status, labor market subgroups; unemployment; literature review; Marxist analysis; 87R6593
marginalized groups, Austria; capitalist development, government policy; 87R3800
medical facilities/practices/USSR; US delegation observations; 87R8527
severely handicapped newborns, medical treatment, federal regulation attempts; 87R2790
social/economic inequality, intergenerational reproduction, US; 1975 Education for All Handicapped Children Act; research survey; 87R2299
work/public transportation disability, American Indians/blacks/whites; socioeconomic factors; US Census; 87S1968
workplace integration, developmentally-disabled/mentally retarded adults; experiment; symbolic interactionist perspective; 87T0810

Happiness
wives'/husbands' happiness, single-/dual-earner families; marital happiness, job satisfaction, life-cycle stage; national survey; 87R1654

Hartford, Connecticut
race relations, desegregation research; longitudinal project, Hartford, Connecticut; 87R2356

Hassidism
Hasidic community, London, England, background/behavior; 87R5555

Hawaii
alienation, public high school students, Hawaii; structural/compositional/sociopsychological factors; survey questionnaires, transcripts; Honolulu; 87R6153
child/spouse abuse, military families, Hawaii, project development; 87T0966
coping problems, alcoholics' children; child characteristics, caregiving environment; longitudinal data; Kanai, Hawaii; 1955-1973; 87R8616
educational/occupational attainment; family background personality/cognitive variables; questionnaire; European/Japanese Americans, Hawaii; 87R1459
intercultural/interreligious marriages, problems/pressures; questionnaire interviews; couples, Hawaii; 87R2667
intermarriage rates, Hawaii; official statistics, census; 1950-1983; 87R4742
Kingship and Sacrifice: Ritual and Society in Ancient Hawaii by Valerio Valeri; review essay/reply; 87R7253
mental health care, native Hawaiians; colonialism, socioeconomic stratification, cultural options; 87R6587
offspring adjustment, within-group vs interracial/intercultural marriages; personality measure; family members, Hawaii; 87R4736
value conflict, Hawaiian traditionalists vs scientists; case study; 87R3612
work organization, garment manufacturing industry, Hawaii, state's role; interviews, managers, workers; 87S1936

Hazards
environmental risk assessment/regulation; scientist's social/political values; interviews; industrial hygienists, occupational doctors; 87R3034
industrial pollution risks, industrial community perceptions, Oak Ridge/Rockwood, Tennessee; 87R5126
natural hazards benefit analysis, applied welfare economic ex ante vs ex post valuation concepts; 87T0929
occupational hazard risk, social constructions; industrial practices, power relations; interviews, statistical/historical materials; US; 87R3683
recombinant DNA technology hazards, scientific consensus; 87R8222
right to refuse work, law's institutionalization, Quebec; case records; 1978-1981; 87R9453
workplace reproductive hazards, exclusionary/protective legislation, US vs GB; feminist perspective; 87R5655

Health
breast self-examination attitudes/practices, Italian immigrant vs Swiss women; sociocultural factors; interview survey; 87R4857
charismatic/metaphysical spritiual healing vs primary care participants, psychosocial wellness; interviews; 87R4834
corporate wellness programs, corporate interests vs individual health attitudes; 87R8496
diet-disease link, public awareness, GB; 87R2781
dietary practices, adults, Illinois; health vs appearance motives; survey; 87R9219
elderly, Middletown, US, life satisfaction/health/other characteristics; telephone interviews; Muncie, Indiana; 87S1932
environmental risk assessment/regulation; scientist's social/political values; interviews; industrial hygienists, occupational doctors; 87R3034
frontier community life/social structure, contemporary vs gold-rush era Alaskan bush; census data; whites, Eagle City; 87R1575
health behavior, morbidity; occupational characteristics; Tecumseh Community Health study; 87R2140
health individual situational adaptation; sociocultural environment; 87R4809

health interview surveys, perceived morbidity concept; national survey; Australia; 87T0575
health outcomes, employed males vs females; social support; questionnaire; 87R2768
health status differences, rural vs urban preschool children, Costa Rica; cultural-ecological factors; field research; San Jose, Veintisiete de Abril; 87R4894
health status, labor market subgroups; unemployment; literature review; Marxist analysis; 87R6593
health status/life expectancy, black vs white workers; occupational category; 87S1944
health status; social network resources, control, trust; interview survey, medical records; health maintenance organization enrollees; 87R2777
health, British young people; social class/mobility; national longitudinal interviews, other data; 87R8503
health/disease, multidisciplinary perspective; 9-textbook review essay; 87R2759
health/human behavior, biopsychosocial model, system-based interdisciplinary approach; 87R6853
health/illness/death, GB, social patterning; statistics, surveys; 87R8492
health/morbidity, Sweden vs GB; social class; national surveys; 87R7692
health/socioeconomic status relationship, Michigan community; psychosocial factors; Tecumseh Community Health Study; 1959-1969; 87T0638
healthy lifestyle, health professionals' recommendations/people's attitudes; social class differences; France; 87R4850
heroin addicts, criminality patterns; interviews; 87T0684
life quality/satisfaction, inner-city elderly, New York City; ethnicity; questionnaire; blacks/whites/Hispanics; 87R4997
long-term care outcomes, frail elderly home-care recipients, New York, predictive factors; program data; 87T0785
medical anthropology, critical perspective; 87R8515
mental health, male vs female elderly; physical health; questionnaire, scale; 87R4999
minority aged, income/health status, US vs GB; census/survey/other data; 87R2875
morbidity/mental health, gender differences, Scandinavia; women's employment; surveys, statistics; Denmark, Finland, Norway, Sweden; 87R5244
perceived health status, elderly, Ontario; reported income; interviews; longitudinal analysis; 87R8628
physical health, adults aged 30+, Pennsylvania; social support/network, mail questionnaires; 87R8466
physical/mental health; family factors; literature review; bibliography, article/comment; 87R4820
physical/psychological health, migrants; transnational migration; interviews; US females, Geneva, Switzerland; 87R4598
psychological health, women; home's internal density (crowding); survey; West London, England; 87R4913
psychological well-being; exercise, overweight, physical health; telephone interview survey; adults, Illinois; 87R5516
reported coffee/pancreas cancer linkage, public's reaction; interviews; secretarial/clerical workers; 87R2807
self-reported health measures, older male workers; symtom/condition/activity limitations; national longitudinal surveys; 87R6550
self-reported morbidity, primary care service planning data; interviews; residents, London, England; 87T0576
social status/life circumstances, rural elderly; occupational/ecological/sociocultural factors; literature review; 87S1992
surgery recovery, myocardial infarction patients; psychosocial factors; telephone interviews; white males, Baltimore, Maryland; 87R4818
well-being/health, unemployed vs employed males, Netherlands; social class; 87R3742
women's health; employment; interviews; Tel Aviv, Israel; 87T0610

Health Care

adult socialization, medical care preferences; migration, initiate network membership; interviews; Taiwan; 87R2718
aged care, Irish-American ethnic group; historical data; 87R6631
aged, family vs institutional care, Western nations; 87R8754
aged, institutional vs community care, health care policy issues; 87R8748
battered women, medical personnel vs other help sources, effectiveness ratings; literature review, national interview survey; 87T0957
Belgian health care policies/program, structural determinants, 1974 primary health care initiative; census/statistical data; 87R4933
biopsychosocial health, traditional medicine, Africa; 87R4810
breast self-examination, education impact; survey; women, Monterrey, Mexico; 1984; 87T0627
cesarean births, non-natural childbirth followers' coping/attitudes; interviews; medically indigent women; 87T0556
clinically applied anthropology, medical care settings, functioning/viability; 87R3153
communication difficulties, English-speaking doctors/Spanish-speaking patients; audiotapted medical interviews; urban family practice clinic, San Jose, California; 87R4866
community care, elderly, gerontological nurse practitioners; 87R9874
demographic/economic/political/health/population research, Paraguay; annotated bibliography; 87R9577
disaster management, informational needs assessed; 87T0919
disease treatment/concept, tribal Munda village, West Bengal, India, social/cultural aspects; 87R8462
drug distribution, developing countries, anthropological approach; surveys; 87R2801
drug problem, UK service delivery policy/issues; 87R2845
elderly, dependency/care, rural villages, Bihar State, India; secondary/questionnaire data; 87R8618
European health care community establishment, World Health Organization plan flaws; 1980; 87R4949
family health care research, methodological/measurement problems; case study; 87R8417
feminist health care issues, Nordic countries; conference report; 87T0591
folk healing, patient ritual involvement; social context; case study; folk healer practice, Peru; 1980/81; 87T0600
frail elderly, caregivers' emotional strain; interviews; Norway; 87T0491
geriatric medicine, India, Western models critiqued; 87R8465
geriatric self-care, cross-national review; 87T0755
health care attitudes, Bura/Pabur villages, Nigeria; questionnaire; 87R4840
health care delivery, state's role, France; technological developments, professional/social/economic forces; statistics; 87R4948
health care evolution/social/economic changes; Alvin Toffler's Third Wave concept; 87S2000
health care problems, Hmong refugees, US; participant observation, interviews, demographic/life history data; 87R3538
health care services, general systems approach, patient-hospital-community relationships; 87R4889
health care system, Canada, economic analysis; book review essays; 87R4899
health care system, Netherlands, cooperation/effectiveness, diagnostic method; 87R5297
health care system, social inequalities, post-World War II, Hungary; intrasystem tensions; macrolevel cross-national comparison; 87R4882
health care system, US, structural dynamics; 87S1968
health care systems development, East vs West Germany, Nazi period influences; 87S1968
health care, biopsychosocial approaches, climatotherapy, Czechoslovakia; 87R4890
health care, elderly veterans, service delivery problems; Delphi Survey; 87T0783
health care, lay/self-care methods, northern Europe; environmental factors; 200-year analysis, Denmark; 87R4826
health care, television portrayal, US; 3-network program analysis; November, 1983; 87R3890
health education, individual behavior change vs socioenvironmental issues; literature review; health department program; Toronto, Ontario; 87T0607
health information, patient recall ability; doctor/patient gender, nonverbal expressiveness; experiments; 87R3119
health needs, rural vs urban US, biopsychosocial perspective; 87R4150
health promotion education, Japan, 1950s-1980s; 87T0595
health service structure, INSALUD, Spain; economic/social factors, private vs public center concerns; 87R4928
health status, GB/Spain; socioeconomic status; 87R8488
health-related behavior; social class; interviews; 87T0578
health/disease, multidisciplinary perspective; 9-textbook review essay; 87R2759
health/human rights, Ciskei independent homeland, South Africa; statistics, newspaper articles; 87R8518
homeless family members, population characteristics, National Health Care for the Homeless Project; 87S1966
hospital industry, US, organizational survival/growth/death; 87R4800
illness behavior, Americans vs West Germans; socioeconomic status; questionnaire/interview survey; 87R8464
indigent health care, statewide policy planning; organizational processes, interest groups; Texas Task Force; 87R2804

industrial health care, social workers' roles/training; 87R8475
infant welfare movement, early 20th-century Australia, medical profession's rhetoric; 87R3091
informal care provision, elderly; social network/demographic factors; 87S1983
informal elderly caretakers, mentally handicapped adults, UK; interviews; caretakers, Anglesey/Arfon, Gwynedd; 87T0749
life prolongation, elderly outpatients'/health care professionals' perceptions; interviews; 87S1931
long-term care outcomes, frail elderly home-care recipients, New York, predictive factors; program data; 87T0785
measles beliefs/health practices, mothers, Senegal; urban integration; interviews; 87T0587
Medicaid reform implementation processes, Arizona, California, New York; 87T0571
medical care trends, US; public opinion surveys; 87R4875
medical cost containment, US/Canada; 87R6542
medical expenditures-health status relationship, Western nations; 87R8526
modern technology adoption decision making, hospitals, game approach, policy implications; 87T0572
neonatal health, pregnancy complications, antenatal care, mentally ill vs other mothers, Stockholm, Sweden; hospital/psychiatric records; 1976/77; 87R6578
new age healing, US; literature review; 87T0608
nursing home patients/health care workers, social policies' impact, US; participant observation; 87T0742
palliative nursing care/medicine, recent literature; bibliography; 87R4816
patient belief models/compliancy behavior, Moroccan-Jewish hypertensives; health intervention, patient-doctor negotiation; questionnaire-interview; 87T0593
patient health care complaints, Netherlands; book review essay; 87R4845
pediatrician Medicaid participation; surveys; 1978, 1983; 87T0951
physicians; health care trends; 87R7775
preventive health promotion, abuses/misuses; 87R2769
primary health care activities, rural Nepal; interviews, observation; 87R4879
primary health care development, rural communities, intraorganizational relationship problems; 87T0636
primary health care, China, historical/institutional development; 87R4858
primary health care, community health, medical school education program, Udayana University, Bali, Indonesia; 87T0580
primary health care, political-economic perspective; cross-cultural analysis; 87R4859
primary medical care, Sweden, institutional development; interest groups; 87R4841
psychiatric care, medical patients, Hannover Consultation Liaison Model, West Germany; 87R4831
role/responsibility perceptions, health care team members; occupational group/aspirations; questionnaires; doctors, nurses, administrative personnel; 87R5991
rural health care delivery/policies, developing countries; Alma-Ata Declaration; case study; Zimbabwe; 87T0599
rural medical practice, students' unwillingness, Pakistan; social class system; questionnaire survey; 87R4143
severely handicapped newborns, medical treatment, federal regulation attempts; 87R2790
sick child care alternatives, working mothers' preferences; survey; 87T0472
strategic management concept, health care sector, value orientations; 87R2797
traditional vs modern health care practices, Melpa people, Mount Hagen, Papua New Guinea; observations; 87R8516
tribal health beliefs/practices, India, social/cultural dimensions; 87R8509
waiting for medical attention, Mayo Clinic (Minnesota); interviews; patients, staff; 87R2772
workplace health promotion, US vs European approaches; 87T0637

Health Care Utilization

alternative/traditional medical care, utilization patterns, sex differences; interviews; 87R4855
breast cancer patients, survival rates, married vs widowed white women; medical records; 87R7767
cybernetic appropriateness review, hospital care; project evaluation; 87R4880
disease epidemiology; culturally linked beliefs/behavior; literature review; 87R8474
elderly, GB, poverty/disability/service utilization; national survey; 87R8638
ethnic elderly, US, service provision issues; 87R2904
general practice consultations, rates/nature, GB; patient's social class; literature review, tape recordings, interviews; 87R4815
health behavior, Turkish/German working class families, qualitative vs quantitative research methods; 87R8483
health behavior/treatment strategies, Turkish vs German working families; longitudinal observations, survey; 87R8523
health care access/resource utilization, Northern Ireland; hospital bed availability; 87R8473
health care alternatives, utilization patterns, physicians'/patients' influence; initiative; participant observation, interviews; mainstream/alternative hemodialysis centers; 87R4836
health care appointment-breaking behavior, low-income families; personal/environmental/organizational variables; survey; Medicaid patients, Michigan; 87R4824
health care cost containment, US; regulatory vs competitive strategies, health maintenance organizations; SMSA analysis, US; 1971-1981; 87R4856
health care decision making, quantitative modeling approaches; 87R2837
health care postponement, unmarried older women; interviews; 87T0602
health care problems, Hmong refugees, US; participant observation, interviews, demographic/life history data; 87R3538
health care service utilization, gender differences; interviews; Perth, Australia; 87R2805
health care utilization, social class differences; economic resources; case study; Varanasi, Uttar Pradesh, India; 87S2002
health care utilization; socioeconomic factors; survey; households, health care providers, Washington, DC; 87T0585
health consumerism, children's role, western/southern US; self-report surveys; 87T0622
health lifestyles, health care services, lower-status persons' orientations; telephone interviews; Illinois; 87R2078
health outcomes/solutions, community social support structures, roles/functions; 87R2766
health problems/care utilization, Moroccan immigrants, Anwerp, Belgium; demographic/cultural/health belief variables; interviews, participant observation; 87R8500
health promotion; international conference essays; 87T0641
health service utilization, US elderly, age/period/cohort effects; US Health Interview Surveys; 1972, 1976, 1980; 87R5025
hysterectomy procedures, decision-making process; nonclinical factors; survey; Oxford, England; 87R8851
illness experiences, Anglo-Canadian vs immigrant Chinese families; health care services organization/ideology; interviews; 87R8458
in-home nursing/aid service use, elderly; primary/secondary family caregiver characteristics; interviews; Cleveland, Ohio; 87T0728
infant mortality, Mexico; community-level factors; survey; 87S1930
medical service utilization, Khmer refugee parents, Dallas, Texas; medical beliefs/practices/expectations; 87R3547
mental health service utilization, gender differences; surveys, interviews; New Haven, Connecticut; 87T0655
mental health system utilization, Michigan; mental health board decentralization; 1974-1983; 87R4907
mortality differentials/health status/health service utilization, Asian/Pacific elderly immigrants, US; statistics, literature review; 87R2886
mortality/morbidity rates, Ghana, health care delivery implications; statistics; 87R2547
myocardial infarction episodes, individual's care-seeking behavior; family; interviews; 87R8456
nonpsychiatric health service utilization, gender differences; illness rate, socialization, role factors; secondary data; health maintenance organization members, Maryland; 87R4886
outpatient department utilization, public vs private hospitals, inner cities, US; patient/provider characteristics; observations; New York City, New York; 87R8476
patient understanding/retention, medical advice, Dominican Republic; observation, interviews; patients, rural clinic, El Rio district; 87T0634
political economy of health, Third World countries; 4-book review article; 87T0582
prenatal care utilization; sociodemographic/psychological/health variables; 87R8490
preventive medical care/screening, Pap smears, Appalachian women, US; sociodemographic/medical factors; questionnaires, medical records; model family practice clinic, southeastern university; 87T0590

refusal of medical treatment, case/statutory law, institutional implications; 87R4881
self-reported morbidity, primary care service planning data; interviews; residents, London, England; 87T0576
service awareness, "in-home" vs "aging network" programs, elderly; age/education/health status variables; interviews; small urban communities; 87R5005
social care policy, elderly's needs/preferences; interviews; 1983; Queensland, Australia; 87T0731
stress/anxiety; medical advice seeking, health screening interviews; 87R4812
uncompensated care provision, public vs private hospitals; surveys, government data; 87T0953

Health Maintenance Organizations
health care cost containment, US; regulatory vs competitive strategies, health maintenance organizations; SMSA analysis, US; 1971-1981; 87R4856
nonpsychiatric health service utilization, gender differences; illness rate, socialization, role factors; secondary data; health maintenance organization members, Maryland; 87R4886

Health Planning
childless elderly, cross-cultural perspective, social policy concerns; 87T0773
community health project, England, management/feminist tensions; 87R4874
decision making, primary health care system, Nicaragua; literature review; 87R8468
European health care community establishment, World Health Organization plan flaws; 1980; 87R4949
healthy lifestyle, health professionals' recommendations/people's attitudes; social class differences; France; 87R4850
negotiation process, health care institutions; governmental program merger directive; ethnographic data, interviews, documents; Nova Scotia; 87R5504
public sector health policy/expenditure, India; government statistics; 1951-1984; 87T0872

Health Policy
acquired immune deficiency syndrome, homosexual bathhouse closure, constitutional issues; 87R4491
acquired immune deficiency syndrome, internationalist disease control approach; 87T0579
acquired immune deficiency syndrome, preventive education/policy formulation, anthropology's role; symposium; 87R6576
acquired immune deficiency syndrome, recent scientific findings; US Surgeon General's report; 87T0603
acquired immune deficiency syndrome, risk reduction education; content analysis; safe sex brochures; 87T0628
aged, institutional vs community care, health care policy issues; 87R8748
alcohol abuse, USSR; questionnaire; Kirov; 87R2872
alcohol-related health problems, Australian government policy; 87T0704
artificial reproduction/birth control debates, GB; feminist perspective; 87T0997
Belgian health care policies/program, structural determinants, 1974 primary health care initiative; census/statistical data; 87R4933
breast cancer treatment, adjuvant chemotherapy, policy formulation; transcribed audiotape; National Institute of Health conference; 87S1941
breast cancer treatment, health policy development, US; 87S1941
breastfeeding behaviors, urban women, Tunisia; socioeconomic/work status, counseling; survey, interview; 87R4876
city health plans, World Health Organization, Europe; 87R9974
The Disabled State by Deborah A. Stone, disability policies, cross-national perspective; review essay; 87R4884
distributive health policy, hospital construction program, developmental dynamics; 87R8508
environmental risk assessment/regulation; scientist's social/political values; interviews; industrial hygienists, occupational doctors; 87R3034
epidemic disease, social processes/responses, government's role, sociological analysis; 87R5170
European health care community establishment, World Health Organization plan flaws; 1980; 87R4949

health care goals, West Germany, implementation policy approaches; 87R2782
health care issues, justice problems, John Rawls's analytical approach; 87R4494
health care system, Canada, economic analysis; book review essays; 87R4899
health education program, schoolchildren aged 12-16, Finland; survey; North Karelia; 87T0428
health education, individual behavior change vs socioenvironmental issues; literature review; health department program; Toronto, Ontario; 87T0607
health policy changes, cost containment emphasis critiqued; 87R6540
health policy voting behavior, US House of Representatives, influential factors; 87R4001
health policy, governmental vs professional control debate, decentralization/deprofessionalization alternative; 87R6552
health promotion education, Japan, 1950s-1980s; 87T0595
health promotion policies, Sweden/Cuba; 87R6562
health/education policy, elite attitudes, US/GB/West Germany; questionnaires; 87S1967
healthy lifestyle, health professionals' recommendations/people's attitudes; social class differences; France; 87R4850
indigent health care, public policy, Milwaukee County, Wisconsin; economic factors; interviews, administrative reports, historical data; 1981-1983; 87R8525
mass medical care, catastrophic situations/war/atomic disasters, advance preparation; case study; civil defense service, West Germany; 87R5171
medical care policy development, Swedish Commission of Inquiry; interviews; commission members; 87R4887
medical geographical research, developmentalist vs underdevelopment theories; literature review; 87T0938
medical policy, industrial welfare states; oil crisis; Organization for Economic Cooperation & Development countries; 87R6557
medical professionalization/service provision, government policy, *homo hygienicus*/health socialization process; late 19th-/early 20th-century Germany; 87R4848
medical school enrollment reductions, effect estimates, Texas; 87T0103
medical spending/health policy,Massachusetts corporations; case study, interviews; 87R4808
mental health law, GB; court cases; 87R4915
mental health practice, insurance/reimbursement/licensure regulations, US; political/economic factors; 87R8539
mental hospital admissions, Washington; Involuntary Treatment Act, 1979 revision; official time series data; mental patients; 87R4936
national health policy, stratification system's role; 87T0884
national multiculturalism policy, Canadian psychiatry opportunities/challenges; 87T0657
National Strategies for Health Care Organization: A World Overview by Milton I. Roemer; review essay; 87R2765
negotiation process, health care institutions; governmental program merger directive; ethnographic data, interviews, documents; Nova Scotia; 87R5504
occupational hazard risk, social constructions; industrial practices, power relations; interviews, statistical/historical materials; US; 87R3683
organ transplant/patient eligibility issues, US; federal legislation; 1972,1984; 87T0606
perinatal mortality, West Germany, pregnancy counseling/government policies; statistics; 87R8444
physical culture/exercise, USSR; conference proceedings; 87R9693
physicians; health care trends; 87R7775
population aging, US, health/social policy issues; 87R8746
population trends, developing countries; socioeconomic development; UN statistics; 87R8247
pregnancy, black female adolescents, social/health impacts, prevention efforts, New York; vital statistics; 1973-1982; 87T0553
preventive medicine, social costs, legal opposition; 87R6570
psychiatric hospitalization, "mentally ill," patients' rights; case study; Michigan mental health statute; 87R2822
psychiatric reform movements, curative vs preventive mental health policy, implementation problems, US, France; medical environment; post-World War II; 87R4905
public sector health policy/expenditure, India; government statistics; 1951-1984; 87T0872
right to refuse treatment issue, mental health litigation, legal mobilization style/outcome; case studies; Colorado, New Jersey, Massachusetts, California; 87T0613

rural health care delivery/policies, developing countries; Alma-Ata Declaration; case study; Zimbabwe; 87T0599
severely handicapped newborns, treatment decisions, institutional policy formulation; 87R6531
social service cutbacks, alternative self-help groups, social/health policy, West Germany; economic conditions/values; case study; Berlin; 1980s; 87R4827
volunteer subjects' health data files, research utility improvement; 87T0618
work injuries/occupational disease, employers' vs employees' interests, welfare economics theory; 87R7302
worker health protection, industrialized societies; economic conditions; 87R3729

Health Problems
aged population's size/characteristics, India, rural vs urban areas; 87R8239
Agent Orange contamination, Vietnam War veterans, US, health/legal issues; case study; 87R7360
alcohol consumption, liver cirrhosis mortality; alcohol prices; time series data; Michigan, Ontario; 1955-1982; 87R2864
alcohol-related damage, distribution of consumption prevention approach; 87R2863
alcohol-related health problems, Australian government policy; 87T0704
back pain severity perceptions, self-reports vs physician evaluations; patient's age/psychological distress; national survey; US; 1971-1975; 87T0612
children's behavior/health, Khartoum, Sudan; urbanization; physical examinations, interviews; 1965 vs 1980; 87R8288
children's health/behavior, newly urbanized area, Khartoum, Sudan; physical examinations, interviews; 1965 vs 1980; 87R8297
deleterious behaviors/conditions; alcohol availability, sociodemographic variables; city-level data; Tennessee; 87R8574
disease risks, Samoan migrant population, California; 87R8282
elderly parents'-adult daughters' relations, Boston metropolitan area; daughters' employment/religion/socioeconomic status, parental health; semistructured interviews; Massachusetts; 87R5021
elderly, age groupings, health status/costs consequences; interviews; Minnesota; 87R8472
elderly, dependency/care, rural villages, Bihar State, India; secondary/questionnaire data; 87R8618
environmental toxins exposure, neonatal behavioral effects, methodological issues; medical examinations, maternal interviews; 87R8478
European health care community establishment, World Health Organization plan flaws; 1980; 87R4949
fetal alcohol/tobacco/narcotics effects, publication trends; content analysis; 87R8185
genetic diversity, Liberia; sociocultural/ethnohistorical factors; case study; malarial resistance trait; 87T0361
health care problems, Hmong refugees, US; participant observation, interviews, demographic/life history data; 87R3538
health differences, soviet women; fertility/other variables; 87T0478
health perceptions, Turkish vs Belgian working class families, Antwerp, Belgium; interviews; 87R8501
health policy/practice, medical sociology's/health economics' contributions; 87R8519
health problems, mass media professionals; work stress; interviews; journalists, Bavaria, West Germany; 87R4093
health status, Mexican-/black-/white-American children; single motherhood; national surveys; 87S1946
health status, US adults; age, life stage, sex; surveys, statistics; 87R8637
health status/morale, elderly rural vs urban adults; questionnaire; 87R2885
health/happiness; urbanism, race, socioeconomic status; surveys; 1972-1983; 87R9236
health/lifestyle practices, gender differences; life events, social network, education; 1979 national telephone interview survey; US; 87R2771
health/morbidity/mortality, migrant agricultural workers' children, Wisconsin; questionnaire; 87R8271
health/sense of control association; aging; literature review; 87R8633
illness experiences, Anglo-Canadian vs immigrant Chinese families; health care services organization/ideology; interviews; 87R8458
illness/health care perceptions, rural Turkish women, Stockholm, Sweden; culture; 87R8510
infectious disease mortality rates, US; socioeconomic/demographic/health variables; SMSA data; 1980; 87R4891
lifestyle/health changes, adolescents/children, Western societies; unemployment; secondary surveys; US, Sweden, UK; 87R8498
long-term health consequences, radioactive pollution; Chernobyl (USSR) nuclear power station accident, Europe; 87T0931
maternal/infant health outcomes, unmarried pregnant adolescents; psychosocial influences; questionnaire; Pima County, Arizona; 87R4651
medical geographical research, developmentalist vs underdevelopment theories; literature review; 87T0938
mortality risks; social ties; literature review; 87T0573
mortality/morbidity rates, Ghana, health care delivery implications; statistics; 87R2547
nerves attacks, Puerto Ricans/Latinas, US; interviews, literature review; 87R6583
physical health, Mexican Americans; marital status/satisfaction; interviews; San Antonio, Texas; 87R2767
physician impairment, rehabilitative programs, potential harm assessments; secondary/other data; 87R2157
political interest/efficacy/participation, older Americans; health/nutritional status; interviews; Alleghany county, New York; 87R9775
reintegration/health care problems, Greek migrant workers, West Germany; 87R8240
reproductive impairments, US females; demographic/socioeconomic variables; surveys; 87R8451
respiratory/muscoloskeletal symptoms, care decisions; health diaries; US adults; 87S1984
service awareness, "in-home" vs "aging network" programs, elderly; age/education/health status variables; interviews; small urban communities; 87R5005
smoking practices/attitudes, Spain; questionnaires; 87R8567
social situation, elderly, less-developed countries; demographic change; 5-book review essay; 87T0782
social support research problems, cultural factors; literature review; 87R9331
stress-induced illness/disability; social networks/support; 87R2770
urban noise reduction, health professionals' roles; personal experience; 87R8763

Health Professions
academic characteristics, change patterns, faculty members, established/emerging health professional schools; 1950-1984; 87R4085
ancilliary health care, professions, medical profession dominance; secondary historical accounts; 87S1960
birth process, obstetrical procedures, hospital settings; patient data, fieldwork; Riverside Medical Center, Tennessee; 87R2791
black female administrators, mental health field; 87R5986
cadaver organ donation decisions, families/doctors/outside health professionals, role interactions/locus of control; observations, interviews, questionnaires; US; 87T0624
chronic mental patients, care principles, health professionals' knowledge; test; mental health professionals, Canada; 87R4902
death education, nursing/medical/pharmacy professional colleges, US; questionnaires; 87T0084
environmental risk assessment/regulation; scientist's social/political values; interviews; industrial hygienists, occupational doctors; 87R3034
general practitioners, job satisfaction/medical care system evaluations, Sweden; interviews; 1978/79; 87R9924
genetic counseling, goal conflicts, Australia/US; 87R6831
health policy, governmental vs professional control debate, decentralization/deprofessionalization alternative; 87R6552
health professions' occupational structure, Spain; census; 87T0594
healthy lifestyle, health professionals' recommendations/people's attitudes; social class differences; France; 87R4850
income, male vs female audiologists; mailed questionnaires; US; 87R2164
medical anthropology; sociology/clinical medicine/public health systems modeling; 87R4843
medical careers, nonwhite minority underrepresentation; junior/senior high school personal/academic preparatory programs; community case study; Milwaukee, Wisconsin, 1973; 87R2775
medical specialization, post-World War II, sociological/medical/economic explanations; 87R4098
nursing home patients/health care workers, social policies' impact, US; participant observation; 87T0742
outpatient mental health care, Flanders general practitioners'-mental health professionals' interpersonal relationship; 87R8557
probability values/meanings, qualitative expressions, medical professionals; 87R5348
psychiatric nurses' role, community mental health centers/hospitals; questionnaire; Australia; 87R4914
public health vs community/social/preventive medicine, health policy issues; 87R6572

role relations, organizational structure/interaction; technology; case study; radiological departments; 87R4077
role/responsibility perceptions, health care team members; occupational group/aspirations; questionnaires; doctors, nurses, administrative personnel; 87R5991
strategic management concept, health care sector, value orientations; 87R2797
union organizing campaign, female hospital workers, social-psychological/symbolic resources; interview/other data; 87S1955
unpaid workers, service industries, gender order; 87R9923
work outcome importance, full- vs part-time hospital employees; questionnaire; western US; 87R9469
work-related stress/staff-client interaction, day health care vs social day care programs, Alzheimer patients; participant observation interviews; 87S1940

Health Services
alternative health organizations, research distribution, industrialized countries; interviews, published data; US; 87R9525
Belgian health care policies/program, structural determinants, 1974 primary health care initiative; census/statistical data; 87R4933
Bolivian flood, March 1982, health consequences, epidemiological assessment; records/surveys/other data; 87T0930
cancer mortality, farmers, medically underserved Illinois counties; mortality ratios; 87R4819
childbirth, medical care/technology; statistics; 87R2773
clinician/patient interactions, ethnographic observation methodology; case study; inner-city pediatric clinic; 87R8493
cooptation process, feminist health clinic, US; participant observation; 87R8495
disaster aid, developing countries, mental health service delivery, primary care workers' role; case study; earthquake victims, Arnero, Colombia; 87T0922
disease epidemiology; culturally linked beliefs/behavior; literature review; 87R8474
domiciliary care services, elderly; 2-book review essay; 87R5015
earthquake, health impacts, Chile, March 1985; 87T0925
elderly psychiatric patients, organic/affective disorders, diagnosis/treatment guidelines; 87R5040
elderly, social/medical service provision, distributive justice; special journal issue introduction; 87T0747
elderly, Swedish health/social welfare policy, implications for US; 87R8631
employee health promotion/prevention programs, US industries; case study; Control Data Corp; 87R1764
end-stage renal disease patient, Appalachia, kinship/social/religious support networks; ethnographic case study; US; 87S1931
GB National Health Service, 1983 Griffiths Report reorganization proposals; 87T0617
general practitioners, job satisfaction/medical care system evaluations, Sweden; interviews; 1978/79; 87R9924
health care access/resource utilization, Northern Ireland; hospital bed availability; 87R8473
health care alternatives, utilization patterns, physicians'/patients' influence; initiative; participant observation, interviews; mainstream/alternative hemodialysis centers; 87R4836
health care delivery, rural-urban inequities, Zambia; cross-national comparisons; 87T0614
health care delivery, state's role, France; technological developments, professional/social/economic forces; statistics; 87R4948
health care expansion, planning failures, Netherlands; 87R4844
health care problems, Hmong refugees, US; participant observation, interviews, demographic/life history data; 87R3538
health care service utilization, gender differences; interviews; Perth, Australia; 87R2805
health care services, urban poor, political aspects; case study, US Medicaid program; 87R8477
health care system, Sandinista efforts, Nicaragua; indices, secondary/archival/survey data; 87S1976
health care system, social inequalities, post-World War II, Hungary; intrasystem tensions; macrolevel cross-national comparison; 87R4882
health care, elderly veterans, service delivery problems; Delphi Survey; 87T0783
health care, lay/self-care methods, northern Europe; environmental factors; 200-year analysis, Denmark; 87R4826
health policy/practice, medical sociology's/health economics' contributions; 87R8519
health sector spending, US federal/state government; 1929-1981; 87R8460
health service planning/distribution/use, Nigeria; class/state factors; 1960-1985; 87T0596
health service structure, INSALUD, Spain; economic/social factors, private vs public center concerns; 87R4928
health status, GB/Spain; socioeconomic status; 87R8488
health status, Mexican-/black-/white-American children; single motherhood; national surveys; 87S1946
health/human service work, staff reductions, theoretical model; interviews; school personnel, post-Proposition 13, California; 87R2324
health/social services; governmental decentralization; case study, questionnaires, published findings; Medicaid personnel, Kansas; 87R5063
home aid health care services, substitutive effects; elderly population; Lachute, Quebec; 87R8467
hospital services, patients' satisfaction; sociodemographic/psychosocial/situational/attitudinal factors; interviews; Beersheva, Israel; 87R4904
hospital use/quality of care evaluation, peer review organizations; contract summaries; 87R2491
housing/health care services, native vs nonnative Canadian elderly; interviews; 87R8617
illness experiences, Anglo-Canadian vs immigrant Chinese families; health care services organization/ideology; interviews; 87R8458
industrial accidents, capital-labor conflict aspects; factory records, interviews; Brisbane, Australia; 87R9414
industrial health care, social workers' roles/training; 87R8475
life prolongation, elderly outpatients'/health care professionals' perceptions; interviews; 87S1931
managed health care programs, urban poor, implementation problems; case study; Boston, Massachusetts; 1981-1984; 87R8491
medical anthropology; sociology/clinical medicine/public health systems modeling; 87R4843
medical care/social policy, US hospitals, 19th century vs modern times; 87R2799
mental health care service delivery, aged persons, interorganizational relations; 87R8556
mental health care, Netherlands, psychiatric opposition movement; 1970s-present; 87R4916
Mexican earthquake, September 1985, health consequences, planning implications; 87T0932
modern social welfare state, conceptual/policy issues; 87R7653
mortality/morbidity rates, Ghana, health care delivery implications; statistics; 87R2547
national health service implementation, Nigeria, doctor's attitudes; questionnaire; 87R9925
National Health Service, GB, organizational conflict; 87T0633
national health services, Italian legislation; 87R4870
National Strategies for Health Care Organization: A World Overview by Milton I. Roemer; review essay; 87R2765
negotiation process, health care institutions; governmental program merger directive; ethnographic data, interviews, documents; Nova Scotia; 87R5504
nurse practitioners' roles/services, legal issues; 87R4846
organizational problem solving, middle managers, Regional Institutes for Ambulatory Mental Health Care, Netherlands; questionnaires; 87R3767
organizational structure/change/effectiveness, human service agencies; case study; Florida Department of Health & Rehabilitative Services; 87R5710
primary health care development, rural communities, intraorganizational relationship problems; 87T0636
public health services, Quebec, Canada; community health departments; questionnaire, interview, historical document analysis; January 1978-July 1981; 87R2792
public health vs community/social/preventive medicine, health policy issues; 87R6572
public health, preventive medicine/community health course, medical students' attitudes/perceptions; questionnaires; Brooklyn, New York; 87T0098
social service cutbacks, alternative self-help groups, social/health policy, West Germany; economic conditions/values; case study; Berlin; 1980s; 87R4827
strategic management concept, health care sector, value orientations; 87R2797
therapy management/therapy management group concept, Central Africa; literature review; 87T0597
unpaid workers, service industries, gender order; 87R9923
West German medical establishment, Turkish women's expectations/satisfaction; 87R8471

Heart
experimental surgery ethics, Baby Fae case; interview with Jack Provonsha, Loma Linda University (California); 87R4898

Heart Diseases
acute coronary artery disease, medical evaluation incidence/duration; case study; 87S1929
cardiovascular disease prevention, family psychosocial factors; 87R8520
cardiovascular disease, Sweden; work strain/control, psychosocial support; 87S1964
cardiovascular mortality, spatial/sex differentials, US; environmental/demographic/health sustenance variables; county-level mortality data; adults; 1920-1980; 87R4861
chronic disease etiology, ischemic heart disease, socioepidemiological paradigms; socioeconomic stress factors; literature review; 87R4945
coronary disease treatment/epidemiology, blacks' experiences; Coronary Artery Surgery Study; 87R4853
functional incapacitation, myocardial infarction patients; socioeconomic factors; 87R8463
inductive research, "grounded theory" method; case studies; heart patients, schizophrenic adolescents; 87R6594
ischemic heart disease, middle-aged men, Ghent/Liege, Belgium; sociocultural characteristics; questionnaire; 87R8484
late-life myocardial infarction, short-term aftereffects; interviews; postdischarge patients; 87S1987
medical facilities/practices/USSR; US delegation observations; 87R8527
myocardial infarction episodes, individual's care-seeking behavior; family; interviews; 87R8456
self-initiated diet/exercise behavioral changes, whites vs blacks; heart disease worry; national survey; US; 87R8505
surgery recovery, myocardial infarction patients; psychosocial factors; telephone interviews; white males, Baltimore, Maryland; 87R4818
well-being, myocardial infarction patients; interpersonal relationships, self-concept; national survey; 87R8522

Hedonism
mood-induced altruism, instrumental/hedonistic motivation; literature review; 87R7157
outlaw motorcycle clubs, sex-role structures; interviews, personal experience; 87R5540

Hegel, Georg Wilhelm Friedrich
base-superstructure theory, Marxist teaching, G. W. F. Hegel's influence; 87R6822
contemporary philosophy, Immanuel Kant's/G. W. F. Hegel's/Karl Marx's thought; book review essay; 87R5309
cultural anthropology vs sociology of culture, Germany; 87R3329
cultural ideals, role/significance, Immanuel Kant's/G. W. E. Hegel's views; 87R5319
Erkenntnis und Interesse (Knowledge and Interest) by Jrgen Habermas, Castilian edition; 87R5100
Hegelian theory, Karl Marx's conversion; 87R6830
human development, G. W. F. Hegel's Africa characterization/Sigmund Freud's Id compared; 87R2964
philosophy development stages, G. W. F. Hegel's thought, absolute negativity concept; 87T1052
political Left, Spain, G. W. F. Hegel's philosophy; 87R3980
sociological theory, Karl Marx's/Emile Durkheim's/Max Weber's works, Hegelian influences; 87R5427
theory of knowledge, empiricist vs Hegelian definitions, Karl Marx's/Jean Piaget's approach; 87R5315

Hegemony
British Marxist cultural studies, Stuart Hall's work; 87R5270
community/multinational corporation, dependent interaction, double binds theory; case study; Bantry Bay, Ireland/Gulf Oil; 87R3794
financial institutions' hegemony/power, market implications; 87R3840
Gramsci, Antonio, political thought; 87R8930
keynote address, 1986 Non-Aligned Movement conference, Zimbabwe; 87R9770
Western hegemonic development, 13th-century world system; 87S1945
Western world hegemony, Non-Aligned Movement's opposition, internal pressures; 87R9790
working class solidarity, Mexico/Central America/Caribbean basin; uneven capitalist development; historical analysis; 1918-present; 87R1687
world crisis, European civilizational decline, theoretical implications; 87R9585

Heidegger, Martin
human rights, concept universality, ancient Greek "natural law"/modern humanist philosophy comparison; 87R4466

Help Seeking Behavior
alcohol problems, treatment entry barriers, gender differences; interviews; 87R8612
battered women, medical personnel vs other help sources, effectiveness ratings; literature review, national interview survey; 87T0957
citizen calls to emergency services, conversation organization; 87R9253
health care postponement, unmarried older women; interviews; 87T0602
help-seeking behavior; job insecurity; interviews; principal wage earners, Los Angeles-Long Beach, California; 87R3677
help-seeking/coping patterns, Chinese psychiatric patients, Hong Kong; problem conceptualization; 87T0646
self-esteem, Israeli widows; emotional/instrumental support; questionnaires, interviews; 87R9229

Helping Behavior
altruism, definition/operationalization, motivational varieties; 87R7097
altruism/helping behavior, elderly; interviews; Detroit, Michigan; 87R7140
caregiving work, rationality concept; 87R9178
citizen calls to emergency services, conversation organization; 87R9253
coping/well-being, Alzheimers patients' caregivers; personal/social resources; self-report questionnaires; US; 87R4951
families, helping behavior, evolutionary theories, family law implications; literature review; 87T0364
genocide, bystanders' noninvolvement, Bibb Latane's/John Darley's formulations; 87R9704
help rejection, spurned helpers' coping mechanisms; experiments; college students; 87R7155
informal elderly caretakers, mentally handicapped adults, UK; interviews; caretakers, Anglesey/Arfon, Gwynedd; 87T0749
intergenerational helping behavior, older adult siblings vs parent-child dyads; interviews; North Carolina; 87T0778
Jewish Holocaust victims, non-Jewish helpers' identifications, game-theoretic analysis; historical case studies; Denmark, Lithuania, Germany; 87R7230
Jews' rescue, Denmark, 1943, Hannah Arendt's political thought; 87R7225
Jews, Nazi Germany, Gentile help; historical case study; small town; 87R7222
mood-induced altruism, instrumental/hedonistic motivation; literature review; 87R7157
personality traits, Jew rescuers, WWII; biography; Herman F. Graebe; 87R7223
prosocial behavior, sociobiological explanations; literature review; 87R7107
prosocial behavior, symbolic interactionism; 87R7103
prosocial helping behavior, decision-making process; personal norms; mothers/daughters, Trier, West Germany; 87R1471
sustained altruism, crisis-counseling agency telephone volunteers, socialization history; 87R9206
victims as helpers, Holocaust; interviews; survivors; 87R7227

Helsinki, Finland
drunk-driving offenders, problem severity/voluntary treatment program failure, Finland; laboratory tests, questionnaire; 87T0623

Heresy
public confessions, Spanish Inquisition vs Stalinist purges; 87R9782
revolutionary scientific/religious thought, Galileo Galilei/Giordano Bruno, Roman Catholic Inquisition proceedings; 87R8721

Hermeneutics
anthropological theory/writing/fieldwork, hermeneutical issues; 87R1225
comprehension problems, Jürgen Habermas's language communication model; 87R3391
gerontology research, scientific aging assumptions/meanings, epistemological conditions; 87R5003
hermeneutic circle concept, social/natural science implications; 87R7033
hermeneutic philosophy, historical development; 87R7071
hermeneutics, K. O. Apel's/Jürgen Habermas's thought; 87R3355
hermeneutics-human behavior relationship, Paul Ricoeur's work; 87R3172
hermeneutics/critical theory, Hans-Georg Gadamer's/Jürgen Habermas's debate; 87R3027
Hindu Sanskrit texts, interpretation issues; 87R8726
Jacob's wrestling match, Book of Genesis, traditional hermeneutical/structuralist interpretations; 87R2399
psychoanalysis, scientific status; 87R8712
textual interpretation, E. D. Hirsch's theory; book review essay; 87R6748

Heroes

actress Marilyn Monroe/murderess Ruth Ellis, biographers' views/fact selection; feminist perspective; 87R6791
Dutch Medals of Honor, recipients' attitudes; questionnaires; 87R7675
popular culture heroic figures, symbolic operations, third grade boys; visual media; interviews; Pacific Northwest; 87R1944
popular religion, comic strip expression; 87T0179
praise poetry, Mukama oral tradition, Africa; 87R1640
rock music performers as cultural symbols, heroic status; 87R6380

Heroin
criminal skills, incarcerated heroin addicts; prison learning; self-reports; addiction treatment center, Baltimore, Maryland; 87R5538
drug abuse detoxification/cure, traditional methods, Thailand/Malaysia; 87R2776
drug addicts/abusers, population characteristics; case histories; L'Abbaye institution, Paris, France; 87R4955
drug problem, UK service delivery policy/issues; 87R2845
feminist attitudes development, black vs white female heroin addicts; criminal lifestyle; 87S1952
heroin addiction/criminality; interviews; heroin addicts, Delaware; 87T0685
heroin addicts, death orientations/experiences; interviews, tests; 87R4954
heroin career duration, gender differences; interviews, event-history analysis; urban blacks aged 18-23; 87R2843
heroin epidemic, Wirral borough, England; case files; 87R6615

Heterogeneity
crime victimization, intergroup differences; heterogeneity, urbanization, inequality; National Crime Survey data; 1973-1979; 87R8671
interorganizational networks, interaction rates/patterns; heterogeneity, inequality; 87R7375
leaving school/marriage timing, heterogeneity/interdependence relationship; national survey; males; 87R5370
linear regression models, population heterogeneity problem; 87R3217
population heterogeneity/distributions, mixtures models; 87R4595
repeatable life events analysis, unobserved population heterogeneity problem, fixed- vs random-effects approaches; marijuana use survey; 87R5357
structural heterogeneity, dependent capitalist countries, methodological dilemmas; 87R7676

Heuristics
geography discipline, Kuhnian model; 87R8794
social science research, still/moving pictures as heuristic instruments; 87R8949

Hierarchy
attitude structure, hierarchical models, conceptualization/estimation issues; 87R6912
caste system, Louis Dumont's views critiqued; 87R5976
democratic politics, dynamic stability; hierarchy emergence; 87R3354
government/geographical hierarchy, Europe vs imperial China; 18th-19th centuries; 87R3818
hierarchical bureaucracy, organizational processes; 87S1945
hierarchy vs equality, Israeli kibbutzim, counterhierarchal mechanisms; 87R5113
Lingayat religious movement, Karnataka, India, social structure; fieldwork; 87R4039
reciprocity norms, Chinese vs Western societies; literature review; 87R5916
seniority principle, Sonongo social organization, Mali, socialization/institutionalization process; fieldwork; 87R7255
social-cultural control, Flanders, political corporative networks; 87R7710

High School Students
academic achievement, girls, single- vs mixed-sex high schools; questionnaire; twelfth graders, Queensland, Australia; 87R2303
academic achievement, rural high school seniors; home environments; interviews, questionnaires; males, Liberty, South Carolina; 87R4305
academic achievement-media use, reciprocal relationship, US high school students; national longitudinal survey; 87R4299
academic performance, high school students; out-of-school time use; questionnaire; Michigan, Ohio; 87R8041
academic performance, Hispanic high school dropouts vs nondropouts, Colorado; peer group influence; interviews; 87T0083
adolescent drug use trends/attitudes, regional/gender differences; questionnaire surveys; 11th graders, Ohio; 87R4663
adolescent psychosocial adjustment; parent's marital status; survey; high school students, Quebec; 87T0425
adolescent sport participation; life chances/style factors; questionnaire instruments; California; 87R5867

multiple murder cases, scientific research, epistemological/methodological issues; 87R2907
murderers, personal characteristics; published studies; India; 87R6652
police legitimization, GB, 1833-1985; 87R6295
serial murder; research agenda proposed; 87R5036
serial murderers, early identification/apprehension strategies, US; literature review, case studies; 87R5038
sexual ideology development, post-WWII US; child murder/sex crimes panic, psychiatrists'/media's role; 87R4678
sexual murderers, child sexual abuse history vs nonhistory; 87R8669
sexual murders, case characteristics, Germany; official documents; 87T0805
sexual murders, motivational model; 87R8644
sexual murders, organized/disorganzied offender categories; 87R8668
spousal homicide, female offenders, demographic/social characteristics; case records; Detroit, Michigan, 1982/83; 87S1958
suicide/homicide patterns; demographic/situational variables; contingency table/multiple classification analyses, logistic regression; 87R2920
suicide/homicide rates; divorce/migration rates; government statistics; 1970s; 87T0475
suicide/homicide rates; religiosity; cross-national data; industrial nations; 87R6536
suicide/homicide/accident mortality, aged population, Finland; official statistics; 87R4924
unnatural death rate, Glenochil Young Offenders Institute & Detention Centre, Scotland, program inefficiency/flaws; case studies; 87R8687
urban robbery, lethal/nonlethal cases; police reports; Chicago, Illinois; 1982/83; 87R5058
US homicide trends; government's war involvement; statistics; 1948-1978; 87T0963
victim precipitation, male vs female homicides; court records; 87S1964
youth slayings/disappearances, 1979-1981, Atlanta, Georgia, official ideology; 87R4474

Homogamy
heterogamous/homogamous marriages, Kuwait, gender/age/religious characteristics; statistics; 1974-1984; 87T0441
intercultural/interreligious marriages, problems/pressures; questionnaire interviews; couples, Hawaii; 87R2667
marriage market, modern France, homogamy process; demographic data; 87R7080
sociopolitical attitudes, homo-/heterogamous marital context, US Catholics; religious values/contexts, Church teachings; questionnaire, NORC General Social Surveys; 87R4406

Homogeneity
data homogeneity problem, quantitative analysis; 87R6886
hospice development, US; historical/institutional/newspaper records, interviews; 87R6563
probability theory, homogeneity concept, epistemology of statistics; 87R5354

Homosexuality
acquired immune deficiency syndrome (AIDS), theater productions, symbolic meanings; 87R2278
acquired immune deficiency syndrome research/education, volunteer recruitment; 87T0629
acquired immune deficiency syndrome risk, homosexual males, Netherlands; lifestyle/personal variables; longitudinal analysis; 87R4885
acquired immune deficiency syndrome, homosexual bathhouse closure, constitutional issues; 87R4491
acquired immune deficiency syndrome, legal/medical responses, US/Finland/Netherlands; homosexuality prejudice; 87R6547
acquired immune deficiency syndrome, media coverage; content analysis; national magazines; 87R1884
acquired immune deficiency syndrome, risk reduction education; content analysis; safe sex brochures; 87T0628
alcohol use-love relationships, homosexual men; interviews, observations; California; 87R7176
cross-gender identification, homosexual men/women; secondary studies; US; 87R8328
development experiences/relationship perceptions, children of bi-/homosexual parents; interviews; 18-28 year-olds; 87R8394
deviance perceptions, master status theory; questionnaire; college students, midwestern US; 87R7193
gay men's relationships/lifestyles, acquired immune deficiency syndrome's impact; 87T0431
gay/lesbian workers, job discrimination, social workers' role; 87R1716
heterosexual longing, Gebusi, New Guinea, narrative text analysis; 87R8902
heterosexual/homosexual/parent-child relationships, gay fathers; questionnaires, scales; Minnesota; 87R3124
homosexual identity, adolescent male prostitutes; cultural sex/gender constructions; quantitative/qualitative data; US; 87R4677
homosexual males, contemporary China, demographic/personal characteristics; letter content analysis; 87S1977
homosexuality as reproductive altruism, universal-marriage societies, sociobiological theory; 87T0438
homosexuality images, Canadian sociology textbooks; content analysis; 87R5372
homosexuality research, essentialist perspective; 87S1943
homosexuality research, heterosexuality bias; literature review; 87R8335
homosexuality, roles/occupational concentration; 87S1973
male prostitutes, deviant career mobility; interviews; 87R2153
male sexuality, social determinants; interviews; males, Philippines; 87R9255

male/female homosexuals, social distance scale developed; college students; 87R7115
recalled parent-child relations, homosexual vs heterosexual adult males; questionnaire, scale; 87R2637
sexual behavior, gay males; acquired immune deficiency syndrome epidemic; questionnaire; New York City; 87R4829
sexual fulfillment, heterosexual/bisexual/homosexual females; interviews; 87R5279
sexuality behaviors/attitudes, homosexual priests, US; questionnaire; 87S1987
social judgments, sexual behavior; collective medical/judicial interpretation; 19th century-present; 87R4509
sociology of homosexuality, Netherlands, political aspects; 87R4682

Hong Kong
comparative social research, replication/interpretation issues; questionnaires, scales, indices; occupational social workers, Hong Kong; 87R1212
help-seeking/coping patterns, Chinese psychiatric patients, Hong Kong; problem conceptualization; 87T0646
housing provision, Hong Kong, government policy/provision; 87R2234
institutional reform, juvenile reformatories, People's Republic of China/Taiwan/Hong Kong; personal observations, documentary evidence; 87R2464
mutual stereotypes/interaction behavior, local Hong Kong Chinese/US exchange students; ratings; 87R7208
New Working Class theories, technical white-collar workers; occupational/technological change; questionnaires; technicians, Hong Kong; 87R2104
Protestant ethic orientation, Taiwanese vs Hong Kong college students; sociodemographic/other factors; scales; 87R6389
self-esteem, male vs female secondary school students, Hong Kong; academic achievement; questionnaire; 87R9204
sex discrimination perceptions, female workers, Hong Kong; social class position; 87R1709
social work research, Hong Kong, Western technology transfer issues; 87R9551
squatter housing market, Hong Kong, commodification processes; 87R5791
table manners, Hong Kong, symbolic inventory; field research; 87R3635

Honor
male-female relations, Andalusia (Spain), honor-shame code, recent changes; ethnographic data; Peralto; J. A. Pitt-Rivers's analysis; 87R6461
parent-child relationships, Algerian immigrant families, France; Rorschach/Thematic Apperception tests; females aged 18-22; 87R4731

Horkheimer, Max
Dialectic of Enlightenment by Theodor W. Adorno & Max Horkheimer, postfunctionalist argument; 87R7047
Foucault, Michel, theory/works; other philosophers' comments; 87R3343
Marxist ethical theory, Max Horkheimer's/Jürgen Habermas's views; 87R8711

Hospices
hospice development, US; historical/institutional/newspaper records, interviews; 87R6563
palliative nursing care/medicine, recent literature; bibliography; 87R4816

Hospitalization
first hospitalization; ethnic group differences; medical records; US Navy men; 1974-1979; 87T0616
hospital patients, pre-/postoperative care improvement; psychosocial intervention program; case study; Vienna, Austria; 87R4896
hospital services, patients' satisfaction; sociodemographic/psychosocial/situational/attitudinal factors; interviews; Beersheva, Israel; 87R4904
involuntary commitment hearings, legal representative's role; hearing records; state mental hospital, Florida; 87T0584
involuntary mental hospitalization decisions; gender; fieldwork; 87T0653
mental hospitalization, betrayal notion; 87R2839
post-hospitalization elderly patients, Homeward Bound program, evaluation methodology; case records; Mercy Hospital, Urbana, Illinois; 87T0588
psychiatric emergencies, indigent persons, hospitalization evaluation decisions; participant observation; city-county hospital emergency room; 87R8554
psychiatric hospital admissions/length-of-stay, Japan; cultural system; 87T0660
psychopathological symptoms, adolescent females; sociodemographic factors; psychiatric hospital records; Massachusetts; 1973-1983; 87T0650

Hospitals
birth process, obstetrical procedures, hospital settings; patient data, fieldwork; Riverside Medical Center, Tennessee; 87R2791
care continuity, postdischarge mental patients, hospital-community treatment/linking programs; 87R8548
collective bargaining agreement adoption, hospitals, US; internal/external constraints; surveys; 1976, 1979, 1980; 87R9347
decision-making authority, multihospital systems; questionnaire; administrators; 87R2750
deviant behavior control, urban hospitals, institutional police forces vs hospital psychiatrists; case study; Veterans Administration Medical Center; 87R8549
distributive health policy, hospital construction program, developmental dynamics; 87R8508
doctors-hospital symbiotic relationship, conceptual framework; 87S1939
health care cost containment, US; regulatory vs competitive strategies, health maintenance organizations; SMSA analysis, US; 1971-1981; 87R4856
health care services, general systems approach, patient-hospital-community relationships; 87R4889
hospital chief executive officers, role changes; corporate authority hierarchy; mailed questionnaires; 87R1784
hospital industry, US, organizational survival/growth/death; 87R4800
hospital medical practice, democratization/humanization, patient/social service workers action group; Salzburg, Austria; 1983; 87R4849
hospital use/quality of care evaluation, peer review organizations; contract summaries; 87R2491
hospital-physician relationships; competition, regulation, corporatization; published surveys; 87R4807
internal labor markets, employee access, hospital vs chemical/oil firm laboratories; interviews/other data; midwestern US; 87R7789
interorganizational cooperation, service delivery programs, hospital network systems; cancer programs; 87R3762
job satisfaction/assertion/professional self-image, hospital social workers; role-set complexity, socioeconomic status; 87R7738
job satisfaction/performance, hospital nurses; perceived organizational communication satisfaction; field study; 87R4120
medical care/social policy, US hospitals, 19th century vs modern times; 87R2799
negotiation process, health care institutions; governmental program merger directive; ethnographic data, interviews, documents; Nova Scotia; 87R5504
outpatient department utilization, public vs private hospitals, inner cities, US; patient/provider characteristics; observations; New York City, New York; 87R8476
pharmacist professionalization/role negotiation; hospital social context/structure, interpersonal relations; participant observation; teaching hospitals; 87R2155
psychiatric care, medical patients, Hannover Consultation Liaison Model, West Germany; 87R4831
radiological hazard perceptions/behaviors, US hospitals; occupational classification; anthropological data; 87R8506
rational behavior, hospital emergency room staff; environmental uncertainty; observations; 87R4878
resident-patient relationships, surgery/psychiatry staff, urban hospital; participant observation, interviews; 87S1968
staff-patient interaction, intensive care units; technologically intensive medical intervention, staff attitudes; conversation analysis, field research; West German hospital; 1980-1983; 87R4873
uncompensated care provision, public vs private hospitals; surveys, government data; 87T0953
union organizing campaign, female hospital workers, social-psychological/symbolic resources; interview/other data; 87S1955
work attitudes/activities/conflicts, medical center employees; computerized system's introduction; interviews; 87R2536
work outcome importance, full- vs part-time hospital employees; questionnaire; western US; 87R9469

Hostages
cybernetic appropriateness review, hospital care; project evaluation; 87R4880
Stockholm Syndrome, hostage crises, psychodynamics/treatments; 87R6644

Hostels
migrant workers' hostels, Western Cape, South Africa, male-female relations; published studies; 87R5681

Hostility
deviant roles, small groups, hostility displacement; questionnaires, videotapes; 87R9189

Hotels
social reality/problem negotiation; group power; case study; Rosebush Hotel owners vs residents, Chicago, Illinois; 87R6782
Households
community depopulation patterns; census data; Colonsay, Inner Hebrides, Scotland, 1841-1891; 87T0346
consumption intention/behavior inconsistencies, foods/beverages; unexpected situations; interviews, garbage analysis; households, Tucson, Arizona; 87R5584
economic development, comparative analytical approaches critiqued; 87S1972
family/household composition change, US; Panel Study of Income Dynamics; 1970s; 87R4777
family/household models, 16th-19th century Europe; 87R3585
household composition/formation, Minho province, Portugal; literature review; 87R6434
household consumption, multiple classification data analyses, Karl van Meter's basic types notion; 87R3235
household division of labor, alternative measurement strategies; interviews, activity logs; 87R4773
household division of labor, women's economic roles, efficiency-oriented analysis; 87R9444
household division of labor; wife's employment/earnings; Hartford, Connecticut; 87S1956
household formation/organization, marriage patterns, European farm servants; historical data; 19th century; 87R6040
household structure, US elderly; race, ethnicity; census; 87R6470
household types/cycles, Latin America, urban anthropological approaches; journal issue editorial; 87R6416
household-formation systems, rural Europe, preindustrial era; 87R6765
labor force participation, heads of household/spouses; wages, financial need, job characteristics; 1976 sample survey; 87R5626
labor markets/household budgets, rural Portugal; small-scale manufacturing enterprises; interview surveys; industrial workers; 87R6033
land tenure-social organization relationship, rice-growing community, Tohoku, Japan; household values/rights; 87R2193
living arrangements, single adults, Canada; age/gender/other factors; 1979 Micro Data file; widowed/separated/divorced males/females, aged 18-34/50+; 87R4658
microelectronic communications technology, home-work utilization costs/advantages; literature review; 87R7282
reciprocal labor system, *Chetri* caste households, Nepalese village; 87R6030
residential energy conservation, innovation adoption; decision thresholds; mail survey; households, US; 87R6756
sexual equality, household work, Norway; official statistics; 87R4724
shared housing, success factors, Australia; interviews; Adelaide; 87R6055
simple commodity production households, capitalist societies, property/patriarchy contradictions; 87R9397
Women in the Caribbean Project, methodology/findings; 87T1021
Housework
child care/household chores, fathers' participation; mothers' employment/other determinants; interview; Caucasians; 87R8341
depression, housewives; family income, role dissatisfaction, extrafamilial contacts; interivews; southeastern US; 87R4943
domestic service, males' domination, colonial Zambia, gender-role issue; archival/field research; 87R5600
domestic work economy, monetarization/demonetarization classification categories; social trends; statistics; France; 87R6438
domestic/wage labor, women's inequality, Canada; uneven economic development; 87R1650
family roles, husbands' housework participation, Korean vs US-immigrant Korean men; national family values, technological resources; mail survey; 87R3118
household division of labor, married couples, US; wives' employment/education/other factors; telephone survey; 87R6483
household division of labor; wife's employment/earnings; Hartford, Connecticut; 87S1956
household division of labor; working conditions; questionnaires; married couples, Washington; 87R5687
household labor time allocation, dual-career couples vs dual-earner/single-earner households; interviews; 87T0447
household work/family leisure activities, father's participation, France; wives' employment; secondary survey data; 87R6444
housework/child care participation, males, 1965 vs 1975; national interview surveys; 87R3681
institutional cleaning industry, Toronto, Ontario; personal account; 87R9441
mental health, employed vs nonemployed mothers; home/child care/sex/work role attitudes; survey; Sheffield, England; 87R8906
nontraditional males, childrearing/household responsibilities; interviews; 87R5527
time allocation, work/leisure/housework, Australian adults; interview surveys, longitudinal analysis; 87R1935
time concepts, working class women, Scotland; intergenerational ties, domestic responsibilities; life-history interviews; 87R3134
unemployment, Netherlands, definition of labor; 87R3691
unpaid workers, service industries, gender order; 87R9923
Housing
citizen participation, housing development, Austria; 87R2216
contemporary status perceptions, 19th-century homes/their residents; experiment; photographs; Boston, Massachusetts; 87R2077
elderly housing, technological issues; 87R9981
ethnic minority housing/segregation, choice/constraint factors; interviews, official data, census; Bedford, England; 87R3568
habitation structure, Navajo "hogan," US Southwest; acculturation pressures; Black Mesa Defiance Plateau, Arizona; 87R3624
house plans/room uses, 17th-century London, England; 87R3056
house/neighborhood satisfaction, community-based rural elderly; ecological/architectural/psychosocial/other variables; interviews; Kansas; 87R2906
household furnishings, Italy, social status implications; questionnaires, photographs; 87R9807
housing abandonment, industrial metropolis, historical/structural antecedents; literature review; Philadelphia, Pennsylvania; 87S1967
housing access, Yugoslavia; social strata/power relations; statistics; 87T0029
housing architectural styles, meaning attributions; scales; 87S1932
housing area residents' self-management, Poland, organizers' role satisfaction/functionality; questionnaires; 1977; 87R2236
housing cooperatives, economic action/space appropriation, Montreal, Quebec; interviews, participant observation, documents; 87R5731
housing cooperatives, promotion/management strategies; GB vs Scandinavia; questionnaire survey, written records; 87R7847
housing crisis, Italy; social/life cycle changes; 87R9217
housing finance system, US, deregulation/reorganization; 87R3014
housing forms (longhouse), ethnic/cultural identity maintenance, Iroquois reserves; interviews; 87R3636
housing provision/access, capitalist societies, Marxist perspective; 87R3831
housing research, gerontological perspective, GB; 87T0767
housing rights, Belgrade, Yugoslavia; social stratification; 87R9854
housing space/location satisfaction, urban residents, Taichung (Taiwan) vs Western cities; survey; 87T0031
housing system, Australia/GB, feminist analysis; 87R5236
housing tenure; social class position; survey, interviews; Canada; 87R5973
housing/health care services, native vs nonnative Canadian elderly; interviews; 87R8617
identity communication strategies, home as symbolic tool, Italy; 87R9197
intergenerational home sharing, social structure/dyad formation; status passages; life-history interviews; Madison, Wisconsin; 87R6626
interpersonal compatibility, college roommates, exchange/nonexchange orientation; scale; 87R1407
living alone, metropolitan elderly, US; housing/social service availability; 87S1966
low-income housing, social conflict process; social/political/legal structures; archival materials, interviews; Arlington Heights suburb, Chicago, Illinois; 87R6059
manufactured housing, nonmetropolitan communities' attitudes/receptiveness; survey; community officials/housing professionals, North Carolina; 87S2004
mobility desires, nonmovers, Montreal, Quebec; secondary survey data; 87R4611
neighbor relations, high-rise residences, Israel; building structure, personal characteristics; interviews; women; 87R2228
neighborhood associations' mobilization/organization, post-1985 earthquakes, Mexico City; documents/interviews/observation; 87R8781
occupant satisfaction, rural vs urban households; home's age; survey; Friuli-Venezia Giulia region, Italy; 87R9988
old age accommodations, GB; 87T0766
racial discrimination, mortgage lending patterns, Milwaukee, Wisconsin; 87S1981
recreation choices; housing type/household characteristics; household survey; Mississagua, Ontario; 87R1932
residential self-management institutions, Poland, socialist values; 87R2215

rural-urban transition, Friulian region, northeastern Italy, housing activity; 87T0021
scholastic achievement, college freshmen; living group social environment; survey, scales; fraternity/residence hall groups; 87T0126
shared housing, success factors, Australia; interviews; Adelaide; 87R6055
social inequality, Yugoslavia; housing policy; 87T0874
socioeconomic development, urban Kaduna, Nigeria; micro-/macrolevel processes; quantitative/qualitative data; 1916-1980; 87R3801
substandard housing, Sweden; poems, photographs; 87R8945
umemployment differentials, young men, GB; housing tenure, early fatherhood; Labour Force Survey; 87R2616
urban squatter settlements, Brazil, popular planning perspective; 87R6054
women's responsibilities, Victorian-modern times, housing design issues; 87T0988

Housing Market
gentrification trends, residential sales value vs resident income changes, US; census/housing data; Philadelphia, Pennsylvania; 87S1958
housing finance system, US, credit/affordability problem; 87R6066
housing market functioning, Netherlands; population aging; 87R9999
housing shortage, illegal solutions, Karachi, Pakistan; surveys; 87R7875
living arrangements, young adults, Europe; home-leaving timing; cross-national survey; 87R8311
racial segregation/structuring, suburban areas, dual housing market model; 1970-1980; 87R1590
second-home ownership, Sicily, Italy; census; 87R9958
Southeast Asian community, Paris, France, activities/housing; 87R7246
squatter housing market, Hong Kong, commodification processes; 87R5791

Housing Policy
agricultural production/landownership patterns, Agro Pontino farms, Mussolini regime period, Italy; 87R9931
city planning, employment/housing issues, post-1939 Germany; case study; 87R7868
elderly housing, Japanese policy; 87S2000
elderly housing, technological issues; 87R9981
federal housing allowance program outcomes, program participants vs random comparison group; national survey; US; 87T0947
homeless families, New York, shelter policy; 87R8819
housing access, informal practices vs government policy, Italy; 87T0509
housing area residents' self-management, Poland, systems analysis, 1976/1980; 87R2247
housing conditions/problems/policy, poor families; 87R7871
housing crisis, Italy; social/life cycle changes; 87R9217
housing development, social quality considerations; 87T0017
housing finance system, US, deregulation/reorganization; 87R3014
housing integration strategies, Cleveland, Ohio, inmovers' characteristics; survey; 87S1931
housing needs/policy, elderly veteran members, Israeli kibbutzim; questionnaire survey; 87R5129
housing policy, Belgium, collectivism/participation; 87R6067
housing policy, Netherlands, subsidy cutbacks; 87R2223
housing policy, New Zealand, historical development; 1900s-1980s; 87R4197
housing policy, social stratification impact, postwar Yugoslavia; sociological analysis; 87T0898
housing provision, Hong Kong, government policy/provision; 87R2234
housing reconstruction policy, post-1985 earthquakes, Mexico City; 87R8786
housing rehabilitation, market intervention rationale critiqued; case study; Canada Mortgage & Housing Corporation; 87R9792
housing/housing policy; socioeconomic variables; Netherlands; 1974-1984; 87T0015
manufactured housing, nonmetropolitan communities' attitudes/receptiveness; survey; community officials/housing professionals, North Carolina; 87S2004
outer-city/greenbelt development, rural England, social costs; 87R2994
second-home ownership, Sicily, Italy; census; 87R9958
self-help housing policy, Nicaragua, revolutionary context; 87R9982
social housing programs, low-income tenants, Canada; rent-to-income policy, shelter allowances; income transfer computer analyses; 87R3023
urban development, housing inequalities/segregation, Eastern Europe; 87T0035
urban housing patterns, turn-of-the-century Rosario, Argentina; residents' occupational characteristics/social interaction; 87R9531

Human Body
body conceptualizations, medical anthropology perspectives; 87T0626
body/mind as information systems, idealism vs dialectical materialism tenets; 87R5102
changing body shape, Japanese women; national surveys; 87R2587
commercial hair analysis, test-retest reliability, within/between laboratories; Stephen Barrett's data reanalyzed; 87R8771
corporeality, phenomenological perspective; 87R5448
human body symbolization, primitive/feudalistic/capitalistic societies; 87R5478
sociology of the body; 87R9132

Human Capital
human capital attainment, Brazil; individual/spatial characteristics; Public Use Sample, 1970 Census; 87R3705
human capital demands, high technology industry, higher education's response; 87S1940
human capital investment, US industry, educational system requirements; 87T0131
social/private profitability, professional vs nonprofessional college program graduates, Quebec; census; 87R8042

Human Dignity
human life, price/value calculation, moral issues; 87R3002

Human Ecology
agricultural labor force aging, ecological factors, Taiwan; 87R9946
domestic violence, ecological model; case study; 87R6421
environmental sociology, status/contributions; 87R6750
land/botanical resource use, subsistence production systems, Les Alves, France; folk biotape analysis; 87R3652
social movements, niche theory approach; 87R7483
sociobiology-anthropology conflict, behavioral ecology's development; 87R6751

Human Nature
action research, human needs concept; 87R7184
authoritarian vs human conscience, Erich Fromm's theory; 87R9171
Christian model of man, Marxian theory implications; 87R7142
Crime and Human Nature by James Q. Wilson & Richard J. Herrnstein; review essay; 87R6642
criminality, genetic/familial variables; book review essay; 87R1367
"ewiger Kampf" (eternal struggle) concept, Max Weber's vs René Girard's approach; 87R3394
Gramsci, Antonio, social science/Marxist interpretation; 87R5262
group solidarity/individual utility conflict; exchange/reciprocity patterns; 87R3381
homo juris, man as legal being; 87R2979
human aggression, interdisciplinary approach; 87R1455
'human' concepts, medicine, interaction/role system paradigms; Michel Foucault's/Jacques Lacan's/Talcott Parsons's/Friedrich Nietzsche's ideas; 87R4811
human nature theories, natural law ideologies; textual analysis; 87R3353
human nature, anthropological research issues; 87R7131
law, traditional nature/behavior; 87R4480
man's sociopsychological condition, Jean-Jacques Rousseau's autobiography; 87R4255
moral exemplars/values, comparativist anthropological perspective; book review essay; 87R3369
natural law ethics, philosophical teachings; 87R8486
nature, objectification critiques, alternative attitudes; medicine as example, human body's psychosomatic attributes; 87R5310
political orientations/activism, voting-age residents, Memphis, Tennessee; human nature beliefs; interviews, scales; 87R9636
power relationships, Homo sapiens, "bioconstitutional" approach; 87R8958
social behavior, idealistic/non-Marxist theories critiqued; 87R8920
space-based culture, human factors; 87R5130

Human Resources
labor force resources, nonmetropolitan areas, US; 87S1996
organization development field, research/theory; 87R9492
universities, human-resource planning methodology; faculty records; liberal arts college; 1972-1978; 87T0087
urban industrial transition, industrial/occupational-functional approach integration; article, comments, questions; 87T0025
US urban industrial transition, federal/state aid compacts; 87T0014

Human Rights

antiterrorist regulations, Italy, texts/applications; 87R5208
beginning of life, biological/ethical issues; 87R6733
children as minority, US society; 87R3567
children's law/advocacy, test litigation; book review essay; 87R4486
children's rights/family life, Polish legislation; 87T0376
citizenship rights, British lower class/US blacks; 87R2051
communication/information, journalistic knowledge monopoly vs oral traditions, H. A. Innis's views; 87R5456
family respect/integrity protection, Article 8, European Convention of Human Rights; 87R6265
feminist political attitudes/strategies, equality principle, fathers' legal rights issue; 87R6277
free press/fair trial right, legal issues, empirical behavioral/social science research's role; 87R4457
God-given human rights notion, historical tradition; 87R8061
health/human rights, Ciskei independent homeland, South Africa; statistics, newspaper articles; 87R8518
human rights abuses, social science research, quantitative data's limitations; 87R8983
human rights, concept universality, ancient Greek "natural law"/ modern humanist philosophy comparison; 87R4466
international pressure groups, Third World sovereignty/citizen's rights threats, conduct code proposed, Latin America; 87R9725
juvenile correctional institutions, People's Republic of China, children's rights issues; field/primary/secondary data; 87T0215
Naga Peoples national/human rights movements, India, colonial/ postcolonial government oppression; 87T0959
philosophical roots/values emphasis, 1949 West German/1978 Spanish constitutions; 87R7631
power relationships, Homo sapiens, "bioconstitutional" approach; 87R8958
prison newspapers, censorship, inmates' constitutional rights; case studies; US; 87R2481
social membership, citizenship rights; 87R1844
statute law/individual rights, Ronald Dworkin's work; 87R1758
UN human rights conventions; member nations' periodic reporting obligations; 87R1963
underground publishing, Hungary; personal interview; Gábor Demszky; 87R7516
women's political situation, transnational perspective; 87R8856
world society/politics, universalistic vs particularistic ultimate values; 87S1982
worldwide human rights movement, history/current status; 87R7456

Human Service Organizations

cutback planning/implementation, human service agencies, consultants' roles; 87R5301
death rates, younger vs older voluntary social service organizations; external legitimacy vs internal coordination processes; interview survey; 87R3774
deviance construction, human service organizations, juvenile justice system; organizational characteristics; questionnaires, interviews; 87R7192
first-term soldiers' problems, human service agency use/assessment; interviews; army personnel, US; 87R9483
job satisfaction, human resource agency workers; departmental reorganization; mail questionnaires; Racine, Wisconsin; 87R6005
job satisfaction, human service workers; job characteristics/type; mail questionniare survey; state social insurance agency; 87R5981
job satisfaction/attitudes, budgetary retrenchment setting; gender; questionnaire; employees, human services department; Racine, Wisconsin; 87R6004
labor management practices, nonprofit human service organizations; interorganizational resource competition; mail survey; 87S1940
military human services programs, methodological issues; 87R8996
organizational records' functions/service, human service agencies; field research; public low-income clinic; 87R8499
performance characteristics, private product-producing vs public human service organizations;; 87S1978
skid-row rescue missions, services/programs; mailed questionnaires; International Union of Gospel Missions; 87R8808

urban organizations' effectiveness; client characteristics; 87R8161
work incentive program, unemployed welfare clients, impression management strategy; 87R5664
work satisfaction, human service agency employees; education/gender/ organizational influences; mail questionnaire; 87R1671

Human Services

acquired immune deficiency syndrome, voluntary service organizations' development/structure, economic-political environment effects, Connecticut; 87S2004
battered women, medical personnel vs other help sources, effectiveness ratings; literature review, national interview survey; 87T0957
caregiving work, rationality concept; 87R9178
collaboration, human service delivery systems, power distribution/use issues; fieldwork, case study; 87R6660
economic development, Western Siberia; social/cultural services; survey; experts, USSR; 1985; 87R9490
financial retrenchment/welfare state crisis, cities' responses, cross-national comparison; 87T0034
health/human service work, staff reductions, theoretical model; interviews; school personnel, post-Proposition 13, California; 87R2324
home care services, elderly, case management program; interorganizational relationships; case study, participant observation; 87T0743
human service programs, development/evaluation, US military; journal issue introduction; 87R9474
human services design, simulation gaming; case studies; design participants, Ohio; 87R9034
human services provision, organizational/administrative development; journal issue introduction; 87R8678
welfare/human services institutions, Yugoslavia; 87T0813

Humanism

Foucault, Michel, views, humanism/social sciences; 87R9099
Frankfurt school/Jürgen Habermas, Marxist vs humanist tendencies; 87R5440
human rights, concept universality, ancient Greek "natural law"/ modern humanist philosophy comparison; 87R4466
humanist organizations, Belgium; 87R4401
humanist values, state/market compatibility, Thomas Hobbes's/Adam Smith's/Renaissance humanism works; 87R5101
humanistic sociology/secular humanism relationship; questionnaire; members, Association for Humanist Sociology; 87R9110
humanistic vs scientific sociology, William L. Kolb's influence; personal recollections; 87R3309
legal studies, humanistic/critical/Marxist approaches; symposium; 87R6286
Marxism, emancipatory movement vs economistic/sociologistic system, humanist viewpoint; 87T1046
Marxist humanism, historical analysis; 1950s-present; 87T1039
rural development process, India, human compassion factor; case study; Duari, Uttar Pradesh; 87R5191
sciences of science, cognitive paradigm, Marc DeMey's views; interview; 87R6689
sociology classroom, actor's perspective; 87R6143
Technology, Ecology, & Social Development Project, ecol-humanistic model; 87R2524
technology, humanistic/technical dimensions, historical-critical analysis; 87R2519

Humanistic Sociology

humanistic sociology instruction, alternative testing approach; 87R6938
humanistic sociology/secular humanism relationship; questionnaire; members, Association for Humanist Sociology; 87R9110
reflexive dimension, teaching humanistic sociology, strategies; open-ended questionnaires; undergraduates; 87R6936
social research teaching/practice, humanistic approach; student research project; 87R6918
sociology classroom, actor's perspective; 87R6143
sociology teaching, humanist perspective; 87R6937
teaching sociology, humanistic approach, novels as texts; personal experience; *Capital City* by Mari Sandoz; 87R6941

Humanitarianism

de-alienation, human consciousness liberation, theoretical framework derived; case study; secondary school teachers, Israel; 87R5520
famine relief operation, Ethiopia, political issues; 87R5189
Foundations of Bioethics by H. Tristam Englehardt; review essay; 87R8283
Gentile rescue of Jews, Nazi-occupied Europe, historical vs psychosocial analyses; literature review; 87R7206
Gentile rescuers of Jews, Holocaust, research questions; 87R7239
Jewish Holocaust victims, non-Jewish helpers' identifications, game-theoretic analysis; historical case studies; Denmark, Lithuania, Germany; 87R7230
Jews, Nazi Germany, Gentile help; historical case study; small town; 87R7222
Jews, Nazi Germany, Oskar Schindler's rescue efforts; interviews, archives, newspaper articles, correspondence; 87R7248
modern information technology, humanistic criteria, socialist societies; 87R4556

social/political stability, socialist societies, humanitarianism's importance; 87R4026
threats to life, moral principles; General Social Surveys; Cardinal Joseph Bernardin's views; 87R4381

Humanities
epidemiology, liberal arts characteristics; 87R7967
human sciences research, ethical aspects, technicism critiqued; 87R5379
sciences/arts relationship, divergences/understanding; 87R5080

Humanization
hospital medical practice, democratization/humanization, patient/social service workers action group; Salzburg, Austria; 1983; 87R4849
'human' concepts, medicine, interaction/role system paradigms; Michel Foucault's/Jacques Lacan's/Talcott Parsons's/Friedrich Nietzsche's ideas; 87R4811
human evolution, symboling vs labor's role, Leslie White's vs Friedrich Engels's thought; 87R5265

Humor
Ethopian famine jokes, US, sociosemiotic analysis; 87T0044
humor production/appreciation, deaf children; 87T0053
humor, ostracizing/cohesion-maintaining functions; 87R2581
humor; social/personality traits; questionnaires; college students, elderly women; 87R3414
mass media humor, social role, West Germany; content analysis; newspaper column; 87R4242
norm formation/social conformity, group settings; humor; experiments; university students; 87R3441
police work, social meaning constructions, humor's role; participant observation; urban police subdivision, GB; 87R6292
sexist humor, feminist perspective; 87R5213

Hungary
alcohol consumption/production patterns, economic/social importance, Hungary; personal observations; 87R8582
balance of interests theory's validity, Hungary, reply; 87R9556
biological/cultural continuity, elderly women's role, Cserepfalu village, Hungary; participant observation/interview/life history/other data; 87T0757
birth control issues, 1932 panel discussion, Hungary; 87T0543
commemorative speech, Hungary; 87R9047
democratic opposition movement, Hungary; 87R2008
dissertation discussion, Hungary; 87R9050
doctoral dissertation, discussion, Hungary; 87R9048
economic policy/reform, Hungary, work collectives; 87R1819
educational planning, Hungary; 87R7989
environmental protection, socialist countries, Marxist economic approach; case study; Hungary; 87R6749
exhibition opening, Hungary; 87R9330
family agricultural production, Hungary, rural entrepreneurship; 87R2192
farming town development, post-1945, Great Palin, Hungary; 87R9932
father-son/father-daughter educational mobility; Hungary, the Netherlands; large-scale surveys; 87R4330
female occupational mobility, US/Hungary/Poland; national survey data; 87R4135
foreign language communication culture, Hungary, sociological analysis; 87T0059
health care system, social inequalities, post-World War II, Hungary; intrasystem tensions; macrolevel cross-national comparison; 87R4882

native/immigrant relationships, France, Identity/Otherness concepts; observations; 87R1450
occupational categories, Sikh immigrants, Vancouver, British Columbia; participant observation, interviews, documents; 87R3506
occupational distribution, foreign-born, Canada; gender; census data; 87R9433
parent-child relationships, Algerian immigrant families, France; Rorschach/Thematic Apperception tests; females aged 18-22; 87R4731
physical/psychological/social conditions, Turkish migrant women, Denmark; interviews; 87R2826
political consciousness/mass socialist movement, Italian-American immigrants; religious traditions, acculturation; 20th century; 87R4410
post-WWII Polish-ancestry population, US, immigrant subgroups; interviews; Minneapolis-St. Paul, Minnesota; 87T0322
psychiatric disorders/treatment, ethnic immigrant minorities, GB; 87R8541
residential decision making, South Slav immigrants; ethnic attachment, household life cycle/socioeconomic status; LISREL methodology; Cleveland, Ohio; 87R1576
self-images, Italian emigrants; photographs, films; 87R5305
settlement patterns, Italian immigrants; census data; Buenos Aires, Argentina/New York, US; 1880-1914; 87T0291
settlement policy, German immigrants, Melbourne, Australia, assimilation vs exclusivist approaches; historical analysis; 87R2574
social differentiation processes, minority group migration, Switzerland/Europe; 87R2551
social network, Indian immigrant family, Toronto, Ontario; 87R3530
sociocultural transition, Portuguese Catholic emigrants, central Europe; Fatima religious pilgrimage; 87R6221
Spanish population/language use, Belgium; secondary studies, statistics; 87R3798
structural pluralism, ethnic/gender inequalities, second-generation immigrants, Australia; census; 1981; 87R2123
suicide rates, immigrant groups, Canada; social integration levels; official statistics; 87R4805
suicide rates; immigration, unemployment, age; statistics, census; Canada; 87R2748
transnational migration problems, Western Europe; 87R2556
transnational migration, Western democratic states, policy issues; 87R2557
unemployed youths, innovative job training program, Vienna, Austria; 87R3696
urban problems, Paris, France, Soviet viewpoint; official statistics; 1976-1982; 87R9990
Vietnamese refugees, economic/psychological/cultural adjustment; interviews; Edmonton, Alberta; 87R9304
way of life, married Berber Women, Brussels, Belgium vs Nador, Morocco; emigration; 87T0295
welfare programs, immigrants' participation, US; census; 87R8275
work success, first/second generation immigrants, Australia; discrimination, educational/language/work experience deficits; census data; adult males, 1981; 87R1675
working conditions/daily life, immigrant women, Montreal, Quebec; life histories, government statistics; 1971-1981; 87T0316
young Maghreb immigrants' movements, resource management theory, France; 87T0375
Yugoslav/Turkish female immigrant workers, Austria; secondary studies, statistics; 87R3712

Immigration
aboriginal land rights/immigration policy, Australia, multicultural society concept; 87R3564
Australian immigration, Marxist perspective; book review article; 87R2545
emigration/immigration research, France; 87R4617
fertility levels, Mexican immigrant women, US; assimilation, socioeconomic selectivity, disruption; 87R4625
immigrant acculturation program, Sweden, leader training, anthropology's role; 87R9286
immigrants/working class formation, Jewish immigrants, Palestine vs US, 1881-1920; 87R9355
immigration plans/processes, family reunification; US immigration policy changes; interviews; households, Ilocos Norte Province, Philippines; 87R8351
immigration policies, ethnic minorities, cross-national research, methodological problems; 87R3517
immigration policy, France, press/political attitudes; 87R2573
immigration policy, group integration/cohesion, Chile; 87T0349
immigration, conceptual questions; 87R4592
immigration, France, social/economic/political effects; secondary data; 87R4614
immigration/ethnicity/cultural pluralism relationships, India vs US; 87S1998
Indian immigrants, Canada, occupational composition; government policy; statistics; 87R3513

Indian immigration, Canadian policy, discrimination/prejudice; 87R3808
Lebanese immigrant communities, identity/culture, Australia/Uruguay; Lebanese war; fieldwork; 87R3532
Mexican nationals, US, immigration/incarceration experience; interviews; 87R3527
migration fluctuations/labor supply, New Zealand; 87T0302
population growth, countries of emigration; US immigration; official statistics; 1983; 87T0353
population maintenance, US; fertility/immigration policies; article/comment; 87T0545
post-World War II immigration matrix, Sweden; 87T0321
residential segregation/migration patterns, middle-class Japanese immigrants, Düsseldorf, West Germany; official statistics; 87R3520
Statue of Liberty/Ellis Island, US National Park Service site development, symbolic meaning vs historical reality; 87R1534
Third World immigration, US; 3-book review essay; 87R8251

Imperialism
imperialism, J. A. Hobson's/V. I. Lenin's theory, dramatic presentation as teaching technique; 87R5387
political/economic/social situation, Guadeloupe; historical/field data; 87R7448
Sumner, William Graham, imperialist/anti-imperialist views; 87T0815
US imperialism/aggression, Third World peace/economic development obstacle, Cuba's response; 87R9722

Impression Management
genital herpes, information disclosure/management strategies; observation, interviews; self-help group; 87R6554
learning disabled students, passing vs metacognition notions; case histories; 87R8024
work incentive program, unemployed welfare clients, impression management strategy; 87R5664

Imprisonment
Cuban immigrant internment camps, US, 1980 Marielito riots; 87S1945
female criminality, research/theoretical trends; 87R3092
firearm carrying/use, mandatory sentencing law; criminal justice system's/public's response; Boston, Massachusetts; 1975-1977; 87R6250
imprisonment rate, racial differential, 1870-1981; official statistics; US, North Carolina; 87T0121
incarceration/crime rates, minority vs white youth, US; government surveys; 1977-1983; 87T0410
legal aid perceptions, incarcerated offenders; National Offender Survey; Australia; 87R2469
mandatory drunk driver imprisonment, judicial noncompliance; court/jail records; New Mexico/Indiana; 87R8179
media use, prison inmates, frequency/diversity/derived gratification; questionnaire; 87R2474
Mexican nationals, US, immigration/incarceration experience; interviews; 87R3527
prison adjustment, Donald Clemmer's prisonization theory tested; questionnaires; inmates, India; 87R2462
prisoners' treatment, GB's vs other West European states' criminal justice systems; case studies; 87R6276
small-group prison concept, applicability in GB; 87R2478

Inanimate Objects
acts/objects, symbolic uses, semiotic analysis; 87R9165

Incentives
agricultural development, worker motivation/cost accounting improvements, USSR; 87R9428
household energy use; financial incentives; questionnaire/other data; longitudinal analysis; 87R3471
labor productivity improvement, public opinion, USSR; questionnaire surveys; 87R7493
members' participation, collective action organizations; incentive systems; 87S1965
poverty/unemployment traps, tax/benefit structure reforms, UK; case study; 87T0954
socioeconomic development, suboptimal productivity, USSR; worker motivation; 87R5767
use vs gratification, research problems; 87R9218
work incentive program, unemployed welfare clients, impression management strategy; 87R5664
worker morale development, Soviet labor collective, cash incentives experiment; 87R7301

Incest
adolescent incest sexual perpetrators, demographic characteristics/sexual behavior; interviews; New York City; 87T0430
evolution/natural selection, sociobiological approaches; 2-book review essay; 87R2586
father-daughter incest, family adaptation, North America; interviews, observations; 87R8333
father-daughter incest, girls' resistance/rebellion, sex-delinquent behavior; case records; Boston, Massachusetts; 1880-1930; 87R2666
father-daughter incest, social work intervention; feminist perspective; 87R2631
incest experiences, negative-to-positive perceived outcomes; gender, age, guilt, exploitation; questionnaires, interviews; nonclinical sample, US; 87R8329
incestuous sexual behavior, biologic fathers vs stepfathers; interviews; 87T0437
mother-blaming, male-perpertrated incest victims, mother-daughter bonding issues; 87S1963
nonincestuous rape victimization, women; victim's incestuous abuse history; interviews; San Francisco, California; 87R6372
perceptional/hallucinatory disturbances, adult female incest survivors; 87R8854
sexual selection-childhood familiarity relationship, E. A. Westermarck's hypothesis; case study; first-cousin marriages, Zikri Baluch, Pakistan; 87R9321

Income
divorce adjustment, gender differences; family stress; questionnaires; Texas; 87T0495
economic earning capacity, US-born Hispanic males; immigrant Hispanic labor; 1970 US Census; 87R7315
educational attainment/earnings, sex differences; birth order, family size; survey data; 87R2361
employment/income patterns, women, UK; 87T0994
family income allocation, cross-class employed couples; tape-recorded interviews; England, Wales; 87R5970
farmers' income; farm ownership, development program membership; interviews; farmers, Calaja II, Hamtic, Antique, Philippines; 87R9564
farming continuation, adaptive strategies, nonceconomic objectives, US farmers; farm crisis; statistics; 87R6024
financial status/stress, demographic characteristics, US farm producers; telephone interviews; Texas, North Dakota; 87R6042
Hispanic financial aid recipients, income self-reports; student records; 87T0121
household division of labor, married couples, US; wives' employment/education/other factors; telephone survey; 87R6483
household division of labor; wife's employment/earnings; Hartford, Connecticut; 87S1956
income attainment, core/periphery workers; dual economy- vs dual-labor market characteristics; 1972 Census of Manufacturers; 87R7433
income, older/working-age males; intergeneration occupational mobility; surveys; 87R7686
income-expenditure patterns/school life, criminal recidivists; semi-structured interviews; imprisoned offenders, Tamil Nadu, India; 87R8164
interracial income inequality, US cities; black population percentage/political influence; census data; 87R7614
intra-/intergenerational income mobility, Geneva, Switzerland; survey; 87R2085
labor markets/household budgets, rural Portugal; small-scale manufacturing enterprises; interview surveys; industrial workers; 87R6033
minority aged, income/health status, US vs GB; census/survey/other data; 87R2875
neocorporatist income policies, West European countries, formation/stability; 87R3010
nonprofessional/nonmanagerial employees' income, socioeconomic determinants; 87S1997
parental life outlook/adolescents' job expectations, West German families; income change; longitudinal questionnaire data; 87R7299
perceived health status, elderly, Ontario; reported income; interviews; longitudinal analysis; 87R8628
regional mortality levels, Japan; income per capita; death rates; 87T0331
residential mobility; marriage, divorce, widowhood; longitudinal interviews; 87T0020
scholastic productivity, Monterrey, Mexico; income; questionnaire survey; 87R2360
schooling/wage rates, adult children; parental family income; panel data; 87R7685
small farm income enhancement, alternative enterprise selection, simulation model projections; survey; east central Oklahoma; 87S2004
Vietnamese refugees, economic/psychological/cultural adjustment; interviews; Edmonton, Alberta; 87R9304

women's wages; divorce; longitudinal surveys; 1967-1977; 87R9913
worker morale development, Soviet labor collective, cash incentives experiment; 87R7301

Income Distribution
capital/labor income distribution; unionization, strike activity; statistics; 1949-1978; 87R1722
declining middle stratum, US economy, income distribution consequences; 87S1940
distributive justice, Israeli kibbutzim, structural equality; questionnaire; 87R2453
divorce, marital instability; age, marriage duration; telephone interviews; US; 87R8346
earnings determination process, male industrial workers; age/demographic/employment characteristics; census/other data; 87S1983
economic distributional patterns, rural India; gender, agricultural growth; secondary data; 87T0939
economic well-being assessment, income vs family material hardship criteria; surveys; Chicago, Illinois; 87R6770
economic well-being, elderly, US; 87R2901
economic well-being, men vs women, 1959-1983; census, surveys; 87R3097
family income distribution, US; female labor force participation; secondary data; 87R9852
family income distribution/inequality, industrial nations; Luxembourg Income Study; US, Canada, Israel, UK, Germany, Sweden, Norway; 87S1960
home/personal safety practices; age, income, sex, education; program data; state employees, Columbia, South Carolina; 87S1939
housing provision/access, capitalist societies, Marxist perspective; 87R3831
income distribution patterns, Argentina; 1953-1980; 87R4037
income distribution, demographic/neoclassical model, preindustrial Europe; 87R9599
income distribution, poverty levels, Yugoslavia; 87T0956
income distribution, Switzerland; political-social mobilization; official data; 87R7666
income distribution, Yugoslavia; empirical/statistical data; 87R9446
income transfer programs, analytical/methodological approaches; 87S1968
leftist party preference, Greece; government/foreign policy/socioeconomic variables; surveys; 87S1953
poverty/income distribution, Uruguay, authoritarian government policy; 87R7866
profit distribution, economic sectors, Uruguay; 87R2035
racial income distribution data, intergroup inequality measures; 87R3224
real income distribution, developing nations vs industrial democracies; 87R4584
rent subsidies, low-income families, Belgrade, Yugoslavia; 87T0001
social class structure/income level changes, Taiwan; government statistics; 87R9829
social policy origins/functions; 87T0896
social services equalization policies, Scandinavian countries; 87R9793
tax system, Yugoslavia, socioeconomic inequality/income redistribution functions; 87R9754
tax-transfer system, income inequality, Canada; 87T0292
voter turnout, uncertain outcome elections; opportunity costs; 87R7615
wage variation, manufacturing industries; labor unionization, employer's market power; rational panel data; 87S1946
waged/unwaged work relationship, US/southern Africa/Mexico; household/labor force gender-based structure; 87R5787

Income Inequality
black/white income inequality, southern urban US; SMSAs' location/industry structure; 1980 census data; 87S1963
changing sector employment, earnings/fringe benefits advantages; national survey; 87S1952
class relations, communist Yugoslav society; 87S1983
comparable worth doctrine, court rejection, disparate impact model; 87R8113
comparable worth doctrine, judiciary rulings/legislative actions; 87R8878
comparable worth legislation impact, unskilled women; 87R9002
crime rates, US; economic structure, poverty, unemployment; cross-sectional analysis; 1980; 87T0788
crime/clearance rates; poverty, inequality; official data; US; 87S1982
distributive justice, Israeli kibbutzim, structural equality; questionnaire; 87R2453
earning inequalities, blacks/whites/Hispanics, US; over-/under-education, discrimination; 1980 census data; 87R7353
earnings differences, male vs female faculty; organizational/demographic characteristics; national surveys; 87R4134
earnings inequalities; unequal political resource distribution; census data; migrants vs nonmigrants, Australia; 87R2070
earnings inequality, core/periphery/government industries, black vs white males/females; US Census; 87R1727
earnings inequality, work supervisors, race/sex differences; span of responsibility/control; interview survey; white/black males/females; 87R2158
economic inequality, blue-collar workers, Yugoslavia; 1976 Worker Census; Slovenia, Macedonia; 87R7701
economic inequality, female- vs male-dominated occupations, Yugoslavia; 87S1975
economic resources, minority elderly, "Double Jeopardy" vs "Levelling" hypotheses tested; census data; whites, blacks, Hispanics; 1960, 1970, 1980; 87R2897
educational expenditure, school districts, Kentucky; intra- vs intercommunity income inequality; 87S1991
employment earnings; occupation's gender composition; aggregate census data; 87R3743
employment gender composition; industrial restructuring; census data; 87R7348
family income distribution, US; female labor force participation; secondary data; 87R9852
health care utilization, social class differences; economic resources; case study; Varanasi, Uttar Pradesh, India; 87S2002
hourly wage differences, men vs women; government survey; Australia; 1982; 87R9374
income distribution inequality, US; official statistics; 87R8822
income distribution, demographic/neoclassical model, preindustrial Europe; 87R9599
income distribution, fairness attributions/judgments; vignettes, interview survey; Netherlands; 87R1439
income equity, males vs females, US; job opportunity increases; statistics; 87S1959
income inequality, metropolitan US; economic development, industrial organization, education, race, sex; cross-sectional/longitudinal analyses; 1949, 1979; 87R2244
income inequality, race/sex differences, US; social organization of production position; 1979 Michigan Panel Study of Income Dynamics; 87R7698
income inequality, residential vs nonresidential real estate salespersons; occupational sex segregation; interviews; 87S1983
income inequality; economic development; literature review; 87R9544
income level; work-related social ties; cross-sectional data; Chicago, Illinois, metropolitan area; 87R1659
individual earnings/promotions, US; organizational characteristics; surveys; 1973-1977; 87R9875
interlocking directorates, Trinidad & Tobago; annual reports; 87R7639
interracial income inequality, US cities; black population percentage/political influence; census data; 87R7614
intraoccupational earnings dispersion, human capital vs institutional perspectives; census; 87R7755
intraorganizational income inequality, manufacturing forms, Sweden; organizational hierarchical structure; earnings data; 87S1960
labor force stratification; employee benefit/earnings packages; official data; 87R5670
labor force stratification; pension rule structures; 87R1710
legal/illegal immigrants, US, earnings disadvantages; 87T0297
male/female wage inequality, work-similar occupations, empirical assessment measure developed; *Dictionary of Occupational Titles* measures; 87R4104
nursing profession, economic vs noneconomic participation determinants, comparable worth implications; questionnaires; nurses, Illinois; 87R7753
occupational/income polarization, areal labor markets; hi-tech industries; official data; southeastern US; 87S1989
perceived underpayment; earnings, spouses' earnings; telephone interviews; married couples; 87R7764
percent black/racial status differentiation, southern US labor markets; official data; Mississippi; 87S1989
political violence; income inequality; 87R5201
profit distribution, economic sectors, Uruguay; 87R2035
race-/gender-based wage/opportunity differentials; employee ownership; 87S1981
racial wage/employment inequalities, adult men; past unemployment, job characteristics; panel study; Michigan, 1976-1980; 87R1656
remuneration premises, Yugoslavia, social class inequalities; 87R9845
rural-urban migration, Gende, Papua New Guinea; economic inequality, sociocultural factors; participant observation, surveys; 87R1645

sentencing discrimination, white vs black offenders, Georgia; community inequality vs offender attributes/behavior; Department of Corrections data; 1976-1982; 87R6294

shift work patterns, college students; income, age, marital status; national longitudinal survey; 1980-1982; 87R9381

tax-transfer system, income inequality, Canada; 87T0292

unemployment-family well-being relationship, interviewing factors, Canada; 87R9460

wage attainment processes, sex differences; labor market structure/placement; survey; 87R2126

wage differences; type of first college entered; 87R4325

wage differentials, minorities/females/white males, New York; occupational segregation; comparable worth study; 87S1947

wage earnings, sex differences, Australia; equal pay legislation; 87T1014

welfare/income equality policies, market liberalism/democratic socialism critiqued, fraternity recommended; 87R6734

Income Maintenance Programs

antipoverty policy, France, minimum guaranteed income proposal; 87R8804

full employment/income, constitutional amendment, democratic socialist strategy, US; comment/reply; 87R5639

income maintenance benefits, men/women, GB's differing labor market roles; 87R3706

pension programs, poor mothers, 19th- vs 20th-century US; literature review; feminist perspective; 87R8821

remuneration premises, Yugoslavia, social class inequalities; 87R9845

Independence

alienation, post-independence Tunisia; 87R7575

independence policies, development issues, Iranian revolution; 87R7447

leadership training/self-government, Papua New Guinea, Kwato Mission's influence; 1890-1986; 87R1642

nation-state development, post-independence Algeria; transnationalization process; 87R7603

Quebec independence movement, motivational dimensions/model; 87R2042

well-being, adolescents; self-reliance; National Longitudinal Study; 1972; 87R2607

Indexes (Measures)

male workers, New Zealand, socioeconomic index; census data; 87R5634

occupational titles/attainment, Canadian labor force, socioeconomic index; national census/survey data; 87R6810

science input indicators, classification theory; 87T0254

underemployment measurement, social indicator approaches; 87T0885

India

academic research/publication, US vs Indian institutions; structural/psychological variables; 87R4540

adult education, oppression of women, rural India; organizational practices; 87R3100

agrarian structural reform, Iran; comparative-historical analysis; 87R4179

agricultural extension (Training & Visit) system, farmers'/exension workers' attitude scale, West Bengal, India; 87R4158

agricultural innovations, information sources, farmers, western Rajastran, India; field study; 87R9951

alienation/strain, extended family system, India; role disjunction; 87R3364

anticaste protest movements, India, social transformation implications; 87R1861

Arockyai Mary cult, untouchable caste Parayaran village, southern India; 87R6189

atrocities, victims'/landlords'/public workers' perceptions, Harijans, Indian villages; 87R3561

bahri alang (going outside) practice, India, ritual aspects; fieldwork; artisans/shopkeepers, Banaras; 87R1934

Bhopal (India) chemical plant disaster, media coverage; content analysis; publication/television reports; 87R5182

bicultural oscillation, Paliyan food collectors vs Mongol pastoralists, cultural frontier regions; ethnographic/historical research; India, China; 87R3031

birth control, India, ancient/modern attitudes; 87R4587

British famine policy, India, 1800s/1900s; literature review; 87T0943

calendar, India, ritual aspects; content analysis; almanacs, Banaras; 87R5590

caste status/occupation/fertility, large villages, India; economic development; survey; households; 87R6346

caste/political authority/sect relationship, Tamil Nadu temple, India; 87R6238

child employment, developing countries; age, family size, parental income, schooling; interviews; working children, India; 87R4641

childrearing attitudes, Indian vs US mothers; self-report questionnaires; 87R6448

church unions, societal/religious contexts, Canada/Australia/South India; archival data, secondary sources; 87R4377

city planning; Chandigarh, India; 87R7863

communication technology, cultural implications, South Asia; UNESCO seminar, Poona, India; 87R5826

comparative research, India, most similar vs most different systems design; 87R3192

conference topics, 1986 Eleventh International Sociological Congress, New Delhi, India; 87R9082

crime; urban growth; district-level census data; India; 1971, 1981; 87R2930

criminal offenders, India, social needs/characteristics; police records, interviews; Uttar Pradesh; 87R5028

democratic village self-government, *panchayat* system's role, India; 87R9737

dental occlusion, rural vs urban Bengali male youths; interviews; 87R2764

depressive illness, India; 87R4867

deprivation, Dalit population, India, protest movements; 87R5807

divorce reform, India, law/religious conflict; 87R4487

dowry-related crimes, women victims, Delhi, India; 87S2001

dowry-related deaths, India; interviews, police/media records; 87R1629

drop-out/repetition rates, primary school students, India; survey; 87R4288

economic activities, Indian migrant bankers/moneylenders, Southeast Asia; 1800-1930s; 87R9839

economic changes, 19th-century Europe/Japan vs India, macrosociological explanation; 87R2069

economic development, India, science/technology manpower employment; published statistics; 1950-1980; 87R5680

industrial labor organization, automation/humanization issues; literature review; Marxist perspective; 87R5658
industrial modernization, French socialist program; case studies; 87R9437
industrial structure/productivity, Japan; Integrated Service Digital Network; 87R5131
industrial/information society transformation, US; 87R3013
machinists' skill, US; conventional vs numerical control machining; interviews; New England plant; 87T0287
modernization/industrialization, robotics; case study, automobile industry; 87R2517
national development, Third World countries; computer industry/use; 87R2523
organizational patterns, mechanical engineering industry, West Germany; technical/economic conditions; 87R5691
organizational structures, advanced industrial societies; microelectronic technology; 87R7370
plant closings, workers' resistance activities, Marxist production control theories; 87R9449
production automation, manufacturing industry, US; 3-book review essay; 87T0284
prosperity potential, mass production industry; book review essay; 87R7435
rationalization processes/rules, administrative/production work; interviews; management/employees, West German metal industry companies; 87R1769
sexual division of labor/skill contradictions, printing industry; computer technology; 87S1936
skill/deskilling, retail meat industry workers, US; technological changes; interviews, trade journal articles; 87S1985
Taylorist management strategy, contradictions/alternatives; 87R5697
unemployment, liberal-democratic ideology, Canada; 87R5630
unequal power relationships, workplace settings, worker responses; 87S1949
unionization obstacles, high-technology firms, US Sunbelt; work environment/political climate, employee union attitudes; survey, interviews, field observations; Texas; 87S1976
work deskilling; computerization; 87S1932
work organization; advanced technology; case study; European airplane Airbus-320; 87R8740
work skills/potentials, manual laborers, USSR, technological change implications; questionnaire; food-processing complex, Leningrad; 87R7280
working life/unemployment, new technologies' effects; literature review; 87R9398
workplace culture; computer technology; 87R2525

Industrial Collectives
dispute treatment/solution, rural vs industrial communities, Georgian Soviet Socialist Republic, USSR; questionnaire interview survey; Telavi, Tschinvali; 87R2458
workers' collective, Austrian furniture/industrial design company, learning process; 87R3772

Industrial Democracy
capitalist firms, labor participation, power distribution effect model; 87R9586
democratic workplace degeneration; ethnic/cultural factors; case studies; Los Angeles, California; 87T1064
economic changes, control model; Poland; 1946-1981; 87R9590
income distribution, Yugoslavia; empirical/statistical data; 87R9446
industrial democracy, development, South Korea; 87R9419
management-initiated worker participation, trade union involvement, Australia; case study; public utility union; 87R9370
profit-sharing/capital-sharing program effects; 87R9598
self-management firms/sectors, government's/private institutions' roles; previous research; Chile, Peru; 87T1065
worker management participation programs, interelite relationships; interviews; workplace elites, Israel; 87R9353
worker self-management firm development, issues/problems, Peru, Chile; 87T1066
worker-controlled businesses, computer utilization; secondary studies, interviews; Berlin, West Germany; 87R3688
worker-owned firms, definitions; 87T1063
workers' collective, Austrian furniture/industrial design company, learning process; 87R3772
workplace democracy, worker-managed enterprises, Austria; 87R3734
workplace democratization theories, structural vs generative, Scandanavia; historical analysis; 87R9495
workplace democratization; survey, case studies; Oregon; 87R9459

Industrial Development
chemical industry/technology, academic chemists' position, late 19th-century England; 87R4532
community/multinational corporation, dependent interaction, double binds theory; case study; Bantry Bay, Ireland/Gulf Oil; 87R3794
division of labor, interdependence-differentiation relationship, US; industrial data; 1919-1972; 87R9141
electrical utility regulation, class-state relationship issues; case studies; 87S1971
employment gender composition; industrial restructuring; census data; 87R7348
enterprises, social development; Czechoslovakia; 87R2936
European urban industrial transition, European Economic Community's policies/problems; 87T0852
fertility rates, industrial development, evolutionary perspective; 87T0298
high technology industrial development, worker polarization, Newbury District, GB; 87R7424
high technology industry development, Cambridge, England, university's role; 87R4571
income/employment/labor patterns, capitalist vs kinship fishing vessels, New England; interviews; New Bedford/Gloucester, Massachusetts; 87R7291
industrial capitalism, 20th-century Europe; book review essay; 87R1799
industrial democracy, development, South Korea; 87R9419
industrial development, territorial-production complex approach, USSR; 87R8738
industrial diffusion/economic dualism, Prato, Tuscany, Italy; case study; 87T0876
industrial policy debate, US, cross-national/UK applications; 87R8756
industrial revitalization, declining regions, France; 87R3004
industrialists, social/political/economic roles/behavior, Ecuador; interviews; Quito, Guayaquil; 87R5745
informal economic activities, Latin American/Western nations; industrialization; published data; 87R9583
municipal economic intervention, London (England) Industrial Strategy; 87R1829

national industrialization rates/status; manufacturing vs service sector size; cross-national data; 87T0337
occupational mobility inequality patterns; industrial structure changes; 87R9912
political/economic status, American Indians, underdevelopment theory; 87R1588
rural/urban labor force, southeastern Mexico; petroleum/tourist industries; census; 87R2549
social structure, northern Ossetia, USSR; questionnaire; 87R9936
sociological/psychological services, USSR, mobilization goals; article/comment; 87R6966
textile industry development/organization/ownership, Jalisco, Mexico; 19th century; 87R7669
urban economic transition, dual economy integration; article, comments, questions; 87T0005
urban industrial transition, entrepeneurial renewal; article, comments, questions; 87R9986
urban industrial transition, physical renewal/adaptation phases; 87T0030
worker self-management firm development, issues/problems, Peru, Chile; 87T1066

Industrial Enterprises

alienation, Israeli kibbutz factory workers; production means ownership; questionnaire; 87R7335
althlete favoritism, workplace managers, USSR; questionnaire; 87R9692
borrowing behavior, US industrial corporations; social/economic factors; 87S1998
coalition formation, middle-level managers, industrial organizations, politico-structural perspective; interviews; 87R9511
commodity production, labor process control; 87S1934
company-oriented union movement, France; 87R1647
contemporary firms, sociological theory, institutional perspective; 87R1779
correctional facilities provision, private industry's role; 87R8162
developing nations' infrastructure industries, system size effects theories; cross-national data; 1960, 1970, 1980; 87R1800
earnings determination; industrial structure; secondary data; 87R5649
earnings inequality, core/periphery/government industries, black vs white males/females; US Census; 87R1727
economic action, modes of rationality, Max Weber's/L. Karpik's theory; 87S1961
employee health promotion/prevention programs, US industries; case study; Control Data Corp; 87R1764
employer/employee relations; supervisor characteristics; questionnaires; industrial workers, Poona, India; 87R1743
engineering jobs, France, dequalification hypothesis; interviews; engineers/technicians, industrial firms; 87R9872
enterprises, social development; Czechoslovakia; 87R2936
farm/industry structure, socioeconomic conditions, US; longitudinal analysis; 1970, 1980; 87R6044
film industry, filmmaker's role, South Africa; 87R7907
firm size, Japan vs US; national surveys; 87R3759
fish processing industry, Nova Scotia, labor-capital interrelationships; interviews; plant managers; 87R7277
History and Heritage: The Social Origins of the British Industrial Relations System by Alan Fox; review essay; 87R3710
industrial capitalists, Korea, social origins; biographical/other data; 87S1982
industrial cooperative merger, Hungary; case study; 87R9421
industrial enterprises, Calabria region, Italy; interviews, case studies, questionnaire survey; 87R5624
industrial enterprises, sociological/psychological research; 1985 conference proceedings, USSR; 87R1288
industrial enterprises, Yugoslavia, socioeconomic change/adaptation strategies; 87R5765
industrial health care, social workers' roles/training; 87R8475
industrial organization, Hungary, semiautonomous subcontracting; 1982 law; 87R1780
industrial policies, France, union intervention; 87R1673
industrial rationalization, computer technology strategy; 87R1756
industrial relations, Italy/West Germany, economic crisis/structural aspects; case studies; machine-tool/electronics companies; 87R1685
industrial relations, labor union/employer conflicts, West Germany; 1984; 87R1737
industrial relations/conflict management, Italian corporations; interviews; company managers, union officers; 87R1648
industrial social work, skills/activities; 87R2135
international trade union development; multinational corporation growth; case study; Massey-Ferguson plants, Kilmarnock, UK; 87R3838
job absenteeism, nonfarm employees; industrial/organizational variables; national survey, census, labor statistics; 87R3732
labor force stratification; pension rule structures; 87R1710
labor union movement, France, employee participation/Auroux laws; 87R1762
managerial beliefs/practices, Japanese companies; questionnaire; 87S1984
microcomputer technology, user attitudes/acceptance, high-technology corporation, California; questionnaire, interview; 87R5997
neocorporatist arrangements, internal self-regulation, Austria; 87R5948
new business acquisitions, managerial approaches, developed countries; 87T1061
occupational health/safety services introduction, industrial firms, Canada; questionnaire; firm administrators; 87R9463
ombudsmen/industrial social workers, parallel functions/activities; 87R1678
organizational efficiency, Korean/Japanese/US factories; organization structure, exogenous worker variables; 87R3775
organizational transformation, actors' roles, large firms; case study; product line diversification process; 87S1956
personal relationships/interdependencies, Austrian industries/banks; 87R1838
production process, labor's vs capital's contribution; Annual Survey of Manufacturers; 87S1933
professional identity/institutional attachments, computer industry; questionnaire; 87S1937
profit-sharing/capital-sharing program effects; 87R9598
Quality of Work Life programs, unionized workers' support/opposition; case studies; US plants; 87R3692
rural industry, modernization process, Haryana, India; sociodemographic variables; interviews; village entrepreneurs; 87R7820
small group activities, US/Swedish Japanese industry, diffusion process; outside consultants; 87S1952
sociological services branch, industrial enterprises, USSR; 87R1745
sociological services' effectiveness, industrial plants, USSR; case study; 87R9046
technical efficiency, state socialist vs capitalist firms, chance-constrained activity analysis; 87S1967
technological innovations, implementation problems, industrial enterprises, USSR; interdepartmental organization; questionnaire; workers, L'vov; 87R1782
trilateral (state/trade union/entrepreneur) bargaining, interest organizations, Italy; survey; 87R1720
unionization obstacles, high-technology firms, US Sunbelt; work environment/political climate, employee union attitudes; survey, interviews, field observations; Texas; 87S1976
women's employment/social class position, interwar GB; documentary data; 87R8859
work force control/employment bureaucratization, US industries, Depression-WWII; official data; 87R1652
work inequalities/developmental contradictions, USSR; 87R4446
worker motivation, Soviet industry; 87R3722
worker recruitment/selection strategies, British/German firms; 87R9517
worker self-management firm development, issues/problems, Peru, Chile; 87T1066
working hours' flexibility, sociopolitical effects; Switzerland; 87R2539
workplace democracy, new labor code, Bulgaria; 87S1943

Industrial Management

Birshtein, Mary M., simulation gaming, USSR; biography; 87R9080
coalition formation, middle-level managers, industrial organizations, politico-structural perspective; interviews; 87R9511
disciplinary committees, French firms, internal social control; 87R1672
enterprises, social development; Czechoslovakia; 87R2936
individual functioning, corporate managers, Lusaka, Zambia; work achievement; interviews; 1985; 87R9908
industrial rationalization, computer technology strategy; 87R1756
industrial relations, public enterprise sector, political objective transmission mechanisms; case studies; British/Spanish railways; 87R9394
industrial structure/relations, management training, UK; 3-book review essay; 87R9506
living standards/old age security, Indonesia/Malaysia/Philippines; multinational corporations' employee benefit structure; interviews, questionnaires; 87R9884
managerial control/structure, monopoly firms, Japan; surveys; literature review; 87R9505

participative management, labor union intervention, Taylorism; 87R1729
production organization/management, tool & die workshop, France; technological innovation; personal experience; 87R1701
production/domination relations, management decision-making strategies, legitimation effects; 87R1772
rationalization processes/rules, administrative/production work; interviews; management/employees, West German metal industry companies; 87R1769
Taylorist management strategy, contradictions/alternatives; 87R5697
work patterns/industrial structure, Japan vs other Western societies; 87R9502

Industrial Production
division of labor, industrial societies; book review symposium; 87R1746
industrial systems/enterprise, Marxist sociology; 87R1763
manufacturing industry/productivity, modern world; 8-book review essay; 87R9358
migration/employment patterns, fishmeal industry, Peru; economic cycle; case study; 1955-present; 87R9569
production process, socialist society, automation vs creativity concerns; 87R7290
rationalization processes/rules, administrative/production work; interviews; management/employees, West German metal industry companies; 87R1769
truck manufacturing, USSR; improved cost accounting/state subsidy withdrawal laws; interview; director, Likhachev Industrial Complex; 87R9578
work organization improvements/microprocesses, Eastern Slovakian Ironworks, Kosice, Czechoslovakia; 87R9408

Industrial Societies
advanced developed societies, characteristic aspects, structural-functionalist perspective; cross-national analysis; 87R9706
aging process, developed countries, geographical research synthesis; 87R8634
contemporary fiction, social situation, traditional narrative's demise; 87R7919
couples' childbearing decision, Western industrialized countries; cultural/socioeconomic/other factors; 87R8286
current/emerging criminal predators, US/other industrialized countries; 87R5037
family assistance/solidarity, Western industrialized countries; 87R8395
family life, Western industrialized countries, morphological/functional typologies; 87R8368
family/economic structure, Australia/Europe/GB, societal complexity vs structural-functional explanations; 87R8381
females' infant feeding, developed countries, paradigmatic academic models critiqued; 87R7152
future social change, industrialized countries; psychological/social/cultural factors; Delphi survey; social scientists; 87R8741
green movements, advanced industrialized societies; 87R7458
health care evolution/social/economic changes; Alvin Toffler's Third Wave concept; 87S2000
industrial diffusion/economic dualism, Prato, Tuscany, Italy; case study; 87T0876
industrial sociology, German vs Anglo-American approaches; literature review; 87R1696
international employment distribution, labor fragmentation, Babbage principle challenged; case study; clothing/textile industry, UK; 87R4090
labor force utilization, Finnish industry; organizational/production/other changes; 87S2001
mass consumption, industrialized society, economic vs anthropological approaches; 87R3827
medical policy, industrial welfare states; oil crisis; Organization for Economic Cooperation & Development countries; 87R6557
modern medicine's limits, developed countries; scientific/technological development, socioeconomic values; 87R4860
new business acquisitions, managerial approaches, developed countries; 87T1061
nuptiality/fertility decline, Western industrialized countries vs Japan; socioeconomic factors; UN/US/French statistics; 1960-1985; article/comment; 87T0560
occupational prestige hierarchies comparison, industrialized countries; secondary data; 87R9896
part-time farming, rural survival strategy, West Germany; 87R6052
population aging, industrial societies, increased elderly support needs, non-old population assent; 87T0786
religious-knowledge workers, modern industrial societies, political influence; 87T0159
service delivery, social work mandates/tasks, rural developing areas, industrial nations/Third World; 87R6038
service economy, industrial societies, risk management strategies; 87R5777
social class identification, Western industrialized nations; social class mobilization; cross-national statistical comparison; 87S1974
social mobility research, industrialized countries; 87R9834
social mobility, cross-national variability; published data; industrial nations; 87R7729
suicide/homicide rates; religiosity; cross-national data; industrial nations; 87R6536
tourism/leisure changes, industrial social systems; 87R9670
violence legitimacy, industrial societies' institutional structure/material values; 87R5747
widowhood, practical problems/solutions, developed vs developing countries; UN statistics; 1983; 87T1032
work time reduction plans, worker participation movements, Europe/US; unemployment; 87R9361
work-oriented society, work vs societal deficiency; 87R1739
worker health protection, industrialized societies; economic conditions; 87R3729

Industrial Sociology
division of labor, industrial societies; book review symposium; 87R1746
Hawthorne experiments, Western Electric Company, Illinois, Elton Mayo's contributions; archival data; 1920s-1930s; 87R5690
industrial sociology conference, Moscow, USSR; 87R7319
power, industrial relations, unitarist/pluralist/radical perspectives, systems/action/Marxist approaches; literature review; 87R5657
reserve production leaders, selection/formation, USSR; seminar topics; 87R7761
value change, younger age groups, industrial countries; 87R1620
working class stratification, US; book review essay; 87R5625

Industrial Workers
Arab-Jewish relations/attitudes, Israel; interethnic contact; questionnaires, interviews; industrial plant workers; 87R3496
body disorders/illness, social construction, workplace setting; observation, interviews; industrial plants, France; 87R3682
collective action, decision-making logic, unions; power relations structure; case studies, other data; 87R7321
deindustrialization, micro-/macrolevel effects, urban anthropological research; case study; US Sunbelt; 87R5751
earnings determination process, male industrial workers; age/demographic/employment characteristics; census/other data; 87S1983
employee welfare programs, industrial social work implications; 1870-1920; 87R1704
evaluative orientations, instrumental/ethical/expressive complexes, industrial workers; questionnaire; 87R3671
factory workers' vs peasants' concerns/behaviors, Third World; anthropological fieldwork; San Cosme Mazatecochco, Mexico; 87R1719
industrial accidents, capital-labor conflict aspects; factory records, interviews; Brisbane, Australia; 87R9414
industrial labor force, urban Iran; accumulation strategy, development plans; Pahlavi state; 1962-1977; 87R4056
industrial labor organization, automation/humanization issues; literature review; Marxist perspective; 87R5658
industrial workers' commitment, India; 87R5676
institutional crisis, India; theoretical frameworks; 87R5725
Italian unions, worker satisfaction/loyalty; questionnaires; 87R1726
job performance, self-report vs objective measures; maritime industry employees, Odessa, USSR; 87R6901
leisure behavior; work hours; interviews; male/female textile mill shift workers, England; 87R9663
male industrial workers, job/life satisfaction, Sweden; interviews; 87R7289
metal moulder, France, work changes/conditions; life story recounted; 87R1714
protest songs, hardrock miner labor union strike, Newfoundland company town (Buchans); case study; 1983; 87R3711
quality of working life, Italy; survey; industrial workers; 87R9372
rationalization processes/rules, administrative/production work; interviews; management/employees, West German metal industry companies; 87R1769
social class structure/differentiation, Czechoslovakia; 87R5515
social consciousness, Czechoslovakia; 87R5952
social mobility, social system openness, young industrial workers, socialist countries; survey; Bulgaria, Czechoslovakia, Hungary, Poland, USSR; 1978/79; 87R9824

social security program improvements, US; workers' initiatives; 87S1975
split labor markets; ethnicity, historical period; historical case study; Jewish settlements, Tsarist Russia; 87R7331
supervisory role/power/functions, capitalist enterprises; interviews; industrial supervisors, Essex, GB; 87R5684
textile industry employment, gender patterns; technological change; survey, census, case studies; England; 87S1974
work/nonwork opinions/attitudes, Italian vs French female workers; questionnaire survey; 87R9452
worker resistance, paint/garment factories, San Francisco, California; participant observation; 87R5662
working class families, Maharashtra, India; prolonged strikes/lockouts; 87R8422
working class identity, France; interviews, statistics, documents; Nouzonville; 87R3454
working class political consciousness; case study; industrial workers, Tabriz, Iran; 1978/79; 87R9558

Industrialization

agricultural/family/economic structure, rural Algeria; industrialization; interviews; Bouhmama commune members; 1972, 1982; 87R7412
automation deskilling effects, industrial transformation, GB/US; 87R9396
capitalism, Max Weber's theory; 87R7058
capitalist world economy, 16th-19th centuries, commodity chain concept; wheat flour/shipbuilding case applications; 87R5782
deindustrialization, micro-/macrolevel effects, urban anthropological research; case study; US Sunbelt; 87R5751
deindustrialization, post-1970s recession, US, human/social costs; official statistics; 87R5761
deindustrialization, US, folk model/cognitive structures; textual analyses, participant observation; 87R5752
economic concentration, Latin America; financial internationalization; 87S1971
economic development, agriculture's role, Hong Kong/Singapore/South Korea/Taiwan; world-systems perspective; 87R9600
economic development, social/political factors, Canada; 87R9555
employee welfare programs, industrial social work implications; 1870-1920; 87R1704
employment/occupation patterns, early 20th-century French urban families; government surveys, historical data; 87R6018
environmental/industrialization social movements, Japan, mobilization process/goals; associational vs communal local social fabric; 87R5796
factory-working daughters, family economic contributions, peasant villages, north-central Java; 87R3825
family behavior patterns/values, 18th-20th centuries, US; industrialization, economic conditions; census data, birth/marriage/divorce rates; 87R6454
family structure, India; industrialization, urbanization, socioeconomic changes; 87R2695
farm/industry structure, socioeconomic conditions, US; longitudinal analysis; 1970, 1980; 87R6044
father-son/father-daughter educational mobility; Hungary, the Netherlands; large-scale surveys; 87R4330
fertility levels, developing countries; labor force transformation; international data; 87S1994
History and Heritage: The Social Origins of the British Industrial Relations System by Alan Fox; review essay; 87R3710
industrial labor force, urban Iran; accumulation strategy, development plans; Pahlavi state; 1962-1977; 87R4056
"industrial revolution" concept, political/ideological functions; 87R7437
industrial transition, societal communality/solidarity; Karl Marx's/Ferdinand Tonnies's/Emile Durkheim's/Max Weber's views; 87R3400
industrialization theory/research, social differentiation vs uneven development approaches; 87R9470
industrialization, manufacturing sector, Fiji; field surveys, interviews; documentary data; 87R3790
industrialization, Third World nations, modernization/world-systems/ecological-evolutionary theories; 87S1949
industrialization/capitalist economic development, postindependence Algeria; case study; 87R7422
industrialization/social class structure relationship, capitalist development, Algeria; 1966-1977; 87R2074
Japanese industrialization, Meiji era, motivational/ethical forces; 87R7312
labor control systems, competitive/monopoly capitalist enterprises, Pittsfield, Massachusetts; deindustrialization, restructuring; case study; General Electric Company; 87R5759
labor markets/household budgets, rural Portugal; small-scale manufacturing enterprises; interview surveys; industrial workers; 87R6033
labor movement, South Korea; industrialization/government policy; 87S1983
metropolitan-nonmetropolitan migration, Great Plains counties, US; reduced agricultural dependence; census data; 87R5103
modern labor; industrialization processes; 87R1677
mortality patterns, 1850-1900, Massachusetts; industrialization, urbanization, immigration; census/death certificate data; 87R8280
mortality patterns, western Massachusetts towns; industrial revolution, environmental changes; death records, census/economic data; 1850-1910; 87R4606
occupational/income polarization, areal labor markets; hi-tech industries; official data; southeastern US; 87S1989
patent system, Industrial Revolution; book review essay; 87R3158
postmarital residence patterns, rural Catalonia, Spain; farming, industrialization/modernization; census data; post-Civil War; 87R6437
rural social structure, GB, land vs property ownership; 87R6022
Sa'o bonito hunting, Small Malaita, Solomon Islands; rural development; 87R3809
social mobility, Poland; state intervention; 1945-1958; 87R2090
socialist development, Yugoslavia, industrialization paradigm criticized; 87R5789
special economic zone policy, Shenzhen, China, developmental problems; 87S1980
structural evolution, parental households, Tilburg, Netherlands; demographic/industrial development; population register data; 1880-1920; 87R3803
uneven development, Great Lakes region; deindustrialization patterns; official statistics; 87S1938
value change, younger age groups, industrial countries; 87R1620
Western late-industrial society, tranformation/problems; 87R3003
working class size, Taiwan; internal/external factors; 1953-1983; 87S1962
working-class formation/industrial conflict, South Korea vs Taiwan; 87S1966
world economy, core/semiperiphery/peripheral stratification, state gross national product/industrialization differences; statistics; 1938-1983; 87R5780

Industry

food processing industry, Nova Scotia, independent producer vs corporate control; literature review; 87S1997
high technology industry, regional development, US; interorganizational transactional structure, local labor market factors; WWII-early 1980s; 87T0286
income distribution, Yugoslavia; empirical/statistical data; 87R9446
industrial catastrophes, organizational traits; case studies; Bhopal (India), space shuttle program; 87R6759
industrial policy, US; 2-book review essay; 87R3816
industrial pollution risks, industrial community perceptions, Oak Ridge/Rockwood, Tennessee; 87R5126
industry, state control vs liberalism; 87R9389
left-wing industrial restructuring policies, working class internal divisions, GB; 87R1834
nationalized industries, northeastern GB, local economic/environmental impact; case studies; 87R1827
prison industry, NY, 18th-20th century; 87S1957
risk perception, social policy, public discourse; acid rain issue, France/West Germany; 87R6760
university-industry cooperative research, economic issues; 87R6136
work commitment/conflict, truckers, small, nonunion companies; participant observation, interviews; 87R7773

Inequality

domestic/wage labor, women's inequality, Canada; uneven economic development; 87R1650
homeownership patterns, US, Hispanics vs Anglos; 1981 Annual Housing Survey; 87R2235
international mass media, Western dominance; 87R3944
occupational mobility inequality patterns; industrial structure changes; 87R9912
old age accommodations, GB; 87T0766
personal wealth, size distribution, surplus theory of social stratification; 87R4038
quality of life, spatial planning issues, Croatia, Yugoslavia; 87T0879
racial inequity, US; technological developments; 87R5578
social inequality reproduction, Bihar State, India; supernatural beliefs, ritual practices; historical case study; 87R5972
social/economic inequality, intergenerational reproduction, US; 1975 Education for All Handicapped Children Act; research survey;

87R2299

Infant Mortality

demographic changes, rural Brazil; labor proletarianization; 1980 census; 87S1987

infant birthweight/mortality, nonwhites/Anglos/Spanish-surname population, Texas; sociodemographic factors; birth/death records; 1980; 87R2568

infant mortality rate, live birth definition, post-1950 USSR; statistics; 87T0290

infant mortality rate, US, social policy issues; 87R8256

infant mortality, early 20th-century Belgium/France, infant death insurance contracts/legislation; 87R4792

infant mortality, emergence/investigation, GB; Registrar-General's reports; 87R2752

infant mortality, endogenous/exogenous measures, accuracy/generalizability; infant birth/death records; US, Mexico, other countries; 87R2569

infant mortality, Mexico; community-level factors; survey; 87S1930

infant mortality-farm structure relationship, US nonmetropolitan counties; community socioeconomic status; 1980 data; 87S1995

infant mortality; birth intervals, breastfeeding, child/mother/community characteristics; World Fertility Survey; Latin American countries; 87R8261

infant/child mortality-fertility relationship, married women, Bangladesh; age/education/religion/contraceptive variables; Bangladesh Fertility Survey; 1975/76; 87R4608

infant/child mortality/health, developing countries; maternal nutritional/health status; Ugandan Demographic Research Project; 1970; 87T0581

marital fertility/nuptiality, Netherlands; economy/attitudes/infant mortality factors; census data; 87R8436

morbidity, perinatal/young children, geographical/social variations; Belgian epidemiological study; 87R4798

neonatal mortality rates, endogenous causes; 87S1933

newborn mortality, Italy; medical records; Institute of Puericulture & Neonatal Medicine, Genoa (Italy) University; 1960-1980; 87R4590

occupational prestige scales, Australia, application/selection; 87R7780

perinatal mortality, West Germany, pregnancy counseling/government policies; statistics; 87R8444

subsequent fertility, Pakistani/Sri Lankan women; differential child mortality; World Fertility Survey; 87R2731

sudden infant death syndrome research, US; federal targeted funding; 87R6553

Infanticide

female infanticide practice, Kallar subcaste, Tamil Nadu, India; interviews; 87R1630

handicapped infant treatment, moral issues; case study; Infant Doe controversy; 87R3021

Infants

experimental surgery ethics, Baby Fae case; interview with Jack Provonsha, Loma Linda University (California); 87R4898

family risks/strengths, parent perceptions; ethnicity; Comprehensive Family Care Center clients, Bronx, New York City, New York; 87R3572

handicapped infant treatment, moral issues; case study; Infant Doe controversy; 87R3021

infant caretaking role, fathers; economic/ideological factors, parenting attitudes; interviews; married/cohabitating men; 87R2685

infant developmental performance, low income families; parenting knowledge, home environment stimulation; scales, hospital records; 87T0530

infant formula marketing, less developed countries, critical publicity/corporate response; 87R3156

infant welfare movement, early 20th-century Australia, medical profession's rhetoric; 87R3091

infant-mother relationship; maternal auditory stimulation; experiment; Toronto, Ontario; 87R3464

infant/child mortality rates, gender differences, Egypt; National Nutrition Survey; 1978; 87T0324

maternal/infant behavior, US vs Japan; observation; mother-infant dyads; 87R4745

mother-infant relationship, cognitive intervention program; 87T0529

parental feelings/attitudes, black inner-city fathers; father-infant physical contact; questionnaires; 87R5241

self/spouse/child ratings, parenthood feelings; newborn infant crying, new parenthood; interviews, questionnaires; 87R6508

severely handicapped newborns, medical treatment, federal regulation attempts; 87R2790

severely handicapped newborns, treatment decision-making issues; 87R6530

severely handicapped newborns, treatment decisions, institutional policy formulation; 87R6531

unfamiliar babies, males' vs females' interest/interaction; videotapes; college students; 87R6365

Inflation

economic problems, postsocialist government accession, France; economic policies; 1981-present; 87R5894

modern technology adoption decision making, hospitals, game approach, policy implications; 87T0572

rising inflation, Israel, Likud party's policy/strategy; 87R5890

Influence

top social/political positions, occupants' influence, conceptualization/measurement issues; 87R3778

Informal Sector

business/social relationships, Islamic Al Gamaliyya quarter, Cairo, Egypt; fieldwork, secondary studies; 87R4195

community service allocation, informal rationing systems; case study; elderly services, Oxford, England; 87T0955

crime rates/fear, urban neighborhoods; informal social control; research review; 87R2449

drug trafficking, prosecution strategies, US government; case studies; 87T0679

dual economy concept, formal/informal sectors dichotomy; 87R7443

family day care, home-based work; questionnaire, interviews; Vermont; 87S1974

family dispute processing, informal justice systems, Bakwena, Botswana; case study; 87R6447

illicit medicine sales, Senegal, authorities' toleration; interviews; medicine vendors, Pikine suburb, Dakar; 87R6543

informal care provision, elderly; social network/demographic factors; 87S1983

informal economic activities, Latin American/Western nations; industrialization; published data; 87R9583

informal economic sector, Great Paramaribo, Surinam; interviews; independent furniture makers/car mechanics; 87R3820

informal elderly caretakers, mentally handicapped adults, UK; interviews; caretakers, Anglesey/Arfon, Gwynedd; 87T0749

informal sector manufacturing/repairing enterprises, Dhaka, Bangladesh; interviews; 87R5734

informal work, wage work/self-employment comparisons; technological innovation; San Francisco, California; 87R1700

power, community vs State location; 87R5931

squatter housing market, Hong Kong, commodification processes; 87R5791

underground economy growth, garment industry, Los Angeles, California/Miami, Florida; interviews; Hispanic women; 87R5637

underground economy, Italy, capitalist crisis vs political explanations; 87R9603

urban child labor, Philippines; case study, Manila; 87R9454

voluntary sport organizations, bureaucratization process; interviews, organizational case study; Canada; 87R5732

Information

arbitrators' decisions; information vividness, time; experiment; students; 87R1766

body/mind as information systems, idealism vs dialectical materialism tenets; 87R5102

ethical code, information science professions, decision-making guidelines; 87R9895

information activities, subnational/national/international levels, quantitative/qualitative measures; 87R3883

interpersonal attraction; personalistic self-disclosure, valuable information delivery; experiment; female undergraduates; 87R3412

involuntary childless women, perceived stigma, information management strategies; interviews, questionnaires; 87R3128

organizational productivity; information technology investments; 87R2520

Information And Referral Services

knowledge utilization, gerontological applications; 87R2892

literature search, computer vs manual methods; experiment; university students; 87S1997

retaining lawyers, business information gathering; personal networks vs informal sources; survey; corporate executives, Chicago, Illinois; 87R5702

Information Dissemination

acquired immune deficiency syndrome, risk reduction education; content analysis; safe sex brochures; 87T0628

advertising communication, consumer persuasion, US; external social structure; "Weltanschauung" analysis; 87R1897

book publicity campaign impact, researcher's personal experience; 87R9616

communication/information, journalistic knowledge monopoly vs oral traditions, H. A. Innis's views; 87R5456
conservation technology adoption decisions, farmers, Iowa; economic/diffusion/ecological factors; interviews, observations; 87R9959
conservation technology, innovator adopters-their neighbors, interpersonal interaction; telephone interviews; farmers, Illinois; 87S1993
contraception, negative beliefs, causes, developing countries; literature review; 87T0537
core vs specialty sociological journals, integrating role; citation analysis; 1960, 1973; 87R1321
data protection agencies, Western societies, accountability/surveillance issues; 87R2427
databased technology, cost/demand/affordability; article/comment; 87R2528
electronic mail communication, *Fortune* 500 company; social context cues; field data; 87R7520
extension program, local library system's role, Texas County, Missouri; 87S1994
information activities, less developed countries; socioeconomic conditions; 87R3875
information dissemination, language use; personal experience; mass media research; 87R5822
information protection/dissemination, author/publisher property claims vs public's right to know; 87T0198
information transfer, asymmetrically informed agents, signaling games; case studies; 87R8096
information/communication issues; 87T0279
information/communication technology, social uses, Europe/US/Japan; 87R4564
information/communications technologies, modern society, space concept; 87R5835
international communication, ethical guidelines; 87R5832
knowledge creation/evaluation/diffusion, international agricultural research centers; scientific/social/ideological/organizational factors; 87R8194
mass media research, information gap concept; 87R5854
openness in science, institutional policies; questionnaire survey; engineering/science faculty, Cornell University, Ithaca, New York; 87T0236
opinion leaders/early adopters, nonindustrial private forestland owners; test, interviews; Piedmont Region, South Carolina; 87S1991
organizational action; interorganizational structure, national policy; 87R1777
organizational research, database need; 87R3757
police/social services departments, personal/confidential information exchange, England/Wales; 87R4496
primary secondary literature access, peripheral/less developed countries, networking models; 87R3946
public information dissemination, rhetorical techniques; 87R3892
publications/conference communications, English language use, French scientists; bibliometric/interview data; 87R4557
risk communication efforts, citizen participation programs, US; 87T0920
science coverage, local press, West Germany; content analysis; 87R6303
scientific knowledge, television's popularization; content analysis; broadcast messages; 87R5833
scientific production/knowledge, popularization process; content analysis; magazines/newspapers, France; 87R6679
small group activities, US/Swedish Japanese industry, diffusion process; outside consultants; 87S1952
social science information provision, North American research; 87R6678
sociology, institutionalization/globalization; personal experience, *International Sociology* articles; 87R9056
stress, popular vs professional literature conceptualizations; content analysis; West Germany; 87R5834
technical innovation/change vs scientific paradigm, informational interaction model; 87T0231
urban quality of life concept, community control era/mass society/information age; 87R7854

Information Processing

automation paradigm, information/library science; 87R5824
communications/automation technological revolution, world economy implications; 87R7449
computerization, USSR; round-table discussion; 87R6344
databased technology, cost/demand/affordability; article/comment; 87R2528
industrial structure/productivity, Japan; Integrated Service Digital Network; 87R5131
information processing/electronic engineering/automation, social/methodological problems; round-table discussion, USSR; 87R4575
information specialists, training/education, USSR; questionnaires; 87R7352
information technology, development trends/social impacts; Marxist analysis; 87R6880
information/communications technologies, capitalist societies; 87R6325
information/communications technologies, modern society, space concept; 87R5835
information/computer work, US, structure/skills; 87R7329
labor policy; information technologies implementation; secondary data; machine building industry, West Germany; 87R9412
official documents, juvenile courts, reality construction models; Hamburg, West Germany; 87R6263
organizational records' functions/service, human service agencies; field research; public low-income clinic; 87R8499
power relations, advanced industrial societies; information technologies; 87R6683
prejudice research, cognitive information processing perspective; 87R1465
print vs audiovisual/electronic communication modes; article/comments; 87R2531
psychoanalysis, scientific status; 87R8712
qualitative sociology, computer applications; abstracted data set; 87R1214
qualitative sociology, computer applications; 87R1298
spatioeconomic transformation, information-based service economy, Canada; case studies; 87R8214
technology-power relationship, interactive information systems; case study; 87R7419
television news research, cultural discourse framework; 87R7505
undercover practices/surveillance, technological expansion; 87R5135

Information Sources

agricultural innovations, information sources, farmers, western Rajastran, India; field study; 87R9951
bureaucratic organizations, members' attitudes/knowledge/rumors, Mexico; mass media messages, political culture; 87R3867
disaster management, informational needs assessed; 87T0919
economic planning, USSR, data collection/interpretation problems; 1937-1948; 87R8718
mass media vs print use, working poor; education; interviews; women, Comprehensive Employment and Training Act program; 87R5185
microcomputer systems, public-domain/user-supported software; 87R9032
social scientific research, Australia, new data availability; 87R8980

Information Theory

competence assessments; task difficulty/performance; gender experiment; university students, Paris, France; 87R1458
group knowledge/behavior consensus; individuals' interaction level/structural position; case study; undergraduates, Massachusetts Institute of Technology; 87S1950
systems theory, metaphysical aspects; 87R3396

Informed Consent

outpatient commitment, community mental health centers; quantitative data, fieldwork, case studies; North Carolina; 87T0625
subject understanding, psychiatry experiments; information disclosure method; observation, interviews; 87S1935

Inheritance And Succession

family/kinship/marriage practices, Indian Muslims, customary US statutory law; book review essay; 87R6423
female family heads, succession barriers, urban households, Osaka, Japan; historical records; 1707-1872; 87R8868
kinship system, ancient Korea, Chinese influence; 87R5580
kinship/inheritance/household/socialization patterns, Farndale farming community, England; case study; 87R6050
land reallocation programs, developing countries; land inheritance patterns; computer simulation; 87R4148
matrilineal inheritance patterns, associated factors, female extramarital sex/paternal probabilities; article/comments/response; 87R1612
North African immigrants, France, inheritance traditions/law; 87R2690
postmarital residence patterns, rural Catalonia, Spain; farming, industrialization/modernization; census data; post-Civil War; 87R6437
social mobility analysis, status-specific inheritance/quasi-independence models critiqued; article/reply; 87R5965

Injuries

marital status, persons with spinal cord injury; survey; Oregon; 87R7720

occupational injury rates; worker participation/ownership; questionnaires; 87R6555
spousal assault/injury, male vs females as victims/offenders; National Crime Survey; 87R6780
victim injury potential, noncommercial robberies; resistance; National Crime Survey data; 87R5033
work injuries/occupational disease, employers' vs employees' interests, welfare economics theory; 87R7302

Innovations
community innovations, Urban Development Action Grant Program applicants, US; community differentiation/poverty/maturity/government; 87R4201
French immersion program enrollments, kindergarten/first grade students, Canada; parental perceptions; interviews; parents; 87R4273
worker management, furniture/carpentry factory, Austria; 87R3740

Insanity Defense
court dispositions, mentally disordered offenders; criminal/mental health history; case analysis; Wisconsin; 87R2435
court proceedings, insanity trials, physicians as expert witnesses; historical evidence; GB; 1760-1843; 87R8108
female criminality, premenstrual syndrome legal defense, GB/US; literature review, court cases; feminist perspective; 87R8461
insanity defense, Edward Oxford's 1840 treason trial, England; 87R8134

Instinct
Freud, Sigmund, dual instinct theory; 87R4946

Institutes
"Censis" social research institution, Italy; conference papers; 87R5499
openness in science, institutional policies; questionnaire survey; engineering/science faculty, Cornell University, Ithaca, New York; 87T0236

Institutionalization (Persons)
civil commitment system, US, alternative approaches; literature review; 87R8095
civil commitment, mentally ill, US; historical survey; 87R8149
clinical social psychology, Erving Goffman's impression management theory; 87S1944
dangerousness standard, mental health laws, state applications; literature review; 87R8546
disengagement, nursing home residents; aging factors, institutions' structural/organizational characteristics; National Survey of Institutionalized Persons, 1976; 87R2889
family bonding, visitation, institutionalized chronic mentally ill; social factors, patient's impairment; secondary data; board & care homes; 87R4911
family/self drawings, institutionalized abused/neglected children, projective analysis; 87S1939
hospitalized psychiatric patients, India, family group support; 87R4751
institutionalized insane, demographic/treatment variables, 19th-century Philadelphia, Pennsylvania; register, data; 87R8536
involuntary commitment hearings, legal representative's role; hearing records; state mental hospital, Florida; 87T0584
involuntary mental hospitalization decisions; gender; fieldwork; 87T0653
late 19th-century insane asylums, custodialism vs therapeutic functions; patient records, other data; 87R6592
length of stay, psychiatric hospitals, involuntarily committed patients; civil commitment legislation; files, records; Western State Hospital, Washington; 87R8137
mental health law, GB; court cases; 87R4915
mental hospital admissions, Washington; Involuntary Treatment Act, 1979 revision; official time series data; mental patients; 87R4936
mentally ill, in-patient treatment facility, least-favored-individual principle; 87T0642
nursing home placement, aged persons, institutionalization decision; interviews; 87T0768
outpatient commitment, mental health organizations, institutional aspects; fieldwork, interviews; North Carolina; 87S1978
refusal of medical treatment, case/statutory law, institutional implications; 87R4881
suicidal patients, commitment criteria validity; literature review; 87T0668

Institutionalization (Social)
"brain death" concept, cultural definers'/elite's biographical/demographic/organizational characteristics; survey/interview/other data; 87R7702
conversational interaction, context levels, bureaucratic environment; 87R9205
institutionalization process, Fundamentalist religious organization; Thomas O'Dea's model; 87R6223
organizational institutionalization, theoretical processes; 87R9518
religious change, institutionalization process, Brazil/Chile; 87S1945
sociology of law, imprisonment-economics relationship; 87S2001
sociology/sociologists, Latin America, institutionalization process; internal/external factors; 87R3285

Institutions
believing, institutional context; 87R6695
institutional analysis, ethnomethodology's utility; 87R5317
institutional change, Anthony Giddens's structurational theory; book review essay; 87R9174
institutional crisis, India; theoretical frameworks; 87R5725
neighborhood revitalization, uneven spatial distribution; urban Manhattan; city-wide/neighborhood institutional conflict; J-51 tax subsidy program, Upper West Side/Chelsea, Manhattan, New York, New York, 1970-1980; 87R2248
urban institutional renewal, local self-government, entrepeneurs vs caretakers; article, comments, questions; 87R9995

Insurance
crime control, insurance/risk management techniques; 87R6274
fraudulent psychiatric services charges, legal investigations, doctor-patient privilege issue; case study; 87R8152
infant mortality, early 20th-century Belgium/France, infant death insurance contracts/legislation; 87R4792

Intellectual Development
Marx, Karl, intellectual process/production, thematic/theoretical changes; textual analysis; 87T1040

Intellectual History
cultural/intellectual transformation, USSR, 1928-1934; 87R9323
France-Germany intellectual connection, Raymond Aron's career; 87R9094
Frederic Harrison: The Vocations of a Positivist by Martha S. Vogeler; review essay; 87R9069
Georg Lukács and His Generation, 1900-1918 by Mary Gluck; review essay; 87R5084

Intellectuals
Catholic intellectuals' mission, modern world; 87R8088
crime control perspectives, media-intellectuals relationship; 87S1946
daily working life, sociologists/writers, Italy; qualitative biographical interviews; 87R5374
declining intellectual activism/power, France; 87R4030
elite/intellectuals network, Dutch Catholic Church; 1946-1975; 87R4061
freethinking intellectual movements, Belgium, pillarization trends; 87R4384
German influence, Emile Durkheim's thought; published letters; 87R9139
Gouldner, Alvin W., works/theory; 4-book review essay; 87R5741
humanist organizations, Belgium; 87R4401
The Intellectual and Social Organization of the Sciences by Richard Whitley; review essay; 87R4530
intellectual dissent, suppression, corporate/bureaucratic/elite roles; 87R3994
intellectual networks, multiple levels of social determination; case study; philosophers, Germany; early 1800s; 87T0844
intellectual power, France, Enlightenment-present; 87R9926
intellectual property restrictions, US seed industry, Third World impact; 87R9028
intellectual work/orientation, empirical/secondary data; Italian sociologists/writers; 87R5985
intellectuals' class position/consciousness, Brazil; 87R1988
Marxist theory, Alvin W. Gouldner's analysis; book review essay; 87R5452
Marxist theory, Alvin W. Gouldner's work; book review essay; 87R5472
new romanticism, Western societies; 87R3626
political orientation, intellectual elite, US/Europe; 87R2171
popular autonomy, Third World, traditional knowledge renewal; 87R7595
religious-knowledge workers, modern industrial societies, political influence; 87T0159
role structures, Greek-language usage, New Testament gospels; content analysis; 87R6179
young rural intellectuals' environment, communal/social aspects, Hungary; 87T0117

Intelligence
cultural consumption; cognitive intelligence, sociodemographic characteristics; Life Situation Surveys, Central Bureau of Statistics; Netherlands; 1979, 1983; 87R3869
human intelligence evolution, paleoanthropological investigation, hermeneutical aspects; case study; hunting behavior; 87R7265

intelligence correlates, Arthur Jensen's reaction time studies critiqued; 87R3446
intelligence, race differences, Spearman hypothesis; published data; comment/reply; 87R3436
intelligence, reaction time, Arthur R. Jensen's/Langdon E. Longstreth's findings discussed; comments; 87R3439
intelligence/abilities, Japanese vs US children; scales; 87R3447
political efficacy, black vs white adolescents; socioeconomic background, intelligence; scales; public junior high school students, Hampton, Virginia; 87R2604
sociolinguistic codes, social class/family/academic factors, Basil Bernstein's model; questionnaires, essay analysis; 15-year-olds, Reykjavik, Iceland; 87R6105

Intelligence Tests
educational career; IQ-variables vs environmental effects; questionnaire; military recruits/their fathers, Netherlands; 87R3443
ethnic minority children, psychological assessment strategies; literature review; 87R7158
intelligence correlates, Arthur Jensen's reaction time studies critiqued; 87R3446
intelligence testing, public schools cultural bias; case study; *Larry P. v. Riles*; 87R4296
intelligence, late adulthood, testing biases; 87R7109
reaction time studies, previous research critiqued; 87R7132
Scholastic Aptitude Test, social stratification consequences; 87R8014
sibship size/birth order, intellectual effects; critique/reply; 87R7183

Intelligentsia
educated stratum's situation, revolutionary Iran; 87R3955
intellegentsia, political/religious attitudes, 19th-century France/Germany/Russia/UK/US; 87R9917
intelligentsia's distribution, East German cities; information technology; 87R8793
intelligentsia's social position, Arnost Blaha's theory; 87S1965
intelligentsia's social status, socialist societies, Soviet sociological research/theory; 87R7680
social class structure/differentiation, Czechoslovakia; 87R5515
social consciousness, Czechoslovakia; 87R5952

Intentionality
intentional states, human behavior, eliminative materialist position; article/reply; 87R1425
request denial, Hindi vs French/English speakers; 87R4231

Interaction
human-computer interaction research, experimentation methods; literature review; 87R6327
human/rat population interactions; ethnographic case studies; neighborhoods; intervention recommendations; 87R7881
marital verbal/nonverbal interaction styles, identical ordinal position dyads; Hill Interaction Matrix, Cognitive-Affective Rating Scale; 87R4714
two-person cooperative games, economic vs social/political exchange, interaction model; 87R5502

Interactionism
Goffman, Erving, interactionist approach; 87R1292
interactive dynamics, signaling/interpreting, formal model; 87R1520
interpretive interactionist methodology, biographically meaningful experiences; 87R1203
psychological distress; social support/personality interaction; scales; student sample, South Africa; 87R2810
self-concept, dynamic interpretative structure; literature review; 87R9232
sexual diversity course, sex-role identification exercise, interactionist perspective; 87R1268
social knowledge/interaction, George Herbert Mead's concept; 87R2082
social organization studies, analytic categories; 87R7061
social psychology, social identity theory, individualist vs interactionist metatheories; article/comments/reply; 87R7170

Intercultural Communication
Asian encounter, Chicago, Illinois; 1980 applied sociology intervention, participant-observation method; 87R5381
communication difficulties, English-speaking doctors/Spanish-speaking patients; audiotapted medical interviews; urban family practice clinic, San Jose, California; 87R4866
cultural interaction, acculturation process, holism vs individualism; 18th-century Germany, 19th-century Russia; 87R3428
cultural pluralism, journalist/novelist V. S. Naipaul's works analyzed; 87R3596
employment system, Wisconsin plant, Japanese/US features; interviews, participant observation, documents; 87R5694
individual identity formation, communication/interaction systems; Franco-German case studies; 87R1568
intercultural business situations, training programs, anthropology's role; 87R6833
intercultural business transactions, US executives-Bantu peoples, Africa; 87R6832
intercultural communication, language inequality/distortion, Western language imposition; 87R4248
intercultural encounters, uncertainty reduction model; questionnaire, scales; university students, US; 87R3407
intercultural mediation, notary's role, Basques, France; interviews; 87R7769
intercultural relations, cultural group values/discrimination, policy development, Goethe's "universal literature" principles; personal experiences; Bulgaria; 87R3622
international communication, ethical guidelines; 87R5832
religious configuration, European/African/aboriginal elements, Brazil; 87R6232
sociology's development/sinicization, Taiwan; questionnaires; sociologists; 87R9036
urban Jews/Muslims, Sherifian Morocco, political/economic relationships; legal correspondence; rabbis; 18th-19th centuries; 87R3514

Interdisciplinary Approach
computers, cognitive formalization/ceremonialization; 87R4566
economics-social sciences, interdisciplinary relationship; 87R5400
family sociology, USSR, interdisciplinary approach; 87T0522
health promotion; international conference essays; 87T0641
health/disease, multidisciplinary perspective; 9-textbook review essay; 87R2759
health/human behavior, biopsychosocial model, system-based interdisciplinary approach; 87R6853
human aggression, interdisciplinary approach; 87R1455
individual psychology-social structure relationships, interdisciplinary vs cross-disciplinary research strategies; article/comments/reply; 87R7167
Institute of Journalism, University of Heidelberg, West Germany, historical development; 87R7518
life course changes, later life, gender's role; 2-book review essay; 87T0776
literary/interdisciplinary studies, semiotics/intertextuality's usefulness; 87T0076
narcotics, synthetic manufacture, US, current criminal law regulation/revisions; 87R4965
parenthood transition; sex-role ideals/behavior conflicts; interviews; first-time parents; 87R6527
sciences/arts relationship, divergences/understanding; 87R5080
scientific attitudes, social vs natural scientists; questionnaire; university faculty, Washington, DC; 1983; 87R9928
social control, interdisciplinary approach; book review essay; 87R1366
social history/historical sociology, subdiscipline boundry differences, Oliver Zunz's/Theda Skocpol's works; book review essay; 87R9102
social science research, interdisciplinary qualifications, evaluative criteria; 87R5450
social science-history interrelationship, Theda Skocpol's/Olivier Zunz's works; 87R9068
sociology, subdisciplines, unification macrotheory concept critiqued; 87R9067
sociology/other disciplines, relationships, isolationist/internationalist approaches; journal issue introduction; 87R9092

Interest Groups
associations/interest groups, US, individual/organization/system analysis; literature review; 87R1793
black boundary maintenance, Danville, Virginia, repressive justice; court/police data; 1900-1930; 87R3498
drunk-driving deterrence, politically involved groups, research/policy issues; 87T0877
Federal Tax Code, US; interest groups; 87R1998
international pressure groups, Third World sovereignty/citizen's rights threats, conduct code proposed, Latin America; 87R9725
occupational safety regulations, enforcement strategies, US vs UK; interest group strength; 87R7807
policy claims/outcomes, US, interest group structure; 87R3017
Sinai evacuation protest, news media manipulation, ideologically vs economically motivated groups; participant observation, interviews; Israel; 87R9624
work organization, employee participation, government/trade union action, France, Federal Republic of Germany; 1970s-1980s; 87R9420

Interests
ideology's function/creation; economic/political interests; 87R3839

Intergenerational Mobility
community development/socioeconomic change, Japanese immigrants, San Francisco Bay area, California; 87R7250
economic attainment, poor youth; social/community origins, marital status; 87R8806
educational/occupational status, intergenerational mobility, higher education students, India; interviews; Bangalore; 87R2093
elderly parents-adult children relationships; intergenerational occupational mobility; survey data; 87T0470
experienced/perceived intergenerational mobility, professionally active men, Poland; 1964, 1976-1980; 87R2092
father-son/father-daughter educational mobility; Hungary, the Netherlands; large-scale surveys; 87R4330
female occupational mobility, US/Hungary/Poland; national survey data; 87R4135
income, older/working-age males; intergeneration occupational mobility; surveys; 87R7686
intergenerational educational mobility, structural/circulation components, Netherlands vs Hungary; interviews; adults; 87R6162
intergenerational ideological attitude transmission; direct socialization/status inheritance/reciprocal influence models; mailed questionnaires; grandparent/parent/youth triads; 87R2664
intergenerational occupational mobility patterns, Polish males; national survey; 87R7677
intergenerational occupational mobility patterns, sex differences; national questionnaire study; Canada; 87R4131
intergenerational occupational mobility, gender differences; Jamaica; government survey; 1984; 87R9826
intergenerational/occupational mobility, post-WWII US; opportunity structure changes, ascription, education; surveys; 1952-1984; 87S1979
international standard-of-living mobility, European Economic Community nations; official survey; 87R4064
intra- vs intergenerational occupational mobility/attainment; market/labor processes; statistics; 87R6002
intra-/intergenerational income mobility, Geneva, Switzerland; survey; 87R2085
Jewish mobility, US, family occupational genealogy; 87R3579
occupational mobility, women; mothers' occupational attainment; Irish Mobility Study; Republic of Ireland, Northern Ireland; 1973/74; 87R5996
schooling/wage rates, adult children; parental family income; panel data; 87R7685
social class mobility, generational/geographic differences, USSR; questionnaire; 1950-1980s; 87R9395
social mobility analysis, status-specific inheritance/quasi-independence models critiqued; article/reply; 87R5965
socioeconomic life cycle/family, white couples; government surveys; 1962-1973; 87R9836
socioprofessional mobility, USSR; official data; 1910s/1930s/1950s cohorts; 87R7683
status attainment, intergenerational status transmission, farmers; cross-cultural analysis; Australia/Poland/US; 87R4070
status maintenance; curriculum tracking; 87R8044
status self-placements, college youths; definitions of mother's vs father's status; questionnaire; 87R9233
youth unemployment, Australia; family composition, intergenerational immobility; 1981 census data; 87R5616

Intergenerational Relations
agenic/communal personality traits, females, intergenerational transmission; parental characteristics; interviews, Q-sorts, personality inventories; Norway; 87R2601
alienation/strain, extended family system, India; role disjunction; 87R3364
arrest rates, 1981 urban rioting, England; race/age/other factors; police data; 87R3074
birthrate trends; intergenerational/gender relations; 87R2542
childhood experience, Protestant ministers' sons, France; interviews; article/comments; 87R2400
children's political socialization; adult authorities' credibility/receptivity; experiment; fifth/sixth graders; 87R2602
collective organization/protest, female factory/domestic laborers; class/gender factors; oral history interviews, archival data; textile community, Henderson, North Carolina; 87R6713
daughter's loneliness; parents' loneliness, childrearing practices; questionnaires; college women, mothers, fathers; 87R6518
elderly parents-adult children relationships; intergenerational occupational mobility; survey data; 87T0470
environmental concern; age/education/other factors; national survey; 87S1993
family headship succession; sex, kinship category, generation; interviews; Hamilton, Ontario; 87R6482
family interdependence/personal dependency, intergenerational transmission; interviews; 87R1428
family lifestyle, urban migrants; early socialization; 87T0444
farming, intergenerational succession, Swedish- vs Yankee-origin farms, Illinois; family values/norms; field study; 87R4173
fathers-sons military service patterns, intergenerational linkages; interviews; 87R9476
frail old/younger caretakers, relations/tensions, nonindustrial societies; 87R3096
heroin addicts, death orientations/experiences; interviews, tests; 87R4954
identity/intimacy, intergenerational perceptions; psychosocial developmental stage; questionnaire; undergraduates/their parents, Virginia; 87R2719
intergenerational conflict/perceptions, upper middle-class elderly/their children, Depression vs "Yuppie" mentality; 87S1936
intergenerational family processes; first child/grandchild birth; constant comparative analysis; three-generation families; 87R4790
intergenerational family relations, measurement issues; secondary data; California; 87T0479
intergenerational helping behavior, older adult siblings vs parent-child dyads; interviews; North Carolina; 87T0778
intergenerational home sharing, social structure/dyad formation; status passages; life-history interviews; Madison, Wisconsin; 87R6626
intergenerational relations, Indian immigrant families, Canada; literature review; 87R8376
intergenerational relations, post-World War II Italy; census data, published studies; 87R6427
intergenerational relationships, elderly/adult children; questionnaires, interviews; 87T0726
Italian immigrant associations, France; cross-generational analysis; 87R4586
marital instability, intergenerational transmission, West Germany vs US; 87T0464
mother-daughter relations; married daughter's return to school; 87T0504
political opinions, US adolescents, change/stability; interview, survey; 87R1452
population aging, industrial societies, increased elderly support needs, non-old population assent; 87T0786
punk-influenced youth culture, Hungary, political issues; 87R7620
senior citizen club, structure/function, Southern European rural setting; 87R6621
sex-role attitudes, mother-daughter transmission, blacks vs whites; national longitudinal surveys; 87T0524
society aging trend, family socialization/adult transition patterns; 87R8361
time concepts, working class women, Scotland; intergenerational ties, domestic responsibilities; life-history interviews; 87R3134
wife's life/role/self-esteem; husband's migration; fieldwork, case studies; families, Nyarit, Mexico; 87R4576
women's culture, intergenerational transmission; life history interviews; 87R9322
women's movement, religious (nuns) vs lay status groups, Catholic Church; document analysis; US; 87R4433
youth unemployment/leisure activities, Spain; national age structure; official statistics, secondary data; 87R8307

Intergroup Relations
attitudes/attitude change, cognition's role; literature review; 1983-1986; 87R9202
capitalist expansion, Yaqui Indian resistance, Sonora, Mexico; 1825-1909; 87R7661
Chinese dialect group boundaries/relations, British Malaya; census/inscription data; 19th-20th centuries; 87T0047
"civilizing offensive" strategy, ideological groups' struggles, rural Dutch community; oral history, archival data; 1879-1920; 87R7436
Cockerill-Sambre steel mill, Walloon-Flemish conflicts, Belgium, corporatism issues; case study; 87R9504
confessional group interaction, Jerusalem; traditional vs new business/trade association structures; reply; 87R5549
crime rates/modernization/area structural characteristics relationship, in-/intergroup associations, Peter M. Blau's macrosociological theory; 87R1377
crime victimization, intergroup differences; heterogeneity, urbanization, inequality; National Crime Survey data; 1973-1979; 87R8671
cultural assimilation, identity management/generation processes, Norway; case study; Saamis; 87R9290
dominant groups, domination/self-justification/self-doubt processes, social-psychological perspective; 87R1454

elite settlements, political change characteristics; historical case studies; England, Sweden, Colombia, Venezuela; 87R9695
ethnic/national loyalty maintenance, multiethnic states; interethnic conflict resolution; 87R3509
ethnicity forms, welfare state influence; 87R9588
ethnocentrism, Jews vs Arabs, Israel; questionnaire surveys; 87R7240
group action theory, individual-/group-level processes; 87R3410
group shadow, characteristics/ dynamics; 87R9191
historical sociology, specificity methodological standard, US South; 87R8698
immigrant ethnic group formation, Italians vs Greeks, Boras, Sweden; 87R9284
intercultural mediation, notary's role, Basques, France; interviews; 87R7769
interethnic relations, elementary school-age children; cooperative group peer tutoring; observation, sociometric indices; 87R6166
interethnic/international relations, Yugoslavia; reply; 87R7244
intergroup behavior; social identity, self-awareness; experiment; 87R9278
intergroup relationships, scientists, social mapping; survey; 1971; 87T0130
local delinquency rates; external ecological factors; longitudinal data, Chicago, Illinois; 1960-1970; 87R6666
medical profession, intergroup relations; interviews; nurses, England; 87R6007
Mormonism/fundamentalist Christianity coalition, value convergence; questionnaire; undergraduate students; 87R8054
multiculturalism, Australia; annotated bibliography; 87R7203
mutual stereotypes/interaction behavior, local Hong Kong Chinese/ US exchange students; ratings; 87R7208
race & ethnicity analysis, Antonio Gramsci's work/relevance; 87R3526
racial/ethnic prejudice; intergroup contact; content analysis; sociology journal articles; 87R1553
racism/discrimination, advanced capitalist societies; 87R7210
social class/ethnic group relations, 19th-century US, community studies; 87R8733
social distance from minorities, prison inmates vs college students; questionnaire; prisoners; 87R9305
social distance measurement, trichotomous classificatory levels; panel survey; high school students, human relations camps, Arizona/ Michigan; 87S1974
social diversification, Quebec; cultural change; 87R7601
social identity attribution, religion's role, Brazil; field research; 87R6181
social inequalities, intergroup attitudes; education; Mary Jackman's/ Michael Muha's theory evaluated; 87R8034
tourism, environmental impacts, residents' perceptions; questionnaires, interviews; Hawaii, North Wales, Istanbul (Turkey); 87T0909
urban conflicts, Geneva, Switzerland, sociological analysis; 87R7855
urban conflicts, neighborhood associations' role, Geneva, Switzerland; journal issue introduction; 87R7878
urban conflicts/neigbhorhood associations, Geneva, Switzerland; 87R7853
urban struggles, actor groups, Geneva, Switzerland; 87R7861

Interlocking Directorates

interindustry political consensus; economic leverage, interlocking directorates; 1980 Congressional election contributions data; 87R1773

Intermarriage

American Indian-white vs black-white intermarriage patterns; socioeconomic characteristics; census; 87R8403
ethnic heterogamy, Yugoslavia; marriage records; 87T0493
ethnic/religious maintenance, US Jews; intermarriage; Denver, Colorado; 87R6517
heterogamous/homogamous marriages, Kuwait, gender/age/religious characteristics; statistics; 1974-1984; 87T0441
Hindu/Muslim communities, India, social/economic/political interrelationships; 87R4361
intermarriage magnitudes, Spanish-/non-Spanish-surnamed Californians, attraction index proposed; official statistics; 87R6488
intermarriage patterns, white ethnics, US; November 1979 Current Population Survey; married couples; 87R2643
intermarriage rates, Hawaii; official statistics, census; 1950-1983; 87R4742
intermarriage/assimilation process, frontier immigrants, 19th-century US; secondary genealogical data; Utah; 87R2540
mulatto characters/plots, 19th-20th century literature; 87R7899
offspring adjustment, within-group vs interracial/intercultural marriages; personality measure; family members, Hawaii; 87R4736
Philippine Muslim-Christian marriages, integration attitudes; secondary studies; 87T0471
racial/ethnic dynamics, local Africans & West Indian/Swiss-German missionaries, Basel Mission, Gold Coast; 87R4436
secularization; interfaith marriage; mailed questionnaires; adult Catholics, Memphis, Tennessee; 87R6476
synagogue wedding trends/rates, Anglo-Jewry; marriage records; 87R1565
voluntary contraceptive sterilization selection; couple's religious/age heterogamy; national surveys; 87T0538

Internal Migration

American Indians, 1980 census count, data anomalies; 87R9306
Arab internal refugee adjustment, Israel, 1948 war; official documents, participant observation, interviews; 87T0288
employment patterns, Atlantic Canada-Ontario migrants; regional industrial sector differences; census; 1981; 87T0309
housing settlements, Managua, Nicaragua, sociospatial contradictions; 87R5496
internal/international migration, Indian families, social/economic/ psychological impact; census/other data; 87R8393
migration control policy effects, China; census data, interviews; policy makers/planners, scholars; 1982; 87T0308
migration flows, metropolitan/nonmetropolitan areas, US, temporal/ subnational variations; census/other data; 1935-1980; 87R4630
migration patterns, Liberian nationals, US; national/family ties, socioeconomic status; interviews; 87R6358
migration/employment patterns, fishmeal industry, Peru; economic cycle; case study; 1955-present; 87R9569
migratory movements, middle-sized towns, Togo, methodological issues; survey; 87S2000
population distribution, Cuba, metropolitanization process; 87R2561
population distribution, Malawi; internal migration; census; 87R6361
racial attitudes; interregional migration; cross-sectional data; southern in- vs outmigrants; 87R1607
return migration, social/economic aspects; international symposium; 87T0358
second demographic transition, family type/internal migration flows; 87R9987
suicide rates, Canada; interstate migration; 87R2577

Internalization

sociology's internationalization, curriculum requirements; 87R1336

International Alliances

citation patterns, Cuban scientists; Cuba's political alignment; bibliographic analysis; 87T0244
Contadora movement, Central/South America, US influence; 87R1969

International Conflict

antagonistic conflicts, socialist states, 1945-present; 87R9694
Falklands/Malvinas Islands conflict, social scientists' attitudes/ national biases; questionnaire; congress attendees; 87R5992
independent Palestine state, Middle East conflict, US public opinion; 87R7496
international conflict, socialism-capitalism ideological struggles; Soviet perspective; 87R7634
international conflict/cooperation, structural vs apparent tendencies; Conflict & Peace Data Bank; loglinear analysis; 87S1971
international terrorism, information technology solutions; 87R8841
labor force incorporation/insurgency, Mexican oilworkers; foreign conflicts; archival data; 1935; 87R9472
labor migration, Mozambique males, South Africa, development effects; 87R1961
Louis XIV's failure, Netherlands, 1672; sociologial approach; 87R7660
regional/interstate terrorism, nature/forms; 87R7079
scientists' role, international power struggle, coercion vs cooperation; 87R2505
US imperialism/aggression, Third World peace/economic development obstacle, Cuba's response; 87R9722
US-USSR conflicts, deescalation efforts; 87R3950

International Cooperation

acquired immune deficiency syndrome, internationalist disease control approach; 87T0579
communications research/technology, Europe, collaborative strategies; symposium; 87R6343
cooperative development research, Finland; literature review; state capitalism; 87R1823
ethnocentrism, Finland, cooperative developmental work/international market position; 87R1808
global political economy, future scenarios; 87R7463

historical demographic research, database development; Scandinavia, GB, Belgium, Italy, Japan, US; 1984 conference proceedings; 87R4602
international comparative research projects, developmental stages; 87R8207
international conflict/cooperation, structural vs apparent tendencies; Conflict & Peace Data Bank; loglinear analysis; 87S1971
international cooperation/interdependence, political mechanisms, negative outcome avoidance; 87R9705
international peace, nuclear weapons' role; 87S1932
primary health care, community health, medical school education program, Udayana University, Bali, Indonesia; 87T0580
scientists' role, international power struggle, coercion vs cooperation; 87R2505
technical collaboration, Japanese-Indian projects; survey; 87R3553
world hunger/famine alleviation, international strategies' goals/failures; 1970s-present; 87T0945

International Division of Labor
international employment distribution, labor fragmentation, Babbage principle challenged; case study; clothing/textile industry, UK; 87R4090
international trade union development; multinational corporation growth; case study; Massey-Ferguson plants, Kilmarnock, UK; 87R3838

International Economic Organizations
capitalistic growth, Uruguay, external intervention; 87R1980
compliance, intergovernmental organizations; case studies; Organization for Economic Cooperation and Development (OECD), European Economic Community (EEC); 87R1664
educational development, Liberia; international development funding, interagency conflicts; 1972-1985; 87S1973
underdevelopment, Tanzania, World Bank policy impact; official data; 87R9560

International Law
US foreign policy, altruistic myths/geopolitical realities; 87R7564

International Organizations
Association of Southeast Asian Nations, dependency issue; 87R7568
Eleventh World Sociological Congress, Delhi, India, development themes/Indian sociology; 87R6944
international organizational behavior, cultural diversity; 87R7363
knowledge creation/evaluation/diffusion, international agricultural research centers; scientific/social/ideological/organizational factors; 87R8194
Northern hemisphere's dominant organizations, Southern hemisphere's internal state legitimization loss/disorder, interactions/consequences; 87S2001
organized global capitalism, intergovernmental economic organizations, advanced capitalist states; global capitalist crisis, underdeveloped countries' integration; 87R1841
urban growth management, cross-national projects; 87R2250
US agricultural technology exportation; case study; Rockefeller Foundation program, Mexico; 1943-1961; 87R4156
US transnational agricultural corporations, government's involvement; organizational data; 87R7819
women's legal status, UN declarations/conferences; 87R7593
working class solidarity, Mexico/Central America/Caribbean basin; uneven capitalist development; historical analysis; 1918-present; 87R1687

International Relations
Anglo-Irish agreement, Northern Ireland, political implications; 87R1973
Chinese Eastern Railway construction, Russian immigrants workers' colony, Manchuria; 1890s-1970s; 87R1530
codes of conduct, transnational societies; 87R7381
criticism of US/Non-Aligned Movement, Libyan military action defended; 87R9780
economic development, Oaxaca, Mexico; foreign investment's role; 87R7417
economic future/problems, US, international context; 87R5792
English/Spanish code-switching, US-Mexican border city (Juarez), language attitudes; 87R4217
ethnocentrism/colonialism, cross-cultural research, Eastern vs Western psychologists' attitudes; 87R3531
export processing vs special economic zones, People's Republic of China, export industrialization promotion; 87S1950
Ford Foundation's cultural activities; political ideology; 1950-1980; 87R9503
foreign debt crisis, Latin America, political aspects; 87R9720
globalization process, Japanese society's adaptation, religion's role; 87R8082
independence policies, development issues, Iranian revolution; 87R7447
international borders as social systems; historical case study; Californian/Mexican border; 87R1959
international communication, ethical guidelines; 87R5832
international conflict/cooperation, structural vs apparent tendencies; Conflict & Peace Data Bank; loglinear analysis; 87S1971
international mass media, Western dominance; 87R3944
international political conflict; capital/trade dependence; cross-national data; 87S1972
international political relations, conformity/creativity approaches; Carter-Sadat/-Begin negotiations, Camp David; 1978; 87R1403
international pressure groups, Third World sovereignty/citizen's rights threats, conduct code proposed, Latin America; 87R9725
international radio broadcasting, US vs Soviet messages/emphases, media imperialism thesis; content analysis; 87S1985
international relations, collective violence/regional security problems; global economic vs local/regional factors; 87R6781
international relations, public opinion, Spain/European Economic Community nations; surveys; 87R7617
international technology flows, structural properties, suppliers'/recipients' costs/benefits; 87R6337
international/internal social class struggles, national liberation movements' impact; 20th century; 87R9587
interventionist policies, military/covert activities, domestic/social consequences; 87S1938
intrafamilial knowledge transmission; 87R8406
Irish participation, English government, India; secondary data; 1855-1914; 87R9870
leftist party preference, Greece; government/foreign policy/socioeconomic variables; surveys; 87S1953
leftist political groups, Western/Eastern nations, interaction/contacts; post-World War II; 87R2000
literary translation, international relations implications, France; 16th-century poet Du Bellay's works; 87R4251
nation-state development, Andean countries; transnationalization; 87R7471
nation-state development, post-independence Algeria; transnationalization process; 87R7603
nation-state reinforcement, transnationalization effects; 87R7459
New International Economic Order, UN policy; 87R7466
Non-Aligned Movement, apartheid opposition; 87R9299
Non-Aligned Movement's world peace goal, opposition to US power, international economic factors; 87R9773
Northern hemisphere's dominant organizations, Southern hemisphere's internal state legitimization loss/disorder, interactions/consequences; 87S2001
nuclear nonproliferation treaties, international issues; 87R7566
nuclear war danger, international relations implications; 87R6784
nuclear-free zone establishment, New Zealand, nuclear superpowers' response/credibility; 87R9723
political/economic/social situation, Guadeloupe; historical/field data; 87R7448
political/religious choices, intergenerational ideology/value transmission; case study; French father/daughter; 87R6471
politics/international relations, sociobiological explanations; 87R2021
power interactions, Commodore Matthew C. Perry-subordinates/Japanese, dramaturgical perspective; historical documents; 87R3949
progressive farmers' union movement, France, transnationalization process; documents, interviews; 87R7845
social class domination, sugar-producing region, Brazil; population growth, regional migration, technological innovation; Congressional Record/public hearings analysis; 87R2097
social criticism, adversarial movements, US/world politics; 87R3026
social security-fertility relationship, developed/less developed nations, econometric models; 87R8439
southern border, Mexico, political/social/economic problems; 87R1970
Soviet influence/dependence, Cuba, theory challenged; trade data, archival research; 87S1956
status self-placements, college youths; definitions of mother's vs father's status; questionnaire; 87R9233
strategic nuclear weapons, France/GB, international policy issues; 87R7569
Third World debt/US farm crises, financial systems' role; 87S1937
trade dependence, less developed nations; foreign capital investment; cross-national data; 1960-1977; 87R5746
trade/tariff disputes, Japan/US; open "letters"; 87R1972
transnational dynamics, French Antilles/Corsica, colonial powers' resistance; 87R7454

transnationalization consequences, Iran; 87R7647
university students' divestment protest, movement development issues; 87R6747
US organizational theory, Japan, diffusion process; 87R3768
US-Mexico border problems, political-legal meanings/government relations; 87R2576
violence/war management, anthropological perspective; 87R6775
Western capitalist technology importation, social/labor market consequences, socialist/Third World countries; management control style, sociotechnological modernization lack; case study; Hungary; 87R6329
wine production, French/Italian competition, anthropological perspective; literature review, fieldwork; 87R9940
women's political situation, transnational perspective; 87R8856
world crisis, European civilizational decline, theoretical implications; 87R9585
world economy, transnational perspectives; published statistics; 87R7455

International Studies
agricultural/technological development, international research program's implementation problems, Kaduna, Nigeria; case study; Sub-humid Zone Program; 87R7843
Asian studies, East Asian vs Western scholarly research; 87R8724
cultural/socioeconomic/religious characteristics, Latin American countries; 87R7655
geographic interaction/migration data, regional schemes, aggregation procedures; 87R9010
International Perspectives on Aging: Population and Policy Challenges, edited by Robert H. Binstock/Wing-Sun Chew/James H. Schultz; review essay; 87R8257
international social movements research, conceptual/methodological issues; 87R5843
return migration, social/economic aspects; international symposium; 87T0358
schizophrenia onset, precipitating life events, cross-national comparison; World Health Organization data; 87T0647
schoolchildren's health behaviors, international psychosocial aspects; World Health Organization survey data, 1983/84; 87T0569
transnational corporate crime, UN conduct codes, US business influences; 87T1062
urban societies/cities, historical/social/political origins, Europe/Third World; literature review; 87R7873

Internationalism
socialist internationalism, democratic principles; 87R7642
worldwide human rights movement, history/current status; 87R7456

Internship Programs
intership program development, Wayne State University applied sociology/urban policy studies program; 87R5384

Interorganizational Networks
Archipelago National Park development, Montreal, Quebec, state/municipal/private agencies' participation; case studies; 87R5849
broken organizational interlocks, direct vs functional reconstitution; 87R7387
corporate interlock network stability, organizational/class bases; 87R5715
corporate network structure, time series analysis; 87R7394
interorganizational networks, interaction rates/patterns; heterogeneity, inequality; 87R7375
metropolitan dominance; corporate network prominence/linkages; 87R7869
organizational action; interorganizational structure, national policy; 87R1777
personal relationships/interdependencies, Austrian industries/banks; 87R1838
political behavior/ideology similarities, corporate groups; 87S1974
political strategies, intercorporate unity/communication; campaign contributions data; 87R5904
public television, interorganizational funding network, US; political environment; Public Broadcasting Service time-interval data; 1976, 1979, 1982; 87R3764
social service delivery, urban areas, Michigan/Ohio; environmental/organizational characteristics; 87T0819

Interorganizational Relations
academic radicals organization, former members' views; questionnaire; 87S1975
broken organizational interlocks, direct vs functional reconstitution; 87R7387
conservation adoption, farmers; interorganizational relationships vs individual/farm characteristics; telephone interviews; 87S1991
decision-making authority, multihospital systems; questionnaire; administrators; 87R2750
emergency planning/response, interorganizational relations/behavior; interviews; nuclear plant; 87R3054
employee turnover; interorganizational job transfer availability; mail survey; unionized nonmanagerial employees, utility company, US; 87R1730
innovation adoption, communities; interorganizational theory; 87R5104
institutionalization process, interorganizational exchange "dramaturgy," state regulatory commission bureau; participant observation, documentary data; Pennsylvania Public Utility Commission; 87R3770
inter-/intraorganizational relations, structural dynamics; 87R7368

interorganizational cooperation, service delivery programs, hospital network systems; cancer programs; 87R3762
intraorganizational income inequality, manufacturing forms, Sweden; organizational hierarchical structure; earnings data; 87S1960
joking relationships, ethnological/sociological approaches; 87R9137
mental health care service delivery, aged persons, interorganizational relations; 87R8556
psychiatric diagnosis process; intra/extra-organizational conflicts; participant observations, interviews; community mental health center, northeastern US; 87T0644
social policy implementation, localism's role; post-social democracy; case study; Liège, Belgium; 87R9501
social program conflict/transformation; case studies; social security, Australia/Norway/US compared; 87R5150
soil conservation programs, federal agencies' role, US; interorganizational relationship barriers; telephone interviews; 87R7373
well-being, myocardial infarction patients; interpersonal relationships, self-concept; national survey; 87R8522

Interpersonal Attraction
attitudes toward crime, victim's sexy vs conservative clothing style; experiment; college students; 87T0792
homophilous friendship, voluntary organizations; interviews; 87R9526
interpersonal attraction; personalistic self-disclosure, valuable information delivery; experiment; female undergraduates; 87R3412

Interpersonal Communication
Art and Artifact in Laboratory Science: A Study of Shop Work and Shop Talk in a Research Laboratory by Michael Lynch; review essay; 87R4543
biblical Letter of James, communication modes organization; 87R6114
changing youth attitudes, Israel; content analysis; autograph books; 1925-1980; 87R1221
cognitive development/power, multiple track theory; 87R7064
communication actors, analytical/methodological approaches; 87R1885
communication deviance, parents of schizophrenics; experiment, Thematic Apperception Test; 87R4941
communication style; sex, gender identity; 87R3465
communication theory, conceptual bases; 87R1625
communications ethnography, alternative programs; 87R6842
communicator styles; ethnicity, sex, social class; scale, questionnaire; black/white university students; 87R3435
computer-mediated communication, social effects; 87R2490
computerized bulletin board users, social interactions/relationships; observations; 87R2535
computerized mail systems/conference facilities, heavy vs light users' characteristics; questionnaire survey; University of Massachusetts, Amherst; 87R2527
conservation technology, innovator adopters-their neighbors, interpersonal interaction; telephone interviews; farmers, Illinois; 87S1993
conversation analysis, doctor-patient relations; book review essay; 87R2785
conversation styles, organizational leaders, followers' competence perceptions; conversation analysis; hospital employees; 87R3477
conversation, overlapping talk, information organizing method; 87R1504
conversational behavior, interior settings, spatial patterns; experiments; 87R5165
conversational configuration/location, role-played simulations, model-figure placement technique; experiments; 87R5164
conversational topic organization, acquainted/unacquainted elderly dyads; conversants' age; observations; 87R7197
customer-clerk interactions; participants' race; experiment; supermarket/discount stores, northern Florida; 87R3829
discussion partner choice, sociometric correlates; US General Social Survey; 87R7395
dispute resolution, communication strategies, Brazilian vs US female managers; interviews; 87R3731

dispute resolution, Fiji, apologies' role; ethnographic case study, Human Relations Area Files; 87R5517
dyadic communication/behavior, wives' perceptions, black married couples; descriptive statistics; 87R8337
electronic mail communication, *Fortune* 500 company; social context cues; field data; 87R7520
electronic mail, discourse meaningfulness/continuity difficulties; 87R7889
English native/nonnative apologies, gaps/strategies, cross-linguistic classification; questionnaire data; 87R6082
ethnic attitude/prejudice expression, daily conversations, Amsterdam, Netherlands; 87R4236
greeting cards, standarization/rationalization; 87R1514
group action theory, individual-/group-level processes; 87R3410
group communication, rhythmic patterns, paralinguistic features adaptation; interviews; retraining group, Air Force base; 87R4213
group conversational interaction, mildly/moderately retarded adults, content/dynamics quantification; transcripts analyzed; 87R5512
identity construction, street people; ethnographic field study; Austin, Texas; 87R7162
improved farm practices, India; key communicators' role/characteristics; interviews; Rajasthan villages; 87R3888
individual's representations/belief systems; communicative expressions; 87R1913
intercultural encounters, uncertainty reduction model; questionnaire, scales; university students, US; 87R3407
intergenerational family processes; first child/grandchild birth; constant comparative analysis; three-generation families; 87R4790
intergroup relationships, scientists, social mapping; survey; 1971; 87T0130
interpersonal attraction; personalistic self-disclosure, valuable information delivery; experiment; female undergraduates; 87R3412
interpersonal behavior/communication, structural complexity; 87R4227
interpersonal communication processes, social science models; 87R1497
interpersonal communication, culture-specific aspects; 87R9200
interpersonal communication/interaction, social science analysis/models; 87R1494
interpersonal network range, Americans, subgroup differences; General Social Survey; 87R5729
interpersonal vs small group communication, theoretical concepts; 87R1410
intersubjective understanding, Jürgen Habermas's *Theory of Communicative Action*; 87S1977
interview exchange, teaching post candidate, England, interactional/sequential structures; 87R9190
intimate relationship termination, bad news delivery strategies; interviews; 87R1419
job satisfaction/performance, hospital nurses; perceived organizational communication satisfaction; field study; 87R4120
joking relationships, corporate cultures, consensual vs contractual legitimation; 87R3490
language situation, Arab world; 87R4239
language use/choice, school systems, Catalonia; linguistic policies; verbalization analysis; elementary school, Barcelona; 87R5124
leadership emergence, small groups; communicative variables; questionnaires, observation; college theater students; 87R1486
marital verbal/nonverbal interaction styles, identical ordinal position dyads; Hill Interaction Matrix, Cognitive-Affective Rating Scale; 87R4714
married couples, interactive/communication strategies, television fiction programs, US vs Italy; content analysis; 87R3872
mass communication media use, US adults; lifestyle characteristics/changes; mail survey; Greater Lansing, Michigan; 87R4610
medical interns, professional socialization, intersubjective processes; 87R1718
mentally retarded adults, peer conflict resolution; discourse analysis context; 87R5613
news comprehension/awareness; demographic/media-use/interpersonal discussion variables; interviews; 87R1468
nonverbal content messages, husbands' vs wives' behavior; marital adjustment level, message type; videotapes; 87R8390
open communication, peer assessment; rater/ratee/relationship/situation/group contingencies; peer ratings; 87R1406
organizational action, shared meanings; communication mechanisms; behavioral simulation experiment; college students; 87R3874
Parsons, Talcott, generalized media theory, language/communication analogy; 87R3373
power as communication medium, social intervention rhetoric; 87R7050
power interactions, Commodore Matthew C. Perry-subordinates/Japanese, dramaturgical perspective; historical documents; 87R3949
reciprocal practice of love, adolescents/parents; questionnaires; university students; 87T0466
recurrence phenomenon, face-to-face interaction, semiotic approach; 87R5463
relational communication, content-relationship interface model; 87R7891
relationship development, communication's role, fixed-sequence vs circular-causal models; index; couples; 87R1478
request denial, Hindi vs French/English speakers; 87R4231
routinization strategies, interactive service work; fieldwork; 87S1967
science/technology intelligentsia, USSR, communications/research; questionnaire; 87R7788
scientific disputes, written letters, social structure; conversational analysis; 87R1512
scientific team organization/interaction; researchers' psychological characterizations; 87R7092
self-awareness, primary/secondary culture development, self-analytic groups; interpersonal intimacy; content analysis; 87R9257
selling success, time-share vacation firm, situated transaction perspective; participant observation, interviews; 87R2144
single interaction episodes, conversation analytic modality; 87T0054
social integration, altered states of consciousness, spiritualism, transcendental meditation; 87R3445
social language, group's shared knowledge, communication power; case study; undergraduates, Massachusetts Institute of Technology; 87S1949
social psychological research, sociolinguistic techniques; 87R3433
status quo, interpretive understanding; 87S1978
surgical practice communication skills, medical school educational program, Massachusetts; 87T0574
symbolic interdependence, premarital couples; geographic proximity, time spent talking; questionnaires; college students; 87R9251
verbal conflict/questioning episodes, family dinners, discourse organization; videotapes/audiotapes; 87R3469
word usage sanctions, language community, excommunication; 87R2259

Interpersonal Relations

adolescent girls' interpersonal behavior, physical eduation classes; age, sex-role orientation; observation, Bem Sex-Role Inventory; New Jersey; 87R3934
assertiveness, gender differences; physical attractiveness; experiment; 87R8895
community research, acquaintanceship density; 87R2992
computerized bulletin board users, social interactions/relationships; observations; 87R2535
conflict avoidance model/ethic, Tahitian society, reactions to violence; secondary accounts, fieldwork; 87R3067
emergency management practices; interpersonal relationships; interviews, survey; reservists, Federal Emergency Management Agency; 87R5173
emotional experiences, close heterosexual relationships; perceived inequity; questionnaires; college students; 87R3463
empowerment model, organizational commitment/communication/resources; 87S1969
friendship relations, disruptive/threatening factors; interviews; 87R1476
international/interpersonal influence, mathematics, Denmark/Israel; stratification; 87R8208
interpersonal attitudes, lesbian/bisexual women; mail questionnaire; 87S1977
interpersonal compatibility, college roommates, exchange/nonexchange orientation; scale; 87R1407
interpersonal conflict management behaviors, university employees; organizational position, age, sex; questionnaires, interviews; 87R9499
interpersonal knowledge, acquaintanceship goodwill factors, philosophy theory; 87R7056
interpersonal power, intimate heterosexual relationships; relative dependence; survey questionnaire; university students; 87S1986
interpersonal social relations, structural equivalence/congruence, block modeling approach; 87R7398
intimate relationship termination, bad news delivery strategies; interviews; 87R1419
job satisfaction/workplace culture, restaurant, Scotland; participant observation; 87R1702
joking relationships, corporate cultures, consensual vs contractual legitimation; 87R3490
leaving school/marriage timing, heterogeneity/interdependence relationship; national survey; males; 87R5370

mental illness, labeled/labelers interpersonal relationship, social/emotional aspects; 87S1976
personal relationships/interdependencies, Austrian industries/banks; 87R1838
relationship development, communication's role, fixed-sequence vs circular-causal models; index; couples; 87R1478
relationship durability/interdependence/equality, cohabiting lesbian vs heterosexual couples; questionnaire; 87R8331
relationship intimacy/communication, interpretive themes; personal written reports, audiotaped conversations; 87R7144
role disengagement process, events/stages progression; interviews; 87S1954
romantic-love relationships, associated subroles; 87S1961
social distance measurement, trichotomous classificatory levels; panel survey; high school students, human relations camps, Arizona/Michigan; 87S1974
social relations network; social differentiation; biased net theory; 87R7400
social relations, interpersonal construction processes, macrostructural context; 87S1984
socialist society formation, Poland; planning/human interactions/individual interests; 87R1380
stress, male vs female elders; relationships; questionnaire interviews; 87R2879
well-being, myocardial infarction patients; interpersonal relationships, self-concept; national survey; 87R8522

Interval Measurement
correlational change analysis, reliability/metric issues; 87R6895

Intervention
adolescent pregnancy, black females; significant others' attitudes; questionnaire; 87T0399
adolescent pregnancy/childbearing/parenthood, low-income blacks, US; literature review; 87T0542
adolescent vs child maltreatment, service agencies' response; 1980 National Incidence Study of Child Abuse & Neglect; 87R8315
anti-imperialist vs antiwar movement, US, Central America vs Indochina intervention; 87R5801
brief/mandatory therapy, interaction process, sociological perspective; 87T1057
capitalistic growth, Uruguay, external intervention; 87R1980
career/educational aspirations, minority/low-income adolescents; significant others; psychometric tests; Asian/black/Hispanic 8th-12th graders; 87R4285
child abuse treatment/prevention policy, research/demonstration projects, utility/efficacy; literature review, other data; National Center on Child Abuse & Neglect programs; 1978-1982; 87R4637
clinical judgment process, social work; client class/race, practitioner variables; 87R6584
community turmoil, professional behavior strategies model; interviews; mental health practitioners, Sinai evacuation Israel; 87T0916
domestic disputes, police interventions; Ohio; 87R2644
domestic disturbances, police responses; organizational- vs psychological predispositional factors; questionnaire; 87R8163
elderly abuse cases, police involvement; case records, interviews; Detroit, Michigan; 87R8672
elderly physical abuse/neglect, victims'/perpetrators' characteristics, causes/interventions; literature review; 87T0494
family interaction characteristics, mother-child dyads; early age intervention; experiment, interviews; 87R7699
housing rehabilitation, market intervention rationale critiqued; case study; Canada Mortgage & Housing Corporation; 87R9792
interventionist policies, military/covert activities, domestic/social consequences; 87S1938
job evaluation/intervention, older kibbutz members, Israel; survey; 87R5024
juvenile delinquency, USSR, telephone hotline system; dialogues; article/comments; 87T0828
mother-infant relationship, cognitive intervention program; 87T0529
nursing burnout; intervention program; experiment, Maslach Burnout Inventory; 87R2170
patient belief models/compliancy behavior, Moroccan-Jewish hypertensives; health intervention, patient-doctor negotiation; questionnaire-interview; 87T0593
predivorce phase, characteristics; interviews; divorcing couples; USSR; 87T0503
short-term clinical intervention, methodological characteristics; case studies; 87R5295
social work service delivery inadequacies, Mexican-American clients, intervention strategies; 87R6484
sociological intervention, social movements, effectiveness assessment; 87T0814
technological catastrophes, stress prevention, policy issues; 87R8778
work settings, social service provision, personnel directors' vs occupational welfare officers' perceptions; interviews; 87R2119

Interview Schedules
questionnaire responses; middle-response alternative; telephone survey; 87R8978
racial tolerance questionnaire responses; threatening stimulus wording; General Social Surveys; 87R9629

Interviewer Characteristics
social science research findings; interviewer style; experimental study; Netherlands; 87R3209
survey interview, fictitious issues, respondents' opinion expression; 87R1198

Interviews
Anglo vs Puerto Rican woman's discourse, interviewer misunderstandings; ethnic differences vs gender congruence; 87R8994
attitudinal surveys, personal vs telephone interviews; trend data, two national studies; 87R1202
communication patterns, doctors-male patients; discourse analysis; teaching hospital, southeastern US; 87R9270
computer-assisted telephone interviewing, methodological issues; 87R8997
conversation closing, live television news interviews; 87S1951
doctor-patient discourse, conceptual structures; taped interviews; 87R8469
"first-person" interview/oral history data, editing issues; 87R6869
health interview surveys, perceived morbidity concept; national survey; Australia; 87T0575
influence process, keyperson interviews, information bias; 87R6870
interactive frames/knowledge schema, medical examination/interview; videotape, pediatrician-mother exchange; 87R9194
interview exchange, teaching post candidate, England, interactional/sequential structures; 87R9190
job interviews, interactional/ethnographic phenomena; taped conversations; 87R1506
situation-oriented response, research interview, social desirability concept; 87R1207

Intimacy
depression, older women; intimate relationship qualities; questionnaires; Madison, Wisconsin; 87R8855
dyadic intimacy prohibition, religious cult movements, defection/disaffiliation results; interviews; 87R2410
emotional health, married individuals; marital intimacy quality/quantity; questionnaire; 87T0671
emotional intimacy, premarital relationships; career choice; survey; 87R7104
gay men's relationships/lifestyles, acquired immune deficiency syndrome's impact; 87T0431
gift giving, family intimacy/autonomy implications; 87R5507
identity/intimacy, intergenerational perceptions; psychosocial developmental stage; questionnaire; undergraduates/their parents, Virginia; 87R2719
intimacy concept, modern world vs old rural order; 87R8713
intimate relationship termination, bad news delivery strategies; interviews; 87R1419
love/intimacy, Niklas Luhmann's work; book review essay; 87R3344
marital roles/intimacy/power; cancer diagnosis/remission; interviews, written narratives, case study; 87R4754
modern society, individualism tendency; 87R9713
perceptual congruence, sexual experiences, husbands vs wives; relationship duration, intimacy; experiment; 87R2640
play-fighting, adolescent residential treatment home males, sexual/aggressive negotiation; participant observation; 87R4508

work values, gender differences; job characteristics; questionnaires; government organization, Australia; 87R9442
work-generated stressors, nurses' affective reactions; coping behaviors; questionnaire; 87R7774
work/marital/life satisfaction, single- vs dual-earner families, sex differences; national survey; 87R4763
worker alienation, urban public school teachers; tokenism; 87R3685
worker attachment; subordination legitimacy, legality belief; historical evidence; 87R2087
worker motivation, Soviet industry; 87R3722
working conditions; occupational sex segregation; Quality of Employment Survey; 87S1958
working life quality/job satisfaction, petrochemical/blue-collar workers, Ontario; enrichment programs; questionnaire; 87R5669

Job Search

academic social science positions, job interviewing suggestions; West Germany; 87R3271
discriminatory behavior, job-seeking/hiring; 87R7336
displaced workers' adjustment; advance notification of plant closures/layoffs; Current Population Survey; 87S1967
gender-differentiated labor markets, Holland Occupational Classification categories; Quality of Employment Survey; employed adults; 87R5667
job market opportunities, college graduates, Taiwan; job search method; statistics; 87R4112
job search problems, dual-career academic couples; 87R9906

Job Training

alternative youth job training projects, West Germany; participant observation, interviews; 87R3717
career/educational aspirations, minority/low-income adolescents; significant others; psychometric tests; Asian/black/Hispanic 8th-12th graders; 87R4285
female unemployment, Austria, public policy response/job training programs; content analysis, case study; 87R3723
first-job socialization experiences, business graduates, gender differences; Likert scales; 87R2162
future occupations, apprentices' attitudes; Czechoslovakia; 87R1451
human capital investment, US industry, educational system requirements; 87T0131
job placement program, Australia, government subsidies; 87R6397
job success/failure, Clearfield (Utah) Job Corps Center corpsmembers; demographic/familial/motivational/educational/psychological variables; questionnaire; August-December, 1984; 87R1663
labor force participation, black youths, social/psychological perspective; 87R3737
mass media vs print use, working poor; education; interviews; women, Comprehensive Employment and Training Act program; 87R5185
nontraditional occupations, young women, Austria; interviews; 87R5218
organizational/development/training/education, decision-making processes; interviews; Flemish organizations, Belgium; 87R9494
police training competencies, criminal justice educators'/police administrators' perceptions/priorities; questionnaire/other data; 87T0220
self-esteem/work motivation, social welfare recipients, legislature assumptions tested; case study; job training program, Delaware; 87T0942
sex-typical vs sex-untypical career choice, female adolescents; questionnaires, school records; Tübingen/Reutlingen, West Germany; 87R5255
social problems, Spanish gypsies, literacy/job-training programs; 87R7212
social program goals, intentions vs consequences, analytic framework developed/tested; Work Incentive Program (WIN); 87R6731
unemployed youths, innovative job training program, Vienna, Austria; 87R3696
work attitudes, turnover intentions; training environment; interviews, questionnaires, observation; merchant marine engineering students, US/GB/Spain; 87R3730
young workers, trade union federation policies, Austria; interview; 87R3748

Jokes

Ethopian famine jokes, US, sociosemiotic analysis; 87T0044
joking relationships, corporate cultures, consensual vs contractual legitimation; 87R3490
joking relationships, ethnological/sociological approaches; 87R9137

Jordan

bilingual communication, semantic meaning differentials, Jordanian university students; scales; 87R1446
breastfeeding determinants; World Fertility Survey questionnaire; women, Egypt, Jordan, Tunisia, Yemen; 87R8224
cultural values, 2nd-grade reading textbooks, Near Eastern nations; content analysis; 87T0144
educational expansion, Jordan; demographic/social/economic factors; 1950-1980; 87R4331
fertility, family size differentials, ever-married women, Jordan; occupational/age/educational/contraceptive use variables; 1976 national survey; 87R8225
urban dialect emergence, Jordanian cities; demographic/social/geographic factors; 87R6074

Journalism

brideprice, anthropological debate, Papua New Guinea; content analysis; letters/article, *Post-Courier* newspaper; 1979/80; 87R3586
female journalists' situation, West Germany; interviews; 87R7768
female status/beauty, cultural trends; content analysis; *Cosmopolitan* magazine; 1965-1985; 87R5251
Institute of Journalism, University of Heidelberg, West Germany, historical development; 87R7518
New Journalism, literary vs informative style, Spain; 87R7508
science coverage, local press, West Germany; content analysis; 87R6303

scientific production/knowledge, popularization process; content analysis; magazines/newspapers, France; 87R6679
show business magazines, film coverage, turn-of-the-century Germany; 87R5823
stress, popular vs professional literature conceptualizations; content analysis; West Germany; 87R5834

Journalists
celebrities/social elites, stratification/differentiation; content analysis; newspaper gossip column, West Germany; 87R1519
health problems, mass media professionals; work stress; interviews; journalists, Bavaria, West Germany; 87R4093
kindergarten access, child development/value transmission implications; secondary data, France; post-WWII; 87T0531
Native American newspapers/journalists, US; 87R3884
press censorship, Third World countries; personal experiences; 87R7517

Journals
Afro-American children, research trends; content analysis; *Child Development* articles; 87R2598
antisuffragism movement, US, ideology/mobilization; content analysis; journal articles; 87R3855
Berkeley Journal of Sociology, content/approach; 1955-present; 87R1340
book review section, *American Scientists*, history/coverage; 87R2959
book review selection criteria, *Soziologische Revue*; 87R9083
Capital & Class, journal development; 87R6952
child development movement, *Parent's Magazine* founding; 87R1914
co-citation analysis, information science; journal article cross-references; *Nauchno-tekhnicheskaya Informatsiya*, USSR; 1961-1973; 87R6315
core vs specialty sociological journals, integrating role; citation analysis; 1960, 1973; 87R1321
dependency networks, subgroups'/individual's structural power; case study; organizational research journals; 87R3782
editorial policies, *Sotsiologicheskie issledovaniya*; 87R9055
journal citation measures/structural characteristics, listed vs unlisted journals, Social Science Citation Index; 87R6317
letters to the editor, *Sotsiologicheskie issledovaniya*; 87R9052
linguistic structures, empirical sociological research; sociological journal examination; 87R1379
manuscript rejection rates, scholarly journals, interdisciplinary variation; 87S1960
manuscript review, publication outcomes, *Rural Sociology* journal; archival data; 87R8192
new editorial focus, *The American Sociologist*; 87R6947
parametric strategies, methodological issues; journal article content analysis; 87R1213
physics articles, citation analysis; *Journal Citations Reports*; 87R6318
psychological journals, pre-WWII Germany, National Socialism's impact; content analysis; 87R8210
publication outcome/review process, *Rural Sociology*; archival data; 87S1989
refereeing criteria, scholarly publishing; article/comments/reply; 87R5380
science policy outcome measurement, journal-journal citations; *Journal Citation Reports*; water pollution, occupational hygiene; 87R5318
sexuality articles, journal/topic preferences, medical/nursing/social work students; content analysis; abstracts; 87R8017
social policy trends, *The Public Interest*, social policy trends/editorial attitudes; content analysis; 87R6735
sociological theory, *Österreichische Zeitschrift für Soziologie*, journal goals; 87R1248
sociology of education, theoretical/conceptual trends; content analysis; *The Journal of Educational Sociology/Sociology of Education*; 1944-1964 vs 1964-1984; 87R2317
sociology's development, New Zealand; 87R1293
Soviet philosophy, *Voprosy filosofii* articles; 87R9579
statistical method use frequency, psychiatry, quantitative skills instruction implications; content analysis; psychiatric journal articles; 1983-1984; 87T0096
work/employment/society relationship, current research concerns; new *Work, Employment and Society* journal; 87R5373

Judaism
elderly parents' care, Jewish adult children's moral obligation; 87R5524
Jewish Messianism notion, semiotic analysis; 87R8051
religious beliefs, 13th century, Ramon Lull's vs Ibn 'Arabī's works analyzed; 87R4411
sociology of Jewry, methodological/conceptual issues; article/comments; 87R7008

Judeo-Christian Tradition
Western technology development, medieval Christianity's influence, Lynn White, Jr.'s & Ernst Bing's theories critiqued; 87T0283

Judges
child sexual abuse, judges' attitudes; self-report study; 87R8146
parole perceptions, parolees/judiciary/police; interviews; Federal Probation Service felons; 87R6288
postal surveys, nonresponse problem, social desirability dimension; judges, prosecutors; 87R1219
President Reagan's second-term judicial appointees, professional/democratic/attribute profile; 87R8116
rationality, organizational dimensions, family court legal/social work professions; observations, interviews; midwestern urban community, US; 87R6260
sociology of law, West Germany; reply; 87R8140

Judgment
social comparisons; group membership; experiments; students, professional school; 87R9812
sports injuries, children's legitimacy judgments; interview, questionnaires; 87R5859

Judicial Decisions
Abel/Cain biblical story, law/legal procedure justice aspects; article/comments; 87R6275
abortion rates, state-wide variability; 1973 US Supreme Court decision; government statistics; 87R4621
adolescent sexuality/childrearing, privacy rights, cultural/legal issues, US; Supreme Court decisions; 87T0390
antiterrorist regulations, Italy, texts/applications; 87R5208
attempted vs completed crimes, punishment issues; 87R4459
charge reduction/sentencing process, gender differences; critique/reply/rejoinder; 87R8092
child custody decisions, consensual divorce cases; custody investigation reports; interviews, court records; Hennepin County, Minnesota; 87R2681
child sexual abuse, judges' attitudes; self-report study; 87R8146
court dispositions, mentally disordered offenders; criminal/mental health history; case analysis; Wisconsin; 87R2435
criminal court outcomes, gender differences; interviews; court officals; 87R8103
criminal offenders, community service sentencing alternatives; literature review; US, Canada, GB, West Germany, Netherlands; 87T0218
criminal proceedings outcome, Australia; legal representation; case records; magistrates' courts, Melbourne; 87T0214
criminal sentencing, racial discrimination; literature review, case data; 87R2437
economic policy outcomes, state/federal trial courts; local environmental factors; court opinions; 87R8935
error/information distortion, judicial programmed instruction procedure; 87R2452
female offenders, criminal justice decisions; feminist movement; court/parole data; 87R8168
gender bias, courtroom manifestations; New Jersey/New York task force reports; 87R8883
government economic intervention, US, judicial treatment; 87R8129
intoxicated driving defendants, court processing; legal/extralegal factors; court records; Maryland; 87R8589
judicial decision-making behavior, Netherlands; book review essay; 87R6259
judicial decisions, homicide cases; offender/victim social characteristics; case records; 87R8651
judicial sentencing decisions, utilitarian principles model; cross-sectional data; incarcerated offenders, Georgia; 87R2923
judicial sex bias, education programs; case study; New Jersey task force; 87R8147
judicial transfer decision, juvenile vs adult justice system jurisdiction; race; court data; 87T0191
law, psychiatric/psychoanalytic perspectives; 87R8148
legal dispute outcome/compliance; forum vs admitted liability explanations; published data reanalyzed, C. McEwen's/R. Maiman's critique refuted; 87R6283
litigation outcomes, stronger parties' advantage, US state supreme courts; court cases; 1870-1970; 87T0212
metropolitan juvenile court decisions; defense attorney use, "traditional" vs "due process" court structure; case analyses; 87R2461
military justice administration, absent-without-leave court martials; defendants' race; trial records; Fort George G. Meade, Maryland; 1971-1974; 87R5699
parole decision making, US vs Israel; sentencing structure; prisoner case file data, interviews; 87R4513

penal code/jury behavior, 19th-century France; historical documents; 87R2420
racial differences, criminal processing, differential treatment conclusions; model selection; Minnesota; 87R2476
racial disparities/discrimination, juvenile justice system/processing; case records; 87T0216
sexism, court system; personal experience; state supreme court judge; 87R8141
small claims court case outcomes; adjudicative vs mediative forum, case characteristics; records; Maine; 87R2441
social conflicts, Italian peasantry; criminal records; local courts, Cuneo Province; 1901-1903; 87T0851
US Supreme Court decisions, lower federal court interpretations; content analysis; court decisions; 87R8124
wrongful conviction rate, felony cases, US; legal procedurial/witness errors; case records, mail questionnaires; state attorneys general, Ohio police chiefs/sheriffs/public prosecutors/defenders/judges; 87R4475

Judiciary
constitutional interpretivism, legislative vs judicial tyranny; 87R2415
correctional institutions, judicial interventions, Arkansas; case study; 87R2443
judiciary-public linkage, news media's intervening role; survey; judges, Wisconsin; 87R8107

Junior High Schools
classroom instruction, Catholic junior high school, Toronto, Ontario, ritualistic/symbolic aspects; 87R8075
juvenile delinquency, Iceland; school climate/outcomes, peer association; questionnaire survey; 8th-9th graders, Reykjavik; 87R6672
substance abuse prevention program, middle-school children, curriculum evaluation; 87R8602

Juries
deliberation process, large vs small juries; experiment; 87R6282
expert psychological testimony, eyewitness identification issue; 87R4449
group decision-making processes, criminal juries, Spain; experiments; 87T0208
jurors' sociomoral worldviews, assessment methodology; 87R6249
jury decisions; evidence, extralegal influences; courtroom observations, posttrial interviews; jurors, sexual assault trials; 87R2448

Jurisdiction
educational excellence vs teaching professionalism as reform goals; critique; 87R7959
parole decision making, US vs Israel; sentencing structure; prisoner case file data, interviews; 87R4513

Jurisprudence
action sciences, sociology's utility, jurisprudence/pedagogy cases; 87R5429
constitutional law interpretation/implementation, US, Soviet perspective; 87R4463
critical legal scholarship, sociological/ideological aspects; 87T0189
critical legal studies, critique/legal order concepts; 87T0197
critical legal studies, relational theoretical framework; 87T0199
German-Jewish labor lawyers' philosophy, influence on Weimar Republic, postemigration evolution; 87R9798
governmental decision making, political parties' role, legal interpretation, US vs Europe; 87R9735
legal theory, political aspects, functionalist/adjudicative moralist/institutionalist theories; 87T0832
new rhetoric, jurisprudence theory; 87R8115
working class formation/politics, law-community links, 19th-century England; 87R6279

Justice
Abel/Cain biblical story, law/legal procedure justice aspects; article/comments; 87R6275
black boundary maintenance, Danville, Virginia, repressive justice; court/police data; 1900-1930; 87R3498
classical criminology vs sociology of justice; literature review; 87R2444
health care issues, justice problems, John Rawls's analytical approach; 87R4494
justice concept, Haitian *vodoun* religion; article/comment; 87R4373
justice system, blood feuding, gypsies, Finland; participant observation; 87R9288
legal justice beliefs, Lebanese students; political involvement, gender; questionnaires, interviews; 87R3411
pretrial public opinion polls, Bernhard Goetz case, New York City subway shooting incident; 87R6268
punishment appropriateness ratings; subjective/objective crime proximity; questionnaires; victims/nonvictims, Boston, Massachusetts; 87R1878
small-town vigilante murder, mass media coverage; court records; 87R7512
witchcraft as social control/justice system, Franconian peasants, central Germany; 87R2205

Juvenile Correctional Institutions
antisocial behavior, incarcerated juvenile offenders; nutritional changes; records, experiment; 87R8692
antisocial behavior, institutionalized juvenile delinquents, Los Angeles, California; nutritional modification program; behavioral records; 87R8690
antisocial behaviors, incarcerated male/female juvenile delinquents, California; nutritional modification program; behavioral records; 87R8691
behavior improvements, incarcerated juvenile delinquents; dietary interventions; empirical data; Alabama, Florida, Virginia; 87R8689
correctional institutions, juvenile deliquents, management changes, Israel; documents, interviews; staff members, Youth Protection Authority; 87T0226
female adolescents, correctional institution life adjustment; self-esteem, institution's openess; Israel; 87R9212
institutional reform, juvenile reformatories, People's Republic of China/Taiwan/Hong Kong; personal observations, documentary evidence; 87R2464
juvenile correctional institutions, People's Republic of China, children's rights issues; field/primary/secondary data; 87T0215
juvenile correctional system, change process, New York vs Massachusetts; archival records, interviews; 1968-1984; 87R6669
play-fighting, adolescent residential treatment home males, sexual/aggressive negotiation; participant observation; 87R4508
truancy, juvenile detention facility; prior record, background/personality factors; case files; 87R2470
unnatural death rate, Glenochil Young Offenders Institute & Detention Centre, Scotland, program inefficiency/flaws; case studies; 87R8687

Juvenile Courts
driver behavior, juvenile traffic offenders; Driver Improvement Educational programs, Mann Inventory Survey; Juvenile Traffic Court, Fresno, California; 87R2941
juvenile court, abolition arguments, UK; 87R8114
juvenile justice, police cautioning/diversion strategies, history, critique; 87R2946
metropolitan juvenile court decisions; defense attorney use, "traditional" vs "due process" court structure; case analyses; 87R2461

Juvenile Delinquency
adolescent behaviors; childhood sexual abuse history; questionnaire; undergraduate women; 87R8670
adolescent delinquent behavior, peer attachment theories; surveys; 87R5069
child delinquency prediction, peer behavior evaluations; scales; first-graders, Montreal, Quebec; 87T0808
children's behavior/health, Khartoum, Sudan; urbanization; physical examinations, interviews; 1965 vs 1980; 87R8288
children's health/behavior, newly urbanized area, Khartoum, Sudan; physical examinations, interviews; 1965 vs 1980; 87R8297
chronic juvenile delinquency, predictive factors; literature review; 87T0793
criminal activity stages, juvenile-adult offenders, criminal career concept; Montreal, Quebec; 87R9898
criminal behavior, delinquent male vs female adolescents; personal/family drug use; interviews; 87T0683
criminal histories, juvenile delinquents, data reduction techniques; offense history data, court records; New Jersey; 87R7195
criminalization process, social class/gender socialization aspects; juvenile crime statistics; New South Wales, Australia; 87T0821
delinquency behavior modification/prevention, social learning/community approaches; 87R5075
delinquency patterns, blacks vs nonblacks; broken homes; Richmond Youth Project; 87S1970
delinquency rates, adolescent self-reports vs adult retrospective reports; 87S1981
delinquency risks, adolescent runaways; stress, mood intensity; questionnaires; shelter facility residents, four-state area; 87R2945
delinquency, student vs working post-high school subgroups; person-environment fit, psychological strain; longitudinal panel data; 87R6753
delinquent behavior, black/white/Hispanic youths, US; self-esteem level; interview/scale data; 87R5073
delinquent vs nondelinquent adolescent boys, family interaction patterns; self-report/observational measures; 87R8684

deviance construction, human service organizations, juvenile justice system; organizational characteristics; questionnaires, interviews; 87R7192
deviant behavior, Taiwanese junior high school students, differential association theory's applicability; questionnaire; 87T0824
employment-criminality relationship; criminal records, employment history, home-life/demographic data; youths aged 13-18, Youth Services Center, Philadelphia, Pennsylvania; 87R5070
forensic-psychiatric assessment, juvenile delinquents, West Germany; 87R8685
gang delinquency, community response/perceptions; interviews; 87S1943
gender-delinquency relationship, Great Depression era, Toronto, Ontario; court reports; 1924-1938; 87R8688
juvenile delinquency precursors, predictive efficiency; longitudinal data; 87T0825
juvenile delinquency, Iceland; self-report questionnaire data; adolescents, Reykjavik; 87R8693
juvenile delinquency, Ohio; Youth Advocacy Program; questionnaire, interviews, case file records; 87R2948
juvenile delinquency, police reaction; individual/neighborhood socioeconomic status; survey, police/court records; 87R6670
juvenile delinquency, social class explanations; 87R9263
juvenile delinquency, Swiss vs other nations' penal law; 87T0829
juvenile delinquency, USSR, telephone hotline system; dialogues; article/comments; 87T0828
juvenile delinquency, Utah; population/employment change, energy development; pooled time-series/cross-sectional data; 87S1996
juvenile delinquency/substance abuse, adolescent males; school religious climate; strain/control theories tested; 87R8694
juvenile delinquency; kinship/family networks; 87S1973
local delinquency rates; external ecological factors; longitudinal data, Chicago, Illinois; 1960-1970; 87R6666
male adolescent delinquency, London, England; school/work status; longitudinal interviews; 87R8652
neighborhood crime, resident vs nonresident offenders; community racial/socioeconomic characteristics; arrest data; 87R5027
pathological/alcohol/drug/delinquency problems, male vs female adolescents; gender identity; surveys, interviews, questionnaires, tests; 1979-1984; 87T0404
religion/delinquency relationship, alternative statistical tests; interviews; adolescents; 1975; 87R2950
school dropout, juvenile delinquents, prediction model; interviews; 87R9013
self-esteem/deviant behavior, upper-status junior/senior high school students; perceived parental pressure; questionnaire; 87T0822
violence prediction, behavioral science theories; juvenile court records; Montreal, Quebec; 87T0965
youth street gangs, member characteristics/delinquent behavior, East Los Angeles, California; interviews, statistics; 87R8696
youth values/condition, Rome, Italy; urbanization; statistical/secondary data; 87R6378

Juvenile Justice

Canadian Young Offenders Act, provisions/impact; 1982; 87R6668
current dispositions, juvenile justice decision making; prior dispositions; case records; Florida; 87R5071
deviance construction, human service organizations, juvenile justice system; organizational characteristics; questionnaires, interviews; 87R7192
female offenders, discrimination/sexism, British juvenile bureau; interviews; liaison officers; 87R3098
incarceration rates, minority vs white youth, US; arrest bias; 1976-1985; 87T0405
incarceration/crime rates, minority vs white youth, US; government surveys; 1977-1983; 87T0410
judicial transfer decision, juvenile vs adult justice system jurisdiction; race; court data; 87T0191
justice attitudes; juvenile justice panel members, Scotland; occupation, education, sex; mailed questionnaires; 87R8136
juvenile correctional system, change process, New York vs Massachusetts; archival records, interviews; 1968-1984; 87R6669
juvenile court, abolition arguments, UK; 87R8114
juvenile courts, Italy, problems; 87R5072
juvenile criminal legislation, post-1871 Germany; government type; 87R8157
juvenile delinquency, police reaction; individual/neighborhood socioeconomic status; survey, police/court records; 87R6670
juvenile justice system, sexism/discrimination; literature review; 87R2940
juvenile justice system, sexist practices; 87R6287
juvenile justice, police cautioning/diversion strategies, history, critique; 87R2946
juvenile justice, reform efforts, Maine; post-1960s; 87R2943
Massachusetts Juvenile Justice Advisory Committee, chairman's experience; 87R9757
metropolitan juvenile court decisions; defense attorney use, "traditional" vs "due process" court structure; case analyses; 87R2461

racial disparities/discrimination, juvenile justice system/processing; case records; 87T0216
Young Offenders Act of 1982, Canada, mass media reactions; content analysis; articles; 87R9649

Juvenile Offenders

alcohol/crime relationship; age; longitudinal questionnaire surveys; male cohort, Oregon; 87R2869
antisocial behavior, institutionalized juvenile delinquents, Los Angeles, California; nutritional modification program; behavioral records; 87R8690
child welfare system, Israel, residential placement emphasis; 87R4669
chronic youth offenders, identification/treatment, social dyslexia model; 87R6664
chronicity/violent recidivism, criminal offenders; longitudinal data; 1958 Philadelphia (Pennsylvania) cohort; 87R3075
correctional institutions, juvenile deliquents, management changes, Israel; documents, interviews; staff members, Youth Protection Authority; 87T0226
crime, young vs old offenders; socioeconomic/employment conditions; survey; male arrestees, Brooklyn, New York; 87R2908
criminal careers, violent juvenile offenders; demographic factors; National Youth Survey; 87T0826
delinquency rate, male vs female adolescents; official contacts; self-reports, police/court records; Seattle, Washington; 1979; 87R2947
driver behavior, juvenile traffic offenders; Driver Improvement Educational programs, Mann Inventory Survey; Juvenile Traffic Court, Fresno, California; 87R2941
female adolescents, correctional institution life adjustment; self-esteem, institution's openess; Israel; 87R9212
female offenders, discrimination/sexism, British juvenile bureau; interviews; liaison officers; 87R3098
homicide rates, US; age, period, cohort; 87R3079
incarceration rates, minority vs white youth, US; arrest bias; 1976-1985; 87T0405
judicial transfer decision, juvenile vs adult justice system jurisdiction; race; court data; 87T0191
juvenile court, abolition arguments, UK; 87R8114
juvenile delinquency/aggression, Poland; social conditioning factors; secondary data; 87R1483
juvenile delinquency; martial arts training; personality inventories; 87R6674
juvenile runaways, US, historical perspective; 87R5077
minority youth overrepresentation, criminal justice system, US; economic disparities; census; 87T0407
official documents, juvenile courts, reality construction models; Hamburg, West Germany; 87R6263
probation casework reports, tragic narrative genre; 87S1963
self-concepts, black vs white delinquents, GB; scale; 87R8686
social skill development, re-arrest rate, male adolescent delinquents; intevention style; experiment, inventories; 87R6673
substance use, incarcerated young males; arrest/adjudication/incarceration attitudes; scales; 87R8592
violent juvenile offenders, organizational control/reforms, Department of Youth Services, Massachusetts; interview/survey/other data; 1976-1985; 87T0823
violent offense rates, adolescents, US; self-report data, interviews; 87R8305
Young Offenders Act of 1982, Canada, mass media reactions; content analysis; articles; 87R9649
youth gang growth, prevention strategies, school administrators, US; 87T0830

Kansas

crime increases, rural communities, Kansas; population migration; crime/census/questionnaire data; 87R8677
farming practice, economic stress, Mennonites; ideologies/values; survey; Kansas; 87R6212
health/social services; governmental decentralization; case study, questionnaires, published findings; Medicaid personnel, Kansas; 87R5063

marital quality/satisfaction, Kansas couples; pain tolerance; psychological scales, mail survey; 87R8348
marital satisfaction measures, concurrent/discriminant validity, Kansas vs other scales; mailed questionnaires; females, Manhattan, Kansas; 87R4757
marital violence, police response, married male police officers; officer's characteristics/attitudes; questionnaire; Kansas; 87R8414
mass-democratic Farmers' Alliance/Populist Party movements, class struggle aspects; historical data; 87S1971

Kant, Immanuel
aesthetic ideology, Western society, socioeconomic origins; 87T0064
contemporary philosophy, Immanuel Kant's/G. W. F. Hegel's/Karl Marx's thought; book review essay; 87R5309
cultural ideals, role/significance, Immanuel Kant's/G. W. E. Hegel's views; 87R5319
Erkenntnis und Interesse (Knowledge and Interest) by Jrgen Habermas, Castilian edition; 87R5100
Foucault, Michel, theory/works; other philosophers' comments; 87R3343
history of ideas, Michel Foucault's methodology; 87R3302
Luhmann, Niklas, micro-/macrosociological theory, phenomenological origins; 87R9177
materialism, morality relationship, Karl Marx's/Immanuel Kant's work; 87R8702
the self, Humean/Kantian conceptions; 87R3455

Karma
Hindu dharma concept, Karma/pollution relationship; Vedic texts; 87R6197

Kentucky
4-H extension youth development educational program, participation impacts; questionnaire survey; farmers, Kentucky; 87R7830
crime patterns/rates; socioeconomic variables; cyclical time-space analysis; 87R5041
educational expenditure, school districts, Kentucky; intra- vs intercommunity income inequality; 87S1991
elderly household status/composition, rural community, Kentucky, historical change; census; 1900-1980; 87R4992
food crisis center, Lexington, Kentucky, development/services; personal experience; 87S1993
school reform, parents' vs private industry's vs educators' control, Jackson County, Kentucky; case study; 1899-1986; 87R7960

Kenya
development policy, Kenya, self-help concept; field research; 87R3063
fertility patterns/control, Africa; case study; Kenya; 87R2730
household labor withdrawal, family farms, western Kenya, Africa; internal/external forces; 87R7842
irrigation agriculture, small-scale family farms; bureacratic control/management; case studies; Israel, Sudan, Kenya; 87R4163
Kenya independence movement, Mau Mau revolt, literary portrayals; book review essay; 87R6111
Kenya vs Iowa Cooperative Extension Services, organization/functioning; 87S1988
marriage practices, class differences, Lamu, Kenya; participant observation, interviews; 1980-1983; 87R2656

social organization, Rendille/Ariaal pastoral societies, Kenya, stability/resilience model; 87R6752
tobacco contract farming, Kenya, rural social transformation; 87R4043

Kerala, India
historical reconstructions, Syrian Christians, Kerala, India; fieldwork; 87R8090
psychological-environmental systems compatibility, agrarian community, Kerala, India; bibliographic/interview/other data; 87R8769
religiosity, colonial influences, Third World countries; 3-book review essay; 87R6227

Keynesian Economics
US macroeconomic policy, supply-side economics; 87S1963

Kibbutz
adaptation/life satisfaction, older kibbutzniks, Israel; 87R5006
adjustment/attitudes/values, Youth Aliyah Group graduates; kibbutz education; 87R4270
alienation, Israeli kibbutz factory workers; production means ownership; questionnaire; 87R7335
Buber, Martin, theory of community, kibbutz research methodology; 87R3341
death customs/sacred symbols, nonreligious kibbutz; 87R5119
democracy implementation, kibbutz setting; 87R4015
distributive justice, Israeli kibbutzim, structural equality; questionnaire; 87R2453
educational institutions, Israeli kibbutzim federation, social control mechanisms; 87R4338
elitist/countercultural/existential value models, Israeli kibbutz societies; 87R5109
equality concept evolution, Israeli kibbutz movement; sociology of knowledge theoretical framework; 87R5121
expanded families, Israeli kibbutzim, social/political influence/legitimacy; case studies; 87R4695
hierarchy vs equality, Israeli kibbutzim, counterhierarchal mechanisms; 87R5113
housing needs/policy, elderly veteran members, Israeli kibbutzim; questionnaire survey; 87R5129
identities/lifestyle, kibbutz-reared children; California Personality Inventory; longitudinal analysis; 87R3451
ideological development, Kibbutz Artzi, Hashomer Hatzair, Israel, binationalism concept; 1920s-present; 87R5128
Israeli kibbutz research; doctoral/master's dissertation bibliography, 1960s-1980s; 87R3269
job evaluation/intervention, older kibbutz members, Israel; survey; 87R5024
kibbutz attitudes, Israeli Jews; public opinion surveys; 1976-1981; 87R3866
kibbutz communities, cross-cultural comparative research, theoretical/methodological issues; 87R3196
kibbutz community, network analysis; 87R3784
kibbutz ideological development, utopian thought; 87R5115
kibbutz leisure activities, ideological vs actual value hierarchy, social/political relevance; case study; Gelil-Yam bittuz, Israel; 87R7536
kibbutz movement, equality principle, Israel; David Ben-Gurion's views, responses; 87R5106
kibbutz origins, Israel, Hashomer self-defense organization; historical evidence; 87R5105
kibbutzim-development towns, Israel, cooperative activities; 87R5118
leisure activities, elderly kibbutzniks, Israel; questionnaire survey; 87R3896
normative vs utilitarian particularistic service orientations, kibbutz professionals; questionnaire; 87R7735
participatory democracy, Israeli kibbutz, institutional typology; 87R4014
population growth, Kibbutz Artzi, Hashomer Hatzair, Israel; demographic statistics; 1970-1979; 87R4615
producer cooperatives' degeneration, capitalistic market economies; comments/reply; 87T0860
self-management, employee-owned/worker-cooperative systems, organizational governance; Yugoslavia, Israel, Mondragon (Philippines), US; 87R3845
self-role behavior conceptions/attributions, Swedish vs kibbutz-raised Israeli children; questionnaires; 87R9201
sex differences, sociobiology/cultural determinism debate, feminist perspective; case study; kibbutz; 87R2583
sex-role identity valor, male kibbutz soldiers, Israel; childrearing practices; psychometric tests; 87R3462
sex-role strain, kibbutz-born vs other kibbutznik adults/adolescents; ego development test; 87R4670
social/moral development, Israeli adolescents; kibbutz education; interviews, tests; 87R2600
structural equality vs unequal distributive practices, Israeli kibbutzim; doctoral dissertation research findings; 87R5122
work value, Israeli kibbutzim, philosophical aspects; 87R3669

Kindergarten
French immersion program enrollments, kindergarten/first grade students, Canada; parental perceptions; interviews; parents; 87R4273

Kinsey, Alfred Charles
sexuality decline with age, myths/changing social mores; longitudinal data reanalysis; 87R5022

Kinship
consanguineous couples, Beirut, Lebanon, traditional attitudes/behavior; interviews; 87R1613
family headship succession; sex, kinship category, generation; interviews; Hamilton, Ontario; 87R6482
kinship system, ancient Korea, Chinese influence; 87R5580
North African immigrants, France, inheritance traditions/law; 87R2690
patriotism, altruism; kin selection/socialization factors; comments/reply; 87R5518
US family identity/intergenerational continuity; strong lineage identity, family reunions; questionnaire, interviews, participant observation; 87S1997

voluntary organization participation, urban South Koreans; primary relationships; questionnaires; household heads/housewives, Pusan; 87R9998

Kinship Networks

cousin marriage, European societies; ethnographic data; Andalusia (Spain); 1871-1975; 87R6430

elite social-structural transformation, Norfolk County, England; abstract religious rhetorics/social network equivalence; 1540-1640; 87R2987

ethnic solidarity, subcultural value adherence; crime/violence; case study; Surinamese Creole residents, Bijlmermeer suburb, Amsterdam, the Netherlands; 87R6498

juvenile delinquency; kinship/family networks; 87S1973

kin group maintenance/marriage patterns, Highland Scot migrants, Canada/New Zealand; birth registry data; 1800-1830; 87R7254

kinkeeping role, family division of labor; interviews; adults, Hamilton, Ontario; 87R2689

kinship network/family life course, peasant households, Brittany, France; longitudinal/field data; 87R7256

kinship/inheritance/household/socialization patterns, Farndale farming community, England; case study; 87R6050

matrifocal family/mating system, Trinidad, kinship/biology relationship; fieldwork; 1970; 87R3589

Mexican migrant networks, US; ethnographic/survey data; 87T0327

political development, tribal societies; kinship/marriage patterns; ethnographic data; Middle East, Central Asia; 87R2027

transportation business development/operation, Nnewi Igbo people, Nigeria; kinship system; 87R6836

Kinship Terminology

kinship terminology/sociolinguistic variation, Kamaiurá language, Brazil; 87T0055

Omaha kinship categories, sociological research; review essay; 87R5581

tribal societies, India, kinship/marriage customs; case studies; 87R5582

Knowledge

chronic mental patients, care principles, health professionals' knowledge; test; mental health professionals, Canada; 87R4902

Erkenntnis und Interesse (Knowledge and Interest) by Jrgen Habermas, Castilian edition; 87R5100

Foucault, Michel, power/knowledge theories, mainstream US sociological theory critiqued; 87R9149

Foucault, Michel, responsibility problems, political theory, theory/practice dilemma; 87R9104

high- vs low-status voters, knowledge gap, political campaigns; surveys, interviews; New Hampshire gubernatorial campaigns; 87R9768

knowledge-freedom relationship, Sigmund Freud's/Michel Foucault's work; 87R5469

laws, cognition/application processes, gnoseological/sociological aspects; 87R5773

professional expertise, uncertainty reduction, implications; theoretical analysis; 87R5980

theory of knowledge, empiricist vs Hegelian definitions, Karl Marx's/Jean Piaget's approach; 87R5315

values/goals clarification problems, industrial society; 87R6706

Koran

Arabic as sacred language, Islamic Koran; 87R6091

folk vs elite Islam, India, folk theology/theological anthropology concepts; 87R6187

Kuhn, Thomas Samuel

geography discipline, Kuhnian model; 87R8794

paradigms, Thomas S. Kuhn's ideas; historical case study; astronomy; 87R6306

qualitative evaluation methods, hard vs soft relativism, Thomas S. Kuhn's/Karl R. Popper's work; 87T0809

science/values relationship, scientific rationality vs relativism; book review essay; 87T0234

scientific discovery, theory's role; Thomas Kahn's, Ernest Nagel's, N. R. Henson's works examined; 87R2956

scientific knowledge, historical development; book review essay; 87R2510

scientific methodology/advance, Thomas Kuhn's/Max Weber's models; 87R1328

scientific revolution, Karl Popper's/Thomas S. Kuhn's/Paul Feyerabend's concepts; 87R8198

Kuwait

heterogamous/homogamous marriages, Kuwait, gender/age/religious characteristics; statistics; 1974-1984; 87T0441

social structure, Kuwait; external political/economic pressures; 87R5968

Labeling

anorexia nervosa/bulimia, women's deviant identities; social processes; interviews, participant observation; 87R8596

child behavioral assessment/treatment decisions, school psychologists/pediatricians; "hyperactivity" labeling; mail survey questionnaire; 87R3486

deviance judgments, sympathizing vs labeling responses; 87S1950

diagnostic process, community mental health centers; power relations/value conflicts; case study; 87R8538

inappropriate/deviant emotionality, mental illness labeling; questionnaire; university students; 87R6596

juvenile delinquency/deviance; formal intervention; longitudinal questionnaire-interviews; labeling theory perspective; 87R2944

Labeling Women Deviant: Gender, Stigma and Social Control by Edwin M. Schur; review essay; 87R6819

long-range social adjustment, mentally retarded; labeling; former students; 87R2599

mental illness, labeled/labelers interpersonal relationship, social/emotional aspects; 87S1976

mental patient rejection; stigmatization vs behavior explanations; mailed questionnaires, vignettes; Cincinnati, Ohio, residents; 87R8540

mental retardation, labeling issues; 87R9242

Miss/Mrs./Ms. title, public perceptions/acceptance; experiment; shopping mall patrons; 87R6083

negative label/status, others' vs actors' reactions; experiment; 87R7148

psychological/social functioning, mental patients; official labeling; scale; 87R6589

Labor

economic metaphor, Pierre Bourdieu's work; 87R3799

household labor allocation, Central Javan villages; agricultural/nonagricultural resource access; observations, interview surveys; 87S1990

human evolution, symboling vs labor's role, Leslie White's vs Friedrich Engels's thought; 87R5265

labor sociology, Netherlands; dissertation review; 87R5650

labor unit organization, Yugoslavia; 87R5654

subject as consciousness/labor power, value theory implications, Karl Marx's thought; 87R3149

unemployment, Netherlands, definition of labor; 87R3691

voluntarism, informal social coordination, Europe; historical analysis; 87R3785

wage labor distribution changes; collective action; Weberian/Structural-Marxist perspectives evaluated; post-WWII; 87R1691

Labor Disputes

capital/labor income distribution; unionization, strike activity; statistics; 1949-1978; 87R1722

Congress of Industrial Organizations' emergence, tanning industry strikes, Lynn, Massachusetts; 87R9390

employment discrimination, women/employer disputes, case outcomes; content analysis; 87S1949

faculty unionization, private university, argumentation styles; 87R8957

individual vs collective rationality, labor unions; case study; metal industry, West Germany; 87R1686

industrial relations, Italy/West Germany, economic crisis/structural aspects; case studies; machine-tool/electronics companies; 87R1685

industrial relations/conflict management, Italian corporations; interviews; company managers, union officers; 87R1648

labor conflict, Ku Klux Klan mobilization, Wilkes-Barre, Pennsylvania; 1978; 87R3850

labor control/resistance, colonial Belize; archival data; London (England), Belize; 87R5898

labor disputes, females' participation/mobilization, central Appalachia; 87S1970

labor disputes, Tamoio sugar mill, São Paulo, Brazil; 87R3796

labor-management conflict, plant closure, Iowa, local state intervention strategies; case study; 87R5660

production decreases/accidents/absenteeism, southeastern US coal mine, conflict/intervention/resolution; interviews, survey; 87S1941

protest songs, hardrock miner labor union strike, Newfoundland company town (Buchans); case study; 1983; 87R3711

short-term labor disputes, 1979 Cooperation within Companies' Act, Finland; statistics, survey; 87R9892

trade unions, intermediary functions; historical analysis; 87R9440

workers' courts, Yugoslavia, informal model; 87R1684

working-class formation/industrial conflict, South Korea vs Taiwan; 87S1966

Labor Force

agricultural labor force, proletarianization; *latifondo* economic structure; case study; Calabria, Italy; 1813-1896; 87R9962
early retirement policy, West Germany, generational contract issue; interview; retiree; 87R8635
foreign workers/labor migration, Saudi Arabia, citizens' attitudes; background variables; survey; businessmen, government employees, social security recipients; 87R1523
immigration, France, social/economic/political effects; secondary data; 87R4614
industrial labor force skill composition, Brazil; technological dependence; panel regression analyses; manufacturing industries, 1960-1975; 87R1649
industrial labor force, urban Iran; accumulation strategy, development plans; Pahlavi state; 1962-1977; 87R4056
interest arbitration, employment outcomes, police officers, US; 1971-1981; 87T0224
labor deskilling, Harry Braverman's thesis, empirical theoretical/methodological criticisms; literature review, case studies; 87R9129
labor exploitation/civil repression, black/white working class residents, Black Belt, US South; 87R5908
labor force insertion patterns, Mexican/Central American immigrants vs US workers; California; 87S1970
labor force participation, sex-linked occupational differentiation, less-developed countries; economic development, investment dependence; cross-country analysis, 1970/1980; 87S1979
labor force reproduction, capitalist context; state's actions; 87R5274
labor market flexibility, municipal authority; case study; Piteå, Sweden; 87R3690
labor power/economic processes, sociological analytical tools/methods; 87R1822
male workers, New Zealand, socioeconomic index; census data; 87R5634
regional labor market, interoccupational interactions, economic development implications; 87R9878
social class struggle changes; government/union policies, labor force changes; US; 1980s; 87S2003
urban labor force, industrial/occupational structure, Morrocco; 87T0340

Labor Force Participation

Arab noncitizen/Israeli citizen socioeconomic status differences; official surveys; Israel; 87R2053
birth timing, work-motivated women, GB; labor force participation; longitudinal national survey; 1940s-1970s; 87R5226
birthrate decline, young adult couples, European areas, USSR; social/occupational factors; questionnaire; 87R2725
employment characteristics, female earthquake victims, Mexico City; survey; 87R8776
employment status, self-definitions, elderly women; work history; 87R3680
exiting from welfare; family structure; government records; welfare/foodstamp/Medicaid recipients, Wisconsin; 1980; 87R6480
family income distribution, US; female labor force participation; secondary data; 87R9852
female labor force participation, gender relations, World War II era; 4-book review essay; 87R5249
female labor force participation, Ireland vs US; census; 87R8365
female labor force participation/work commitment; life-cycle stage; Michigan Panel Study of Income Dynamics; 1972-1977; 87R2156
female labor force participation; tertiary employment/fertility/family composition; census, other data; US cities; 87T1011
fertility decline, demographic transition, Europe/Third World; 2-book review essay; 87R6360
fertility-female employment relationship, US, causal/mediating factors; literature review; 87R1697
gender segregation, blue-collar occupations, US; socioeconomic/political/demand-side factors; US Census Subject Reports; manufacturing industry; 87R4140
immigrant women, community employment agency, Canada, counseling/placement services; 87R3107
in-/outmigration, US, immigrants' demographic/labor market characteristics; international data; 87T0348
intergenerational language shift, class distinctions, Carib ethnic group, Belize; language histories; 87R4238
interstate migration, labor force participation, American Indians; 1976 Survey of Income and Education; 87R1583
job involvement, salaried/wage employees, Finland; interviews; 1980s; 87R1740
labor force attachment, discouraged/unemployed workers; official statistics; 87R7344
labor force attachment, US youth, model development; National Longitudinal Surveys, Labor Market Experience of Youth; 14-21 year olds, 1979; 87R1651
labor force participation rates, elderly males; racial/ethnic factors, Social Security benefits; census data; US; 1890,1930,1950; 87R9406
labor force participation, black youths, social/psychological perspective; 87R3737
labor force participation, childless first-marriage women; longitudinal panel data; 87S1959
labor force participation, heads of household/spouses; wages, financial need, job characteristics; 1976 sample survey; 87R5626
labor force participation, Mexican-origin mothers, Los Angeles, California; welfare eligibility status; interviews; 87R8866
labor force participation, Muslim women, Egypt, 19th-20th centuries; archival/observational/other data; 87R9465
labor force participation, Southeast Asian refugees, US; individual/household characteristics, sponsorship; telephone interviews; 87R1529
labor market outcomes/participation; worker attitudes; national survey; 87R9393
life structures/roles, midlife women; employment involvement; retrospective reports; 87R7123
married women's perinatal labor force participation; personal attitudes; Natinal Longitudinal Surveys of Labor Market Experience of Young Women; 87R5642
paid labor force continuity, college-educated females; religious devoutness; questionnaire; 87R9907
postretirement labor force activity, US males, occupational mobility; longitudinal surveys; 87R5982
rural/urban labor force, southeastern Mexico; petroleum/tourist industries; census; 87R2549
sex-role differentiation, power/status exchange, sexual equality, capitalist nations; literature review; 87T0985
sex-role identities/orientations, workaholic vs non-workaholic professional women; questionniare, Bem Sex-Role Inventory; 87R6812
underemployment, labor force position; Labor Utilization Framework evaluated; 87R1724
urban child labor, Philippines; case study, Manila; 87R9454
urban retail economy, women's participation, Togo, West Africa; 87R1667
wives' job decisions/work attachments, husbands' attitudes, Asian-American families; interviews; 87S1997
women's labor force participation, post-World War II Japan; statistical/other data; 87S1950
women's labor force participation, US; ethnicity; census; 1940-1950; 87S1966
women's labor force/domestic roles, men's responses; interviews; West Germany; 87R8385
women's work issues, West Germany; 15-book review essay; 87R1711
work/education/family formation patterns, women; sex-role innovation; longitudinal interviews/questionnaires; 87R6808
workforce participation, older Australians, political issues; 87R1703
workplace integration, developmentally-disabled/mentally retarded adults; experiment; symbolic interactionist perspective; 87T0810

Labor Market

academic labor force, size/age structure; organizational records; policyholders, Teachers Insurance & Annuity Association; 87R7723
chambers of commerce, Italy, labor market initiatives; case study; Emilia-Romagna region; 87R9445
Cuban/Haitian migrants, Miami, adaptation process; interviews; 87R8263
discriminatory behavior, job-seeking/hiring; 87R7336
enrollment expansion, higher education, post-World War II; sex/institutional differences; labor market conditions; national statistics; 1952-1980; 87R4353
fertility, Egypt; children's cost/demand, labor market factors; census/time-allocation data, interviews; 1960, 1976; 87R6348
gender segregation, US labor market; social class, patriarchy; General Social Surveys; 1972-1982; 87S1945
high technology industry, regional development, US; interorganizational transactional structure, local labor market factors; WWII-early 1980s; 87T0286
income/employment/labor patterns, capitalist vs kinship fishing vessels, New England; interviews; New Bedford/Gloucester, Massachusetts; 87R7291
internal labor markets, socialist firms, Hungary; fieldwork; 87R1820
international migration patterns, industrial economies; 87R2567
intra- vs intergenerational occupational mobility/attainment; market/labor processes; statistics; 87R6002
job market opportunities, college graduates, Taiwan; job search method; statistics; 87R4112
job market, Uruguay, structural changes; 87R2003

job perspectives, Dutch sociology graduates; survey; 87R3286
labor market processes, qualification concept; 87R5682
labor market research, France vs Italy; 87R9438
labor market/process position, lower white-collar workers, GB/West Germany; organizational/technological change; empirical data; 87R6335
labor markets/household budgets, rural Portugal; small-scale manufacturing enterprises; interview surveys; industrial workers; 87R6033
labor/employment policies, France, state's role; statistics; 87R9383
Latin American immigration, Argentina, labor market/immigration restrictions; 87T0299
limited labor market policy, Yugoslavia, social/economic implications; 87R9800
migration fluctuations/labor supply, New Zealand; 87T0302
occupational achievement, migrants, Kaohsiung City, Taiwan; educational attainment, labor market conditions, gender; survey; 87R4087
occupational labor market structure, gender differentiation, classification schemes assessed; census; 87R7323
"racing lad" occupation, England, tradition/change; interviews; 87R9880
recruitment trends/military educational benefits, youth's opinions, labor market competition; 87R1748
regional labor market, interoccupational interactions, economic development implications; 87R9878
sex-specific occupational segregation, Federal Republic of Germany; labor-market entry point; life history data; 87R9864
unemployment, Italy, data collection issues; secondary data; 87R9399
US frontier community government, private vs public forms; census data, local newspapers; Denver/Golden, Colorado; 1859-1860; 87R9996
wage labor distribution changes; collective action; Weberian/Structural-Marxist perspectives evaluated; post-WWII; 87R1691
work patterns/industrial structure, Japan vs other Western societies; 87R9502
work success, first/second generation immigrants, Australia; discrimination, educational/language/work experience deficits; census data; adult males, 1981; 87R1675
worker cooperatives, Italy; cultural processes; 87R9359
worker qualifications, market-based aspects; 87R5672
workforce participation, older Australians, political issues; 87R1703
working class stratification, US; book review essay; 87R5625
youth unemployment, GB; government intervention; participant observation, interviews; post-high school youth, parents, siblings; 87R5663
Yugoslav/Turkish female immigrant workers, Austria; secondary studies, statistics; 87R3712

Labor Market Segmentation
changing sector employment, earnings/fringe benefits advantages; national survey; 87S1952
church-related jobs, dual labor theory model; questionnaire; ministry students; 87R2149
comparable worth legislation impact, unskilled women; 87R9002
differential vulnerability, minority/female workers, 1974/75 US recession; labor market discrimination; National Election Survey; 87R5627
division of labor, interdependence-differentiation relationship, US; industrial data; 1919-1972; 87R9141
earnings disparities, black/Hispanic/Asian/white male workers; educational level; official data; 87R9315
economic inequality, female- vs male-dominated occupations, Yugoslavia; 87S1975
employee turnover, high-tech settings, worker participation/skill issues; interviews; 87S1961
employment discrimination, blacks/Chinese/Mexicans, US, split labor market analysis; 87S1935
employment stability, black vs white males; labor market structure; national panel study; 87R7693
gender-differentiated labor markets, Holland Occupational Classification categories; Quality of Employment Survey; employed adults; 87R5667
job characteristics, impoverished high-risk youth; segmentation variables; program data; 87R6381
labor force composition, differential opportunity; labor market structure; surveys; Israel; 87R2152
labor force stratification; employee benefit/earnings packages; official data; 87R5670
labor market segmentation/mobility, public/private sectors, Denmark; statistics, survey; 87R1655
labor market segmentation; firm type, production market/process; surveys; construction industry, UK; 87R3744
left-wing industrial restructuring policies, working class internal divisions, GB; 87R1834
migration fluctuations/labor supply, New Zealand; 87T0302
occupational distribution; race, gender statistics; 1958-1981; 87R4073
occupational gender tokens, males' vs females' images; content analysis; college students' stories; 87S1998
occupational prestige assessment, categorical divisions, Australian work force; census; 1981; 87R2128
owner-occupied housing market, social stratification, Bristol, GB; interviews; 87R7678
racial discrimination, US labor force; applicant pool composition; 87R5688
radicalism/radicalization, GB; social class/sector variables; interview survey; Greater Manchester; 87R3793
sexual division of labor, French workplaces; case studies; 87R9434
socioeconomic assimilation, suburban/metropolitan labor markets, black males, US; housing segregation; Philadelphia, Pennsylvania/Detroit, Michigan/Cleveland, Ohio; 87R9291
socioprofessional differentiation, Lodz, Poland; empirical studies; 1965 vs 1976; 87R1382
split labor markets; ethnicity, historical period; historical case study; Jewish settlements, Tsarist Russia; 87R7331
temporary worker migration flow, female component, Canada; government data; 1979-1985; 87R9365
textile industry employment, gender patterns; technological change; survey, census, case studies; England; 87S1974
trade unions movement, Italy, dequalification issue; 87S1999
unemployment rates, Canada, demographic change vs industrial structure explanations; 87R9354
wage attainment processes, sex differences; labor market structure/placement; survey; 87R2126
women, labor market position, educational system vs parental influence; 87R4297
women's employment, affirmative action program, implementation methodology; 87R7382
women's work issues, West Germany; 15-book review essay; 87R1711
worker management participation programs, interelite relationships; interviews; workplace elites, Israel; 87R9353
working hour reductions, Italy, undesirable consequences; 87R9384
working women, Scandinavia, labor market position; statistics; 87R5245

Labor Migration
anthropological research, migrant labor, South Africa; 87R4108
capital accumulation, return migrants, Jamaica; interviews, sociodemographic data; 87R3837
Cuban immigrants, Puerto Rican natives' reactions, trading minority theories; secondary survey data; 87R3511
cultural pluralism, labor migration, Indian immigrants, Bahrain; 87R1554
economic crisis, Dominican Republic/Caribbean nations, modern vs traditional dependency modalities; official data; 87R9559
Filipino contract construction workers, international labor migration theory; 87R1832
foreign guest workers/immigrants/residents, West Germany, political issues; 87R3503
foreign labor force, Arab Gulf region; social/political/economic factors; historical analysis; 87T0289

land rights issues, linguistic factors, Northern Territory, Australia; 87T0050
land tenure/transfer patterns, Illinois farm communities; ethnographic data; 87R4172
opinion leaders/early adopters, nonindustrial private forestland owners; test, interviews; Piedmont Region, South Carolina; 87S1991
Pope John Paul II's encyclical *Laborem exercens*, private/collective property distinction; 87R8086
rural social structure, GB, land vs property ownership; 87R6022
socioeconomic development, urban Kaduna, Nigeria; micro-/macrolevel processes; quantitative/qualitative data; 1916-1980; 87R3801
traditional landed property law, Algeria, French colonial intervention/consequences; 87R2426
trespass law, GB, Marxist analysis; 87R8926

Land Reform
land redistribution/ceiling laws, India, enactment/implementation; Karnal District, Haryana; 87R2206
land reform initiatives, Third World countries, US support; 87R5142
Land to the Tiller: The Political Economy of Agrarian Reform in South Asia by Ronald J. Herring; review essay/reply; 87R4164

Land Settlement
aboriginal land rights/immigration policy, Australia, multicultural society concept; 87R3564

Land Tenure
agricultural development, Malawi; traditional landholding system; secondary data, statistics; 87R7824
customary/national land law interface, Dayak Village, East Kalimantan, Indonesia; legal case analysis; 87R3661
Land and Revolution in Modern Greece, 1800-1881 by William W. McGrew; review essay; 87R9935
land reallocation programs, developing countries; land inheritance patterns; computer simulation; 87R4148
land tenure-social organization relationship, rice-growing community, Tohoku, Japan; household values/rights; 87R2193
land tenure/transfer patterns, Illinois farm communities; ethnographic data; 87R4172
land/land-tenure ideas, intercultural correlations, Dene/Inuit tradition vs Canadian Law; 87R3559
sharecropping, Marxist/neoclassical analysis; 87R9597
urban land allocation, Beijing/Shanghai/Tienjin, People's Republic of China; case studies; 87T0028

Land Use
agricultural conservation/social structure; biotechnological applications; 87S1989
land use control adoption; population growth, community affluence, organizational site; questionnaires; city clerks; 87R5116
national parks/land use disputes, central Australia, aboriginal vs other interests; 87R3607
recreational land use politics, GB; Middle Ages-present; 87R9664
regional land-use planning policy, France; 1980s; 87T0887
social structure, southern highland societies, Ethiopia; historical/economic factors; 87R5579
urban land allocation, Beijing/Shanghai/Tienjin, People's Republic of China; case studies; 87T0028

Landlords
land redistribution/ceiling laws, India, enactment/implementation; Karnal District, Haryana; 87R2206
sociopolitical struggles, feudal transformation, Ireland; transnational structural changes; 1690s-1840s; 87R2199

Language
Bourdieu, Pierre, philosophy/sociology of language; 87R9164
comprehension problems, Jürgen Habermas's language communication model; 87R3391
language preservation/recreation, textual analysis approach; book review essay; 87R4204
Language, Structure and Reproduction: An Introduction to the Sociology of Basil Bernstein by Paul Atkinson; review symposium; 87R4241
language/discourse, sociological analysis; tape-recording; employees' meetings, France; 87T0038
language/folktale cultural expressions, Japan, semiotic analysis; 87R3660
language's social nature, Margaret Gilbert's views critiqued; 87T0056
law-literature relationship, Neo-Marxists vs Nietzschean vs New Criticism schools; book review essay; 87R2977
linguistic structures, empirical sociological research; sociological journal examination; 87R1379
Marxism and the Philosophy of Language by V. N. Voloshinov; review essay; 87R3150
nature/being metaphysics, Chinese concept/attitude; 87R3609
Parsons, Talcott, generalized media theory, language/communication analogy; 87R3373
scientific sociology, Peter Winch's ordinary language critique/Harold Garfinkel's ethnomethodology, alternative formulation; 87R5407
sociolinguistic codes, social class/family/academic factors, Basil Bernstein's model; questionnaires, essay analysis; 15-year-olds, Reykjavik, Iceland; 87R6105
sociology of poetry, "surrender-&-catch" concept; 87R4250

Language Acquisition
immigrants' language proficiency, West Germany/US/Australia; eduational/labor force experience; census; males; 87R4209
language learning performance; normative expectations, self-perceived abilities; experimental test; undergraduate psychology students; 87R3726
language-cultural relationship, plural societies; 87S1999

Language Attitudes
Acadian French/Canadian English cultures/languages, Acadian (Nova Scotia) parents' attitudes; questionnaire data; 87R7900
English/Spanish code-switching, US-Mexican border city (Juarez), language attitudes; 87R4217
Esperanto language, Czech attitudes; questionnaire; 87R4240
language choice/attitudes, deaf college students; demographic background; questionnaires, interviews; 87R2260
linguistic developmental patterns, bilingual Arabic-English immigrant children; parents' language attitudes/use; taped interviews; 87R6104
native language/orthography instruction, German secondary students, language/social change relationships; 87R7898
other Hispanics' code-switching, bilingual Hispanics' attitudes, personal characteristics; Salinas Valley, California; 87R4202

Language Disorders
foreign-language instruction, US, improvements planning; 87T0046
social knowledge, young deaf children; isolation, early language deprivation; participant observation, interviews, secondary data; southern residential school; 87S1955

Language Maintenance
Hindi language groups, Guyana, social-cultural identification/maintenance; 87R6102
language maintenance/proficiency, immigrant youth, Australia, occupational consequences; secondary survey data; 87R2264
spoken Welsh, learners, English speakers' acquisition; ethnographic data; 87R4235

Language Planning
Indonesian language development, language/thought/culture relationship; 87R6076

Language Policy
academic success, University of Khartoum students, Sudan; Arabic/English language proficiency; skills tests; 87R6087
bilingualism conflict, air traffic control, Quebec, relative deprivation vs resource mobilization approach; official/newspaper reports; 87R5839
bilingualism/separatism relationship, social analysis; 87T0043
German/Croatian minority schools, South Tyrol/Austrian Burgenland; comparative empirical study; 87R4336
Guaraní language, Paraguay, official supportive policy vs actual pro-Spanish practices; 87R7884
Indian sociolinguistics, multilingualism aspect; 87R6078
language policy/attitudes toward English, Tanzania; fieldwork; 87R4230
language use/choice, school systems, Catalonia; linguistic policies; verbalization analysis; elementary school, Barcelona; 87R5124

lingua franca choice, Nigeria; survey; legislators; 87R6079
multilingualism/multiculturalism, Western attitudes/approaches, post-1970s; 87R6089
native language/orthography instruction, German secondary students, language/social change relationships; 87R7898
official language issue, US; article/comments/rebuttal; 87R5147

Language Shift
bilingualism, non-English-language group members, US, sex differences; official survey; 87R4234
English usage/cultural identity perceptions, US middle-class black southern attorneys; 87R9823
intergenerational language shift, class distinctions, Carib ethnic group, Belize; language histories; 87R4238
language change, causes/conditioning factors, evolutionary theory proposed; 87R7903
language training access, immigrant women, Toronto, Ontario; literature review, personal experience; 87T0051
Sardinian-Italian bilingualism/language shift; age/education; field study; 14- to 85-year-olds, Ottava/Bonorva; 87T0052

Language Usage
Bengali *ekushe* ritual, cultural significance; 87R4226
bilingual code switching, Eng-/French-Canadian children's evaluative reactions; experiment; 87R4211
bureaucratic language use; personal experiences; 87R4229
communication difficulties, English-speaking doctors/Spanish-speaking patients; audiotapted medical interviews; urban family practice clinic, San Jose, California; 87R4866
conversational projection/silences, internal/external constraints; conversations; British/US English-speaking females; 87R1508
Corsican language use/attitudes, young adult Corsicans, France; questionnaire; 87T0060
cultural misunderstanding, Aboriginals-non-Aboriginal verbal interaction, grammar vs sociocultural context; 87T0041
cultural/linguistic competence, social settings, Noam Chomsky's concept; 87R1444
educated spoken Arabic, sociolinguistic variation, morphological/syntactic/stylistic differences; 87R6096
English interjections, *OK/yeah/uh huh*, discourse/decision-making functions; family therapy session data; 87R7887
English usage/cultural identity perceptions, US middle-class black southern attorneys; 87R9823
ethnic boundary maintenance, Mormons; in-group language; 87R4203
"freedom" concept/word use, German language, historical-comparative analysis; 16th-19th century texts; teaching suggestions; 87R7886
gender identity acquisition; language practices; recorded preschool interaction analysis; 87R4206
intercultural communication, language inequality/distortion, Western language imposition; 87R4248
international medical language, English use; interviews, observation; Japan; 87R5085
land rights issues, linguistic factors, Northern Territory, Australia; 87T0050
language choice/attitudes, deaf college students; demographic background; questionnaires, interviews; 87R2260
language use, migrant children, Australia; parental/peer language environment; story-telling tasks; primary school aged non-English-/English-speaking children, migrant adults; 87R4228
language use/power, state control issues; George Orwell's *1984*, symposium; 87R6090
language/demographic characteristics, ethnic descent groups; endogamy; national survey; 87R5574
language/ethnicity relationship, associated language concept; 87R2255
language/power relationship, multilingual setting, India; 87R5569
linguistic borrowing, sociolinguistic studies/approaches; 87R2262
Miss/Mrs./Ms. title, public perceptions/acceptance; experiment; shopping mall patrons; 87R6083
national language movement, Taiwan; 87R4221
other Hispanics' code-switching, bilingual Hispanics' attitudes, personal characteristics; Salinas Valley, California; 87R4202
perceived vs actual language use, Portuguese-/Greek-language households, Canada, data collection implications; 87R6106
religious conversion, rhetorical indicators; interviews; Christian evangelical university students; 87T0180
request denial, Hindi vs French/English speakers; 87R4231
school/neighborhood language utilization, 5-year-olds; gender, race; recorded speech; 87T0042
social language, group's shared knowledge, communication power; case study; undergraduates, Massachusetts Institute of Technology; 87S1949
sociolinguistic research, respondent social class grouping effect; 87R6086
sociology of language development, France; 18th century; 87R6120
Spanish population/language use, Belgium; secondary studies, statistics; 87R3798
threats, courtroom form/functions; 87R4215
verbal behavior familiarity; status/solidarity effects; conversations; undergraduate females; 87R9838
visible language, images/functions; 87R2256
Welsh language, current status; 87R9308
word usage sanctions, language community, excommunication; 87R2259

Language Varieties
creole vs English language use, field- vs other workers, sugar plantation, Cane Walk Guyana; social class; ethnographic data; 87R7896
educational success/failure, social group lexes, Australian adolescents; Illawarra/Sydney, New South Wales; 87R2253
Eskimo 'snow' words, language/culture relationship; 87R4224
kinship terminology/sociolinguistic variation, Kamaiurá language, Brazil; 87T0055
language/power relationship, multilingual setting, India; 87R5569
language/school education, post-independence India; status/corpus planning contradictions/anomalies; 87R6147
Pidgin English, Fiji, historical use; published/archival materials; 87R2266
polite conversation patterns/conventions, American Sign Language users; 87T0057
social/language structure; 87R7885
unstratified society, sociolinguistic patterns; Nganhcara (Cape York Peninsula, Australia) patrilects; 87R4233

Languages
Aboriginal land claims, linguistic factors, Australia; 87T0045
French immersion program enrollments, kindergarten/first grade students, Canada; parental perceptions; interviews; parents; 87R4273

Laos
Vietnamese community's role, Laos; 87T0856

Larceny
art/antique theft, thieves' motivations; police data, interviews; England; 87R6635
burglary/theft, offender characteristics, prevention implications; case studies; South Africa; 87R8643
female crime accomplices, male thieves' views; interviews; 87R2176
property crime; narcotics use; literature review; 87T0714
property offenders, offense justification, individual vs societal origins; interviews; interior Alaska; 87R2751

Latent Structure Analysis
deviance/self-rejection, latent constructs; 87R1489
misclassification probabilities, Guttman Scale/current-status data, latent class model; 87R5368
self-reported cocaine reactions, social-recreational users; interviews; 87R8560
social goals, manifest/latent functions; 87R3594

Latin America
child welfare conditions, Argentina/Latin America, legal system/policy issues; 87T0371
cultural/socioeconomic/religious characteristics, Latin American countries; 87R7655
democracy; Sixteenth Latin American Congress of Sociology inaugural address; 87R9741
democratic consolidation processes/models, Western Europe/Latin America; 87R7632
democratic movements, Latin American Left; 87R5896
democratization process, Latin American capitalist societies, rational/irrational dichotomy; 87R7457
democratization, Latin American countries; external debt; 87R9699
ecological destruction/decline cycles, Latin American settlements, social context/processes; Trans-Amazon Highway, Brazil/Lago Agria, Ecuador/Tambopata Valley, Peru; 87R4149
economic concentration, Latin America; financial internationalization; 87S1971
economic crisis, capitalist system transformation, Latin America; statistics; 87R9755
economic problems, new democratic nations, Latin America; 87R7589

new business acquisitions, managerial approaches, developed countries; 87T1061
organization managers, behavioral qualities; case studies; large companies; 87R4099
personal/organizational effectiveness, US managers; type A behavior pattern; literature review; 87R9911
subordinate correction, male vs female leaders' actions; equality/equity norms; experiment; psychology students; 87R7185
US organizational theory, Japan, diffusion process; 87R3768
work behavioral/leadership style, female executives, Lima, Peru vs Los Angeles, California; personality factors; test/interview/biographic data; 87R7724

Managers
American Association of Affirmative Action directors, demographic/social/employment characteristics, race differences; questionnaires; 87S1929
black female managers' work satisfaction; background/perception/organizational variables; interviews; 87R3745
bureaucratic functionary, Max Weber's ideal-typical conception; 87S1965
career formation process, Japanese female managers; life histories; 87R4118
coalition formation, middle-level managers, industrial organizations, politico-structural perspective; interviews; 87R9511
computer technology, managerial/professional/technical work, rationalization mechanisms; 87R7776
earnings inequality, work supervisors, race/sex differences; span of responsibility/control; interview survey; white/black males/females; 87R2158
entrepreneurial success, business managers, India; personal variables; 87R7367
expatriate managers, multinational corporations, selection/training procedures; interviews; 87R6663
female mobility, educational administration careers; organizational socialization processes; ethnographic interview study; 87R5248
hospital chief executive officers, role changes; corporate authority hierarchy; mailed questionnaires; 87R1784
individual functioning, corporate managers, Lusaka, Zambia; work achievement; interviews; 1985; 87R9908
job mobility predictions, British managers; questionnaire interview survey; 87R2160
leadership recruitment, North American vs Japanese professional baseball clubs; playing position; secondary data; field managers; 87R5872
manager powerlessness, management power/politicization; labor process rationality; 87R9513
manager-employee relations, Japanese-managed US companies; Japanese vs US management practices/expectations; case study; West Coast publishing firm; 87R6012
managerial effectiveness, labor collectives, USSR; personal factors; questionnaire; 87R9450
managers' role innovation, measure evaluated; questionnaire; 87R7355
nonmanagerial/managerial engineers' participation, Polish Solidarity Movement; 87R5804
organization management, research functions/application; 87R3755
organization managers, behavioral qualities; case studies; large companies; 87R4099
organizational effectiveness, professional baseball teams; managerial selection; team statistics; 87R3920
organizational/technological change, employee apprehensions/expectations, high technology settings; occupational status/position; 87S1964
personal/organizational effectiveness, US managers; type A behavior pattern; literature review; 87R9911
professionals'/managers' liberalism, new class explanations vs cumulative trend explanations; critique/reply; 87R7752
supervisory role/power/functions, capitalist enterprises; interviews; industrial supervisors, Essex, GB; 87R5684
technical experts, role integration/autonomy, industrial firms; case studies; engineering companies, GB; 87R4139
women's career paths; individual/organizational influences; interviews; female managers/military officers, US/UK; 87R7794

Manicheism
religious doctrine vs political agenda paradox, Christian Fundamentalists; 87R6186

Manila, Philippines
urban child labor, Philippines; case study, Manila; 87R9454

Manipulation
national broadcasting, political elites' manipulation/power; 87S1955

Manitoba
intra-urban migration, ethnic group differences, Winnipeg, Manitoba; 6-group comparison; 87R4198
religion, individual/society linkage role; interviews; households, Winnipeg, Manitoba; 87R8056

Mannheim, Karl
event recall, formative vs nonformative years, Karl Mannheim's theory; questionnaires; Wilson Fellowship scholars; 87R1467
ideology, Karl Mannheim's theories, definition/types; 87S2005
Mannheim, Karl, Enlightenment epistemology/presuppositions; 87R2955
Mannheim, Karl, Georg Lukàcs's influence; 87R2961
social diagnosis, Karl Mannheim's religious value model; 87R1330

Manual Communication
humor production/appreciation, deaf children; 87T0053
interpersonal communication, highway hand signaling, symbolic interaction aspects; observation; 87T0062

Manual Workers
alcoholic blue-collar workers, Finland, worldview/self-concept; life histories; 87T0672
blue-collar work experience/organization, advanced technology's impact, methodological/theoretical issues; 87R8221
collective action, decision-making logic, unions; power relations structure; case studies, other data; 87R7321
comparable worth legislation impact, unskilled women; 87R9002
lower-paid workers' situation, patron-clientist system, Sierra Leone; 87R7324
manual/professional work, gender inequalities, GB; personal experience; 87R7343

self-management, work satisfaction, Yugoslavia; face-to-face interviews; nonfarm workers, Slovenia; 1983; 87R7347
work skills/potentials, manual laborers, USSR, technological change implications; questionnaire; food-processing complex, Leningrad; 87R7280

Manufacturing Industries
automated labor, research methods, West Germany; 87R1683
computer-integrated manufacturing, West Germany, manpower problems/policy; case study; 87R3735
corporate bankruptcy proceedings, Manville Corporation, power/control issues; 87S1953
early retirement programs, cigarette/chemical industries, contexts/consequences; case studies; 87R7316
factory-working daughters, family economic contributions, peasant villages, north-central Java; 87R3825
family/occupational/economic stress, Latino female cannery employees; factory closure; surveys; Wilmington, California; 87R5618
female labor, world market factories, Southeast Asia/California; 87R1843
human capital demands, high technology industry, higher education's response; 87S1940
industrial growth/efficiency, manufacturing firms; steam utilization; Yonkers, New York; 1850-1880; 87R3814
industrial labor force skill composition, Brazil; technological dependence; panel regression analyses; manufacturing industries, 1960-1975; 87R1649
industrialization, manufacturing sector, Fiji; field surveys, interviews; documentary data; 87R3790
informal sector manufacturing/repairing enterprises, Dhaka, Bangladesh; interviews; 87R5734
labor policy; information technologies implementation; secondary data; machine building industry, West Germany; 87R9412
manufacturing decline, Western countries, rationality calculation; 87S1951
manufacturing industry/productivity, modern world; 8-book review essay; 87R9358
national industrialization rates/status; manufacturing vs service sector size; cross-national data; 87T0337
organizational efficiency, Korean/Japanese/US factories; organization structure, exogenous worker variables; 87R3775
organizational structural change; size vs other factors; manufacturing firms, Japan; 87S1970
organizational structures, US vs Japanese manufacturing plants; task environment/other variables; survey; 87R7376
plant closures, labor union responses, resource dependence vs population ecology theories; interviews, official data; manufacturing plants, California; 87R3708
production efficiency; employee absenteeism; company records; food product plant; 87R3159
professional identity/institutional attachments, computer industry; questionnaire; 87S1937
sexual division of labor/skill contradictions, printing industry; computer technology; 87S1936
skill level, blue-collar manufacturing workers; microelectronic-based technology; cross-national data; 87S1944
technological innovation, Flemish machine construction firms, decision-making process; case studies; 87R3701
technology-power relationship, interactive information systems; case study; 87R7419
truck manufacturing, USSR; improved cost accounting/state subsidy withdrawal laws; interview; director, Likhochev Industrial Complex; 87R9578
unionization obstacles, high-technology firms, US Sunbelt; work environment/political climate, employee union attitudes; survey, interviews, field observations; Texas; 87S1976
wage variation, manufacturing industries; labor unionization, employer's market power; rational panel data; 87S1946
women's paid employment, 19th-century New England; historical/demographic records; millworkers, Fitzwilliam, New Hampshire; 87R6432
work indeterminary, engineers'/workers' mental models, semiconductor industry; ethnographic study; 87S1961
work organization improvements/microprocesses, Eastern Slovakian Ironworks, Kosice, Czechoslovakia; 87R9408
work organization, manufacturing production, GB; Anglo-Saxon professionalism ideal; response/rejoinder; 87R7722
work organization, small/high-tech companies, US/France; 87S1979
working class consciousness; structural vs nonwork factor explanations; interviews/questionnaires; manual workers, Edmonton, Alberta; 87R4063
working life quality/satisfaction, manufacturing industries, Netherlands; trade union practices; case studies; 87R7284

Maoism
Joseph Stalin's/Mao Tse-tung's methods; 87R4029
marriage reforms, Communist Party, China, historical phases; 87R4770

Marcuse, Herbert
Fromm, Erich, thought/work, Herbert Marcuse's interpretation; 87R5485
organizational structure, sociological theoretical developments; 87R5460

Marginality
African students, marginalization process, interwar French West Africa; content analysis; school texts; 87R7987
black feminist thought, US; 87T0983
civil violence/nonviolent protests, participation propensity, social marginality hypothesis; secondary data; 87R2033
crime rate, black youth, US; unemployment relationship; 87T0398
crime victims, social/judicial marginalization, mass media perspectives; content analysis; newspaper articles; 87R8648
marginal group formation, Moroccan youth, Amsterdam, Netherlands; life histories; 87R3583
marginalized groups, Austria; capitalist development, government policy; 87R3800
poverty, US, social stratification vs economic marginality analyses; 1976 National Election Survey; 87R2105
producers' cooperatives, Italian Alps, operating processes, Mancur Olson's theoretical model; secondary data; 87R3771
unemployment/economic crisis, Austria, union policy/marginalized workers' situation; 87R3684
worker cooperatives, Italy; cultural processes; 87R9359
youth values/condition, Rome, Italy; urbanization; statistical/secondary data; 87R6378

Marijuana
alcohol/marijuana continued use, adolescents; social learning; longitidinal data; youths aged 15-21; 87R2848
marijuana decriminalization, US; newspaper/legislative records, interviews; 1973-1978; 87R8135
marijuana use patterns; menstrual cycle phase; diaries, questionnaire; women; 87R8583
marijuana, use escalation, predictive factors; longitudinal questionnaires/interviews; 87R1488
personal characteristic similarity, marijuana use; dyad characteristics; published data; adolescent friendships; 87R3460
repeatable life events analysis, unobserved population heterogeneity problem, fixed- vs random-effects approaches; marijuana use survey; 87R5357

Marital Adjustment
family negotiations, equity/reciprocity values, communal/contractual logic, young urban married couples, Geneva, Switzerland; interviews; 1975-1980 longitudinal study; 87R6457
first-time parenthood, couples' adjustment; individual/marital/environmental variables; questionnaires; 87T0518
marital adjustment predictors, early marriage, family stress perspective; 87R8343
marital adjustment, conjugal power, self-esteem; husbands'/wives' social cognition; questionnaire; 87R6429
marital adjustment, early stages, PREPARE premarital inventory tested; longitudinal study; 87R6460
marital adjustment, infertile vs first-pregnancy couples; distress/stress; questionnaires; 87R6455
marital adjustment, Korean immigrants, US; marital patterns; survey; Los Angeles, California; 87S1971
marital adjustment, Mexican Americans; Dyadic Adjustment Scale; Santa Barbara, California; 87R2650
marital adjustment/coping behaviors, autistic children's parents; child/family variables; psychological scales; 87R4918
marital adjustment/exchange orientation, rural vs urban couples; community size; questionnaire; 87S1990
marital adjustment/relationship beliefs, dual-career/career-work/single-career couples; questionnaires, inventories; 87R6497
marital adjustment; husbands'/wives' occupational commitment, family environment's perceived supportiveness; questionnaires; dual-earner couples; 87R5659
marital adjustment; religiosity variables; questionnaire; 87R4778
marital change patterns, parenthood transition; interviews, observations, questionnaires; first-time parents; longitudinal analysis; 87R2646
marital relationships/adjustment; marital type; questionnaires; spouses; 87R2687

marital satisfaction, equality perceptions, Lamaze-prepared couples; locus of control, body perceptions; 87R6528
marital/dyadic adjustment concept; critique/reply; 87R2704
marital/personal adjustment, husbands vs wives; parenthood; questionnaire; 87T0463
nonverbal content messages, husbands' vs wives' behavior; marital adjustment level, message type; videotapes; 87R8390
separation/reunion adjustment, submarine Navy families; Revised Squadron Wives Survey; 87R1751
well-being/life satisfaction, single-parent, remarried/intact families; phone interviews; Dayton, Ohio; 87R8354

Marital Disruption
academic aptitude/achievement, 4th-grade children; marital disruption; tests, ratings; longitudinal analysis; 87R4314
adolescent psychosocial adjustment; parent's marital status; survey; high school students, Quebec; 87T0425
Anglo vs Puerto Rican woman's discourse, interviewer misunderstandings; ethnic differences vs gender congruence; 87R8994
career patterns, never-married vs divorced/separated professional women; questionnaire; female alumni, midwestern university; 87R9889
childbearing completion timing, successive US female cohorts; Current Population Survey; 87T0313
children's behavior; marital disruption/conflict, parent-child relationships; longitudinal national survey; 87R4644
children's well-being/living arrangements, Netherlands second demographic transition; Survey on Alternative Living Arrangements; 87R8292
coitus initiation, young adolescents; parent's marital status; interviews; 87T0417
delinquency patterns, blacks vs nonblacks; broken homes; Richmond Youth Project; 87S1970
divorce adjustment, gender differences; family stress; questionnaires; Texas; 87T0495
divorce determinants research, methodological issues; comment/reply; 87R6467
family ideology/arrangement/lifestyles, black Americans; structural conditions; census; 87R2698
internal/international migration, Indian families, social/economic/psychological impact; census/other data; 87R8393
isolation, unmarried elderly, gender differences; personality characteristics; census data, US; 1969, 1979; 87T0763
marital happiness/stability, first-marriage couples; need/role/perceptual congruence; psychological scales; 87R6502
marital instability, Hispanic populations, racial/ethnic variations; census; 87R4719
marital instability; age at first marriage, mate choice heterogeneity; interviews; married persons; 87R6417
matrimonial disputes, individual marital choices, 16th-/17th-century England; family/friend network power; church court records; Durham; 87R8402
parental separation/divorce effects, high school freshmen, ethnographic analysis; interviews; 87T0393
predivorce phase, characteristics; interviews; divorcing couples; USSR; 87T0503
residential mobility; marriage, divorce, widowhood; longitudinal interviews; 87T0020
retirement, marital status changes, happiness impacts; longitudinal study; 1969, 1975; US; 87T0753
separation/reunion adjustment, submarine Navy families; Revised Squadron Wives Survey; 87R1751
suicide causes, Emile Durkheim's theory, Philippe Besnard's interpretation; article/reply; 87R6992

Marital Relations
childlessness decision making, US couples; psychosocial factors; interviews; 87R4710
coital frequency; marital duration; critique/reply; 87R2673
divorce rates; marital bond weakening; 87R4771
domestic-political relations, tribal societies; fieldwork; Maring marriage practices, West Highlands, Papua New Guinea; 87R3588
drinking behavior/companionship; marital relationship; questionnaire interviews; couples, Finland; 87R2846

educational attainment-fertility decline relationship, married women, rural Sierra Leone; 87R8227
egalitarian relationships, married couples; attitudinal/behavioral factors; nondirective interviews, survey; couples workshop participants; 87R2683
emotion communication, married couples, face-needs model; tape-recorded conversations, questionnaires; 87R6491
family therapists' own marital distress, clinical work impacts; questionnaire,; 87T0811
family/health functioning, first- vs remarried families; canonical correlation analyses; 87R6503
fertility decision/outcome conflict, married couples; husbands' vs wives' demographic/attitudinal/interactional variables; interviews; Los Angeles, California; 87R4580
husband-wife equality, Belgium; new matrimonial law; interviews; females; 87R8117
husband-wife interaction, married artists; art/craft fair career; interviews, observation; 87R4111
infant/child mortality-fertility relationship, married women, Bangladesh; age/education/religion/contraceptive variables; Bangladesh Fertility Survey; 1975/76; 87R4608
interpersonal relationships, marital happiness, married college women; reference group orientations, role assumption/status; interviews; 87R2700
intramarriage rape, analytical issues; comment/reply; 87R6511
loneliness, older women; marital status, family/friendship relationships; interviews; 87R7111
maiden name retention, post-marriage, legal norms; court cases; 87R3112
male alcoholics, wives' behavior, social-cultural explanations, Finland; participant observation, interviews; wives, Tampere; 87T0702
marital arguments, conflict escalation, emotional dynamics; case study; 87S1976
marital functioning, structural equation model, methodological issues; survey; article/comment/reply; 87R6452
marital instability, Hispanic populations, racial/ethnic variations; census; 87R4719
marital instability, intergenerational transmission, West Germany vs US; 87T0464
marital morality/fidelity, lower middle-/working-class women's perceptions, Los Robles, Mexico; interviews; 87R2680
marital power, structural/processual dimensions; socioeconomically diverse couples; survey; 87R2671
marital quality/stability, farm households; status competition vs status enhancement models; mailed questionnaires; 87R5211
marital quality/stability, white females; marriage order; interviews; R. A. Lewis's & G. B. Spanier's theory tested; 87R4693
marital rape, family context; 87T0790
marital rape, prevalence estimates; 87R8658
marital relationships, classification typology; inventory; 87R4762
marital relationships/adjustment; marital type; questionnaires; spouses; 87R2687
marital role segregation; social network connectedness, Elizabeth Bott's hypothesis; interviews; Puerto Rican immigrants/adult children, couples; 87R6481
marital roles/intimacy/power; cancer diagnosis/remission; interviews, written narratives, case study; 87R4754
marital satisfaction; individual intra-/interpersonal control perceptions; scale; 87R6477
marital sexuality, social interpersonal/intrapersonal influences, script model developed; interviews; married couples/individuals; 87R2699
marital stability/instability; young children's presence; survey; divorced couples, California; article/comments; 87R6513
marital status, persons with spinal cord injury; survey; Oregon; 87R7720
marital verbal/nonverbal interaction styles, identical ordinal position dyads; Hill Interaction Matrix, Cognitive-Affective Rating Scale; 87R4714
maritally violent families, children's value/role/feeling differences; children's gender/birth order; interviews, questionnaires, shelter/violence program records; parents, children, professionals; Colorado; 87R2669
marriage counseling, social system theory's clinical utility; case study; 87R5287
married couples, interactive/communication strategies, television fiction programs, US vs Italy; content analysis; 87R3872
mutual perceptions/causal attributions, married couples; experiment; 87R8379
parent/grandparent/marital role activities, retired Israeli workers, pre- vs postretirement; questionnaire interviews; 87R5004
perceived vs actual issue agreement, husbands/wives; family life cycle, number of children; questionnaires; Canadian community; 87R6506
perceptual congruence, sexual experiences, husbands vs wives; relationship duration, intimacy; experiment; 87R2640
polyandry vs monogamy, evolutionary adaptive value, computer simulation model; reproductive life histories; Nepal, India; 87T1036
psychological distress, new mothers; social support; interviews; 87R4765

psychological distress/vulnerability, life event control, women, unmarried persons; panel data; household heads, Chicago, Illinois; 87T1017
psychological well-being, males vs females; marital status; surveys; US, Canada; 87R4713
relational commitment, married couples; interdependency level; questionnaires; Dane County, Wisconsin; 87R2691
self-esteem, US Jews; marital relationship; questionnaire; residents, Chicago, Illinois; 87R4703
sex-role norms; demographic/attitudinal/lifestyle factors; interviews, questionnaires; husbands/wives, Chicago, Illinois; 87R8908
sexual satisfaction/intimacy; infertility; interviews; couples, western New York; 87S2005
sexuality/household division of labor, young people's attitudes, Portugal; survey; 1983; 87R4746
social support, blue-/white-collar males; unemployment; longitudinal panel data; Boston, Massachusetts; 87R5614
spousal support perceptions/mother-infant involvement, Japanese vs US women; observation inventory; 87R4717
stress/role strain, dual career couples, coping responses; 87R8427
stress/well-being relationship, individual family members; family intimacy variables; scale; questionnaire; adults, midwestern US; 87R6591
victimization, battered wives; patriarchal family system, alcohol abuse; Context Specific Approach; Johannesburg, Pretoria, South Africa; 87R2926
wife's achievement, dual-earner couples; husband's occupational attainment, wife's education; 87S1975
wives' marital/self perceptions; husbands' unemployment; mailed questionnaires; midwest/northeast US; 87S1965

Marital Satisfaction
affinity/maintenance strategies, married couples, women's perceptions; inventory; 87T0445
commitment, long-term married couples; interviews; Norway; 87R2701
depression/self-satisfaction, gender differences, married persons; national survey; US; 87R8545
divorce, marital instability; age, marriage duration; telephone interviews; US; 87R8346
dyadic communication/behavior, wives' perceptions, black married couples; descriptive statistics; 87R8337
egalitarian relationships, married couples; attitudinal/behavioral factors; nondirective interviews, survey; couples workshop participants; 87R2683
emotional health, married individuals; marital intimacy quality/quantity; questionnaire; 87T0671
family cohesion, remarried vs intact families; 87R4761
family life satisfaction/nonwork activity, adult males; work schedules; Canadian Quality of Life Survey; 87R9427
family stability, USSR; social adaptation/integration; questionnaires; couples, Lithuania; 87T0523
global happiness, black adults; marital status; General Social Surveys; 1972-1984; 87R8429
long-term marriages, longevity factors, happy/unhappy/mixed couples, US; questionnaires, interviews, written reports; 87R8378
marital adjustment/exchange orientation, rural vs urban couples; community size; questionnaire; 87S1990
marital change, first-time parents; prenatal expectations vs postnatal experiences; longitudinal questionnaires; 87R2645
marital disruption, parenthood transition, critical variables; literature review; 87R8428
marital happiness/stability, first-marriage couples; need/role/perceptual congruence; psychological scales; 87R6502
marital happiness; presence of children; panel data; 87R4776
marital quality, first-generation Chinese immigrants, US; demographic/structural/psychological variables; questionnaires; 87T0477
marital quality/satisfaction, Kansas couples; pain tolerance; psychological scales, mail survey; 87R8348
marital quality/stability, farm households; status competition vs status enhancement models; mailed questionnaires; 87R5211
marital quality/stability, white females; marriage order; interviews; R. A. Lewis's & G. B. Spanier's theory tested; 87R4693
marital relationships, classification typology; inventory; 87R4762
marital satisfaction measures, concurrent/discriminant validity, Kansas vs other scales; mailed questionnaires; females, Manhattan, Kansas; 87R4757
marital satisfaction, dual-career couples; egalitarian decision making; questionnaires, tape-recorded role playing; 87R6459
marital satisfaction, dual-earner couples; time spent together, time diaries; 87T0469
marital satisfaction, equality perceptions, Lamaze-prepared couples; locus of control, body perceptions; 87R6528
marital satisfaction, mood, dual-worker vs single-worker couples; family/personal determinants; questionnaires; 87R4712
marital satisfaction, new parents vs childless couples; age, years married; inventory; 87R8399
marital satisfaction; individual intra-/interpersonal control perceptions; scale; 87R6477
physical health, Mexican Americans; marital status/satisfaction; interviews; San Antonio, Texas; 87R2767
quality of life satisfaction, married couples; economic/noneconomic variables; interviews, questionnaires; 87R8344
relational commitment, married couples; interdependency level; questionnaires; Dane County, Wisconsin; 87R2691
sexual interest/happiness/faithfulness, married couples, gender differences; physical attractiveness; interviews; 87R8384
sexual satisfaction/intimacy; infertility; interviews; couples, western New York; 87S2005
spousal support perceptions/mother-infant involvement, Japanese vs US women; observation inventory; 87R4717
subjective well-being; marital status; secondary data; 87R1433
well-being, myocardial infarction patients; interpersonal relationships, self-concept; national survey; 87R8522
well-being/life satisfaction, single-parent, remarried/intact families; phone interviews; Dayton, Ohio; 87R8354
wives' marital satisfaction; life-cycle category; scales; 87R4756
wives' marital/self perceptions; husbands' unemployment; mailed questionnaires; midwest/northeast US; 87S1965
wives'/husbands' happiness, single-/dual-earner families; marital happiness, job satisfaction, life-cycle stage; national survey; 87R1654
work/marital/life satisfaction, single- vs dual-earner families, sex differences; national survey; 87R4763

Market Economy
book industry, publication decisions; market/social forces, resource control; participant observation, case studies; 87R1752
economic New Right movement, Nick Bosanquet's arguments; 87R9136
humanist values, state/market compatibility, Thomas Hobbes's/Adam Smith's/Renaissance humanism works; 87R5101
market values/aesthetic appraisals, contemporary art; 87R2277
New Right, US, free-market ideology/Christian fundamentalism; 87R9749
producer cooperatives' degeneration, capitalistic market economies; comments/reply; 87T0860
public sector management/efficiency, welfare vs market model; 87R9799
regional policy, post-WWII Hungary, aims/concepts/methods; 87T0891
state/market/self-management, Yugoslavia, planning issues; 87R9565
trade, historical/social functions, state's role; 87R9142

Market Research
consumer behavior; mood states; literature review; 87R5775
market-research industry, computer expert-nonexpert relationships; participant observation; 87S1931
marketing research, anthropology's contribution/utility; 87R6656
older consumers' market potential, US, training program effectiveness; questionnaires; program participants; 87S2005

Marketing
art valuation procedures, popular-vs high-art galleries; interviews; gallery directors/employees/artists, Chicago, Illinois; 87T0067
candidate presentation/image making, nonverbal aspects, voter manipulation impact; case studies; 87R7498
college textbook market, homogenization tendency; interviews; publishers, editors; 87T0256
external political economy, marketing distribution channels, R. Achrol's/T. Reve's/L. Stern's analytic framework critiqued; literature review; 87S1960
interior design business, Victorian era, William Morris's influence; 87R7911
pharmaceutical commercialization, penicillin, British vs US efforts; case study; 87T0249
product demonstrations advertising, speaker-audience interactions, West Germany; 87R7441
social marketing, historical development/influences, US; 87T1058

Markets
asgricultural abandonment, rural peasant families, Portugal; secondary/empirical data; 87R9934
business practices, transportation/communication firms; deregulation; 87R9491
deregulation, stock market; market interactions; case study; 1960s;

87S1949
illicit medicine sales, Senegal, authorities' toleration; interviews; medicine vendors, Pikine suburb, Dakar; 87R6543
psychotherapy boom, book market, West Germany; quantitative analysis; 1951-1981; 87R3868

Markov Process
event reinforcement, Markov process model, estimation/testing methods; 87R3218
life-course transitions, nonhierarchical increment-decrement models; national survey; females, US; 87R8353
measurement error, nominal-level data, latent Markov model; panel survey; civil servants, Netherlands; 87R3244

Marriage
arranged marriages, motivations, England, 1600s; reply/rejoinder; 87T0487
black male shortage. social-structural implications; census data; Los Angeles County, California; 1980; 87T0350
breast cancer patients, survival rates, married vs widowed white women; medical records; 87R7767
cohabitative union initiation; education level; 1981 Swedish Fertility Survey; women; 87R8362

artificial intelligence, masculine gendering preference; textual/discourse content analysis; 87S1963
farming-related accidents; masculinity factors; questionnaire; Canada; 87R7118
male identity, Grendi village, Crete; book review essay; 87R5509
male sex-role literature, current anthologies, data/issues; 87R3261
masculine identity, French men; women's movement; interview/published/other data; 87R6818
masculine identity, sports, historical development; case study; rugby; Norbert Elias's approach; 87R1949
masculine role, success preoccupation/restrictive emotionality/inhibited emotion; self-report inventory; university students, Texas; 87R8911
masculinity-femininity issue, mother-father/woman-man dichotomies; questionnaire; students, Japan; 87R5536
National Survival Game, male participants' characteristics/motivations/attitudes; questionnaire study; 87R5252
sex-determining gene, molecular biology research; 87T1030
sexual role definition, masculine vs feminine behavior; 87R1435

Mass Behavior
crowd behavior research, social influence perspective; 87R5840
government-sanctioned mass killing, Nazi Holocaust vs Allied strategic bombing, World War II; 87R3081
mass/collective behavior research, Germany, historical development; 87R5838
masses concept, Italian Gaetano Mosca vs Spaniard José Ortega y Gasset; book review essay; 87R5449
multiple murder cases, scientific research, epistemological/methodological issues; 87R2907
sexual ideology development, post-WWII US; child murder/sex crimes panic, psychiatrists'/media's role; 87R4678
sociology of religion, Europe/US, historical development; 87R6209
temporary/permanent economic migration, collective vs mass behavior, cross-cultural comparisons; 87S1980
Toxic Oil Syndrome patients, Spain, social reintegration goal; 87R8780

Mass Media
broadcasting services, state monopoly vs private ownership alternative, West Germany; 87R7515
charisma/mass media use, Pope Wojtyla, Roman Catholic Church; 87R6177
crime victims, social/judicial marginalization, mass media perspectives; content analysis; newspaper articles; 87R8648
female status/beauty, cultural trends; content analysis; *Cosmopolitan* magazine; 1965-1985; 87R5251
international mass media, Western dominance; 87R3944
mass communication media use, US adults; lifestyle characteristics/changes; mail survey; Greater Lansing, Michigan; 87R4610
mass communication research, Norway; project surveys; 1983, 1985; 87R5857
mass media humor, social role, West Germany; content analysis; newspaper column; 87R4242
mass media research, Denmark, 1984 annual meeting; 87R5855
mass media research, economic analysis; 87R5852
mass media research, Finland; 87R5853
mass media research, information gap concept; 87R5854
mass media studies, Frankfurt school's/Theodor W. Adorno's influences; 87R9074
media vs personal images, legal ownership rights; case analyses; 87R1924
national broadcasting, political elites' manipulation/power; 87S1955
national identity conceptions, mass media representations, political/economic vs collective/cultural emphasis; 87R9786

Native Canadian broadcasting/programming, radio/television stations; 87R3887
New Age religiosity/mass media manipulation; 87R9607
Parsons, Talcott, generalized media theory, language/communication analogy; 87R3373
Pope's visit, Canada, mass media promotion; 87T0162
popular culture heroic figures, symbolic operations, third grade boys; visual media; interviews; Pacific Northwest; 87R1944
sex references, mass circulation magazines; longitudinal content analysis; 87R7544
social movements; media coverage; case studies; 87R1856
sports/economy relationship, 1984 Los Angeles Olympics; 87R3935
stress, popular vs professional literature conceptualizations; content analysis; West Germany; 87R5834
television industry, US, social structural analysis, Marxist/feminist perspectives; interviews; scriptwriters; 87R1892
television viewing/credibility attitudes, black Americans; national surveys; 87R3870
US popular science boom, media perceptions, 1977-1984; 87T0248

Mass Media Effects

adolescent victimization/crime/sport/unemployment, British press's representations; content analysis; newspaper articles; 1985; 87T0400
aggressive behavior, soccer games, television reporters' coverage/attitudes; content analysis; 87R3913
antisocial behavior-media violence relationship, social science research; 87R8840
body-sport relationship, consumer culture, GB; 87R7531
bureaucratic organizations, members' attitudes/knowledge/rumors, Mexico; mass media messages, political culture; 87R3867
celebrity suicides, imitative suicide cases; case studies; 87S1963
child sexual abuse, media coverage issues; 87R8323
child sexual abuse, self-protection skills; educational film; questionnaire, interviews; 87R4646
childhood-television exploitative relationship, Neil Postman's theory critiqued; 87R6368
children's behavior, television's effects, mass media scholars' beliefs; mailed questionnaires; 87R3873
cigarette advertising, work/leisure/sex/race depiction, consumers' attitudes; content analysis; magazine advertisements; 87R3871
civil issue discussion, radio/television broadcasts, Fairness Doctrine evaluated; 1927-1983; 87R4483
claims-making rhetorical devices, missing children problem; media reports, government records, US; 1980s; 87T0789
crime control perspectives, media-intellectuals relationship; 87S1946
crime coverage, Canadian press; content analysis; articles/editorials, Ottawa (Ontario) *citizen*; 87R9644
cultural production control, mass media, social aspects; 87R9655
democratic electioneering, television-based modes, US; 87R7626
disaster situations, mass media's reporting, Japan; surveys; 1978-present; 87R3044
document analysis, ethnographic approach; Iranian hostage television news as illustration; 87R6863
father-child interaction, media role image, US; field observations, *Saturday Evening Post* cartoons; pre-1970 vs 1971-1978; 87R3426
film dubbing, work organization, Italy; empirical data; 87R7514
health care, television portrayal, US; 3-network program analysis; November, 1983; 87R3890
homicide cases, justice system officials' behavior; newspaper coverage; police/court records; Milwaukee County, Wisconsin; 87R2445
homicide rates; publicized executions; 1950-1980; 87T0807
imaginative activity stimulation, radio vs television, elementary school children; experiment; 87R9215
imitative suicides; publicized celebrity suicides; national data; 1948-1980; 87T0567
immigration policy, France, press/political attitudes; 87R2573
international mass media, Western dominance; 87R3944
Kohl, Helmut, West German media coverage/public opinion; content analysis, polls; 87R1900
law, cultural relevance/influence, US; 87R8128
logocentric society/politics, Jürgen Habermas's critique refuted; 87R7089
mass media humor, social role, West Germany; content analysis; newspaper column; 87R4242
mass media vs print use, working poor; education; interviews; women, Comprehensive Employment and Training Act program; 87R5185
mass media/republic opinion surveys, USSR; panel discussion; 87R9000
media interaction, family structure/myth; case studies; two families; 87R4748
media use, prison inmates, frequency/diversity/derived gratification; questionnaire; 87R2474
media violence, short-term effects, cognitive-associationist network perspective; experiments, observation; 87R8831
media/individual relationship; 87R1903
mental illness, newspaper portrayals, Canada; content analysis; 87R9643
military themes, symbolic socializers, young males; qualitative analysis; cartoons; 87R4788
music television videos, viewing motivations, high school students; questionnaires; California; 87R3911
news comprehension/awareness; demographic/media-use/interpersonal discussion variables; interviews; 87R1468
nuclear holocaust threat, youth education, school's/family's/mass media's roles; 87R6464
nuclear holocaust, television portrayal, children's reactions; interviews; second-/sixth-graders, Charlotte, North Carolina; 87R5831
nuclear holocaust, television portrayal, parental reactions; questionnaire; second-/sixth-graders' parents, Charlotte, North Carolina; public schools; 87R5830
Panama Canal treaties, US Senate voting, public opinion poll influences; 1977; 87R7500
paranoid style, US political Right, news media impact; 87R5927
police public relations service, Montreal, Quebec, press-police relations; 87R9650
political campaigns, voter involvement/perceptions, Iowa; media influence; questionnaire survey; adults; 87R3999
political dissensus concept/typology; 87R7586
political knowledge/behavior, youth; news media; questionnaire; seventh-/tenth-graders, US; 87R1896
Pope's 1983 Austrian visit, television coverage; content analysis, survey; 87R6228
postmodernism/mass media relationship, self-referentiality context; 87R5272
postmodernity theory, Jean Baudrillard's work; 87R7503
pretrial public opinion polls, Bernhard Goetz case, New York City subway shooting incident; 87R6268
print media's editorial policy; US Presidents' criticism; content analysis; daily newspapers; 1970; 87R1915
property crimes, mass media coverage; content analysis, newspapers, Nice, France/Geneva, Switzerland; 87R9652
scientific theory development, press's role; case study; dinosaur extinction theories; 87R4529
self-concept, black youth; popular culture, professional sports, mass media role models; 87R3924
separatist violence, mass media's coverage/legitimation, Quebec; content analysis; newspapers, Montreal; 87T0958
sexual ideology development, post-WWII US; child murder/sex crimes panic, psychiatrists'/media's role; 87R4678
Sinai evacuation protest, news media manipulation, ideologically vs economically motivated groups; participant observation, interviews; Israel; 87R9624
single-parent families, media accounts, Canada; content analysis; 87R2668
social interaction, mass mediation, television programming; 87R9639
social science research findings, media interpretations, methodological issues; 87R8843
social welfare services, public support; mass media; 87R1887
"stereotype" definitions, social psychology/mass media/popular culture research; 87R3458
suicide rates, US teenagers; televised suicide news/feature stories; statistics; 87R6537
suicide rates; mass media stories; content analysis; suggestion/differential association theories; 87S1981
television news research, cultural discourse framework; 87R7505
television/video viewing habits, leisure activities, 7th-9th grade students, Bayern, West Germany; questionnaire; 87R4660
women's business attire, magazine advertisement portrayals; content analysis; 87R8882
Young Offenders Act of 1982, Canada, mass media reactions; content analysis; articles; 87R9649
youth socialization, African countries; 87R4786

Mass Media Violence

aggressive behavior, soccer games, television reporters' coverage/attitudes; content analysis; 87R3913
antisocial behavior-media violence relationship, social science research; 87R8840
male sexual aggression against women, males; mass media violence; experimental data; 87R8836
media violence, short-term effects, cognitive-associationist network perspective; experiments, observation; 87R8831

separatist violence, mass media's coverage/legitimation, Quebec; content analysis; newspapers, Montreal; 87T0958

Mass Society

health care evolution/social/economic changes; Alvin Toffler's Third Wave concept; 87S2000

mass culture, M. Gottdiener's semiotic analysis; critique/reply; 87R1615

status attainment research, social structure/actor images; 87R5966

urban quality of life concept, community control era/mass society/information age; 87R7854

Massachusetts

acculturation, Dominican Republic immigrant students, US colleges; social/family/peer background; semistructured interviews; Northern Essex Community College, Massachusetts; 87R1574

child welfare/foster care, permanency planning, Massachusetts Department of Social Services; questionnaires, interviews, case records; 87R8681

Congress of Industrial Organizations' emergence, tanning industry strikes, Lynn, Massachusetts; 87R9390

decision-making skills, prison inmates; training program participation; experiment; correctional facilities, Massachusetts; 87R4506

dual career management/sex-role attitudes, political wives/their spouses; interviews; Massachusetts, Rhode Island; 87R9867

graduate sociology program, University of Massachusetts, Amherst; 87R6953

higher education/career adjustment, democratic school graduates; questionnaires, interviews; graduates, Sudbury Valley School, Framingham, Massachusetts; 87R4306

income/employment/labor patterns, capitalist vs kinship fishing vessels, New England; interviews; New Bedford/Gloucester, Massachusetts; 87R7291

informal networks/organizational structures, county correctional institution; participant observation; Massachusetts; 87R1206

juvenile correctional system, change process, New York vs Massachusetts; archival records, interviews; 1968-1984; 87R6669

labor control systems, competitive/monopoly capitalist enterprises, Pittsfield, Massachusetts; deindustrialization, restructuring; case study; General Electric Company; 87R5759

Massachusetts Juvenile Justice Advisory Committee, chairman's experience; 87R9757

medical spending/health policy,Massachusetts corporations; case study, interviews; 87R4808

mortality patterns, 1850-1900, Massachusetts; industrialization, urbanization, immigration; census/death certificate data; 87R8280

mortality patterns, western Massachusetts towns; industrial revolution, environmental changes; death records, census/economic data; 1850-1910; 87R4606

religious/moral attitude trends, college students; questionnaire surveys; Williams College, Massachusetts; 1948-1984; 87R4397

violent juvenile offenders, organizational control/reforms, Department of Youth Services, Massachusetts; interview/survey/other data; 1976-1985; 87T0823

witchcraft crisis, Massachusetts; 1692; 87R2383

working class families' budgets, discretionary control, 19th-century Massachusetts; statistics; 87R2101

Masses

elite-masses relationship, US/West Germany; 87S1959

public opinion-foreign policy relationship, J. N. Rosenau's/J. Galtung's classic studies reviewed; 87R5814

Mate Selection

cousin marriages, Victorian England; 87R8339

dating/marriage desirability; sexual behavior/experience; questionnaires; single undergraduates, North Dakota; 87R2635

dating/partner selection, early/middle/late adolescents; personality variables; questionnaire; 87T0423

marital partner idealizations, college students; questionnaires; 87S1969

mate choice formation, farming community, Illinois; economic/social/familial/dyadic factors; archival records, survey, interviews, participant observation; 87R8350

mate selection preferences, homo-/heterosexual couples; social vs evolutionary factors; 87S1962

mate selection/marriage, Shirishana-Yanomama, Brazil; ethnographic data; 87R6475

spouse selection; self differentiation; questionnaires; scales; newly married couples; 87T0451

symmetric vs asymmetric marriage regulation systems, prescriptive marriage fallacy; 87R8380

Material Culture

cultural landscape, cultural geographical research; literature review; 87R8797

value conflict, Hawaiian traditionalists vs scientists; case study; 87R3612

Materialism

consumer behavior, materialist traits; scales; 87R5774

materialism, Karl Marx's/Sigmund Freud's approaches; 87R3144

materialism, morality relationship, Karl Marx's/Immanuel Kant's work; 87R8702

sociocultural systems, material/social-structural/ideological subsystems, evolutionary relationship; Human Relations Area Files data; 87R3375

sports analyses, capitalist patriarchical societies, gender/social class relationship; 87R3926

unemployment, Netherlands, definition of labor; 87R3691

value change, Western industrialized societies, R. Inglehart's post-materialism theory; questionnaire surveys; 87R5915

violence legitimacy, industrial societies' institutional structure/material values; 87R5747

Mathematical Models

attitudes toward guestworkers, West Germany, item reliability/"Socratic effect"; 1984 General Social Survey; 87R5332

attitudes toward guestworkers, West Germany, latent means/simultaneous estimation models; 1984 General Social Survey; 87R5343

attitudes toward guestworkers, West Germany, multiple indicator models, item reliability/stability; 87R5367

covariance structure models, indirect effects, mathematical analysis; literature review; 87R5369

cross-classification tables, concordance probability models; 87R5359

dichotomous data, nonparametric latent trait models; 87R5362

faculty teaching assignments, course utility vs schedule utility, mathematical programming models; faculty ratings; Miami University, Ohio; 87R9039

influence measurement, mathematical modeling methods; 87R5146

Marxian theory of ruling class, group theory formulation; 87R9817

mixed quantitative-qualitative variables, path analysis models; 87R5346

municipal annexation elections, large vs small jurisdictions' voting power, mathematical analysis; 87R4018

organizational behavior research, equity formulas, mathematical definitions; 87R7379

panel data, misspecification/instability/ordinal variables; 87R5342

panel data, unobserved variables, linear stochastic differential equation models; 87R5360

probation cases, criminal justice model, statistical findings; 87S1953

seat distribution/voting power proportionality, mathematical analysis; 87R3219

simultaneous equations methods, family research; comment/reply; 87R6462

social field theory, libertarianism/collective violence relationship; 87R3389

social mobility analysis, status-specific inheritance/quasi-independence models critiqued; article/reply; 87R5965

social network analysis, Euclidean distance measures vs correlations; response/reply; 87R7393

social roles, graph/semigroup homomorphisms, algebraic analytic framework; secondary data; Renaissance-era Florence, Italy; 87R7392

social variables, mathematical models, methodological issues; 87R9012

structural equation models, "improper solutions," outliers' role; 87R6890

textual meaning, mathematical representation; G. Muskens's critique, reply; 87R3256

welfare state/minority inequality attitudes, West Germany, single-indicator multiple-wave panel models; 1984 General Social Survey; 87R5363

Mathematical Sociology

mathematical data processing, sociologists' passive role; content analysis; journal articles; 1983; 87R9011

mathematics use, stereotypes/prejudice, Soviet sociology; 87R6956

Mathematics

academic quality, human sciences students, university preparatory colleges, Quebec; statistics; 87R7990

capitalism/mathematics development, Italy's role; 87T0839

German mathematics/Nazi ideology, professional societies' adaptation/resistance; historical survey; 87T0835

international/interpersonal influence, mathematics, Denmark/Israel; stratification; 87R8208

knowledge growth, algebraic/differential topology; funding variations; 87R6307

leading mathematicians' thought, paradigm change, France, 1790s;

87T0237
mathematics history, Eurocentric bias; 87R8199
mathematics/science majors, "persisters" vs "defectors," female university students; parental/peer/professional/individual factors; 87R6000
society/history, mathematics' relationship; 87R2965
students' mathematics achievement, sex differences; ability groupings; longitudinal data; 87R7979
university program choice, general/professional learning preparatory college students, Quebec; survey; 87R7950

Matrices
unit's prominence/centrality, social networks, measurement techniques; 87R5730

Matrifocal Family
matrifocal family/mating system, Trinidad, kinship/biology relationship; fieldwork; 1970; 87R3589

Matrilineality
marriage/matrilineal systems, anthropological definitions; case studies; Nayars, India/China; 87R5610
matrilineal inheritance patterns, associated factors, female extramarital sex/paternal probabilities; article/comments/response; 87R1612

Mau Mau Rebellion
Kenya independence movement, Mau Mau revolt, literary portrayals; book review essay; 87R6111

Mauritius
population policy, Maritius; social scientists' proposal evaluated; 87R8270

Mauss, Marcel
self, Marcel Mauss's concept; book review essay; 87R6709

Mayans
dress/clothing, social identity construction, Tecpan Guatemala vs Moravian Slovakia; 87R1628

McLuhan, Herbert Marshall
Goffman, Erving, discursive practices/preferences, Canadian psychotype; 87R5435

Mead, George Herbert
comparative societal analysis, George Herbert Mead's relevance; 87S1969
Mead, George Herbert, progressive reform commitment; 87S1979
mind-body problem, sociological theory development, George Herbert Mead's works re-analyzed; 87R9109
social knowledge/interaction, George Herbert Mead's concept; 87R2082
socioanalysis therapeutic method, social/moral issues; 87T1054
sociological classics, George Herbert Mead's work, interpretative concerns; 87R3292
sociology of law, imprisonment-economics relationship; 87S2001

Mead, Margaret
behavioral science, ethical/civic responsibility issues; case study; Margaret Mead's work, WWII; 87R7012
Mead, Margaret, Derek Freeman's critique/methodology; 87R2960

Meaning
discourse interaction, intended vs literal meanings; 87R9216
human meaning; personal experiences; lecture; 87R5417
immediate/ultimate reality & meaning, human quest, cosmic holism concept; 87R2986
search for meaning, Western youth, elective centers concept; 87R8302

Means-Ends Rationality
action analysis, means & ends, social sciences; 87R3374
crime, punishment as domination/discipline, Europe; 87R2456
employee/organizational social contract; V. H. Vroom's V-I-E model reformulation; 87R3668
environmental concern, attitude-behavior measurement, I. Ajzen's/M. Fishbein's reasoned action theory; 87S1992
organizational change, US steel corporation; macro economic conditions; participant observation, interviews, document analysis; 1930-1985; 87R5716
rationality, human behavior, binary synthesis approach; literature review; article/reply; 87R7112
rationality/morals, decision making; 87R1412
scientific rationalism, socioeconomic basis, Max Weber's theories critiqued; 87R6324
socialist goals, economic strategy/development, post-WWII Yugoslavia; 87T0866

Measurement
air pollution-mortality relationships, regression estimates; measurement error; official data; 87R5361
association measures, significance testing/confidence interval estimation; 87R3243
Christian orthodoxy, J. Timothy Fullerton's/Bruce Hunsberger's unidimensional scale, study replication; 87R4407
commercial hair analysis, test-retest reliability, within/between laboratories; Stephen Barrett's data reanalyzed; 87R8771
consumer behavior, materialist traits; scales; 87R5774
educational attainment measure, 1990 US census; 87S1966
fear of crime, conceptual/operational definitions compared; 87R6640
household division of labor, alternative measurement strategies; interviews, activity logs; 87R4773
human rights abuses, social science research, quantitative data's limitations; 87R8983
infant mortality, endogenous/exogenous measures, accuracy/generalizability; infant birth/death records; US, Mexico, other countries; 87R2569
intercensal age schedules, demographic events, estimation procedure tested; 1880-1930 US census data; foreign-born white population; 87R8273
latent variables, metric definition; comments/replies; 87R3246
local political power, reputation perceptions, measurement techniques; interviews; Netherlands; 87R3211
manuscript proofreading, undetected misprints, estimation method; 87R3231
marital happiness/stability, first-marriage couples; need/role/perceptual congruence; psychological scales; 87R6502
measurement error, panel analysis, attenuated vs inflated relationships; 87R5356
migration forms, definition criteria, measurement; 87S2001
nominal-/ordinal-/interval-/ratio-level statistics, social science research; 87R3220
Notes on Social Measurement: Historical and Critical by Otis Dudley Duncan; review essay; 87R1194
parental socioeconomic status, children's/parents' reports, statistical measurement model; secondary data; 87R3239
political rights/liberties measurement, methodological issues; 87R9716
poverty/relative deprivation concepts, statistical measurement problems; 87T0950
psychiatric disfunctioning/behavior problems, Dutch children; interviews; 87R4950
quality of life determinants, assessment methods; questionnaire; US; 87R5138
reliability measurement, statistical methods; 87R5330
segregation trends, dissimilarity index vs alternative measures; 87R1234
social norm measures, modal frequencies interpretation; 87R3228
sociological measurement, conceptual/empirical/operational levels, philosophical issues; 87R3247
sociological scale/index measurement, conceptual issues; 87R1193
students' professional orientation, educational impact effectiveness measurement method; secondary data; Eastern Europe; 87S2003
unit's prominence/centrality, social networks, measurement techniques; 87R5730

Measures (Instruments)
alienation assessment, Srole scale vs alternative measurement model; 87S1946
data collection instruments, response categories, quantitative evaluation method; 87R8984
death acceptance/awareness, thanatometer construction/reliability; scale; US; 87R2739
distribution similarity, measures; 87R3245
economic growth/scientific-technological development, quantification/measurement; 87R5141
effectiveness assessment, state mental hospitals, survey instrument developed/tested; delphi survey, literature review; 87R4906
empowerment, measurement instrument developed/tested; literature review; 87R5322
indiscriminate religiousness, conceptual/measurement issues, scale development; 87T0172
information activities, subnational/national/international levels, quantitative/qualitative measures; 87R3883
interspousal assault, husband's vs wife's reports; Status Conflict Tactics Scale; 87R5194
job characteristics/satisfaction management instruments' mobility/validity; contextual content analysis; 87R9915
living standards, Italy, regional disparities; social/economic development; 87R5756
masculine role, success preoccupation/restrictive emotionality/inhibited emotion; self-report inventory; university students, Texas; 87R8911
mental/physical well-being measurement, individual relationship vs global network support; interviews; adults, Purmerend/Haarlemmermeer, Netherlands; 87R9522

news media, attention/exposure measurement, self-report questionnaires' validity/reliability; longitudinal interviews; adolescents/parents, US; 87R9640
political sophistication, measurement reliability, US/West Germany; 87R8995
provider role, two-job families, definitional/measurement issues; 87R4733
relative social status, small groups/bounded social networks, measurement indexes; 87R3406
segregation trends, dissimilarity index vs alternative measures; 87R1234
small event assessment inventory, characteristics/development; 87R8999
social class measurements comparison; national data, Sweden; 87S2002
social distance measurement, trichotomous classificatory levels; panel survey; high school students, human relations camps, Arizona/Michigan; 87S1974
social support, elderly, multidimensional factor structure; interviews; family practice center, Pitt County, North Carolina; 87T0772
sociolinguistic data elicitation techniques, reporter's test; Welsh examples; 87T0037
unidimensionality, Christian Orthodoxy scale, statistical methods, D. B. Lindsey's/B. W. Sirotnik's/J. Heeren's application critiqued; comment/reply; 87T0158

Mediation
confidentiality privilege, dispute mediators; J. Wigmore's privileged communications analysis; 87R4105
crime deterrence/recidivism rates, Regina, Saskatchewan, Canada; court diversion-mediation program; case studies; 1974-1980; 87R8150
diviners, social roles/contexts, South Africa; ethnographic case study; 87R6559
divorce mediation, multiple sclerosis-afflicted couples, sociologist's role; interviews; 87R5299
family violence, adversarial vs dispute mediation approaches; 87R5203
mediation research, legal anthropology; 87R2442
neighborhood conflict, dispute mediation organizations, conceptual/strategic issues; 87S1941
small claims court case outcomes; adjudicative vs mediative forum, case characteristics; records; Maine; 87R2441
social conflict mediation, law's/legal professionals' role; 87R2422

Medicaid
health care appointment-breaking behavior, low-income families; personal/environmental/organizational variables; survey; Medicaid patients, Michigan; 87R4824
health care services, urban poor, political aspects; case study, US Medicaid program; 87R8477
health/social services; governmental decentralization; case study, questionnaires, published findings; Medicaid personnel, Kansas; 87R5063
Medicaid expenditures, myths dispelled, US; census, Health Care Financing Administration data; 1959-1981; 87R4825
Medicaid reform implementation processes, Arizona, California, New York; 87T0571
Medicaid second-opinion program, evaluation/monitoring; 87R4888
pediatrician Medicaid participation; surveys; 1978, 1983; 87T0951

Medical Pluralism
illness behavior, guineaworm disease prevention, Nigeria; health eduction, integrated traditional-Western scientific viewpoints; 87R6565
illness meanings, mind-body-society interactions; 87R8512
traditional ethnomedical system/curative strategies, Manabo families, Agusan del Sur, Philippines; fieldwork; 87T0577
traditional vs modern health care practices, Melpa people, Mount Hagen, Papua New Guinea; observations; 87R8516
traditional vs modern medical practices, syncretic health care alternative; 87R6571

Medical Research
acquired immune deficiency syndrome research/education, volunteer recruitment; 87T0629
anthropology-medicine conflict, clinical settings; 87R3154
cancer research, scientific methodology vs patients' best interests, doctors' data misrepresentation, US; 87T0268
clinical research participation; patients' misconceptions; observations, interviews; psychiatric patients; 87T0570
epidemic disease, social processes/responses, government's role, sociological analysis; 87R5170
fetal neural tissue transplants, ethical issues; 87T0281
health attitudes/behaviors research, computer-based vs paper mail questionnaire survey, response effects; 87R3195
health science policy, GB, researchers' accountability; 87R3011
medical anthropology, clinical vs academic work, discipline fragmentation; critique/reply; 87R8524
medical anthropology; sociology/clinical medicine/public health systems modeling; 87R4843
medical disease models, 20th-century paradigm shift, immune system emphasis; 87S1943
medical genetics, ethical problems, cross-national perspective; questionnaires; 87S1944
Nazi research data, citation/utilization, ethical issues; 87R2496
prisoner volunteer subjects, biomedical research, ethical/scientific issues; 87R6321
reproductive scientific research, historical background, US; research report/monograph analyses; 1910-1940; 87R2488
scientific anomalies, dynamics/types; case example; neuroscience research; 87T0265
social contagion/innovation; cohesion vs structural equivalence explanations; *Medical Innovation* reanalysis; 87R6908
social science of medicine, anthropology's contributions, critical theory; 87R8487
sudden infant death syndrome research, US; federal targeted funding; 87R6553

Medical Schools
academic characteristics, change patterns, faculty members, established/emerging health professional schools; 1950-1984; 87R4085
medical careers, nonwhite minority underrepresentation; junior/senior high school personal/academic preparatory programs; community case study; Milwaukee, Wisconsin, 1973; 87R2775
medical education, medical social workers' role; case study, interviews; University of Bombay, India; 87R2365
medical education, reform movements, historical dynamics; 2-book review essay; 87R6168
medical school admissions, sex discrimination; historical data; 1929-present; 87R2762
neurological profession, trainee needs/quality; 87R5134
stress, medical school students; social support/relationships; survey, interviews; 87R6558
student selection criteria, University of Queensland medical school; questionnaires; English/sociology/computer science students comparison; 87R6158

Medical Sociology
diagnosis-therapy gap, doctor's role, health/illness concept changes; professional ideals vs technological/monetary realities; 87R4837
doctor-patient relationship, asymmetries; interviews, tape-recorded consultation analyses; Vienna, Austria hospitals; 1981-1983; 87R4897
genetic counseling medical group, sociologist's fieldwork experience; 87R2755
health policy/practice, medical sociology's/health economics' contributions; 87R8519
medical anthropology; sociology/clinical medicine/public health systems modeling; 87R4843
medical sociology, institutional development; historical evidence; 1945-1955; 87R4814
medical sociology, social constructionism approaches; 87R2757
medical sociology, West Germany, status/development; 87R2802
medical sociology, Western scientific medicine/Marxism paradigms; 5-book review essay; 87R4862
medicine critique, medical sociology's role; 87R4833
medicine, micropolitical processes, ideological/social control issues; 87R8521
quality of life concerns; medical sociology award acceptance address; 87T0609
sociology of medicine, social constructionist approach; 87T0615

Medical Students
abortion/ethical attitudes, pediatric residents; residency training program; questionnaire; 87R4813
adolescent medicine, physician fellows; national questionnaire survey; 87R4125
attitude/value transmission, medical school students; professional socialization; questionnaires; first-year students, Universities of Vienna, Graz (Austria); 1978-1983/84 comparison; 87R4316
doctor-terminal patient communication; doctor's death attitudes; questionnaires; family doctors, medical students, midwestern US university; 87R2741
medical education costs, India, methodological issues; records, interviews, case studies; 87R8022
medical education, Saudi Arabia, English language use; 87R4300
medical interns, professional socialization, intersubjective processes; 87R1718

medical specialties, medical students attitudes; interviews; London, England; 87T0089
medical student socialization, consultation-liaison psychiatry, biomedical vs psychosocial traditions; 87R8480
mentally ill, medical students' attributes; questionnaire; Tel Aviv, Israel; 87R2812
personal flow, US training hospitals, physicians; prestige hierarchies; questionnaires, interviews, directory data; 87R9903
premedical student culture, "cut-throats" as myth; fieldwork, interviews; 87R2763
probability values/meanings, qualitative expressions, medical professionals; 87R5348
professional self-image, medical students; internship program participation; interviews; Hamburg, West Germany; 87R2780
public health, preventive medicine/community health course, medical students' attitudes/perceptions; questionnaires; Brooklyn, New York; 87T0098
role conflict, psychiatric residents; 87R2133
rural medical practice, students' unwillingness, Pakistan; social class system; questionnaire survey; 87R4143
stress, medical school students; social support/relationships; survey, interviews; 87R6558
student selection criteria, University of Queensland medical school; questionnaires; English/sociology/computer science students comparison; 87R6158
surgical practice communication skills, medical school educational program, Massachusetts; 87T0574
value orientation, medical students, gender/time variations; questionnaires; 87R7977

Medical Technology
abortion debate, fetus status concerns, post *Roe* v. *Wade* decision; medical/scientific developments; US; 87R3085
anesthesia technology/rehabilitation specialization, 19th-century medical profession; 2-book review essay; 87R6008
bioethical policy decisions, justification logic; 87R5136
biomedical science, benefits/costs; book review symposium; 87R8971
birth, institutional transformation, technological/holistic models; fieldwork, interviews; 87S1933
childbirth, medical care/technology; statistics; 87R2773
computer-based medical technology, physician utilization/knowledge, policy implications; 87R7715
death concepts, biological vs personhood views; case study; brain-dead pregnant woman; 87R2744
diagnosis-therapy gap, doctor's role, health/illness concept changes; professional ideals vs technological/monetary realities; 87R4837
ethical problems, medical practice, Christian professional viewpoint; 87R4106
experimental surgery ethics, Baby Fae case; interview with Jack Provonsha, Loma Linda University (California); 87R4898
females' infant feeding, developed countries, paradigmatic academic models critiqued; 87R7152
infertilty, social meaning construction, US; 87S1942
medical diagnostic testing, heuristic vs normative models, cost-effectiveness; 87R4864
medical genetics, ethical concerns, international perspective; questionnaire; 87S1986
medical practice/knowledge, scientific vs experiential orientation, alternative healing; chronic illness cases; 87R4533
medical technology-holistic wellness approach synthesis, doctor-patient relationships, US; social/technological/economic factors; 87R4871
modern medicine's limits, developed countries; scientific/technological development, socioeconomic values; 87R4860
modern technology adoption decision making, hospitals, game approach, policy implications; 87T0572
new reproductive technologies, androcentric bias, France; literature review; 87R8912
reproductive technologies, feminist-oriented assessment; 87T0996
reproductive technologies, secrecy/stigma, users' attitudes; interviews, questionnaire; 87S1940
reproductive technologies, social control functions; textual analysis; Warnock Report, GB; 1984; 87T0558
role relations, organizational structure/interaction; technology; case study; radiological departments; 87R4077
severely handicapped newborns, treatment decision-making issues; 87R6530
staff-patient interaction, intensive care units; technologically intensive medical intervention, staff attitudes; conversation analysis, field research; West German hospital; 1980-1983; 87R4873

Medicare
hospital use/quality of care evaluation, peer review organizations; contract summaries; 87R2491

Medications
drug advertising, gender-oriented popular magazines; content analysis; 87R7522
drug advertising, image encoding practices; 87R8535
drug distribution, developing countries, anthropological approach; surveys; 87R2801
drug therapy cost-benefit analysis, life quality dimensions, MIMIC-disability index; questionnaire; psoriasis patients; 87R4851
illicit medicine sales, Senegal, authorities' toleration; interviews; medicine vendors, Pikine suburb, Dakar; 87R6543
medical spending/health policy,Massachusetts corporations; case study, interviews; 87R4808
menopausal women/psychotropic drug use; interviews, Manitoba, Winnipeg; 87T0695
over-the-counter drug use, elderly; demographic/access/psychosocial variables; interview sample; Tupelo, Mississippi; 87R6612
pharmaceutical commercialization, penicillin, British vs US efforts; case study; 87T0249
psychological depression, psycho-/drug therapy effectiveness; National Institute of Mental Health study; 87R8537
social contagion/innovation; cohesion vs structural equivalence explanations; *Medical Innovation* reanalysis; 87R6908
tardive dyskinesia as iatrogenic illness, social epidemiology; 87R2756
total medication use, elderly, doctor-patient communication strategy; 87S1941

Medicine
alternative medicine, technical aspects, societal/scientific position/background, Netherlands; 87R4806
artificial intelligence, medical decision-making uses; case example; 87R4892
body conceptualizations, medical anthropology perspectives; 87T0626
cadaver organ donation decisions, families/doctors/outside health professionals, role interactions/locus of control; observations, interviews, questionnaires; US; 87T0624
clinical medicine, USSR, content/diagnostic functions; 87R4821
criminal justice system, blaming/excusing processes, medical model; utilitarian perspective; 87R8119
deviance, medical model, reintegration vs negative consequences; 87S1944
doctor-patient relationship, Germany; medical specialization, public hygiene policy; 100-year analysis; 87R4872
geriatric medicine, India, Western models critiqued; 87R8465
health care issues, justice problems, John Rawls's analytical approach; 87R4494
'human' concepts, medicine, interaction/role system paradigms; Michel Foucault's/Jacques Lacan's/Talcott Parsons's/Friedrich Nietzsche's ideas; 87R4811
illness definitions/symtomatology, medical treatment; doctor-patient relationship, societal health ethic; 87R5235
international medical language, English use; interviews, observation; Japan; 87R5085
medical anthropology, specialization implications; 87R5404
medical anthropology; sociology/clinical medicine/public health systems modeling; 87R4843
medical careers, nonwhite minority underrepresentation; junior/senior high school personal/academic preparatory programs; community case study; Milwaukee, Wisconsin, 1973; 87R2775
medical diagnosis, USSR, clinical research methods; 87R4822
medical diagnostics, gnoseological analysis; 87R4847
medical ethics, Habermasian communicative action framework; 87R4895
medical ethics, paternalism issue, US vs USSR; 87R4489
medical facilities/practices/USSR; US delegation observations; 87R8527
medical paternalism, ethical issues; book review essay; 87R4141
medical practice style/attitudes, personal characteristics, holistic vs family practitioners; questionnaires; 87R9883
medical practice, bourgeois domination, radical/orthodox socialist viewpoints; 87R6561
medical practice, professional identity crisis; 87R4869
medical practice/knowledge, scientific vs experiential orientation, alternative healing; chronic illness cases; 87R4533
medical professionalization/service provision, government policy, *homo hygienicus*/health socialization process; late 19th-/early 20th-century Germany; 87R4848
medical records, recording/interpretation conventions, artificial intelligence system; secondary data; 87R3167
medical school application/persistence, female vs male premedical students, academic performance; transcripts; 87R6545
medical specialization, post-World War II, sociological/medical/economic explanations; 87R4098

medical technology-holistic wellness approach synthesis, doctor-patient relationships, US; social/technological/economic factors; 87R4871
medicine critique, medical sociology's role; 87R4833
mental health-job satisfaction relationship, veterinarians, New Zealand; job/nonjob activities; questionnaire; 87R9887
midwifery practice, immigrant communities early 1900s; medical practice professionalization; oral histories, census data; Inwood, New York; 87S2003
modern medicine's limits, developed countries; scientific/technological development, socioeconomic values; 87R4860
outpatient mental health care, Flanders general practitioners'-mental health professionals' interpersonal relationship; 87R8557
social judgments, sexual behavior; collective medical/judicial interpretation; 19th century-present; 87R4509
social science of medicine, anthropology's contributions, critical theory; 87R8487
status hierarchy, medical profession, Czechoslovakia; published data; 87S1961
Western health care utilization; modernization, Christianity; statistics; cross-national analysis; 87R7084
Western medical discourse, history, influence in everyday life; book review essay; 87T0639

Mediterranean Countries
bourgeoisie class development, Mediterranean basin port cities, 19th-20th centuries; trade/production data; 87R5783
city growth, negative potential, eastern Mediterranean; 87R9989
economic autonomy, peasant women, Aegean islands, Greece; anthropological survey data; 87R4168
historical culture migration trends, Western European/Mediterranean/African countries; 87T0318
Mediterranean cities, subjective/objective descriptions; 87T0004
migration routes/systems, Mediterranean region; 87R4627
mother-son intimacy, psychosocial interpretations; content analysis; Andalusian folk songs; 87R8900
"visible saints," Mediterranean culture area; clinical case study; 87T0648

Melanesia
civil wars/indigenous rebellion, Papua New Guinea/Kenya/Nigeria; 87R1750
Kanaka nationalism, French New Caledonia colony; statistics; 87R1641
social integration, elderly, Third World societies; 87T0774

Membership
disciplinary/subdisciplinary commitment, psychology students; personal epistemology; psychometric test; Monclair State College, New Jersey; 87R8320
long-term membership, Sinn Fein political wing, Irish Republicans; members' commitment/efficacy perceptions, selective incentives; 87S1986
majority/minority socioeconomic group status, psychological consequences, high school students; questionnaire; midwestern US; 87R7094
racial alienation/attitudes, black workers; minority organization membership; questionnaires; 87R3695
social membership, citizenship rights; 87R1844
social-religious movements, disaffiliation processes; 87R2402
voluntary organization membership, black heads of households, US; demographic characteristics; national survey; 87R9524

Memory
conversational uncertainty/forgetfulness, syntactic/paralinguistic technique; videotapes; 87R9214
health information, patient recall ability; doctor/patient gender, nonverbal expressiveness; experiments; 87R3119
information recall, prison prerelease program participants; discussion leader's ethnicity; test; ethnic male inmates; 87R7108
memory's social functioning, post-Revolutionary France; 87R2967

Menarche
menarche beliefs/attitudes/socialization, adolescent males/pre-/postmenarcheal females; questionnaire interviews; 87T0389
menarche/adolescent subfecundity, Bangladeshi females, hazard model; interview survey; 87T0303

Mennonites
farming practice, economic stress, Mennonites; ideologies/values; survey; Kansas; 87R6212
intradenominational ideological conflict, Mennonite society, US, resource mobilization theory; primary/journalistic documents; case study; 87S1965
Mennonite identity; urban area residence; interviews; 87R4430

Menopause
feminist praxis development, Menopause Collective self-help group; interviews, participant research; 87R6799
menopausal women/psychotropic drug use; interviews, Manitoba, Winnipeg; 87T0695
menopause attitudes, middle-aged women, Peru; role satisfaction; Kupperman Menopause Index; Puente Piedre; 87R3631
menopause, women's attitudes, researchers' expectations; sexist/ageist/ethnocentrist beliefs; survey; Israeli middle-aged women; 87R6680

Menstruation
blood taboo, sexual division of labor, primitive/Western societies; 87R9342
female criminality, premenstrual syndrome legal defense, GB/US; literature review, court cases; feminist perspective; 87R8461
marijuana use patterns; menstrual cycle phase; diaries, questionnaire; women; 87R8583

Mental Health
black female administrators, mental health field; 87R5986
coping problems, alcoholics' children; child characteristics, caregiving environment; longitudinal data; Kanai, Hawaii; 1955-1973; 87R8616
emotional health, married individuals; marital intimacy quality/quantity; questionnaire; 87T0671
emotional/mental health; television viewing; interviews; adults, southwestern US; 87R1920
health status/morale, elderly rural vs urban adults; questionnaire; 87R2885
immigrant mental health, protective factors; interviews; Asian immigrants, US; 87R2823
mental health care, Netherlands, psychiatric opposition movement; 1970s-present; 87R4916
mental health problems, working class mothers; paid employment, other factors; community interview survey; 87R2830
mental health service utilization, gender differences; surveys, interviews; New Haven, Connecticut; 87T0655
mental health, dual-earner couples; individual differences, work/nonwork factors, job/life satisfaction; questionnaires; 87R2692
mental health/disorder; physical/psychosocial/sociocultural supplies access; questionnaire; residents, North Carolina; 87R6586
mental health/illness, old vs old-old populations, London, England; psychiatric assessments; 87T0735
mental health/satisfaction/interpersonal orientations, university students, Netherlands; adaptation level; questionnaire; 87R8043
mental health; community-wide disasters; literature review; 87R2838
mental health; postdisaster relocation, US; literature review; 87R2815
physical/mental health; family factors; literature review; bibliography, article/comment; 87R4820
post-sentence offenders, outpatient forensic psychiatric referrals; social/demographic variables; patient/court/psychiatrist records; 87R2832
psychiatric care, medical patients, Hannover Consultation Liaison Model, West Germany; 87R4831
psychiatric reform movements, curative vs preventive mental health policy, implementation problems, US, France; medical environment; post-World War II; 87R4905
psychological disorders, personal risk factors; questionnaire interviews; adults, Athens, Greece; 87R2825
psychological health/stress, elderly single-room hotel residents; social networks; interviews; Manhattan, New York City, New York; 87R1787
psychotherapeutic services, pluralistic reimbursement policy recommended; 87R6585
social interactions/attitudes, adolescents; body build; observation; 87R4650
social support research problems, cultural factors; literature review; 87R9331
socioanalysis therapeutic method, social/moral issues; 87T1054
suicidal behaviors/attitudes/experiences; social background factors; interviews; residents, Calgary, Alberta; 87R5526

Mental Hospitals
anthropological work, modern institutional setting, psychoanalytic metaphor model; 87R5062
assault/assaulted characteristics, maximum security psychiatric unit, methodological issues; institutional records; 87R8833
chronic readmissions, racial/offense characteristics, forensic psychiatric hospital, New York; case records; 87T0669
effectiveness assessment, state mental hospitals, survey instrument developed/tested; delphi survey, literature review; 87R4906
late 19th-century insane asylums, custodialism vs therapeutic functions; patient records, other data; 87R6592
length of stay, psychiatric hospitals, involuntarily committed patients; civil commitment legislation; files, records; Western State Hospital,

Washington; 87R8137
mental health system utilization, Michigan; mental health board decentralization; 1974-1983; 87R4907
mental hospital admissions, Washington; Involuntary Treatment Act, 1979 revision; official time series data; mental patients; 87R4936
negotiation process, health care institutions; governmental program merger directive; ethnographic data, interviews, documents; Nova Scotia; 87R5504
outpatient commitment, mental health organizations, institutional aspects; fieldwork, interviews; North Carolina; 87S1978
patients' rights issues, state mental hospital staff attitudes; questionnaires; New England; 87R8529
psychiatric administrative careers, women's disadvantages; questionnaire; 87R6807
psychiatric hospital admissions/length-of-stay, Japan; cultural system; 87T0660
psychiatric hospitalization, "mentally ill," patients' rights; case study; Michigan mental health statute; 87R2822
quality of work environment, psychiatric hospital nurses/counsels, job stress/task interest; interviews, questionnaires; 87R1742
work distribution, psychiatric hospitals' therapeutic communities; participant observation, interviews, audio recordings; 87T0658

Mental Illness
child psychiatry, socialization/social development disease, sociosis concept; 87T0652
child/juvenile psychiatry, psychoreactive developmental disorders, sociosis concept; 87T0373
classical psychoanalysis, therapeutic/theoretical changes, short-term dynamic psychotherapy development; economic/cultural/clinical factors; US; 87R4939
community-based research, clinically at-risk individuals, technical definitions critiqued; 87R6560
culture-bound syndrome definition, international disease classification; article/comments; 87T0663
dangerousness standard, mental health laws, state applications; literature review; 87R8546
diagnostic process, community mental health centers; power relations/value conflicts; case study; 87R8538
disaster-related psychiatric disorders, Mount Saint Helens (Washington) volcanic eruption; interviews; 87T0928
divorce trends/consequences, US; 87R2658
female protagonist's mental illness, patriarchal vs lesbian biographic accounts; 87R6787
homelessness, mentally ill vs economically disadvantaged; triangulated field data; Texas; 87R2836
inappropriate/deviant emotionality, mental illness labeling; questionnaire; university students; 87R6596
jine don possession cult, therapeutic practices, western Mali; 87R1627
lay help/services, psychiatry; 87R2818
mental disorders, *DSM-III* diagnostic assessments, gender/race factors; case study evaluations; 87S1969
mental disorders, traditional categories, Caribe, Costa Rica; interviews; households; 87R4920
mental health care service delivery, aged persons, interorganizational relations; 87R8556
mental health care, native Hawaiians; colonialism, socioeconomic stratification, cultural options; 87R6587
mental health law, GB; court cases; 87R4915
mental health practice, insurance/reimbursement/licensure regulations, US; political/economic factors; 87R8539
mental health, Lebanese population; war conditions; survey, interviews; 87R4935
mental illness curative practices, Hindu Mahanubhav sect, trance states' use; fieldwork; healing temple, Phaltan, Maharashtra, India; 87T0630
mental illness recognition/definition, black/Anglo/Chicano women; social ideologies/norms; 87R4930
mental illness, labeled/labelers interpersonal relationship, social/emotional aspects; 87S1976
mental illness, medical vs community model, technology's impact; 87R2828
mental illness, newspaper portrayals, Canada; content analysis; 87R9643
mental illness, ontological issues; 87R4931
mental illness, service delivery, Thomas S. Szasz's model; 87R5539
mental illness/psychology/personality, Michel Foucault's works; 87R3310
mental patients' behavior, forensic psychologists' drug-related explanations; 87S1935
mental patients, deinstitutionalization process, North America/Italy; 87R8551
mentally ill, community care policies, US/GB; 87R8552
mentally retarded adults, Sweden, psychiatric illnesses; interviews, psychometric instruments; 87R2817
neonatal health, pregnancy complications, antenatal care, mentally ill vs other mothers, Stockholm, Sweden; hospital/psychiatric records; 1976/77; 87R6578
paradoxical events, therapeutic implications; 87R4908
perceptional/hallucinatory disturbances, adult female incest survivors; 87R8854
phobias, gender differences; social roles; interviews; 87S1935
psychiatric disfunctioning/behavior problems, Dutch children; interviews; 87R4950
psychiatric disorders, institutional/therapeutic innovation, Razi University, Tunisia; 87R4909
psychiatric disorders, Mexican Americans, Los Angeles, California; native vs immigrant status, acculturation; interviews; 1983-1984; 87T0645
psychiatric disorders/cognitive impairment, noninstitutionalized elderly; Diagnostic Interview Schedule, Mini-Mental Status Exam; Yale University Epidemiologic Catchment Area, Connecticut; 87R2840
psychiatric disorders/treatment, ethnic immigrant minorities, GB; 87R8541
psychiatric emergencies, indigent persons, hospitalization evaluation decisions; participant observation; city-county hospital emergency room; 87R8554
psychiatric hospitalization, "mentally ill," patients' rights; case study; Michigan mental health statute; 87R2822
psychiatric illness, patients families' perception; sex, family type, economic status; interviews; Visakhapatnam, India; 87R6501
recurrent affective illness, severity/frequency/duration; life chart data; research patients, National Institute of Mental Health, Bethesda, Maryland; 87R2834
socioeconomic/diagnostic profile, mental hospital patients, Nigeria; 87R2819
suicide rates, Canada; interstate migration; 87R2577
therapeutic communities, operational styles, GB; participant observation; Ashley/Beeches halfway houses; 87R6580
thought/behavioral disorders, social/psychiatric/nonsensory causes; 87R7102
tolerance toward mentally ill, Mexican Americans, Los Angeles, California; ethnic immersion, socioeconomic status, age/gender factors; telephone survey; 87T0662
unemployment problem, foreign workers, Federal Republic Germany; 87R8242
"visible saints," Mediterranean culture area; clinical case study; 87T0648

Mental Patients
anorexia nervosa personality/symptomatology, males vs females; hospital case assessments; psychiatric patients, West Germany; 87R4960
assault/assaulted characteristics, maximum security psychiatric unit, methodological issues; institutional records; 87R8833
care continuity, postdischarge mental patients, hospital-community treatment/linking programs; 87R8548
chronic mental patients, care principles, health professionals' knowledge; test; mental health professionals, Canada; 87R4902
chronically mentally ill, outpatient commitment, outcome effectiveness; 87S1938
civil commitment system, US, alternative approaches; literature review; 87R8095
civil commitment, mentally ill, US; historical survey; 87R8149
clinical research participation; patients' misconceptions; observations, interviews; psychiatric patients; 87T0570
clinical social psychology, Erving Goffman's impression management theory; 87S1944
community transition, deinstitutionalized mental patients, reasoning processes/life-world perceptions; participant observation, interviews, formal documentation; 87R8532
compulsory treatment, psychiatric patients, Italy vs Sweden; assessment/scales/other data; 87R2831
criminals' dangerousness, forensic psychiatrists' predictions/discretion; police/psychiatric/court records; criminal defendants, Northtown One-Day Assessment Clinic, Canada; 87R5200
dangerousness, male psychiatric patients, clinical vs actuarial prediction; institutional/follow-up records; 87R8839
death rates; neurosis; follow-up data; neurotic patients, Birmingham, England; 87R2798
deinstitutionalization movement, US; interviews, observation; rest homes/mentally ill community residences, Massachusetts; article/comment; 87R5007

deinstitutionalization policy, Italy, psychiatrists' role; 87R8542
depressive patients, Nigeria, sociodemographic characteristics; case notes; 87R4922
depressive psychiatric illness; social environment variables; inventories; patients/controls, Sweden; 87R2811
discretionary antipsychotic medication, psychiatrists' prescription; patients' clinical/social characteristics; questionnaire, medical records; 87R2809
elderly psychiatric patients, organic/affective disorders, diagnosis/treatment guidelines; 87R5040
electroconvulsive therapy use patterns, 1950-1983; official data; California; 87R6600
family bonding, visitation, institutionalized chronic mentally ill; social factors, patient's impairment; secondary data; board & care homes; 87R4911
help-seeking/coping patterns, Chinese psychiatric patients, Hong Kong; problem conceptualization; 87T0646
hospitalized psychiatric patients, India, family group support; 87R4751
institutionalized insane, demographic/treatment variables, 19th-century Philadelphia, Pennsylvania; register, data; 87R8536
involuntary commitment hearings, legal representative's role; hearing records; state mental hospital, Florida; 87T0584
involuntary mental hospitalization decisions; gender; fieldwork; 87T0653
mental distress symptoms, cultural meanings, psychiatric patients'/family/community responses/interpretations; case history data; Boston, Massachusetts; 87T0666
mental health care, Netherlands, psychiatric opposition movement; 1970s-present; 87R4916
mental hospitalization, betrayal notion; 87R2839
mental patient rejection; stigmatization vs behavior explanations; mailed questionnaires, vignettes; Cincinnati, Ohio, residents; 87R8540
mental patients' behavior, forensic psychologists' drug-related explanations; 87S1935
mentally ill patients, others' fear/dangerousness perceptions; increased contact; questionnaire; Macomb, Illinois/Cincinnati, Ohio; 87R6590
mentally ill, in-patient treatment facility, least-favored-individual principle; 87T0642
mentally ill, medical students' attributes; questionnaire; Tel Aviv, Israel; 87R2812
mentally retarded/ill group home facilities, community opposition; information control; telephone interviews/mailed questionnaires; New Jersey community residents; 87R2231
mentally-ill/retarded group home establishment, community opposition; neighbors' prior notification; interviews, census data; New Jersey; 87R2778
organizational problem solving, middle managers, Regional Institutes for Ambulatory Mental Health Care, Netherlands; questionnaires; 87R3767
outpatient psychiatric treatment, legal issues; 87R4929
patients' rights issues, state mental hospital staff attitudes; questionnaires; New England; 87R8529
psychiatric hospitalization, "mentally ill," patients' rights; case study; Michigan mental health statute; 87R2822
psychiatric patients, Denmark, cohort characteristics; admissions data; 87R2820
psychological/social functioning, mental patients; official labeling; scale; 87R6589
psychopathological symptoms, adolescent females; sociodemographic factors; psychiatric hospital records; Massachusetts; 1973-1983; 87T0650
recidivistic mentally ill criminal offenders, diagnostic categories; admission assessments; France; 87R4524
recurrent affective illness, severity/frequency/duration; life chart data; research patients, National Institute of Mental Health, Bethesda, Maryland; 87R2834
religious background/phenomenology, psychiatric inpatients, cultural differences; case notes; dondon, England; 87R4932
sexual development/life, female psychiatric patients; interviews, questionnaire; 87R2639
social skills deficits; irrational beliefs; scales; psychiatric patients, students; 87R1457
staff-patient conflict/coalition formulation, mental institution; participant observations, questionnaires, records; 87T0665
suicidal patients, commitment criteria validity; literature review; 87T0668
suicide mortality, psychiatric patients, Denmark; register data; 87R4901
suicide rates/hospital utilization, psychiatric patients, Denmark; register data; 87R4900
suicide, former psychiatric hospital patients; case studies; South Australia; 87R2816
traditional Shamanistic healing practices, Okinawa; fieldwork, interviews, case studies; 87R6577

Mentally Retarded
deinstitutionalized mentally ill, alcohol/drug use; ethnographic study; 87T0682
educable mentally retarded students, demographic/sociobehavioral characteristics; questionnaires; special services public school teachers; 87R2345
group conversational interaction, mildly/moderately retarded adults, content/dynamics quantification; transcripts analyzed; 87R5512
intelligence testing, public schools cultural bias; case study; *Larry P. v. Riles*; 87R4296
long-range social adjustment, mentally retarded; labeling; former students; 87R2599
mental retardation, labeling issues; 87R9242
mentally retarded adults, peer conflict resolution; discourse analysis context; 87R5613
mentally retarded adults, Sweden, psychiatric illnesses; interviews, psychometric instruments; 87R2817
mentally retarded residents, public institutions, caretakers' attitudes; participant observation; 87T0670
mentally retarded, residential care/treatment, public policy, Michigan; 1830-1983; 87R8553
mentally retarded/ill group home facilities, community opposition; information control; telephone interviews/mailed questionnaires; New Jersey community residents; 87R2231
mentally-ill/retarded group home establishment, community opposition; neighbors' prior notification; interviews, census data; New Jersey; 87R2778
retarded, Canada, social service policy development; Metropolitan Toronto (Ontario) Association for the Mentally Retarded; 87R5294
special education students, handicap characteristics; school records; 87R4290
workplace integration, developmentally-disabled/mentally retarded adults; experiment; symbolic interactionist perspective; 87T0810

Merchants
bahri alang (going outside) practice, India, ritual aspects; fieldwork; artisans/shopkeepers, Banaras; 87R1934
survival strategies, rural merchants, declining vs growing farm communities, regional-historical context; 87R2989

Meritocracy
meritocracy/egalitarianism debate, higher education; 87R8048
school-employment transition, Japan, market/institutional mechanisms; interviews; 87S1964

Messages
intimate relationship termination, bad news delivery strategies; interviews; 87R1419

Messianic Figures
Christian Messianic movement, 19th-century Canada, Louis Riel's career; book review essay; 87R4434

Messianic Movements
Christian Messianic movement, 19th-century Canada, Louis Riel's career; book review essay; 87R4434
Jewish Messianism notion, semiotic analysis; 87R8051
Southcottian/Shabbatean messianic movements, R. C. Abelson's structural theroy of emotions; 87R1854

Mestizos
class solidarity/social integration, religious systems' role, Teuchitlán, Jalisco, Mexico; capitalism conversion; post-1910 Mexican revolution; 87R3633

Metal Industry
compliance, intergovernmental organizations; case studies; Organization for Economic Cooperation and Development (OECD), European Economic Community (EEC); 87R1664
individual vs collective rationality, labor unions; case study; metal industry, West Germany; 87R1686
industrial employment, female discrimination, coping mechanisms; interviews/personnel records/participant observation; steel plants, Ciudad Guyana, Venezuela; 87R7334
organizational change, US steel corporation; macro economic conditions; participant observation, interviews, document analysis; 1930-1985; 87R5716
production organization/management, tool & die workshop, France; technological innovation; personal experience; 87R1701
rationalization processes/rules, administrative/production work; interviews; management/employees, West German metal industry companies; 87R1769

social relations of production, British metal-trades firm, emerging paternalism; case study; 19th century; 87R9464
unemployed steel workers' households, South Wales; economic crisis; interviews; married couples; 87R6449
Metaphors
Marxism/deconstruction, Louis Althusser's/Jacques Derrida's writings; 87R3145
metaphor vs literal truth, cultural interpretation; 87R1384
textual analysis, social sciences, metaphor's use; 87R1196
Metaphysics
mind-body problem, sociological theory development, George Herbert Mead's works re-analyzed; 87R9109
realism, progress/theories, metaphysical issues; 87R5323
Sumner, William Graham, Scottish moral philosophy; 87R7024
systems theory, metaphysical aspects; 87R3396
Metasociology
Metatheory in Social Science: Pluralisms and Subjectivities by Donald W. Fiske & Richard A. Shweder; review essay; 87R1192
sociology, subdisciplines, unification macrotheory concept critiqued; 87R9067
sociology/other disciplines, relationships, isolationist/internationalist approaches; journal issue introduction; 87R9092
Methadone Maintenance
methadone diversion treatment; interviews, ethnographic data; 87R8609
Methodists
female/minority clergy placement, laity/pastor receptivity, United Methodist churches, Ohio; questionnaire; 87T1009
Methodological Individualism
methodological individualism, Raymond Boudon's principle; 87R1283
Methodological Problems
air pollution-mortality relationships, regression estimates; measurement error; official data; 87R5361
alcohol use, field investigation strategies; 87R8593
Allport/Postman rumor psychology research, data distortions; 87R7169
American Indians, 1980 census count, data anomalies; 87R9306
Anglo vs Puerto Rican woman's discourse, interviewer misunderstandings; ethnic differences vs gender congruence; 87R8994
anthropological ethnohistory, missionary documents as sources, methodological problems; 87R3212
anthropological research, data collection/evaluation, "soft" vs scientific/humanistic emphasis; 87R1186
anthropological research, migrant labor, South Africa; 87R4108
anthropological research, southwestern Europe, fieldwork emphasis vs theory construction; 87R1224
applied social sciences, rationalization/bias; book review essay; 87R1264
Arab sociology assessment; mailed questionnaires, literature review; 87R1327
Armies of the Poor: Determinants of Working-Class Participation in the Parisian Insurrection of June 1848 by Mark Traugott, historical/sociological methodologies; book review essay; 87R2054
biographical method, sociological research; 87R1286
capitalistic farm enterprises, Canadian agriculture; census; 87R5781
charge reduction/sentencing process, gender differences; critique/reply/rejoinder; 87R8092
Chinook Indian myth; philological vs comparative anthropology approach; 87R7271
coital frequency; marital duration; critique/reply; 87R2673
collective justice evaluations, work settings, blockmodeling methodology; article/reply; 87R8130
communication actors, analytical/methodological approaches; 87R1885
communication theory/models, analytical methodology; 87R1910
communications ethnography, alternative programs; 87R6842
community satisfaction, small towns, research issues; case study; Frankenmuth, Michigan; 87R9950
complex organization analysis, population perspective models; 87R9515
computer-assisted telephone interviewing, methodological issues; 87R8997
consumer behavior, materialist traits; scales; 87R5774
conversation, overlapping talk, information organizing method; 87R1504
cybernetic appropriateness review, hospital care; project evaluation; 87R4880
depression, women, "vulnerability" vs "strain" models; critique/reply; 87R8543
deviance-social class relationship, consensus vs conflict debate, methodological issues; 87S1998
diary/journal literary genre, female writers; content analysis; 19th/20th centuries; 87R9207
direction-giving, sequential organization; telephone conversation transcript; 87R1516
disaster research, methodological problems; personal research; Love Canal, New York; 87R5176
discourse analysis, sociology of literature, operational procedures; 87R2261
discrete spatial data/choice analysis, methodological developments; 87R8790
divorce-suicide relationship, Ira M. Wasserman's study, methodological problems; article/reply; 87R8454
doctor-patient dialogue analysis, methodological approaches; 87R8502
drinking patterns, US adolescents, research problems; 87R2860
ecological awareness, structural model, statistical methods; 87R3037
economic growth, less developed countries; urban bias/dependency; cross-national data; 87S1998
education research, ethnographic/quantitative methodological integration; 87R3163
election-night predictions, Italian television, reliability/accuracy; 87R1995
epistolary writing, analytical methodological issues; 87R6871
ethnomethodology practice/theory, US/GB/France/Italy/West Germany; literature survey; 87R1381
evaluative citation analysis, citer motivation; interviews; authors, University of Iowa; 87T0228
Eysenck Personality Questionnaire, cross-cultural comparative validity; 87R3415
family health care research, methodological/measurement problems; case study; 87R8417
family planning status, potential fertility; selection factors; 87R4791
female fertility/labor force participation, nonrecursive models, statistical issues; secondary data, simulations; 87S1947
forcasting, scientific weaknesses; 87T0882
friendship research, conceptual/methodological issues; 87S1945
futures research, USSR; 1981-1985; 87R6722
groups, multiple level observation, theory method; book review essay; 87R1405
health care decision making, quantitative modeling approaches; 87R2837
health interview surveys, perceived morbidity concept; national survey; Australia; 87T0575
high-technology managerial elites/organizations, qualitative research methodological issues; participant observation, interviews, other data; Solar Corporation, New York; 87S2004
historical sociology, specificity methodological standard, US South; 87R8698
history of science research, methodological problems; book review essay; 87R8211
Holocaust survivors' testimony/writings, analytical issues; content analysis; 87R1230
household consumption, multiple classification data analyses, Karl van Meter's basic types notion; 87R3235
household division of labor, alternative measurement strategies; interviews, activity logs; 87R4773
human rights abuses, social science research, quantitative data's limitations; 87R8983
illness adjustment, C. Herzlich's methodology/conceptual framework; 87T0620
Indian old age homes, South Africa, research problems; 87R2888
infant mortality rate, live birth definition, post-1950 USSR; statistics; 87T0290
infecundity/sterility, age patterns, historical statistics; 87R8445
intergenerational family relations, measurement issues; secondary data; California; 87T0479
international social movements research, conceptual/methodological issues; 87R5843
introductory sociology texts; 2-book review essay; 87R3275
juvenile prostitution, criminalization recommendation, Canada; interviews; 87R7756
kibbutz communities, cross-cultural comparative research, theoretical/methodological issues; 87R3196
leadership style, Japanese research; book review essay; 87R9261
legal history, GB, theoretical/methodological problems; book review essay; 87R8123
life story, Holocaust survivor, research project; 87R3077
life-course/generational politics, research designs; literature review; 87R1983

literary expression, knowledge construction/cognitive processing, theoretical issues; 87T0075
long-term care, evaluation research/policy issues; 87T0781
longitudinal data registration, musical notation methodology; 87R5347
magazine-distributed questionnaire, exploratory research method; 87R5335
marital adjustment, Mexican Americans; Dyadic Adjustment Scale; Santa Barbara, California; 87R2650
marital happiness/stability, first-marriage couples; need/role/perceptual congruence; psychological scales; 87R6502
Marxist-Leninist sociology, social practice/human factor; 87R9172
masculinity/femininity research, methodological/theoretical issues; 87R6815
mass media research, information gap concept; 87R5854
mathematics use, stereotypes/prejudice, Soviet sociology; 87R6956
measurement error, panel analysis, attenuated vs inflated relationships; 87R5356
medical anthropology, clinical vs academic work, discipline fragmentation; critique/reply; 87R8524
medical education costs, India, methodological issues; records, interviews, case studies; 87R8022
migration decisions, cognitive information process, social psychological perspective; mobility data; 87R1413
migration forms, definition criteria, measurement; 87S2001
migration motivation, migrants' social mobility attainment perception, India, theoretico-methodological perspective; 87S2002
military human services programs, methodological issues; 87R8996
missing data, historical research, causes/control; 87S1968
moral judgment theory/methodology, validity/reliability problems; 87R7053
mortality differentials, interclass comparisons, methodological problems; 87R7805
national preelection estimates; respondent selection/interviewing techniques; case study; 1984 US presidential election; 87R7657
nonadditivity problem, quantitative science studies; 87T0239
nursing home patients' care, relatives' interference, Erving Goffman's "total institutions" paradigm; 87R4868
occupational prestige rankings, cognitive reality; questionnaires, NORC studies; 87R4080
oral history methodology, ethnic relations research, Australian society; 87R5560
oral history, research/collection techniques, methodological problems; South African Institute of Race Relations project; 87R1312
organizational research, database need; 87R3757
panel data, misspecification/instability/ordinal variables; 87R5342
panel data, unobserved variables, linear stochastic differential equation models; 87R5360
personality research, theoretical/methodological issues; 87R7156
policy-making problems, "unstructured" quality, sociological research/methodology implications; 87S1984
political rights/liberties measurement, methodological issues; 87R9716
political/social forecasting, methodological problems, conflict analysis technique suggested; *Time* magazine predictions, 1984 US presidential race; 87R7602
polls, public attitudes; surveys; 87R1880
poverty/relative deprivation concepts, statistical measurement problems; 87T0950
pre-election poll accuracy; structural variables; public opinion polls; 1981/1984 election campaigns, Israel; 87R1882
prejudice research, methodological/theoretical approaches; 87R1466
public opinion data usage, US Attorney General's Commission on Pornography, methodological problems; 87R9635
quality of life determinants, assessment methods; questionnaire; US; 87R5138
quality of work life, organizational consultants, internal-external teams; personal experiences; 87R5289
race relations, desegregation research; longitudinal project, Hartford, Connecticut; 87R2356
Rajneesh spiritual movement, eastern Oregon, research/interpretation problems; 87T0147
replication, scientific controversy, methodological/historical issues; response/reply; 87T0232
research obstacles/state interference, correctional institutional settings; personal experience; 87R3215
reserve production leaders, selection/formation, USSR; seminar topics; 87R7761
residential context/behavior, geocoding vs age-based procedures; survey; Baltimore, Maryland; 87T0748
response order effect theory; experiment; 1984; 87R8989
role structures, blockmodel vs homomorphism definitions, 2-community demonstration; comment/reply/rejoinder; 87R4190
science assessment, methodological debate; 87R4546
scientists' careers research, data source problems; curricula vitae, published data; psychologists, US; 87R9886
self-reported voting claims; third-party presence; survey data; 87R2056
small-sample generalizability, external validity, disaster research; 87R1242
social class measurements comparison; national data, Sweden; 87S2002
social cognition/perception, information processing; literature review; 87R9220
social history-historical sociology interrelationship, Social Science History Association's role; Olivier Zunz's/Theda Skocpol's works; 87R9108
social history/historical sociology methods/perspectives, Oliver Zunz's/Theda Skocpol's works; 87R9124
social impact assessment, theory/methods; literature review; 87R1209
social interaction patterns, migrant individuals/groups; familism; 87R5564
social mobility analysis, status-specific inheritance/quasi-independence models critiqued; article/reply; 87R5965
social relationship laws, social science research methods; 87R1345
social science research methods, biographical materials; personal experience; 87R1201
social science, documentary sources, life stories; personal experience; 87R1199
social statistics/social law, cause/probability, theoretical/methodological issues; symposium contributions. XI World Congress of Sociology, New Delhi, India, 1986; 87R9181
social support research, concepts/models/measures; 87R1786
sociolinguistic method/theory, gender-based focus advocated; 87R4222
sociolinguistic research, respondent social class grouping effect; 87R6086
sociological research methodology, USSR; seminar topics; 87R6879
sociological research, conflicts; institutional political context; case study; Canadian biotechnical laboratory; 87R4527
sociological research, macro-/microaspects; 87R8976
sociology of Jewry, methodological/conceptual issues; article/comments; 87R7008
sociology of work, research approaches, USSR; 1950s-present; 87R9461
sociology's stagnation, natural science model critiqued; comment/reply; 87R9072
southern Italian peasants, anthropological field studies, ethnographers' biases; 87R3637
squatter settlements/mobilization, cross-national research, methodological issues; 87S1997
technical/natural sciences linkages, methodological approaches; 87R8219
underemployment measurement, social indicator approaches; 87T0885
unemployment, Italy, data collection issues; secondary data; 87R9399
unidimensionality, Christian Orthodoxy scale, statistical methods, D. B. Lindsey's/B. W. Sirotnik's/J. Heeren's application critiqued; comment/reply; 87T0158
validity/reliability concepts, social sciences, methodological issues; 87R1179
value orientations research, methodological problems; 87R3442
Vietnamese refugees, research methodology problems, policy implications; San Diego, California; 87R1609
visual sociology, data validity/reliability issues; 87R3197
womens' life course, research strategies, longitudinal/archival data; 87R3094
world system analysis, dependency theory, methodological innovations; 87R1187
written discourse interpretation, historical methods; 87R9718
youth recreational center, Manchester, England, sociological research methods; 87R3187

Methodology (Data Analysis)
analog-to-digital microcomputers applications, social science research; 87R9009
anthropological ethnohistory, missionary documents as sources, methodological problems; 87R3212
appropriate statistical procedures, sociology/research conceptions; 87R9024
association measures, significance testing/confidence interval estimation; 87R3243
attitude structure, hierarchical models, conceptualization/estimation issues; 87R6912

attitudes toward guestworkers, West Germany, item reliability/"Socratic effect"; 1984 General Social Survey; 87R5332
attitudes toward guestworkers, West Germany, latent means/simultaneous estimation models; 1984 General Social Survey; 87R5343
attitudes toward guestworkers, West Germany, multiple indicator models, item reliability/stability; 87R5367
career patterns, US males, C. Matthew Snipp's data/models/analysis; article/reply; 87R9865
CHAID methodology, smokers vs nonsmokers, South Africa; 87R5340
Christian orthodoxy, J. Timothy Fullerton's/Bruce Hunsberger's unidimensional scale, study replication; 87R4407
comparative organizational research, heterogeneous vs homogeneous samples; business/government organizations, California; 87R3758
comparative social mobility tables, degree-of-freedom tests, US/GB/Japan; 87T0356
comparative software review methodology, social scientists' needs; 87R6868
complex sample surveys, standard error estimation, methodological issues; interview survey; New Haven, Connecticut; 87R6893
complex survey data, sampling problems/strategies; 87R3234
computer applications, qualitative sociology, timeline construction; 87R6874
computer statistical packages, vendors' comments; 87R6867
computer's utility, sociological fieldwork; 87R1233
contingency table data, partial rank-order correlation coefficients, variance/covariance estimates; 87R3230
contingency tables, loglinear analysis methods; psychiatric epidemiology data; 87R3254
contingency tables, multiple/partial association model; 87R5352
conversation analysis, doctor-patient relations; book review essay; 87R2785
correlational change analysis, reliability/metric issues; 87R6895
covert tape recordings, legal analysis, ethical issues; 87R5338
crime level, composite index construction/validation; *Uniform Crime Reports*; metropolitan areas; 1976-1980; 87R5048
crime patterns/rates; socioeconomic variables; cyclical time-space analysis; 87R5041
crime, principal component vs smallest-space analysis; B. Ahamad's data reanalyzed; 87R5050
crime/deviance, Edwin H. Sutherland's differential association theory; interview survey; adults; 87R1369
criminal histories, juvenile delinquents, data reduction techniques; offense history data, court records; New Jersey; 87R7195
data homogeneity problem, quantitative analysis; 87R6886
demographic projection/inverse projection, ergodicity, mathematical analysis; 87R8278
demographic/family research, computer's use; 87R4624
dichotomous data analysis, logit/probit regression models, heterogeneity problem; 87R6907
dichotomous dependent variables, regression procedures, statistical properties/interpretation; 87R3232
discourse analysis, sociology of literature, operational procedures; 87R2261
document analysis, ethnographic approach; Iranian hostage television news as illustration; 87R6863
ecological regression analysis, methodological issues; historical election data; Germany; 87R1240
educational attainment measure, 1990 US census; 87S1966
empowerment, measurement instrument developed/tested; literature review; 87R5322
event recall, formative vs nonformative years, Karl Mannheim's theory; questionnaires; Wilson Fellowship scholars; 87R1467
event reinforcement, Markov process model, estimation/testing methods; 87R3218
factor analysis, instrumental variables technique; 87R9003
factor analysis, longitudinal data, common/specific/error variance estimation, low- vs high-technology methods; article/comment/reply; 87R6898
family life research, life-course perspective; 87T0468
fertility decline, threshold hypothesis, methodological issues; 87S1968
Galileo spaces, human cognitive processes; compounded messages; random lagged experiments; 87R3257
gerontological research, longitudinal data analysis methods; 87R8979
grade average prediction accuracy, age/sex/racial-ethnic subgroups, college freshman; subgroup/dummy variable prediction equations; American College Testing Program data; 87R6169
grid-group analysis, environmentalist movement, application problems; 87R9621
household consumption, multiple classification data analyses, Karl van Meter's basic types notion; 87R3235
independent variables, social/behavioral research, "unpackaging process"; 87R3206
individual's socioemotional development, intentional value-feelings, quantification coding system; biographical data; 87S1971
infant mortality, endogenous/exogenous measures, accuracy/generalizability; infant birth/death records; US, Mexico, other countries; 87R2569
information gathering activities, social research, microcomputer database applications; 87R8998
intergroup achievement differences, decomposition method; 87R3229
interpersonal communication processes, social science models; 87R1497
interpersonal communication/interaction, social science analysis/models; 87R1494
interpretive interactionist methodology, biographically meaningful experiences; 87R1203
latent (quasi-)symmetry models, loglinear analysis; 87R6910
latent variables, metric definition; comments/replies; 87R3246
linear causal models, computer estimation programs, behavioral sciences; 87R6904
linear regression models, population heterogeneity problem; 87R3217
local political power, reputation perceptions, measurement techniques; interviews; Netherlands; 87R3211
loglinear analysis, adjusted crosstabulation computations; illustrative data set, unemployment; 87R1239
loglinear analysis, demography/sociology statistical methodology; 87S1951
loglinear models, construction/interpretation/application; 87R1244
manuscript proofreading, undetected misprints, estimation method; 87R3231
Marx, Karl, sociological research methodology; 87R8915
measurement error, nominal-level data, latent Markov model; panel survey; civil servants, Netherlands; 87R3244
methodological education, sociology students, West Germany; 87R3273
microcomputer graphics supplements, social science applications; 87R5355
missing data, historical research, causes/control; 87S1968
mobility tables, cross-national comparison, association/other models; 87S1987
morality assessment, rural vs urban areas; death registration data; Thailand, Peninsular Malaysia, Philippines; 87R6355
mortality level estimation, two-census methods illustrated; simulated data; 87R8243
multidimensional scaling, alternative solution equivalency; 87R3236
multinomial logit analysis, parameter assessment, graphical method proposed; 87R6896
municipal annexation elections, large vs small jurisdictions' voting power, mathematical analysis; 87R4018
neutral monotonic social functions, continuous-valued profiles; 87R6742
Notes on Social Measurement: Historical and Critical by Otis Dudley Duncan; review essay; 87R1194
occupational classification systems, Canada; 87R4089
occupational prestige scale, validity/reliability, Netherlands; 87R3200
opening routines, telephone conversations; transcripts; 87R1518
organizational behavior research, equity formulas, mathematical definitions; 87R7379
P-STAT/SPSS/BMDP computer statistical packages; comments; 87R6888
panel data, misspecification/instability/ordinal variables; 87R5342
panel data, unobserved variables, linear stochastic differential equation models; 87R5360
parametric strategies, methodological issues; journal article content analysis; 87R1213
path/causal analysis, method appropriateness issues, structural approach proposed; 87R6905
Pearson's correlation coefficients, ordinal scores, methodological problems; 87R3238
perceived vs actual language use, Portuguese-/Greek-language households, Canada, data collection implications; 87R6106
perfect multicollinearity problem; 87R3233
personal characteristic similarity, marijuana use; dyad characteristics; published data; adolescent friendships; 87R3460
personal economic well-being, change measures; interview survey; 87R3009
policy research, India, hard vs soft data, reliability/validity criteria; 87R3198
political participation indicators, identity-equivalence method;

87R4028
political/social attitudes, aggregate vs individual stability; 87R1223
poll forecasts, national elections, predictive accuracy; 87R1986
population heterogeneity/distributions, mixtures models; 87R4595
population increase-economic development relationship, preindustrial Western Europe; 87T0338
population size, regression analysis, ratio vs component control methods; 87R3223
primary school enrollment, France, methodological issues; statistics; critique/reply; 87R4318
principal components vs common factor analysis; 87R3221
probabilistic causal systems analysis, conditional probability vs linear flow graph approaches; 87R3251
qualitative data analysis, computer programs; 87R1232
quantitative research, significance testing; critique/reply; 87R5353
queueing, social organization; 87R8938
racial income distribution data, intergroup inequality measures; 87R3224
radio broadcast news messages, methodological approach; 87R1889
radio broadcasts, content analysis approach; 87R1888
rank-size distribution, regional differentiation, Austro-Hungarian cities; censuses; 1857-1910; 87R2222
recursive causal model, methodological/theoretical issues; questionnaire survey; female bank employees, Italy; 87R3248
regression analysis, interaction effects, microcomputer graphical approach; 87S1960
reliability measurement, statistical methods; 87R5330
religion/delinquency relationship, alternative statistical tests; interviews; adolescents; 1975; 87R2950
residential mobility, analytical model, omitted variables problem; panel study; households, Michigan; 87R3249
residential racial segregation, 19th-century US cities, index measure; manuscript census; Jacksonville, Florida; 87R4180
residential segregation, minority groups, intercensal years; birth/death records; Phoenix, Arizona; 87S1937
retirement, marital status changes, happiness impacts; longitudinal study; 1969, 1975; US; 87T0753
roll-call voting patterns, Guttman scaling vs factor analysis techniques; 87R6906
sample selection bias, War on Poverty Research, corrective statistical techniques; 87R5188
school effects model, contextual/structural variables, estimation approaches; 87R3253
science policy outcome measurement, journal-journal citations; *Journal Citation Reports*; water pollution, occupational hygiene; 87R5318
scientific activities, statistical analysis, non-Gaussian distributions; illustrative cases; 87R6311
small group structure, group members' similarity ratings; 87R5344
small-sample generalizability, external validity, disaster research; 87R1242
social class divisions, US, scaling methods; 87R8404
social interaction matrix comparison, nonparametric technique; published empirical examples; 87R3178
social network analysis, Euclidean distance measures vs correlations; response/reply; 87R7393
social norm measures, modal frequencies interpretation; 87R3228
social science prediction/decision rules, microcomputer program; 87R9017
sociological research, computer-assisted qualitative analysis, word processor keyboard macros; 87R3190
spatial development differentials, analytical methodology; Goa, India; 1978-1980; 87R3030
state crisis, normative/ideological concepts; 87R7027
statistical analysis packages review; 87R6897
statistical analysis packages, teaching applications; 87R6883
statistical analysis packages; scaling/classification capabilities; 87R6891
statistical matrices, deviations from proportionality expectations, analysis methods; published data, patents granted, US, 1963-1977; 87R6729
statistical method use frequency, psychiatry, quantitative skills instruction implications; content analysis; psychiatric journal articles; 1983-1984; 87T0096
statistical procedure; reply/response; 87R2703
strategic maps, scientific research, documentary analysis methodology; 87R3185
structural equations models, effect analysis; 87R3252
survey data storage/processing, microcomputer retrieval system; 87R1204
tau/lambda/kappa estimation, small sample matrices, confidence intervals; 87R6903
textual meaning, mathematical representation; G. Muskens's critique, reply; 87R3256
time budget surveys/analyses, methodology/utilization; 87R8974
top social/political positions, occupants' influence, conceptualization/measurement issues; 87R3778
ultrametric/additive tree clustering, optimal variable weighting; 87R3242
unit's prominence/centrality, social networks, measurement techniques; 87R5730
voter self-reports, external validation measures; 1980 National Election Study; 87R7571
weighted scoring rules, alternatives to impartial culture assumption; computer simulations; 87R1238
welfare state/minority inequality attitudes, West Germany, single-indicator multiple-wave panel models; 1984 General Social Survey; 87R5363
within- vs between-subjects studies; 87R3204

Methodology (Data Collection)
adaptive development processes, adolescents, evaluation scales derived/tested; interviews; psychiatrically disturbed/diabetic adolescents vs healthy high school freshmen; 87R7098
analog-to-digital microcomputers applications, social science research; 87R9009
anthropological theory/writing/fieldwork, hermeneutical issues; 87R1225
anthropology-medicine conflict, clinical settings; 87R3154
attitude stability, nonattitude levels, black-gray-white model; panel data; 87R1414
attitudinal surveys, personal vs telephone interviews; trend data, two national studies; 87R1202
censored sampling bias, Heckman's correction method; 87S1982
changing youth attitudes, Israel; content analysis; autograph books; 1925-1980; 87R1221
chronic unemployment, coping strategies, Canadian youth; life histories, case study; Montreal, Quebec; 87R1681
clergywomen's functions/views, US; methodological perspective; 87S1962
clinician/patient interactions, ethnographic observation methodology; case study; inner-city pediatric clinic; 87R8493
computer assisted data collection, methodological problems; 87R8992
computer-assisted telephone interviewing, methodological issues; 87R8997
covariance structure analysis, measurement error/response reliability; questionnaires; school leavers, Scotland; 87R1237
criminal punishment, public attitude assessment, factorial survey design; comment/reply; 87R1873
cultural analysis/research, ethnographer's own culture; fieldwork; Greek immigrants, Chicago, Illinois; 87R3184
data collection instruments, response categories, quantitative evaluation method; 87R8984
data homogeneity problem, quantitative analysis; 87R6886
delinquency rates, adolescent self-reports vs adult retrospective reports; 87S1981
Delphi-based dissertations, nature/quality concerns; *Dissertation Abstracts* database; 1970-1984; 87R6686
employee absenteeism, self-report vs records-based measures; 87R7328
ethnographic fieldwork, methodology/philosophical issues; 3-book review essay; 87R3186
ethnographic research, urban sociologists, historical development, current interest revival; 87R4185
experimental ethnographies, dialogic approach; 87R3177
experimental social psychology, operationalism persistence; 87R6858
Family Relations Test, clinical applicability, Yugoslavia; 87T0510
federal statistics, access restrictions/research suppression; case study; White House Office of Management & Budget; 87S1929
field research, library science; personal experience; 87R3182
"first-person" interview/oral history data, editing issues; 87R6869
follow-up questionnaire survey, D. A. Dillman's techniques; 87R3193
functional theory/survey research methods, historical relationship, causation vs ecological correlation; 87R1323
general population surveys, social science research, mail questionnaires vs personal interviews; Australian adults; 87R1215
genetic counseling medical group, sociologist's fieldwork experience; 87R2755
global variables' utility, social survey research; case study; education; 87R6881
health attitudes/behaviors research, computer-based vs paper mail questionnaire survey, response effects; 87R3195

Hispanic financial aid recipients, income self-reports; student records; 87T0121
household division of labor, alternative measurement strategies; interviews, activity logs; 87R4773
household structure, retrospective survey response inconsistency; national panel survey; young women, US; 87R3183
influence process, keyperson interviews, information bias; 87R6870
life course data, 1865-1921, Casalecchio de Reno, Italy; database management system, population registers, public records; 87R8366
life histories as research method; 87R1507
life-history method's utility, sociological research, Latin America; Brazil/Argentina/Mexico; 87R1200
literature reviews, computer-assisted research; 87R6926
magazine-distributed questionnaire, exploratory research method; 87R5335
mediation research, legal anthropology; 87R2442
methodological education, sociology students, West Germany; 87R3273
national preelection estimates; respondent selection/interviewing techniques; case study; 1984 US presidential election; 87R7657
national survey results; race of interviewer; General Social Surveys; US; 1972-1977; 87R3207
native populations/customs, South Africa, missionary/administrator training; A. R. Radcliffe Brown lecture; 87R5606
naturalistic social research, interview information, theoretical/methodological issues; 87R6875
nonparticipant observational research; 87R6865
official demographic data, Federal Republic of Germany, procurement/other problems; 87R1218
participant observation difficulties, sociological research; sociocultural boundaries; personal experience; Tokyo, Japan; 87R3191
participant observation methods, researcher's member vs nonmember standing; personal experience; field projects; 87R5339
patient-practitioner encounters, interaction analysis technique; observation; 87R6541
perceptual deterrence research, cross-sectional vs panel designs; 87R8172
poor families, social work agency relationships, inner-city neighborhoods, US; participant observation, case studies; 87R3488
population projections, census enumeration errors/adjustments; Ohio; 87S1933
population social structure, social status, role-sets, network position as measure; methodological aspects; 87R3779
postal surveys, nonresponse problem, social desirability dimension; judges, prosecutors; 87R1219
pre-election poll accuracy; structural variables; public opinion polls; 1981/1984 election campaigns, Israel; 87R1882
preschool children's self-concept, tactile/visual investigatory technique; 87R4645
Protestant ethic, Taiwanese college students; scale/other measures; 87R2334
public opinion polling, suggestive questioning; West Germany; 87R1879
questionnaire batteries, positively/negatively formulated items; LISREL analysis; 87R3237
radical political groups, research problems, sociologists as antipartisan; 87R1251
rape research, randomized response technique vs traditional survey methods; experiment; nursing students; 87R8674
research obstacles/state interference, correctional institutional settings; personal experience; 87R3215
response distribution, telephone survey research; confidentiality reminder; southern Nevada; 87R1210
response rates, longitudinal surveys, maintenance techniques; 87R3189
retrospective samples, discrete choice models, C. E. Manski's & D. McFadden's maximum likelihood estimation technique evaluated; 87R6909
sample size formula, multiple regression studies; 87R1241
school dropout/completion rates, divergent definitional/operational systems; 87R6141
school performance; self-concept/valuation; self-report measures, teacher ratings; 4th-10th grade students; 87R3438
sex-role conflict, scale measure developed; 87R7287
situation-oriented response, research interview, social desirability concept; 87R1207
small group structure, group members' similarity ratings; 87R5344
social change models, time series regression techniques; 87R3241
social life feeling, questionnaire responses; direction-of-wording; interview data; adults, US; 87R5337
social science research findings; interviewer style; experimental study; Netherlands; 87R3209
social science scales; book review essay; 87R1236
social stratification/inequalities research, Kiel University, West Germany, theory/methodology; 87R2073
sociolinguistic data elicitation techniques, reporter's test; Welsh examples; 87T0037
sociological research, conflicts; institutional political context; case study; Canadian biotechnical laboratory; 87R4527
southern Italian peasants, anthropological field studies, ethnographers' biases; 87R3637
special populations, sampling methods; 87R1243
sports research, US, photo-elicitation method, interview technique; case study; 87R1948
student learning, interview accounts, analytical approaches; 87R6872
survey interview, fictitious issues, respondents' opinion expression; 87R1198
survey research methods; two-book review essay; 87R1211
survey research, public participation/attitudes; telephone interviews; US; 87R1881
survey response errors, reason assessment; interviews/questionnaires/arrest records; ex-heroin addicts, New York City, New York; 87R3214
survey responses, "poor" vs "welfare" wording; General Social Surveys; 87R6884
surveys, public attitudes; interview surveys; Waterloo, Ontario; 87R1875
systematic sociological introspection, methodological utility; 87S1954
telephone survey statistics, interviewer effects, measurement/estimates; 87R1217
time budget surveys/analyses, methodology/utilization; 87R8974
volunteer subjects' health data files, research utility improvement; 87T0618
West German General Social Survey, demographic variables' stability; interviews; 87R5351

Methodology (Philosophical)

academic sociology/Marxism critiqued; 87R5410
action analysis, means & ends, social sciences; 87R3374
action theories, methodological issues; 87R7073
actress Marilyn Monroe/murderess Ruth Ellis, biographers' views/fact selection; feminist perspective; 87R6791
altruistic behavior, sociobiological explanations; ethnographic case studies; 87R7145
anthropological theory, Sherry Ortner's theory; discussion; 87R1395
anthropology theory, I. C. Jarvie's philosophy; book review essay; 87R6850
basic vs applied research, social science, validity/reliability; 87R3210
biographic works, writing process; case example; feminist perspective; 87R6806
biography writing, fictive aspects; case example; feminist perspective; 87R6802
body/mind as information systems, idealism vs dialectical materialism tenets; 87R5102
case study method, sociological research; 5-book review essay; 87R8986
causal relationships, longitudinal analysis models; 87R8951
causality, epistemological considerations; 87R8953
causality, epistemological considerations; 87R8954
"Censis" social research institution, Italy; conference papers; 87R5499
class consciousness, dialectical concept, empirical investigation method; 87R6685
classification/prediction techniques, criminal justice research; subjectivity, values; 87S1947
communication theory, conceptual bases; 87R1625
comparative historical sociology, methodological approach; book review essay; 87R2029
comparative method, sociology/cultural anthropology; 87R6845
comparative research, India, most similar vs most different systems design; 87R3192
comparative social research, replication/interpretation issues; questionnaires, scales, indices; occupational social workers, Hong Kong; 87R1212
consciousness, self-intimational vs other accounts; 87R1460
consciousness, sociophilosophical problems; Soviet literature review; 87R5479
conservatism trends, methodological approaches, West German sociology; 87R3327
constructivist sociology, science as nonobjective; critique; 87R8196
conversation, overlapping talk, information organizing method; 87R1504
crime, punishment as domination/discipline, Europe; 87R2456

criminal justice system, abolitionist approaches, methodological foundations; 87R2466
critical theory/empiricism, social science; 2-book review essay; 87R1190
cultural translation potential, self-critical capacity, Western society; 87R9332
demographic trends, family sociology issues; 87R8401
dialectical irony, literary method of logic, social science's use; 87R6081
dialectics, Marxist analysis; 87R7078
disequilibrium forces, social systems, orthodox paradigm vs Karl Marx's dialectic; 87R1185
domestic life image, family studies, methodological implications; 87S1937
Durkheim, Emile, Max Weber's awareness/reactions; 87R9107
Durkheim, Emile, theory of knowledge, cultural variability; 87R3342
E-state structuralism, network/expectation state explanations synthesized; animal dominance relations illustration; 87R1362
economic development, comparative analytical approaches critiqued; 87S1972
economic sociology, US/Sweden, paradigm crisis; 87R1334
economic-family structures relationship, family sociology issues/concepts/methodologies; 87R8342
empirical research, qualitative methodology, life histories; personal experience; 87R1226
ethics/religiosity relationship, US society, Alexis de Tocqueville's vs Max Weber's thought; 87R5442
ethnic differentiation, Marxian dialectical methodology; 87R3495
ethnographic knowledge/fieldwork, interpretive vs subjectivist orientations, empathy concept; 87R6877
ethnographic objectivity, emic vs etic analysis; 87R3361
ethnographic research/accounts, perspective/ambiguity; 87R3161
ethnographic writing, interpretive methods; 87R3657
ethnomethodology, Harold Garfinkel's work, realist orientation; book review essay; 87R3278
event reporting, constituent component omission, speaker/coparticipant interaction; 87R4219
everyday life sociology, contemporary developments; literature review; 87R9267
everyday life, behavior explanations, puzzles/resolution; 87R1389
everyday life, social action meanings, sociological theory development; 87R1496
exploitation concepts, Marxism of collective action; S. Lash/J. Urry critiqued; 87R5837
faculty evaluation, liberal arts colleges; 87R5376
family life/marriage/sexuality changes, Western Europe, sociology research implications; 87R8369
female protagonist's mental illness, patriarchal vs lesbian biographic accounts; 87R6787
feminist geography, J. Foord's/N. Gregson's work, theoretical/methodological problems; 87T0989
feminist research, ethnographic methodological concerns; 87S1981
feminist research, standpoint specific knowledge; 87R6253
Giddens, Anthony, structuration theory, analytical/philosophical status; 2-book review essay; 87R1359
grounded-encounter therapy, clinical sociology; 87R5298
group decision-making process, structuration theory; 87R7095
Habermas, Jürgen, functional systems theory, critical/practical validity; 87R1317
Habermas, Jürgen, rationalism defense; 87R1342
heritage, sociological/anthropological cultural research; 87R5583
historical sociology, evolutionary functionalism vs experimental empiricism debate, metaphorical/metalogical analysis; 87R8716
historical sociology, ontological/methodological assumptions, recent reemergence; 87R3331
historical studies, methodology/epistemology, Max Weber's thought; 87R5437
history of ideas, Michel Foucault's methodology; 87R3302
homosexuality research, essentialist perspective; 87S1943
human action-social structure relationship, theoretical/methodological issues; 87R5418
human sciences research, ethical aspects, technicism critiqued; 87R5379
humanistic vs scientific sociology, William L. Kolb's influence; personal recollections; 87R3309
Husserl, Edmund, sociological work, phenomenological approach; 87R5446
ideology, Marxist theories; 87R5261
ideology/critical theory, Leo Lowenthal's critique; 87R1309
illness/textual form/social relations, semiotic relationship; ethnographic data; evil eye headaches, Crete; comments/reply; 87R3644
incommensurability thesis, philosophy of science; literature review; 87R6312
individualism vs collectivism, understanding vs explaining human action, Max Weber's position; 87R1307
intentional states, human behavior, eliminative materialist position; article/reply; 87R1425
interpersonal cooperation, social structural conditions; 87R1464
knowledge acquisition, utopian thought; 87R8697
labor-model of activity, Seyla Benhabib's work; book review essay/response/comment; 87T0846
law & society studies, critical inquiry methodology/theory; 87R6278
Lazarfeld generalization-specification model, social science usage; context analysis; Sociological Abstracts's *Thesaurus of Sociological Indexing Terms*; 87S1955
legal norms, ontology/language; philosophers' views compared; 87R3174
life stories, critical phenomenological interpretive method; Jean-Paul Sartre's/William Faulkner's/Martin Heidegger's works; 87R2287
life story, meaning contexts; 87R1289
living standards, Italy, regional disparities; social/economic development; 87R5756
madness/reason, Jacques Derrida's/Michel Foucault's debate; 87R2975
Mannheim, Karl, Enlightenment epistemology/presuppositions; 87R2955
Marx, Karl, empirical research methodology; 87R8922
Marxist classical form vs Max Weber's ideal type/historical methodology; 87R3277
Mead, Margaret, Derek Freeman's critique/methodology; 87R2960
meaning uncertainty, quantum/pragmatic vs classical physics/structuralist theories; 87R3171
meaning/understanding, Donald Davidson's/Jürgen Habermas's rationalizations; 87R8968
Metatheory in Social Science: Pluralisms and Subjectivities by Donald W. Fiske & Richard A. Shweder; review essay; 87R1192
methodological education, sociology students, West Germany; 87R3273
methodological individualism, Raymond Boudon's principle; 87R1283
methodological individualism, reductionist/explanatory versions; 87R5316
methodological pluralism, structural vs action perspectives, life history data, social sciences; 87R1220
micro-/macrolevels, social exchange process, analytical issues; 87R9153
modern sociology, objective vs subjective epistemologies; 87R6843
monograph writing, modern European ethnography, epistemological problems; 87R3667
multilevel propositions, 2-step analytical solution; 87R3208
multiple murder cases, scientific research, epistemological/methodological issues; 87R2907
multiples distributions, Monte Carlo simulations/Gedanken experiments; 87R6322
music-society relationship, Marxist/idealist/neo-Romantic approaches; 87R4246
mythological studies, Claude Lévi-Strauss's procedures/findings critiqued; 87R7264
natural/social sciences, Marxism's relevance; 87R1273
nature, objectification critiques, alternative attitudes; medicine as example, human body's psychosomatic attributes; 87R5310
ontology of norms, logical relations, Hans Kelsen's vs Ota Weinberger's conceptions; 87R3350
order/structure, social science phenomena, hierarchy vs heterarchy concept; 87R1183
paradoxical events, therapeutic implications; 87R4908
Parsons, Talcott, methodological views, sociointellectual concept; 87R9064
philosophy of history, action theory; 87R2953
philosophy of history, Georg Simmel's epistemology; 87R8715
policy science, epistemological/cognitive aspects; 87R5143
popular culture/social life, GB, Mass Observation investigation; 1930s-1940s; 87R5307
population policy, Maritius; social scientists' proposal evaluated; 87R8270
positivist/interpretive research traditions, critical ethnography's role; 87R1624
prejudice research, methodological/theoretical approaches; 87R1466
"Primitive Classification," sociology of knowledge landmark essay; 87S1952

psychoanalysis, Sigmund Freud, epistemological aspects, scientific vs hermeneutic explanations; book summary, comments/reply; 87R2954
psychological states' individuation, functionalist dilemma; 87R5096
"psychopathology of migration," research requirements; 87R4591
public opinion research, "expert" samples; 87R1872
qualitative methodology, Alfred Schütz's/Max Weber's approach; 87R7038
quantum physics paradigms, family research implications; 87R4716
rationality debate, philosophical perspective; book review essay; 87R6852
reality/phenomena, differential experience/conceptualization, "phenomenography" approach; 87R1191
reason/rationality, Max Weber's concept; 87R5321
reconstructability analysis, system/subsystem relationships, social science applications; 87R6854
religions, interpretive vs explanatory investigation methods, Paul Ricoeur's synthesis; 87R6214
religious phenomena research, Europe, survey/statistical techniques; 6-book review essay; 87R4432
role conceptualization, structural/interactionist synthesis; 87R3420
rural sociology, discipline's history, epistemological goals; 87S1996
science of reality, Max Weber's work, Friedrich H. Tenbruck's interpretation critiqued; article/reply; 87R9179
science, philosophical concepts; 87R2983
science's logical structure, Karl R. Popper's vs Paul K. Feyerabend's thought; 87R1181
science's rationality, philosophical discussions; 87R5320
scientific change theory, historical evidence/methodology, Larry Lauden's hypothetico-deductive model critiqued; comment; 87R8966
scientific method, universal/ahistorical standards, difficulties/incompatibilities; 87R1182
scientific practice, cognitive/social patterns; case study; biology; 87R8963
the self, psychology's rediscovery, epistemological consequences; 87R1470
the self, social science's emphasis, theoretical/methodological tendencies; 87R1430
semantic information sources, data types, functional-pragmatic approaches; 87R3166
semiotics, epistemology/history; 87R8921
sexual discourse, theory/methodology/research, Michel Foucault's/Harold Garfinkel's work; 87R1511
short-term clinical intervention, methodological characteristics; case studies; 87R5295
Simmel, Georg *Philosophy of Money*, "play" conception/methodology; 87R5457
situational definition, social sciences; 87R1447
social action, voluntaristic theory proposed; 87R3367
social crisis, India, world historical perspective; 87R3205
social diagnosis, Karl Mannheim's religious value model; 87R1330
Social Dynamics: Models and Methods, by Nancy Brandon Tuma & Michael T. Hannan; book review symposium; 87R1348
social factist vs social definitionist paradigms, methodological synthesis; 87R1326
social indicators/quantification, utility/artificiality; 87R3005
social inequality, welfare states, vertical-hierarchical stratification system; 87R2088
social mobility research, industrialized countries; 87R9834
social order legitimation/validity, causal analysis; 87R8973
social psychology, social identity theory, individualist vs interactionist metatheories; article/comments/reply; 87R7170
social reality, Norbert Elias's figuration concept; 87R1372
social research, phenomenological concerns; 87R6857
social science methodology, Karl Marx's contributions; 87R8924
social science philosophy, problems/controversies; 87R1383
social science research, human communication, hypothesis generation/testing; 87R7506
social science theory/methodology network, Swedish Collegium for Advanced Study in the Social Sciences; 87R5325
social sciences, natural scientists' challenge; 87R3345
social sciences, scientific language development, German constructivism school; 87R3173
social sciences, theory/epistemology/methodology; book-review essay; 87R6855
social scientific morphology, comparative/evolutionary/developmental historical perspectives, Emile Durkheim's work; 87R3372
social structure, Anthony Giddens'/Jürgen Habermas's theories, action/system concepts; 87R3324
social-scientific inquiry, reflective vs unreflective understanding, epistemological issues; 87R1184
social/behavioral research, decision-making techniques, organizational problem solving; 87R3016
socialism, Cornelius Castoriadis's theories, ontological foundations; 87R7063
sociobiology, scientific/philosophical goals; 87R4631
sociological action theory, executions/omissions, methodological problems; 87R5468
sociological irony, rhetorical analysis; 87R6077
sociological measurement, conceptual/empirical/operational levels, philosophical issues; 87R3247
sociological methodology, speculation vs observation, interpretation; 87R1180
sociological principles, evaluation problems, formal methodological criteria proposed; 87R7039
sociological scale/index measurement, conceptual issues; 87R1193
sociological "schools," knowledge transformative processes, metascientific status questioned; case study; Chicago school; 87R8701
sociological theory, Jeffrey Alexander's multidimensional synthetic approach; 87R1356
sociology as science, organizational structures/issues; 87R6309
sociology of Jewry, methodological/conceptual issues; article/comments; 87R7008
sociology of literature, empirical/methodological issues; 2-book review essay; 87R6113
sociology of religion, Emile Durkheim's work; 87R1303
sociology of science, empirical relativist studies, methodological criticisms; 87R8191
sociology of science, epistemological assumptions; 87R5078
sociology, postmodern theory/issues; 87R5462
sociology/philosophy of sport; 87R9687
statistical tests, alternative philosophical interpretations compared; 87R5349
status quo, interpretive understanding; 87S1978
the subject, Anthony Giddens's theory; 87R1392
subjective vs objective, human activity, scientific determinism model critiqued; 87R6861
symbolic interactionism, subjectivist vs objectivist debate; 87R7040
symbolic interactionism/semiotics integration; critique/response; 87R3366
system dynamics global simulation models, "backcasting," anomaly processing; 87R4526
systems theory, metaphysical aspects; 87R3396
telephone message-communicational systems, British police force; semiotics analysis; 87R1509
tendential laws/explanatory models, Raymond Boudon's ideas critiqued; 87R8960
text sociology, Carlo Ginzburg's contribution; 87R4214
textual analysis, social sciences, metaphor's use; 87R1196
theoretical communication models, epistemological paradigms; 87R1909
Theoretical Logic in Sociology by Jeffrey Alexander; review essay; 87R1297
theory construction, social sciences, methodology/traditional paradigmatic constraints; 87R6851
theory of spontaneous order, historical development, Friedrich A. Hayek's concept; 87R1351
time research, sociological interest revival; 87R1364
truth/deconstruction, theoretical issues; 87T0847
truth/knowledge seeking, scientific method's limitations, philosophy of social sciences' potential; 87R6859
understanding, philosophical/methodological problems; round-table discussion, USSR; 87R3176
urban school desegregation, ethnographic field studies, synthesis problems; 87R8993
validity/reliability concepts, social sciences, methodological issues; 87R1179
"value" concept, multiple meanings; content analysis; *Studi di Sociologia* articles; 87R3386
values complex, sociology; presidential address, 1967 Midwest Sociological Society; 87R3304
visual sociology, data validity/reliability issues; 87R3197
Weber, Max, methodology/concepts, Alfred Schütz's reconstruction; 87R1325

Methods

decision rules, performance evaluation; 87R6892
Marx, Karl, social science laws; 87R3139
suicide methods, social/psychological correlates; case records; youthful victims; 87R1462

suicide rates, seasonal variations; cause, age, sex; official data; Osaka, Japan; 87R2738
suicide, former psychiatric hospital patients; case studies; South Australia; 87R2816

Metropolitan Areas
artistic institutions' prevalence/variety, large metropolitan areas, US; social class structure; censuses; 87R6108
church organizational activities; metropolitan residential environment; questionnaires; religious leaders, Seattle (Washington)/Nashville (Tennessee); 87R6200
crime control, US, political/class factors; 2-book review essay; 87R2431
criminal violence, metropolitan areas, demographic structure, local culture; 87R3068
diabetes-depression symptomatology; employment status; scale; clinic patients, Orange County, California; 87R7298
female labor force participation; tertiary employment/fertility/family composition; census, other data; US cities; 87T1011
fertility, Egypt; children's cost/demand, labor market factors; census/time-allocation data, interviews; 1960, 1976; 87R6348
household/family structure/migration patterns, Puerto Ricans, metropolitan New York/New Jersey; census data; 87R4612
income inequality, metropolitan US; economic development, industrial organization, education, race, sex; cross-sectional/longitudinal analyses; 1949, 1979; 87R2244
living alone, metropolitan elderly, US; housing/social service availability; 87S1966
metropolitan dominance; corporate network prominence/linkages; 87R7869
neighborhood associations, characteristics/structure/issue orientations, metropolitan Oklahoma City, Oklahoma; survey, census; 87R7402
number of performing arts organizations, metropolitan areas; population size; statistics; 87R2267
population redistribution patterns, large cities, US vs India; deurbanization/deindustrialization processes; censuses; 87R2230
quality of life, metropolitan Moscow, USSR; mathematical model; 87R2214
rail rapid transit systems, US cities, cost-benefit analyses' bias; 87T0883
real estate firms' births/demises, metropolitan southern US; local land market/community changes; 1960-1985; 87S1956
residential segregation, blacks/whites, metropolitan US; socioeconomic/personal preference/structural/discrimination factors; national censuses, local surveys; 87R7852
scholastic productivity, Monterrey, Mexico; income; questionnaire survey; 87R2360
socioeconomic assimilation, suburban/metropolitan labor markets, black males, US; housing segregation; Philadelphia, Pennsylvania/Detroit, Michigan/Cleveland, Ohio; 87R9291
structural pluralism, ethnic/gender inequalities, second-generation immigrants, Australia; census; 1981; 87R2123

Mexican Americans
depressive symptoms; confidant support, demographic variables, marital status; face-to-face interviews; Mexican immigrant women, San Diego County, California; 87R6573
ego-identity differences, Anglo- vs Mexican-American adolescents; psychometric measure; 87R9195
family cohesion/adaptability; ethnicity, acculturation/intracultural variation; Family Adaptability & Cohesion Evaluation Scales-II; Anglo/Mexican-American parents; 87R6499
family rituals/roles/decisionmaking, changing patterns, Mexican-American nuclear/extended families; interviews, participant observation; business/professional vs working-class couples; 87R6509
fertility levels, Mexican immigrant women, US; assimilation, socioeconomic selectivity, disruption; 87R4625
folk-related childhood illnesses, Hispanic women's beliefs; questionnaire; 87R8507
illness behavior, gender differences, Mexican Americans; fixed/nurturant/multiple role status; interviews; San Antonio, Texas; 87T0604
labor force participation, Mexican-origin mothers, Los Angeles, California; welfare eligibility status; interviews; 87R8866
land acquisition/loss, Chicanos, US southwest; 19th-20th centuries; 87R9763
marital adjustment, Mexican Americans; Dyadic Adjustment Scale; Santa Barbara, California; 87R2650
marital instability, Hispanic populations, racial/ethnic variations; census; 87R4719
mental illness recognition/definition, black/Anglo/Chicano women; social ideologies/norms; 87R4930
Mexican-American Spanish, research status; symposium report; 87R6097
physical health, Mexican Americans; marital status/satisfaction; interviews; San Antonio, Texas; 87R2767
political ideology, League of United Latin American Citizens, US; 1945-1965; 87R9762
psychiatric disorders, Mexican Americans, Los Angeles, California; native vs immigrant status, acculturation; interviews; 1983-1984; 87T0645
psychological distress, Chicano women; sex-role/marital/employment/other variables; 1979 Chicana Survey; US; 87R8550
psychotherapy, continuation/termination decisions; linguistic/socioeconomic/cultural factors; participant observation, interviews; working class Chicanos, Los Angeles, California; 87R2935
school-to-work transition, ethnic differences; longitudinal surveys; 1972 high school graduates; 87T0097
self-concept/esteem, ordinal birth position, black/white/Mexican-American delinquents vs nondelinquents; scale instruments; 87R2939
social work service delivery inadequacies, Mexican-American clients, intervention strategies; 87R6484
Spanish-language radio/television preferences, Mexican-Americans vs other Hispanics, US; interviews; 87R7510
survey responses, Anglos vs Mexican Americans, Texas; ethnicity-of-interviewer; telephone survey; 87R5336
tolerance toward mentally ill, Mexican Americans, Los Angeles, California; ethnic immersion, socioeconomic status, age/gender factors; telephone survey; 87T0662
voter registration/turnout rates, female Mexican Americans; 1974-1984; 87R3104
work/family role interactions, professional vs clerical vs blue-collar Chicanas; interviews; 87R4749

Mexico
acculturation assistance, adaptational strategies, Mexican vs US (Oklahoma) Kickapoo Indians; 87R3655
adult-equivalent income, poor households, Oaxaca, Mexico; domestic cycle stage; cross-sectional/ethnographic data; 87R6469

agrarian economy, peasant vs capitalist production forms, Mexico; 87R3788
agrarian structure/struggles, Mexico, class position debate; 87S1994
agricultural productivity, Mexico, historical perspective; 87R2184
agricultural research, Mexico, biotechnological possibilities/international dependency consequences; 87S1991
arterial blood pressure, males vs females, central Mexico community; perceived social support; interviews, medical tests; Temascalcingo; 87R4828
biomedical scientific community emergence, Mexico; literature review; 1959-1979; 87T0250
breast self-examination, education impact; survey; women, Monterrey, Mexico; 1984; 87T0627
bureaucratic organizations, members' attitudes/knowledge/rumors, Mexico; mass media messages, political culture; 87R3867
bureaucratic structure, Secretariat of Public Education, Mexico; deconcentration-decentralization administrative reform; secondary data; 1980-1983; 87R4348
business community's politicization, Mexico, post-1970s; content analysis; public statements, legislation, newspaper accounts; 87R3990
business organizations' ideologies, Mexican bourgeoisie; foreign dependence; case studies; 1975; 87R9814
capitalist expansion, Yaqui Indian resistance, Sonora, Mexico; 1825-1909; 87R7661
Catholic Virgin Mary/Aztec goddess, hybridization/syncretism; Mexico; structural discourse analysis; 87R6194
civil servant bureaucracy, political protest, Mexico; 87R3853
Class and Society in Central Chiapas by Robert Wasserstrom; review essay; 87R5977
class solidarity/social integration, religious systems' role, Teuchitlán, Jalisco, Mexico; capitalism conversion; post-1910 Mexican revolution; 87R3633
community social organization, indigenous Indian population, Mexico; archival/fieldwork data; Tlapa region, Guerrero; 87R9319
corporate management/public sector, Mexico, development role/relationship; 87R1771
ecological problems, Mexico; 87R3036
economic concentration, Latin America; financial internationalization; 87S1971
economic crisis, Mexico, political aspects; 1968-1985; 87R5929
economic crisis, Mexico; 87R1802
economic development, Oaxaca, Mexico; foreign investment's role; 87R7417

economic/social structures, indigenous population, Chiapas, Mexico; Pan-American Highway construction; 87R4044
education/illiteracy, Mexico; 87R2319
English/Spanish code-switching, US-Mexican border city (Juarez), language attitudes; 87R4217
entrepreneurial political interests, Right's development, Mexico; 87R2060
factory workers' vs peasants' concerns/behaviors, Third World; anthropological fieldwork; San Cosme Mazatecochco, Mexico; 87R1719
folk medical beliefs, curers vs noncurers, Mexico; interviews; females; 87R4832
González Casanova, Pablo, articles/speeches/books; chronological index; 87R2041
health status/services, rural population, Mexico, political/economic issues; fieldwork; Oaxaca; 87R6569
Huerta coup d'etat, Mexico, landowners' role; newspaper/archival data; 1913/14; 87R7644
infant mortality, Mexico; community-level factors; survey; 87S1930
international borders as social systems; historical case study; Californian/Mexican border; 87R1959
La Libertad newspaper, Porfirio dictatorship, 19th-century Mexico; 87R7651
labor force incorporation/insurgency, Mexican oilworkers; foreign conflicts; archival data; 1935; 87R9472
labor structure change, pre-/postrevolutionary Mexico; educational expansion, state actions; 1900-1940; 87S1957
labor union movement, Mexico; 87R1732
life-history method's utility, sociological research, Latin America; Brazil/Argentina/Mexico; 87R1200
Los Horcones cooperative community, Sonora, Mexico, behavioral technology; 87R6720
marital morality/fidelity, lower middle-/working-class women's perceptions, Los Robles, Mexico; interviews; 87R2680
Mexican earthquake, September 1985, health consequences, planning implications; 87T0932
Mexican middle class, collective actors; case study; Cuidad Satelite; 87R9849
Mexican migrant networks, US; ethnographic/survey data; 87T0327
Mexican National Food Program, food crisis/strategies; newspaper reports; 87R4839
military institutions, Mexico; 1965-1985; 87R1747
national democratization, Mexico, Catholic Church's role; 87R2394
national/local indigenous organizations, Mexico, political activity; 87R5120
nationalism, Mexico, political/cultural impact; 87R2052
nutritional standards, Third World populations, cultural/political/socioeconomic policy influences; India, Mexico; 87R2787
peasant movement, agrarian policy/crisis, Mexico; 87R4167
political class formation, Mexican peasantry, state's role; social histories; 87R9843
political development, Huasteca Potosina, San Luis Potosí, Mexico; 87R7828
political parties, Mexico; 87R2045
political/economic crisis, Mexico; state policy, class conflicts; interviews, policy analysis; 87R5763
population dynamics/migration patterns, Mexico, social/gender differences; 87R2550
population practices, rural indigenous community, Mexico; government demographic policies; 87R3084
rural labor emigration, west-central Mexico; socioeconomic development factors; population/farm censuses; 87R2541
rural/urban labor force, southeastern Mexico; petroleum/tourist industries; census; 87R2549
scholastic productivity, Monterrey, Mexico; income; questionnaire survey; 87R2360
school expansion, national development consequences, institutional vs human capital model; case study; Mexico; 1888-1940; 87R2314
scientific research trends/institutions, Mexico; longitudinal data; 1970s; 87R6314
small farmers, La Laguna region, Mexico; state subsidies; interviews, survey, observation; 87R4170
social change/development programs, male vs female receptivity, Third World; economic/political power access; case study; rural Mexico; 87R6811
social movements, Mexico; bibliography; 87R3851
southern border, Mexico, political/social/economic problems; 87R1970
textile industry development/organization/ownership, Jalisco, Mexico; 19th century; 87R7669
Third World debt crisis, status/dynamics, post-1982 Mexican default; 87S1998
urban social movements/organizations, political/economic/historical aspects, Mexico; case study; Tierra y Libertad squatter's movement; 87R9570
US agricultural technology exportation; case study; Rockefeller Foundation program, Mexico; 1943-1961; 87R4156
US-Mexico border problems, political-legal meanings/government relations; 87R2576
voluntary action groups, Leon, Guanajuato, Mexico; interview/documentary/archival data; 87R7404
waged/unwaged work relationship, US/southern Africa/Mexico; household/labor force gender-based structure; 87R5787
wife's life/role/self-esteem; husband's migration; fieldwork, case studies; families, Nyarit, Mexico; 87R4576
working class solidarity, Mexico/Central America/Caribbean basin; uneven capitalist development; historical analysis; 1918-present; 87R1687

Mexico City, Mexico
earthquakes chronology, Mexico's Central Basin, 15th century-Sept 1985; documentary/official/other data; 87R7865
employment characteristics, female earthquake victims, Mexico City; survey; 87R8776
government-society relations, post-1985 earthquakes, Mexico City; 87R8775
housing amount/quality/type, earthquake-affected districts, Mexico City; census; 87R7858
housing reconstruction policy, post-1985 earthquakes, Mexico City; 87R8786
marital status patterns, earthquake victims, Mexico city; questionnaire; 87R8397
mass transportation policy, variable implementation, Mexico City, Mexico; political/economic conditions; primary/secondary data; 87R4182
neighborhood associations' mobilization/organization, post-1985 earthquakes, Mexico City; documents/interviews/observation; 87R8781
reconstruction policy, post-1985 earthquakes, Mexico City; official decrees; 87R8787
rental housing price/supply, post-1985 earthquakes, Mexico City; newspaper listings; 87R8777
shelter/camp residents' characteristics, post-1985 earthquakes, Mexico City; questionnaire; 87R8782
transportation disruption, post-1985 earthquakes, Mexico City; 87R7850

Miami, Florida
Cuban *Marielistas* exiles, US, adaptation/assimilation; 87R4622
Cuban/Haitian migrants, Miami, adaptation process; interviews; 87R8263
public policy needs, Cuban/Haitian immigrants, Miami, Florida; 87R3519
underground economy growth, garment industry, Los Angeles, California/Miami, Florida; interviews; Hispanic women; 87R5637

Michels, Roberto
iron law of oligarchy, mitigating practices; case studies; ancient Athens, International Typographical Union; 87R3951
oligarchical tendencies, democratic organizations, Robert Michel's thought; 87R4069

Michigan
academic performance, high school students; out-of-school time use; questionnaire; Michigan, Ohio; 87R8041
alcohol consumption, liver cirrhosis mortality; alcohol prices; time series data; Michigan, Ontario; 1955-1982; 87R2864
black-Jewish relations/race riots, Detroit, Michigan; surveys; WWII era; 87R1538
creation science dispute, Michigan public schools; 87R8052
health care appointment-breaking behavior, low-income families; personal/environmental/organizational variables; survey; Medicaid patients, Michigan; 87R4824
health; unemployment; interviews; 1979-1984; unemployed, employed, southeastern Michigan; 87R9417
mass communication media use, US adults; lifestyle characteristics/changes; mail survey; Greater Lansing, Michigan; 87R4610
mental health system utilization, Michigan; mental health board decentralization; 1974-1983; 87R4907
mentally retarded, residential care/treatment, public policy, Michigan; 1830-1983; 87R8553
municipal service distribution, urban centers; personnel systems, bureaucratization; case study; four Detroit, Michigan, surburbs; 87R2242
population fluctuation, metropolitan vs nonmetropolitan areas, interstate vs intercounty differences; economic recession; US federal in-

come tax return data; 1978-1985; 87S1996
psychiatric hospitalization, "mentally ill," patients' rights; case study; Michigan mental health statute; 87R2822
research productivity, academic females vs males; social/psychological/organizational mechanisms; interviews, surveys; University of Michigan; 87S1954
social/occupational mobility, Polish-American immigrants, Grand Rapids, Michigan; census data, city directory listings; 1860-1900; 87R7687
urban police resources, public choice/social conflict/organizational constraints models; annual statistics; Detroit, Michigan; 1928-1976; 87R2475

Microcomputers
analog-to-digital microcomputers applications, social science research; 87R9009
comparative software review methodology, social scientists' needs; 87R6868
computer access/use, children; family income, age, sex; Current Population Survey; 87S1966
computer imperative adherence, home computer owners; questionnaire; 87R2534
computer purchase requirement for freshmen, faculty attitudes, Drexel University (Philadelphia, Pennsylvania); questionnaire survey; 87R2533
computer usage/access/attitudes, secondary school students; gender, socioeconomic status; questionnaire; California; 87S1965
computerized bulletin board users, social interactions/relationships; observations; 87R2535
dbase-III database management system, social research applications; 87R9004
educational experience, student-teacher interactional changes; computer-related technology; 87S1964
educational standards/reform, US, microcomputer's role; 87R2321
home computers, sociology research/teaching applications, UK; 87R3268
information gathering activities, social research, microcomputer database applications; 87R8998
microcomputer graphics supplements, social science applications; 87R5355
microcomputer industry, technological development, power relations; 87R6340
microcomputer systems, public-domain/user-supported software; 87R9032
microcomputer technology, access inequalities, educational/occupational consequences, high school students; survey, experiment; Twin Cities area, Minnesota; 87R6328
microcomputer technology, user attitudes/acceptance, high-technology corporation, California; questionnaire, interview; 87R5997
microcomputers' emergence, private secondary boarding school students' response; field data; 87R8016
microcomputers, sociologists' research/teaching/administrative utilization, use/purchase suggestions; 87R5327
microelectronic communications technology, home-work utilization costs/advantages; literature review; 87R7282
organizational environments; technological change/breakthroughs; archival/trade data; minicomputer/cement/airline industries; 87R8220
personal computer use, USSR, philosophical/methodological issues; 87R4572
regression analysis, interaction effects, microcomputer graphical approach; 87S1960
social science prediction/decision rules, microcomputer program; 87R9017
social scientific research, Australia, new data availability; 87R8980
sociological research, computer-assisted qualitative analysis, word processor keyboard macros; 87R3190
statistical analysis packages review; 87R6897
statistical analysis packages, teaching applications; 87R6883
statistical analysis packages; scaling/classification capabilities; 87R6891
statistical analysis, microcomputer graphics technique; 87R5345
survey data storage/processing, microcomputer retrieval system; 87R1204

Micronesia
political development, Ngeremlengui District, Belau, Micronesia, residents' interpretations, high- vs low-ranking villages; field research; 87R2106
rural village, Kosrae Island, Micronesia, US government policy impacts; fieldwork; 87R1637
teaching sociology, cross-cultural "literacy"; Yap Island, Micronesia; 87R1257

Microsociology
attunement process, communication/deference systems, microlinguistics approach; 87R1517
Luhmann, Niklas, micro-/macrosociological theory, phenomenological origins; 87R9177
social relations, diffusion processes, unified general theory proposed; literature review; 87R5464
sociological research, macro-/microaspects; 87R8976
work organization improvements/microprocesses, Eastern Slovakian Ironworks, Kosice, Czechoslovakia; 87R9408

Middle Aged Adults
aging parents/middle-aged children, caring/support relationships; secondary data; 87R2891
aging process, single/middle-aged women's perceptions; longitudinal questionnaire data; 87S1931
depressive disorders, Swedish women, provoking agents/vulnerability factors; interviews; 87R4917
ischemic heart disease, middle-aged men, Ghent/Liege, Belgium; sociocultural characteristics; questionnaire; 87R8484
later-life work involvement/job satisfaction, females aged 40-60; adolescent/adult personality characteristics; longitudinal data; 87S1951
life structures/roles, midlife women; employment involvement; retrospective reports; 87R7123
mature unmarried Christian women, ambiguous status, Bangladesh; 87R7836
menopause, women's attitudes, researchers' expectations; sexist/ageist/ethnocentrist beliefs; survey; Israeli middle-aged women; 87R6680
personality development, self-/family/friend/value perceptions, Japanese adults, cohort differences; sentence completion test; Mitaka City; 87R7159
sexuality decline with age, myths/changing social mores; longitudinal data reanalysis; 87R5022
workplace discrimination, older women; 87S1934

Middle Ages
appetite control patterns, European society, Middle Ages-20th century; 87R3613
argrarian class structure/economic development, preindustrial Europe; symposium; 87R9580
artistic/architectural creation, medieval France/England; feudal social structure; historical sources; 1000-1300; 87R5588
Black Death epidemic, 14th-century Europe, rat's involvement; 87R3042
feudal production mode, Middle Ages Europe, historical materialist analysis; 87R8914
football violence, political/social protest functions; historical analysis; 13th century-present; 87R7550
household-formation systems, rural Europe, preindustrial era; 87R6765
ideological themes, English writers, Middle Ages/Renaissance; 87R6118
literary texts, social function, medieval England; 87R7672
matrimonial disputes, individual marital choices, 16th-/17th-century England; family/friend network power; church court records; Durham; 87R8402
monastic escapism, early Christianity; 87R4392
Muslim Mozabite confederacy founding/development, North Africa, environmental determinism factors; 1011-1053 AD; 87R3960
political institutions, medieval Indian polities; 87R5936
population growth/marriage patterns, 1520-1661, rural Tongcheng county, China; lineage genealogy analysis; 87R8274
recreational land use politics, GB; Middle Ages-present; 87R9664
religious beliefs, 13th century, Ramon Lull's vs Ibn 'Arabī's works analyzed; 87R4411
science/magic interaction, pre-17th century Europe; 87R2493
Waldensian religious counterculture, 14th-century Germany; manuscript; 87R2391
Western technology development, medieval Christianity's influence, Lynn White, Jr.'s & Ernst Bing's theories critiqued; 87T0283
women's status, Catharism's spread, Toulouse, 12th-/13th-century France; 87T0169
working class formation/politics, law-community links, 19th-century England; 87R6279

Middle Class
black middle class, suburban immigration, local resistance vs accommodation; literature review, census/other data; US; 87S1936
charismatic religious movement, middle-class America; historical/cross-cultural perspective; participant observation, interviews; 87R2396
declining middle class, demographic/deindustrialization explanations; literature review; 87S1939

declining middle stratum, US economy, income distribution consequences; 87S1940
family-school relationships, working-/middle-class communities, cultural capital concept; participant observation, interviews; 87R7691
lifestyle concept, US, semantic analysis; linguistic evidence; 87R5851
Mexican middle class, collective actors; case study; Cuidad Satelite; 87R9849
middle class composition/economic functions, rural vs urban regions, Manizales/Antiogueno, Colombia; 87R7705
middle-class consciousness, master artisans, urban New England; association documents; 1789-1850; 87R5967
middle-class lifestyle, 19th-century US; temperance movement; literature review; 87R6611
"new middle class" concept, theoretical development, 19th-20th centuries; 87R5454
religious perceptions/support, black college students; Christian Right crusade; 87R8060
science textbooks' complexity, middle vs lower class school districts; content analysis; New York; 1983/84; 87R6156
social class structure/consciousness relationship, middle classes' role, capitalist societies; book review essay; 87R2109
urban lower middle class, colonial Punjab, Indian, origins/development/behavior; 87R5743
voluntary occupational change, middle-class employees, identity transformation process; 87R9861

Middle East

agrarian/peasant relations, Middle East, theoretical paradigms; critique/response/comment; 87R2211
Arab leadership patterns, prophetic-caliphas model; 87R3478
city-society relationship, ancient Middle East, semiotic analysis; 87R5476
economic development, women's/family's role, Middle East; 87R8857
foreign labor force, Arab Gulf region; social/political/economic factors; historical analysis; 87T0289
independent Palestine state, Middle East conflict, US public opinion; 87R7496
Israeli vs Palestinian terrorism, hypocritical US ideological stance; 87R8758
law theory, Europe/Middle East, historical development; 87R4479
Lebanese immigrant communities, identity/culture, Australia/Uruguay; Lebanese war; fieldwork; 87R3532
Middle East (Arab-Israeli) conflict, American Jewry attitudes; Menachem Begin's policies; surveys; 87R3864
overseas employment, Filipino workers, Middle East, socioeconomic consequences/motives; interviews; 87R9343
peripheral development, Ottoman Empire; capitalist world-economy incorporation; trade data; 1750-1820; 87R3804
political development, tribal societies; kinship/marriage patterns; ethnographic data; Middle East, Central Asia; 87R2027

Middletown Studies

church-state relationship, "Middletown" residents' attitudes; interviews; Muncie, Indiana; 87T0181
elderly, Middletown, US, life satisfaction/health/other characteristics; telephone interviews; Muncie, Indiana; 87S1932
family attitudes/behavior, Middletown, US, 1929 vs 1979; questionnaires, surveys; Muncie, Indiana; 87R6420
prostitution, societal response, Progressive era; criminal cases; middletown, US; 87T0434
sex attitudes, Middletown residents, US; social change; observation, interviews, records; 87R6400

Midwestern States

church-state relationship, "Middletown" residents' attitudes; interviews; Muncie, Indiana; 87T0181
country roads, midwestern US, photographer's travels; personal experience; 87R3615
crowd affiliation valuation, teenagers; questionnaire; midwestern US; 87T0395
deviance perceptions, master status theory; questionnaire; college students, midwestern US; 87R7193
emotional/mental health; televsion viewing; interviews; adults, southwestern US; 87R1920
farm labor movement, sociocultural change, Midwest; local applied change project, boycott; 87R5278
grain-threshing technology adaptation, cultural/social consequences, rural folk areas; historical data, interviews; 18th century-1945; 87R2201
job satisfaction, elderly workers; age/other factors; questionnaires; midwestern US; 1979/80; 87R9439
peace attitudes; religiosity; questionnaires; students, US Midwest; 87R2373
policing styles, patrol officers, midwest US; organizational/community characteristics; James Q. Wilson's *Varieties of Police Behavior* findings expanded; 87T0221
rationality, organizational dimensions, family court legal/social work professions; observations, interviews; midwestern urban community, US; 87R6260
smoking/smokeless tobacco use, adolescents; questionnaires; 87R6602
social change, US Great Plains; groundwater availability; censuses; 1940-1980; 87R1796
stress/well-being relationship, individual family members; family intimacy variables; scale; questionnaire; adults, midwestern US; 87R6591
work value orientations, adolescents; parental unemployment; D. Super's Work Values Inventory; 87R2612

Midwifery

Association of Radical Midwives, England, support/philosophy; interviews, questionnaires; midwives; 87T1020
certified nurse-midwife profession, historical analysis, current professional problems, US; 87R7781
midwifery practice, immigrant communities early 1900s; medical practice professionalization; oral histories, census data; Inwood, New York; 87S2003
obstetrical practices/doctor-patient relationship, midwife dispensary, New York City, 1890-1913; case records; 87T0586
professionalization, lay midwives, Colorado; political aspects; documents/interviews/participant observation; 87R7798

Migrant Workers

health/morbidity/mortality, migrant agricultural workers' children, Wisconsin; questionnaire; 87R8271
intercultural relations, sociospatial conflicts, Arab-Palestine laborers, Tel Aviv, Israel; survey, statistics; post-1967 Six Day War; 87R5888
internal migration, indigenous Indians, cultural conflict, Argentina; 87T0341
malaria resurgence, Swaziland; demographic changes; official records; 87R7832
Mexican migrant farmworker; interview; biographical profile; 87R3573
migrant workers' hostels, Western Cape, South Africa, male-female relations; published studies; 87R5681
overseas employment, Filipino workers, Middle East, socioeconomic consequences/motives; interviews; 87R9343
psychological stress, return immigrant children, Federal Republic Germany; case study; Spanish children; 87R8253
reintegration/health care problems, Greek migrant workers, West Germany; 87R8240
social/economic/cultural position, Yugoslav workers in Western Europe vs non-Yugoslavs in Slovenia; literature review; 87R9387
social/occupational mobility, Mexican migrant workers, US; surveys; 87R7697
temporary worker migration flow, female component, Canada; government data; 1979-1985; 87R9365
trade unions, Australia, migrant workers' participation; census, statistics; 87R7243
unemployment problem, foreign workers, Federal Republic Germany; 87R8242
wife's life/role/self-esteem; husband's migration; fieldwork, case studies; families, Nyarit, Mexico; 87R4576

Migrants

Arab noncitizen/Israeli citizen socioeconomic status differences; official surveys; Israel; 87R2053
Arab-American immigrants, socioeconomic status; census data; 87R8258
earnings inequalities; unequal political resource distribution; census data; migrants vs nonmigrants, Australia; 87R2070
ethnic identity, white Appalachian migrants, Cincinnati, Ohio, oral tradition; speech analysis, participant observation, interviews; 87R1605
migration motivation, migrants' social mobility attainment perception, India, theoretico-methodological perspective; 87S2002
occupational achievement, migrants, Kaohsiung City, Taiwan; educational/status attainment; survey; 87S1950
Puerto Rican migrants, US, demographic/socioeconomic characteristics; census data; 1960-1980; 87R8260
US settlement, social integration, Mexican immigrants; interviews; 87R1572

Migration

acculturation assistance, adaptational strategies, Mexican vs US (Oklahoma) Kickapoo Indians; 87R3655
adult socialization, medical care preferences; migration, initiate network membership; interviews; Taiwan; 87R2718

age-grade school progress; migration, cultural differences, parental education; 1967 Survey of Economic Opportunity; teenagers; 87R6171
Anglo/black/Mexican-American migrants vs nonmigrants, socioeconomic differences; national data; southwestern US; 87S1995
circulating migration, Puerto Rican families, integration problems; life histories, questionnaire; 87T0465
development towns, Israel, migration propensity; official statistics; 87R2224
divorce rate, Canada, regional differences; population mobility; census; 87R4772
economic activities, Indian migrant bankers/moneylenders, Southeast Asia; 1800-1930s; 87R9839
family roles, husbands' housework participation, Korean vs US-immigrant Korean men; national family values, technological resources; mail survey; 87R3118
fertility patterns, native-born vs migrant females, Barcelona, Spain; statistics; 1970-1981; 87T0342
housing space/location satisfaction, urban residents, Taichung (Taiwan) vs Western cities; survey; 87T0031
Indochinese refugees, Canada, dissociation dynamics; interviews; 87R4578
interaction system, school class, theoretical issues; comments, reply; 87T0146
international migration, citizenship forms evolution; 87R9747
international migration, Mexico-to-US case; prior experience, resources, household life cycle; interviews; migrants; 87R8255
kin group maintenance/marriage patterns, Highland Scot migrants, Canada/New Zealand; birth registry data; 1800-1830; 87R7254
labor force resources, nonmetropolitan areas, US; 87S1996
Mexican migrant networks, US; ethnographic/survey data; 87T0327
migration behavior, public assistance recipients; state benefit levels; national census/panel data; household heads; 87R8809
migration decisions, cognitive information process, social psychological perspective; mobility data; 87R1413
migration decisions, peasant agricultural producers, West Malaysia; community sociostructural factors; interviews; 87R4161
migration forms, definition criteria, measurement; 87S2001
migration process, Italy, migrant as actor; 87R4618
migration, social consequences, gender differences; survey; dual-career migrants; 87R1442
migration-fertility relationship, England/Wales; OCPS Longitudinal Study, censuses, birth registration data; 87R2553
migratory experiences, Puerto Rican immigrants, US; bilingual educational programs; interviews/observational/other data; 87S1969
modernity, acculturation, family/national values, Italian/Turkish immigrants, France; 1950-1970; 87R3813
occupational achievement, migrants, Kaohsiung City, Taiwan; educational attainment, labor market conditions, gender; survey; 87R4087
pass laws, South Africa, prosecutions/applications; official statistics; 87R1585
physical/psychological health, migrants; transnational migration; interviews; US females, Geneva, Switzerland; 87R4598
population displacement/repatriation, internal/external refugees, rural Sudan; 1955-1972 civil war; case studies; Yei, Mariai, Gilo, Aweil; 87R4577
population growth/movement, Orissa state, India; census data; 1971-1981; 87R6356
"psychopathology of migration," research requirements; 87R4591
social change, Calabria, Italy; economic change; archival records, participant observation; 87R9532
social interaction patterns, migrant individuals/groups; familism; 87R5564
sociology's role in society, L. Laeyendecker's views; theory/research interaction; 87R9116

racial separatism/job satisfaction attitudes, white enlisted males, US military; status inconsistency; questionnaire; 87R7745
retention intentions, male/female Air Force members; spouse support; interviews; 87R9475
sex-role identity valor, male kibbutz soldiers, Israel; childrearing practices; psychometric tests; 87R3462
US Army family relocation, West Germany, support program needs; questionnaire; 87T0485
Vietnam War, technical problems, technological-production model, US escalation; 87R1749

Military Regimes
democratization process, Chile, sociopolitical actors; 87R3981
ethnic/gender inequality, Peru, civilian vs military regimes' policies; 1963-1980; 87R3502
governmental transition, Uruguay/other Latin American countries; 87R1818
guerrilla movements, opponents' strategies, Indochina/Algeria/Cyprus/Cuba; 87R3959
military dictatorship-bourgeois democracy transition, Argentina, Brazil, 1960s-1980s; 87R9710
military dictatorships, Latin American Southern Cone; 87R5910
peasant agriculture, Galicia, Spain; state intervention policies/practices; government data; 1954-1963; 87R4154
political parties/crises, Brazil/Argentina/Chile/Uruguay; 87R4011
political polarization, Pakistan; military-bureaucratic oligarchy; political/historical records; 87R9183
political repression, Brazilian authoritarian military regime; content analysis; popular lyrics; 1968-1973; 87R3997
political transition, Portugal, radical Right's role; 1920s-1930s; 87R2043
Puritan Revolution, GB, Olivier Cromwell's New Model Army's radicalization; 87R9481
social sciences, Brazil; political situations; 87R7023
wars/armies/revolutions, English/French/Russian/Chinese experiences; 87R9473

Military Service
educational attainment; military service; questionnaire/sociometric/school data; midwestern males; 87R3749
fathers-sons military service patterns, intergenerational linkages; interviews; 87R9476
job alienation, Indian soldiers; organizational variables; 87S2000
job commitment, Indian soldiers; organizational/other variables; 87S2000
military justice administration, absent-without-leave court martials; defendants' race; trial records; Fort George G. Meade, Maryland; 1971-1974; 87R5699
recruitment trends/military educational benefits, youth's opinions, labor market competition; 87R1748
separation/reunion adjustment, submarine Navy families; Revised Squadron Wives Survey; 87R1751
women professionals, church/military, organizational integration problems; literature review; 87T1007

Military Sociology
ancient Judaism, military-sociological aspects, Max Weber's thought; 87R8078
industrial policy, US; 2-book review essay; 87R3816
military sociology, prerevolutionary Russia; 87R1754
professional bureaucracy attributes, military sociology; 87S2002

Millenarianism
antinuclear vs religious millenarist movements, beliefs/ideologies, US; historical analysis; 87R6463
Rastafari movement-Jamaican peasantry relationship, millennial perspective; 87R9615
religious afterlife beliefs, compensation model; national surveys; 87T0150
social movements, leadership influences, tribal Chotanagpur, India; 87R7484

Mills, Charles Wright
sociology of law, imprisonment-economics relationship; 87S2001
whole life narratives, social theory development, C. Wright Mills/George C. Homans; 2-book review essay; 87R5430

Mind
Alzheimer's disease experience, George Herbert Mead's theory of mind; 87R3434
body/mind as information systems, idealism vs dialectical materialism tenets; 87R5102
mind-body problem, sociological theory development, George Herbert Mead's works re-analyzed; 87R9109

Miners
governmental decentralization, mineworkers' resistance, Zambia, copper industry; 87R2102
miners' wives, pre-Depression US/modern Bolivia; 2-autobiography review essay; 87R5253
plant closings, workers' resistance activities, Marxist production control theories; 87R9449

Minimum Wage
labor force participation, black youths, social/psychological perspective; 87R3737

Mining Industry
chronic technical disaster, religion's response; case study; Centralia mine fire, Pennsylvania; 87R8071
governmental decentralization, mineworkers' resistance, Zambia, copper industry; 87R2102
labor relations, strikes, coal industry, US; historical analysis; 1860s-present; 87R5692
labor union militancy/political orientations, Colorado hardrock mining industry; business cycle fluctuations, social organizational development; participant observation/writings; 87R2996
mining project (Cerro Colorado Copper), multinational corporations, Guaymi Indians' protests, Panama; holistic case study; 87R2993
production decreases/accidents/absenteeism, southeastern US coal mine, conflict/intervention/resolution; interviews, survey; 87S1941
protest songs, hardrock miner labor union strike, Newfoundland company town (Buchans); case study; 1983; 87R3711

Ministers (Clergy)
childhood experience, Protestant ministers' sons, France; interviews; article/comments; 87R2400
female/minority clergy placement, laity/pastor receptivity, United Methodist churches, Ohio; questionnaire; 87T1009
occupational stress, religious leaders; questionnaires, scales, interviews; 87R7782
ordination decisions/ministerial effectiveness, psychological assessment; recommendations; Methodist pastors; 87R2395

women-in-ministry research, academic/political value; 87T1015
women-in-ministry, research issues; journal issue contributions summary; 87T0990

Minneapolis, Minnesota
post-WWII Polish-ancestry population, US, immigrant subgroups; interviews; Minneapolis-St. Paul, Minnesota; 87T0322
social relations/gender roles, same-sex groups, kindergarten classrooms; field notes, audiotapes; Minneapolis, Minnesota/Cincinnati, Ohio; 87T1024

Minnesota
academic performance, public school students; Logo computer language/educational philosophy; Saint Paul, Minnesota; 87R4293
child custody decisions, consensual divorce cases; custody investigation reports; interviews, court records; Hennepin County, Minnesota; 87R2681
determinate sentencing reform, felonies; Minnesota Sentencing Guideline Commission cases; 87R2477
determinate sentencing reform, objective attainment; Illinois, Minnesota, Connecticut; 87R4507
elderly, age groupings, health status/costs consequences; interviews; Minnesota; 87R8472
feminization of religion, frontier Church, Minnesota; case study; parish records, newspaper accounts; 1858-1900; 87R3099
friendship; network structure; questionnaire; University of Minnesota Medical School students; 87R1788
racial differences, criminal processing, differential treatment conclusions; model selection; Minnesota; 87R2476
senior center participation/service use, urban-rural/gender differences; survey; Minnesota; 87R8621

Minority Groups
aging, ethnic/minority group differences, cross-cultural analysis; 3-book review essay; 87T0729
American Indian-white vs black-white intermarriage patterns; socioeconomic characteristics; census; 87R8403
anti-Korean discrimination, Japan, roots/solution; 87R7229
artisan/entertainer/trader groups, business success; marginal cultural status; literature review; Europe, North America, South Asia; 87R6714
bilingualism, non-English-language group members, US, sex differences; official survey; 87R4234
career/educational aspirations, minority/low-income adolescents; significant others; psychometric tests; Asian/black/Hispanic 8th-12th graders; 87R4285
child maltreatment, young vs older adolescent mothers, Arizona; socioeconomic factors; case files; child protective services, Maricopa County; 1976-1978; 87T0394

extension program, local library system's role, Texas County, Missouri; 87S1994
rural banking, structural analysis, credit flows; Missouri; 87R2188
small-town vigilante murder, mass media coverage; court records; 87R7512

Mobilization
environmental/industrialization social movements, Japan, mobilization process/goals; associational vs communal local social fabric; 87R5796
New Christian Right, development/prominence, resource mobilization theory; 87R6226
new social movements vs resource mobilization theories, Europe vs Us; 87R5805
social movements, mobilization/participation aspects; case study; peace movement, Netherlands; 87R9613
social movements, Third World countries, resource mobilization perspective's limitations; case study; 87R5800
Models
attitude structure, hierarchical models, conceptualization/estimation issues; 87R6912
collective justice evaluations, work settings, blockmodeling methodology; article/reply; 87R8130
crime/political violence/suicide, Western societies; relative deprivation/deprivation, differential resistance/risk ("RO-DR" model); 87R2911
crime/traffic accidents; group meditation/prayer; questionnaire, statistics; 87R4435
criminal justice system, blaming/excusing processes, medical model; utilitarian perspective; 87R8119
deviance, medical model, reintegration vs negative consequences; 87S1944
employee/organizational social contract; V. H. Vroom's V-I-E model reformulation; 87R3668
environmental problems, human aspects, oversimplified models critiqued; 87R5163
ethnic antagonism, Marxist-class/prejudice-discrimination/middleman minority theories, composite model; 87R1390
female fertility/labor force participation, nonrecursive models, statistical issues; secondary data, simulations; 87S1947
illness prevention/treatment behavior, Health Belief Model; 87R8504
interactive dynamics, signaling/interpreting, formal model; 87R1520
internal labor markets, job distributions, vacancy chain model; 87R3255
interpersonal communication processes, social science models; 87R1497
interpersonal communication/interaction, social science analysis/models; 87R1494
leaving school/marriage timing, heterogeneity/interdependence relationship; national survey; males; 87R5370
linear models, spatial effects, maximum likelihood estimators procedure; 87R3250
loglinear models, construction/interpretation/application; 87R1244
medical anthropology; sociology/clinical medicine/public health systems modeling; 87R4843
mental illness, medical vs community model, technology's impact; 87R2828
offshore energy impact assessment, boomtown model; critique/reply; 87R2225
population heterogeneity/distributions, mixtures models; 87R4595
religiosity, G. DeJong/J. Faulkner/R. Warland involvement model tested; questionnaire data; adults, university students; 87R6207
religious afterlife beliefs, compensation model; national surveys; 87T0150
residential energy conservation, innovation adoption; decision thresholds; mail survey; households, US; 87R6756
residential mobility, analytical model, omitted variables problem; panel study; households, Michigan; 87R3249
role structures, blockmodel vs homomorphism definitions, 2-community demonstration; comment/reply/rejoinder; 87R4190
science/knowledge, realist/constructivist models; 87R2958
scientific knowledge generation, praxis vs discourse models; 87R4558
security measures' effects, quantification method; 87T0968
self-management, employee-owned/worker-cooperative systems, organizational governance; Yugoslavia, Israel, Mondragon (Philippines), US; 87R3845
social change models, time series regression techniques; 87R3241
Social Dynamics: Models and Methods, by Nancy Brandon Tuma & Michael T. Hannan; book review symposium; 87R1348
social relations, interpersonal construction processes, macrostructural context; 87S1984
social science vs natural science models, antinaturalist/pragmatic arguments; 87R8969
societal models/changes, Western society; 87R1355
stress adaptation, families; family system type; Family Adjustment and Adaptation Response (FAAR)/Circumplex models evaluated; 87R2677
symbolic interactional leadership model; 87R9258
system dynamics global simulation models, "backcasting," anomaly processing; 87R4526
Technology, Ecology, & Social Development Project, ecol-humanistic model; 87R2524
thesis development, sociological research, teaching model; 87R3266
voter participation, union representation elections; model constructs; election data; Michigan; 87R5946
world system analysis, dependency theory, methodological innovations; 87R1187
Modern Society
cities, modern society's pathologies, new environmental paradigm proposed; 87T0007
cognitive processes, primitive/modern societies, Claude Lévi-Strauss's *The Savage Mind*; experiments; 87R5471
consumer choice, modern society; 87R1824
death/solitude/individualism, Norbert Elias's views; 2-book review essay; 87R5412
magic/superstition, social function, Western industrial societies; 87R6703
modern society, individualism tendency; 87R9713
modernity/capitalism, Karl Marx's views; 87R5271
postmodernity theory, Jean Baudrillard's work; 87R7503
psychotherapy-magic relationship; 87R6601
rationality/validity/destiny, Franco Ferrarotti's views; two-book review essay; 87R6196
youth socialization/attitude system formation/modern societies; 87R4665
Modernity
Abel/Cain biblical story, law/legal procedure justice aspects; article/comments; 87R6275
cultural change, classical-contemporary modernity, authenticity theme; 87R3604
democracy, modernist/postmodernist interpretations; 87R9724
futurism movement, modernist literature, Brazil; 87R2288
localism/regionalism trends, modern Europe; 87R3854
Marxism as cultural movement, historical development; 87R3603
modernism/postmodernism, architecture, social implications; 87R5160
modernity/faith coexistence, Belgium Catholic Church's position; 87R4422
nature concept, modernity, functional-relational paradigm; 87R6700
politics/modernity, German conservatism/Nazi ideology; 2-book review essay; 87R1391
postmodern man, secularization processes; 87R1618
postmodernism concept/mass culture, US; 87R6693
postmodernism/mass media relationship, self-referentiality context; 87R5272
postmodernism/poststructuralism, Jürgen Habermas's critique, communicative rationality as modernist theory; 87R7609
religion as partial system, Niklas Luhmann's theory; 87R6192
religion philosophy, modernization/secularization processes; 5-book review essay; 87R4426
social justice/economic disparities, modern world; 87R1302
society's evolution, Europe, theoretical approaches; 87R3365
sociology, postmodern theory/issues; 87R5462
Modernization
academic science, 19th-century Germany; 87R5403
alienation, post-independence Tunisia; 87R7575
alienation, Taiwanese college students; modernization; questionnaires; 87R3545
alternative farm operation systems, characteristics/prospects; 87S1994
artistic craftsmanship, position/traditions/skill transmission; 87R7918
charismatic leadership, modernizing societies; 87R9187
Chinese economic policy, Ricardian comparative advantage theory, Marxian critique; 87R3834
cultural change, classical-contemporary modernity, authenticity theme; 87R3604
ecclesiastical model, Poland; 87R6225
economic changes, 19th-century Europe/Japan vs India, macrosociological explanation; 87R2069
educational administration/curriculum, revolutionary vs bureaucratic elite's modernization policy, People's Republic of China; 1957-1981; 87T0088
educational inequality, Norwegian males; social origin; retrospective life history survey; 1921/1931/1941 birth cohorts; 87R4282
ethnic identity, economic/political/kinship patterns, Nyishang trading peoples, Nepal; 87R3634
export processing vs special economic zones, People's Republic of China, export industrialization promotion; 87S1950

family structure, India; industrialization, urbanization, socioeconomic changes; 87R2695
Germany's modernization, pathological traits; book review essay; 87R9134
indigenous Indian societies, South America, historical/developmental role; 87R3598
industrial development, worker peasantries, regional characteristics; case studies, Oberlausitz, Saxony/Friuli, Italy; 17th century-present; 87R2189
industrial modernization, French socialist program; case studies; 87R9437
intercultural contact, modernizing culture, diversification vs convergence processes; Sicily; 87R3616
introductory sociology course, modernization theme/framework; 87R6919
Japanese family, traditional/modern characteristics; 87R8375
Kanaka nationalism, French New Caledonia colony; statistics; 87R1641
life events, 1947-1954 cohort, People's Republic of China; Cultural Revolution; interviews, official publications; 87S1958
Lingayat religious movement, Karnataka, India, social structure; fieldwork; 87R4039
modern Japanese family, internal/external structure; 87R4741
modern societies' development, Jürgen Habermas's & Hannah Arendt's theories; 87R7581
modernity, acculturation, family/national values, Italian/Turkish immigrants, France; 1950-1970; 87R3813
modernization concept/characteristics, developing countries; 87R5740
modernization experience/success, Japan; 87R1815
Muslim women, India, changing status; 87R5212
needs perceptions, Tunisian working class; modernization; 87R7468
political development, tribal societies; kinship/marriage patterns; ethnographic data; Middle East, Central Asia; 87R2027
political modernization, India, evaluative model; 87R2062
rural/agricultural sociology, Gino Germani's modernization theory; 87R2182
Sadhu organizations' traditions/modernization, orthogenetic changes, India; 87S2001
seniority principle, Sonongo social organization, Mali, socialization/institutionalization process; fieldwork; 87R7255
Slovene folk culture, ethnological research; literature review; Ljubljana, Yugoslavia; 87R5545
social attitudes, Mizo society, India; education, modernization; questionnaires; adults; 87R3659
social change analysis, classical/contemporary explanations; 87R9537
social stratification, status inconsistency trends, Japan; national surveys; 1955-1975; 87R9851
social structural/cultural analysis recombined; illustrative case studies; Byzantine vs Chinese Empires, sociology of religion; 87R3602
social/economic problem resolution, law's role, developing countries; 87R9554
societal changes, Japanese women's personal histories; 87R8867
split labor markets; ethnicity, historical period; historical case study; Jewish settlements, Tsarist Russia; 87R7331
turn-of-the-century neo-Hellenic literature, love/marriage/magic themes; 87R4261
unpaid family labor; modernization; International Labor Organization statistics; cross-national analysis; 87R2653
Western health care utilization; modernization, Christianity; statistics; cross-national analysis; 87R7084
women's benefits/losses; modernization; ethnographic case study; Nukumanu Atoll, Papua New Guinea; 87R6813

Modes of Production
agriculture adoption, precapitalist societies, explanatory theories; 87R9336
bonded labor capitalism restructuring; fieldwork; Peru, India; 87R9589
city-society relationship, ancient Middle East, semiotic analysis; 87R5476
economic relations, communal religious societies; published data; 87R7452
feudal production mode, Middle Ages Europe, historical materialist analysis; 87R8914
household cycles, Serbian vs English villages; modernization, demographic change; autobiographical/census/other data; 87R7268
pastoralism transition, communal Sami economy, European Arctic region; 1500-1700; 87R3590
petty commodity production, capitalist society, social structure implication, surveys, fieldwork, interviews; Turkey; 87R9533
petty commodity production, political/ideological factors, theoretical framework; 87R9563
production modes, Third World countries, historic differences; 87R1811
simple commodity production households, capitalist societies, property/patriarchy contradictions; 87R9397
social mobility possibility, caste system, India; 87R7689
societal transition, research issues; journal issue introduction; 87R9545
work organization improvements/microprocesses, Eastern Slovakian Ironworks, Kosice, Czechoslovakia; 87R9408

Monarchy
caste/political authority/sect relationship, Tamil Nadu temple, India; 87R6238
France's 1695 poll tax, social classification/exclusion characteristics; 87R7684
political/authority relations, precolonial Sri Lankan kingdoms; 87R5974

Monasteries
personality changes; monastic religious training; Minnesota Multiphasic Personality Inventory; residents, Zen Buddhist monastery; 87R4409
power relations, de Lindenburgh monastery, Netherlands; literature survey, participant observation; 87R4365
power relations, priest/lay brothers, Lindenburgh monastery, Netherlands; internal institutional change, external influences; 1967-1974; 87R4366

Monasticism
Belgian Catholic clergy, sociographic trends; 87R4383
monastic escapism, early Christianity; 87R4392

Money
monetary adjustment process, prices' downward inflexibility; 87R3841
money economy, Georg Simmel's culture theory; 87R3378
philosophy of history/money, Georg Simmel's/Max Weber's shared views; 87R7011
ruble value, urban/rural differences, USSR; questionnaire; 1981/82; 87R9248
Simmel, Georg *Philosophy of Money*, "play" conception/methodology; 87R5457
traditional trade persistence, capitalist penetration, Papua New Guinea; product monetization resistance; fieldwork; Maring, Tsuwenkai village; 87R3643

Mongolia
occupational/family/cosmological values, urban Huhhot, People's Republic of China; technological/economic/political developments; participant observation, interviews; 87R3647

Monks
folk-medical practitioners, Thailand, diagnostic diversity/rivalry; fieldwork; 87R4835
occupational stress, religious leaders; questionnaires, scales, interviews; 87R7782
personality changes; monastic religious training; Minnesota Multiphasic Personality Inventory; residents, Zen Buddhist monastery; 87R4409
power relations, priest/lay brothers, Lindenburgh monastery, Netherlands; internal institutional change, external influences; 1967-1974; 87R4366

Monogamy
polyandry vs monogamy, evolutionary adaptive value, computer simulation model; reproductive life histories; Nepal, India; 87T1036

Monopolies
managerial control/structure, monopoly firms, Japan; surveys; literature review; 87R9505
power, unilateral monopolies; peripheral vs central position, weak vs strong connection type; 87S1974
professional sports team ownership, capitalist characteristics; 87R5862

Monopoly Capitalism
communication/information, journalistic knowledge monopoly vs oral traditions, H. A. Innis's views; 87R5456
corporatist policy as socialist strategy, Australia; critique/reply; 87R7582
industrial capitalists, Korea, social origins; biographical/other data; 87S1982
labor aristocracies, reform politics, capitalistic/monopolistic/imperialist companies; 87R5638
labor control systems, competitive/monopoly capitalist enterprises, Pittsfield, Massachusetts; deindustrialization, restructuring; case study; General Electric Company; 87R5759
organizational change, US steel corporation; macro economic conditions; participant observation, interviews, document analysis; 1930-1985; 87R5716
warfare/military organization, hegemonic capitalism's development, social theory considerations; 87R5884

world economy, theoretical analysis; 87R7475

Montana

air pollution problem, competing groups' definitions, legislative legitimation attempts; case study; 1967 Montana Clean Air Act; 87R6737

alienation/powerlessness/social isolation, correctional officers, Montana State Prison; prison structural variables; questionnaires; 87R7803

stress coping strategies, urban vs rural married couples, Montana; questionnaires; 87T0480

Montenegro, Yugoslavia

clan execution as ostracism, feuding tribal societies; historical case study; Montenegro; 19th century; 87R2417

Montesquieu, Charles Louis de Secondat

intercultural relations, cultural group values/discrimination, policy development, Goethe's "universal literature" principles; personal experiences; Bulgaria; 87R3622

Montreal, Quebec

Archipelago National Park development, Montreal, Quebec, state/municipal/private agencies' participation; case studies; 87R5849

chronic unemployment, coping strategies, Canadian youth; life histories, case study; Montreal, Quebec; 87R1681

criminal activity stages, juvenile-adult offenders, criminal career concept; Montreal, Quebec; 87R9898

female-headed single-parent families, Montreal, Quebec; habitat; census, case studies; 87R8400

housing cooperatives, economic action/space appropriation, Montreal, Quebec; interviews, participant observation, documents; 87R5731

mobility desires, nonmovers, Montreal, Quebec; secondary survey data; 87R4611

perceived vs actual language use, Portuguese-/Greek-language households, Canada, data collection implications; 87R6106

police public relations service, Montreal, Quebec, press-police relations; 87R9650

psychotropic drugs/alcohol use, women, Montreal, Quebec; interview survey; 87R8601

punishment rates, criminal justice system, stability hypothesis; Montreal, Quebec; 1849-1913; 87R2483

religious behavior, male vs female adolescents; parental marital status; questionnaires; Montreal, Quebec; 87R8300

separatist violence, mass media's coverage/legitimation, Quebec; content analysis; newspapers, Montreal; 87T0958

sociopolitical attitudes, Holocaust survivors' adult children; Holocaust-related variables; questionnaire interviews; Jews, Montreal, Quebec; 87R6398

urban movements, Montreal, Canada; state/society relationships; secondary data; 1970s-1980s; 87R9612

violence prediction, behavioral science theories; juvenile court records; Montreal, Quebec; 87T0965

work organization, female workers, psychosocial effects; literature review, survey; Montreal, Quebec; 1985/86; 87R9468

working conditions/daily life, immigrant women, Montreal, Quebec; life histories, government statistics; 1971-1981; 87T0316

Monuments

historical monument preservation, Polish rural families' attitudes; 87R2191

Statue of Liberty/Ellis Island, US National Park Service site development, symbolic meaning vs historical reality; 87R1534

taste/style production, Netherlands, art/national monuments; 87R2274

Vietnam Veterans Memorial, ritual symbol aspects; observational/other data; 87S1985

Moral Development

British feminist/pacifist Vera Brittain, personal experience-ideology relationship; biographical case study; 87R7165

cheating behavior, moral development/social learning interaction; questionnaires; college students; 87R1445

jurors' sociomoral worldviews, assessment methodology; 87R6249

moral judgment theory/methodology, validity/reliability problems; 87R7053

religion/anthropology, Franz Boas'/Kaufmann Kohler's thought, Jewish/German liberal influence; 87R1315

social/moral development, Israeli adolescents; kibbutz education; interviews, tests; 87R2600

sociology of morals, Emile Durkheim's writings; 87R5419

women's moral development, Larry Kohlberg/Carol Gilligan debate; 87R8845

Moral Education

moral influence development, socialist society; 87R9547

moral instruction, US public education, historical evolution; 87S1954

moral judgment theory/methodology, validity/reliability problems; 87R7053

religious values/attitudes transmission, father/mother-youth; questionnaires; Seventh-Day Adventist congregation members; 87R2378

Moral Judgment

audience evaluation/retention, religious speeches/sermons, high- vs low-fear arousal; socioreligious factors; questionnaire; 87R2401

moral rationales, male vs female coaches/athletes/nonathletes; questionnaire; 87R3918

religious/moral attitude trends, college students; questionnaire surveys; Williams College, Massachusetts; 1948-1984; 87R4397

sports injuries, children's legitimacy judgments; interview, questionnaires; 87R5859

Morale

family/patient functioning, post-stroke victims; scale/questionnaire data; 87T0449

morale, large bureaucracies; self-report instrument interviews; Artillery/Airborne unit members, Utah Army National Guard; 87R3763

Morality

abortion, moral issues, parental responsibility vs right-to-life approach; 87R2734

abortion/procreation decisions, fathers' rights; 87R4793

bingo players' moral ambivalence (charity vs self-interest), coping techniques; case study; southern US bingo parlors; 87R2850

black family crisis, social ethics, holistic approach; 87R4739

class nonattendance, college students' justifications/excuses, US; written accounts; 87T0100

contemporary vs 1920s sexual morality/norms, USSR; literature review; 87R8324

environmental protection support, moral norms; social-psychological processes; questionnaire; undergraduate students; 87T0913

family/interpersonal violence; sociocultural change; 87T0476

famine/other risks, Indian Hindu villages, peasant adjustment processes; 87R6761

Foucault, Michel, theory/works; other philosophers' comments; 87R3343

handicapped infant treatment, moral issues; case study; Infant Doe controversy; 87R3021

homicide motivations/justifications, rural mid-western US; interviews; convicted murderers; 87T0802

human life, price/value calculation, moral issues; 87R3002

law/morality relationship, conventional/nominal/real definitions; 87R4497

Marxist ethical theory, Max Horkheimer's/Jürgen Habermas's views; 87R8711

materialism, morality relationship, Karl Marx's/Immanuel Kant's work; 87R8702

modern welfare state, moralist/amoralist/immoralist ethos; 87R5953

moral discussion, straight reason's role; 87R7057

moral exemplars/values, comparativist anthropological perspective; book review essay; 87R3369

moral influence development, socialist society; 87R9547

moral panics, sociological analysis; 87R5836

moral Right, New Zealand, Left counterapproaches; 87R3858

moral system, post-1868 revolution, Spain; historical records; 87R9185

moral temper, US, modernity revolt; 87R6727

mortality patterns, western Massachusetts towns; industrial revolution, environmental changes; death records, census/economic data; 1850-1910; 87R4606

Nazi scientific data, citation/utilization, ethical issues; article/comments; 87R8202

New Right movement, family morality issues, US vs GB; 87R3969

penal law development, modern Europe, institutional learning process approach; 87R4461

political conflicts, cultural milieus, Sweden/West Germany; 87R4002

professional wrestling, semiotic analysis; 87R7563

public opinion, GB, political/morality issues, survey research; 87R1432

rationality/morals, decision making; 87R1412

religious rejection/politicization, US sociology/social science; book review essay; 87R1287

religious/moral attitudes, Catholic college students, 1960s-1970s; questionnaire; freshmen, Marquette University, Milwaukee, Wisconsin; 87R4414

sexual relations, Netherlands; content analysis; etiquette books; 87R3136

social institutions, moral continuum, Pareto-inferior choices; 87R3164

social judgments, sexual behavior; collective medical/judicial interpretation; 19th century-present; 87R4509
social reform movement participation/mobilization, status- vs culture-oriented explanations; campaign literature, other data; antiabortion activists; 87R9609
societal transformation, Moslem/Christian Palestinian women, Jordan's West Bank; "'aib" (shame), moral order; participant observation, interviews; 87R5250
sociology of morals, Emile Durkheim's writings; 87R5419
threats to life, moral principles; General Social Surveys; Cardinal Joseph Bernardin's views; 87R4381

Morbidity
Bolivian flood, March 1982, health consequences, epidemiological assessment; records/surveys/other data; 87T0930
breast cancer patients, psychiatric morbidity, interview research project; interview transcripts; 87R4883
coronary disease treatment/epidemiology, blacks' experiences; Coronary Artery Surgery Study; 87R4853
malaria epidemic, north-coastal Peru; Niño phenomenon; health statistics; 1983; 87T0926
morbidity, perinatal/young children, geographical/social variations; Belgian epidemiological study; 87R4798
mortality/morbidity rates, Ghana, health care delivery implications; statistics; 87R2547

Mormons
abortion policy, Mormon Church's views/influence; 87R6523
Equal Rights Amendment, Mormonism/New Christian Right coalition potential; literature review; 87R4441
ethnic boundary maintenance, Mormons; in-group language; 87R4203
family ideology, 19th-century Morman theology; 87R2712
flood crisis, Utah, voluntary labor force organization, Church of Jesus Christ of Latter-Day Saints' role; spring 1983; 87R3043
Mormonism/fundamentalist Christianity coalition, value convergence; questionnaire; undergraduate students; 87R8054
religious beliefs, Mormon youths, Utah; survey; Salt Lake City; 87R6370
religious rhetoric modes, Mormon leaders; content analysis; conference addresses; 87R2404
settlement history, Mormons (Utah)/Jews (Israel); 87R2575

Morocco
Moroccan emigrants, eventual return myth; 87R3417
urban Jews/Muslims, Sherifian Morocco, political/economic relationships; legal correspondence; rabbis; 18th-19th centuries; 87R3514
urban labor force, industrial/occupational structure, Morrocco; 87T0340
way of life, married Berber Women, Brussels, Belgium vs Nador, Morocco; emigration; 87T0295

Mortality Rates
accidental death, gender differences; gender-role changes; mortality rate data; US; 1960 vs 1979; 87R2803
adult mortality, Korea, levels/trends/socioeconomic differentials; national survey; 87R2559
air pollution-mortality relationships, regression estimates; measurement error; official data; 87R5361
alcohol consumption, liver cirrhosis mortality; alcohol prices; time series data; Michigan, Ontario; 1955-1982; 87R2864
alcoholism mortality, Japan, 1950-1978; marital status, region, sex; government vital statistics; 87R6610
anorexia nervosa patients, death/relapse prediction; Copenhagen, Denmark; longitudinal analysis; 87R4968
birth/mortality rates, USSR, post-WWII; 87R8277
cancer mortality differentials, older ages, multiple cause-of-death model; literature review; 87R6575
cancer mortality, farmers, medically underserved Illinois counties; mortality ratios; 87R4819
cardiovascular mortality, spatial/sex differentials, US; environmental/demographic/health sustenance variables; county-level mortality data; adults; 1920-1980; 87R4861
child mortality estimation, mothers' retrospective reports, data reliability issues; historical/clinical records; sub-Saharan Africa; 87T0328
childhood mortality, racial/income-related patterns; census/other data; Boston, Massachusetts; 87R2579
coronary disease treatment/epidemiology, blacks' experiences; Coronary Artery Surgery Study; 87R4853
death causes, regional disparities, Ireland; official statistics; 87T0336
death rate variation, Christmas holidays; obituaries, *Who's Who in America* data; 87R2742
death rates, age-/sex-specificity, elderly; quality of life factors; census/vital statistics data; South Dakota; 1960, 1970, 1980; 87R2565
death rates; neurosis; follow-up data; neurotic patients, Birmingham, England; 87R2798
differential fertility, women, US; sociocultural changes; 1980 Current Population Survey; 87R2733
divorce rates, Taiwan; longer life expectancies; comments/reply; 87T0592
economic mobility, elderly, rural South Asia; reproductive failure; fieldwork; 87R8434
health/illness/death, GB, social patterning; statistics, surveys; 87R8492
infant mortality; birth intervals, breastfeeding, child/mother/community characteristics; World Fertility Survey; Latin American countries; 87R8261
infant/child mortality rates, gender differences, Egypt; National Nutrition Survey; 1978; 87T0324
infant/child mortality-fertility relationship, married women, Bangladesh; age/education/religion/contraceptive variables; Bangladesh Fertility Survey; 1975/76; 87R4608
infant/child mortality/health, developing countries; maternal nutritional/health status; Ugandan Demographic Research Project; 1970; 87T0581
infectious disease mortality rates, US; socioeconomic/demographic/health variables; SMSA data; 1980; 87R4891
morality assessment, rural vs urban areas; death registration data; Thailand, Peninsular Malaysia, Philippines; 87R6355
mortality crossover, older black Americans, heterogeneity argument critiqued; literture review, life tables; 87R8235
mortality differentials, interclass comparisons, methodological problems; 87R7805
mortality differentials/health status/health service utilization, Asian/Pacific elderly immigrants, US; statistics, literature review; 87R2886
mortality level estimation, two-census methods illustrated; simulated data; 87R8243
mortality patterns, 1850-1900, Massachusetts; industrialization, urbanization, immigration; census/death certificate data; 87R8280
mortality patterns, adult/middle-age/elderly populations; poverty prevalence; 87S1989
mortality patterns, familial role-related risks, Chinese vs American vs Chinese American societies; 87R8248
mortality patterns/causes, Jewish residents, Rhode Island; official records; 1979-1981; 87R2552
mortality rates, black/white differences, US; Marxist perspective; 87R6556
mortality rates, work-related disabled pensioners, Spain; statistics; 87R9391
mortality rates; gender, social factors; death certificates; census; Finland; 1969-1971; 87T0314
mortality risk, elderly; spouse bereavement; interviews; 87R5000
mortality risks; social ties; literature review; 87T0573
mortality variability, nonmetropolitan counties, US; sustenance organization structure, regional demographic/environmental characteristics; public documents; 87R4620
mortality, sex differences, USSR; published statistics; 87R8226
mortality/morbidity rates, Ghana, health care delivery implications; statistics; 87R2547
motor vehicle accident death rates, urban areas; population density/growth; census, statistics; US; 87R4877
population decline, mortality rates, early modern European cities; secondary statistics; Frankfurt-am-main, Germany/Austria; 1651-1840/1754; 87T0132
population dynamics/migration patterns, Mexico, social/gender differences; 87R2550
regional mortality levels, Japan; income per capita; death rates; 87T0331
service delivery/mortality rates, institutionalized elderly; formal vs informal support systems; survey; 87R8630
social demography, Hungarian villages, 18th-19th centuries; fertility/mortality/other data; Sárpilis; 87R4144
suicide rate consistency, Eastern European nations, 1875 vs 1975; 87T0319
suicide rate/methods, gender differences, Italy; age/period of death/birth cohort; death certification data; 1955-1979; 87R6535
suicide/homicide/accident mortality, aged population, Finland; official statistics; 87R4924
underenumeration problem, mortality estimates, correction techniques; 87R8244

Mosca, Gaetano
masses concept, Italian Gaetano Mosca vs Spaniard José Ortega y Gasset; book review essay; 87R5449
ruling class theory, Gaetano Mosca's thought, Italy; 87R9128

Moscow, Union of Soviet Socialist Republics

history of sociology conference, Moscow, USSR; 87R7021
industrial sociology conference, Moscow, USSR; 87R7319
professional orientations, USSR; longitudinal questionnaire data; 87R7765
quality of life, metropolitan Moscow, USSR; mathematical model; 87R2214

Mothers
Abortion and the Politics of Motherhood by Kristin Luker; book review symposium; 87R2736
academic self-image development, gender differences; maternal influences; interviews; mothers/children, Baltimore, Maryland; 87R6121
adolescence-to-adulthood status transition, low-income white/black teenage mothers, US; survey; 87R4662
adolescent family formation behavior; maternal characteristics; national surveys; US; 87R8363
adolescent sexuality/childrearing, privacy rights, cultural/legal issues, US; Supreme Court decisions; 87T0390
breast vs bottle feeding, Anglos vs Hispanics; interviews; mothers, US; 87T0515
cesarean births, non-natural childbirth followers' coping/attitudes; interviews; medically indigent women; 87T0556
childbearing experiences, self-/family-role images, working mothers, Nigeria; literature review, questionnaires; 87T0546
childbearing/employment decisions, one- vs two-child married, white females; interviews; 87R4628
childrearing attitudes, Indian vs US mothers; self-report questionnaires; 87R6448
children's academic performance/ability; maternal age/other variables; school screening data; 87R7988
employment, welfare mothers, Nevada; socioeconomic/cultural factors; interview questionnaire; 87R5622
family needs, diabetic child families, mothers' perceptions; questionnaires, interviews; 87R2707
family risks/strengths, parent perceptions; ethnicity; Comprehensive Family Care Center clients, Bronx, New York City, New York; 87R3572
family/motherhood concepts, China; revolutionary events, government policy; interviews; 87R4732
filial responsibilities, elderly mothers, middle-aged daughters' perceptions; demographic/subjective variables; questionnaires; nurses, educators, secretaries, homemakers; 87R2898
health differences, soviet women; fertility/other variables; 87T0478
infant feeding patterns, maternal attitudes/cultural beliefs; physical exams, interviews; infants, mothers, peri-urban Mali, West Africa; 1982/83; 87T0372
infant/child mortality/health, developing countries; maternal nutritional/health status; Ugandan Demographic Research Project; 1970; 87T0581
interpersonal relationships, marital happiness, married college women; reference group orientations, role assumption/status; interviews; 87R2700
labor force participation, Mexican-origin mothers, Los Angeles, California; welfare eligibility status; interviews; 87R8866
life satisfaction, sex-role orientation, self-esteem, preschoolers' mothers; employment status, educational level; inventories; homemakers, volunteers/part-/full-time workers; 87R3126
low-income/neglectful mothers' loneliness; ecological determinants; survey; urban/rural families; 87R4937
Malaysian children, mothers' educational expectations; family characteristics, mothers' education/marriage age/premarital work experience; Malaysian Family Life Survey; 87R6174
maternal/infant behavior, US vs Japan; observation; mother-infant dyads; 87R4745
measles beliefs/health practices, mothers, Senegal; urban integration; interviews; 87T0587
mental health, employed vs nonemployed mothers; home/child care/sex/work role attitudes; survey; Sheffield, England; 87R8906
misbehavior, academic performance, high school students; maternal employment, family structure; High School & Beyond survey, panel data; 87R6157
mother-daughter relations, feminism; questionnaires; women university students; 87R2618
mother-infant relationship, cognitive intervention program; 87T0529
mothers' behavior/disciplinary techniques, children's feelings; questionnaire; low-income 5th-/6th-grade children; 87S2004
neonatal health, pregnancy complications, antenatal care, mentally ill vs other mothers, Stockholm, Sweden; hospital/psychiatric records; 1976/77; 87R6578
part-time employment trends, GB; official statistics; 1971-1981; 87R8799
pension programs, poor mothers, 19th- vs 20th-century US; literature review; feminist perspective; 87R8821
postdivorce functioning, single mothers/children; interviews; mothers, Toronto, Ontario; 87T0511
postpartum moods/control feelings, mothers; childbirth experience; longitudinal survey; prenatal class participants; 87R8534
premarital sexual activity, marriage/divorce attitudes; parental marital status; interviews, questionnaires; young unmarried female university students; 87R6404
psychological distress, new mothers; social support; interviews; 87R4765
psychological well-being/role strain, employed vs nonemployed mothers; child care arrangements; national data; 87S1977
relationship satisfaction, elderly mothers-adult children; interaction quality/affection; interviews; 87T0473
shift work; marital status, child care; 1982 US Current Population Survey; employed mothers; 87R5678
sick child care alternatives, working mothers' preferences; survey; 87T0472
single mothers, dating participation; 87S1934
sons'/daughters' independent achievement, mothers' demands; mothers' sex-role attitudes; standardized scales; India; 87R6500
students' academic achievement; maternal employment; critique/comment/reply/rejoinder; 87R2325
teen parenthood, father-child relationship; adolescent mothers, Wisconsin; 87S1953
womanhood vs motherhood roles, ambivalence conflicts; interviews; mothers; 87R8853

Motivation
achievement motivation configurations; birth order, gender; personality instruments; 87R8432
altruism, definition/operationalization, motivational varieties; 87R7097
amphetamine use, high school senior females; societal bonding; surveys; 1976, 1978, 1980, 1982; 87R4986
arranged marriages, motivations, England, 1600s; reply/rejoinder; 87T0487
art/antique theft, thieves' motivations; police data, interviews; England; 87R6635
attitudes/attitude change, cognition's role; literature review; 1983-1986; 87R9202
behavior, motive fulfillment; outdoor recreation case study; backpackers, Grand Canyon, Arizona; 87S1995
behavior-biology relationship, Thomas Hobbes's "state of nature" concept; computer simulation; 87R5364
crime genesis, Edwin H. Sutherland's differential association theory; interview survey; adults, New Jersey/Iowa/Oregon; 87R5057
crime situations, criminals' definitions; criminalization stage; interview survey; prison inmates, Japan; 87R6643
economic behavior analysis, socioeconomics paradigm; 87R9211
educational achievement, school drop-outs; academic performance; interviews; 87R4334
employee firm ownership interest, gender differences; questionnaire; supermarket chain union members, Philadelphia, Pennsylvania; 87R9405
evaluative citation analysis, citer motivation; interviews; authors, University of Iowa; 87T0228
household energy use; financial incentives; questionnaire/other data; longitudinal analysis; 87R3471
human stimulus, needs; theory/research overview; 87R9225
job satisfaction/characteristics, public sector professional vs blue-collar workers; questionnaires; northeastern US; 87R9869
job satisfaction/motivation; job characteristics, publication productivity, nursing school faculty; mail questionnaire/survey; 87R2127
migration decisions, peasant agricultural producers, West Malaysia; community sociostructural factors; interviews; 87R4161
out-of-home employment motivations, single vs married women; intrinsic/extrinsic factors; self-report; 87R1693
parenthood choice, career-oriented women; psychosocial factors; questionnaire; graduate students; 87R4752
parenthood motivation, older females vs males; psychological variables; questionnaire; 87R7116
Quebec independence movement, motivational dimensions/model; 87R2042
rural/urban migration turnaround, metropolitan- vs nonmetropolitan-origin migrants, economic/environmental quality of life motives; questionnaires; Kansas; 87R8223
scale correlates/factor structure verification, experiential state measurement; questionnaire, scales; university students; 87R9238
social interaction, motivational dynamics theory, alternative approaches; 87R5490

social movement participation, individual motivations; social networks; 87S1980
social science research findings, media interpretations, methodological issues; 87R8843
social science research, student involvement/skill development, introductory college courses; program developed/tested; 87S1979
social welfare legislation, self-interest vs altruism motives; 87R9756
temporary migration, structural patterns/institutionalized sequences; 87R2554
use vs gratification, research problems; 87R9218
volunteer/involvement levels, adult 4-H leaders; social background/personality/attitudinal factors; questionnaire; 87R7835
war/unconscious aggression, psychoanalytic theory, GB; literature review; World War II-1950s; 87R9484

Mountain Regions
adolescent drug use, small rural vs mid-sized communities, Rocky Mountain region; questionnaires; 87R8319

Movements
public behavior, collective locomotion, theoretical analysis; field observations; 87R1927
status hierarchy, Muslim/Hindu society, South Asia; 87R4045

Mozambique
marriage/family patterns, Mozambique; traditional vs new legal system; field research; 87R4775

Multicultural Education
differentiated schooling, historical/political/economic context; 87R8010
language/school education, post-independence India; status/corpus planning contradictions/anomalies; 87R6147
multiculturalism/racial equality issues, education curriculum politics, UK; 87T0095

Multilingualism
demographic evolution, Quebec, linguistic/other consequences; 87R8233
Indian sociolinguistics, multilingualism aspect; 87R6078
language-cultural relationship, plural societies; 87S1999
language/power relationship, multilingual setting, India; 87R5569
linguistic pluralism, South Asia/India; 87R6094
Modern Standard Arabic usage, 19th-20th centuries, development factors; 87R6075
multilingualism, Indian research; literature review; 87R6088
multilingualism/multiculturalism, Western attitudes/approaches, post-1970s; 87R6089

Multinational Corporations
expatriate employees, international firms, selection/orientation strategies; interviews; 87R6837
expatriate managers, multinational corporations, selection/training procedures; interviews; 87R6663
Ford Foundation's cultural activities; political ideology; 1950-1980; 87R9503
human basic needs satisfaction, Third World; foreign aid, multinational corporation investments; cross-national data; 87R3846
independence policies, development issues, Iranian revolution; 87R7447
international trade union development; multinational corporation growth; case study; Massey-Ferguson plants, Kilmarnock, UK; 87R3838
labor control, workers' responses, oil industry, Nigeria; National Union of Petroleum & Natural Gas members; 87R3700
living standards/old age security, Indonesia/Malaysia/Philippines; multinational corporations' employee benefit structure; interviews, questionnaires; 87R9884
mining project (Cerro Colorado Copper), multinational corporations, Guaymi Indians' protests, Panama; holistic case study; 87R2993
multinational corporations, analytical concepts, world systems theory critiqued; 87R5793
national vs international Dutch accounting firms, national vs organizational cultural dominance; 87R4129
sociocultural evolution, generative processes, multinational corporations' role; 87R5722
worker conditions, transnational corporations, Asia; 87R5712

Multiple Jobholding
multiple employment adaptation, rural Norway; 87R6032

Multiple Regression Analysis
sample size formula, multiple regression studies; 87R1241

Multivariate Analysis
dichotomous data, nonparametric latent trait models; 87R5362
logit analysis, multivariate contingency tables, effect interpretation methodology; 87R5366
mixed quantitative-qualitative variables, path analysis models; 87R5346
probation cases, criminal justice model, statistical findings; 87S1953
psychological quality of life, objective/subjective dimensions, US; General Social Surveys; 1972-1984; 87T0886
tau/lambda/kappa estimation, small sample matrices, confidence intervals; 87R6903

Museums
cultural institutions/artistic work, postindustrial society; 87R7200
professionalization process, art museum work, US; case study; 1920-1940; 87S1953

Music
black music/popular culture, communicative function; US; 87R2273
black/female performers, music television video portrayals; content analysis; 87R3909
contemporary music perception/consumption; survey; France; 87R2275
country music, sexual themes; ethnomusicological analysis; 87R7905
elite vs popular cultural suppliers, urban areas; 87S1948
employment opportunities, black musicians; jazz crisis; participant observation, case studies, interviews; 87S1935
jukebox's history, GB; 87R1942
longitudinal data registration, musical notation methodology; 87R5347
Music Television (MTV) cultural/ideological/aesthetic implications; 87R1899
Music Television (MTV), decoding/consumption process; 87R1895
Music Television (MTV), postmodern cultural trends, social-ideological aspects; 87R1921
music television videos, viewing motivations, high school students; questionnaires; California; 87R3911
music videos as postmodern art, social implications; 87R5304
music videos, discourse analysis; 87R1906
music videos, long-term viewer effects; 87R1941
music-society relationship, Marxist/idealist/neo-Romantic approaches; 87R4246
musical culture participation, rural residents, USSR; questionnaire; 87R7840
musical meaning, formalist-expressionist model; 87R1499
musical taste, socialist youth, Eastern Europe; 87R8306
musical work, division of labor; 87R7912
popular dance music, contemporary Africa; literature review; 87R7542
popular music development/functions, Yoruba "juju," southwestern Nigeria; music analysis, literature review; Ibadan; 1981/82; 87R3625
popular music scene, Quebec; 1980s; 87R7916
popular music, Quebec, recent research critiqued; 87R7543
punk-influenced youth culture, Hungary, political issues; 87R7620
raï popular music form, Algeria; 87R7908
rock music lyrics, USSR; content analysis; 87T0068
self-representation, musical techniques/structures; biographical/other materials; 87R4245
violence/sex portrayals, music television videos; content analysis; 87R3910

Musicians
Presley, Elvis, feminist biography issues; 87R6809
rock music performers as cultural symbols, heroic status; 87R6380

Muslims
confessional group interaction, Jerusalem; traditional vs new business/trade association structures; reply; 87R5549
divorce reform, India, law/religious conflict; 87R4487
ethnonational consciousness, Muslims, Yugoslavia; modernization; tribalist vs pluralist debate; 87R5571
family/kinship/marriage practices, Indian Muslims, customary US statutory law; book review essay; 87R6423
food, ceremonial/ritual/hospitality uses, Muslims, New Delhi, India; ethnographic data; 87R6230
formal/customary religious tradition, Muslims, India; reply; 87R1401
Hindu/Muslim communities, India, social/economic/political interrelationships; 87R4361
Islamic revival vs assimilation, Muslims, India; 87R5566
Islamic vs Jewish immigration process, France/West Germany; 87R2572
marriage patterns, Beirut, Lebanon, religious endogamy/consanguinity; interview survey; Muslims/Christians hospital maternity ward; 87R2675
Moslem dance ceremony, Sufi order, Cairo, Egypt; 87R5601
Muslim beliefs/practice, India; 87R2098
Muslim immigrants/organization, Belgium; 1981 census; 87R4382

Muslim Mozabite confederacy founding/development, North Africa, environmental determinism factors; 1011-1053 AD; 87R3960
Muslim practice vs Islamic law, South Asia; 87R6234
Muslim status, post-Independence India, political action/ideology; 87R3540
Muslim women, India, changing status; 87R5212
Philippine Muslim-Christian marriages, integration attitudes; secondary studies; 87T0471
religious politicization, 19th-century India; 87R4413
social/political change, Muslim society, district paradigm; case study; religious leader's rise; 87R6176
societal transformation, Moslem/Christian Palestinian women, Jordan's West Bank; "'aib" (shame), moral order; participant observation, interviews; 87R5250
sports participation, Muslim women; empirical data; 87R5876
status hierarchy, Muslim/Hindu society, South Asia; 87R4045
tradition changes, familial relationships, Ismaili migrant community, Vancouver, British Columbia; migration; 87R3516
urban Jews/Muslims, Sherifian Morocco, political/economic relationships; legal correspondence; rabbis; 18th-19th centuries; 87R3514
women's status/social influence, male-dominated societies; women's family/friendship/community networks; participant observation, life histories, interviews; Muslim Arab village; Israel; 87R1559

Mysticism
darshan concept/ritual, Hinduism, guru's charisma, devotees' recognition; 87R2379
incense ritual, southern Tunisia; magical/religious/mystical dimensions; 87R5605
mysticism-religion relationship, Eastern/Western cultures; 87R8057

Myths
Abel/Cain biblical story, law/legal procedure justice aspects; article/comments; 87R6275
Chicago school of sociology, myth reconstruction/perpetuation; 87R3297
Chinook Indian myth; philological vs comparative anthropology approach; 87R7271
family/sexuality, ideological discourse, Greek fairy tale; semiotic analysis; 87R8332
Jacob's wrestling match, Book of Genesis, traditional hermeneutical/structuralist interpretations; 87R2399
mythological studies, Claude Lévi-Strauss's procedures/findings critiqued; 87R7264
Oedipus myth, anthropological implications; 87R3599
professional wrestling, semiotic analysis; 87R7563
sexless reproduction, 4th-5th century Athenian thought; 87R6805

Namibia
colonial/Nazi themes, literature, Hans Grimm's Namibia setting; 87R7231
depressive symptomatology, Namibian adolescent refugees, Beck Depression Inventory; 87R4944

Naming Practices
maiden name retention, post-marriage, legal norms; court cases; 87R3112
nicknames' derivation/usage/functions, Ashkenazic/Sephardic Jews, Indianapolis, Indiana; 87R8732

Narcissism
psychoanalytic training, identity formation process deformation, candidate/institution relationship; 87T0136

Narcotic Drugs
criminality-narcotics use, causal relationships; interviews; methadone maintenance patients, California; 87R2932
narcotics, synthetic manufacture, US, current criminal law regulation/revisions; 87R4965

Narratives
American Indian fiction, oral narratives' influence; 87R7897
contemporary fiction, social situation, traditional narrative's demise; 87R7919
ethnographic texts, construction practices; 87R3646
female autobiography, characteristics/problems; 87S1969
language/folktale cultural expressions, Japan, semiotic analysis; 87R3660
life stories, "recounting," Holocaust survivors; interviews; 87R1558
narrative traditions, folklore, occupational group members; personal experience narratives analysis, interviews; professional sailors; 87R2173
policy dilemmas, narrative structure, external criteria/principles; 87R3018
probation casework reports, tragic narrative genre; 87S1963
scientific knowledge, television's popularization; content analysis; broadcast messages; 87R5833

National Identity
anality expression, German culture; 87R5591
bilingualism/separatism relationship, social analysis; 87T0043
collective national popular will, Italy, Roman Catholic Church's role, Antonio Gramsci's analysis; 87R4419
cultural continuity, Karl Marx's worker alienation concept vs Melanie Klein's child projective identification process; 87R4921
defense issues, armed forces, public opinion, Spain; interviews; 1984/85; 87R9627
ethnic/national loyalty maintenance, multiethnic states; interethnic conflict resolution; 87R3509
Germany's modernization, pathological traits; book review essay; 87R9134
Goffman, Erving, discursive practices/preferences, Canadian psychotype; 87R5435
managerial attitudes, US vs Australian business majors; nationality; questionnaire; 87R7292
minority problems/separation, nation-state's role; 87R3569
nation vs state concept, ethnological writings, translinguistic analysis; 87R9295
nation-state reinforcement, transnationalization effects; 87R7459
national identity conceptions, mass media representations, political/economic vs collective/cultural emphasis; 87R9786
national identity maintenance/historical representations, Portuguese/French emigrants; questionnaire, observation; 87R4616
national identity, Germany, Theodor W. Adorno's thought; personal experience; 87R1975
national stereotype assessments, college students, West Germany; questionnaire; 87R7127
national/organizational cultures, Dutch vs US accounting firms; conceptual analysis critiqued; 87R5708
nationalist movement as expressive social movement, Quebec, Herbert Blumer's typology; 87S1931
nationhood characteristics, ethnic group solidarity, modern nations; 87R3392
non-Zionist activities, Jewish Fellowship, GB, assimilation efforts; 1937-1948; 87R5573
pluralism/discontent, Fiji, national unity government proposals; 87R3562
political self-image/community, national identity, "ethos"/"demos" concept utility, Western Europe; 87R5887
professional wrestling, Japan, popularity/influences; 1953-1963; 87R9691
scriptural symbols/language, US culture/literature; content analysis; Bible/Book of Mormon/other literature; 87R6103
self-identity, rural Nigeria/Niger villages; ethnic ties vs national consciousness; participant observation, interviews; males; 87R3550
settlement removal, Sinai Peninsula, Israel, peace/national identity issues; 87R9700
Sinai settlement removal meaning, national identity conflict, Israel; 87R9697
The Trouble with America: Why the System Is Breaking Down, chapter 4, by Michel Crozier; comments; 87R5500
Vietnam Veterans Memorial, ritual symbol aspects; observational/other data; 87S1985

National Security
armed forces, structural changes, government relations, Spain, pre-/post-1977; 87R9485
defense issues, armed forces, public opinion, Spain; interviews; 1984/85; 87R9627
foreign/defense policy, US, autonomy debate, case studies; 87S1939

political/economic/social situation, Guadeloupe; historical/field data; 87R7448
popular resistance, Pakistan tribes, Afghanistan; cultural honor, tribe/state relations; poetry analysis; 1978 revolution; 87R3970
racial/ethnic divisions, postwar GB/Australia; nationalist structures; 87R1610
racist/nationalist ideologies, shared features, Marxism; England; 87R5565
revolutionary vs counterrevolutionary nations, Karl Marx's/Friedrich Engels's theory; 87T1048
settlement removal, Sinai Peninsula, Israel, peace/national identity issues; 87R9700
Sinai withdrawal protest, movement to stop the withdrawal group, background/aims, Israel; 87R9604
social movements, leadership influences, tribal Chotanagpur, India; 87R7484
social movements, post-independence India; 87R3857
social studies education, nationalism development, Lebanon; historical analysis; 87R4312
Statue of Liberty/Ellis Island, US National Park Service site development, symbolic meaning vs historical reality; 87R1534
women's social position/political activism, Palestinian community, Lebanon; National Liberation Movement (PLO); participant observation, descriptive statistics; 87R1863
Nationalization
national health service implementation, Nigeria, doctor's attitudes; questionnaire; 87R9925
nationalized industries, northeastern GB, local economic/environmental impact; case studies; 87R1827
Nativistic Movements
labor conflict, Ku Klux Klan mobilization, Wilkes-Barre, Pennsylvania; 1978; 87R3850
Natural Disasters
community destruction, urban renewal programs/environmental disasters, legal/moral implications; 87R8736
community recovery process, postdisaster, US; case studies; 87R3052
crisis, decision-making patterns; case studies; Netherlands; 87R5151
disaster aid, developing countries, mental health service delivery, primary care workers' role; case study; earthquake victims, Arnero, Colombia; 87T0922
disaster planning, coordination, developing countries; 87R5181
disaster situations, mass media's reporting, Japan; surveys; 1978-present; 87R3044
disaster studies, Japan, sociobehavioral perspective; literature review; 87R3051
disaster-related psychiatric disorders, Mount Saint Helens (Washington) volcanic eruption; interviews; 87T0928
disasters, coping/evacuation behavior, psychological responses; surveys; Ohbu/Nagasaki/Ako/Tsubota, Japan; 87R3049
division of labor, Guatemalan communites; earthquake; 87R3046
earthquake experience, residents' perceptions, phenomenological approach; written/oral accounts; university students; New Brunswick; 87R5179
earthquake prediction technology, policy formulation, US vs Japan; 87R6334
earthquake prediction, policy/public attitudes, US vs Japan, panel survey; Shizuoka, Japan/southern California; 87R3045
Earthquake Preparedness Project, southern California; 87R3048
earthquake victims; psychological/behavioral responses; seismic intensity; questionnaire/interview surveys; Japan; 1973-1983; 87R3050
earthquakes chronology, Mexico's Central Basin, 15th century-Sept 1985; documentary/official/other data; 87R7865
emergency management practices; interpersonal relationships; interviews, survey; reservists, Federal Emergency Management Agency; 87R5173
evacuation behavior/planning, Great Sakara Fire, Japan; questionnaire survey; 1976; 87R3039
flood crisis, Utah, voluntary labor force organization, Church of Jesus Christ of Latter-Day Saints' role; spring 1983; 87R3043
flood victims, psychological distress, family disruption; demographic variables; questionnaires; Santa Fe, Argentina; 1982/83; 87R5172
housing amount/quality/type, earthquake-affected districts, Mexico City; census; 87R7858
long-term earthquake prediction, Tokai district, Japan, individual reactions/media coverage; surveys; 87R5175
natural disasters, impact/recovery, black vs white victims; interviews; Paris, Texas; 1982; 87R5169
natural disasters, predictability/scope/onset delay/lethality characteristics, preparation/response implications; 87T0927
natural hazards benefit analysis, applied welfare economic ex ante vs ex post valuation concepts; 87T0929
natural-disaster-related narrative, communication utility, time concept; 87R3489
neighborhood associations' mobilization/organization, post-1985 earthquakes, Mexico City; documents/interviews/observation; 87R8781
postdisaster psychosocial adjustment; questionnaires, interviews; volcanic eruption victims' friends/relatives, Mt. St. Helens, Washington; 1981, 1983; 87T0924
postearthquake restoration processes, prediction model; Sendai City, Japan; 87R3047
postearthquake warning behavior, terminal train stations; simulation models; Japan; 87R3055
reconstruction policy, post-1985 earthquakes, Mexico City; official decrees; 87R8787
rental housing price/supply, post-1985 earthquakes, Mexico City; newspaper listings; 87R8777
role conflict, crisis situations, emergency responders' perceptions; interviews, surveys, case study; North/South Carolina tornadoes, 1984; 87R8783
shelter/camp residents' characteristics, post-1985 earthquakes, Mexico City; questionnaire; 87R8782
stress/coping/recovery, Mount St. Helens volcano disaster victims; interviews; Washington; longitudinal study; 87R5177
transportation disruption, post-1985 earthquakes, Mexico City; 87R7850
Natural Environment
cities, modern society's pathologies, new environmental paradigm proposed; 87T0007

coastal tourism regions, Washington, planning/development issues; 87R9672
country roads, midwestern US, photographer's travels; personal experience; 87R3615
ecological awareness, spiritualization of nature; content analysis, interviews, other data; 87T0910
environmental policy, ecological rationality concept; 87R8762
hermeneutic philosophy, historical development; 87R7071
nature concept, modernity, functional-relational paradigm; 87R6700
net migration; natural environment; county-level data; US; 87R4599
river water quality/biology, Rio Hando watershed, New Mexico; ski resort development; 87T0912
tourism, ecological impacts, Heritage Coasts, England/Wales; 87T0904
tourism, environmentally oriented planning; 87T0907

Natural Resources
economic stagnation, Argentina, indirect development strategy proposed; 87R7565
land/botanical resource use, subsistence production systems, Les Alves, France; folk biotape analysis; 87R3652
natural resource development, tribal sovereignty, American Indians; 87R8773
natural resources conservation/preservation, Siberia, USSR; 87R5167
nature concepts/parks, Belgium; social factors; 87R9955
resource/environmental degradation, pastoral Maasai's rangeland, East Africa; farmers' immigration; 87T0914
social change, US Great Plains; groundwater availability; censuses; 1940-1980; 87R1796
traditional wildlife management deficiencies; case study; black-footed ferrets, US; 87T0902

Natural Sciences
academic quality, human sciences students, university preparatory colleges, Quebec; statistics; 87R7990
book review section, *American Scientists*, history/coverage; 87R2959
chaos/transformation theory; natural vs social sciences; 87R3379
general/professional education colleges, Quebec program results; 87R7946
hermeneutic circle concept, social/natural science implications; 87R7033
ideology's role, natural sciences; 87R2966
intergroup relationships, scientists, social mapping; survey; 1971; 87T0130
natural science, social/network analysis, *Science for Social Scientists* by John Law & Peter Lodge; review essay; 87R4528
natural science, societal role/obligations, ethical/philosophical issues; 87R8209
natural/social sciences, Marxism's relevance; 87R1273
professional socialization, field naturalists; case study; state university, New England; 87R5989
science/ideology relationship, geology/cosmogony examples; article/comment; 87R2962
scientific attitudes, social vs natural scientists; questionnaire; university faculty, Washington, DC; 1983; 87R9928
scientific paradigms/theory, natural sciences; 87R2501
scientific practice, cognitive/social patterns; case study; biology; 87R8963
scientific sociology, Peter Winch's ordinary language critique/Harold Garfinkel's ethnomethodology, alternative formulation; 87R5407
social science vs natural science models, antinaturalist/pragmatic arguments; 87R8969
social sciences, natural scientists' challenge; 87R3345
subjective vs objective, human activity, scientific determinism model critiqued; 87R6861

Naturalism
sciences of science, cognitive paradigm, Marc DeMey's views; interview; 87R6689

Nazism
colonial/Nazi themes, literature, Hans Grimm's Namibia setting; 87R7231
democracy/Nazism opinions, post-WWII West Germany; cohort/period/life-cycle effects; surveys; 87R9801
democratic loyalties/socialization, West German youth, post-World War II; 87R6385
German mathematics/Nazi ideology, professional societies' adaptation/resistance; historical survey; 87T0835
German pedagogy, National Socialist vs Weimar Republic periods; register/other data; 87T0140
health care systems development, East vs West Germany, Nazi period influences; 87S1968
mass/collective behavior research, Germany, historical development; 87R5838
Nazi ideology, racial superiority theory; 87R1569
Nazi period interpretations, German conservatives; content analysis; speeches, publications; 87R9647
Nazi research data, citation/utilization, ethical issues; 87R2496
Nazi scientific data, citation/utilization, ethical issues; article/comments; 87R8202
Nazi "war painter" system, contemporary Western science's evaluation systems, parallels; 87T0831
Nazis in Skokie: Freedom, Community and the First Amendment by Donald Alexander Downs; review essay; 87R7610
Nazism, working class support, Germany; voting data; comment/reply; 87R3863
political violence, Nazi period, German history; 3-book review essay; 87T0967
politics/modernity, German conservatism/Nazi ideology; 2-book review essay; 87R1391
pronatalist policy, National Socialist regime *SS-Führerkorps*, Germany; 87R2735
psychological journals, pre-WWII Germany, National Socialism's impact; content analysis; 87R8210

statute law/individual rights, Ronald Dworkin's work; 87R1758
student political involvement, Germany, 1918-1945; card-index records; 87R2305
urban architectural plans, Nazi Germany; 87R9719
Who Voted for Hitler? by Richard Hamilton; review essay; 87R7619

Needs
Capitalism, Consumption, and Needs by Edmond Preteceille & Jean-Pierre Terrail; review essay; 87R1828
emotional need expression, disabled, societal impediments; 87R4952
family needs, diabetic child families, mothers' perceptions; questionnaires, interviews; 87R2707
health needs, rural vs urban US, biopsychosocial perspective; 87R4150
human stimulus, needs; theory/research overview; 87R9225
life adjustment perceptions, neurologically impaired/learning disabled marital couples; interviews; 87R6504
social service needs/underutilization, black Americans; participant observation, questionnaires; support group members; 87R3575

Needs Assessment
action research, human needs concept; 87R7184
community-based research, clinically at-risk individuals, technical definitions critiqued; 87R6560
cooperative agricultural settlement disbandment, mental health stressors/responses; Sinai, Israel; observations, interviews; 87T0917
disaster management, informational needs assessed; 87T0919
health needs, rural vs urban US, biopsychosocial perspective; 87R4150
new social service populations, budget cutbacks, service needs; 87T0944
public policy needs, Cuban/Haitian immigrants, Miami, Florida; 87R3519
service needs, aging Prairie Bank Potawatomi Indians, US, formal/informal support networks; survey, participant observation; 87R6627
social welfare needs, elderly, age-based targeting; 87R2893
urban service assessment, racial differences; suburbanization; Annual Housing Survey; 87R2239

Negotiation
bargaining behaviors, formal models/broader issues; 87R9244
civil suits, litigation insurance issues; article/comments; 87R8093
international political relations, conformity/creativity approaches; Carter-Sadat/-Begin negotiations, Camp David; 1978; 87R1403
interpersonal utility comparisons, triangulation strategy; 87R6739
negotiation process, health care institutions; governmental program merger directive; ethnographic data, interviews, documents; Nova Scotia; 87R5504
pharmacist professionalization/role negotiation; hospital social context/structure, interpersonal relations; participant observation; teaching hospitals; 87R2155
purchasing commitment, vendors' negotiation strategies; interviews, participant observation; 87S1975
role identity negotiation, interaction strategies; transcripts; 87R9249
water allocation, farmer-managed irrigation systems, Indonesia; system/age/design, interpersonal processes; interviews, field observations; Balinese "subak" analyses; 1981-1983; 87R2209

Neighborhood Change
gentrification process/neighborhood revitalization; 3-book review essay; 87R9992

neighborhood associations, characteristics/structure/issue orientations, metropolitan Oklahoma City, Oklahoma; survey, census; 87R7402
neighborhood stabilization, urban neighborhoods; 87S1978
neighborhood structure/charge, status/race variations, central city Cleveland, Ohio; 1930-1980; 87R9994
urban displacement, neighborhood community effects, Central Harlem/New York City, New York; historical analysis; 87R4192

Neighborhoods
business/social relationships, Islamic Al Gamaliyya quarter, Cairo, Egypt; fieldwork, secondary studies; 87R4195
child development; social environments; research suggestions; 87R8285
contemporary community organizations, Saul D. Alinsky's orientation, practical utility; case studies; Chicago, Illinois; 87T0859
employment, black vs white youths; job availability, residential segregation; business data; Chicago, Illinois; 87R5661
high rise neighborhood; 87T0023
human/rat population interactions; ethnographic case studies; neighborhoods; intervention recommendations; 87R7881
inner-city neighborhood structure, Cleveland, Ohio; spatial distance/direction; censuses; 1930-1980; 87S1960
intraurban migration; housing/neighborhood attributes/preferences; interviews; households, Columbus, Ohio; 87R9976
local communities, social life decline, thesis critiqued; 87R9145
local delinquency rates; external ecological factors; longitudinal data, Chicago, Illinois; 1960-1970; 87R6666
local Shintō shrine festivals, planning/organization; fieldwork; Tokyo neighborhood, Japan; 87R6220
mentally retarded/ill group home facilities, community opposition; information control; telephone interviews/mailed questionnaires; New Jersey community residents; 87R2231
mentally-ill/retarded group home establishment, community opposition; neighbors' prior notification; interviews, census data; New Jersey; 87R2778
neighborhood conflict, dispute mediation organizations, conceptual/strategic issues; 87S1941
neighborhood crime, resident vs nonresident offenders; community racial/socioeconomic characteristics; arrest data; 87R5027
neighborhood life quality/activity time use, well-being perceptions, US; national survey; 87R9271
neighborhood organizations' service delivery style/autonomy, US; funding source/restrictiveness; case studies, survey; 87R3761
neighborhood organizations/community problem-solving, Albert Hirschman's Exit/Voice theory tested; survey; Greensboro, North Carolina; 87R4194
neighborhood renters' associations, Geneva, Switzerland, sociologist's role; 87R7862
neighborhood revitalization, uneven spatial distribution; urban Manhattan; city-wide/neighborhood institutional conflict; J-51 tax subsidy program, Upper West Side/Chelsea, Manhattan, New York, New York, 1970-1980; 87R2248
neighborhood social care, formal/informal sources' relationship, GB; secondary data; 87R8802
neighborhood social networks, summer vs Christmas seasons, transactional approach; questionnaire, interviews; household heads; 87R1790
neighboring practices, western communities, US; population/ecological change; 87S1947
neighbors' interaction, urban Norway, individuality/sociability tensions; field data; 87R4184
New York City 1977 blackout looting; neighborhood characteristics survey, statistics; 87T0794
political behavior; social networks, neighborhoods; National Election studies; September/November 1980; 87R1999
private policing/security, crime prevention measures; national/other data; 87S1939
pub use/social control, user characteristics, "rough" working-class neighborhood, GB; participant observation; 87R3491
racial pluralism, urban neighborhoods, stabilization efforts; field research census; Indianapolis (Indiana)/Rochester/Milwaukee (Wisconsin)/Hartford (Connecticut); 87S1942
real estate developers vs neighborhood associations, Geneva, Switzerland; 87R7860
residential burglary opportunity; family vs neighborhood family composition; survey; England, Wales; 1982; 87T0804
resource mobilization capacity, local community organizations; interviews, organization records; major US cities; 87R8735
social relationships; Israeli Arabs/Jews; close neighborhood living arrangements; questionnaire interviews; family heads, Acre; 87R3515
social structural change, authority/kin-group patterns, Bedouin population, Negev; relocation; case study; Rahat village; 87R3645
squatters' rights, neighborhood renters' associations' stance, Geneva, Switzerland; 87R7851
urban conflicts, neighborhood associations' role, Geneva, Switzerland; journal issue introduction; 87R7878
urban squatter settlements, Brazil, popular planning perspective; 87R6054
urban struggles, actor groups, Geneva, Switzerland; 87R7861
victimization probability; neighborhood physical/social/opportunity structure; surveys; US, Netherlands, GB; 87S1948
voluntary neighborhood improvement organizations, working class women's roles; interviews; St. Louis, Missouri; 87R6789

Neighbors
neighbor relations, high-rise residences, Israel; building structure, personal characteristics; interviews; women; 87R2228

Nepal
ethnic identity, economic/political/kinship patterns, Nyishang trading peoples, Nepal; 87R3634
ethnic/cultural identity, Newar castes, Nepal; caste/religious/territorial systems; 87R1399
family size, Nepal; value orientations, background variables; Terai Development Survey; 1977/78; 87R3653
fertility analysis, Easterlin-Crimmins Synthesis Model critiqued; US, Colombia, Costa Rica, Nepal, Sri Lanka; 87R4607
Hindu goddess Kali, blood sacrifice ritual, psychoanalytic approaches critiqued; ethnographic material; 87R8070
marriage patterns, Newar castes, Nepal, isogamy/introversion; 87R1639
polyandry vs monogamy, evolutionary adaptive value, computer simulation model; reproductive life histories; Nepal, India; 87T1036
primary health care activities, rural Nepal; interviews, observation; 87R4879
reciprocal labor system, *Chetri* caste households, Nepalese village; 87R6030
social relations, India, intercultural approach; 87R5411

Netherlands
academic achievement, Dutch elementary school children; environmental factors; book review essay; 87R4317
acquired immune deficiency syndrome, legal/medical responses, US/Finland/Netherlands; homosexuality prejudice; 87R6547
alternative medicine, technical aspects, societal/scientific position/background, Netherlands; 87R4806

Anglo-Irish agreement, Northern Ireland, political implications; 87R1973
communal armed organizations, divided polities; Palestine, Cyprus, Lebanon, Northern Ireland; 87R3073
democratic-socialist advance, Northern Ireland, community action projects; 87R6711
divisive factors, Protestant/Catholic communities, Northern Ireland; secondary data; 87R1604
ethnic identity reproduction, youth's role, Northern Ireland; questionnaire/interview/other data; young Protestant males, Londonderry; 1985; 87T0391
health care access/resource utilization, Northern Ireland; hospital bed availability; 87R8473
internal security policies/institutions conflict, British rule characteristics, Northern Ireland; survey, interviews; public, leaders; 87R9802
occupational mobility, women; mothers' occupational attainment; Irish Mobility Study; Republic of Ireland, Northern Ireland; 1973/74; 87R5996
political violence, legitimation attempts, Loyalists vs Republicans, Northern Ireland; 87R8828
psychological well-being, unemployed men; lifestyle, time use; time diaries, questionnaires; Northern Ireland; 87R1441
public leisure provision patterns, political factors, Northern Ireland; 87R9678
violence, Northern Ireland; Catholic grievances; critique/comments; 87R6217

Northern States
antinuclear protest group, organizational dilemma/ideology; case study, New England's Clamshell Alliance; 1970s; 87R1845
community formation, old/new Palestinian immigrants, northeastern US; wars, economic/social/spatial mobility factors; participant observation, interviews, questionnaire, historical literature analysis; 1948; 87R3534
community integration, remarried persons; remarriage type; mailed questionnaire; northwestern US city; 87R4734
ethnic persistence, French immigrants, US, women's role; Fédération Féminine Franco-Américaine women's organization; 87T1026
local fiscal stress, northeastern US counties, causal factors; 87S1989
middle-class consciousness, master artisans, urban New England; association documents; 1789-1850; 87R5967
parole decision making, US vs Israel; sentencing structure; prisoner case file data, interviews; 87R4513
poverty variations, US; rurality; Census data; northeastern US, 1980; 87R3062
rural/urban migration turnaround, metropolitan- vs nonmetropolitan-origin migrants, economic/environmental quality of life motives; questionnaires; Kansas; 87R8223
women's paid employment, 19th-century New England; historical/demographic records; millworkers, Fitzwilliam, New Hampshire; 87R6432

Northwest Territories
Eskimos, economic/social integration, Mackenzie valley, Northwest Territories; 87R7270
television viewing tastes/habits, Inuit communities, Canada; demographic variables; questionnaire; eleven-communities, Eastern/Central Arctic regions; 87R3891

Norway
alcohol consumption/intoxication, Scandinavian adults, negative drinking consequences; mail questionnaires; 87R2847
commitment, long-term married couples; interviews; Norway; 87R2701
cultural assimilation, identity management/generation processes, Norway; case study; Saamis; 87R9290
educational attainment, social inequality, Norway; empirical data; 87R6142
educational inequality, Norwegian males; social origin; retrospective life history survey; 1921/1931/1941 birth cohorts; 87R4282
female vs male verbal behavior, sports associations, participation/power issues; discourse analysis; 1984 General Assembly, Norwegian Confederation of Sports; 87R5861
feminist social science, Norway; book review essay; 87R3095
fertility; labor force participation; government survey; Norway; 1980; 87T0993
first-marriage transition, Norwegian males; sociodemographic/other factors; life histories; 87R8413
frail elderly, caregivers' emotional strain; interviews; Norway; 87T0491
group analysis, rating scales, validation; 87R5547
immigrant women, Norway, educational background/resources; interview survey; British/Yugoslavian/Chilean women, Oslo; 87R2331
labor force participation/fertility, causal relationship, direction determination, methodological issues; 87R9008
local reindeer economy, Scandinavian Sami; snowmobile use; 87R7272
mass communication research, Norway; project surveys; 1983, 1985; 87R5857
middle class political ideologies, public vs private sector location; survey; Norway; 87R9833
morbidity/mental health, gender differences, Scandinavia; women's employment; surveys, statistics; Denmark, Finland, Norway, Sweden; 87R5244
multiple employment adaptation, rural Norway; 87R6032
neighbors' interaction, urban Norway, individuality/sociability tensions; field data; 87R4184
organizational development, state institutions, Norway; 87R9507
political party preferences, gender differences, Norway; 1949-1985; 87R9715
psychosocial functioning, young recovering female alcoholics, Bergen, Norway; interviews, medical records; Blue Cross Social Center expatients; 87R6609
publishing practices, interdisciplinary differences, Norway; 1979-1981; 87R9038
punk symbols, declarative/regulative aspects, Oslo, Norway; 87R9193

societal risk management, nuclear technology, excessive cost criterion questioned; article/comment; 87T0285
technological innovations as social/political experiments; case study; Chernobyl nuclear meltdown accident effects, West Germany; 87T0921

Nuclear War
antinuclear vs religious millenarist movements, beliefs/ideologies, US; historical analysis; 87R6463
government-sanctioned mass killing, Nazi Holocaust vs Allied strategic bombing, World War II; 87R3081
international peace, nuclear weapons' role; 87S1932
nuclear attack, physical/social consequences; computer simulation; 87R8772
nuclear disarmament/moratorium policies, US, supporters' vs nonsupporters' characteristics/attributes; questionnaires, interviews; 87R1427
nuclear holocaust fears/anxiety, therapeutic techniques; 87R6519
nuclear holocaust threat, youth education, school's/family's/mass media's roles; 87R6464
nuclear holocaust, television portrayal, children's reactions; interviews; second-/sixth-graders, Charlotte, North Carolina; 87R5831
nuclear holocaust, television portrayal, parental reactions; questionnaire; second-/sixth-graders' parents, Charlotte, North Carolina; public schools; 87R5830
nuclear pacifism, North America, growth/crisis phases; 87R1870
nuclear war attitudes, survey question formulations; national sample surveys; 87R5819
nuclear war danger, international relations implications; 87R6784
nuclear war prevention, social science research utility; 87R5290
peace movement's emergence, 1980; antiestablishment attitudes; 87R1865
self-concept, personality development; nuclear war threat perceptions; scales/questionnaires; Pacific Northwest college students; 87R7138
war justification, cultural cognitive elements; 87S2004

Nuclear Weapons
European pacifist movement, Agnes Heller's/Ferenc Feher's Marxist critique; comment; 87R5897
international peace, nuclear weapons' role; 87S1932
nationalism-science relationship, scientists' moral responsibility; 87T0255
nuclear nonproliferation treaties, international issues; 87R7566
nuclear weapons, Lutheran rank-&-file church members' opinions; religious variables; questionnaire survey; 87R8067
nuclear weapons, social/cultural/historical impact, 1945-1960; 2-book review essay; 87R3947
strategic nuclear weapons, France/GB, international policy issues; 87R7569

Nuns
Belgian Catholic clergy, sociographic trends; 87R4383
hospital chief executive officers, nuns vs other women, career patterns/opportunities; 87S1937
occupational stress, religious leaders; questionnaires, scales, interviews; 87R7782

Nuptiality
family structure changes, US; societal forces; 87R6496
fertility patterns, native-born vs migrant females, Barcelona, Spain; statistics; 1970-1981; 87T0342
marriage rates, Yugoslavia, modern vs traditional views, interrepublic/gender differences; census data; 1961-1981; 87T0436
nuptiality/fertility decline, Western industrialized countries vs Japan; socioeconomic factors; UN/US/French statistics; 1960-1985; article/comment; 87T0560

Nurses
career commitment, nurses; personal/professional orientation; national questionnaire survey; 87R2132
distribution/retribution decisions, competitive vs cooperative relationships; equality/contribution principles; questionnaire; female nursing students, Sweden; 87R5533
doctors'/nurses' images, advertisement portrayals, US; content analysis; 87R7748
friendship, nursing faculty; scholarly activity, social support, demographic variables; questionnaire; New York, Pennsylvania; 87R2779
gender construction/maintenance, social/cultural/psychological factors, nontraditional occupations, US; interview/syrvet/archival data; female marines, male nurses; 87R7806
job satisfaction/performance, hospital nurses; perceived organizational communication satisfaction; field study; 87R4120
job/role satisfaction, psychiatric staff nurses; assertiveness group leadership; self-report inventories; 87R4095
medical profession, intergroup relations; interviews; nurses, England; 87R6007
nurse assistants, nursing homes, role conflict; 87S1930
nurse practitioners' roles/services, legal issues; 87R4846
nursing burnout; intervention program; experiment, Maslach Burnout Inventory; 87R2170

nursing identity definition, social construction; participant observation; 87R4103
nursing job descriptions, clinical expertise models; 87R7736
nursing profession, economic vs noneconomic participation determinants, comparable worth implications; questionnaires; nurses, Illinois; 87R7753
nursing, occupational choice, gender differences; economic factors, prior work experience; mail survey, interviews; Oregon registered nurses; 87R2148
nursing, professionalism model, social class/gender issues; 87R9859
occupational sex segregation, female Marines'/male nurses' work experience; interviews; 87S1986
occupational sex segregation, female nurses; agency; 87S1958
occupational stress, New Zealander nurses; work overload, staff relations, difficult/helplessly ill patients; questionnaire data; 87R5988
patient deaths, children's hospital, Toronto, Ontario, Grange Commission inquiry, "nurse-murder" theory; 87R2760
professional contradictions, nurses' complaint vocabularies; interviews; South Australia; 87R7800
psychiatric nurses' role, community mental health centers/hospitals; questionnaire; Australia; 87R4914
quality of work environment, psychiatric hospital nurses/counsels, job stress/task interest; interviews, questionnaires; 87R1742
rational behavior, hospital emergency room staff; environmental uncertainty; observations; 87R4878
role perceptions/conflicts, nursing educators; interviews; northeastern US; 87R6009
role/responsibility perceptions, health care team members; occupational group/aspirations; questionnaires; doctors, nurses, administrative personnel; 87R5991
social support/networks, married female nurses; mail questionnaires; 87R1789
terminal patients, nurses' attitudes/care behavior; work setting; questionnaire; northeastern US hospital; 87R2745
wage earnings, sex differences, Australia; equal pay legislation; 87T1014
work-generated stressors, nurses' affective reactions; coping behaviors; questionnaire; 87R7774

Nursing Homes
disengagement, nursing home residents; aging factors, institutions' structural/organizational characteristics; National Survey of Institutionalized Persons, 1976; 87R2889
elderly persons, life care center, environmental assessment procedure; questionnaires; residents, staff; 87R2905
illness careers, elderly retirement facility residents; social-psychological factors; interviews; 87T0589
Indian old age homes, South Africa, research problems; 87R2888
life satisfaction, institutionalized elderly; personal/social/health factors; questionnaire, medical records; nursing home patients, North Carolina; 87R2900
nurse assistants, nursing homes, role conflict; 87S1930
nursing home life, patients' adjustment; individual/psychological/institutional variables; observation, interviews; 87R2899
nursing home patients' care, relatives' interference, Erving Goffman's "total institutions" paradigm; 87R4868
nursing home patients/health care workers, social policies' impact, US; participant observation; 87T0742
nursing home placement, aged persons, institutionalization decision; interviews; 87T0768
nursing home policies, family orientation/needs; interviews; staff/family members; 87R6632
nursing students' attitudes; nursing home clinical participation; scale questionnaire; 87R2307
self-concept/morale, elderly nursing home vs community residents; auditory impairment; interviews; 87R7100
self-image, institutionalized elderly; illness career descent; 87S1930
service delivery/mortality rates, institutionalized elderly; formal vs informal support systems; survey; 87R8630

Nurturance
mothering behavior, single fathers, individualist vs microstructuralist paradigms; questionnaires; 87R9240
self-esteem, gifted adolescents; family environment; questionnaires; 87R5525

Nutrition
antisocial behavior, incarcerated juvenile offenders; nutritional changes; records, experiment; 87R8692
antisocial behaviors, incarcerated male/female juvenile delinquents, California; nutritional modification program; behavioral records; 87R8691
behavior improvements, incarcerated juvenile delinquents; dietary interventions; empirical data; Alabama, Florida, Virginia; 87R8689
diet-disease link, public awareness, GB; 87R2781
health status differences, rural vs urban preschool children, Costa Rica; cultural-ecological factors; field research; San Jose, Veintisiete de Abril; 87R4894
infant/child mortality/health, developing countries; maternal nutritional/health status; Ugandan Demographic Research Project; 1970; 87T0581
nutritional standards, single- vs two-parent state welfare families; interviews, food diaries; women; 87R2651
nutritional standards, Third World populations, cultural/political/socioeconomic policy influences; India, Mexico; 87R2787
political interest/efficacy/participation, older Americans; health/nutritional status; interviews; Alleghany county, New York; 87R9775
suicidal/depressive behavior, Austrians/Germans/Danes vs Italians/Irishmen, biochemical/diet explanations; 87R1491

Obedience
destructive obedience, Stanley Milgram's experiments, inducement factors; 87R3024
obedience/authority, Stanley Milgram's/alternative theories; 87R1437
psychological-administrative violence, administrative obedience vs Stanley Milgram's paradigm; experiment; 87R5199

Obesity
bulimia, self-esteem/-identity problems, social deviance perspective; familial/cultural values/attitudes; interviews, questionnaires; 87R6603
obese adolescent females, family dynamics, ethnographic/interview data; interviews; 87R8494
rehabilitation success, self-help groups; social interactions/support; questionnaire; Overeaters Anonymous active/former members; differential association theory; 87T0686
social interactions/attitudes, adolescents; body build; observation; 87R4650
weight reduction decisions, motivational factors, obese adults, Canada; questionnaire; 87R8572

Obituaries
personal identities; social structure; content analysis, obituaries; 1856-1972; 87R7134
social discrimination measurement, obituary method; content analysis; magazine obituaries; 87T0564

Objectivity
ethnography, inherent bias, research suggestions; 87R8970
modern sociology, objective vs subjective epistemologies; 87R6843
New Journalism, literary vs informative style, Spain; 87R7508
"objectivity" concept, news reporting; 87R1905
social problems theory, constructionist vs objectivist approaches; 87R9147

Obligation
elderly parents' care, Jewish adult children's moral obligation; 87R5524
reciprocity norms, Chinese vs Western societies; literature review; 87R5916

Obscenity
obscenity criterion, Canadian law, *R.* v. *Wagner*; 87R4454
verbal obscenity, psychological concerns; 87R4218

Observation
family interaction, observation measures, observer agreement/reliability/generalizability; videotapes; 87R4711
nonparticipant observational research; 87R6865
scientific discovery, theory's role; Thomas Kahn's, Ernest Nagel's, N. R. Henson's works examined; 87R2956

Occultism
occult beliefs, elite/popular cultures; 87R9608

Occupational Achievement
academic aspirations, ethnic group differences, Australian adolescents; external support perceptions; survey; Anglo vs Greek vs southern Italian 16-year-olds; 87R4661
academic hierarchy, sociology, professionalization/politicization/socialization; 87R3295
career aspirations/achievements, women's attitudes; 87R8877
career opportunities/attainment, West German males; cohort/period/life-course effects; life history data; 87R4084
career success; subjective vs background/family factors; 87S1957
educational/occupational attainment, young adult blacks, US; family/community/educational variables; national survey, interviews; 3-generation family sample; 87R4142
educational/occupational attainment; family background personality/cognitive variables; questionnaire; European/Japanese Americans,

Hawaii; 87R1459
employment/career advancement, women; height; experiment; 87R4633
income attainment, core/periphery workers; dual economy- vs dual-labor market characteristics; 1972 Census of Manufacturers; 87R7433
individual earnings/promotions, US; organizational characteristics; surveys; 1973-1977; 87R9875
individual functioning, corporate managers, Lusaka, Zambia; work achievement; interviews; 1985; 87R9908
intra- vs intergenerational occupational mobility/attainment; market/labor processes; statistics; 87R6002
occupational achievement, migrants, Kaohsiung City, Taiwan; educational attainment, labor market conditions, gender; survey; 87R4087
occupational achievement, migrants, Kaohsiung City, Taiwan; educational/status attainment; survey; 87S1950
occupational advancement, female vs male workers; social support; questionnaire; 87R7342
occupational attainment, gender differences; educational attainment; 1979 Labor Force Survey; Netherlands; 87R5999
occupational attainment, male vs female Hispanic/black/white high school graduates, US; language, post-secondary education; national longitudinal survey; 87R7778
occupational attainment, males vs females, India; higher education level; 87R8015
occupational attainment, professionalization, low vs middle socioeconomic status blacks; family/educational background factors; questionnaires; 87R2117
occupational attainment/career development, low-income rural youth, southern US; longitudinal data; 87T0397
occupational level/prestige, gender differences; education; 87R7757
occupational outcome, minority/nonminority women, Anglo vs Chicano women's attributions; stimulus materials; 87R6013
occupational position, women; vocational vs academic high school curriculum; 87R7970
occupational prestige scales, Australia, application/selection; 87R7780
occupational titles/attainment, Canadian labor force, socioeconomic index; national census/survey data; 87R6810
Sicilian immigrants, occupational success, 19th-century Louisiana; familism; 1900 US Census; 87R8383
socioeconomic achievement, religio-ethnic group differences; national surveys; 87T0155
wage attainment processes, sex differences; labor market structure/placement; survey; 87R2126
wife's achievement, dual-earner couples; husband's occupational attainment, wife's education; 87S1975
women's occupational attainment, significant factors, specification issues; longitudinal surveys; Canada; 87R7786

Occupational Aspiration

educational/occupational ambitions, high school youth; significant others; questionnaire; 87T0424
educational/occupational aspirations, Australian adolescents, ethnic group differences; school/family environments; questionnaire; 87R6152
family roles/occupational aspirations, gender differences, Iowa farm families; production agricultural changes; 87R7837
occupational aspirations/expectations, adolescent females, US; family/school influences; longitudinal/cross-sectional data; 87S1949
occupational expectations, young adults; social group advantages; National Longitudinal Study of the High School Class of 1972; 87R4115
parental life outlook/adolescents' job expectations, West German families; income change; longitudinal questionnaire data; 87R7299
professional training/socialization; literature review; 87R7721
sex-typical occupational choices, women aged 14-24; early sex-role socialization; surveys; 1968-1980; 87R9890
students' educational characteristics, public vs private school seniors; 1980 High School & Beyond Survey; 87R6151
students' occupational/educational aspirations, Third World countries; census/statistical/questionnaire data; secondary students, Barbados; 87R8317
women's career choices/professional aspirations, social divergency/personal symbolization theories; 87R5243
women's situation, Malaysia, historical/cultural factors; 87T0972
working class educational levels, USSR; questionnaire; workers/college students, Tadzhikistan; 87R9910

Occupational Choice

antisexist curriculum development, Girls & Occupational Choice Project, London, England; 87R4281
Bulgarian youths' career orientation/work self-realization; social change impact; 87S2003
career/educational decisions, secondary school graduates, Saudia Arabia; counseling; survey, questionnaire; students/counselors, Riyadh/Jeddah/Mekkah; 87R4091
emotional intimacy, premarital relationships; career choice; survey; 87R7104
first-term soldiers' problems, human service agency use/assessment; interviews; army personnel, US; 87R9483
higher education/research, Sweden, sex differences; empirical studies; 87R5242
nursing, occupational choice, gender differences; economic factors, prior work experience; mail survey, interviews; Oregon registered nurses; 87R2148
occupational choice; personality/taste/conventional factors; company records; 87R4092
occupational status, relocated women; questionnaire survey; Sweden; 87R6796
psychiatric administrative careers, women's disadvantages; questionnaire; 87R6807
residential care workers, Israel, occupational choice/orientations; 87T0667
retention intentions, male/female Air Force members; spouse support; interviews; 87R9475
sex-typical occupational choices, women aged 14-24; early sex-role socialization; surveys; 1968-1980; 87R9890
sex-typical vs sex-untypical career choice, female adolescents; questionnaires, school records; Tübingen/Reutlingen, West Germany; 87R5255
vocational choice, male adolescents, Finland; family socialization experiences; interviews; social science/theology students; 87R7751
women's career choices/professional aspirations, social divergency/personal symbolization theories; 87R5243
women's occupations/sex-role attitudes, Malaysia; interviews; 87T1001

Occupational Classifications

job absenteeism, nonfarm employees; industrial/organizational variables; national survey, census, labor statistics; 87R3732
job title proliferation, work organizations; organizational characteristics/environments; cross-sectional/longitudinal analysis; 87R7364
labor force stratification; employee benefit/earnings packages; official data; 87R5670
male workers, New Zealand, socioeconomic index; census data; 87R5634
occupational characteristics, classification systems, measurement issues; *Dictionary of Occupational Titles*, census; 87R4130
occupational classification systems, Canada; 87R4089
occupational titles/attainment, Canadian labor force, socioeconomic index; national census/survey data; 87R6810
residential segregation, male occupational groups, Japan vs US cities; Sapporo/Cleveland (Ohio); 87S1984
self-perceived psychological effects, chronically unemployed males; occupational classification; questionnaires; Chicago, Illinois; 87R5675
self-reported health measures, older male workers; symtom/condition/activity limitations; national longitudinal surveys; 87R6550
socioeconomic classification framework, New Zealand; 87R1228

Occupational Mobility

career advancement patterns, state correctional executives; 87R7792
career change prediction teachers; career satisfaction, demographic variables; mathematics teachers; 87R2125
career patterns, US males, C. Matthew Snipp's data/models/analysis; article/reply; 87R9865
changing sector employment, earnings/fringe benefits advantages; national survey; 87S1952
comparative social mobility tables, degree-of-freedom tests, US/GB/Japan; 87T0356
elderly parents-adult children relationships; intergenerational occupational mobility; survey data; 87T0470
employee turnover; interorganizational job transfer availability; mail survey; unionized nonmanagerial employees, utility company, US; 87R1730
female mobility, educational administration careers; organizational socialization processes; ethnographic interview study; 87R5248
female occupational mobility, US/Hungary/Poland; national survey data; 87R4135
female social mobility/stratification, US/British/Dutch sociological research; 87R4066
income, older/working-age males; intergeneration occupational mobility; surveys; 87R7686
interfield migration, PhDs; survey; 1981; 87R5995
intergenerational educational mobility, structural/circulation components, Netherlands vs Hungary; interviews; adults; 87R6162

intergenerational occupational mobility patterns, Polish males; national survey; 87R7677
intergenerational occupational mobility patterns, sex differences; national questionnaire study; Canada; 87R4131
intergenerational occupational mobility, gender differences; Jamaica; government survey; 1984; 87R9826
intergenerational/occupational mobility, post-WWII US; opportunity structure changes, ascription, education; surveys; 1952-1984; 87S1979
interinstitutional job mobility, academic psychologists; sex; career history data; 87R4126
internal labor markets, job distributions, vacancy chain model; 87R3255
intra- vs intergenerational occupational mobility/attainment; market/labor processes; statistics; 87R6002
intragenerational mobility; race; 1973 Survey of Occupational Changes in a Generation; black/white men; 87R2346
Jewish mobility, US, family occupational genealogy; 87R3579
job mobility predictions, British managers; questionnaire interview survey; 87R2160
job satisfaction/mobility, clinical laboratory scientists; occupational licensure; questionnaire; Tennesee, Florida, California, Oregon, Washington, Arizona; 87R2168
labor market segmentation/mobility, public/private sectors, Denmark; statistics, survey; 87R1655
labor market/mobility/turnover, economic vs sociological research approaches; literature review; 87R1679
lesbians' corporate career advancement; self-disclosure strategies, homophobia; interviews; 87R3479
males' vs females' income mobility, labor/marriage markets; social background; panel data; 87R2655
occupational advancement, geographic mobility willingness, gender differences; 1977/78 Quality of Employment survey; 87R2154
occupational attainments, credentialism/ethnicity, Israel; interviews; 87R9857
occupational mobility inequality patterns; industrial structure changes; 87R9912
occupational mobility structures, Francophones vs Anglophones, Quebec, Ontario; secondary data; 1954-1974; 87R7671
occupational mobility tables, social class divisions, the Netherlands; government statistics; adult males, 1970-1985; 87R9822
occupational mobility, Ireland; national interview survey; adult males; 87R2141
occupational mobility, New Zealand; marriage records; Wellington, Christchurch; 1882-1970; 87R2108
occupational mobility, retired professional sports players, Israel; interviews; soccer players; 87R9690
occupational mobility, women; mothers' occupational attainment; Irish Mobility Study; Republic of Ireland, Northern Ireland; 1973/74; 87R5996
occupational mobility/income attainment, young black vs white male workers; race, socioeconomic factors; national panel study; 1974-1981; 87S1942
occupational mobility/status attainment, mature women; human capital/structural variables, sex stereotyping; National Longitudinal Survey data; 87R4097
occupational rank orderings, Australia/US, theoretical/empirical issues; 87R7730
occupational status distribution/attainment; social networks; secondary data analysis; employed men, Netherlands; 87R4094
occupational stratification pattern, England/Wales; 1972 Oxford Mobility Survey, 1974 reinterview; males; 87R2089
occupational/income mobility, Japanese Americans, model minority thesis; census; Arizona; 87R9302
postretirement labor force activity, US males, occupational mobility; longitudinal surveys; 87R5982
professional qualifications/occupational mobility, technical institute faculty members, USSR; questionnaire; Leningrad; 87R7770
professionalization trends, federal government administrative positions, US; upward mobility programs; personnel statistics; 87R9876
regional labor market, interoccupational interactions, economic development implications; 87R9878
short-period occupational class mobility, men vs full-/part-time working women, GB; 1981 Labour Force Survey; 87R2084
social categories, cognitive structure; questionnaire; 87R3425
social stratification, Western nations, country-specific variations; 87R7673
social/occupational mobility, Mexican migrant workers, US; surveys; 87R7697
social/occupational mobility, Polish-American immigrants, Grand Rapids, Michigan; census data, city directory listings; 1860-1900; 87R7687
social/occupational mobility, social-psychological correlates; interviews; professionals, Dorchester (Boston), Massachusetts; 87R3440
socioeconomic assimilation, suburban/metropolitan labor markets, black males, US; housing segregation; Philadelphia, Pennsylvania/Detroit, Michigan/Cleveland, Ohio; 87R9291
socioeconomic life cycle/family, white couples; government surveys; 1962-1973; 87R9836
socioprofessional mobility, USSR; official data; 1910s/1930s/1950s cohorts; 87R7683
status attainment/occupational prestige, Netherlands/US/Federal Republic Germany; informal/family contacts; 87R3780
vocational mobility, India; caste; graduate students; 87R4065
voluntary occupational change, middle-class employees, identity transformation process; 87R9861
women's academic position, higher education, Israel; minority status; faculty listings; 87R7799
work force intersectoral mobility; economic sector; Australian 1973 Social Mobility Surveys; 87R5698
work success, first/second generation immigrants, Australia; discrimination, educational/language/work experience deficits; census data; adult males, 1981; 87R1675
worklife mobility, France/West Germany; organizational vs qualificational traits; national surveys; 1965-1970; 87R2147

Occupational Qualifications

job satisfaction/mobility, clinical laboratory scientists; occupational licensure; questionnaire; Tennesee, Florida, California, Oregon, Washington, Arizona; 87R2168
occupational labor market structure, gender differentiation, classification schemes assessed; census; 87R7323
professional qualifications/occupational mobility, technical institute faculty members, USSR; questionnaire; Leningrad; 87R7770
worker qualification research, sociological approaches' oversimplification; colloquium papers, Nantes, France; 87R5631
worker qualification, French sociologist Georges Friedmann's views; 87R5628

Occupational Roles

behavioral sex differences, role differences, theoretical perspectives; literature review; 87R1783
class attainment; division of labor, ideological differences, personal attributes; survey; 87R2099
customer-clerk interactions; participants' race; experiment; supermarket/discount stores, northern Florida; 87R3829
democratic economic institutions, reforms, state policies; literature review; 87R1778
disasters, social policy, professional social workers' roles; 87R3053
double standards; experiment; 87R5532
homosexuality, roles/occupational concentration; 87S1973
hospital-physician relationships; competition, regulation, corporatization; published surveys; 87R4807
interaction style, correctional officers; urbanization, race, age; questionnaires; maximum security prisons, New York; 87R2473
job title proliferation, work organizations; organizational characteristics/environments; cross-sectional/longitudinal analysis; 87R7364
leisure activities, adult Yugoslavians; questionnaire; 87R9661
Life Role Salience Scales, validity studies; undergraduates, women faculty, married couples; 87R5612
managers' role innovation, measure evaluated; questionnaire; 87R7355
menopause attitudes, middle-aged women, Peru; role satisfaction; Kupperman Menopause Index; Puente Piedre; 87R3631
narrative traditions, folklore, occupational group members; personal experience narratives analysis, interviews; professional sailors; 87R2173
network structure, strike attitudes/behavior, garment factory; workers' role equivalencies; case study, observations; 87R9448
nonpsychiatric health service utilization, gender differences; illness rate, socialization, role factors; secondary data; health maintenance organization members, Maryland; 87R4886
nursing, occupational choice, gender differences; economic factors, prior work experience; mail survey, interviews; Oregon registered nurses; 87R2148
occupational organization/practice role, academic professions, US; 87R5314
pharmacist professionalization/role negotiation; hospital social context/structure, interpersonal relations; participant observation; teaching hospitals; 87R2155
police-role dimensions/prestige, Israeli officers' perceptions; role transformation; questionnaires; 87R2428
policy agency corruption, officers' vs experts' perceptions; occupational socialization; self-report survey; 87R4512

professionalization processes, adjacent occupations; 87R4072
"racing lad" occupation, England, tradition/change; interviews; 87R9880
role perceptions/conflicts, nursing educators; interviews; northeastern US; 87R6009
sexual stereotyping, occupations; questionnaires; high school/college students; 87R4088
supervisory role/power/functions, capitalist enterprises; interviews; industrial supervisors, Essex, GB; 87R5684
workplace integration, developmentally-disabled/mentally retarded adults; experiment; symbolic interactionist perspective; 87T0810

Occupational Safety And Health
genetic risk concern, hazardous workplace; 87R7293
hazardous industries, workers' attitudes; interviews; chemical plants, France/Illinois; 87R7295
health protection, cotton textile workers, US, Occupational Safety & Health Administration (OSHA) legislation; case study; pluralist/Marxist theories rejected; 87R5643
health status/life expectancy, black vs white workers; occupational category; 87S1944
health/safety programs, accident rate; government regulations, employee concerns; questionnaire; executives/managers, industrial firms, New Zealand; 87T0611
industrial accidents, capital-labor conflict aspects; factory records, interviews; Brisbane, Australia; 87R9414
job position reassignment refusal, pregnant/nursing female workers, Quebec; statistics; 1981-1984; 87R9425
job security; occupational health hazards; national surveys; 87R3727
labor force mobility, coal mining industry; prospective interviews/questionnaire; 87R8457
mortality rates, work-related disabled pensioners, Spain; statistics; 87R9391
occupational accidents, construction sector, France; work organization stability; fieldwork; 1985; 87R9388
occupational environment deterioration, India, corrective measures; 87R5615
occupational hazard risk, social constructions; industrial practices, power relations; interviews, statistical/historical materials; US; 87R3683
occupational health/safety laws, Quebec, legal vs social science research methodology; case study; right to refuse dangerous work law; 87R9466
occupational health/safety services introduction, industrial firms, Canada; questionnaire; firm administrators; 87R9463
occupational injury rates; worker participation/ownership; questionnaires; 87R6555
occupational safety regulations, enforcement strategies, US vs UK; interest group strength; 87R7807
occupational safety, 1970 Italian workers' rights law; 87R1662
occupational safety/health, Italy; political decentralization; records, & interviews; 87R7286
pregnant women's work reassignment, high risk workplaces, Quebec; 1979 legislation; interviews, statistics; 1984-1986; 87R9364
productivity/workplace safety; capital/labor power relations; case studies; Chrysler automobile plants, Ryton, GB/Poissy, France; mid-1970s, mid-1980s; 87R9407
radiological hazard perceptions/behaviors, US hospitals; occupational classification; anthropological data; 87R8506
right to refuse work, law's institutionalization, Quebec; case records; 1978-1981; 87R9453
science policy outcome measurement, journal-journal citations; *Journal Citation Reports*; water pollution, occupational hygiene; 87R5318
teacher resistance strategies/actions; 87R2301
work injuries/occupational disease, employers' vs employees' interests, welfare economics theory; 87R7302
work organization, female workers, psychosocial effects; literature review, survey; Montreal, Quebec; 1985/86; 87R9468
worker conditions, transnational corporations, Asia; 87R5712
worker fatalities, Canadian industries; economic factors; time series data; 1920-1981; 87R7345
worker health protection, industrialized societies; economic conditions; 87R3729
worker health; working group size; questionnaire, interviews; female data entry operators, government offices, Quebec, Canada; 1985/86; 87R9360
worker productivity/safety, cooperative vs conventional plants; observation, interviews, questionnaires; plywood plants; 87R7305
workplace antismoking policies, worker/union support; survey; US; 1984/85; 87R9366
workplace reproductive hazards, exclusionary/protective legislation, US vs GB; feminist perspective; 87R5655

Occupational Segregation
affirmative action goals, US Navy; official data; 87R1755
economic inequality, female- vs male-dominated occupations, Yugoslavia; 87S1975
equal employment opportunity laws, origins/impact; book review essay; 87R3689
farming-related accidents; masculinity factors; questionnaire; Canada; 87R7118
gender segregation, paid labor force, Canada; census data; 1931-1981; 87R9881
gender stratification, university departments, structural organizational factors; case study; 87T0118
income inequality, residential vs nonresidential real estate salespersons; occupational sex segregation; interviews; 87S1983
Indian immigrants, Canada, occupational composition; government policy; statistics; 87R3513
intraoccupational earnings dispersion, human capital vs institutional perspectives; census; 87R7755
labor force participation/discrimination, women, South Africa; census; 1951, 1960, 1970, 1980; 87R3109
male/female college administrators' salaries; proportion of female administrators; surveys; 1978/79, 1983/84; 87R9914
Maori/non-Maori occupational distributions, New Zealand; census data; 1956-1981; 87R9813
nursing, professionalism model, social class/gender issues; 87R9859
occupational categories, Sikh immigrants, Vancouver, British Columbia; participant observation, interviews, documents; 87R3506
occupational distribution; race, gender statistics; 1958-1981; 87R4073
occupational inequality, Quebec; sexual/linguistic discrimination; English-/French-speaking newlyweds; 87R5983
occupational racial inequality, US industry; census; 1960-1970; 87R7741
occupational sex segregation, female Marines'/male nurses' work experience; interviews; 87S1986
occupational sex segregation, female nurses; agency; 87S1958
occupational sex segregation; women's intermittent worklife patterns; lifetime work histories; 87S1959
occupational sexual segregation, long-term trends, US; Public Use Sample; 87S1963
occupational/sex segregation, Korea; censuses; 1960-1980; 87R5651
racial inequity, US; technological developments; 87R5578
racial/gender segregation, individual/collective action, rational choice model; 87R1371
sex-specific occupational segregation, Federal Republic of Germany; labor-market entry point; life history data; 87R9864
work/education/family formation patterns, women; sex-role innovation; longitudinal interviews/questionnaires; 87R6808
working conditions; occupational sex segregation; Quality of Employment Survey; 87S1958
working women, sexual discrimination, historical analysis; case study; *Equal Employment Opportunities Commission* v. *Sears, Roebuck, & Company*; 1973-1986; 87R5225

Occupational Status
airline stewardess jobs, pre-women's movement era, glamour/menial service contradiction; 87S1977
ancilliary health care, professions, medical profession dominance; secondary historical accounts; 87S1960
Arab noncitizen/Israeli citizen socioeconomic status differences; official surveys; Israel; 87R2053
artists, professional status, sociological analysis; 87R2270
computer technologies, workplace implications; observations, interviews; US industries; 87R5685
doctors' status, doctors'/patients' attitudes; 87R2786
domestic workers' image/employment, national council's reform measures; 20th-century US; 87R5632
empowerment strategies, workplace situations; gender, job dependency; interviews; 87R7378
faculty salaries; regional variation; salary data; National Association of State Universities and Land-Grant Colleges; 1977/78, 1980/81, 1983/84; 87R7766
family income allocation, cross-class employed couples; tape-recorded interviews; England, Wales; 87R5970
family/work relations, professional vs nonprofessional working mothers, capitalist societies; literature review; 87R4707
family's social position, France; wife's socioprofessional class; census; 87R3741
fertility, family size differentials, ever-married women, Jordan; occupational/age/educational/contraceptive use variables; 1976 national survey; 87R8225

job satisfaction, West Germany; positional structure; 87R1728
leisure patterns, social class/gender/occupational/age differences, relational theory; 87R7528
marriage age, women; education, occupation, mother's marriage age; life histories; GB; 1946 birth cohort; 87R6350
medical profession, intergroup relations; interviews; nurses, England; 87R6007
migration patterns, Indian villages; occupational/social variables; Agro Economic Centre data; 87R4162
negative prestige assessments, Soviet lawyers; literature review; 87R7785
New Working Class theories, technical white-collar workers; occupational/technological change; questionnaires; technicians, Hong Kong; 87R2104
occupational backgrounds, Canadian politicians, socioeconomic representativeness; 87R9745
occupational conditions/self-evaluation/self-esteem, working men; social class; 87S1957
occupational evaluations; cross-sex participation; college students; 87R4128
occupational prestige assessment, categorical divisions, Australian work force; census; 1981; 87R2128
occupational prestige characteristics, male vs female workers, US labor force; census; 87R7706
occupational prestige hierarchies comparison, industrialized countries; secondary data; 87R9896
occupational prestige rankings, cognitive reality; questionnaires, NORC studies; 87R4080
occupational prestige scale, validity/reliability, Netherlands; 87R3200
occupational prestige, Netherlands; education, income, gender; empirical ratings; 87R5998
occupational status distribution/attainment; social networks; secondary data analysis; employed men, Netherlands; 87R4094
occupational status, pharmacists, GB; work/market changes; 87R7744
occupational/family/cosmological values, urban Huhhot, People's Republic of China; technological/economic/political developments; participant observation, interviews; 87R3647
power distribution, Yugoslav Communist League; 87R9739
professional awards, Yugoslavian lawyers; ascribed/positional/achievement/political status characteristics; registry data; 87R7709
professional occupations, social class identifications; survey; male professionals, Boston, Massachusetts; 87R9866
professional prestige research, Dutch sociology; 87R4121
sex discrimination, male sympathy; personal experience, occupational prestige, marital/parental status; secondary interview data; white men, Boston, Massachusetts; 87R7288
short-period occupational class mobility, men vs full-/part-time working women, GB; 1981 Labour Force Survey; 87R2084
social class self-placement; husband's/wife's status; General Social Surveys; 87R5963
spouse abuse, fully-employed husbands, prediction model; self-report data; 87R3699
women's academic employment/status, science/engineering; 87R7802
women's academic position, higher education, Israel; minority status; faculty listings; 87R7799
women's occupational attainment, significant factors, specification issues; longitudinal surveys; Canada; 87R7786
work/leisure patterns changes, post-1961 UK; employment categories; secondary data; 87R7529

Occupational Stress

academic libraries, electronic technology uses/demands; 87S1930
alienation/powerlessness/social isolation, correctional officers, Montana State Prison; prison structural variables; questionnaires; 87R7803
burnout, pastoral ministry, demographic correlates; inventory, survey; North Carolina metropolitan areas; 87R4114
family/occupational/economic stress, Latino female cannery employees; factory closure; surveys; Wilmington, California; 87R5618
health behavior, morbidity; occupational characteristics; Tecumseh Community Health study; 87R2140
health problems, mass media professionals; work stress; interviews; journalists, Bavaria, West Germany; 87R4093
job satisfaction/motivation; job characteristics, publication productivity, nursing school faculty; mail questionnaire/survey; 87R2127
job stress/satisfaction, mail sorters; manual vs automated procedures; interviews/questionnaires; 87R5620
medical practice, job stress/conflicts, federal prisons; questionnaires, interviews; 87R9885
mental health-job satisfaction relationship, veterinarians, New Zealand; job/nonjob activities; questionnaire; 87R9887
nursing burnout; intervention program; experiment, Maslach Burnout Inventory; 87R2170
occupational stress, New Zealander nurses; work overload, staff relations, difficult/helplessly ill patients; questionnaire data; 87R5988
occupational stress, religious leaders; questionnaires, scales, interviews; 87R7782
occupational stress/burnout, social support's role; questionnaire; correctional officers, US; 87R2129
stress symtomatology, bus drivers, Brisbane, Queensland, Australia; questionnaire; 87R7793
stress/strain, social workers; work setting/role; questionnaires; 87R7797
white-collar work automation, productivity/culture/health issues; 87R9349
work-generated stressors, nurses' affective reactions; coping behaviors; questionnaire; 87R7774
work-related stress, teachers; locus of control, age, sex; scale, questionnaire; 87R5994
work-related stress/staff-client interaction, day health care vs social day care programs, Alzheimer patients; participant observation interviews; 87S1940
work/family life, rural doctors/spouses; excessive alcohol use; questionnaires; wives, central California; 87S1955
worker burnout, youth/community service delivery staff, New South Wales, Australia; organizational structure; participant observation, questionnaire; 87R9902

Occupational Structure

civilian service sector, work/education/consumer development; 87R3015
employment gender composition; industrial restructuring; census data; 87R7348
female occupations/employment, US/New Zealand; census data; 87R7759
health professions' occupational structure, Spain; census; 87T0594
internal labor markets, employee access, hospital vs chemical/oil firm laboratories; interviews/other data; midwestern US; 87R7789
job dissatisfaction, gender differences; occupational incongruity, class structure; Taiwan; 87R1688
labor/employment policies, France, state's role; statistics; 87R9383
Maori/non-Maori occupational distributions, New Zealand; census data; 1956-1981; 87R9813
nursing job descriptions, clinical expertise models; 87R7736
occupational distribution, foreign-born, Canada; gender; census data; 87R9433
occupational distributions, general population vs political leaders, US/USSR/Yugoslavia; statistical/biographical data; 87R9922
occupational labor market structure, gender differentiation, classification schemes assessed; census; 87R7323
occupational structure projections, Markov probability formulation; official data; India; 87R9858
professionalization trends, federal government administrative positions, US; upward mobility programs; personnel statistics; 87R9876
social structure, northern Ossetia, USSR; questionnaire; 87R9936
urban labor force, industrial/occupational structure, Morrocco; 87T0340
work indeterminary, engineers'/workers' mental models, semiconductor industry; ethnographic study; 87S1961
work organization patterns, Europe; socioeconomic factors; 87R3693

Occupations

occupational sex discrimination, institutional theories/methodology; 87R8858
race/gender stratification, computer occupations; Current Population Survey; 87S1937
technology/skill concept, occupations/work research; 87S1952

Oceania

traditional culture construction, elite's role Vanuatu; 87R4007

Oceanic Cultural Groups

disease risks, Samoan migrant population, California; 87R8282
mortality differentials/health status/health service utilization, Asian/Pacific elderly immigrants, US; statistics, literature review; 87R2886
Ontong Java/Tasman/Abgarris/Marqueen Islands, inhabitants' characteristics; observations; 87R1636
race relations/labor migration, New Zealand; replies to R. Miles/P. Spoonley; 87R1611
residential segregation, Asian immigrants vs whites/blacks/Hispanics, Long Beach, California; census; 87R1603
South Pacific migration to Australia, social consequences; published studies review; 87R2546

Oedipal Complex

mother-son intimacy, psychosocial interpretations; content analysis; Andalusian folk songs; 87R8900
Oedipus myth, anthropological implications; 87R3599

Offenders

Anglo- vs Mexican-American battered women, US, offense/victim characteristics; interviews; women's shelter residents; 87T0508
art/antique theft, thieves' motivations; police data, interviews; England; 87R6635
burglary/theft, offender characteristics, prevention implications; case studies; South Africa; 87R8643
career criminality, research/policy; 87R7743
change commitments, criminal exinmates, intervention methods; interviews; correctional centers, Canada; longitudinal analysis; 87R4516
chronic readmissions, racial/offense characteristics, forensic psychiatric hospital, New York; case records; 87T0669
combative/noncombative victim response; rapist type; personal/historical data; 87R2925
crime problem, Dutch response; statistics, secondary data; 87R2924
crime situations, criminals' definitions; criminalization stage; interview survey; prison inmates, Japan; 87R6643
criminal activity, black ghettos, offense-residence linkage; arrest data, census; Milwaukee, Wisconsin; 87R5049
criminal career patterns, juvenile delinquents, prediction implications; official data; 1958 birth cohort, Philadelphia, Pennsylvania; 87R8660
criminal career patterns, young adult males, offender/offense characteristics; arrest data; 1958 birth cohort, Philadelphia, Pennsylvania; 87R8695
criminal histories, juvenile delinquents, data reduction techniques; offense history data, court records; New Jersey; 87R7195
criminal justice system, case processing changes; community-based corrections program; interviews; Des Moines, Iowa; 87R6299
criminal lifestyle, Swedish welfare society; interviews; criminals; 87R6634
criminal offenders, India, social needs/characteristics; police records, interviews; Uttar Pradesh; 87R5028
criminal recidivism, Netherlands vs US; age, age of onset, criminal history; case data; 87S1948
criminal skills, incarcerated heroin addicts; prison learning; self-reports; addiction treatment center, Baltimore, Maryland; 87R5538
educational attainment level, adult misdemeanants; type of crime; 87R5053
elderly crime, social problem status, media/academicians/criminal justice perspectives; US; 87R2881
female crime accomplices, male thieves' views; interviews; 87R2176
hazardous waste crime, offense/offender characteristics; case data, interviews; Maine, Maryland, New Jersey, Pennsylvania; 1977-1984; 87R6650
heroin addicts, criminality patterns; interviews; 87T0684
judicial decisions, homicide cases; offender/victim social characteristics; case records; 87R8651
legal aid perceptions, incarcerated offenders; National Offender Survey; Australia; 87R2469
male spouse abusers, treatment acceptance predictors; program data; 87R8657
murderers, personal characteristics; published studies; India; 87R6652
offender classification types, incarcerated adults, Dammam Central Prison, Saudi Arabia; interviews, prison records; 87R8641
official documents, juvenile courts, reality construction models; Hamburg, West Germany; 87R6263
parole perceptions, parolees/judiciary/police; interviews; Federal Probation Service felons; 87R6288
post-sentence offenders, outpatient forensic psychiatric referrals; social/demographic variables; patient/court/psychiatrist records; 87R2832
prison after care services, New Zealand, policy issues; self-report survey questionnaire; professional/volunteer service providers; 87R6289
property offenders, offense justification, individual vs societal origins; interviews; interior Alaska; 87R2751
punitive attitudes, blacks vs whites, US; General Social Surveys; 87S1952
recidivism/rearrest likelihood, alcohol-abusing probationers; age/education/other factors; program data; 87R8600
recidivistic mentally ill criminal offenders, diagnostic categories; admission assessments; France; 87R4524
victimization/offending causal factors, lifestyle/exposure model; British Crime Survey; 1981/82; 87R6645
violent/property crime rate; age/cohort/period; Uniform Crime Report data; 1964-1977; 87R2917

Offenses

criminal histories, juvenile delinquents, data reduction techniques; offense history data, court records; New Jersey; 87R7195
criminal skills, incarcerated heroin addicts; prison learning; self-reports; addiction treatment center, Baltimore, Maryland; 87R5538
educational attainment level, adult misdemeanants; type of crime; 87R5053
property crime; narcotics use; literature review; 87T0714

Office Automation

computer counting/monitoring, automated workplace, theoretical models; case study; medical insurance office, US; 87R9489
gender/power relations, labor process; electronic information technology; case studies; 87S1951
labor deskilling, Harry Braverman's thesis, empirical theoretical/methodological criticisms; literature review, case studies; 87R9129
labor process/control relations, clerical work; office automation/size; questionnaire; university office workers; 87R9371
management information systems, statistics' role, complex organizations; case studies; 87R5701
office automation effects, female clerical workers; capitalist/sexual power structure; Western developed countries; 87T0282
patriarchal control, office workplaces; structural characteristics, automation; survey questionnaire; 87S1935
white-collar work automation, productivity/culture/health issues; 87R9349

Ohio

academic performance, high school students; out-of-school time use; questionnaire; Michigan, Ohio; 87R8041
adolescent drug use trends/attitudes, regional/gender differences; questionnaire surveys; 11th graders, Ohio; 87R4663
ethnic identity, white Appalachian migrants, Cincinnati, Ohio, oral tradition; speech analysis, participant observation, interviews; 87R1605
family/gender roles, blue-collar families, Ohio; economic recession; interviews, questionnaires; 87T0443
feminist organizations' rise/fall, Dayton, Ohio; mainstreaming; case studies; 1970s; 87R5233
fundamentalist/evangelical religious/political differences; questionnaires, interviews; Ohio Moral Majority; 87R4442
government-sponsored soil erosion programs, farmers' participation; questionnaire; landowners, Ohio; 1986; 87S2004
graduate sociology program, Kent State University, Ohio; 87R6945
human services design, simulation gaming; case studies; design participants, Ohio; 87R9034
juvenile delinquency, Ohio; Youth Advocacy Program; questionnaire, interviews, case file records; 87R2948
leadership training workshops, community development context, impact assessment; quantitative/qualitative data; Community Natural Resource Development Program, Ohio; 87R6034
locus of control perceptions, long- vs short-term public assistance users; scale; females, Cuyahoga County, Ohio; 87R8679
married couples' class identification discrepancies; working class identifications, husbands' vs wives' perceptions; interviews; Hamilton Country, Ohio; 87R6451
Ohio Senior Olympics, participants' vs nonparticipants' characteristics; questionnaire, scale; elderly women; 87R9674
wrongful conviction rate, felony cases, US; legal procedurial/witness errors; case records, mail questionnaires; state attorneys general, Ohio police chiefs/sheriffs/public prosecutors/defenders/judges; 87R4475

Oklahoma

acculturation assistance, adaptational strategies, Mexican vs US (Oklahoma) Kickapoo Indians; 87R3655
burglary fear, home precautionary measures; survey; homeowners/renters, Edmond, Oklahoma; 1983-1984; 87S2005
community attachment; social integration vs satisfaction with community attributes; telephone interview survey; households, Oklahoma City, Oklahoma; 87R5123
informal social networks, migrant oil field workers' families, Oklahoma; interviews, participant observation; Lake Chickasha/Fort Cobb Reservoir communities; 87R3783
neighborhood associations, characteristics/structure/issue orientations, metropolitan Oklahoma City, Oklahoma; survey, census; 87R7402
pow-wows, ethnic/economic functions, rural tribal Indian communities, Oklahoma; 87R3628
rape prevention; defensible space concept; statistics, police records; completed/attempted rapes, Norman, Oklahoma; 1983-1984; 87R5197
small farm income enhancement, alternative enterprise selection, simulation model projections; survey; east central Oklahoma; 87S2004
white's folk beliefs about American Indians, Oklahoma; interviews, books/historical society publications; 1909-1984; 87R3522

Oligarchy
iron law of oligarchy, mitigating practices; case studies; ancient Athens, International Typographical Union; 87R3951
Mondragon worker cooperative system, leadership/organizational/capital structures; case study; Basque region, Spain; 87R3679
oligarchic structures/tendencies, democratic organizations, structural conditions; 87R1785
oligarchical tendencies, democratic organizations, Robert Michel's thought; 87R4069
Olympic Games
1984 Olympic Games, planning/management issues, Los Angeles city government, California; 87R3929
females sporting achievements, Olympic Games, Eastern vs Western countries; 87R3932
gender stratification, British sports organizations' administrative/decision-making levels; official reports/publications/membership lists; 87R3940
Olympic games as cultural ritual; observation; 87R1956
Olympic Games participation/meaning, European vs non-European nations; 87R3919
sports participation, Muslim women; empirical data; 87R5876
sports/economy relationship, 1984 Los Angeles Olympics; 87R3935
Ombudsmen
ombudsmen/industrial social workers, parallel functions/activities; 87R1678
Only Children
individual's social development; birth order; statistics, literature review; West Germany; 87R4740
personality characteristics, only children; literature review; 87T0532
Ontario
adolescent drug use changes; surveys; Ontario; 1968, 1977, 1985; 87T0712
alcohol consumption, liver cirrhosis mortality; alcohol prices; time series data; Michigan, Ontario; 1955-1982; 87R2864
alcohol/tobacco/marijuana use, Canadian adolescents; family's/friends' influence; Ontario; 87R8588
alcoholism prevention, distribution of consumption model; county-level statistics; Ontario; 87R8605
alcoholism prevention, distribution of consumption model; sociodemographic variables; county-level statistics; Ontario; 87R8579
cross-cultural adoptions, native Ontario adolescents'/nonnative mothers' perceptions; interviews; 87R8291
ethnic/class consciousness, Bangladeshi immigrants, Toronto, Ontario; non-/economic predictors; survey; 87R1522
family headship succession; sex, kinship category, generation; interviews; Hamilton, Ontario; 87R6482
institutional cleaning industry, Toronto, Ontario; personal account; 87R9441
kinkeeping role, family division of labor; interviews; adults, Hamilton, Ontario; 87R2689
minority French language education, Ontario, social/historical context; 17th century-present; 87R4225
perceived health status, elderly, Ontario; reported income; interviews; longitudinal analysis; 87R8628
police policies/arrest behavior, proactive/class control vs reactive/crime control models, Toronto, Ontario; qualitative/quantitative data; 1895-1955; 87R4453
surveys, public attitudes; interview surveys; Waterloo, Ontario; 87R1875
unemployment/underemployment, sociology graduates, Ontario; mailed questionnaires; 1983; 87R1256
Ontology
ethnographic research/accounts, perspective/ambiguity; 87R3161
legal norms, ontology/language; philosophers' views compared; 87R3174
mental illness, ontological issues; 87R4931
Opiates
drug abuse detoxification/cure, traditional methods, Thailand/Malaysia; 87R2776
Opinion Polls
Democratic-Republic partisanship, across-poll differences; 87R7579
future perceptions, French public; poll data; 87R7489
life quality, Soviet citizens' views; opinion poll; 87R3274
Panama Canal treaties, US Senate voting, public opinion poll influences; 1977; 87R7500
poll credibility/political effects, press/general public perceptions; questionnaire surveys; 87R1877
poll forecasts, national elections, predictive accuracy; 87R1986
polls, public attitudes; surveys; 87R1880
pre-election poll accuracy; structural variables; public opinion polls; 1981/1984 election campaigns, Israel; 87R1882
pretrial public opinion polls, Bernhard Goetz case, New York City subway shooting incident; 87R6268
public opinion polling, suggestive questioning; West Germany; 87R1879
public opinion polls, variability/bias sources; 87R9641
school/education attitudes, reform supporters vs opponents, Federal Republic of Germany; surveys; 87R6163
survey interview, fictitious issues, respondents' opinion expression; 87R1198
voting behavior; exit polls; 87R4022
Opinions
public health, preventive medicine/community health course, medical students' attitudes/perceptions; questionnaires; Brooklyn, New York; 87T0098
public policy demands/attitudes, rural unincorporated community residents, Mississippi; race; survey; 87R5125
wrongful conviction rate, felony cases, US; legal procedurial/witness errors; case records, mail questionnaires; state attorneys general, Ohio police chiefs/sheriffs/public prosecutors/defenders/judges; 87R4475
Opposite Sex Relations
birthrate trends; intergenerational/gender relations; 87R2542
black male shortage. social-structural implications; census data; Los Angeles County, California; 1980; 87T0350
conflict resolution tactics, unmarried couples; emotional commitment; scale; black/white college students; 87R7099
courtship violence, conflict resolution strategies; questionnaires; undergraduates; 87T0392
cross-gender interactions, children aged 6-12; observation, interviews; West Germany; 87R1408
dating/partner selection, early/middle/late adolescents; personality variables; questionnaire; 87T0423
emotional experiences, close heterosexual relationships; perceived inequity; questionnaires; college students; 87R3463
emotional intimacy, premarital relationships; career choice; survey; 87R7104
female victim-male murderer relationships, India, interview/secondary data; Maharashtra; 87R2910
female workers, male prisons, interaction/socialization experiences; 87R2161
female-male relations, social psychology research; 87R1411
feminist geography research, theoretical/methodological issues; 87T1029
gender relations, public/domestic institutions, modern US society, social change issues; 87S1952
gender relations/differences, capitalist society, Marxist analysis; 87R9162
gender social construction, nongendered alternatives; 87R6798
interpersonal power, intimate heterosexual relationships; relative dependence; survey questionnaire; university students; 87S1986
intimate relationship termination, bad news delivery strategies; interviews; 87R1419
literacy/language politics, Hispanic women's experiences, Los Angeles, California; life history interviews; 87T1005
lonely-hearts columns/advertisements, semiological analysis; 87T0040
love experiences/perceptions, unmarried heterosexual adult couples, symbolic interactionist perspective; interviews; 87R7163
love type/experience, heterosexual couples; sex-role orientation; questionnaire; 87R8896
love/intimate relationship, feminized conceptions/perspectives; 87R2974
male-female realtions, Elizabeth Badinter's idealized approached critiqued; 87R8870
male-female relations, Andalusia (Spain), honor-shame code, recent changes; ethnographic data; Peralto; J. A. Pitt-Rivers's analysis; 87R6461
male-female relations, androgyny model critiqued; 87R8869
masculine identity, French men; women's movement; interview/published/other data; 87R6818
mate advertising, single males/females, USSR; content analysis; *Sheyma* magazine announcements; 87R2661
mate selection patterns, black population; demographic characteristics; national survey/census; 87R4623
middle-class lifestyle, 19th-century US; temperance movement; literature review; 87R6611
opposite sex, adolescents' perceptions; cross-sex experiences/interaction; 87R8899
partnership relations, Dutch vs Flemish young women; demographic transition stage; surveys; 87R8872

passionate vs sexual love, Russian/Soviet literature; 87R8424
pornography/sexuality relationships, liberal/conservative/feminist views critiqued; 87R2642
relationship durability/interdependence/equality, cohabiting lesbian vs heterosexual couples; questionnaire; 87R8331
self-selected sex segregation, elementary school students; teacher training program; questionnaires, classroom observations; 87R6150
sexual balance of power, ancient Rome; 87R1361
sexual relations, Netherlands; content analysis; etiquette books; 87R3136
smoking/smokeless tobacco use, adolescents; questionnaires; 87R6602
symbolic interdependence, premarital couples; geographic proximity, time spent talking; questionnaires; college students; 87R9251
wives' job decisions/work attachments, husbands' attitudes, Asian-American families; interviews; 87S1997
Women in the Caribbean Project, findings summary; 87T0971
women's position, gender relations; neoconservative trend; US; 87R3116
women's subservient status, Pakistan; traditional Islamic patriarchal structures; 87T1012

Oppression
civil liberties oppression, Marxist societies; 87R6825
ethnic solidarity/mobilization, Tamils/Sinhalese, Sri Lanka, internal colonialism model; 87R9310
human rights abuses, social science research, quantitative data's limitations; 87R8983
oppression submission, legitimation process; diaries, journals, other data; US oppressed groups; 1800-1945; 87R9855
transnationalization consequences, Iran; 87R7647
women's oppression, capitalist systems, class analysis; 87R6800

Optometry
interoccupational work boundary issues, legislature factors, US; case study; optometrists vs opthalmologists, Maryland/North Carolina; 1978/79; 87R9860

Oral History
African tradition legacy, black rural community; oral/historical/folkloric/archival fieldwork; Springton, New Jersey; 87R5107
American Indian fiction, oral narratives' influence; 87R7897
biblical Letter of James, communication modes organization; 87R6114
ethnic relations research, oral history methodology; research studies; German immigrants, Victoria, Australia; 87R1208
"first-person" interview/oral history data, editing issues; 87R6869
individual histories, verbal accounts, research implications; 87R5341
modern economic transition/integration, Beaver Indians, British Columbia; fieldwork, audiotapes; 87R3202
oral biographical sources, historical methodology; 87T0296
oral history methodology, ethnic relations research, Australian society; 87R5560
oral history, research/collection techniques, methodological problems; South African Institute of Race Relations project; 87R1312
oral literary genres, South Africa, contemporary political content; textual examples; 87R7260
peasant women, Piednonte region, Italy; book review essay; 87R5258
protest songs, hardrock miner labor union strike, Newfoundland company town (Buchans); case study; 1983; 87R3711
Puerto Rican communities/emigration, US, Rita Ben Mayor's research/oral history methodology; interview; 87R5559

Ordinal Measurement
dichotomous data analysis, logit/probit regression models, heterogeneity problem; 87R6907

Oregon
alcohol/crime relationship; age; longitudinal questionnaire surveys; male cohort, Oregon; 87R2869
marital status, persons with spinal cord injury; survey; Oregon; 87R7720
nonmetropolitan growth patterns, Oregon/Washington; 1970-1985; 87S1989
nursing, occupational choice, gender differences; economic factors, prior work experience; mail survey, interviews; Oregon registered nurses; 87R2148
premarital cohabitation trends, institutionalization process; marriage license applications; Lane County, Oregon; 1960-1970; 87R4729
Rajneesh spiritual movement, eastern Oregon, research/interpretation problems; 87T0147
Rajneeshpuram community's failure, Oregon, cultural conflicts; 87R7502
social reality perceptions, high school students; television viewing; secondary data; California, Oregon; 87R7519

Organ Transplantation
cadaver organ donation decisions, families/doctors/outside health professionals, role interactions/locus of control; observations, interviews, questionnaires; US; 87T0624
organ transplant/patient eligibility issues, US; federal legislation; 1972,1984; 87T0606

Organicism
healthy city concept; 87R9984

Organization Size
electoral opposition, presidential referendum election, International Union of Electrical, Radio & Machine Workers; local union size/spatial concentration; 1964; 87R9761
firm size, Japan vs US; national surveys; 87R3759

Organization Theory
clinical sociology practice, symbolic interactionism/functionalism/exchange/critical theories; 87R5286
organizational institutionalization, theoretical processes; 87R9518
organizational structure, sociological theoretical developments; 87R5460
organizational/development/training/education, decision-making processes; interviews; Flemish organizations, Belgium; 87R9494
political parties, organizational strategies/structures, contingency model; 87S2000
rational behavior, hospital emergency room staff; environmental uncertainty; observations; 87R4878

Organizational Behavior
antinuclear protest group, organizational dilemma/ideology; case study, New England's Clamshell Alliance; 1970s; 87R1845
collective behavior, emergent norms/social structure, social movement vs other organizations; 87S1973
correctional education, conflicting organizational agendas; ethnographic data; 87T0145
deviance control/attitudes, US military settings; organizational/social characteristics; time series data; 1941-present; 87R3751
economic development, Argentina/South Korea; labor/business organizational behavior; 87S1966
hospice development, US; historical/institutional/newspaper records, interviews; 87R6563
international organizational behavior, cultural diversity; 87R7363
job satisfaction/performance, hospital nurses; perceived organizational communication satisfaction; field study; 87R4120
manager-employee relations, Japanese-managed US companies; Japanese vs US management practices/expectations; case study; West Coast publishing firm; 87R6012
metanoic organizations, principles/convictions; 87R5711
Mid-South Sociologial Association, organizational characteristics/vitality; 1986 presidential address; 87R5484
organizational action; interorganizational structure, national policy; 87R1777
organizational activity/evolution; managerial/environmental influences; case study; minicomputer firms; 87R7384
organizational behavior, agricultural research/development, social science research contributions; 87R2938
organizational environmental adaptation, coordinated management of meaning perspective; 87R5719
organizational institutionalization, theoretical processes; 87R9518
organizational/development/training/education, decision-making processes; interviews; Flemish organizations, Belgium; 87R9494
organizational/revolutionary behavior, Jewish Bund; 1905/06; 87R1597
organized religion, power/authority issues; 87R8084
outpatient commitment, mental health organizations, institutional aspects; fieldwork, interviews; North Carolina; 87S1978
personal flow, US training hospitals, physicians; prestige hierarchies; questionnaires, interviews, directory data; 87R9903
personal/organizational effectiveness, US managers; type A behavior pattern; literature review; 87R9911
professional deviant/adaptive behavior, determinitive factors; scale; 87R6011
public administration teaching, professional curriculum, biopolitical/-behavioral issues; 87R8011
rational behavior, hospital emergency room staff; environmental uncertainty; observations; 87R4878
well-run companies, US, social movement characteristics/similarities; book review essay; 87R3859

Organizational Change
church schism/secession, Episcopal Church, women's ordination/prayer book revision issues; case studies; 87R2407
employment gender composition; industrial restructuring; census data; 87R7348
general/professional education colleges, Quebec program results; 87R7946

griefwork, organizational context, internalized mechanisms; 87R5293
health care system, US, structural dynamics; 87S1968
hospital industry, US, organizational survival/growth/death; 87R4800
hospital-physician relationships; competition, regulation, corporatization; published surveys; 87R4807
internal labor markets, job distributions, vacancy chain model; 87R3255
job satisfaction, human resource agency workers; departmental reorganization; mail questionnaires; Racine, Wisconsin; 87R6005
job title proliferation, work organizations; organizational characteristics/environments; cross-sectional/longitudinal analysis; 87R7364
managers' role innovation, measure evaluated; questionnaire; 87R7355
National Rifle Association, sport/hobby-sociopolitical movement transition, US; political/social factors; demographic data, content analysis; *The American Rifleman*; 1926-1983; 87R3852
organization diagnosis process, municipal government, Netherlands; 87R5300
organizational activity/evolution; managerial/environmental influences; case study; minicomputer firms; 87R7384
organizational analysis, sociocognitive network approach; 87R5727
organizational change, US steel corporation; macro economic conditions; participant observation, interviews, document analysis; 1930-1985; 87R5716
organizational diagnosis, Dutch central government ministry; 87R5281
organizational diagnosis, methodological procedures; 87R5280
organizational evolution, natural selection thesis; book review symposium; 87R9519
organizational power distribution/enactment, "virtual positions" concept; case study; community bank; 87R7377
organizational rules/values; rituals' role; case studies; 87R7372
organizational structural change; size vs other factors; manufacturing firms, Japan; 87S1970
organizational structure/change/effectiveness, human service agencies; case study; Florida Department of Health & Rehabilitative Services; 87R5710
organizational transformation, actors' roles, large firms; case study; product line diversification process; 87S1956
organizational/management difficulties, diagnostic screening; 87R5288
organizational/social change, population ecology perspective; 87R9567
organizational/technological change, employee apprehensions/expectations, high technology settings; occupational status/position; 87S1964
personal meaning loss, changing organizations/environments; 87R5285
power relations, priest/lay brothers, Lindenburgh monastery, Netherlands; internal institutional change, external influences; 1967-1974; 87R4366
professionalization process, art museum work, US; case study; 1920-1940; 87S1953
scientists'/engineers' professional/ethical dissent, legal protection; 87R9927
social institutions' efficiency, economic analysis; literature review, critique; 87R1775
technological change, complex organizations' adaptations; sociotechnical factors; longitudinal analysis; factories, New Jersey; 1973-1981; 87R5704
transformation processes, grass-roots organizations, Chile; oppressive structure; case study; soup kitchen, Santiago; 87R9529
well-run companies, US, social movement characteristics/similarities; book review essay; 87R3859
work organization patterns, Europe; socioeconomic factors; 87R3693

Organizational Commitment

employee/organizational social contract; V. H. Vroom's V-I-E model reformulation; 87R3668
job commitment, nonfarm wage workers, US; age; national survey; 1977; 87R9409
job commitment; perceived organizational support, family support; mail questionnaire; US Air Force personnel; 87R5671
long-term membership, Sinn Fein political wing, Irish Republicans; members' commitment/efficacy perceptions, selective incentives; 87S1986
marital adjustment; husbands'/wives' occupational commitment, family environment's perceived supportiveness; questionnaires; dual-earner couples; 87R5659
organizational commitment determinants; occupational category; questionnaires; university employees; 87R5621
organizational loyalty, social construction, sociology of emotions model; participant observation; college athletics; 87S1945
routinization strategies, interactive service work; fieldwork; 87S1967
social movement organizations, participant motives; case study; community organization, Chicago, Illinois; 87R3849
turnover intentions, certified public accountants; professional/organizatonal commitment, work-related attitudes; questionnaire; 87R9897
work incentive program, staff complaints/deviance attributions; 87S1971
worker attachment; subordination legitimacy, legality belief; historical evidence; 87R2087

Organizational Culture

bureaucratic organizations, members' attitudes/knowledge/rumors, Mexico; mass media messages, political culture; 87R3867
cultural institutions' personnel, organizational structure/characteristics; questionnaire; 87R7909
educational processes, organizational culture; 87R3777
egalitarian organization, medical group practice, Cleveland, Ohio; interviews/survey/published/other data; 87R5721
emergency management practices; interpersonal relationships; interviews, survey; reservists, Federal Emergency Management Agency; 87R5173
job commitment; perceived organizational support, family support; mail questionnaire; US Air Force personnel; 87R5671
job satisfaction/workplace culture, restaurant, Scotland; participant observation; 87R1702
joking relationships, corporate cultures, consensual vs contractual legitimation; 87R3490
managerial beliefs/practices, Japanese companies; questionnaire; 87S1984
managerial culture, corporate reorganization efforts; literature review, interview/other data; 87S1980
national vs international Dutch accounting firms, national vs organizational cultural dominance; 87R4129
national/organizational cultures, Dutch vs US accounting firms; conceptual analysis critiqued; 87R5708
organizational action, shared meanings; communication mechanisms; behavioral simulation experiment; college students; 87R3874
organizational culture, analytical framework; 87R9509
organizational culture, interaction rituals; case study; International Harvester Corporation; 87S1957
organizational culture, methodological issues; rebuttal; 87R7386
physical activity involvement, large corporations, employee socialization; questionnaires; Canada, Japan; 87R5881
police officer discretion; community/police subcultural pressures; observation, survey; New York City, New York; 1984/85; 87R4518
policing styles, patrol officers, midwest US; organizational/community characteristics; James Q. Wilson's *Varieties of Police Behavior* findings expanded; 87T0221
policy agency corruption, officers' vs experts' perceptions; occupational socialization; self-report survey; 87R4512
psychiatric diagnosis process; intra/extra-organizational conflicts; participant observations, interviews; community mental health center, northeastern US; 87T0644
routinization strategies, interactive service work; fieldwork; 87S1967
scientific-technical revolution, socialist society, cultural process issues; 87R4567
scientists'/engineers' moral responsibility, organizational culture aspects; 87R9863
television news research, cultural discourse framework; 87R7505
urban gardening projects, collectivist/bureaucratic conflict; fieldwork, participant observation; 87R1770
well-run companies, US, social movement characteristics/similarities; book review essay; 87R3859
workers' collective, Austrian furniture/industrial design company, learning process; 87R3772
workplace culture; computer technology; 87R2525

Organizational Development

"Beyond War" antinuclear protest movement revitalization, rhetorical dilemmas; 87R5828
black insurgency, social movement organization development; patronage, professionalization; time-series analysis; published articles; 1953-1980; 87R5802
death rates, younger vs older voluntary social service organizations; external legitimacy vs internal coordination processes; interview survey; 87R3774
division of labor justification, production cost estimation; 87R9380
elementary/secondary school growth, cross-national analysis; UNESCO statistics; 87R6170
hospice development, US; historical/institutional/newspaper records, interviews; 87R6563
human services provision, organizational/administrative development; journal issue introduction; 87R8678
innovative work designs, change process, Canada/Sweden/US; 87R7317

manufacturing decline, Western countries, rationality calculation; 87S1951
metanoic organizations, principles/convictions; 87R5711
new business acquisitions, managerial approaches, developed countries; 87T1061
organization development field, research/theory; 87R9492

organizational development, state institutions, Norway; 87R9507
organizational development/restructuring, US, consultant's role; commentary; 87R5292
organizational evolution, growth/decline processes, analogy; literature review; 87R9516
organizational patterns, mechanical engineering industry, West Germany; technical/economic conditions; 87R5691
prochoice movement development; organizational/environmental factors; documentary/interview data; 87S1981
sociotechnical systems projects, applicability/longevity; case study; computer operations department; 87R7388
temporary/institutional group care, organizational aspects; 87R4359
US organizational theory, Japan, diffusion process; 87R3768
vital events, state bar associations' growth, minimalist organizational theory; national data; 87T0196

Organizational Effectiveness
computer research, US vs Japan; 87R8743
conceptual differences, university residence staff/students, system goal consistency; 87R3188
criminal justice policy, organizational consequences, Netherlands vs GB; 87R8099
cultural institutions' personnel, organizational structure/characteristics; questionnaire; 87R7909
employee performance appraisal, assessment procedure, Amsterdam city government, Netherlands; 87R5296
financial retrenchment/welfare state crisis, cities' responses, cross-national comparison; 87T0034
French Air Force, 1928-1940, technical organizational failures; psychohistorical factors; 87R5700
health care system, Netherlands, cooperation/effectiveness, diagnostic method; 87R5297
healthy city concept; 87R9984
managers' role innovation, measure evaluated; questionnaire; 87R7355
manufacturing decline, Western countries, rationality calculation; 87S1951
organization diagnosis process, municipal government, Netherlands; 87R5300
organizational effectiveness, professional baseball teams; managerial selection; team statistics; 87R3920
organizational efficiency, Korean/Japanese/US factories; organization structure, exogenous worker variables; 87R3775
organizational productivity; information technology investments; 87R2520
organizational structure/change/effectiveness, human service agencies; case study; Florida Department of Health & Rehabilitative Services; 87R5710
organizational studies, motivation concept's shortcomings; 87R9245
organizational/management difficulties, diagnostic screening; 87R5288
performance characteristics, private product-producing vs public human service organizations;; 87S1978
political parties' effectiveness, organizational sociology perspective; 87R7590
prochoice movement, organizational/environmental opportunities/obstacles; 87R3114
public sector organization effectiveness, labor-management cooperation/learning strategies; case studies; Boston, Massachusetts; 87R9500
Rajneeshpuram community's failure, Oregon, cultural conflicts; 87R7502
self-management/producer cooperatives, economic/labor issues; 87R9375
social program goals, intentions vs consequences, analytic framework developed/tested; Work Incentive Program (WIN); 87R6731
technical efficiency, state socialist vs capitalist firms, chance-constrained activity analysis; 87S1967
urban organizations' effectiveness; client characteristics; 87R8161

Organizational Power
earnings differences, male vs female faculty; organizational/demographic characteristics; national surveys; 87R4134
empowerment strategies, workplace situations; gender, job dependency; interviews; 87R7378
organizational patterns, mechanical engineering industry, West Germany; technical/economic conditions; 87R5691
organizational power distribution/enactment, "virtual positions" concept; case study; community bank; 87R7377
technology-power relationship, interactive information systems; case study; 87R7419
top social/political positions, occupants' influence, conceptualization/measurement issues; 87R3778

Organizational Research
business policy/strategic management subfield, management/organizational studies; secondary data; 87R5303
comparative organizational research, heterogeneous vs homogeneous samples; business/government organizations, California; 87R3758
dependency networks, subgroups'/individual's structural power; case study; organizational research journals; 87R3782
ideological legitimation, technological-capitalist social order, organization theory; 87R1757
job promotion ladders, interorganizational differences; job/organization characteristics; job/description data; 87R4078
leadership style, Japanese research; book review essay; 87R9261
organizational analysis, sociocognitive network approach; 87R5727
organizational behavior research, equity formulas, mathematical definitions; 87R7379
organizational behavior, research areas; literature review; 87R9498
organizational democracy; 3-book review essay; 87R3765
organizational diagnosis, methodological procedures; 87R5280
organizational institutionalization, theoretical processes; 87R9518
organizational research areas; 87R7365
organizational research, database need; 87R3757
organizational/development/training/education, decision-making processes; interviews; Flemish organizations, Belgium; 87R9494
population ecology, specialist vs generalist organizations, "fitness-set" theory critiqued; reply; 87R5707
school organizations, rationalist vs neorationalist research models; 87R7939
worker-owned firms, definitions; 87T1063

Organizational Sociology
humanization, managerial philosophies/methods, US; workplace historical analysis, archival sources; 87R5718
organizational sociology, Netherlands; review symposium; 87R5724
organizational sociology, US/UK/France/West Germany/Netherlands; 87S1967
political parties' effectiveness, organizational sociology perspective; 87R7590
quality of work life, organizational consultants, internal-external teams; personal experiences; 87R5289
sociology as science, organizational structures/issues; 87R6309

Organizational Structure
behavioral sex differences, role differences, theoretical perspectives; literature review; 87R1783
bureaucracy/bureaucratic behavior, V. I. Lenin's thought; 87R7391
community organization, ecological perspective; observations, surveys; New Jersey; 87S1987
corporate boards of directors, committee structural change; large manufacturing firms, San Franciso, California; 87R1768
cultural institutions' personnel, organizational structure/characteristics; questionnaire; 87R7909
cultural production, book-publishing industry, US; economy/organizational goals/strategies; 1960s-present; 87R3877
decision-making authority, multihospital systems; questionnaire; administrators; 87R2750
decision-making processes, organizational executives/administrators, methodology/theory; 87R9497
earnings determination; industrial structure; secondary data; 87R5649
electronic mail communication, *Fortune* 500 company; social context cues; field data; 87R7520
employee behaviors/appearance, service vs production/clerical workers; fieldwork; fast-food workers, insurance salespeople; 87S1940
hierarchical bureaucracy, organizational processes; 87S1945
hospital chief executive officers, role changes; corporate authority hierarchy; mailed questionnaires; 87R1784
individual earnings/promotions, US; organizational characteristics; surveys; 1973-1977; 87R9875
industrial catastrophes, organizational traits; case studies; Bhopal (India), space shuttle program; 87R6759
institutional economics, John R. Commons's/Karl Polanyi's theories; 87R9160

inter-/intraorganizational relations, structural dynamics; 87R7368
intergroup relationships, scientists, social mapping; survey; 1971; 87T0130
internal labor markets, job distributions, vacancy chain model; 87R3255
leadership relationships, equalitarian vs hierarchical organizations; formal/friendship ties; 87S1955
Mondragon worker cooperative system, leadership/organizational/capital structures; case study; Basque region, Spain; 87R3679
multidivisional form use, economic/political/ecological explanations; secondary data; US firms; 1960s; 87R9508
Native Canadian newspaper, Toronto, Ontario, organization structure; 87R3886
network exchanges; institutional conditions; 87S1970
organizational action, shared meanings; communication mechanisms; behavioral simulation experiment; college students; 87R3874
organizational action; interorganizational structure, national policy; 87R1777
organizational efficiency, Korean/Japanese/US factories; organization structure, exogenous worker variables; 87R3775
organizational hierarchy, economic theories; critique; 87R3387
organizational patterns, mechanical engineering industry, West Germany; technical/economic conditions; 87R5691
organizational problem solving, middle managers, Regional Institutes for Ambulatory Mental Health Care, Netherlands; questionnaires; 87R3767
organizational structural change; size vs other factors; manufacturing firms, Japan; 87S1970
organizational structures, advanced industrial societies; microelectronic technology; 87R7370
organizational structures, US vs Japanese manufacturing plants; task environment/other variables; survey; 87R7376
parents of child cancer victims, self-help groups, leadership/organizational patterns; case studies; US; 87R7808
patriarchal control, office workplaces; structural characteristics, automation; survey questionnaire; 87S1935
personnel administrative rules, work organizations, career evolution formulations; 87R1725
police organization; policing environment, case study; 87R6297
police work, social meaning constructions, humor's role; participant observation; urban police subdivision, GB; 87R6292
promotional opportunities, worker expectations/perceptions, gender differences; 87R9921
quality of work life, organizational consultants, internal-external teams; personal experiences; 87R5289
race/gender stratification, computer occupations; Current Population Survey; 87S1937
role relations, organizational structure/interaction; technology; case study; radiological departments; 87R4077
school autonomy, general/professional education colleges, Quebec; government type; interview survey; 87R7992

school rules, students' perceptions/behaviors; student/organizational characteristics, social background; survey questionnaire; Newfoundland, Labrador; 87R7996
social service delivery, urban areas, Michigan/Ohio; environmental/organizational characteristics; 87T0819
turnover intentions, certified public accountants; professional/organizatonal commitment, work-related attitudes; questionnaire; 87R9897
university's function, West German reform efforts; 87T0093
women's career paths; individual/organizational influences; interviews; female managers/military officers, US/UK; 87R7794
worker-owned firms, definitions; 87T1063

Organizations (Groups)
action/order paradox, organization/role development, theoretical model; 87R1761
alternative health organizations, research distribution, industrialized countries; interviews, published data; US; 87R9525
authority-legitimacy relationship, modern dominance systems, Max Weber's works; 87S1946
democracy commitment/practice, US, monocentric/concurrent/self-development models; 87R3756
exchange relationships, voluntary organization networks; structural change; survey, interviews; South Dakota 4-H program; 87R1792
feminist social movement organizations, characteristics/strategies/products, resource mobilization paradigm; 87S1962
ideology of efficiency, administrative/organizational life; 87R1765
organizational entry, students' adaptation experiences; peer group separation, role/self-redefinitions; interviews; social science doctoral students; 87R2169
organizational institutionalization, theoretical processes; 87R9518
organizational socialization/adjustment, newcomers, stress of socialization model; longitudinal analysis; university, oil field servicing company, electronics defense contractors; 87R1774
organizational structure, sociological theoretical developments; 87R5460
personal identities; social structure; content analysis, obituaries; 1856-1972; 87R7134
research misconduct, organizational response, social control/behavior perspective; social variables; case study; 87R2506
senior citizen club, structure/function, Southern European rural setting; 87R6621
sociotechnical/organizational design, guiding principles reevaluated; 87R9493
working-class unemployed committees, growth/political-economic orientations/achievements, US; organization publications, interviews; 87R9717

Organized Crime
criminal organizations, US Chinatowns; interviews, statistics; New York City, New York; 1968-1983; 87R5032
gambling/banking institutions, US organized crime, Bahamas; 87R6637
Mafia/sexual/political aggression, Sicilian observers' judgments; sociocultural factors; scale ratings; 87R3427

Orgasm
sexual fulfillment, heterosexual/bisexual/homosexual females; interviews; 87R5279

Oriental Languages
modern Japanese literacy, hierarchical system, *kanji* knowledge measurement; 87R6085

Ortega y Gasset, Jose
masses concept, Italian Gaetano Mosca vs Spaniard José Ortega y Gasset; book review essay; 87R5449
meditation as withdrawal/action as return, East vs West; synopsis of Jose Ortega y Gasset work; 87R5482
Ortega y Gasset, José, social action theory; 87R7074
Ortega y Gasset, José, social action theory; 87R7075

Orwell, George
man/machine relationships, George Orwell's pessimism vs Vittorio Frosini's utopian view; 87T0845

Oslo, Norway
punk symbols, declarative/regulative aspects, Oslo, Norway; 87R9193

Ottawa, Ontario
crime coverage, Canadian press; content analysis; articles/editorials, Ottawa (Ontario) *citizen*; 87R9644
professional orientations, USSR; longitudinal questionnaire data; 87R7765
residential distribution, ethnic groups, Ottawa, Ontario; census data; 87R4187

Outpatients
chronically mentally ill, outpatient commitment, outcome effectiveness; 87S1938
organizational problem solving, middle managers, Regional Institutes for Ambulatory Mental Health Care, Netherlands; questionnaires; 87R3767
outpatient commitment, community mental health centers; quantitative data, fieldwork, case studies; North Carolina; 87T0625
outpatient psychiatric treatment, legal issues; 87R4929
patient-doctor communication; home setting, family members' knowledge; checklist; 87R8511

Ownership
alienation, Israeli kibbutz factory workers; production means ownership; questionnaire; 87R7335
cultural production, book-publishing industry, US; economy/organizational goals/strategies; 1960s-present; 87R3877
family property ownership, sexual inequality, Sweden; mail questionnaires; males; 87R6795
ownership-control relationship, Canadian corporations; 1979; 87R1826
professional sports team ownership, capitalist characteristics; 87R5862
self-employed, autonomy/production capacity, sociological assumptions; 87R2079

Pacifism
British feminist/pacifist Vera Brittain, personal experience-ideology relationship; biographical case study; 87R7165

European pacifist movement, Agnes Heller's/Ferenc Feher's Marxist critique; comment; 87R5897
pacifism/political commitment, Belgian Catholicism; 87R4398
political ideology, Belgian terrorist group; content analysis; media accounts; 87R3978
resource mobilization/public support, 1936/37 Emergency Peace Campaign; professionalism form/level; 87R2018

Pain
back pain severity perceptions, self-reports vs physician evaluations; patient's age/psychological distress; national survey; US; 1971-1975; 87T0612

Pakistan
community attitudes/satisfaction, rural high school students, District Gujranwala, Pakistan; community size, gender; questionnaires; 87T0850
housing shortage, illegal solutions, Karachi, Pakistan; surveys; 87R7875
nomadism, ideological aspects; geopolitical changes; ethnographic data; Gomal tribes, Afghanistan/Pakistan; 87R5595
ostracism's functions, Pathan tribes, Pakistan/Afghanistan; 87R1631
political polarization, Pakistan; military-bureaucratic oligarchy; political/historical records; 87R9183
religious/political leadership, tribal areas, Northwest Frontier Province, Pakistan; 87R1485
rural medical practice, students' unwillingness, Pakistan; social class system; questionnaire survey; 87R4143
sexual selection-childhood familiarity relationship, E. A. Westermarck's hypothesis; case study; first-cousin marriages, Zikri Baluch, Pakistan; 87R9321
social/political change, Muslim society, district paradigm; case study; religious leader's rise; 87R6176
subsequent fertility, Pakistani/Sri Lankan women; differential child mortality; World Fertility Survey; 87R2731
women's subservient status, Pakistan; traditional Islamic patriarchal structures; 87T1012

Palestine
communal armed organizations, divided polities; Palestine, Cyprus, Lebanon, Northern Ireland; 87R3073
immigrants/working class formation, Jewish immigrants, Palestine vs US, 1881-1920; 87R9355

Palestinians
community formation, old/new Palestinian immigrants, northeastern US; wars, economic/social/spatial mobility factors; participant observation, interviews, questionnaire, historical literature analysis; 1948; 87R3534
family changes, Palestine; survey, interview, historical-description; West Bank/Gaza Strip regions, 1967-present; 87R1527
independent Palestine state, Middle East conflict, US public opinion; 87R7496
intercultural relations, sociospatial conflicts, Arab-Palestine laborers, Tel Aviv, Israel; survey, statistics; post-1967 Six Day War; 87R5888
societal transformation, Moslem/Christian Palestinian women, Jordan's West Bank; "'aib" (shame), moral order; participant observation, interviews; 87R5250
women's social position/political activism, Palestinian community, Lebanon; National Liberation Movement (PLO); participant observation, descriptive statistics; 87R1863

Panama
mining project (Cerro Colorado Copper), multinational corporations, Guaymi Indians' protests, Panama; holistic case study; 87R2993
Panama Canal treaties, US Senate voting, public opinion poll influences; 1977; 87R7500

Panel Data
attitudes toward guestworkers, West Germany, item reliability/"Socratic effect"; 1984 General Social Survey; 87R5332
Delphi-based dissertations, nature/quality concerns; *Dissertation Abstracts* database; 1970-1984; 87R6686
panel data, misspecification/instability/ordinal variables; 87R5342
panel data, unobserved variables, linear stochastic differential equation models; 87R5360
survey response variations, panel studies, index proposed; 87R6878

Papacy
catechetical documents, traditionalist/integrationist attacks, France; *Pierres Vivantes* publication; 87R6183
charisma/mass media use, Pope Wojtyla, Roman Catholic Church; 87R6177

Pope's 1983 Austrian visit, television coverage; content analysis, survey; 87R6228
Pope's visit, Canada, mass media promotion; 87T0162

Papua New Guinea
brideprice, anthropological debate, Papua New Guinea; content analysis; letters/article, *Post-Courier* newspaper; 1979/80; 87R3586
childlessness, social meanings/ramifications, elderly Gende, Papua New Guinea; participant observation, interviews, census, surveys; 87T0787
competitive food exchange (*abutu*, dispute settlement, Massim village, Papua New Guinea; 87R3665
culture-bound trance-like syndrome, emergence/development, Yangoru Boiken, East Sepik Province, Papua New Guinea; 87R6597
death rituals, Maisin, Papua New Guinea; Christian influences; ethnographic field data; 1981-1983; 87R3629
domestic-political relations, tribal societies; fieldwork; Maring marriage practices, West Highlands, Papua New Guinea; 87R3588
exploitation, "big-men," Highlands New Guinea social systems; Mount Hagen, Papua New Guinea; 87R3658
formal education, New Britain village, Papua New Guinea, local history/attitudes; fieldwork; 87R1644
heterosexual longing, Gebusi, New Guinea, narrative text analysis; 87R8902
homicide, Bimin-Kuskusmin, Papua New Guinea, personhood/selfhood/deviance notions; case study; 87R7149
leadership training/self-government, Papua New Guinea, Kwato Mission's influence; 1890-1986; 87R1642
madness-sexuality relationship, New Guinea cultures; field data; 87R2634
primary health care, political-economic perspective; cross-cultural analysis; 87R4859
primitive trade, exchange values, Papua New Guinea, Melanesia; Marshall Sahlins critiqued; 87R3654
regional planning administration, less developed countries, developed country academics' role; case studies; Tanzania, Papua New Guinea; 87R7725
religious beliefs/practices, Maisen villagers, Christianity influences; historical analysis; Oro Province, Papua New Guinea; 87R3630
rural-urban migration, Gende, Papua New Guinea; economic inequality, sociocultural factors; participant observation, surveys; 87R1645
social differentiation/stratification, leadership system, Simbu, Papua New Guinea; interview survey; 87R7674
traditional trade persistence, capitalist penetration, Papua New Guinea; product monetization resistance; fieldwork; Maring, Tsuwenkai village; 87R3643
traditional vs modern health care practices, Melpa people, Mount Hagen, Papua New Guinea; observations; 87R8516
village court development/utiliztion, precolonial Agarabi, Papua New Guinea; interactionist perspective; 87R6285
women's benefits/losses; modernization; ethnographic case study; Nukumanu Atoll, Papua New Guinea; 87R6813

Paradigms
academic disciplinary histories, functions/uses; book review essay; 87R3213
empowerment paradigms, clinical/applied sociology; 87S1942
medical disease models, 20th-century paradigm shift, immune system emphasis; 87S1943
medical sociology, Western scientific medicine/Marxism paradigms; 5-book review essay; 87R4862
paradigms, Thomas S. Kuhn's ideas; historical case study; astronomy; 87R6306
physiological optics research; 1840-1894, historical analysis; 87T0267
power relationships, Homo sapiens, "bioconstitutional" approach; 87R8958
psychoanalysis, Thomas S. Kuhn's *Structure of Scientific Revolutions* model utility; 87R8703
quantum physics paradigms, family research implications; 87R4716
reality paradigm, South African sociology; 87R3328
scientific paradigms/theory, natural sciences; 87R2501
scientific revolution, Karl Popper's/Thomas S. Kuhn's/Paul Feyerabend's concepts; 87R8198
social science, Florian Znaniecki's positivist/humanistic position; 87R6862
sociology of culture, "relative attention" research paradigm; literature review; 87S1985
sociology of work; Max Weber's/Alfred Schütz's concepts, comprehensive framework proposed; 87R5447
theory construction, social sciences, methodology/traditional paradigmatic constraints; 87R6851

Paraguay
demographic/economic/political/health/population research, Paraguay; annotated bibliography; 87R9577

Guaraní language, Paraguay, official supportive policy vs actual pro-Spanish practices; 87R7884

Guaraní/Spanish bilingual education, urban Paraguay, teachers' attitudes; questionnaire/interview/other data; 87R7953

Paraguayan historiography development, US; interview; Harris Gaylord; 87R9122

small-farmer economy, destruction/development threats, Itapúa, Paraguay; structural factors; 87R9548

women's social role/status, Guaraní society, Paraguay, pre- vs post-Spanish conquest; 87R7117

Paranoia

paranoid style, US political Right, news media impact; 87R5927

Paraprofessional Workers

community care, elderly, gerontological nurse practitioners; 87R9874

Parent Child Relations

abortion/contraception/childbearing decision making, black teenage females; sociodemographic characteristics/educational attitudes/sex education & experience/friends' influences; interviews; 87R4795

academic achievement/self-concept, elementary school students; home environment variables; Wisconsin; 87R3452

adolescent autonomy, adolescent/parental power, parental perception; questionnaire; 87T0419

adolescent delinquent behavior, peer attachment theories; surveys; 87R5069

adolescent drinking behaviors; parental socialization factors; interviews; 87R4649

adolescent religious activity, gender differences; parental influence; secondary data; 87T0408

adolescent self-evaluations; parental behavior; mail questionnaire; 87R4657

adolescents' decision making; parent/peer opinions; questionnaire, psychology students, University of Queensland, Australia; 87R4675

adolescents' sexual permissiveness/intercourse experience; parents' self-reported/perceived discipline; questionnaires; adolescents, parents; 87R6390

adoption records, sealing controversy, adoptees'/adoptive parents'/birth mothers' perceptions; content analysis; letters of response; 87R4721

agenic/communal personality traits, females, intergenerational transmission; parental characteristics; interviews, Q-sorts, personality inventories; Norway; 87R2601

aggression levels, Chinese primary schoolchildren; social determinants; inventory, questionnaires; fourth graders/parents/teachers, Beijing; 87R4638

aging parents/middle-aged children, caring/support relationships; secondary data; 87R2891

alcohol/drug use patterns/attitudes, university freshmen; parental drug use perceptions; Drug Usage Prevalence Questionnaire; southern urban university; 87R2861

antisocial aggression, children; parental physical punishment; interviews; 87T0474

assistance patterns/life satisfaction, elderly; parental vs marital status; interviews; 87R6629

autonomy perceptions, Australian vs Singapore adolescents; family cohesiveness/cultural factors, gender; questionnaire; 87R4664

career/educational decisions, secondary school graduates, Saudia Arabia; counseling; survey, questionnaire; students/counselors, Riyadh/Jeddah/Mekkah; 87R4091

child development, Tunisia; mother-child physical contact; 87R2603

child neglect families, social distancing; social class, sex, race; questionnaire; 87R8356

child psychiatry, socialization/social development disease, sociosis concept; 87T0652

child self-esteem; sex, parental support dimensions; self-report questionnaires; college students; 87R6514

child-family relations; sociodemographic factors; literature review; 87R2595

childhood experience, Protestant ministers' sons, France; interviews; article/comments; 87R2400

childrearing practices/educational attitudes, Turkish immigrant households, West Germany; interview survey; 87R4787

children's behavior; marital disruption/conflict, parent-child relationships; longitudinal national survey; 87R4644

children's development/adjustment, family processes; parents' divorce/remarriage; questionnaires; 87T0442

children's educational achievement, middle-high school transition; mothers' management strategies; interviews; eighth-graders' mothers; 87R2295

children's educational aspirations/attainments; parents' modeling/defining influences; survey; 87T0526

children's emotional behavior; family/parental communication style, television viewing; 87R1473

children's imagination schemata, developmental implications; content analysis; stories; 87R3080

children's reading proficiency, racial/ethnic differences, US; parental reading activities/education; surveys; 1980s; 87T0122

children's responsibilities, aging black parents' beliefs; interviews; black Church/fraternal organization members, St. Louis Missouri; 87R2902

children's self-appraisals; parental appraisals; 4th-7th graders; 87R3431

children's sex-role differences; teachers'/parents' behavior; observation, "infant" school children; GB; 87R4315

cognitive/motivational competence, infant/preschool children, middle-class families; parental care quality/style; 87R7172

coitus initiation, young adolescents; parent's marital status; interviews; 87T0417

communication deviance, parents of schizophrenics; experiment, Thematic Apperception Test; 87R4941

control/compliance interactions, abusive vs nonabusive mother-child dyads; videotapes; Toronto, Ontario; 87R4789

coping problems, alcoholics' children; child characteristics, caregiving environment; longitudinal data; Kanai, Hawaii; 1955-1973; 87R8616

coresidence patterns, Sweden vs US; archival/census/other data; 19th-20th centuries; 87T0505

declining well-being, US adolescents; parent-child bond; statistics; 1960-1980; 87R6396

delinquency/child abuse; father-naming; official records; male adolescents; 87T0820

delinquent vs nondelinquent adolescent boys, family interaction patterns; self-report/observational measures; 87R8684

development experiences/relationship perceptions, children of bi-/homosexual parents; interviews; 18-28 year-olds; 87R8394

deviant peer association, preadolescent/adolescent boys; attitudinal/behavioral variables; longitudinal interview study; families, Oregon; 87R4671

divorce issues/paternal involvement, adolescents' perceptions; age, gender, family structure; questionnaires; junior high school students; 87T0411

divorce perceptions, children; family status, early- vs late-latency; Children's Attitude Toward Parental Separation Inventory; 87R2679

domestic-political relations, tribal societies; fieldwork; Maring marriage practices, West Highlands, Papua New Guinea; 87R3588

educational performance, primary schoolchildren; parents' cultural resources; empirical analysis; 87R4304

educational/occupational attainment, young adult blacks, US; family/community/educational variables; national survey, interviews; 3-generation family sample; 87R4142

elderly parent-child relationship, financial support/moral issues; 87R2878

elderly parents' care, Jewish adult children's moral obligation; 87R5524

elderly parents-adult children relationships; intergenerational occupational mobility; survey data; 87T0470

elderly parents'-adult daughters' relations, Boston metropolitan area; daughters' employment/religion/socioeconomic status, parental health; semistructured interviews; Massachusetts; 87R5021

emotions/anger, childrearing standards, 20th-century US; case study; 87R9250

family finances/teenage employment, adolescents' perceptions; interviews; 87R4676

family interaction characteristics, mother-child dyads; early age intervention; experiment, interviews; 87R7699

family/fatherhood role, psychological anthropology perspectives; literature review; 87R6473

father-child interaction, media role image, US; field observations, *Saturday Evening Post* cartoons; pre-1970 vs 1971-1978; 87R3426

father-daughter incest, family adaptation, North America; interviews, observations; 87R8333

father-daughter incest, social work intervention; feminist perspective; 87R2631

father-son relationship, blue-collar families, adult sons' perceptions; interviews; 87R9269

fathers-sons military service patterns, intergenerational linkages; interviews; 87R9476

filial responsibilities, elderly mothers, middle-aged daughters' perceptions; demographic/subjective variables; questionnaires; nurses, educators, secretaries, homemakers; 87R2898

gender-trait/role stereotypes, US vs South African children; age, sex, socioreligious background, mother's employment; interviews, ques-

tionnaires; 87R5239
heterosexual/homosexual/parent-child relationships, gay fathers; questionnaires, scales; Minnesota; 87R3124
identity/intimacy, intergenerational perceptions; psychosocial developmental stage; questionnaire; undergraduates/their parents, Virginia; 87R2719
incestuous sexual behavior, biologic fathers vs stepfathers; interviews; 87T0437
indulgence attitudes/practice, parent-child-other relationships, Japanese-American families; background variables, traditional values; questionnaire; 3-generation families; 87R6465
infant-mother relationship; maternal auditory stimulation; experiment; Toronto, Ontario; 87R3464
intergenerational family processes; first child/grandchild birth; constant comparative analysis; three-generation families; 87R4790
intergenerational helping behavior, older adult siblings vs parent-child dyads; interviews; North Carolina; 87T0778
intergenerational ideological attitude transmission; direct socialization/status inheritance/reciprocal influence models; mailed questionnaires; grandparent/parent/youth triads; 87R2664
intergenerational relations, Indian immigrant families, Canada; literature review; 87R8376
intergenerational relationships, elderly/adult children; questionnaires, interviews; 87T0726
intrafamilial conflict perceptions, adolescent females-parents, US; questionnaire, audiotaped vignettes; 87T0427

living in parental home, young adults' propensity; family size/birth position/socioeconomic/other factors; national survey; 87S1947
maladaptive parenting, social support/life stress/personal control risk factors; interviews/questionnaires; white mothers, Canada; 87R2705
maritally violent families, children's value/role/feeling differences; children's gender/birth order; interviews, questionnaires, shelter/violence program records; parents, children, professionals; Colorado; 87R2669
maternal/infant behavior, US vs Japan; observation; mother-infant dyads; 87R4745
mental health, employed vs nonemployed mothers; home/child care/sex/work role attitudes; survey; Sheffield, England; 87R8906
mother-blaming, male-perpertrated incest victims, mother-daughter bonding issues; 87S1963
mother-child relationships, lower classes, Iran; mother's outside employment, family/historical changes; questionnaire, interview; post-1979 revolution; 87R6489
mother-daughter relations, feminism; questionnaires; women university students; 87R2618
mother-daughter relations; married daughter's return to school; 87T0504
mother-infant relationship, cognitive intervention program; 87T0529
mothering behavior, single fathers, individualist vs microstructuralist paradigms; questionnaires; 87R9240
mothers' behavior/disciplinary techniques, children's feelings; questionnaire; low-income 5th-/6th-grade children; 87S2004
newlyweds-parents relationship, USSR; questionnaire; 87R8433
old age socialization preparation, adult children of widowed mothers; interviews; 87T0759
own vs others' parent-youth conflict, adolescent perceptions; interviews; undergraduates; 87R6399
parent-child relationships, Algerian immigrant families, France; Rorschach/Thematic Apperception tests; females aged 18-22; 87R4731
parent-child value transmission/congruence; 87T0536
parent-child-stepparent relations/childrearing patterns, postdivorce/separation; interviews; children; 87R2660
parent/adolescent relationships; child's gender, sibling spacing, family size; interviews; eighth graders; 87R6393
parent/peer orientations, young people, 1960s-1980s; questionnaire; longitudinal analysis; 87R4667
parental feelings/attitudes, black inner-city fathers; father-infant physical contact; questionnaires; 87R5241
parental rewarding/punishing persuasive appeals, adolescent perceptions; parental socioeconomic resources; 87R2627
parental rule systems, enforcement/maintenance, children's perceptions; interviews; 87R4673
parental separation/divorce effects, high school freshmen, ethnographic analysis; interviews; 87T0393
parental socioeconomic status, children's/parents' reports, statistical measurement model; secondary data; 87R3239
parenthood choice, career-oriented women; psychosocial factors; questionnaire; graduate students; 87R4752
parenthood perceptions, elderly; socioeconomic/race/sex/age/education factors; questionnaire; 87R5008
paternal-preschool child relationships, lower middle class families; paternal employment status; questionnaires, observations; 87R9213
perceived communicative relationships; videotaped discussions, self-ratings; parents, adolescents; 87R6377
perceived parental childrearing practices, Australia/Denmark/Italy/Netherlands/Sweden; questionnaire; 87R4643
postdivorce family, legal regulation, child's interest concept; case records; Paris, France; 87R6495
postdivorce functioning, single mothers/children; interviews; mothers, Toronto, Ontario; 87T0511
postpartum adaptation, adolescent mothers; family style/structure; interviews; 87T0550
prosocial helping behavior, decision-making process; personal norms; mothers/daughters, Trier, West Germany; 87R1471
prosocial television portrayals, children's awareness; parental disciplinary practices; field survey; mother-child pairs; 87R4634
psychological father absence, intact families, cybernetics systems theory approach; 87R2648
psychosomatic symptoms, adolescent-adult transition; educational/familial structural conditions; questionnaire survey; 87R6386
recalled parent-child relations, homosexual vs heterosexual adult males; questionnaire, scale; 87R2637
reciprocal practice of love, adolescents/parents; questionnaires; university students; 87T0466
relationship satisfaction, elderly mothers-adult children; interaction quality/affection; interviews; 87T0473
religiosity, second-generation adult offspring; parental religious behaviors; 87T0148
religious socialization/identity, high school students, Evangelical Free Church of America; family/church/school factors; survey; 87R4400
religious values/attitudes transmission, father/mother-youth; questionnaires; Seventh-Day Adventist congregation members; 87R2378
role choice/satisfaction, self-esteem, women; mothers' role choice/satisfaction perceptions; self-report inventories, interviews; Connecticut, New York; 87R8910
scholastic performance, lower class black/white adolescents; maternal disciplinary style; observation; 87T0533
school dropout, juvenile delinquents, prediction model; interviews; 87R9013
self-esteem, adolescent males/females; parent/peer relations, school/athletic performance, popularity; questionnaire; 87R4674
self-esteem, gifted adolescents; family environment; questionnaires; 87R5525
self/spouse/child ratings, parenthood feelings; newborn infant crying, new parenthood; interviews, questionnaires; 87R6508
semiautonomous living arrangements, young adults; National Longitudinal Study; 87R2609
sex education, father-adolescent son communication; questionnaire/inventory data; 87T0429
sex-role attitudes, mother-daughter transmission, blacks vs whites; national longitudinal surveys; 87T0524
sex-role orientations/attitudes/behaviors, college students; perceived parental characteristics; questionnaire; 87T0534
social/learning activities, adolescents, development of mastery; educational career, social class; longitudinal interview survey; 87R2323
sociolinguistic codes, social class/family/academic factors, Basil Bernstein's model; questionnaires, essay analysis; 15-year-olds, Reykjavik, Iceland; 87R6105
sociopolitical attitudes, Holocaust survivors' adult children; Holocaust-related variables; questionnaire interviews; Jews, Montreal, Quebec; 87R6398
sons'/daughters' independent achievement, mothers' demands; mothers' sex-role attitudes; standardized scales; India; 87R6500
spousal support perceptions/mother-infant involvement, Japanese vs US women; observation inventory; 87R4717
stepparenting experience, live-in vs visiting children; interviews, questionnaires; stepparents, spouses; 87R6412
suicidal women's beliefs/behavior; parental characteristics; life history/therapeutic data; 87R3133
sustained altruism, crisis-counseling agency telephone volunteers, socialization history; 87R9206
teen parenthood, father-child relationship; adolescent mothers, Wisconsin; 87S1953
teenagers' violence toward parents; 87R2621
violent behavior, black/white boys; father absence; 87R6418
widows' personal/social/financial/childrearing problems, Ludhiana, India; questionnaire; 87R8408
work value orientations, adolescents; parental unemployment; D. Super's Work Values Inventory; 87R2612

young adults living in parental home, demographic characteristics; census, national survey; 87R4722

Parental Attitudes

abused vs nonabused pregnant low-income women, risk/stress characteristics; interviews; 87T0970

academic achievement, rural high school seniors; home environments; interviews, questionnaires; males, Liberty, South Carolina; 87R4305

academic achievement/self-concept, elementary school students; home environment variables; Wisconsin; 87R3452

Acadian French/Canadian English cultures/languages, Acadian (Nova Scotia) parents' attitudes; questionnaire data; 87R7900

adolescent alcohol use/abuse; parental/peer informal control structures; questionnaires; high school students, Pacific Northwest; 87T0694

adolescent drinking behaviors; parental socialization factors; interviews; 87R4649

adolescent religious activity, gender differences; parental influence; secondary data; 87T0408

alcohol/tobacco/marijuana use, adolescents; parental factors/attitudes/practices; longitudinal interviews; New York City, New York; 87T0720

career decisions, rural southern black vs Appalachian white youth; significant others; questionnaire surveys; 87T0420

childhood leukemia, parental coping processes; parent-hospital staff communications; interviews, participant observation; university hospital pediatric hematology clinic; 87R8470

childrearing practices/educational attitudes, Turkish immigrant households, West Germany; interview survey; 87R4787

childrearing/pregnancy attitudes, adolescent mothers; ethnic group; questionnaires; 87R4654

children's educational achievement, middle-high school transition; mothers' management strategies; interviews; eighth-graders' mothers; 87R2295

children's responsibilities, aging black parents' beliefs; interviews; black Church/fraternal organization members, St. Louis Missouri; 87R2902

children's self-appraisals; parental appraisals; 4th-7th graders; 87R3431

delinquency/child abuse; father-naming; official records; male adolescents; 87T0820

educational performance, primary schoolchildren; parents' cultural resources; empirical analysis; 87R4304

family adaptability/cohesion, parent-adolescent perceptions; questionnaire; 87T0418

French immersion program enrollments, kindergarten/first grade students, Canada; parental perceptions; interviews; parents; 87R4273

global population change, fertility behavior, parental altruism, economic model; article/comment; 87T0539

high educational achievement, Anglo- vs Asian-American students; family variables, parental attitudes; interviews; 5th-11th graders' parents, middle-upper middle class Texas school district; 87R3475

indulgence attitudes/practice, parent-child-other relationships, Japanese-American families; background variables, traditional values; questionnaire; 3-generation families; 87R6465

infant developmental performance, low income families; parenting knowledge, home environment stimulation; scales, hospital records; 87T0530

infant feeding patterns, maternal attitudes/cultural beliefs; physical exams, interviews; infants, mothers, peri-urban Mali, West Africa; 1982/83; 87T0372

leisure socialization, children; socialization agents, family relationships; interviews; day school grades 1, 3, 5, 7; 87R2338

life/value orientations, secondary school students, Siberia, USSR; health/sport attitudes; survey; students, parents; 87R4347

linguistic developmental patterns, bilingual Arabic-English immigrant children; parents' language attitudes/use; taped interviews; 87R6104

marital adjustment/coping behaviors, autistic children's parents; child/family variables; psychological scales; 87R4918

nuclear holocaust, television portrayal, parental reactions; questionnaire; second-/sixth-graders' parents, Charlotte, North Carolina; public schools; 87R5830

parental life outlook/adolescents' job expectations, West German families; income change; longitudinal questionnaire data; 87R7299

premarital sexual activity, adolescents; parental communication, traditional/liberal parental attitudes, gender; National Survey of Children; 15-/16-year-olds; 1981; 87R6405

psychosomatic symptoms, adolescent-adult transition; educational/familial structural conditions; questionnaire survey; 87R6386

racial attitude development, young black children; parental attitudes; tests, scales, interviews; Newark, New Jersey; 87R4783

religions/sexual behavior, church-affiliated college freshmen; parents'/friends' behavior; questionnaires; 87R6410

self-esteem, gifted adolescents; family environment; questionnaires; 87R5525

self-esteem/deviant behavior, upper-status junior/senior high school students; perceived parental pressure; questionnaire; 87T0822

self/spouse/child ratings, parenthood feelings; newborn infant crying, new parenthood; interviews, questionnaires; 87R6508

sustained altruism, crisis-counseling agency telephone volunteers, socialization history; 87R9206

teenage out-of-wedlock childbearing; birth control knowledge vs family attitudes; survey; 87T0403

valued child characteristics; county of orgin; survey; US; 1973-1983; 87T0467

young adult dating relationships, parental reactions/influence; longitudinal questionnaire study; college students; 87R4743

Parenthood

adolescence-to-adulthood status transition, low-income white/black teenage mothers, US; survey; 87R4662

career orientations/job characteristics, sex differences; parenthood; National Longitudinal Study; 87R1735

childrearing costs; socioeconomic status, race; 87R2659

first-birth timing; historical/individual/couple time, background characteristics; national survey; US; 87R2702

first-time parenthood, couples' adjustment; individual/marital/environmental variables; questionnaires; 87T0518

heterosexual/homosexual/parent-child relationships, gay fathers; questionnaires, scales; Minnesota; 87R3124

maladaptive parenting, social support/life stress/personal control risk factors; interviews/questionnaires; white mothers, Canada; 87R2705

marital change patterns, parenthood transition; interviews, observations, questionnaires; first-time parents; longitudinal analysis; 87R2646

marital change, first-time parents; prenatal expectations vs postnatal experiences; longitudinal questionnaires; 87R2645

marital disruption, parenthood transition, critical variables; literature review; 87R8428

marital happiness; presence of children; panel data; 87R4776

marital/personal adjustment, husbands vs wives; parenthood; questionnaire; 87T0463

married women's perinatal labor force participation; personal attitudes; Natinal Longitudinal Surveys of Labor Market Experience of Young Women; 87R5642

parent/grandparent/marital role activities, retired Israeli workers, pre- vs postretirement; questionnaire interviews; 87R5004

parental rewarding/punishing persuasive appeals, adolescent perceptions; parental socioeconomic resources; 87R2627

parental satisfaction, US, research issues; 87R4723

parenthood choice, career-oriented women; psychosocial factors; questionnaire; graduate students; 87R4752

parenthood education, Parents' National Education Union, UK; historical case study; 1887-1920s; 87R8430

parenthood motivation, older females vs males; psychological variables; questionnaire; 87R7116

parenthood perceptions, elderly; socioeconomic/race/sex/age/education factors; questionnaire; 87R5008

parenthood transition; sex-role ideals/behavior conflicts; interviews; first-time parents; 87R6527

parenting competence perceptions, single fathers; multivariate models tested; Air Force Fathers; 87R2714

parenting satisfaction/dissatisfaction sources, preschoolers' mothers/fathers; interviews; southeastern US; 87R9274

parents of child cancer victims, self-help groups, leadership/organizational patterns; case studies; US; 87R7808

postsecondary educational attainments; marriage, parenthood; national questionnaire; 87R4311

psychological well-being, adults; parenthood; literature review; 87T0659

psychological well-being, risk-taking behavior, adults; parenthood, social environment; national probability sample data; 87R2706

self/spouse/child ratings, parenthood feelings; newborn infant crying, new parenthood; interviews, questionnaires; 87R6508

sex-role attitudes/aspirations; parenthood transition; national longitudinal data; 87T0490

sex-role attitudes/behaviors, young adults; parenthood transition; longitudinal data; 87S1972

umemployment differentials, young men, GB; housing tenure, early fatherhood; Labour Force Survey; 87R2616

wife abuse, US couples; structural/demographic vs cultural/psychological variables; Conflict Tactics Scale, survey; Durham, New Hampshire; 87R6639

women's maternal roles, pre-/postpartum self-evaluations; interviews; 87R9239

Parents
adolescent gender/delinquency patterns; household class structure; interviews; Toronto, Ontario; 87R6665
daughter's loneliness; parents' loneliness, childrearing practices; questionnaires; college women, mothers, fathers; 87R6518
educational attainment, Netherlands; parents' financial/cultural resources; national survey; 87R4286
family finances/teenage employment, adolescents' perceptions; interviews; 87R4676
gender segregation, education/employment opportunities, Japanese women; human capital development system, parents'/employers' attitudes/resources; surveys; 1984; 87R5240
marital adjustment/coping behaviors, autistic children's parents; child/family variables; psychological scales; 87R4918
parent's death, family reactions/recovery patterns, developmental role perspective; 87R2708
secondary school assignment, parents' choice, France; questionnaire survey; 87R4271
self/spouse/child ratings, parenthood feelings; newborn infant crying, new parenthood; interviews, questionnaires; 87R6508
severely handicapped newborns, medical treatment, federal regulation attempts; 87R2790
stress/anomie/frustration, non- vs child-abusing families; demographic/personal variables; Family Life Survey; 87R2709
television characters/concepts, parents'/children's perceptions, Japan/Korea/Philippines/GB/US; multidimensional scaling; 87R3885
Pareto, Vilfredo
Italian sociologist Vilfredo Pareto, formation/evolution; 87R9078
social evolution, Vilfredo Pareto's views, evolutionary theory influences; 87R3317
Paris, France
Armies of the Poor: Determinants of Working-Class Participation in the Parisian Insurrection of June 1848 by Mark Traugott, historical/sociological methodologies; book review essay; 87R2054
drug addicts/abusers, population characteristics; case histories; L'Abbaye institution, Paris, France; 87R4955
immigrant labor, garment industry, Paris/New York City; 87R1680
postdivorce family, legal regulation, child's interest concept; case records; Paris, France; 87R6495
Southeast Asian community, Paris, France, activities/housing; 87R7246
urban problems, Paris, France, Soviet viewpoint; official statistics; 1976-1982; 87R9990
Parishioners
feminization of religion, frontier Church, Minnesota; case study; parish records, newspaper accounts; 1858-1900; 87R3099
psychoactive drug use, doctors/medical students; questionnaire survey; 87R6614
Park, Robert Ezra
competition, social/cultural processes, Robert Ezra Park's sociological conception; 87R3360
Parks
Archipelago National Park development, Montreal, Quebec, state/municipal/private agencies' participation; case studies; 87R5849

Luhmann, Niklas, micro-/macrosociological theory, phenomenological origins; 87R9177
organizational structure, sociological theoretical developments; 87R5460
Parsons, Anne, personal biography/suicide, cultural context; letters, writings; 87R9062
Parsons, Talcott, generalized media theory, language/communication analogy; 87R3373
Parsons, Talcott, methodological views, sociointellectual concept; 87R9064
Rokkan, Stein, political sociology theory, Talcott Parsons's influence; 87R3298
scientific development, Talcott Parsons's theory (*The Structure of Social Action*) evaluated; 87R1386
social evolutionary theory, theoretical logic-moral vision relationship, Talcott Parsons's vs Jürgen Habermas's views; 87R5441
Theoretical Logic in Sociology by Jeffrey C. Alexander; review essay/reply; 87R9091
Part Time Employment
communion/agency, part-time employees vs homemakers/full-time employees/others, gender stereotypes; experimental data; 87R7728
informal work, wage work/self-employment comparisons; technological innovation; San Francisco, California; 87R1700
part-time employment trends, GB; official statistics; 1971-1981; 87R8799
underemployment, temporary help services industry, employer benefits; interviews, participant observation, literature review; clerical/light industrial workers/employers, US; 87R5673
work outcome importance, full- vs part-time hospital employees; questionnaire; western US; 87R9469
Part Time Farming
farming continuation, adaptive strategies, noneconomic objectives, US farmers; farm crisis; statistics; 87R6024
labor allocation, on-/off-farm work, family farms, North Carolina; farm/family/sociodemographic characteristics; 87S1986
off-farm work activity, European farmers; 87S1988
part-time farmers, typology; income vs lifestyle motives; questionnaires, interviews, participant observation; 87R4147
part-time farming, Poland, economic efficiency; survey; 87R9948
part-time farming, rural survival strategy, West Germany; 87R6052
part-time farming, structural changes; secondary/survey data; England, Wales; 87R6029
yeoman-ethnic group territorial expansion/tenacity, US; field studies; German communities, Illinois; 87S1995
Participant Observation
anthropological theory/writing/fieldwork, hermeneutical issues; 87R1225
participant observation difficulties, sociological research; sociocultural boundaries; personal experience; Tokyo, Japan; 87R3191
participant observation methods, researcher's member vs nonmember standing; personal experience; field projects; 87R5339
Rajneesh spiritual movement, eastern Oregon, research/interpretation problems; 87T0147
Participation
adolescent participation/experiences, 4-H programs, adult assessments; interview survey; 87S1929
civil violence/nonviolent protests, participation propensity, social marginality hypothesis; secondary data; 87R2033
cultural activities, Netherlands, differential participation; Dutch Life Situation Surveys; 1977, 1983; 87R3593
human services design, simulation gaming; case studies: design participants, Ohio; 87R9034
innovation adoption, villager participation/perspectives, rural communities, Saudi Arabia; structured interviews; Wadi Fatma; 87R5112
pediatrician Medicaid participation; surveys; 1978, 1983; 87T0951
producers' cooperatives, Italian Alps, operating processes, Mancur Olson's theoretical model; secondary data; 87R3771
professional involvement, highly educated females; family life variables; questionnaire; 87R8884
rural development, Third World; local participation; open-ended interviews, document analysis; Operation Feed Yourself, Ashanti Ghana, 1972-1978; 87R1795
social science research, student involvement/skill development, introductory college courses; program developed/tested; 87S1979
survey research, public participation/attitudes; telephone interviews; US; 87R1881
volunteer/involvement levels, adult 4-H leaders; social background/personality/attitudinal factors; questionnaire; 87R7835
Participative Decision Making
policy making, retirement communities, resident participation; literature review, historical/political analysis; 87R2874
popular participation strategy, sociopolitical/cultural development, sub-Saharan Africa; 87T0387

Partisanship
Catholic party, Netherlands, electoral decline/resurgence; 1966-1972; 87R9774
partisanship/party identification, new Spanish democracy; surveys; 1978, 1980; 87R1981
political orientations/activism, voting-age residents, Memphis, Tennessee; human nature beliefs; interviews, scales; 87R9636
Passiveness
helplessness focus/attributions, local television news, New York City; content analysis; 87R1902
institutionalized non-action, omissive strategies; 87R1365
Pastoral Societies
bicultural oscillation, Paliyan food collectors vs Mongol pastoralists, cultural frontier regions; ethnographic/historical research; India, China; 87R3031
colonial capitalism/estate formation, 19th-/20th-century New Zealand/Australia; 87R2186
livestock/pastoral production, Nigeria; government policies/programs; 87R7817
pastoralism crisis, Rajasthan, India; 87R5607
pastoralism transition, communal Sami economy, European Arctic region; 1500-1700; 87R3590
pastoralism/agricultural/metallurgy development, Kalahari peoples; archeological/linguistic/historical data; 87R9324
resource exploitation, cattle-keeping pastoral societies, Africa; 87R3032
resource/environmental degradation, pastoral Maasai's rangeland, East Africa; farmers' immigration; 87T0914
social banditry, agropastoralist peoples, Greece; 19th-20th centuries; 87R3965
social organization, Rendille/Ariaal pastoral societies, Kenya, stability/resilience model; 87R6752
Patents
patent system, Industrial Revolution; book review essay; 87R3158
Paternalism
medical ethics, paternalism issue, US vs USSR; 87R4489
medical paternalism, ethical issues; book review essay; 87R4141
Path Analysis
causal analysis, path models, sociological research; 87R6899
linear causal models, computer estimation programs, behavioral sciences; 87R6904
mixed quantitative-qualitative variables, path analysis models; 87R5346
path/causal analysis, method appropriateness issues, structural approach proposed; 87R6905
Patients
cancer research, scientific methodology vs patients' best interests, doctors' data misrepresentation, US; 87T0268
drug therapy cost-benefit analysis, life quality dimensions, MIMIC-disability index; questionnaire; psoriasis patients; 87R4851
family/patient functioning, post-stroke victims; scale/questionnaire data; 87T0449
health information, patient recall ability; doctor/patient gender, nonverbal expressiveness; experiments; 87R3119
hospital services, patients' satisfaction; sociodemographic/psychosocial/situational/attitudinal factors; interviews; Beersheva, Israel; 87R4904
nursing home life, patients' adjustment; individual/psychological/institutional variables; observation, interviews; 87R2899
nursing home patients/health care workers, social policies' impact, US; participant observation; 87T0742
psychiatric care, medical patients, Hannover Consultation Liaison Model, West Germany; 87R4831
unpaid workers, service industries, gender order; 87R9923

social unit's territoriality weakness, sociological research implications; case study; Comacchio, Italy; 87R5311
stepparent perceptions; family structure; ratings; college students; 87R6435
stress-buffering effects, perceived vs received social support; national survey; 87R1482
subjective concerns, incarcerated males; demographic variables; 87R4515
television characters/concepts, parents'/children's perceptions, Japan/Korea/Philippines/GB/US; multidimensional scaling; 87R3885
tourist satisfaction, authenticity perceptions; 87R1938
turn-final/-medial utterances, natural conversations; experiments; 87T0058
working class unemployment, elite's recognition/opinion; *New York Times Index*; 1890-1940; 87R2096

Performance
life satisfaction, early adulthood; intercollegiate sports' role performance; mail survey; 87R5869
self vs partner's perceived inferior ability, males vs females, same-sex dyads; strong vs weak expectations conditions; experiment; 87S1956
self-attributions/performance; perceived environmental control; experiment; 87R3473
theater audience, social composition/cultural attitudes; questionnaires; 87R7904

Periodicals
sex references, mass circulation magazines; longitudinal content analysis; 87R7544

Permanency Planning
Australian family policy, permanency planning approach; 87T0370
child welfare/foster care, permanency planning, Massachusetts Department of Social Services; questionnaires, interviews, case records; 87R8681
transracial adoption, placement outcomes; national questionnaire survey; 87R6433

Peronism
Peronism, Argentina, working class views; interviews; auto workers; 87R2039

Personality
health/socioeconomic status relationship, Michigan community; psychosocial factors; Tecumseh Community Health Study; 1959-1969; 87T0638
individual psychology-social structure relationships, interdisciplinary vs cross-disciplinary research strategies; article/comments/reply; 87R7167
media vs personal images, legal ownership rights; case analyses; 87R1924
medical practice style/attitudes, personal characteristics, holistic vs family practitioners; questionnaires; 87R9883
mental illness/psychology/personality, Michel Foucault's works; 87R3310
offspring adjustment, within-group vs interracial/intercultural marriages; personality measure; family members, Hawaii; 87R4736
personality research methodologies, historical development; literature review; 87R7105
personality research, theoretical/methodological issues; 87R7156
scientist's personality, German Democratic Republic; conference introduction; 87R4559
the self, Humean/Kantian conceptions; 87R3455

Personality Measures
ethnic minority children, psychological assessment strategies; literature review; 87R7158
Eysenck Personality Questionnaire, cross-cultural comparative validity; 87R3415
individual's socioemotional development, intentional value-feelings, quantification coding system; biographical data; 87S1971
personality changes; monastic religious training; Minnesota Multiphasic Personality Inventory; residents, Zen Buddhist monastery; 87R4409
personality scales, projective-inventory method; literature reviews; 87R3201

Personality Traits
adaptive development processes, adolescents, evaluation scales derived/tested; interviews; psychiatrically disturbed/diabetic adolescents vs healthy high school freshmen; 87R7098
agenic/communal personality traits, females, intergenerational transmission; parental characteristics; interviews, Q-sorts, personality inventories; Norway; 87R2601
alcohol use initiation, adolescents; personality/peer/family factors; longitudinal questionnaire data; 87R2842
alcoholism, medico-biological basis/treatment; literature review; 87T0674
Anglo- vs Mexican-American battered women, US, offense/victim characteristics; interviews; women's shelter residents; 87T0508
anorexia nervosa personality/symptomatology, males vs females; hospital case assessments; psychiatric patients, West Germany; 87R4960
child delinquency prediction, peer behavior evaluations; scales; first-graders, Montreal, Quebec; 87T0808
children's imagination schemata, developmental implications; content analysis; stories; 87R3080
control/compliance interactions, abusive vs nonabusive mother-child dyads; videotapes; Toronto, Ontario; 87R4789
death penalty/punishment attitudes; belief systems/attitudes; questionnaire/test data; university students, Colorado; 87R7120
diplomatic contacts, multicultural settings, personality/psychological aspects; 87R9702
ego-identity differences, Anglo- vs Mexican-American adolescents; psychometric measure; 87R9195
first- vs repeat aborters' characteristics, adolescent women, Los Angeles, California; medical records; 87T0676
homicide motivations/justifications, rural mid-western US; interviews; convicted murderers; 87T0802
human development, G. W. F. Hegel's Africa characterization/Sigmund Freud's Id compared; 87R2964
identities/lifestyle, kibbutz-reared children; California Personality Inventory; longitudinal analysis; 87R3451
illegal Mexican immigration, US; psychological variables; Spanish-language interviews/questionnaires; illegal border-crossers; 87R1960
